## Voting on May 8 For Watches and Graduation Parts

The annual election to determine the winners of the Washington Alumni Association Watch and the Victoria Weeks Hacker Watch will be held on May 8 at Alumni Hall from 9-12 and 1-3.

Watches are awarded at Commencement as a result of this ballot to the man and the woman of the senior class who in the opinion of the three upper classes have done the most for the University during their college course. Voting is limited to the Seniors, Juniors, and Sophomores and at least 50% of the students in these classes must vote in order to make the election valid. In case less than 50% vote the selection is made by the faculty.

The nominations of the Student Senate for the Washington Alumni Watch are as follows: Bill Daley, Slim Sylvester, Bill Gowell, Mink Kent, Bud Lindsay, Harry Richardson, Harry Mayers, Lee Westcott, Ken Haskell, Rip Black.

Those nominated for the Victoria Weeks Hacker Watch are:

Alice Bagley, Aline Campbell, Sylvia Gould, Pauline Hall, Jenny Hutchinson, Rachel Matthews, Rebecca Matthews, Erma C. Norwood, Jeanette Roney.

The elections for these watches will take place the same date as the elections for the commencement exercises parts.

Those nominated for the parts are as follows:

Nominating committee: Alice Bagley, "Bill" Glynt, "Bill" Gowell, "Dave" Marr, "Jan" Roney, "Harry" Richardson, "Peg" Warren, "Jack" Walker, "Bill" Daley.

The above committee has nominated the following for class parts.

Senior marshal, Donald "Don" Marshall.

Chaplain (one), Fred "Slim" Sylvester, Franklin "Prexy" Pearce, Philip "Phil" Churchill.

Historian (one), Asa "Asa" Wasgatt, John "Jack" Walker.

Presentors of Gifts (one man, one woman), Francis "Bud" Lindsay, Sylvia Gould, Wendell "Skeet" Sutherland, Thelma Lapworth, Charles "Charlie" Hardy.

## Junior Week Festivities Start; Track Club Cabaret Saturday

DICK LORING  
Chairman of Prom Committee

The Junior Week program will start Thursday evening with the presentation by the Masque of Galsworthy's play "Escape."

This play consists of a prologue and nine episodes, each part being distinctly related to the preceding one, containing much pathos intermingled with humor.

The title role of Captain Matt Dennett is enacted by C. Munro Getchell in his usual clever style. The nine episodes center around Dennett and the trials and tribulations which he passes through in an attempt to escape from Dartmoor Prison after having been wrongfully sentenced.

The cast this year contains a large number of members of the Junior class who are performing splendidly.

Myrilla Guilfoil as the Girl about Town gives us a portrayal of character that cannot be surpassed. Miss Guilfoil is seen in the prologue of the play and her acting is sure to create interest.

Caroline Cousins also does a bit of characterization which is worthy of much praise. Miss Cousins can be remembered by her work in "Dulcy" where she gave the best character interpretation that has ever been seen on the campus.

Madeline Riley and Jean Campbell are newcomers in Masque productions but it is certain that their fine acting will make them popular in future plays.

Raymond Bradstreet is the final member of the class of 1931 who will make an appearance in "Escape" and he also contributes much to the success of the play.

Professors Mark Bailey and Herschel Bricker are deserving of much praise, not only for the directing of the play but also

DON MACKENZIE  
President of Track Club

for the parts which they are taking in it.

Friday morning at eleven o'clock the class of 1931 will meet again as a body for the first time since Freshman Banquet in 1927. The Junior Chapel Exercises:

Alberto C. Emerson, Chaplain  
Overture  
Invocation  
Salutatory Address:

Noriman W. Webber, President Class of 1931  
Address to the Juniors:  
Frederick G. Fassett, Jr.

Hymn  
Prayer  
Maine Stein Song

At 2:00 P.M. Juniors will meet for the Treasure Hunt which leaves from Alumni Hall. The Treasure Hunt which was installed last year as a part of the Junior Week celebrations is to be somewhat changed. No cars will be used. The hunt will be within the campus limits—from the Armory to the Orono bridge.

The Junior Promenade will be held at 8:30 P.M. in Alumni Hall. The committee is promising something new in decorations at this formal party. Favors are attractive and distinctive.

Saturday at 11:00 A.M. the Military Review will be given. All the R.O.T.C. will be on parade. The Honorary Lt. Col. Miss Pauline Stearns will be at the Review in uniform.

At 3:30 P.M. the baseball game with Bates College will take place.

The program closes with the annual Track Club Cabaret which is to be held at 8:00 o'clock in Alumni Hall.

## Frosh Tracksters Defeat Deering H.S. And M.C.I. Easily

Real class spirit on the part of the freshmen was shown in their tilt with the Deering High School track team when the latter were beaten to the tune of 87 to 39. When it was learned that their reputation as an undefeated class was at stake, a large number of dark horses showed up who were formerly out training with the baseball team.

Hank Fine pulled a surprise in the century when he broke the tape ahead of the regulars who had been in training, together with Allen and Peterson, of Deering. Allen contributed 13 of his team's 39 points. It was the latter who won three first against the Bowdoin freshmen indoors—a first in the 45 yd. high hurdles, 6 sec.; first in the 40 yd. dash, 4 3-5 sec.; and first in the 600 yd. run, 1 minute, 20 4-5 sec. All the times are records. He is State outdoor high hurdle champion with a time of 16 2-5 sec.

Havey for the freshmen took two firsts in the pole vault and broad jump, and tied for first in the high jump. Booth also starred with two firsts in the 880 and mile runs. McKiniry, a former Deering man, went thru his events with less ambition than had they been workouts.

## Scene from "Escape" Radioed from WABI

Those who were listening to the broadcast of Station WABI last Tuesday evening had an opportunity to find out what would be in store for them on attending the Masque play "Escape."

John Barry and Milton Sims broadcast the second episode of the drama and judging by the numerous phone calls made to the station, their work was favorably received.

These two students, who take the part of wardens searching for Matt Denant who has escaped from prison, gave their radio audience an interesting dialogue.

This episode along with eight others, and a prologue which features Miss Myrilla Guilfoil and C. Munro Getchell should not be missed.

It is especially interesting to note that the Masque was granted a part on the program of WABI on the second night of that company's broadcast.

The performance of John Galsworthy's drama "Escape" begins Thursday evening, May first at seven thirty in Alumni Hall.

## "College Humor" Novel Competition Opens

So many promising college writers turned up among the contestants to the recent College Humor-Doubleday, Doran Campus Prize Novel Contest that with the announcement of the prize winning novel, the editors reveal their plans to make the Campus Novel Prize of \$3,000 an annual event. The Campus Novel Prize becomes established with its award to a co-ed of Northwestern University—Miss Betty White.

Rules for 1930 College Humor-Doubleday, Doran Campus Prize Novel Contest differ slightly from those of the contest just concluded, but the prize remains the same—\$3,000 for the best novel submitted by an undergraduate enrolled in an American or Canadian university, or a graduate of not more than one year. Whereas formerly the campus novel was limited in scene to a college background, the 1930 Campus Prize Novel may be placed in any modern environment and be woven around any set of characters. The sum of \$3,000 is for the right to serialize the story in College Humor and to publish it in book form. Motion picture and dramatic rights will remain with the author. Both the book and the magazine publishers reserve the right to publish in book or serial form, according to the usual terms, any of the novels submitted in the contest. The contest will close at midnight, October fifteenth, 1930. Typed manuscripts of not less than 70,000 words should be sent with return postage to the Campus Prize Novel Contest, College Humor, 1050 North La Salle Street, Chicago, Illinois, or to the Campus Prize Novel Contest, Doubleday, Doran and Company, Inc., Garden City, New York.

The judges will be the editors of Doubleday, Doran and College Humor, and the prize winner will be announced sometime after the first of January, 1931.

## Maine Defeats Bowdoin 4-1 In Hard 14-Inning Contest; Taft Pitches Whole Game

### Game Lasts Three Hours. Both Teams Go Scoreless Until Sixth Inning. Double Plays by Maine Save Game

After one of the most spectacular battles ever fought by a Maine baseball team, Maine last Friday defeated Bowdoin in a grueling 14-inning game. This is Maine's first victory in the State Series, but the present indications seem to show that it will by no means be the last.

The game lasted for the entire 3 hours and 5 minutes, but was never the least bit tedious or slow. Both teams went scoreless until the sixth inning, when Wells, Maine's hard-hitting catcher, hit a short infield fly which was thrown wild over first base, enabling him to reach second safely. A few minutes later he came home on a long drive by Kisonak to score the first run of the game. Bowdoin, in the same inning, tied the score when Ricker gained first on an error by Plummer, went to second on a sacrifice, and was batted in by Dwyer. In the tenth inning Bowdoin put two men on bases, but a beautiful double play, Wells to McCabe, robbed her of a chance to score. In the eleventh inning a similar situation arose, but another double play, Wells to Smith, again saved the day for Maine. Maine's big threat in these innings were long flies to the outfield by Wells and Palmer; hits that looked to be sure home runs, but were gathered in by Urban's and Ricker's sensational catches. Then came the fourteenth inning. With two men out, Plummer went safely to first on an error, and was forced to second when Palmer walked. Hinks, the next man up, hit a double, and Plummer scored. Wells then singled, driving in Palmer and Hinks, and put the game on ice.

Taft pitched the entire game for Maine, and did an excellent piece of work. Not once did he show any let-up, and the one run scored off him was unearned.

## Co-ed Debaters End Season at Lewiston

The Bates women defeated the University of Maine team by a vote of 2 to 1 in the final debate held in the Little Theatre at Bates College, Friday evening, April 25. The question was Resolved: That legal censorship should be abolished. Bates defended the negative side of the question with these speakers, Edith Lerrigo, Ruth Shaw, and Rebecca Carter, while the University of Maine affirmative speakers were Frances Fuger, Fanny Fineberg, and Louise Bates. The judges were Professor Herbert Brown of Bowdoin College, Mayor Robert Cony of Augusta, and William B. Jack, superintendent of Portland schools. Professor Amos A. Hovey of the Bates faculty presided.

## Spanish Club Gives Cervantes Program

Carl W. Pickering won the first prize in the speaking contest held as a part of the Cervantes' Day program given by the Spanish Club in the M.C.A. building Thursday evening. Clark Abbott was awarded second prize and Charles Twelcie third. The prizes were a \$5 gold piece, a \$2.50 gold piece, and a medal offered by the American Association of Teachers of Spanish for excellence in that language.

The meeting of the Spanish Club was held in connection with the anniversary of the birthday of Miguel de Cervantes, one of the greatest of Spanish authors. The program opened with the singing of Spanish songs.

Refreshments were served after the awarding of the prizes.

The meeting of the club, which was the last of the year, was called partly for the election of officers for the coming year. Roger A. Kellogg is the new president; Hazel B. Sawyer, vice president; Ruth M. Nelson, secretary; and Clarke L. Abbott, treasurer.

Mr. Cabrera announced the presentation to the Club of several new Latin-American flags, and of a Spanish painting, these being purchased with the funds realized from the popular and successful Spanish Night held in Alumni Hall last semester.

## TAU BETA PI INITIATES

Paul M. Elliot, Beverly, Mass., Edwin C. Guptill, East Baldwin, Elwin F. Howard, Dixfield, Donald B. Henderson, Bath, Paul E. Nason, Houlton, Richard T. Page, Waterville, Timothy J. Ryan, Portland, Sebastian Louis Scheffer, West New York, N. J., Lincoln O. Spencer, Biddeford, and Henry H. Favor, Norway were initiated into the Maine Alpha chapter of Tau Beta Pi, the national honorary society for engineers, Wednesday evening. The formal initiation was followed by a banquet at the Bangor House. Of these men, two are chemical engineers, two civil engineers, one mechanical, and five electrical engineers.

## Whiteman Broadcast Of Stein Song May 6

The Whiteman-Old Gold orchestra, which for the past year and a half has been one of the stellar attractions over the Columbia network, will play its concluding radio concert on the night of Tuesday, May 6th. The feature of the farewell program will be the rendition of "The Stein Song," the melody dearest to the hearts of the students and alumni of the University of Maine. This will be the first time this famous old number has ever been included on the Whiteman-Old Gold program.

"The Stein Song" was included on the program of the concluding Whiteman-Old Gold broadcast in response to the numerous requests for its presentation which came from the university men and the college publications throughout the country. He has prepared a special arrangement of the number, designed to accentuate every note of the lilting melody and to stress the infectious swing of the famous old tune which for so many years has inspired and thrilled the students and the old grads of the University of Maine.

Mr. Whiteman's closing program will be broadcast to the United States and adjacent countries over station WABC and the Columbia system between the hours of nine and ten o'clock p.m., Daylight Saving Time, on the evening of Tuesday, May 6th.

## PHI KAPPA-A. T. O. GAME FORFEITED

The game scheduled between Phi Kappa and A.T.O. was forfeited to Phi Kappa because of the ineligibility of an A.T.O. player that did not come to light until after the game had been won by A.T.O. The game, played Tuesday night, resulted in a win for A.T.O. by quite a large margin, but the rules of the Association say that any player who takes part in an intercollegiate game is ineligible, and the game was thrown out for that reason.

## New Catalogue Out; Has Four New Features

The 1929-1930 Catalog issued last week introduced several changes and additions.

President Boardman's statements, on the inside front cover, concerning the appointment of a committee to study methods of placing the needs of Maine before alumni and friends, should be noted. President Boardman has listed, on the inside back cover, five of the important needs of the University:

1. A Union Building; 2. An Auditorium or Chapel; 3. Tuition Scholarships; 4. Fellowships for Research; 5. Endowments for Faculty Salaries, Sabbatical Leave and Retirement.

The description of the courses is more uniform, so as to consume less space.

A directory of faculty names has been added.

It is interesting to notice that the number of pages in the catalog has expanded from 244 pages in 1920 to 319 pages in 1929-30.

## NEW SONG BOOK UNDERWAY

Reports have been received from both the Pan-Hellenic Council and the Senate indicating that all the sororities and all but two of the fraternities favor having one of their songs included in the new song book, on which an alumni-student committee is now working.

The foregoing action comes as a result of a suggestion that each sorority and fraternity be given the opportunity to select one of their fraternity songs to be included in the proposed song book. Upon approval of the idea by the song book committee the matter was then taken up with the Pan-Hellenic Council and the Senate.

It is expected therefore that a recommendation will be made to the Alumni Council at whose suggestion the movement for a new book was started, urging the approval of the inclusion of one song from each fraternity and sorority.

In connection with the preparation of the book a new song contest is being conducted. It is open to students as well as alumni. The closing date of the contest is May 31. Information concerning it may be secured at the Alumni Association office in Fernald Hall.

## Tentative Program Made Out for June Commencement Week

The following is a tentative program for Commencement. The baseball game Saturday may be cut out from the program.

Galen Veayo, leader of the Maine band is attempting to have 25 men from the band remain for commencement, to play for Class Day, Alumni Day, and Commencement.

Charges for entertainment on the campus will be as follows: Lodging \$1.00, breakfast \$.50, and Alumni Lunch \$1.00, and Friday night dinner \$.75.

Shall intercollegiate athletics among women at the University continue? This question must be decided within the next few weeks. Many colleges are substituting intracollegiate activities and play days that there may be plenty of opportunity for relationships with other colleges. The organization of athletics as it stands now demands intensive training in which the true purpose of athletics is lost. What is your opinion. Co-eds, here is your chance to vote yes or no on Tuesday at 12:45 in Alumni Hall.

## Maine Women Hosts In Three-Day Meeting Of Gov't Associations

The Annual Conference of the Women's Student Government Association of Coeducational Colleges of New England was held at the University of Maine campus on April 24, 25, and 26. Delegates from the following institutions were guests of the Maine Council: Bates, Colby, University of New Hampshire, University of Vermont, Middlebury, Massachusetts Aggie, Jackson, Rhode Island State College and Connecticut Aggie.

The guests arrived on Thursday afternoon and attended the first session in Balentine sun-parlor that evening. Mrs. Boardman and Dean Bean welcomed them. Discussions and an entertainment followed.

On Friday morning the Maine Council was installed in Alumni Hall. This was followed by discussions in the M.C.A. building at which a variety of student government problems was considered.

Mrs. Boardman entertained the group at a tea on Friday afternoon. That evening a formal banquet was held in Balentine Hall. Professor F. G. Fassett addressed the gathering. The girls enjoyed a party given in the Pi Beta Phi cabin later in the evening.

On Saturday the final session was held at the M.C.A. building.

All reports speak of the Conference as one of the most successful which has ever been held. Those on the Council report that the meetings were most inspiring and helpful. The annual meeting next year will be held at Jackson College.

## FRESHMAN-COBURN GAME CANCELLED

The freshman game with Coburn, scheduled for last Friday, was cancelled because the Athletic Association could not come to proper terms with Coburn as to the amount of guarantee. The freshmen are, therefore, quite deep into the baseball season without having as yet played a single game. On Thursday afternoon of this week they meet the strong Kents Hill Seminary.

## MASQUE PLAY

This Thursday night the Maine Masque presents "Escape", a powerful play by Galsworthy. The members of the cast have been rehearsing the play for a long time, and the University should recognize their sacrifices and support the play by filling every seat in Alumni Hall.

In this connection, it has always been a regrettable feature of a performance in Alumni that many would come to the hall late, and disturb those already in their seats, because of spending a long time in locating their seats and then in removing their coats and wraps. This detracts from the enjoyment of the play by those who were on time for the play. A person who arrives late does not show a proper consideration for the rights of others when he or she breaks the continuity of the play for those who were in time. With a little care taken to allow a reasonable margin of time, it should be possible for all to arrive on time, and before the play begins.

## THE JUNIOR PROM

The Junior prom tomorrow night will be a crowded affair, as it always has been. It would seem that the committee in charge tries to make a profit on the dance, by selling a large number of tickets. The resulting crowd makes dancing hard, and detracts from the pleasure of those present. The number of those present should, in our opinion, be restricted to not over two hundred couples, and preferably not over 150 couples. With admission limited to 150 couples, at a rate of \$5 per couple, the gross income would be \$750. Allowing \$400 for the orchestra, and the excessive amount of \$100 for decorations, the committee would have at its disposal \$250 for favors and refreshments. If this should prove insufficient (a contingency that is unlikely to arise), we would be in favor of raising the admission charge. If a vote were to be taken, it might be found that those planning to attend would be in favor of paying slightly more if they could be assured of enough space to dance comfortably in, without bumping into another couple whenever they turned around.

We suggest that the next prom committee take this matter into consideration, and find out the opinion of the class in the matter. It might be the case that attendance would have to be restricted in some manner to Juniors only. This might arouse opposition, but after all, the affair is primarily for Juniors, so why not restrict it to Juniors.

The dance should not be commercialized, as it has been in past occasions. If the number attending were to be restricted, the tickets would have to be given out in a way similar to that employed for the distribution of football tickets, with preference being given to Juniors, and then putting any tickets remaining, on sale at a specified time that might be two or three days before the dance.

A method of this kind would make the dance more of an attraction, and would lend a certain amount of exclusiveness which is lacking as long as any one having the price of admission is privileged to attend.

## CORRESPONDENCE

Dear Editor:

Since Alumni Hall is now being improved, why not take this opportunity to install an improvement which has long been needed. Alumni Hall should have a drinking fountain. Alumni Hall is the center of the University and a place thru which the majority of students pass during the day.

It reflects badly on the University when visiting teams must inquire for a drinking fountain, only to be told by one of the home men, a little ashamed, that there is none in the building.

What can be the objection to a fountain in the corridor of Alumni Hall which would give endless satisfaction to not only the students and faculty, but to visitors at the University.

S. O. S.

## KAPPA GAMMA PHI INITIATION

Kappa Gamma Phi will hold its initiation banquet Monday at the Country Club at 6:30 P.M.

It is rumored that at an early date, the University band will broadcast over the Columbia system for a fifteen or twenty minute period. The playing of the band will be picked up by telephone and will be relayed to New York, from whence it will be broadcast over the whole chain of stations throughout the country.

Several sororities elected officers for the coming year. Dorothy Scott was chosen president of the A. O. Pi. She belongs to the Home Economics Club, the Glee Club, and is on the Rifle Squad. Ellen Wareham, assistant manager of hockey, a member of the Y.W.C.A. Cabinet and of the Home Economics Club was made vice-president. The secretary is Muriel Freeman, a member of Varsity Hockey, Glee Club, and Der Deutscher Verein, and the treasurer is Hazel Parkhurst, a Sophomore Eagle, member of the Varsity Hockey Team, Captain of the basketball team, member of the Y. W.C.A. Cabinet, and an All Maine Woman.

Delta Zeta sorority elected Esther Moore as president for next year. She is prominent on campus, is a Sophomore Eagle, played on the varsity hockey team and the basketball team, is a member of Student Government and of Neo-Mathetae, the freshman honorary scholastic society. The other officers were Mildred Merrifield, vice-president, Helena Conant, member of Der Deutscher Verein, secretary, and Dorothy Somers also a member of Neo-Mathetae, treasurer.

The president of Kappa Psi for next year will be Vitolia Lobikis, basketball manager and member of varsity hockey team. Doris Gross was chosen vice-president. She is a member of Contributors' Club and distributor of the Maine-Spring. Josephine Carbone, member of the varsity basketball team and of the volleyball team is secretary, and Laura Gross is treasurer.

## CORRECTION

At the time the front page went to press, the special notice on the 1st page of the Campus about the sound picture was regarded as correct. After the front and back pages had been printed, however, word was received that the sound and picture apparatus would not be here, because of a conflict in dates. Therefore, the notice on page 1 is to be disregarded. There is a possibility that the apparatus will come Monday at the time of the Colby game.

## INTRAMURAL BASEBALL

Intramural baseball recently started. Following are the results of the games played thus far:

Sigma Phi Sigma-Tau Epsilon Phi games—tie 6-6, to be played off Sunday morning.

Beta-Sigma Nu game—postponed until May 6 because of cold weather.

Theta Chi-Dorm Council game was won by Theta Chi, 6-5.

Sigma Alpha Epsilon-Delta Tau game was won by S.A.E., 3-1.

Lambda Chi-Phi Kappa Sigma game postponed until May 6.

Beta Kappa-Phi Mu Delta game was won by Phi Mu Delta, 4-0.

## SENIOR SMOKER PLANNED

At some date to be announced later the senior men will hold a smoker in Alumni Hall. There will be some specialty acts put on, and plenty of 'cats' and 'smokes' will be available. Seniors who would be interested in putting on an act are strongly urged to consult Bill Daley as soon as possible.

The freshmen will meet the Portland High School tracksters Saturday at 2:30 P.M. on Alumni Field.

## MISS BUCHAN SPEAKS

Miss Evelyn Buchan was invited to speak to the sociology classes at Bowdoin on Tuesday, April 29. The subject was The Delinquency Triangle.

The class in Psychology of Advertising visited the plant of the Bangor Daily Commercial on Tuesday and Wednesday afternoons to see the processes involved in printing a newspaper and to study the advertising procedures as they are carried out in a newspaper plant.

## DR. CROFUTT AT WASHINGTON

Dr. C. B. Crofutt of the Physics Department attended the meetings of the Physical Society in Washington April 24, 25, and 26.

## BAND MAKES GOOD SHOWING

The U. of M. band scored another hit at the Cabaret given by the local post of the American Legion at the Orono town hall, Friday evening, April 25th. Many of the band members who were due to play for formal house parties attended at considerable inconvenience to themselves, showing their whole hearted cooperation. The rendition of selections was very good—especially that of the Stein Song, which was played as originally written.

Philip H. Trickey, U. of M. 1928, who is a designing engineer with the Westinghouse Electric & Manufacturing Company, was on campus a short time ago and gave a talk to the students in Ee 60 on problems in connection with the design of small motors.

According to an announcement made last night by Prof. Sprague, The Stein Song has sold more copies than any other piece with the sole exception of the "Beautiful Blue Danube" waltz by Strauss. And in all probability, will far surpass the older piece when the total sales are computed.

## DRUNKS ARRANGED TO STRAINS OF STEIN SONG

The Portland Municipal Court was recently trying some intoxication cases, when from a nearby room the strains of the now popular Stein Song filled the courtroom. A loud needle, a fifteen cent record and the stone walls in the corridors all helped to give the proper volume to the music. Recorder Cowan smiled. Prisoners, witnesses and spectators laughed. Court officials however, sprang into action, and a few moments later silence reigned. The court then proceeded.

It is thought that the Stein Song will be played no more during court sessions.

One Stew: "Say, where did you get all the red on your lips?"  
Second Stew: "Oh, just my tag for parking too long."

## Social Happenings

## KAPPA PSI FORMAL

The Kappa Psi sorority held its annual spring formal April 26 at the Penobscot Valley Country Club. Among the guests present were Louise Campbell, Mrs. Louise Gordon, nee Louise Huse, former student of the University of Maine, Ursula Sprague, Mr. Howard Wadleigh, and Mrs. Fisher. The chaperones were Dr. and Mrs. Steinmetz, and Mr. and Mrs. Brann. Music was furnished by Neil Calderwood and his Lucerne-in-Maine orchestra.

Lollypops were sold on campus last week for the benefit of Camp Maqua Fund. About thirty dollars was realized from the sale.

## DELTA ZETA FORMAL

Delta Zeta held a formal dance at the Penobscot Valley Country Club. Music was furnished by the Troubadours. The chaperones were Dr. and Mrs. Ashworth, Mrs. Sullivan, and Mrs. Merrill. Among the guests were Dr. and Mrs. Small, Mr. and Mrs. Levensellar, Virginia Lovejoy, Natalie Dunn, and Eleanor Sweett.

## LAMBDA CHI ALPHA FORMAL

Beta Zeta of Lambda Chi Alpha held their formal and informal dances last Friday and Saturday nights. The favors were perfume atomizers. The chaperones were Mrs. McDonough, Mr. and Mrs. Paul Bray and Mr. and Mrs. Lyle Jenness. The Hudson-Essex orchestra (formerly the Reo Flying Cloud) furnished the music.

## TRI DELTA SORORITY

Delta Delta Delta sorority held its annual formal banquet at the Bangor House April 28. The table was very prettily decorated with large dishes of pansies and with silver, gold, and blue candles.

Brenna Blaisdell was toastmistress. The speakers were Sylvia Gould, Elizabeth Sawyer, Eunice Copeland, Justina Harding from Alpha Upsilon chapter, Barbara Burr from Beta chapter, Edith Talbot, Emily Thompson, Mary Sewall, Ruth Callaghan, and Dorothy Colomy.

## SIGMA CHI FORMAL

Sigma Chi's Spring formal is to be held Friday, May 9. The informal is on the following night. These parties will conclude the social activities at the house, for the season. The chaperones will be Mr. and Mrs. Chadbourne, and Mr. and Mrs. Jenness.

## S. A. E. FORMAL MAY 9th

Sigma Alpha Epsilon is entertaining at a formal and informal dance the evenings of the 9th and 10th of May. Mr. and Mrs. K. Rice and Mrs. Edith McCollum are to be the chaperones the first night and Captain and Mrs. L. Stewart and Mrs. Edith McCollum the second. Music will be furnished by John Fogg's Doctors of Rhyme.

## PHI MU FORMAL

Phi Mu sorority had its formal dance at the Dorothy Memorial Hall, Friday April 25, under the supervision of Margaret Warren. Mrs. Hart, Dr. and Mrs. Parker, Judge and Mrs. Warren, Barbara Hunt, president and Anthony Pelletier were in the receiving line. Refreshments were served during the evening. Perley Reynold's Commanders furnished the music for the large crowd present.

## PHI MU INITIATES

Pi Chapter of Phi Mu sorority initiated fifteen of its pledges at Margaret Warren's home in Bangor Saturday afternoon, April 26. They are Priscilla Bell, Beulah Bradbury, Gertrude Dorr, Edna Grange, Barbara Harvey, Blanche Henry, Marion Ladner, Margaret Lovely, Katherine Meade, Dorothy Murphy, Josephine Mutty, Doris Smart, Lucia Umphrey, Estelle Wiseman and Ruth Young.

After this there was a banquet at the Penobscot Exchange. The table was very prettily decorated with little rose baskets with the place cards and rose candles. Mrs. Hart, Miss Marion Buzzell and Miss Barbara Hunt gave a short talk and welcomed the newcomers. Then Miss Hunt read the telegrams and letters from the alumnae and other sororities.

At eight-thirty the girls all went to the Bijou for a theatre party.

## Faculty News

## TECHNOLOGY SMOKER

Last Thursday night the Personnel Department of the College of Technology entertained two hundred and fifty students and faculty at a smoker in Coburn Hall, as part of the work that the department is doing in promoting better relations between students and faculty, helping students in trouble, finding summer employment, etc.

The first speaker of the evening was Professor Weston, who entertained by his drawing delivery. His subject was the "Mechanics of Emotion," which he says, has its basis in the "couple" and its conclusion at the "yield-point."

Next Mr. Williams, vice-president and General Manager of the Central Maine Power Co., addressed the audience on problems confronting the young engineer in the Public Utility field. Williams, a graduate of University of Maine, who has gone thru the line himself, stressed the problems of employer, interest, willingness, and labor relations that every man has to face.

Music and refreshments concluded the entertainment. The committee in charge was headed by Prof. Evans and Leon Savage and Peter Kuntz.

Prof. W. S. Evans visited Gorham, Standish, Brunswick, and Yarmouth High Schools and North Yarmouth Academy April 23, 24 and 25.

Elton Wright Jones, U. of M. 1928, is an instructor in Electrical Engineering at Cornell University this year.

Professor A. C. Lyon and a party of hydraulic majors will make the annual hydraulic inspection trip, visiting the power plants at Milford, Veazie, Ellsworth, and Toddy Pond, and inspecting the storage dam and control works at Brimmer's Bridge at Ellsworth on Tuesday, May 6.

## SCREEN

Two blocks of Broadway, New York, were reproduced in faithful detail for the filming of street scenes in "Broadway," the Universal super-film which comes to the Strand theatre on Thursday and Friday. Peopled with a hustling crowd such as throngs the sidewalks of the big city, and jammed with whirling taxi-cabs, limousines and trucks of every description, the whole was photographed with full sound effects, resulting in a negative startlingly realistic. Glenn Tryon, Evelyn Brent and Merna Kennedy are featured in "Broadway" supported by Thomas Jackson, Robert Ellis, Paul Porcasi, Otis Harlan, Marion Lord, and many other notable screen players.

"Sarah and Son," famous modern novel by Timothy Shea, forms the story basis for Paramount's feature picture of the same name which comes to the Strand Theatre Saturday. Ruth Chatterton, of "The Laughing Lady" fame, is starred in the role of Sarah.

Mr. Goldsmith, manager of the Strand Theatre, wishes to announce that he will show for Friday and Saturday, May 9th and 10th, SALLY featuring Marilyn Miller, the famous Broadway star.

If Frances Dow '31 and Roger Kellogg '33 will present this page at the box-office of the Strand Theatre they will receive a free pass to any performance.

## FRESHMAN CO-EDS WIN TRACK MEET

The co-ed track meet which took place Saturday morning in Alumni Hall was won by the freshmen. '32 gave them a close fight for ascendancy in score, however, and was the runner up. At the beginning of the meet all four classes were about equal in standing for the first few events. The sophomores gained a big lead, however, and held it until the last of the contest when the freshmen came to the fore. They won by quite a few points, the sophomores being second the juniors third and the seniors fourth. Their respective scores were: 1st 339, 2nd 315, 3rd 299, 4th 250.

The annual banquet of Alpha Upsilon Chapter of Delta Zeta was held at the Bangor House, April 23. Athalie Sweatt was toastmistress. Mrs. Ashworth and several alumnae were present. At this time Delta Zeta introduced a new patroness, Mrs. George Small.

heavily for the visitors while McKiniry, Havey and Booth were outstanding for the frosh. Larry Johnson, All-American Schoolboy star of 1929, scored three first places and made new dual meet records in each event. He easily broke the hammer throw record with a heave of 183 feet and ten inches. The discus throw went to Johnson whose toss went 133 feet five inches, while the shot was sent 46 feet 2½ inches.

McKiniry romped away with the 440 yd. dash in 54 seconds. Hank Fine again turned in a performance similar to that of last Saturday against Deering when he just nosed out Higgins of M.C.I. by inches in the century. Booth easily won the mile run and took it easy to come in second to Pendleton in the 880.

**The telephone looks ahead**

Even as you are putting through your daily telephone calls, groups of Bell Telephone experts are calculating your telephone needs for five years, ten years, twenty years from now. It is their work to discover from all available facts—not fancies—how each state, city and community will probably grow. These facts are reduced to forecast charts, precisely as an astronomer plots the course of a comet.

Thus central offices are planned years before they are actually built. Underground and overhead lines are laid out to fit future as well as present needs. Expansion of service is provided for.

Bell System planners virtually live in the cities of the future. They play a vital part in providing the best possible telephone service for the least possible cost.
