Freshman Banquet To Be Held Friday

Annual Affair Will Take Place
In Bangor Auditorium with
C. P. Weston as Speaker

Professor Charles P. Weston will be the principal speaker at the Freshman Class Banquet to be held tomorrow night in the Bangor Auditorium, according to an announcement made early this week by the class banquet committee. Professor Weston's qualities as a speaker are well known and he will be remembered for his talk on "The Maine Thing", which he delivered Maine Night this year.

The banquet tomorrow night will start at 6:30 o'clock and is planned to last until 8:30. Vice-president Stanwood Searles will act as toastmaster and entertainment will be furnished by Larry's Bears with music, dancing, and short sketches. Special permission has been obtained to allow the women of the class to stay out until twelve o'clock.

The committee in charge of the banquet, which has been working with Irving Pierce, class adviser, consists of Donald Corbett, chairman, Roger Heffer, Peter Karalekas, and Fred Black.

Transportation to Bangor will be by electric cars, which will leave the Beta House landing at 5:30 P.M. sharp going to Bangor and will leave the Bangor Waiting Station near the Park Theatre at eleven o'clock coming back.

Harry W. Laidler To Speak In Chapel

Well Known Social Worker Will
Give Two Public Addresses
On Industrial Democracy

Harry W. Laidler, Ph.D., of New York, one of the most capable speakers in the country on current social subjects, particularly the human aspects of industry, will be the Assembly speaker next Monday. Dr. Laidler will make two public addresses that day, at the regular morning Assembly period and at 4:15 in the afternoon, and will also speak at the faculty luncheon at the M.C.A. building. His subject in the morning will be "The Cooperative World in the Making," and in the afternoon, "Public Utilities—Master or Servant?" At the luncheon he will speak on "Wanted—A New Political Alignment."

Dr. Laidler is the Executive Director of the League for Industrial Democracy, the Socialist organization of which Norman Thomas, who recently spoke before the Bangor Forum, is president. He is a graduate of Wesleyan University and a member of the Phi Beta Kappa Society. After graduation in 1907 he spent several years in newspaper work in New York. In 1911 he received the degree of LL.B. from the Brooklyn Law School and was admitted to the New York bar. Three years later he secured his doctor's degree at Columbia, in the department of Political Economy.

During numerous visits to Europe Dr. Laidler has come into contact with the labor, cooperative and socialist leaders in many countries. During the last twenty years he has lectured in hundreds of institutions and cities throughout this country. Recent books by him include a *History of Socialist Thought*, which has been called "the best single source of information in the English language," and *Power Control* (co-authored with H. S. Raushenbush), an analysis of the fight for the public control of the electrical industry. Other publications are *Boycotts and the Labor Struggle* and *Socialism in Thought and Action*, and numerous other works.

Sigma Mu Sigma Award Won By Clark Abbott '33

Clark Abbott, Sigma Alpha Epsilon, received the Sigma Mu Sigma Psychology Award last Monday morning at chapel.

This award is presented by Sigma Mu Sigma, the honorary Psychological Society, to that member of the Sophomore class showing the keenest interest and the greatest promise in psychological fields. Grades received in Elementary Psychology are also considered.

The award consists of twenty-five dollars, and automatic membership in Sigma Mu Sigma.

Banquet Speaker

C. P. WESTON

Warner J. Morse Dies During Easter Recess

Member of Staff of Experiment
Station for Twenty-five
Years

Warner J. Morse, Ph.D., director of the Maine Agricultural Experiment Station, died March 25 at his home on College Road.

Doctor Morse was born in Waterbury, Vermont, October 30, 1872. He taught botany and bacteriology at the University of Vermont and was assistant botanist at the Vermont Experiment Station from 1901 to 1906. In 1906 he came to the Maine Agricultural Experiment Station to head the Department of Plant Pathology. He retained this position until 1921 when he became director of this institution.

The value of his research work is widely recognized in the scientific field. As an able, considerate, and devoted head of the Maine Agricultural Experiment Station, he has held the respect, the friendship, and appreciation of his associates in Maine and also the high regard of officials in other research institutions and in the U. S. Department of Agriculture.

Students Escape Injury As Car Is Demolished

Beryl Bryant, Gene Austin and
John Dixon Escape Injury

Three students narrowly escaped serious injury a week ago Monday night when a car operated by Beryl Bryant, a senior proctor at Mt. Vernon, crashed into three trees near the Bear House and was completely wrecked. John Dixon, a member of the Student Senate and house president of Kappa Sigma, was knocked unconscious, but received no serious injuries. Gene Austin and Beryl Bryant were both badly shaken up and all three of the occupants of the car were taken to the Beta Theta Pi house to which a doctor was summoned.

The accident occurred shortly after one o'clock in the morning after a fourth member of the party had been left at the Beta house. While the car, an Oldsmobile sedan, was still in second gear and proceeding down the hill to College Avenue, Miss Bryant's sleeve caught on the hand throttle pulling it down and throwing the engine wide open. It was impossible to make the left turn at the bottom of the hill at the rate of speed which resulted from the speeding engine, and the car crashed against two trees close together and another one about fifteen feet away. The automobile was damaged beyond repair, but the trio are now none the worse for their experience.

CIGARETTE CAUSES BLAZE IN OAK HALL

Considerable excitement was caused Tuesday noon of last week, when a fire was discovered in one of the rooms on the second floor of Oak Hall. Fred Bullock, reading in his room shortly after dinner, noticed smoke coming from behind his waste basket and upon investigating found that wood was burning underneath the floor. About ten freshmen were soon on the scene carrying wastebaskets full of water with which they soon quenched the fire. It was thought that the fire was caused by a cigarette stub, which slipped through a crack in the floor igniting the dry wood beneath.

President Speaks In Chapel Monday

Tells of University's Growth from
Start and of Present-day
Problems and Needs

President Harold S. Boardman gave an interesting and informing talk on the "Growth and Development of the University" at chapel Monday morning. He began his talk by giving information concerning American education and its relation to the English system. He then explained that the State Universities were founded to teach the sciences and not merely the liberal arts. These universities were supported and controlled by the states alone.

President Boardman reminded his audience that Maine is a land grant college, and opened its doors as "Maine State College" in 1868 with twelve students. In 1897 the name was changed to the University of Maine, and 325 students were enrolled. As the college grew, engineering and agriculture demanded more outside subjects, so new departments were made up. Later the College of Arts and Sciences was founded much to the jealousy and disappointment of the other Arts colleges in Maine.

In giving the financial status of the institution, President Boardman said, "Our appropriations started out with \$12,000 per year and today we are receiving over one million and a half. Fifteen per cent of our income comes from the National Government, a little more than half from the State, and the remainder from various other sources."

Some of the problems which have been facing the University for a number of years are: division of appropriations among departments for various needs, pensions for retired professors, whether the University has a definite responsibility to give a graduate opportunity after graduation, and the buildings program. A new addition to the library is very urgent, and new wings on the Arts and Sciences building for more classroom space, a union building, and a chapel or an assembly hall are the greatest building needs of the University.

President Boardman stated that the Department of Education is cooperating with the state department in attempting to make better teachers; and closed his address with the encouraging words, "The good work will still go on."

President and Alumni Secretary To Attend Association Banquet

President and Mrs. Boardman and Mr. Charles Crossland, Alumni Secretary, will be in Boston Saturday evening, April 11, as the guests of the Boston Alumni Association at their banquet.

President Boardman and Secretary Crossland will be the speakers of the evening. Professor Matthews, formerly of the Economics Department, will also speak at this banquet.

Ermo Scott, "Pat" Loane, and Neil Calderwood will also make the trip, and help provide the entertainment for the evening. Scott will lead the singing while Calderwood and Loane will put on a special act. Calderwood and Loane have achieved wide-spread popularity through their playing at affairs on the campus and in Bangor.

After the banquet, Secretary Crossland will visit Alumni Associations in New York, Baltimore, and other points.

Relay Men Elect Chase And Wendell Co-captains

At a meeting of the lettermen held on March 12, R. T. Wendell and L. C. Chase were elected honorary co-captains of the relay team for the past season. Wendell has been a member of the team for two years while this is Chase's first year as a relay man. The team defeated M.I.T. at the K. of C. meet in Boston, but lost to New Hampshire at the B.A. meet. In the latter event they were without the services of McKiniry and Pendleton.

The relay "M" has been awarded to D. L. McKiniry, L. C. Chase, S. T. Mank, R. T. Wendell, and R. E. Timberlake. H. I. Johnson received his relay manager "M", while L. F. Shaw and D. C. Blake were given assistant manager letters.

Seven Maine Students To Enter Writing Contest

Competition in Fields of Poetry,
Short Story, and Familiar
Essay

The Maine representatives in the 1931 Intercollegiate Competition in Writing have been announced by Dr. Ellis. They are as follows: Essay Contest—Luthera Hilt Burton, Thomaston; Madeline Hazel Field, Vanceboro; and Linwood Shaw Elliott, Portland.

Poetry Contest—Philip Judd Brockway, Quebec, Canada; John Levi Cutler, Bangor.

Short Story Contest—Philip Judd Brockway, Quebec, Canada; Arthur Albert Brown, Bangor; Donald Herbert Fogg, Bangor.

The results of this competition will be announced sometime in May.

The competition consists of contests in the fields of poetry, the short story, and the familiar essay. Three themes from each university are submitted in each of the three fields. First place in each contest counts five, second place three, and third place one, making a total of twenty-seven points. The university receiving the greatest number of points wins the competition.

This plan of an intercollegiate writing competition was instituted six years ago by Dr. H. M. Ellis. Maine won the first year, Vermont won in 1927 and 1928 while New Hampshire was first the last two years. Every year each of the colleges has charge of one of the contests, that is, the selection of the managers and the judges. This time, Maine is in charge of the familiar essay.

There are three prizes for the writers in each contest: first prize \$25, second \$15, and third \$10. The rules limit poems submitted to 250 lines, essays to 3000 words, and stories to 5000 words. No restriction is placed on the number of contributions which may be submitted by any one student, but no student may be awarded more than one place in each of the three contests.

Women's Debating Team Has Successful Trip

Defeat Pembroke and American
International College. Meet
Bates Next Week

The women's debating team has returned from a successful trip through Massachusetts and Rhode Island, where they won two of their three debates, upholding the negative side of the question: Resolved: That the talking movies are detrimental to stage drama. Ethel Thomas '31, Clarine Coffin '32, and Fanny Fineberg '31, manager, made the trip. The party was chaperoned by Mrs. Edith McCollum.

The first debate was at Emerson College of Oratory at Boston, on Wednesday, March 18. The decision was awarded to Emerson. On Thursday, March 19, the team met Pembroke College of Brown University at Providence, R. I., and won the decision. On Saturday, March 21, they won the last debate of the trip with the American International College at Springfield, Mass.

The debating team under the direction of Mr. Bricker, is experiencing a successful season. A large attendance is expected at Alumni Hall on Thursday, April 16 when Caroline Cousins '32 and Eva Bisbee '34 will meet Bates in the question: Resolved: That the government of Soviet Russia should be recognized by the United States. On Tuesday, April 21, a dual debate will be held with Colby.

REGISTER CARS MONDAY

The treasurer's office will be open next week for the registering of cars belonging to students and members of the faculty, operated regularly on the campus. Owners are required to fill out a blank with the make of the car, engine number, license number, and other data. Those who register will be given a small windshield sticker to show that they have complied with the requirements. This registration is compulsory, but there is no fee.

STUDENT SENATE MEMBERS HOLD NOMINATIONS FOR NEW OFFICERS

Campus Registration of Automobiles by Students and
Recommendation for Fall Pledging of Freshmen
Other Points of Business

ENGINEERS FOOL FARMERS IN JUDGING CONTEST

Either cow judging isn't as difficult an art as it is reputed to be or else some students on this campus are extremely lucky, for in the cow judging contest held here during Farm and Home Week, two Kappa Sigs tied for third place and a third took fourth place. It is rumored that the boys really placed higher, but that because they were all engineering students and had probably never seen a cow before the contest, the judges thought it might take away some of the dignity of the profession of ascertaining bovine good qualities to give them first or second place.

Baseball Nine Hopes Depend On Hurlers

Inclement Weather Keeps Team
Indoors. Opening Game of
Season with Colby

With less than two weeks remaining before the opening game with Colby, Coach Brice is putting aspirants to the 1931 varsity baseball team through some strenuous workouts at the armory in order to put them in shape for the approaching season. Last Monday afternoon saw the diamond crew in a scrub game on the outdoor field for the first time, but due to inclement weather, the squad was forced to retreat to the indoor field again for the remainder of the week.

Despite the toll of ineligibility, Coach Brice considers the present aggregation fully as strong as last year's championship nine if the pitching staff shows up well.

Perkins, Solander, and Nutting, all veterans, provide the nucleus for an effective staff of twirlers, while Romanzsky, star of last year's frosh, Churchill, and Spurling are showing up well in the practice sessions. For the catcher's post there is contention between Captain Wells, Abbott, promising backstop in Kenyon's hands last year, and Sam Szak. Smith and Nune are vying for the keystone sack, with the edge slightly to Smith, while Lewis and Wilson are taking turns on second.

At short, there are Hallgren and Springer, and third is being well taken care of by McCabe. "Blondy" Hincks is alone at center field, while the other gardeners will be chosen from Kisonak, Hall, Frost, Wight, and Gonzals.

Henry Dunnack To Give Baccalaureate Address

Henry E. Dunnack, State Librarian, Augusta, will deliver the Baccalaureate address at the University of Maine, according to a statement issued recently by President H. S. Boardman. This important event of commencement week at the University will take place on June 7.

President Boardman recently announced that ex-Governor Farrington of Honolulu, Territory of Hawaii, a graduate of the University and one of the great newspaper executives of the country will deliver the Commencement address on June 8.

With two men such as these as the principal speakers for the 1931 commencement already booked, the University feels that it is indeed fortunate. Both men will bring messages to the graduating class that will be both instructive and entertaining.

Mr. Dunnack holds one of the most important posts in the state of Maine and needs little introduction to the people of the state.

John R. Moore, a member of the Sigma Alpha Epsilon fraternity, will be the next president of the Student Senate according to nominations made at the regular meeting held Tuesday evening. John D. Dickson, Kappa Sigma, the only other nominee for the office withdrew, leaving Moore as the only candidate.

Other nominations made at the meeting were Maynard A. Hincks, Delta Tau Delta, and John Dickson, Kappa Sigma, for vice-president, and Thomas H. Baldwin, Beta Theta Pi, and Albert J. Smith, Phi Kappa Sigma, for secretary. The election of officers will be held at the next meeting of the Senate, April 21.

Other business brought up at the meeting included an explanation of a rule made by the Board of Trustees to the effect that all automobiles maintained or regularly operated on the campus shall be registered. This compulsory ruling is intended to secure a record of all cars owned by students and faculty in order to make a better adjustment of the parking problem and to prevent the tagging of cars belonging to visitors to the campus for infringement of the parking regulations.

Registration will be held next week, starting Monday morning. All owners of cars should report to the window of the treasurer's office in Alumni Hall and fill out a short blank, stating the make of car, engine number, license number, and name and address of the owner. There is no fee for this registration. The matter was also brought up at this time that under the existing rules freshmen are not allowed to own cars on the campus.

Mr. Frederick S. Youngs, treasurer of the University, also asked the cooperation of the members in keeping students off the grass until the ground dries, pointing out the fact that it is almost impossible to maintain well-kept lawns if the turf is trampled and cut before the grounds are rolled.

It was unanimously voted to present to the administration a recommendation that fraternities be allowed to pledge.

(Continued on Page Four)

Tennis Club Sponsors Singles Tournament

Seek Recognition of Tennis as
Minor Sport

The newly formed but already very active University of Maine Tennis Club held another meeting Tuesday evening in the M.C.A. building. Mr. Curtis, faculty manager of athletics, who has done a great deal toward making the club a success, was present and gave a few suggestions and some helpful information.

The club is now well under way, and all indications point to its permanence as a campus organization. Membership is open to all men who are interested in tennis and who pay the entrance fee of fifty cents. The purpose of the club is to stimulate interest in tennis at the University with the ultimate aim of having tennis recognized by the athletic board as a minor sport. When this status is attained, Maine will be eligible for competition in dual meets with other colleges and for entrance in the state tournament to be held May 20th at Brunswick. How soon recognition can be obtained is uncertain, but it is possible that it can be done this year.

Two Bangor tennis players of prominence have offered their services as coaches. This and the fact that there is good material makes it probable that the University could turn out a very creditable team.

The club is sponsoring a singles tournament to be held as soon as the courts are in condition this spring, probably in two or three weeks. A suitable prize will be awarded to the winner and he will be recognized as the singles champion of the University. Membership in the club will be a requirement for entrance in the tournament. The draw will probably be made at the next meeting on Tuesday, April 21, so any one who wishes to enter should be present then.

REGISTERING AUTOMOBILES

Although many students may not recognize it as such, the new ruling requiring the registering of automobiles explained elsewhere in this paper is a movement in the interest of the car owners themselves, and may go far to prevent an edict against the ownership of cars by students. Because of the limited space on most campuses, and the parking difficulties involved, many colleges have already banned the use of cars by students. This problem has been present on our campus for some time, and were it not for the active support of several members of the administration who wish to see the privilege retained, a rule prohibiting the use of cars might already be in effect.

This new movement to register all cars is to help handle the situation and plan parking space. There is no fee for the service, and at present no penalty. If the administration is able to report back to the trustees that the students cooperated in this matter, it is probable that the students will continue to have the privilege of owning cars on the campus.

FIRE PROTECTION FOR THE DORMITORIES

With the appearance of two small fires in the men's dormitories last week the lack of fire protection became apparent. In neither Oak Hall nor Hannibal Hamlin is there either fire hose, fire extinguishers, or even fire buckets. Since a blaze is very apt to be noticed before it grows to any great extent, apparatus of the above type would probably prevent any serious consequences. But if the men must resort to waste baskets to carry water to the scene of the fire, considerable damage to property and possible personal injury may follow. A fire extinguisher is cheap insurance, and easily worth the price.

KEEP OFF THE GRASS

The administration has made its annual plea to the students to refrain from walking on the University lawns for the few weeks between the time the snow leaves and the time when the ground will have dried. This request is worthy of note, and the improvement in the appearance of the lawn for the rest of the year should be reason enough for keeping to the walks for a few more weeks.

Notices

The annual meeting of the Maine Christian Association will be held in the M.C.A. Building on Tuesday, April 14 at 6:30 P.M. This meeting is open to all students who have subscribed to the Statement of Purpose of the Association, copies of which may be secured at the office.

Herbert I. Trask, Sec.

The faculty and students of the University are cordially invited to hear Mr. Frank E. Speaight on Sunday, April 12, at 3:30 p.m. in City Hall, Bangor. Mr. Speaight will read selections from *David Copperfield*. Those who heard him at the University a few years ago were enthusiastic in his praise. He ranks among the foremost impersonators of the present day.

Voting for members of the Women's Athletic Association Monday, April 13.

Mr. Oliver Ajer of the research laboratory of the General Electric Company, Schenectady, New York, will give an illustrated lecture on the subject of "Industrial Applications of Vacuum Tubes", on Thursday, April 23, at 7:00 P.M. in the Physics lecture room in Auer Hall. This address will take up the applications to radio transmission and reception, television, control of electrical energy, and many other uses, and will be illustrated by experiments.

The Spanish Club is to have a meeting Thursday night in the M.C.A. at 7:30. There will be a special program, consisting of music by the orchestra, readings, solos, and two one-act plays.

J. Stuart Campbell, engineer of the Crandall Construction Co. of Malden, Mass., is to deliver a lecture at Wingate Hall Thursday, April 16, at 7:00 P.M.

CHURCH NOTICES

Methodist Episcopal Church

Sunday evening, at 7:45, the Wesley Players will present the one-act religious drama "Upon this Rock". The cast includes John Mee, Darrel Brown, Wallace Harris and Marjorie L. Griffin, and has been coached by 'Fran' Ricker. They recently presented the play at the Methodist Church in Waterville, for Rev. Harold Metzner. Music for this service will be provided by the Young Trio.

At 10:30 Morning Worship the pastor begins a series of sermons continuing through the spring on the theme "A Religion of Good Sense". The subject for this week is "Patchwork Philosophy". Bass solo by Luthan Crosby.

The Epworth League meets in the Church Vestry at 5:45 and will be led by Hubert Allen. The topic for discussion is "If Youth Had Its Way". Prudence Hayes will sing. A Fellowship Hour follows at the Wesley House to which all students are invited. Lunch will be served for ten cents, and a social program is planned.

Fellowship Church

Charles M. Sharpe, Minister
Stella Powers, Pianist
Sermon Theme: "Gardens of the Lord".
Soloist: Mr. Gerald Kinney, of U. of M., Violinist.

Abenaki Sunday evening Pow-wow 7 to 9 at the Manse. Dr. Donnell B. Young will speak on "Memories of the Olympic Games."
All students cordially invited.

WORK BEGUN ON 1935 HANDBOOK

Work has been started on next year's Freshman Handbook, and any freshmen interested in working on it should get in touch with one of the M.C.A. secretaries. It is hoped that the book will be finished this year sooner than it was last year, which means that it will be necessary to have all copy in by the end of school in June.

Intercollegiates

The janitor at B.U. says that co-eds are more absent-minded than men.

A high school in which only experiments will be carried on is being erected on the campus of Ohio State. It will cost with equipment \$450,000.

Tradition dictates that the manager of the Harvard hockey team shall wear a derby at all the games.

At Iowa State College, a course in ballroom dancing is given with credit.

At Barnard, the tired girls spend the physical education period resting in comfortable chairs; chocolate is served as an additional feature.

Fraternities at Lehigh which do not obtain a 65% average will be placed on social probation.

"Hahvald" men are indifferent, blasé, indolent, conceited, snobbish, independent, individual, intellectual, cultured, sophisticated, and cosmopolitan. They speak with an accent and wear old clothes and usually come from old families. This is the character portrayal of a "typical Harvard student" agreed upon by 55 Harvard men.

The faculty of the University of Rochester recently voted to do away with all 8 o'clock classes, having decided that it was better for the students to sleep in their own rooms than in the classrooms.

A recent survey showed that co-eds at Washington U., St. Louis, Mo., spend more money per smoker for cigarettes, tobacco, and the like than do men students.

Leland Stanford's fraternity houses are the worst on the Pacific coast. They are very poorly equipped, are veritable fire-traps and are thoroughly worn-out. The question of altogether abolishing them is being discussed.

A college dog-catcher was appointed at Maryland U. The necessary equipment, a Ford truck and a net, went with the office.

Many Years Ago On This Campus

1919-1920

On Oct. 26 and 27 a new type of examination was inaugurated when, in the College of Technology, 220 freshmen took intelligence tests.

Maine wins both the Football and the Cross Country State Championship.

Maine Night at the Bijou Theatre was a joyous occasion for the followers of the light blue and white.

On Thursday evening, Nov. 20th, the M.C.A. will begin its all winter weekly movie nights by showing in Alumni Hall the feature film "Bill Apperson's Boy" with Jack Pickford as the star. An orchestra under the lead of "Doc" Turner will furnish music. There will be no charge for admission.

At a recent meeting of the Senior Skulls the following resolution was passed: "Whereas the Stein Song is considered sacred by Maine men and women, we, the Senior Skulls wish to go on record as being opposed to the use of the Stein Song as dance music. Whenever it is being played Maine men and women should refrain from dancing or moving about, and give their entire attention to the song."

Balentine Hall was the scene of great excitement at midnight Tuesday evening when the new system of fire drill was tried for the first time. The building has no fire escapes or ropes hung from the windows. By this new system, when the fire-gong rings each girl must close her windows and transoms, open the door, and put on the lights. She must wear heavy shoes, carry a coat, and save something, preferably her notebook. The house was cleared in one minute and a half.

Mrs. Aley has presented the girls with a large triangle which is used as a fire-gong, in order that it may not be confused with the door bell and dinner gong.

The first annual minstrel show of the University of Maine was staged Thursday evening, December 4th, at the Bangor City Hall before an audience of over 1000 people. The performance was a complete success and was a tribute to the competent direction of Coach Nolan.

Phi Kappa Phi Holds Initiation on Friday

Phi Kappa Phi held an initiation and social meeting on April 7 at the University Inn, Orono. The following members of the senior class were initiated: Philip Judd Brockway, Carl Ara Brooks, John Levi Cutler, Charles Frederick Daniels, Jr., Paul Joseph Findlen, Emice Parker Gales, George Milton Hargreaves, Elmer Chandler Hodson, Leslie Rensselaer Holdridge, Mabel Clide Lancaster, Goldie Modes, Richard Thomas Munce, Richard Tucker Page, Ethel Stover Saunders, Charles Williams Stipek, Donald Bishop Henderson, Elwin Thornton Howard, and Lincoln Orrin Spenser.

Members of the faculty who were initiated are: Charles Burton Crofut, Charles Alexius Dickinson, and Donald Stover Piston.

Sophia Estelle Marks was elected to membership but has not yet been initiated. Approximately seventy members and guests were present for the social hour and enjoyed an entertainment provided by the Orono Puppeteers.

Freshmen Construct Radio In Two Hours

In one of the rooms of Oak Hall on Friday evening of last week, Elmer Martikainen and Ray Thorne, two freshman engineers, constructed a three tube radio set in a little less than three hours.

At about nine o'clock Friday night they started for Orono to collect certain necessary material, and by midnight the radio was in working order.

The boys agree that a loudspeaker has great advantages over earphones; so they will try their skill in constructing one some night when they have an extra hour or so. They have several stations on their list already, and the number is growing larger all the time. It now includes such stations as Bangor, Portland, Schenectady, and Cincinnati.

The machine may look a little crude on the outside, but with it, "they can get there just the same."

SORORITIES CONDUCT SECOND PLEDGING DAY

The second pledging day of the year for sororities was held Tuesday, with the following girls being pledged:

Alpha Omicron Pi: Adelle Allen, Daisy De Meyer, Ernestine Merrill.
Phi Mu: Louise Beaulieu, Mildred Bradstreet, Dorothy Findlay, Helen Findlay, Virginia Tuell.

Delta Delta Delta: Frances Dodge, Phyllis Harding, Kathryn Small.

Chi Omega: Madeline Bunker, Dorothy Davis, Dolly Humphrey.

Kappa Psi: Muriel Whittman.
Delta Zeta: Phyllis Foss, Anna Franzen, Mildred Poland.

Sigma Tau: Dorothy Shiro, Sara Viner.

SPEAKING CONTEST FOR HIGH SCHOOLS TO BE HELD MAY 15

The annual University of Maine prize speaking contest for secondary schools is to take place this year on Friday, May 15. All Class A high schools in the state have been invited to send two delegates, one to give a declamation and the other a recitation. Rewards of \$10.00 and \$5.00 will be offered to the students who receive first and second places in declamation. Two rewards of \$10.00 each will be offered for the best serious reading and for the best humorous reading.

A preliminary contest will be held in the afternoon in 275 Arts Building and the finals will be held in Alumni Hall in the evening. A reception for the contestants and those accompanying them will be held in the gym after the contest.

FARMINGTON NORMAL ISSUES MONTHLY PAPER

A monthly newspaper has been instituted at Farmington State Normal School, which is called "The F. S. N. S. Mirror", and contains all the departments of the regular college newspaper. The first issue of the paper was put out last month, and a copy of it has been exchanged with the *Campus*. Priscilla Henderson is editor-in-chief with Edna Hallowell as assistant editor, and Arthur Mickalide is business manager.

Fort Kent High School Wins Scholarship Cup

Fort Kent High School was the winner of the University of Maine Scholarship Cup this year. This cup is awarded to that Maine school, having three or more graduates in regular standing in the Freshman Class at Maine, whose representatives have the highest scholastic standing during the fall semester.

Aline M. Archambault, Kent F. Bradbury, Evelyn E. Jalbert, and James H. Page, Jr., are the four students who won this cup for Fort Kent. Mr. Bradbury, a student in the College of Technology, received fifteen and a half hours of A and seven hours of B, making an average of 3.64.

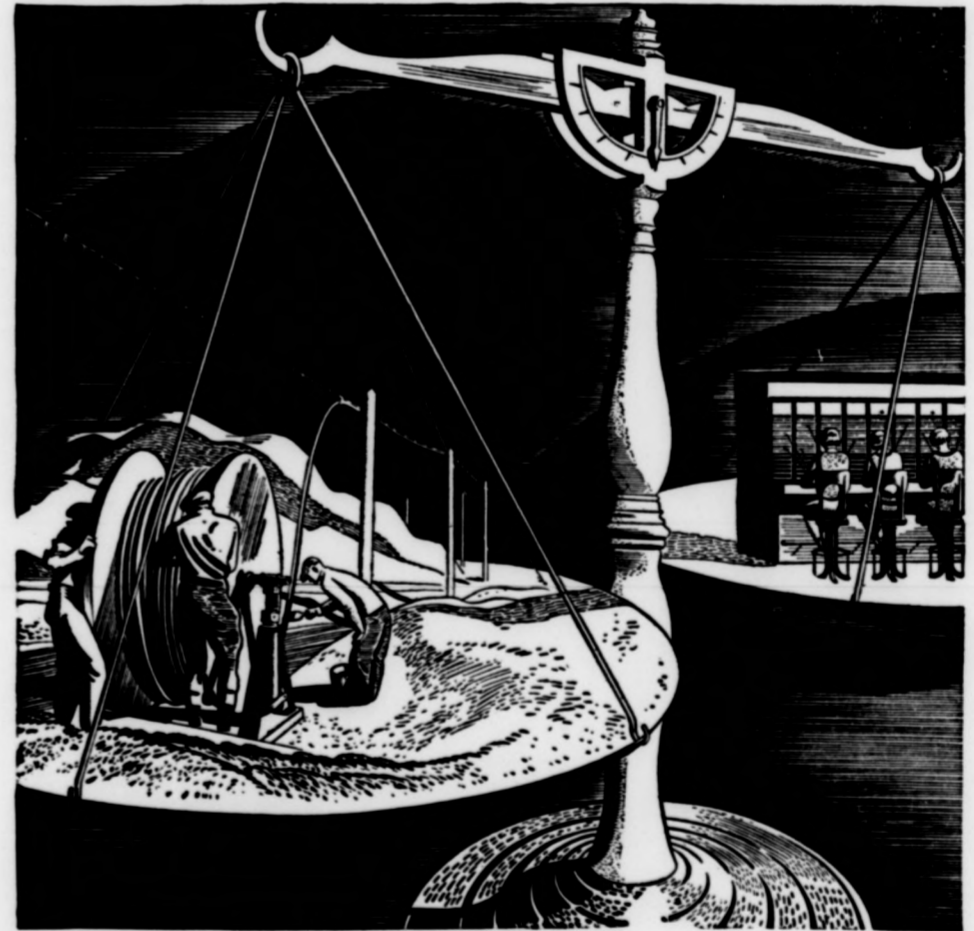

Mexico High School was a close second in this competition, with Deering, Millinocket, Camden, and Erskine Academy only a short distance behind. The last named school had the distinction of sending the only freshman who made a perfect score, Miss Ruth Walenta of South China, a student in the College of Arts and Sciences, being the only member of her class who has received nothing lower than A grades.

Faculty News

Dean Stevens has recently given three travel talks before a Bangor Parent-Teacher Association, the Men's Club of the Bangor First Methodist Church, and the Arts Club. He has given four lectures on Biblical Literature before the Bangor Y. W. C. A.; an address on Charles Dickens at the Norridgewock Men's Club of the Federated Church; an address on Humor before the Quips Club of Bangor; and an address on The Evolution of Religion at the Union Lenten Week Services in Old Town.

In addition to the list of visiting members of the 1931 Summer Session previously announced in the *Campus*, mention may be made of Mr. Albert A. Lawrence who will teach three courses in the Department of History and Government. He holds degrees from Dartmouth and Harvard and belongs to the Department of History of the Massachusetts Institute of Technology.

STEPPING INTO A MODERN WORLD

Striking a balance for a \$4,000,000,000 industry

"On a large scale" describes accounting in the Bell System, whose properties cost more than \$4,000,000,000.

On the outgo side are, for example, four or five hundred million dollars annually for new construction; vast sums for keeping telephone equipment in good order; a payroll running into hundreds of millions a year. Under in-

come are such diverse items as a few cents for a local telephone call, or thirty dollars and upward for a call to a city across the Atlantic.

The men responsible for this phase of the telephone business have worked out scientific methods of control—but their effort to refine old practices and devise new ones goes on. *The opportunity is there!*

BALENTINE GIRLS HOLD FORMAL DINNER

The girls in Balentine Hall held their second formal dinner Wednesday night, April eighth. The guests included President and Mrs. Boardman, Dr. and Mrs. Young, Dr. and Mrs. Levinson, Dr. and Mrs. Dickinson, Dr. and Mrs. Jackman, Miss Edith Patch, Miss Achsa Bean, Miss Caroline Colvin, Miss Nancy McCreary, and Miss Hazel Parks.

A chicken dinner was served and a color scheme of yellow and green for Easter was carried out. After the dinner music was furnished in the living room.

Much credit is due the committee in charge which was composed of Mary Carter, chairman, Doris Gross, Mary Sylvester and Rebecca Spencer, with the cooperation of Francis Downes, president of Balentine, and Miss Parks, dietitian.

At the meeting of Kappa Phi Kappa, professional educational fraternity, held Tuesday night, Sam Sezak and Don Fogg reported on the General Assembly held at Syracuse by the fraternity on March 26, 27 and 28, at which they represented the Maine Gamma Chapter of the society.

The seventy-five delegates representing forty chapters were the guests of the Syracuse Nu Chapter of Kappa Phi Kappa and were housed in the Onondaga Hotel. The Maine delegates made the trip to Syracuse in Sezak's car, and while on the trip made a tour of New York City and the Catskills.

Eighteen couples enjoyed a Garden Party at North Hall last Saturday evening. Light summer dresses carried out the spirit of the affair. Mr. and Mrs. Gillon and Mr. and Mrs. Jenness chaperoned the party. Music was furnished by Larry's Bears.

The Sophomore Eagle stag dance was held Saturday evening in Alumni Hall. Mr. and Mrs. Frederick Youngs, and Captain and Mrs. Hugh Wear acted as chaperons. Music was furnished by Wally Howard's Orchestra.

A meeting of Sigma Mu Sigma was held Monday, April 6, at Balentine Hall.

After the regular business meeting, an interesting talk on hypnotism was given by Dr. Charles Dickinson.

Refreshments of sandwiches and coffee were served by the hostesses.

Pi Beta Phi gave a sailor party at the cabin Friday. Guests came dressed as sailors, ranging from common seaman to first mate. Mr. and Mrs. Freeman chaperoned.

Colvin Hall held a formal dance Friday evening, April 3. In spite of its being Good Friday, forty couples were present and enjoyed dancing until one o'clock Saturday morning. Mr. and Mrs. Frederick S. Youngs and Dean and Mrs. Lamert S. Corbett chaperoned. Music was furnished by Pat Huddilston's orchestra. Attractive refreshments of green ice cream and pink frosted cakes were served.

The annual Y.W.C.A. lollypop drive was held Monday and Tuesday of this week. Mary Elmore was chairman of the committee. Representatives from the four dormitories were: Hazel Scully, Gertrude Perry, Methyl Coy, and Merle Shubert. Irene Sanders was chairman of the poster committee.

The first discussion meeting of the newly organized Liberal Club will be held tonight at 7:30 in the M.C.A. building. The topic which the group will debate is, "The United States Should Recognize Soviet Russia", and the leader of the discussion will be Mr. Guyer of the history department. The meeting is open to both faculty and students who are interested.

Y.W.C.A. MAKES PLANS FOR FACULTY BRIDGE AND TEA-DANCE

The joint cabinets of the Y.W.C.A. and several invited guests held a meeting Tuesday afternoon in the M.C.A. The purpose of this meeting was to discuss problems of "Y" and especially how this organization might influence more girls on campus. Plans were made for a faculty bridge to be held next week, and also for a Tea-Dance at Balentine. "Sunny" Nason was elected chairman of the dance committee.

The Tea-Dance, which will be "Stag" and very informal, is to be held in Balentine Saturday afternoon, April 11, from 3 to 5 o'clock. Bridge tables will be available for those wishing to play. Refreshments are to be served during the afternoon. This dance, if successful, may continue to be one of the social events sponsored by the Y.W.C.A.

The freshman Y.W.C.A., which meets at Mt. Vernon each Wednesday night at 6:30, has been making scrapbooks at their meetings. These books, when completed, will be taken to the children in Bangor hospitals.

The cabinet, which met in the M.C.A. Tuesday afternoon, has planned several programs for the next few weeks. One of these, a program consisting entirely of music, will be held Wednesday night, April 15.

The Y.W.C.A. held an Easter morning breakfast last Sunday at the Ledges. A short program of music and prayer was held, after which Miss Crosley spoke on "The High Point in Life." Nearly thirty girls attended and enjoyed the breakfast of bacon and eggs. Ernestine Merrill was chairman of the food committee, and the program was in charge of "Iky" Montgomery.

The Contributors' Club elected eight new members at their meeting last Thursday evening, held in the Arts and Sciences building. These new members are Isabelle Robinson, Luthera Burton, Rebecca Spencer, Paul Robinson, Walter Green, Madeline Fields, Miss Crosby and Dr. Ashby.

The initiation will be held Thursday, April 16, in the Arts and Sciences building. Donald Fogg is chairman of the initiation committee.

ALPHA OMICRON PI INITIATES

Alpha Omicron Pi held their formal initiation and banquet at the Bangor House last Thursday afternoon and evening.

Those who were initiated are: Fern Allen, Hope Clark, Helen Clements, Marion Dickson, Alice Dyer, Mary Elmore, Miriam Hanaburgh, Allegra Ingerson, Effie Mayberry, Doris Newman, Helen Osgood, Charlotte Quimby, and Ruth Walenta. Many of the alumnae were present.

The initiation formal was held at the Penobscot Valley Country Club on Friday evening. Mr. and Mrs. Ibbotson, Mrs. Marian Sawyer, and Dr. Rice chaperoned. The committee in charge was Margaret Fellows, Katherine Jackson, Margaret Merrill and Evelyn Gleason.

The Alpha Omicron Pi flower figured prominently in the Rose Dance, and the refreshments were served in the long sun porch during intermission. Larry Miller's Bears furnished the music.

Annual Sophomore Hop To Be Held In Gym Friday

The Sophomore Hop, the first formal occasion sponsored by the class of '33, will take place Friday evening, April 10.

The committee, which consists of Charles Bunker, chairman, Rose Cole, Brice Jose, Rodney McLean, and Peter Talbot, is working hard to make the dance an outstanding success. They have engaged the combined orchestras of Pat Huddilston and Lougee's, thus assuring excellent music.

The dance orders are especially attractive and original, and during the evening there will be several specialty numbers.

A pledge smoker attended by fifty pledges including two from each fraternity was given by the Delta Tau Delta pledges last night. Entertainment consisted of card playing, music, conversation, and refreshments.

Miss Hope Clark entertained at tea Sunday afternoon at her home on Main Street, Orono several students from various colleges home from their vacations and a group of friends from the University to meet her sister, Miss Lisa Clark, who was spending her vacation from Wellesley with her family.

Phi Kappa held a pledge dance Saturday evening. The chaperons were Mr. and Mrs. Kenyon and Mr. and Mrs. Jenkins. Larry Miller's Bears furnished the music.

Phi Sigma, honorary biological society, held initiation in Coburn Hall on Thursday evening, April 2, when the following pledges were initiated: Frances Downes, Walter Hall, David Hanaburgh, Howard Wendall, Charles Stewart, Margaret Churchill, William Dunlap, and Merle Hilborn.

On Tuesday evening, April 7, the following were initiated: Henry Libby, Wilfred Davis, Kenneth Stone, Louis Asali, Linwood Bowen, Charlotte Bowman, M. Anna Buck, Paul Findlen, Edmund Howes, Stanley Painter, Helen Pike, R. Evelyn Randall, and William Weiner.

APPLICATIONS MAY NOW BE MADE FOR W.S.G. SCHOLARSHIPS

The Women's Student Government has announced that applications may now be made for the two scholarships which the association offers annually. The scholarships are \$50 each and are open to two deserving women of the three lower classes.

Written applications must be made to Pat Barton, president of the association within the next week.

GOLDSMITH'S Tuxedoes

See our Special Tux including vest at \$30. It is a real value.

We carry a complete line of rentals and can take care of your last minute calls.

Everything in full dress accessories.

A few slightly used Tuxedoes including vest, a \$40 value, going at \$17.50, \$20.00, and up to \$25.00.

See them at Goldsmith's next to the Post Office, Orono.

Students Ask Mayor To Play In Comedy

Evanston, Ill.—(I.P.)—The chance Big Bill Thompson, mayor of Chicago, has been waiting for has been offered him by Northwestern University.

Students at the university have offered him a part in the undergraduate musical comedy, "Many Thanks," to be put on here March 24.

The management offered the bombastic mayor a comic opera suit to wear if he would lead his burro on the stage.

Big Bill, who recently won the Republican nomination for the next mayoralty election, has not yet replied to the offer.

His burro was paraded through Chicago streets as part of his nomination campaign.

Just what the Northwestern Students would pay for such an appearance in their show was not learned, but it was quite certain that if Thompson should accept, tickets would go at a premium.

MAINE GRADUATE LOANS FARM HOUSE TO M.C.A.

A completely furnished farmhouse has been loaned to the M.C.A. by Mr. Harold Hamlin '13, and is to be used for week-end retreats. The house is ideally located at Dedham, near Lucerne, with woods and a lake on the premises and Bald Mountain not far distant. "The Farmhouse" will be used by small groups of freshmen (men) who are seeking a week-end of recreation and at the same time fellowship in thinking about important life concerns. Already groups are forming around the topics "Student Honor", "Reality in Religion", and "The Socialization of Society." Another group is interested in considering whatever should spontaneously come from the group.

The retreats will extend through Saturday afternoon and Sunday and are open to all freshmen. Those interested in joining with groups on the above topics or others, or in a week-end devoted solely to enjoying the opportunities afforded for relaxation and recreation, should get in touch with Howard Stevens 408 H. H. Hall or Chester Ramsey at the M.C.A. building.

GREEK QUADRANGLE PROPOSED FOR SORORITY HOUSES

The possibility of having a Greek quadrangle for sorority houses at Maine was suggested at the last meeting of the Pan-Hellenic Council.

According to the plan brought forward at this time, four sorority houses would be built around a common court, with possibly a common dining room and kitchen. This plan would permit the sororities to each own their own house, and at the same time bring about closer unity. It would also enable the houses to be operated more economically. The lot north of the Tri-Delta house was suggested as a possible location for this quadrangle.

It is the hope of the Panhellenic Council that this plan can be developed before further plans for sorority houses are completed.

Have your Topcoat Gloves Hats Neckwear Dry Cleaned

It's surprising how much more service you can secure from gloves, hats, neckwear, and other apparel, by having them dry cleaned.

For this service we use the most modern of dry cleaning methods. Your things come back greatly improved in appearance—yet the cost to you is trifling.

 An Uproarious Farce that will please any audience

Wed. and Thurs., April 15-16
 "DOCTOR'S WIVES"
 with Warner Baxter, Joan Bennett and Victor Varconin
 Here is a picture that every woman will want to see (and the men too)

NOTE: Commencing Wednesday, April 22 and every Wednesday through May 27, we will teach you how to play GOLF with Johnny Farrell acting as instructor.

Cool All the Way Down

If you inhale, you can quickly tell the difference between fresh and stale cigarettes. A Camel, protected by the Humidor Pack, retains its natural moisture, and gives you a cool mild smoke. But when you draw in the smoke from dried-out stale tobacco, it's hot and irritating to the throat.

If you haven't discovered this difference, we suggest you switch to Camels for just one day. Then leave them tomorrow, if you can.

R. J. REYNOLDS TOBACCO CO.

LETTERS FROM FRESHMEN TO THE FOLKS

Dear Folks,
 Don't worry about me. These Maine Vamps don't bother me—any more. Write me in care of the Maine Bear. That isn't a dangerous night club. It's a place where they serve only the best things to eat, you know, quality first.
 Your no funds son,
Ken F.
 P.S. I'd have made the Dean's List if I'd have got 2 more points.

Numerals Awarded Frosh Tracksters

After going through a successful undefeated indoor track season, the freshman tracksters are training for their coming outdoor meets. Their two outstanding achievements were the overwhelming defeats over Hebron and Bridgton Academies. Numerals awards have been given to the following men:

C. F. Davis, N. W. Crosby, P. S. Parsons, E. C. Jordan, L. M. Hardison, D. E. Favor, E. M. Hildreth, R. L. Hill, G. M. Osgood, I. W. Earley, R. Berg, J. W. Warren, T. A. Earle, J. C. Lizotte, L. D. Thompson, F. R. Black, E. W. Cobb, W. H. Hastings.

The schedule for outdoor track is:

April 18	Old Town and Brewer	Here
April 25	Portland High	Here
May 2	Deering High	Here
May 9	Aroostook Team	Here
	(Caribou, Houlton, Presque Isle)	
May 20	Bangor	Pending
May 23	Freshman Relay at Lewiston, N.E.I.C.A.A.	Lewiston
May 30	Interscholastics	Here

UNIVERSITY BARBER MAKES OFFER TO BALL TOSSERS

Proving that the Sophomore Owls aren't the only organization on the campus that can give free hair cuts, Mr. Shaw of the University barber shop has made an offer to give a free hair-cut, shave and shampoo to the first Maine man who hits a home run in a varsity baseball game.

In all probability Maine will be putting out a "House of David" team this season until some member of the squad breaks through with a home-run, after which the rest of the team will give in and allow their beards to be shorn and their hair to be cut.

Volley ball practice for girls began the week before vacation and the games are now being played off. On Thursday, April 2, the Hornets beat the Cardinals 63-32, while the Hoboes took over the Jolly Fours 59-54. On the following Saturday the Co-eders wiped up the floor with the Ace Highs to the tune of 91-32.

The Hornets and the Hoboes played an exciting game which ended in victory for the latter 55-53. After these games the Cardinals won from the Jolly Fours 66-60. Tuesday the Hoboes beat the Ace Highs 73-43 and the Co-eders ran away with the Cardinals 90-41.

At the Y.W.C.A. elections which were held before vacation, the following girls were elected to office for the coming year: President, Hildreth Montgomery; Vice-President, Grace Quarrington; Treasurer, Margaret Davis, and Secretary, Alice Dyer.

Corbett Elected To Guide Track And Field Ass'n

At a meeting of the Maine Intercollegiate Track and Field Association held at Augusta on March 16, Dean Lamert S. Corbett of the University of Maine was elected president of the association succeeding Coach Mal Morrill of Bowdoin. This association governs the track activities of all the Maine colleges. The other officers were: First Vice-president, Ray Thompson, Bates track coach; Second Vice-president, Coach Michael Ryan of Colby; and Secretary and Treasurer, T. S. Curtis, Faculty Manager of Athletics at Maine.

SCHEDULE FOR VOLLEY BALL TOURNAMENT ANNOUNCED

The following schedule for the Spring volley ball tournament has been announced by the women's athletic department:

Thursday, April 2, 7:00 P.M.—Groups 3 and 4, Hoboes vs. Jolly Fours; Groups 5 and 6, Hornets vs. Cardinals.
Saturday, April 4, 9:30 A.M.—Groups 1 and 2, Ace High vs. Co-Eders; Groups 3 and 5, Hoboes vs. Hornets.
10:30 A.M.—Groups 4 and 6, Jolly Fours vs. Cardinals.
Tuesday, April 7, 7:00 P.M.—Groups 1 and 3, Ace High vs. Hoboes; Groups 2 and 6, Co-Eders vs. Cardinals.
Thursday, April 9, 7:00 P.M.—Groups 2 and 3, Co-Eders vs. Hoboes; Groups 1 and 4, Ace High vs. Jolly Fours.
Saturday, April 11, 9:30 A.M.—Groups 1 and 6, Ace High vs. Cardinals; Groups 4 and 5, Jolly Fours vs. Hornets.
Tuesday, April 14, 7:00 P.M.—Groups 1 and 5, Ace High vs. Hornets; Groups 2 and 4, Co-Eders vs. Jolly Fours.
Thursday, April 16, 7:00 P.M.—Groups 3 and 6, Hoboes vs. Cardinals; Groups 2 and 5, Co-Eders vs. Hornets.

Members of Student Senate Hold Nominations for New Officers

freshmen as soon after midsemester ranks are issued in the fall as the grades can be compiled. This motion came as a result of the feeling that a long rushing season is too expensive for the fraternities. This recommendation does not become effective unless adopted by the administration.

At the suggestion of Dean Corbett, a motion was passed whereby a copy of the minutes of each meeting, as arranged by the secretary, will be sent to each member of the Senate within a few days after the meeting. These records can then be filed by the representatives and kept as a record of all business transacted by the Senate.

Walter E. Riley and Willard S. Caswell were declared reinstated as presidents of the Junior and Freshman classes, respectively. These men were elected last fall, and became ineligible when ranks were issued. It was voted by the Senate last December to have the vice-presidents of these classes serve as president until the elected men became eligible. These men made the required rank this spring.

The matter of shorter receiving lines at formal dances was discussed, and it was suggested that the chaperons and members of the faculty who were invited to share the booths of the various fraternities, rather than have a separate booth of their own.

The next meeting of the Senate will be a joint meeting of the old and new representatives.

Freshman Ball Tossers Report At Indoor Gym For Initial Practice

Ninety-eight freshmen responded to Coach Bill Kenyon's call for baseball practice in the indoor gym last week. Due to the large number of candidates, and lack of time and space for practice, not much as yet can be said about the players. However, as soon as outdoor practice begins, Coach Kenyon hopes to get a line on his charges and build up his freshman ball team for the coming season.
