Dear Colleagues:

I am thrilled to share with you that Daisy Dominguez Singh will join the University of Maine as the new Dean of Libraries. Ms. Singh has experience in developing strategic plans, open educational resources, and streaming film for remote instruction. Her research revolves around Latin American and indigenous film and music collection development and, more recently, Animal Studies.

Ms. Singh will begin her new role on October 10, 2022. I thank Marianne Thibodeau for serving as Interim Dean of Libraries during this transition period.

Thank you for your active participation in the search process, and I especially want to acknowledge the search committee and Dean Ellen Weinauer, who served as chair of the committee, for their work on conducting such a successful search.

Best regards,
John
