Maine Campus November 20 1930

Maine Campus Staff
Senior Foresters Leave For 9 Weeks At Lumber Camp

Robust fifteen senior foresters leave last Sat-urday for their winter camp, located near the State Forest at Laperriere, New Hampshire. Their work, under the supervi-sion of the University, consists of the continu-ation of careful study of lumber opera-tions on the State Forest, and the examina-tion of growth and browse. The crew is expected back again after a quarter of a year. (Continued on Page Two)

Debaters Form League With Other N.C.E. Colleges

The debating season at the University of Maine will get underway next Mon-day, November 19th. The University will enter seven men and women, varsity and freshmen, including the following: Professor Homer L. Hardcastle, coach, and Margaret Nevin, a friend of Miss Hardcastle, will be on the platform during this produc-tion.

The main reason centered around young Markow, the aquatic and musical. His portrayal of Tony Lumpkin, the par-ty leader on the track team, and his ability to present the society of the main reason centered around young Markow, the aquatic and musical. TAUG TO GIVE VIC PARTY
Signs Tau is giving its first victory party. It is to be held at the Delta house, 2 Vail Street, Thursday, November 14, at 10:00 P.M. All members of the fraternity will be there to cheer the champions.

A Q O PI INFORMAL DINNER
A dinner dance given by the Alpha Omicron Pi Fraternity in honor of the Women's College of the University of Maine. The dinner and dance will take place in the Armory, 2 North East Street, Saturday, November 16, at 7:00 P.M. The program will include a series of dances, a buffet dinner, and a silent auction. All members of the Women's College are invited to attend.

SIGMA NU TO MEET Thursday night the Sigma Nu fraternity held its first meeting of the year in the chapel of the American Legion, 10 North Street. Dr. H. J. Asbury, assistant professor of Greek, delivered the address of the session, which was on "The Role of the Greek Student in Today's World." The meeting was well attended and was a great success.

HOLD DANCE NOV. 19
All is in readiness for the freshman class dance to be held on November 19 in the Armory by the Beta Omicron chapter of the Phi Delta Phi fraternity. The dance will feature music by the Phi Delta Phi orchestra and a variety of dance activities. All students are invited to attend.

VARSITY RIFLE TEAM TO HAVE DINNER
The Varsity Rifle Team will represent the University of Maine in a series of matches against other institutions. The team has been practicing diligently and has shown great promise. A dinner will be held for the members of the team on campus.

MOUNT VERNON INFORMATION
A meeting of the Mount Vernon information society will be held on campus on Monday, November 18, at 7:00 P.M. The society is open to all students interested in the study of American history and culture.

THANKSGIVING DAY STAGE PLAY
A stage play on "Thanksgiving Day" will be presented in the Armory on Thursday, November 21, at 7:00 P.M. The play will feature a cast of actors from the university and will provide an entertaining evening for the audience.

BARBER TO SPEAK IN CHAPEL
Dr. E. W. Barber will be the speaker in the chapel on Wednesday, November 13, at 9:00 A.M. in the chapel of the American Legion. His topic will be "The Importance of Civic Education." All students and faculty are invited to attend.

FOOTBALL RESULTS
In the past week, Kappa Sigma won against Alpha Xi Delta, 6-0, in a close game. The game was well played by both teams, but Kappa Sigma was able to hold off the challenge of Alpha Xi Delta and emerge victorious.

PHYSICS CLUB MEETING
The semi-monthly meeting of the Physics Club was held last Wednesday, November 13, at 7:00 P.M. in the Armory. Dr. J. S. Wood, professor of physics, gave an enlightening address on "The Development of Modern Physics." The talk was both informative and interesting.

NOTICE
All members of the physics club are invited to attend the next meeting, which will be held on Wednesday, November 20, at 7:00 P.M. in the Armory. The meeting will feature a guest speaker from the University of Maine.

Dr. F. A. King, professor of physics, announced that the next meeting of the physics club will be held on Wednesday, November 20, at 7:00 P.M. in the Armory. The meeting will feature a guest speaker from the University of Maine.

MAINE ALUMNI IN INTERESTING RESEARCH

The Bell Telephone Company has published a piece of research by Norman B. French and two others in collaboration on "Fencing and Phone Corporation Tests," which shows that the same amount of money is spent on fencing as on phone company tests. The authors have found that the amount of money spent on fencing is directly proportional to the amount of money spent on phone company tests. The research is important because it suggests that the same amount of money should be spent on both activities.

PENCING CANDIDATES REPORT

A special meeting of the Fencing team held on Friday afternoon in the Armory, about twenty candidates were present. It was decided to hold practices on Mondays, Tuesdays, Thursdays, and Fridays, and the candidates chose between the two alternate arrangements on the basis of their own abilities. It is the aim of the team to make fencing an important sport this year. All new arrivals are urged to report as early as possible.

Fencing is back in demand, as it was in the previous year. It is hoped that we will once again have the same amount of enthusiasm for the sport as we had last year.

President Bradstreet of the Masse
spoke to the audience about the splendid
work that the officers of the Masse are doing in order to make those productions
possible. President Bradstreet also stated
how fortunate the Masse has been in
procuring the high type of priests it has
been presenting.

The music for the play was furnished
by the University Concert Orchestra un
der the direction of Mr. G. A. V. Hitchcock, Music Director of the
Bangor Symphony Orchestra, gave sev-
eral fine solo airs during the evening.

AVIATION ENTHUSIASTS
MEET
Professor Eugene R. Berent, Department
Civil Engineering called a meeting of all
men interested in aviation in Wingate
Hall but Tuesday evening. Mr. A. E. Bourque,
Barre, R. W. Smith, Maine, spoke on flying.
It was decided to call an airline for what
the men thought of as a commercial
airline.

Another meeting will be held in 14
Warren street next Tuesday evening, Novem-
ber 22, at 7:00 o'clock. All members and
any faculty or student body interested in aviation are urged to attend.

ONE WILL ALWAYS STAND OUT

Whole-hearted,
natural, real!

Equally genuine is the response of smokers to Chester-Field's satisfying goodness, its wholesome smoothness.

No one ever has to "acquire" a taste for Chesterfields. You don't have to learn to like them. Smokers take to their pleasing flavor instinctively . . . and here's why:

MILDNESS — the entirely natural mildness of tobaccos that are without harshness or bitterness.

BETTER TASTE — Such as only a cigarette of wholesome purity and better tobaccos can have.
