Greetings!

Welcome to the first edition of the UMS Insider! You are receiving this as an employee of the University of Maine System (UMS). The creation of this newsletter was a priority in a UMS-wide survey of supervisors to provide you with updates and resources, as well as insight into the people who positively contribute to our work lives and the lives of our students every day. It will also serve as a way for you to tell us about colleagues who positively impact our mission of service to the people and the state of Maine.

I look forward to hearing from you!

Corina Larsen, UMS Director of Internal Communications

Insider Spotlight

Employee Poll Question

In each edition, I will ask you an anonymous poll question relevant to current events impacting the UMS. We begin the series with a question about the myCampus portal. There is a portal for each university, the Maine School of Law, and the UMS. They serve as a launchpad for all of our Single-Sign-On (SSO) applications, meaning when you log in there, you are automatically logged into many of our tools.

Do you use your myCampus portal to log in?
