Bates To Bring Strong Runners To Meet, To Be Held Here March 14

Chin and Chatter

Anyone desiring to learn the art of saying the right thing at the wrong time—see Maritta Dunn, Balentine Hall.

According to what one of our most prominent profs says, the only way to make the majority of students understand anything is as follows:

1. Tell him what you are going to say
2. Say it
3. Summarize what you have said
4. Write him a letter about it.

Two may live as cheaply as one but not nearly as quietly—so sayeth Vi and Norm.

Speaking of etiquette we understand that Alfred McMichael is competing with Emily Post. How did you learn so much, Alfred?

We understand that a little bit of feminine apparel has been pursued all over Bangor and Brewer and is still at large. 'Tis a case for Sherlock Holmes, 'Gin.

The aroma prevailing around Balentine lately has been anything but pleasant, but then rats will be rats.

Balentine's Butt-heaver is still at large much to the discomfort of Dean Bean and Frances Downes. They should, however, be commended on their handling of the case.

Hannibal Hall goes high-hat with a freshman ski-jumper eating dinner in a tuxedo.

University Band On Air Saturday In Nation Hook-up

The Band will broadcast over a national net-work of over twenty stations from Station WLBZ of Bangor from 4.30 to 5 o'clock Saturday afternoon. The program will be a part of the dedication ceremonies for the new studio recently completed at WLBZ, and will include among other selections, "The Band Song," "The Stein Song," and "Civilian Festival" by Tavan. Because facilities are not available at the studio to accommodate the entire band of over a hundred men, only forty picked players will take part in the broadcast, a rehearsal of which is to be held in the studio tomorrow night.

Prof. Adelbert W. Sprague of the Music Department will direct the Band, which will be led by John Vickery and Edward Stricker, both of the Class of '31. It is the second time that the local unit has presented a program over the radio, the first one being last year on the twenty-fifth anniversary of the birth of the "Stein Song." It is also the anniversary of the first transcontinental broadcast from a Maine station, which was put on the air from Bangor a few years ago.

(Continued on Page Four)

FROSH DECIDE ON BANQUET

At a meeting of the freshman class held in Alumni Hall last Monday, Stan Searles, who presided, announced that the class banquet, which in former years has been held at Old Town, will this year be held at the Bangor City Hall on April 10.

It was decided to follow the dinner with a short dance. Several vaudeville acts and an orchestra have been engaged by the committee to entertain during the evening.

A week from Saturday Bates College will give Maine the same stiff opposition in the annual indoor track meet, as it did last year at Lewiston from which the pale blue tracksters emerged victorious by the slim margin of three points, 60-57. This year, however, there may be another tune played and to all appearances the meet will be even closer, possibly by one or two points. Bates will be powerful in the track events, while Maine will be favored in the field competition.

The freshman rule here has wrought havoc, as the storm notices would say, with the Maine team.

Coach Thompson of Bates, will use a fine array of first year men with inter-scholastic records, whereas Jenkins will have to be content with a squad riddled by ineligibility. There are a few frosh here who could gain at least ten points each, which would more than please Jenkins.

Eight of Maine's finest will be among the missing in the coming meet because of low midyear ranks. These men could count in the 40, 300 yd. dashes, and the hurdles.

Track fans will be able to see one of the country's best half-milers when Russ Chapman starts to strut his stuff. Saturday he tries for a world's record in the 880 at the I.C. 4-A in New York. He is not able to run in the regular events because of the clause which does not allow more than three years of competition. The Bates flash has been pitted on the cinder path since his freshman year against varsity men from other colleges.

(Continued on Page Four)

Eight Representatives From Maine Present At Annual Conference

"POLITICAL CORRUPTION" THEME OF DISCUSSION AT POLAND SPRINGS

Eight delegates represented the University of Maine at the Poland Spring Student Conference last week-end, Mr. Max H. Guyer of the faculty, Hildreth Montgomery, Ethne Worcester, Howard Stevens, Merle Bragdon, Walter Sargent, C. S. Ramsey and C. G. Fielder. This conference was one of the best yet held, and was enjoyable and instructive. About two hundred were present, from fifteen colleges.

The conference was made especially interesting by the subject, "Political Corruption," as found in public utilities and municipal politics.

The opening meeting, on Friday night, was a debate between Edward C. Moran, Jr. of Rockland and W. Gerald Holmes of the Central Maine Power Co., on the assertion that "the present-day regulation of the electrical industry does not satisfactorily protect the interests of the consuming public." Mr. Moran, for the affirmative, stated that the discussion could not be confined to state boundaries, and sought to show that there is a power trust, whose activities have been injected into Maine. He said that, while no one company controls all power in the United States, the industry is rapidly undergoing concentration, and that people are questioning whether this is to the interest of the general public.

Mr. Holmes, for the negative, spent some time in sketching the development of the power industry in Maine, and the final necessity of seeking the financial aid of an outside holding company. He denied that there was no regulation, and stated that profits were realized only after operations were passed upon by the State Public Service Commission. He said it was easy to attack a large corporation and that the power industry had been more lied about than any other.

Saturday morning's meeting dealt with the subject of municipal politics. Damon E. Hall, of Boston, special district attorney for the Garrett case, outlined that case in detail. Garrett, a \$2000 per year patrolman, when made head of the vice and narcotic squad, was able to bank savings amounting to about \$120,000 in less than five years. The ultimate responsibility, he said, lay with influential "higher-ups," who for the sake of protecting unsound investments, were willing to have properties used for immoral purposes and were able to escape prosecution.

(Continued on Page Four)

Kappa Sigma and Phi Eta Still Lead Frat Hoop Teams

The Intramural basketball season is drawing to a close with Kappa Sigma leading the North Section by virtue of eight wins and two losses. Phi Eta Kappa is still leading the Southern Section with an unbroken string of nine victories.

Thursday night, Feb. 26, Sigma Chi beat the weak Lambda Chi team, with Springer in the leading role.

Sigma Nu took over the powerful S.A.E. five by the score of 24-20. This game puts S.A.E. out of the running with four losses to its credit.

Emerson, Newcomb, and Austin turned in most of Sigma Nu's points. Moore and Hallgren were the outstanding S.A.E. men.

Saturday afternoon, Oak Hall beat Hannibal Hamlin A by a large score. Both teams, however, were sadly depleted because of men on the freshman trip.

Phi Eta Kappa beat Phi Kappa to the tune of 28-10. The two MacMichaels starred for Phi Eta Kappa. Phi Kappa had a fine player in O'Laughlin.

Delta Tau beat a weakened Oak Hall team by the score of 33-11.

Monday night, in the Northern League, Beta Theta Chi 24-16. Desmond and Webb looked good in the red and white of Theta Chi, and Wells, Packard and Fickett shone for the Beta house team.

Tuesday night, Sigma Nu tripped up the strong Kappa Sigma five by the score of 21-20. This game was one of the finest witnessed in the Northern League during the current season. This places Sigma Nu in a tie for third place with Theta Chi.

The following is the standings of the teams in the two leagues up to date.

NORTHERN LEAGUE

	Won	Lost	Ave.
Kappa Sigma	8	2	.800
Hannibal B	7	2	.777
Theta Chi	6	3	.666
Sigma Nu	6	3	.666
Delta Tau Delta	5	3	.624
Beta Theta Pi	4	3	.571
Sigma Alpha Epsilon	5	4	.555
Oak Hall	4	5	.444
Hannibal A	3	5	.374
Sigma Phi Sigma	0	8	.000

SOUTHERN LEAGUE

	Won	Lost	Ave.
Phi Eta Kappa	9	0	1.000
A T O	6	1	.857
Phi Gamma Delta	6	2	.750
Phi Kappa Sigma	4	3	.571
Phi Mu Delta	3	4	.428
Alpha Gamma Rho	3	5	.374
Sigma Chi	2	5	.285
Lambda Chi Alpha	1	7	.125
Beta Kappa	0	7	.000

Boardman, Crossland To Visit Maine Alumni Throughout Country

President Harold S. Boardman and Alumni Secretary Charles E. Crossland are to "carry the University" to alumni located at a distance from the campus during the next two weeks.

Each year a week or more is used by the president and alumni secretary to visit and address groups of alumni bringing them the latest news about the University. This year President Boardman is to speak to six associations and Secretary Crossland is to address nine meetings, possibly ten.

Beginning Monday evening, March 9, meetings will be held on consecutive nights in Schenectady, N. Y., New York City, Allentown, Pa., Philadelphia, Pa., Cleveland, Ohio, and Chicago, Illinois. President and Mrs. Boardman will then return to Orono.

Meetings are to be held in Minneapolis, Buffalo, Syracuse and possibly Detroit during the week of March 16. Mr. Crossland is to attend and speak at each of these. This will nearly complete the visitation to University of Maine alumni associations in cities distant from the campus, with the exception of Pittsburgh which will be visited later and two groups in northern and Southern California to which no representative from the University is to be sent this college year.

Three Policemen Foil Frosh Attempt To Rush Strand Theatre, Orono

MANAGER ADMITS CLASS TO SECOND SHOW OF EVE- NING

Breaking loose again for the first time since they swamped the sophomore trackmen three weeks before, the men of the freshman class invaded Orono Saturday night with intent to crash the Strand Theatre. Fortunately for the theatre officials, wind of the intended attack reached the college authorities, and a cordon of imported police was on the scene with all necessary equipment and orders not to fire until frenzied frosh concentrated their attack.

Attempting to enter through the exit door on the right side of the theatre the first four men to enter were greeted with a shower of blows from the police, with the result that a halt was called. Manager Goldsmith, accompanied by President Leo O'Neil of the Student Senate, then came out and announced that the class would be allowed to see the second show free. Orono in general, and the Maine Bear in particular then entertained the hundred and fifty frosh until nearly time for the second show when the crowd assembled in front of the theatre. Several songs, including the "Band Song" and the "Stein Song" were then sung as only such a crowd can sing.

With a grand rush the mob entered the theatre, after the audience of the first performance had left, and found seats. Chapter Eleven of "The Indians Are Coming" met cheers and jeers galore, but courtesy was shown during the performance of "East Is West." Incidentally there were Sophomore Owls in the crowd that entered the theatre free of charge.

Freshmen Hoopsters Win Three, Lose Two, On Aroostook Trip

TEAM DEFEATS PRESQUE ISLE, AROOSTOOK COUNTY CHAMPIONS, 18-16

The Freshman basketball team returned to the campus Monday from its annual basketball tour of Aroostook County. The team played five of the leading high school teams of the Northern county, winning three games and losing two.

The frosh aggregation got off to an auspicious start when it took the first game on its schedule from Caribou, by a one point margin. The contest was closely fought, with the final count being 43-42 in favor of the pale blue yearlings. Osgood, who had been playing substitute forward all season, sprang into the limelight as the high scoring man of the evening.

On Tuesday, March 24, Fort Fairfield was defeated 34-23 by the Kenyon men. Osgood was again the high point man for the freshmen, tallying half of the team's points.

The third and final win for the first year men was at the expense of Presque Isle, Aroostook County champions. The Freshman quintet came from behind on four different occasions during the contest to cop the game by an 18-16 score. The team showed unexpected strength in these periodic comebacks.

Aroostook Central Institute and Houlton High School defeated the pea-greeners in the two final contests on their schedule. The strong team from Mars Hill tripped the frosh outfit in a close game, by the score of 18-16, on Thursday evening. It took Houlton an overtime period and a foul shot to defeat the freshmen in their last game of the trip.

PHI ETA KAPPA WINS INTRAMURAL TRACK MEET

In the interfraternity competition for the Charles Rice Cup, and the Intramural Cup, Phi Eta Kappa made a clean sweep, winning the Rice Cup with 33 points, and the Intramural Cup with 51 3-10 points.

Kappa Sigma was runner up for the Rice Cup with a total of 24 points.

Oak Hall was runner up for the Intramural Cup with 21 1/2 points.

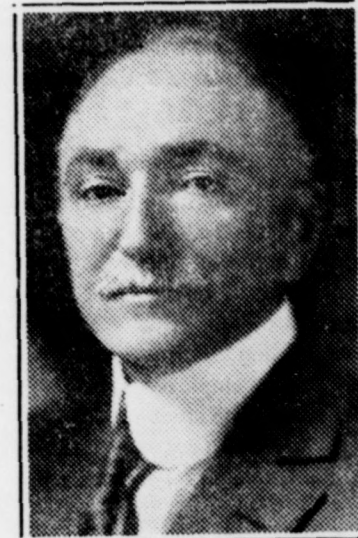

A new record was made by Floring, 34, when he ran 100 yds. in 10 seconds, breaking Steinmetz's record of 10 1-5 sec.

Jensen by a javelin heave of 171 ft. 4 in. broke Black's record of 168 feet.

"No Smoking by Women at House Dances", Dean Corbett Tells Senate

Off-Campus Women Must Obey Ruling, as Well as Co-eds From University

W. R. Farrington Will Be Chief Speaker at Graduation Exercises

W. R. FARRINGTON

An announcement from the President's office states that the Hon. Wallace R. Farrington, for eight years Governor of the Territory of Hawaii, will be the Commencement speaker at the exercises to be held in June. It is a matter of particular interest that ex-Governor Farrington's trip will bring him to the scene of his birth sixty years ago, and to the fortieth anniversary of his graduation.

After holding the office of Governor of Hawaii for eight years, under appointments of two Presidents, Mr. Farrington gave up his office in July, 1929, and took up his old position as president of the company and publisher of the leading daily newspaper in Honolulu.

Mr. Farrington is distinctively a son of Maine—the state and the institution. Born in what is now the Mt. Vernon House, May 3, 1871, Farrington was the youngest of a family of six children, all graduates of the Maine State College. These five sons and one daughter were children of Joseph Ricker and Ellen E. Farrington, all natives of Brewer, with the exception of Wallace, who was born in one of the original houses on the two farms provided by the town of Orono and finally accepted as a site for the new institution.

High-school Writers To Attend Conference Run By Kappa Gamma Phi

The ninth annual journalistic conference for high and normal schools throughout the state is to be held Friday and Saturday of this week.

To date, twelve schools have signified their intention of sending delegates and more are expected to register. The twelve schools thus far signed up are: Waterville High, Caribou High, Bangor High, Edward Little High, Stephens High (in Calais), Portland High, South Portland High, Old Town High, Cony High, Deering High, Fay High (in Dexter), and Washington State Normal Schools.

The conference conducted by Kappa Gamma Phi, honorary journalistic society at this university, has proven a success for seven consecutive years. Prizes are offered for the best newspaper and magazines, as judged by a committee of three University professors.

There will be a banquet for the visiting delegates and members of the society at the Phi Kappa Sigma house Friday evening. Saturday morning the delegates are to inspect the printing plant of the Bangor "Commercial."

The regular meeting of the Student Senate was held Tuesday evening in Rogers Hall. The recent action of the Freshman class in storming the doors of the theatre in Orono was discussed, and it was voted that the various fraternity houses decide whether or not the activities of the freshman class should be limited to the campus, with reference to the freshman banquet and dance.

Considerable discussion followed on the subject of eligibility of duly-elected class officers, and it was moved, seconded, and passed that beginning in September, 1931, any office that became open for any reason, after the elections were held, should be filled permanently by the person who polled the next highest number of votes for that office. This would apply to those who became ineligible for scholastic reasons as well as for any others.

Discussion of the system of rushing and pledging was prolonged. It seemed to be the consensus of opinion that under the present system, the houses are subjected to too heavy a strain in the matter of furnishing meals for a large number of prospective pledges; as a way out of the situation, it was urged that the fraternities be allowed to pledge in the Fall of a student's freshman year, and to initiate the pledges as soon after that as desired, with the proviso that the new members were not to live in the houses the freshman year. The matter is to come up for discussion at the next meeting.

Dean Corbett reminded the members that there is a University ruling to the effect that no women are allowed to smoke at a fraternity house dance, and that the chaperones are to see that this rule is followed. The rule applies to women not co-eds, as well as to those who attend the University.

The next meeting of the Senate is to be on March 17.

Boxing Tonight In Memorial Gym; 16 Bouts Listed

The preliminaries in the boxing tournament conducted by the Intramural Athletic Association are to be held this evening in the new gym. The matches have been arranged and are listed below, by classes:

126 lbs. or less

Chetley, SAE vs. Augenstein, Dorm
Whitten, PHK vs. Shapiro, Dorm
Hagan, PHA vs. Cunningham, SAE

126-140 lbs.

Romero, Dorm vs. Murphy, OX
McLaughlin, ATP vs. Burgess, PHA
Wiers, ATP vs. Vernon, ATP
Rossing, Dorm vs. Eskenas, TEA

140-155 lbs.

Haggett, ATA vs. Stone, Dorm
Crosson, Dorm vs. Overlock, HNH
McLean, BK vs. Asali, PHK
Attridge, Dorm vs. Robertson, SN

Above 155 lbs.

Craig, PHA vs. Tracy, ATP
Hinton, PHA vs. Fitts, ATP
Langlois, Dorm vs. Sullivan, ATP
Venskus, Dorm vs. Feeley, OX
Robichaud, ATP vs. Walker, ATP

Preliminaries start Thursday, March 5, at 7.00.

Semin-final bouts will be held Tuesday, March 10, at 7.00.

Final bouts will be held Saturday, March 14, at 2.00.

FROSH DOWN DEXTER 37-25

In one of the roughest games seen at the armory this season, team B of the frosh took over Dexter High last Saturday by a score of 37-25. Three men were retired on account of personal fouls during the tussle.

Ted Curtis coached the team in the absence of Coach Kenyon. Those who saw action were: Baker, Ballar, Berg, Blanchard, Dow, Jackson, Merrill, Topolosky, Weeks, and Wilbur.

choice acting as Private Mason, the loyal ever patient soldier who was so sorry he got "apricots instead of pineapple."

Wesley Bearce as the German soldier, dragged in from the raid, blubbers in a most realistic way and says, "I not tell you," with true Hun-like stubbornness. Thomas Baldwin as a runner, and Leif Sorenson as Sergeant Major, deserve high praise for forceful interpretation of their rather minor parts.

Sound effects under the direction of Leslie St. Lawrence, and lighting under the direction of Emil Erickson added much to the realism of the play.

Will Give Address
At Vesper Service

Miss Winifred Wygal of New York will be the speaker at the Vesper Service which is to be held on Sunday at 4 P.M. Miss Wygal is the acting secretary of the Student Council of the Young Women's Christian Association. Miss Wygal is a world traveler and acquainted with the problems confronting the youth of this country and abroad. She will speak on the subject entitled "Myself and I." Miss Wygal is well worth hearing and has a message for us all. A large audience is desired and special music is being offered.

NEW FRESHMAN PLEDGES
ANNOUNCED

Pledging of freshmen is still going on and several new pledges were made this week. Among them are: Sigma Phi Sigma: Hugh Gillis and Harold Miller; Sigma Nu: Charles Fox and Peter Whitman; Kappa Sigma: Al Bickford; Phi Eta Kappa: Kermit Crandall and Charles Berry; Phi Kappa Sigma: William Ingraham and Clarence Wadsworth; Phi Gamma Delta: George Greenlaw, James Jackson, and Lee Stone; Phi Mu Delta: Kenneth Cleaves; Beta Kappa: Merle Bragdon, Gilbert Cox, and Fred Atwood.

The University of Maine Band will broadcast over the radio on Saturday afternoon March 7 from four-thirty to five. The program will go on the air over the Columbia Network from Station WLBZ in Bangor.

Edward W. Strecker and John A. Vickery, both Seniors at the University, will direct the concert for the half hour. The program includes numbers by Joe McCusker and Howard Dole, former students at Maine. The Maine Stein Song concludes the concert.

The Maine girls' basketball team put to flight the Alumnæ team, last Saturday night in Alumni Hall, by the score of 57-28.

Miss Rogers was elected captain of the Alumnæ team just previous to the start of the game and barely escaped being kidnapped by the varsity team.

Miss Lengyel officiated as referee. The orange peel pelting between teams in the first quarter added a fruitful savor to the evening's gaiety. This demonstration of the way basketball was played in the good old days, was a grand finale for the varsity team, and was thoroughly enjoyed by both girls and gallery.

NOTICE

An important meeting of the freshman class will be held in Alumni Hall at one o'clock on Monday. It is hoped that every freshman will attend, because the meeting will take up a matter of extreme importance to all freshmen.

Professor Dow Forms
Club for Art Students
Taking Law Courses

Friday evening a new club was formed at the home of Prof. and Mrs. Dow. The membership of the club is to be drawn from the Arts students who are enrolled in law courses at the University. Accordingly, a suggested name for the club is the "Oliver Wendell Holmes Club," in honor of one of the greatest of present-day jurists.

The club will have for its purpose the discussion of various topics appropriate to a law club, and the furthering of opportunity for social contact between faculty and students.

Those present at the founding of the club were made charter members.

They are: Prof. and Mrs. Dow, Miss Jessie Ashworth, and Messrs. Philip Yerxa, Laurence Hawkins, Merton Berry, N. A. Porter.

Bates To Bring Strong Runners To Meet, To Be Held Here March 14

Chin and Chatter

Anyone desiring to learn the art of saying the right thing at the wrong time—see Maritta Dunn, Balentine Hall.

According to what one of our most prominent profs says, the only way to make the majority of students understand anything is as follows:

1. Tell him what you are going to say
2. Say it
3. Summarize what you have said
4. Write him a letter about it.

Two may live as cheaply as one but not nearly as quietly—so sayeth Vi and Norm.

Speaking of etiquette we understand that Alfred McMichael is competing with Emily Post. Where did you learn so much, Alfred?

We understand that a little bit of feminine apparel has been pursued all over Bangor and Brewer and is still at large. 'Tis a case for Sherlock Holmes, 'Gin.

The aroma prevailing around Balentine lately has been anything but pleasant, but then rats will be rats.

Balentine's Butt-heaver is still at large much to the discomfort of Dean Bean and Frances Downes. They should, however, be commended on their handling of the case.

Hannibal Hall goes high-hat with a freshman ski-jumper eating dinner in a tuxedo.

University Band On Air Saturday In Nation Hook-up

The Band will broadcast over a national net-work of over twenty stations from Station WLBZ of Bangor from 4.30 to 5 o'clock Saturday afternoon. The program will be a part of the dedication ceremonies for the new studio recently completed at WLBZ, and will include among other selections, "The Band Song," "The Stein Song," and "Civilian Festival" by Tavan. Because facilities are not available at the studio to accommodate the entire band of over a hundred men, only forty picked players will take part in the broadcast, a rehearsal of which is to be held in the studio tomorrow night.

Prof. Adelbert W. Sprague of the Music Department will direct the Band, which will be led by John Vickery and Edward Stricker, both of the Class of '31. It is the second time that the local unit has presented a program over the radio, the first one being last year on the twenty-fifth anniversary of the birth of the "Stein Song." It is also the anniversary of the first transcontinental broadcast from a Maine station, which was put on the air from Bangor a few years ago.

(Continued on Page Four)

FROSH DECIDE ON BANQUET

At a meeting of the freshman class held in Alumni Hall last Monday, Stan Searles, who presided, announced that the class banquet, which in former years has been held at Old Town, will this year be held at the Bangor City Hall on April 10.

It was decided to follow the dinner with a short dance. Several vaudeville acts and an orchestra have been engaged by the committee to entertain during the evening.

A week from Saturday Bates College will give Maine the same stiff opposition in the annual indoor track meet, as it did last year at Lewiston from which the pale blue tracksters emerged victorious by the slim margin of three points, 60-57. This year, however, there may be another tune played and to all appearances the meet will be even closer, possibly by one or two points. Bates will be powerful in the track events, while Maine will be favored in the field competition.

The freshman rule here has wrought havoc, as the storm notices would say, with the Maine team.

Coach Thompson of Bates, will use a fine array of first year men with inter-scholastic records, whereas Jenkins will have to be content with a squad riddled by ineligibility. There are a few frosh here who could gain at least ten points each, which would more than please Jenkins.

Eight of Maine's finest will be among the missing in the coming meet because of low midyear ranks. These men could count in the 40, 300 yd. dashes, and the hurdles.

Track fans will be able to see one of the country's best half-milers when Russ Chapman starts to strut his stuff. Saturday he tries for a world's record in the 880 at the L.C. 4-A in New York. He is not able to run in the regular events because of the clause which does not allow more than three years of competition. The Bates flash has been pitted on the cinder path since his freshman year against varsity men from other colleges.

Eight Representatives From Maine Present At Annual Conference

"POLITICAL CORRUPTION" THEME OF DISCUSSION AT POLAND SPRINGS

Eight delegates represented the University of Maine at the Poland Spring Student Conference last week-end. Mr. Max H. Guyer of the faculty, Hildreth Montgomery, Ethne Worcester, Howard Stevens, Merle Bragdon, Walter Sargent, C. S. Ramsey and C. G. Fielder. This conference was one of the best yet held, and was enjoyable and instructive. About two hundred were present, from fifteen colleges.

The conference was made especially interesting by the subject, "Political Corruption," as found in public utilities and municipal politics.

The opening meeting, on Friday night, was a debate between Edward C. Moran, Jr. of Rockland and W. Gerald Holmes of the Central Maine Power Co., on the assertion that "the present-day regulation of the electrical industry does not satisfactorily protect the interests of the consuming public." Mr. Moran, for the affirmative, stated that the discussion could not be confined to state boundaries, and sought to show that there is a power trust, whose activities have been injected into Maine. He said that, while no one company controls all power in the United States, the industry is rapidly undergoing concentration, and that people are questioning whether this is to the interest of the general public.

Mr. Holmes, for the negative, spent some time in sketching the development of the power industry in Maine, and the final necessity of seeking the financial aid of an outside holding company. He denied that there was no regulation, and stated that profits were realized only after operations were passed upon by the State Public Service Commission. He said it was easy to attack a large corporation and that the power industry had been more lied about than any other.

Saturday morning's meeting dealt with the subject of municipal politics. Damon E. Hall, of Boston, special district attorney for the Garrett case, outlined that case in detail. Garrett, a \$2000 per year patrolman, when made head of the vice and narcotic squad, was able to bank savings amounting to about \$120,000 in less than five years. The ultimate responsibility, he said, lay with influential "higher-ups," who for the sake of protecting unsound investments, were willing to have properties used for immoral purposes and were able to escape prosecution.

(Continued on Page Four)

Kappa Sigma and Phi Eta Still Lead Frat Hoop Teams

The Intramural basketball season is drawing to a close with Kappa Sigma leading the North Section by virtue of eight wins and two losses. Phi Eta Kappa is still leading the Southern Section with an unbroken string of nine victories.

Thursday night, Feb. 26, Sigma Chi beat the weak Lambda Chi team, with Springer in the leading role.

Sigma Nu took over the powerful S.A.E. five by the score of 24-20. This game puts S.A.E. out of the running with four losses to its credit.

Emerson, Newcomb, and Austin turned in most of Sigma Nu's points. Moore and Hallgren were the outstanding S.A.E. men.

Saturday afternoon, Oak Hall beat Hannibal Hamlin A by a large score. Both teams, however, were sadly depleted because of men on the freshman trip.

Phi Eta Kappa beat Phi Kappa to the tune of 28-10. The two MacMichaels starred for Phi Eta Kappa. Phi Kappa had a fine player in O'Laughlin.

Delta Tau beat a weakened Oak Hall team by the score of 33-11.

Monday night, in the Northern League, Beta beat Theta Chi 24-16. Desmond and Webb looked good in the red and white of Theta Chi, and Wells, Packard and Fickett shone for the Beta house team.

Tuesday night, Sigma Nu tripped up the strong Kappa Sigma five by the score of 21-20. This game was one of the finest witnessed in the Northern League during the current season. This places Sigma Nu in a tie for third place with Theta Chi.

The following is the standings of the teams in the two leagues up to date.

NORTHERN LEAGUE

	Won	Lost	Ave.
Kappa Sigma	8	2	.800
Hannibal B	7	2	.777
Theta Chi	6	3	.666
Sigma Nu	6	3	.666
Delta Tau Delta	5	3	.624
Beta Theta Pi	4	3	.571
Sigma Alpha Epsilon	5	4	.555
Oak Hall	4	5	.444
Hannibal A	3	5	.374
Sigma Phi Sigma	0	8	.000

SOUTHERN LEAGUE

	Won	Lost	Ave.
Phi Eta Kappa	9	0	1.000
A T O	6	1	.857
Phi Gamma Delta	6	2	.750
Phi Kappa Sigma	4	3	.571
Phi Mu Delta	3	4	.428
Alpha Gamma Rho	3	5	.374
Sigma Chi	2	5	.285
Lambda Chi Alpha	1	7	.125
Beta Kappa	0	7	.000

Boardman, Crossland To Visit Maine Alumni Throughout Country

President Harold S. Boardman and Alumni Secretary Charles E. Crossland are to "carry the University" to alumni located at a distance from the campus during the next two weeks.

Each year a week or more is used by the president and alumni secretary to visit and address groups of alumni bringing them the latest news about the University. This year President Boardman is to speak to six associations and Secretary Crossland is to address nine meetings, possibly ten.

Beginning Monday evening, March 9, meetings will be held on consecutive nights in Schenectady, N. Y., New York City, Allentown, Pa., Philadelphia, Pa., Cleveland, Ohio, and Chicago, Illinois. President and Mrs. Boardman will then return to Orono.

Meetings are to be held in Minneapolis, Buffalo, Syracuse and possibly Detroit during the week of March 16. Mr. Crossland is to attend and speak at each of these. This will nearly complete the visitation to University of Maine alumni associations in cities distant from the campus, with the exception of Pittsburgh which will be visited later and two groups in northern and Southern California to which no representative from the University is to be sent this college year.

Three Policemen Foil Frosh Attempt To Rush Strand Theatre, Orono

MANAGER ADMITS CLASS TO SECOND SHOW OF EVENING

Breaking loose again for the first time since they swamped the sophomore trackmen three weeks before, the men of the freshman class invaded Orono Saturday night with intent to crash the Strand Theatre. Fortunately for the theatre officials, wind of the intended attack reached the college authorities, and a cordon of imported police was on the scene with all necessary equipment and orders not to fire until frenzied frosh concentrated their attack.

Attempting to enter through the exit door on the right side of the theatre the first four men to enter were greeted with a shower of blows from the police, with the result that a halt was called. Manager Goldsmith, accompanied by President Leo O'Neil of the Student Senate, then came out and announced that the class would be allowed to see the second show free. Orono in general, and the Maine Bear in particular then entertained the hundred and fifty frosh until nearly time for the second show when the crowd assembled in front of the theatre. Several songs, including the "Band Song" and the "Stein Song" were then sung as only such a crowd can sing.

With a grand rush the mob entered the theatre, after the audience of the first performance had left, and found seats. Chapter Eleven of "The Indians Are Coming" met cheers and jeers galore, but courtesy was shown during the performance of "East Is West." Incidentally there were Sophomore Owls in the crowd that entered the theatre free of charge.

Freshmen Hoopsters Win Three, Lose Two, On Aroostook Trip

TEAM DEFEATS PRESQUE ISLE, AROOSTOOK COUNTY CHAMPIONS, 18-16

The Freshman basketball team returned to the campus Monday from its annual basketball tour of Aroostook County. The team played five of the leading high school teams of the Northern county, winning three games and losing two.

The frosh aggregation got off to an auspicious start when it took the first game on its schedule from Caribou, by a one point margin. The contest was closely fought, with the final count being 43-42 in favor of the pale blue yearlings. Osgood, who had been playing substitute forward all season, sprang into the limelight as the high scoring man of the evening.

On Tuesday, March 24, Fort Fairfield was defeated 34-23 by the Kenyon men. Osgood was again the high point man for the freshmen, tallying half of the team's points.

The third and final win for the first year men was at the expense of Presque Isle, Aroostook County champions. The Freshman quintet came from behind on four different occasions during the contest to cop the game by an 18-16 score. The team showed unexpected strength in these periodic comebacks.

Aroostook Central Institute and Houlton High School defeated the pea-greeners in the two final contests on their schedule. The strong team from Mars Hill tripped the frosh outfit in a close game, by the score of 18-16, on Thursday evening. It took Houlton an overtime period and a foul shot to defeat the freshmen in their last game of the trip.

PHI ETA KAPPA WINS INTRAMURAL TRACK MEET

In the interfraternity competition for the Charles Rice Cup, and the Intramural Cup, Phi Eta Kappa made a clean sweep, winning the Rice Cup with 33 points, and the Intramural Cup with 51 3-10 points.

Kappa Sigma was runner up for the Rice Cup with a total of 24 points. Oak Hall was runner up for the Intramural Cup with 21 1/2 points.

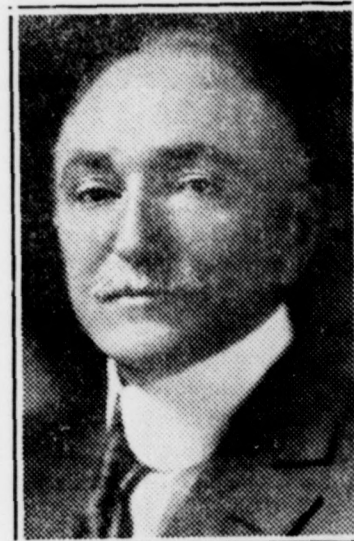

A new record was made by Floring, 34, when he ran 100 yds. in 10 seconds, breaking Steinmetz's record of 10 1-5 sec.

Jensen by a javelin heave of 171 ft. 4 in. broke Black's record of 168 feet.

"No Smoking by Women at House Dances", Dean Corbett Tells Senate

Off-Campus Women Must Obey Ruling, as Well as Co-eds From University

W. R. Farrington Will Be Chief Speaker at Graduation Exercises

W. R. FARRINGTON

An announcement from the President's office states that the Hon. Wallace R. Farrington, for eight years Governor of the Territory of Hawaii, will be the Commencement speaker at the exercises to be held in June. It is a matter of particular interest that ex-Governor Farrington's trip will bring him to the scene of his birth sixty years ago, and to the fortieth anniversary of his graduation.

After holding the office of Governor of Hawaii for eight years, under appointments of two Presidents, Mr. Farrington gave up his office in July, 1929, and took up his old position as president of the company and publisher of the leading daily newspaper in Honolulu.

Mr. Farrington is distinctively as well as distinguishingly a son of Maine—the state and the institution. Born in what is now the Mt. Vernon House, May 3, 1871, Farrington was the youngest of a family of six children, all graduates of the Maine State College. These five sons and one daughter were children of Joseph Ricker and Ellen E. Farrington, all natives of Brewer, with the exception of Wallace, who was born in one of the original houses on the two farms provided by the town of Orono and finally accepted as a site for the new institution.

(Continued on Page Three)

High-school Writers To Attend Conference Run By Kappa Gamma Phi

The ninth annual journalistic conference for high and normal schools throughout the state is to be held Friday and Saturday of this week.

To date, twelve schools have signified their intention of sending delegates and more are expected to register. The twelve schools thus far signed up are: Waterville High, Caribou High, Bangor High, Edward Little High, Stephens High (in Calais), Portland High, South Portland High, Old Town High, Cony High, Deering High, Fay High (in Dexter), and Washington State Normal Schools.

The conference conducted by Kappa Gamma Phi, honorary journalistic society at this university, has proven a success for seven consecutive years. Prizes are offered for the best newspaper and magazines, as judged by a committee of three University professors.

There will be a banquet for the visiting delegates and members of the society at the Phi Kappa Sigma house Friday evening. Saturday morning the delegates are to inspect the printing plant of the Bangor "Commercial."

The regular meeting of the Student Senate was held Tuesday evening in Rogers Hall. The recent action of the Freshman class in storming the doors of the theatre in Orono was discussed, and it was voted that the various fraternity houses decide whether or not the activities of the freshman class should be limited to the campus, with reference to the freshman banquet and dance.

Considerable discussion followed on the subject of eligibility of duly-elected class officers, and it was moved, seconded, and passed that beginning in September, 1931, any office that became open for any reason, after the elections were held, should be filled permanently by the person who polled the next highest number of votes for that office. This would apply to those who became ineligible for scholastic reasons as well as for any others.

Discussion of the system of rushing and pledging was prolonged. It seemed to be the consensus of opinion that under the present system, the houses are subjected to too heavy a strain in the matter of furnishing meals for a large number of prospective pledges; as a way out of the situation, it was urged that the fraternities be allowed to pledge in the Fall of a student's freshman year, and to initiate the pledges as soon after that as desired, with the proviso that the new members were not to live in the houses the freshman year. The matter is to come up for discussion at the next meeting.

Dean Corbett reminded the members that there is a University ruling to the effect that no women are allowed to smoke at a fraternity house dance, and that the chaperones are to see that this rule is followed. The rule applies to women not co-eds, as well as to those who attend the University.

The next meeting of the Senate is to be on March 17.

Boxing Tonight In Memorial Gym; 16 Bouts Listed

The preliminaries in the boxing tournament conducted by the Intramural Athletic Association are to be held this evening in the new gym. The matches have been arranged and are listed below, by classes:

126 lbs. or less
Chetley, SAE vs. Augenstein, Dorm
Whitten, PHK vs. Shapiro, Dorm
Hagan, FTA vs. Cunningham, SAE
126-140 lbs.
Romero, Dorm vs. Murphy, OX
McLaughlin, AIP vs. Burgess, FMA
Wiers, AIP vs. Vernon, ATQ
Rossing, Dorm vs. Eskenas, TEΦ
140-155 lbs.
Haggett, ATA vs. Stone, Dorm
Crosson, Dorm vs. Overlock, HNII
McLean, BK vs. Asali, FK
Attridge, Dorm vs. Robertson, SN
Above 155 lbs.
Craig, FTA vs. Tracy, AIP
Hinton, FTA vs. Fitts, ATQ
Langlois, Dorm vs. Sullivan, ATQ
Venskus, Dorm vs. Feeley, OX
Robichaud, ATQ vs. Walker, AIP
Preliminaries start Thursday, March 5, at 7.00.

Semin-final bouts will be held Tuesday, March 10, at 7.00.
Final bouts will be held Saturday, March 14, at 2.00.

FROSH DOWN DEXTER 37-25

In one of the roughest games seen at the armory this season, team B of the frosh took over Dexter High last Saturday by a score of 37-25. Three men were retired on account of personal fouls during the tussle.

Ted Curtis coached the team in the absence of Coach Kenyon. Those who saw action were: Baker, Ballar, Berg, Blanchard, Dow, Jackson, Merrill, Topolosky, Weeks, and Wilbur.

THE BOOK STORE AGAIN

The Book Store has often been the object of student dissatisfaction, usually centered on the slow service given by the employees. Last year, widespread student sentiment, making itself felt through the columns of this paper, had the result of speeding up the service, so that the waiting period was shortened considerably. (And there was a lot of waiting period to be shortened.)

Now, however, the store seems to have lapsed again into its independent, public-be-hanged attitude.

The attitude probably arises in the fact that the store has no competitor in the vicinity. As a consequence of this lack of competition, there is an unwillingness to do anything not absolutely necessary.

For instance, a student asks for something at one counter and is told that the desired article is on the shelves on the other side of the store. It then often happens, in these cases, that there is no clerk on the other side, so the student has to wait for an employee of the store to walk over to the counter and get the article for the student.

In the ordering of books, there seems to be unnecessary delay—it would be quicker for the student to order his books direct from the publishers in many cases.

Another matter that causes some dissatisfaction is the policy of the book store to charge postage on books. What other bookstore in this country follows this practice?

Matters like these—slow service, charging postage on books, and an independent attitude that is reflected in the kind of service rendered, account for the larger part of student dissatisfaction with the bookstore. There is something wrong when each year there is this feeling of dissatisfaction with some departments of the store. A thorough examination might reveal that drastic changes are needed in the policy of the bookstore.

THE JOURNALISTIC CONFERENCE

This week-end, the ninth annual journalistic conference is to be held here. The conference, sponsored by Kappa Gamma Phi, has some really valuable functions. It gathers together representatives of schools located throughout the state, from South Portland to Caribou. It acquaints them with the University of Maine. It offers incentive, through prizes, for the production of a better school paper or magazine, and it affords a chance for school writers to broaden their horizon through an exchange of ideas with representatives from other schools.

Results such as these are ample justification for the conference, and we are glad to welcome the delegates to Maine. We hope that they find their visit enjoyable and instructive.

CORRESPONDENCE

For the Editor,
The Maine Campus,
My dear Sir:

Is pedestrianism completely doomed even up in the Styx, in Orono? The machine-age has eliminated the social value of equestrianism and apparently has made such inroads into pedestrianism that one can count the hours and seconds before it will be a social error to walk to class. Hitch-hikism and stowawayism are evil by-products of this tragic conflict between riding (the social conventionalism) and walking (the traditional superstition). That pedestrians must be punished by law is a corollary suggested by the present situation. Briefly, the sidewalks of Orono are more muddy than the slums of the Atlantic Ocean. And if unemployment, work-your-way-through-college are the chief unsolvable American problems, automobilism offers the solution: let the students be paid for clearing out sidewalks and carting away the unattractive muddy and watery snows that line up the gutters. Must walking be doomed? Must the machines only have the right-of-way? What about sidewalks for sidewalks sake? Don't the most radically minded automobiles yearn for stretches of sidewalks to relieve the monotony of the road? In short, why not clear the sidewalks as well as the roads?

Sincerely,
A. H.

PHI BETA KAPPA ELECTIONS

Elections to Phi Beta Kappa will be announced in chapel on Monday, Mar. 9.

CHURCH NOTICES

Fellowship Church

Fellowship Church, Sunday, March 8.
Dr. Charles M. Sharpe will continue the series of story sermons with a serial of three numbers upon "The Trials and Triumphs of a Dreamer". The first chapter will introduce "A Boy With a Swelled Head" and will show How His Home Folks Appreciated Him.

Soloist, Mrs. Henry T. Elmore, Soprano.

The Tribe of the Abenakis will hold their regular Sunday evening Pow-Wow from 7 to 9 at The Manse with Chief "Cec" Fielder talking on "India: Its Past, Present, and Future." YOU are invited IF a Good Indian.

Methodist Episcopal Church

Sunday morning at 10:30 at the Methodist Episcopal Church Mr. Berlew will preach on the subject "A Kingdom Without Frontiers," the second in a series of Lenten sermons dealing with the expansive principle in Christianity. The pastor will be assisted in the service by Harold Inman, violinist, and the Vested Choir.

The Student Forum will have for its speaker "Check" Ramsay, who will take for his subject "Political Corruption and its implications as seen at Poland Springs Conference." The Forum Hour is 7:30. Come early, if possible, to the lunch and Fellowship Hour beginning at 6:30. All Students and Younger Faculty Members are invited to the Forum. The Epworth League Devotional Service is at 5:45 in the Church Vestry. "Jesus and the Religion of Youth" is the topic.

Forty states and six nations were represented in the freshman class at Yale U. this year.

Many Years Ago On This Campus

1910-1911

Hannibal Hamlin Hall, the new dormitory for men has been completed and is a much needed addition to the University.

During the squall of last Thursday, the aerial of the wireless station on Hannibal Hamlin Hall was blown over. It was the only wireless apparatus in the radius of five miles.

A new fraternal sophomore society called The Masks has been organized at the University with the admirable purpose of improving true University spirit.

One of the oldest and most exclusive clubs of the University is the Conversation Club which was organized some fifteen years ago. It is limited to 22 members of the Faculty having the title of professor.

Instead of the Bible study classes which were held last year in the fraternity houses, there will be this year only one class for the whole University.

Robert J. Allen, Ph.D., LL.D., is the new president at the University.

Following the custom that has been established at many institutions, the University is now installing a system of electric gongs to indicate recitation periods. The bell on Wingate Hall will no longer be used. In each hall there is a large gong, which, controlled by a master clock in the Secretary's office in Alumni, will ring for one full minute at the end of each hour.

A handsomely bound song book containing over a hundred college songs, several of which are exclusively Maine songs, has been published.

The old Commons has been remodelled into a recitation building and is now known as Estabrooke Hall. There are three recitation rooms on the first floor, and three on the third.

Intercollegiates

Students at the University of Maryland are liable to a three dollar tax if they cut a class.

A special telephone system has been installed between the men's and women's dorms at Antioch College in the hope of promoting a better and increased social contact.

Six freshman football players at George Washington U. made an attempt to commercialize college spirit and loyalty by striking for salaries. All six are now looking for jobs.

Ohio U. students have adopted the latest rage, that of "companionate engagements". The plan is for the boys and girls to become engaged, the boy pinning his frat pin on the co-ed. Each is free to have dates with anyone else, just as long as he or she is available to the other for the important events on the campus, and other little events, as one or the other may desire.

Thirteen dollars was found to be the cost of an average date at Purdue.

A senior at Washington State has attended 14,050 classes in the past 16 years without being absent or late once.

A "prom-crasher" at the U. of Colorado who smashed a window and successfully entered, was detected by his bleeding hand, which smeared the back of several evening dresses. He spent the night in jail.

INTERSCHOLASTIC BASKETBALL TOURNEY

The Eleventh Annual Interscholastic Basketball Tournament of the U. of M. is to be held at the University Thursday, Friday, and Saturday, March 12, 13, and 14th.

Twenty-seven schools have applied for admission to the tournament, and of them, the eight strongest teams have been selected. Bangor, Cony, Presque Isle, Northeast Harbor, Calais, Orono, Houlton and Caribou are the choices.

The games will be scheduled as follows:

Preliminaries, March 12, 2:30 P.M., 3:30 P.M., 7:30 P.M., 8:30 P.M.; Semi-finals, March 13th, 7:30 P.M., 8:30 P.M.; Finals, March 14th, 3 P.M.

Arrangements are also underway to have the prep school final played here, and it is very likely that this arrangement will be made. Bucksport, winner of the northern division, will play the victor of the Bridgton-Kents Hill game, which is to decide the winner of the southern league.

Social Happenings

PHI MU DELTA INFORMAL

Phi Mu Delta fraternity held an informal pledge dance Saturday evening, February 28. The grounds about the house were decorated with gaily colored lights. The music was furnished by Larry Miller's Bears. Mrs. King and Mr. and Mrs. Wallace chaperoned. Alonzo Jones, Vergil Gross, and Joseph Penley were the committee in charge of arrangements.

TRI DELT MATRON BREAKS ANKLE

Many friends on the campus wish to extend their sympathy to Mrs. Hesse, Tri Delta matron, who broke her ankle in a fall last Monday. Mrs. Hesse is reported to be resting comfortably at the Eastern Maine General Hospital.

TRI DELT PLEDGE DANCE

On Monday, February 23, the Tri Delta sorority gave a Tea Dance for its pledges. During the afternoon the pledges were announced and each one was presented with a corsage of silver, gold, and blue flowers.

Those on the committee were Mary Sewall, "Bunny" Callaghan, Margaret Bither, and "Spud" Churchill. The chaperons were Mrs. Hesse, Mrs. Sweetser and Mrs. Bangs. Music was furnished by Pat Huddilston's orchestra.

TRI DELTS ENTERTAIN LUNCHEON GUESTS

On Monday, March 2, the Tri Deltas entertained Miss Wygal and Miss Campbell at lunch. Miss Wygal, speaker at the Women's Student Government Meeting on Monday morning, holds the position of the Associate Secretary to the National Student Council with headquarters in New York.

FORESTRY CLUB TO HOLD DANCE FRIDAY

The Forestry Club is to hold its annual stag dance Friday evening in Alumni gym. All co-eds arriving at the gym before 8:15 will receive a free ticket to the occasion. Music for the dance will be furnished by Larry Miller's Bears.

A. T. O. DANCE

Alpha Tau Omega entertained at a dance held Saturday evening, following the Midwinter Ball held on Friday evening. Saturday evening, Huddilston's Troubadours played for the brothers and their guests. Major and Mrs. Oliver and Mrs. Gertrude S. Bangs were chaperons for both the house party and for the buffet supper which was served Sunday evening.

A feature of the latter occasion was dance music furnished by some of the members of the house, and several songs by "Chubby" Hayes, one of the pledges.

SIGMA MU SIGMA MEETING

Sigma Mu Sigma held a meeting Monday evening at the S.A.E. house. Eleven new members were elected to the society.

Y.W. CANDLE-LIGHT SERVICE

The Y.W.C.A. held a candle-light service in Balentine sunparlor last Wednesday night at 6:30. There were readings and special music. This meeting was in charge of "Ike" Montgomery.

PHI MU DELEGATES TO COLBY

Lucia Umphrey '33 and Barbara Harvey '32 were entertained at Colby College last week-end by the members of Beta Beta Chapter of Phi Mu sorority. Saturday afternoon they attended the initiation of the new members. At night a formal banquet was held at the Elmwood Hotel, followed by a gym dance. The guests were presented with silver vanity cases upon which were engraved the Phi Mu seal. The following morning breakfast was served in the sorority rooms.

BETA THETA PI PARTY

Beta Theta Pi held an informal dance on Saturday evening. One of the unusual features of the affair was the gaily-decorated stag line. Mr. and Mrs. Bray chaperoned and the Harmaniacs furnished music—vocal and instrumental.

Faculty News

TECHNOLOGY PROFESSORS ATTEND CONFERENCES

Professor A. C. Lyon and Mr. E. J. Felker attended the annual meeting of the Maine Association of Engineers at the Falmouth Hotel, Portland, Maine, on February 19. Professor Lyon consulted with the District Engineer of the U.S. G.S. at Augusta and with the Chief Engineer and other engineers of the Maine Central Railroad at Portland in regard to permanent and summer positions for engineering students.

Dean Paul Cloke and Professor H. Walter Leavitt will attend a conference of the State Highway Commission at Augusta March 6.

The College of Technology will be well represented at the Second Economic and Industrial Conference at Augusta March 6 and 7, by Elliott R. Barker, Jr., Elwin T. Howard, Merrill E. Kilby, Lincoln O. Spencer and Dean Cloke. Mr. Barker will give a five-minute paper on Opportunities for Pulp and Paper in Maine. This conference, like last year's, is sponsored by the Maine Development Commission.

F. H. Gilpin, engineer for the Texas Company and consulting engineer on bituminous pavements, will give a lecture entitled "Low Cost Road Construction with Bituminous Materials," at the Civil Engineering Club Meeting, Thursday, March 12, at 7:00 P.M.

HYLAND ATTENDS FORESTRY MEETING

Mr. Fay Hyland, on February 23 and 24, attended the annual winter meeting of the New England Section of the Society of American Foresters at Providence, Rhode Island.

NOTICE FOR WOMEN

The group basketball games which were scheduled for Saturday, Feb. 28, will be played on Thursday, March 5, at 7 p.m.

STEPPING INTO A MODERN WORLD

Nothing small about this work

Reaching out to the far corners of the earth for raw materials of telephone apparatus, is a Western Electric function in the Bell System.

To assure adequate sources of supply, men engaged in this work of mass purchasing continually search the entire globe. To buy wisely, they study all factors affecting prices—economic and labor conditions, transportation facilities,

freight rates—on a world-wide scale. Each year their purchases, worth many millions of dollars, include such diverse products as platinum from Russia, mica from India, asphalt from Venezuela, flax from Belgium and France.

All in all, a vast and fascinating task. For men of keen business judgment, the opportunity is there!

BELL SYSTEM

A NATION-WIDE SYSTEM OF INTER-CONNECTING TELEPHONES

PRISM PICTURES

Prism pictures to be taken this weekend in the Indoor Field are as follows:

SATURDAY, MARCH 7

- 1:00 Delta Zeta
- 1:15 Men's Rifle Club
- 1:30 Junior Week Committee
- 1:45 Electrical Club
- 2:00 Maine-Spring
- 2:15 Junior Prom Committee
- 2:30 Xi Sigma Phi
- 2:45 Math Club

SUNDAY, MARCH 8

- 1:30 Track Club
- 1:45 Phi Sigma
- 2:00 Pan-Hellenic Council
- 2:15 Men's M.C.A.
- 2:30 Maine Outing Club
- 2:45 Debating Society
- 3:00 Sophomore Hop Committee

As this is the last opportunity to have Prism pictures taken, each group should make every effort to be there. For any changes in time consult Wheeler Merriam at Kappa Sigma.

FENCING CLUB ELECTS OFFICERS

The University of Maine Fencing Club was organized at a meeting of the fencing classes held in the Armory last Friday afternoon. Fifteen students attended the meeting, and temporary officers were elected under the direction of Bernie Schneider. The officers elected were Ton Baldwin, pres., Fred Black, vice-president, and Norm Turner, sec.-treas.

A fencing club under the direction of Major Glover was in prominence here several years ago, but was disbanded because of lack of interest. There appears to be much interest in the sport this year, however, and it is hoped that this club will prove a success. Another meeting of the club is to be held Friday evening at 7 o'clock in the M.C.A. Any one interested is invited to attend.

JACKSON PRESIDENT OF 4-H CLUB

Alpheus Jackson was elected president of the 4-H Club at its second meeting of the year in Winslow Hall last Tuesday evening. The other officers are: vice-president, Helen Clements; secretary and treasurer, Doris Smart.

Mr. Shibles, state club leader, gave a short talk, and Miss Mildred Brown reported on 4-H Clubs in the state. Miss Greene, head of the Home Economics department, was the principal speaker, and talked on "Positions open to Home Economics Students."

Refreshments were served.

CO-EDS WIN TOURNAMENT

The "Co-eds" won the co-ed basketball tournament as the deciding game of the inter-group series was played off March fourth, between the Co-eds and the Cardinals. The Co-eds won by a score of 45 to 29, although the game was a much closer one than the score indicated. The game was fast and furious for the first three quarters, but the Co-eds were too much for the Cardinals and pushed ahead in the last quarter to an easy win.

CHAPEL SPEAKER

Mr. W. J. Kitchen, Secretary of the New England Student Committee of the Y.M.C.A., will be the chapel speaker at 9:45 Monday morning. He will talk on "The Student Movement in Europe."

During the chapel period, Dean Stevens will announce the newly elected members of Phi Beta Kappa.

An opportunity will be given for hearing Mr. Kitchen again at the Vesper service at four o'clock Sunday afternoon. The subject at this time is, "In Quietness and Confidence there is Strength." There will also be special music.

Mr. Kitchen, who is from Boston, is well-known on the campus, having spoken here on previous occasions. His addresses are considered substantial as well as interesting, and his talks here should be very worth-while.

Tuesday, a ladder was erected on the south side of Alumni Hall to serve as fire-escape for the room on the third floor of the hall used as a dressing-room by the Masque when a play is being produced. Heretofore, the only way out of the small room has been down a steep rickety flight of narrow stairs. With this improvement, the object of much agitation by the Masque has been achieved.

ECONOMICS CONFERENCE

An Economics Conference for the students of the four Maine colleges is being held in Augusta Friday and Saturday, March 6 and 7. The discussions will be held in the Senate Chamber of the State House. The subjects for discussion are: "Banking," "Pulp and Paper," "Power," and "Vocational Opportunities for College Women in the State." The speakers will be business men in the state, and from the University of Maine: Elliott R. Barker will speak on "Pulp and Paper," Melvin Adams on "Power" and Margaret E. Burrell on "Opportunities for College Women in the State."

The object of these meetings is to try to get more graduates of Maine colleges to be placed in business positions in the state. Employees who wish to interview students with reference to positions are invited to come to the discussions.

Among "notes on dates" found in the *Silver and Gold* of Colorado U: A date is a diplomatic conference. Boundaries must be decided, compromises must be made, treaties must be formulated.

Be the first to flatter and escape the embarrassment of having to return the compliment.

W. R. Farrington To Be the Chief Speaker at Graduation

stitution opened in 1868.

The earlier years of Wallace's life were passed on the campus; he lived for a time in Brewer, but registered from Portland when he entered Maine in 1887. While in college, Mr. Farrington won for himself many honors, in fraternal, class and college activities. He began his newspaper work on the college publication of his day, The Cadet. He graduated in the class of 1890.

For the first four years out of college, Mr. Farrington worked on several papers throughout the east, and with various publishing concerns. In 1894 he received the position of the Pacific Commercial Advertiser of Honolulu; and shortly after, president of the Hawaiian Gazette Co. He returned to the states in 1897 for a brief time and then returned and became editor of the Evening Bulletin. In 1912 the paper was consolidated with the Star, Farrington becoming vice-president and general manager of the publication.

In 1921 President Harding named Farrington for the position of Governor of the Territory of Hawaii, and four years later President Coolidge reappointed him for a second term.

STUDENTS ORGANIZE TENNIS CLUB

On Tuesday, March 3, the Maine Tennis Club held its initial meeting at the Lambda Chi house. Mr. Curtis, faculty manager of athletics, gave a fine talk on the promotion of tennis as a minor sport. Mr. Curtis also stated that a valuable prize was to be awarded to the winners of the tournament this spring. A large and enthusiastic group of over 26 members was present. The officers of the club are Fred Colby, president; Donald Pressey, vice-president, and Lyden Mayers, secretary and treasurer.

Why we spend \$2,000,000 to put CAMEL cigarettes in the new HUMIDOR PACK

WE have been in the tobacco business a long time down here at Winston-Salem and we take a lot of pride in the quality of the cigarettes we make.

While we have spent a good many million dollars advertising Camels, we've always held to the old fashioned idea that the thing that really counts is what we put into our cigarette and not what we say about it.

If we know anything about tobacco, and we think we do, Camels contain the choicest Turkish and the mellowest, ripest domestic leaves that money can buy.

In fact we have every reason to be proud of the quality of Camels as they come from the factory, but the remark of an old friend of ours from Denver some time ago emphasized a point that has been the problem of the cigarette industry for years.

As he inhaled the smoke from a Camel we gave him in our offices one morning, he sighed with very evident enjoyment and then asked jokingly, "What is this, a special blend reserved for Camel executives?"

"Certainly not," we told him. "This package of Camels was bought at the corner store this morning."

"Well," he said, "I've been a dyed in the wool Camel smoker for a good many years, but upon my soul I never got a cigarette as good as this in Denver. If you would give the rest of the world the kind of Camels you sell here in Winston-Salem, you ought to have all the cigarette business there is."

THAT statement simply emphasized again the cigarette industry's most important problem. The more we thought about it, the surer we were that he was dead right, and that somehow, something must be done.

Denver wasn't getting a fair break. Neither in fact was any other town. The only people who really knew how good Camels could be, were the folks right here in Winston-Salem.

That was due to a factor no cigarette manufacturer had ever been able to control.

Naturally there is no difference whatever in the quality

of the tobacco in Camels, whether you buy them in Winston-Salem, Denver or Timbuctoo. But up to now there has been a very real difference in the condition of the cigarettes by the time they reached the smoker.

The flavor and mildness of fine tobacco depend upon the retention of its natural, not added, moisture content which is prime at about ten per cent.

In spite of our great pains always to make sure Camels left the factory with just the right amount of natural moisture, no cigarette package had ever yet been designed that could prevent that precious moisture from drying out.

THERE are three things about a cigarette that can sting the tongue and unkindly burn the throat.

- (1) Cheap tobaccos.
- (2) Particles of peppery dust left in the tobacco because of inefficient cleaning methods.
- (3) A parched dry condition of the tobacco due to loss of natural moisture by overheating or evaporation.

Always certain of the quality of our tobaccos we had already made Camel a "dustless" cigarette by the use of a specially designed vacuum cleaning apparatus exclusive with our factory.

Now, if we could perfect a package that would actually act as a humidifier and retain the natural moisture content, then Yuma, Arizona, could enjoy Camels as much as we do here at Winston-Salem.

We knew what we wanted. We tried many things. We asked the Pittsburgh Testing Laboratory to help us.

After many experiments and humidity tests covering all methods of packing cigarettes came the detailed report of which this is the net:

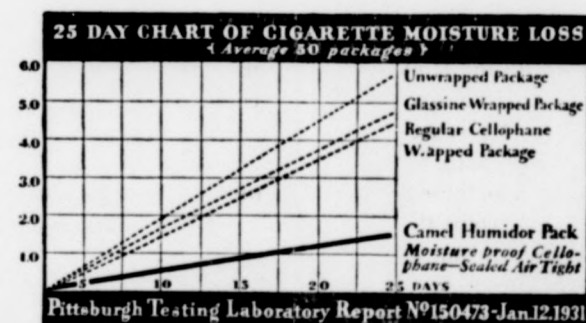

(A) No existing cigarette package, including those wrapped in glassine paper or ordinary cellophane, gives anything like adequate protection against evaporation.

(B) All cigarettes so packed tend to dry out rapidly from the day they are released from the factory.

(C) Only a waterproof material with a specially devised

air-tight seal could give the desired protection. (D) This measure, while costly, could be relied on to keep Camels in prime condition for at least three months in any climate.

If you have a technical bent, the graph below made by the Pittsburgh Testing Laboratory will show you the exact results of their exhaustive study.

Pittsburgh Testing Laboratory chart above graphically shows you that only the Camel Humidor Pack delivers cigarettes to you in prime condition.

YOU may be sure we gave this report a lot of careful study. We checked it and re-checked it and then we went ahead. We tried this device and that. At last we met success. The air-tight wrapping involved the designing of special processes, special machines.

That costs a lot of money, more than \$2,000,000 the first year, but after you have tried Camels packed this modern new way we are sure you will agree it is a fine investment.

For some time now every Camel that has left our factory has gone out in this new Humidor Pack.

We have said nothing about it until now, to make sure your dealer would be able to supply you when the good news came out.

Camel smokers of course have already discovered that their favorite cigarette is better and milder now than ever before.

If you aren't a Camel smoker, try them just to see what a difference there really is between harsh, dried out tobacco and a properly conditioned cigarette.

You can feel the difference, you can hear the difference and you certainly can taste the difference.

Of course we're prejudiced.

We always have believed that Camel is the world's best cigarette.

Now we know it.

Just try yourself to Camels in the new Humidor Pack and see if you don't agree.

Maine Favored to Defeat Bates in Meet to Be Held March 14

leges. The officials have therefore arranged a special event for his specialty.

Chapman will be ably assisted by Cole and Adams in the 600 yard run, and Viles and Cole in the 1000. Hayes and Viles will be entered in the mile, and Whitten in the two-mile. Knox is just as sure of garnering points in the 40 and 300 as his teammates. Adams ran a 49 second quarter last year as a freshman, and will be seen here in the 300.

Bates has had the advantage of much competition indoors while Maine has been less fortunate. With the javelin omitted from the schedule of events, Maine loses about eight sure counters.

Maine will have White, Means and Curtis in the 40, and White and Chase in the 300; Wendell and Mank in the 600; Mank and Percival in the 1000.

Whitten of Bates, who ran second to

Richardson in the last State Meet is rated as one of the best in New England, since Lindsay and Richardson. Booth and Austin in the mile, and the Gunning-Brooks combination in the two-mile will find some hot work when they aim to break the tape ahead of the visitors.

Knox has pushed himself out 23 feet in the broad jump and is the "best in the State", at the present time. Chase and White, of the Maine cohorts, will strive to displace the champ. The hurdles hold forth Stiles, Yerxa, and Timberlake against two freshmen from Bates, Purinton and Eaton, who, while competing for M.C.I. and Deering respectively, gained interscholastic records.

In the high jump, there will be Chase, Webb and Duplissa. Burnham, who did well in past meets, has not been doing much because of a bad leg.

The best fight will take place in the pole vault. Meagher, a freshman, and Dill, of Bates, will go against Webb and

MISS WYGAL SPEAKS TO "Y" GROUPS

Miss Wygal, acting secretary of the National Student Council of the Y.W.C.A., spoke at a joint meeting of the "Y" cabinets, Monday afternoon. Some of the problems of the Maine Y.W.C.A. were discussed.

Miss Wygal also spoke to the freshman "Y" meeting held at Mt. Vernon Monday night. After some special music, a discussion was held. Some of the questions under discussion were:

"If you had to give up everything in the world but one thing, what would it be?"

The main theme of the meeting was that each person has a living personality which attracts others.

Miss Ruth Hamor sang two selections, with piano accompaniment by Eva Bisee.

Havey, of Maine. They are all capable of doing over 11 ft. 6 in. Meagher topped the beam at 12 feet in the Maine Interscholastics, last year. Dill has won the State title for two successive years.

The only real hope lies in the remaining field events—Webber and Alley as shotputters; Fickett, Webber, and Gonzals, hammer; Curtis, Fickett, Webber, Sweetser, discus.

steers largely to the fact that big business is frequently allied with the underworld and therefore compromised. He praised the institution of the city finance committee, which has been tried for the first time in Boston, as an effective means of detecting graft. This body, appointed by the governor, has full powers of investigation, and can place checks upon crooked deals through published reports.

Harry W. Laidler, of New York, Executive Secretary of the League for Industrial Democracy, spoke in favor of the public ownership of utilities, as a means of doing away with any necessity for special privilege and of providing maximum service at a very low price. He gave Ontario and Los Angeles as conspicuously successful examples of such ownership.

Other speakers, dealing especially with the ethical aspects of the question, were Dr. John C. Schroeder, of Portland, and Buell Gallagher, of Boston.

A second speaker on the same subject was John C. L. Dowling, former chairman of the Boston Finance Commission, who laid the inability to cope with rack-
