The University of Maine community joins the Office of Facilities Management and the maintenance team in mourning the passing of Brent White.

White, who worked all over the campus, joined the UMaine community in 1979. During his 44-year tenure with the university, White served as a custodian, a custodial supervisor, and most recently as a facilities maintenance worker.

"Brent came from a family of custodians. Since his father, Howard White, had also been a custodian at UMaine, you could say he was part of a long tradition that kept our campus clean," said Jeremy Chubbuck, Associate Executive Director of Facilities Management. "His knowledge of campus buildings was unparalleled. I'll always remember Brent as a dedicated employee with an outstanding work ethic."

UMaine students, faculty or staff in need of support can contact the Counseling Center at 207.581.1392, the University's Employee Assistance Program at 877.622.4327, or the Dean of Students Office at 207.581.1406.
