## Masque Players Offer "Broken Dishes" To Open Junior Week

Play Promises To Be One Of Most Entertaining Of Productions Of Current Season

The Maine Masque presents tonight at 8:00 in Alumni Hall the play, "Broken Dishes" as one of the features in the Junior Week Program. This play, which is a comedy in three acts written by Martin Flavin, promises to be one of the most entertaining in a humorous way of any of this season's Masque productions.

The story all centers around a mild, inoffensive sort of man who appears as just another henpecked husband. His trials, with the formidable array of characters and circumstances against him, come to a climax one winter evening in the Bumpsted home, and the entire play takes place within these few hours.

For years the severe and harsh Mrs. Bumpsted has nagged her better half. She brands him as a failure and a disappointment, she scolds him, tells him how she might have married Chester who is now a rich man in the city. For thirty years Cyrus has stood this, and then one night he rebels. While his wife and his two elder daughters are at the movies one evening, leaving him cheerfully washing the supper dishes, Cyrus marries off his favorite daughter to the man she loves, who is, by the way, a grocer's boy, Mrs. Bumpsted's special anathema.

In the meantime, Chester comes on the scene and turns out to be a crooked oil promoter and all-round rascal. That fact, together with her daughter's marriage, (Continued on Page Three)

## Recollections Of Bag Scrap Are Painful To Members Of Present Junior Class

On September 29, 1928, for the first time in the history of the University of Maine, the sophomore class conquered the freshmen in the annual bag scrap. Because a would-be "wise-guy" had succeeded in destroying all but one of the bags the fight was over one instead of three as was the custom in those days. Though the Class of '32 outnumbered '31 nearly two to one, the superior experience of the upper classmen made it simple for them to get the bag across their goal.

Clothes ripping followed resulting in several contestants emerging from the scrap garbed in a belt and shoes. In some cases even the belt was missing. Though the entire fight consumed only ten minutes every participant suffered in some way. Tiny Tim Butler found it necessary to surround his rather large area in burlap in order to leave the field.

A compulsory Student Government Chapel was held Thursday morning. The purpose of the chapel was to read and accept the new constitution for next year. There was the annual report of officers and the announcement of the Student Government scholarships.

The delegates gave reports from the Convention of the New England Association of Student Government Councils which was held at Jackson College, Medford Hillside, Mass., the last of April.

## Class Of '32 Is Subdued By Sophs During Evening Of Nightshirt Parade

Way way back in the dim dim past when the present sedate Juniors were freshmen they suffered a rather distasteful fate in the annual nightshirt parade, when the Class of '31 succeeded in herding them to the women's dorms where members of said Junior class showed their vocal abilities in giving a long loud cheer for the Class of '31.

The parade formed slowly soon after dark on the evening of September 24, 1928, but with the aid of skillfully wielded paddles soon got under way. The fire hydrant near Wingate Hall having been brought into play, it was necessary to make a detour to avoid the powerful stream of "Stillwater Special". Taking the once usual route past S.A.E., Delta Tau, and Kappa Sig, the masculine members of the Class of '32 marched on Mt. Vernon and thence to Balentine where that tiny member of the class, who has survived the rush of college days and can still be seen meandering about the campus, came forward to lead his classmates in a cheer for the victors of the night. ## Many Freshmen Attended Class Banquet In Old Town

The Freshman Banquet of the class of 1932 was held on April 19, 1928 in Old Town. A large number of the freshmen attended and everyone had an enjoyable banquet. Neil Calderwood played several selections finishing with the Stein Song. Among the speakers were Atwood Levensaler, president of the class, Edward Buzzell, vice-president, Anna Lyon, secretary and Alden Denaco, treasurer. Anna Buck was the chairman of the committee for the banquet.

## Sylvia Hickson Headed Sophomore Hop Committee

The class of 1932 gave their Sophomore Hop on April 11, 1930 in the Alumni Gym. The affair was a great success and over 250 couples attended. In the reception line were President and Mrs. Boardman, the Deans and their wives, Dr. and Mrs. Rice, Mr. and Mrs. Youngs, Captain and Mrs. Wear, and the president of the class, Walter Riley.

The committee headed by Sylvia Hickson included John Dixon, Frank Boynton, Neil Calderwood and Bob Dearth.

## Prominent Members Of '32 Belonged To Sophomore Honorary Societies

The class of 1932 has been recognized as having an exceptionally outstanding group of men and women in the two Sophomore honorary societies, namely the Owls and the Eagles.

The men are chosen for Owls because of their ability in college activities, popularity, and sportsmanship. The women are selected for their strength of character, personality, Maine Spirit, and prominence in college activities during the freshman year.

The Owls were headed by John "Dumpy" Jasionis, who was outstanding as a football player and as a leader.

Those honored by membership were Ronald Austin, Cedric Arnold, Austin Beecher, Mal Beecher, Albert Dekin, Lester Fickett, Everett Gunning, Maynard Hincks, John Jasionis, Amel Kiszonak, Don Lester, Arthur Lufkin, Francis MacCabe, John Moore, Theodore Nutting, Mal Pineo, Walter Riley, Winston Robbins, Orestes Rumazza, Milton Sims, Cornelius Sullivan, and Roland Zottoli.

Of these, Jasionis, Pineo, Sullivan, and Zottoli have since left school. Most of the Owls are recognized as outstanding figures in the various sports and leaders in the various class and college activities. They are representative of the true

Maine Spirit. The Sophomore Eagles chose as their President Estelle "Stubby" Burrill, who has proven her qualities as a leader in every college activity which she has undertaken. The members were Anna Buck, "Stubby" Burrill, "Peg" Hammel, "String" Randall, "Spud" Churchill, "Polly" McCready, "Ike" Montgomery, Helen Stearns, Louise Washburn, and Esther Moore.

This group of women though smaller in number than the Owls, represent equally well the women of the class. Among these only one has been lost to the college, "Peg" Hammel, who transferred to Smith.

Of these girls, "Spud" Churchill, "Ike" Montgomery, Helen Stearns, and "Stubby" Burrill were elected All Maine Women this spring.

Miss Montgomery has been elected president of the Y.W.C.A. Miss Churchill is president of W.S.G.A., Miss Stearns president of W.A.A., and Miss Burrill recently was elected president of Chi Omega sorority for the coming year.

## Junior Athletes Have Starred In All Sports

Class Well Represented In Every Field of Athletic Competition

By Harold Seigal

With the arrival of Junior Week comes thoughts of the many contributions of the class of '32 to Maine athletics. A perusal of the list of outstanding athletes in the University shows that a wealth of sterling material has been furnished by the third year men in football, baseball, track, winter sports, and every other field of athletic competition on the campus.

On the gridiron, Milt Sims has handled a flashy half-back position since his freshman year, when he played baseball under Kenyon as well. Walt Riley, in addition to competing in frosh track and relay, has done his share in carrying the pigskin these last three years. Les Fickett has maintained an outstanding position as center of the football team and in the weights in track. Fern Bagley's leg was Coach Brice's mainstay in punting last fall. "Hoot" Huot, another junior, held the position of manager of football.

On the cinders, the juniors can boast the honor of three co-captains, in track and cross country. Ev Gunning, co-captain of cross country, has also been doing some good work in the two mile distance on the track. Ray Wendell has been active in the running division since his freshman year, and holds the honorary post of co-captain of relay. Lovell Chase, co-captain of relay with Wendell, is more versatile having played on the frosh football and basketball teams in their time.

Amel "Kish" Kiszonak holds a fielding post on the varsity diamond crew, swings a heavy bat, and has played football. "Blondy" Hincks plays center garden for the varsity as well as football. Kaki Spurling, Nutso Nutting, and Newt Churchill are all varsity pitchers.

"Pug" Lou Asali holds the crown of the heavyweight division in intramural boxing, and has demonstrated his superiority in the manly art for the three years he has been here.

That juniors make good managers is shown by the number of managerial positions held by them. (Continued on Page Three)

## A Summary Of Events Shows That Junior Class Has Interesting History

By Marjorie Deane Stevens

On the fifteenth of September, 1928, the present Junior class entered college and spent Freshman Week in a rain-storm. Paul Butler was chosen temporary class president.

In the Pajama Parade which was the first event of the season, we put it all over the Sophs.

We elected At Levensaler president, Ed Buzzell, vice-president, Anna Lyon, secretary and Deke Denaco, treasurer.

Everyone awarded to '32 the laurels in the "Rising Day" activities. Our offensive work was perfect.

About half the Freshman Class blossomed out at this time with huge "1932's" emblazoned across proud chests. Athletic prowess, to be sure.

The second year's bag-scrap was not such a decisive affair for '32 as had been the previous year's, but we pulled thru with only minor casualties.

Walt Riley was elected president during our sophomore year, seconded by Johnnie Moore, with Helen Stearns as secretary and Doc Ashworth as treasurer.

The Pajama Parade and Rising Day resulted in victory for '32.

Now came forward some of our super-athletic members with the coveted

"M"—the varsity letter.

Soph. Hop, remember it? What a thrill, and the extreme importance of barring freshmen from any part of it.

The third year, with all its trials and tribulations!

Walt and Johnnie again president and vice-president, and Helen Stearns again secretary. "Pat" McCabe became treasurer and Jack Dickson, the chaplain.

Many of our women were elected to All Maine Women and we hold positions in every honor society on campus.

And now comes the next to highest spot in our career—Junior Week. Just watch us shine!

The Annual Track Club Cabaret is being given Saturday at 8 o'clock in Alumni Hall, and will be the final number on the Junior Week Program. Larry's Bears will furnish the music.

Frank Rufo will be leader of the Bears and general master of ceremonies. There will be several vaudeville acts in which Miss Natalie Anderson of Bangor, and Arden Mercier will take part. An impromptu act is to be given by the trombone player of the orchestra, Todd Gould.

Tickets are being sold for three dollars a table, and are on sale at the Bookstore.

## JUNIOR WEEK

With the present week being devoted to the interests of the Junior Class we feel that an issue of the *Campus* featuring the history and accomplishments of this class might not be inappropriate.

Junior Week, by tradition and by circumstance, is one of the high spots in the career of an undergraduate. Junior Prom, followed by the informal Track Club Cabaret, marks the climax of social activities for the year. Junior Chapel, the treasure hunt, and the privilege of not attending classes on that day all aid in giving to the Juniors a sense of pride in their class. To be thus honored for a week is a foretaste of the coming year, when this class will shortly be elevated to the topmost strata of college life, the Senior Class.

It is our aim and purpose in devoting this issue to the Junior Class to add somewhat to the occasion. To create in the minds of our readers a sense of the significance of the week, and to furnish the members of the class with a more or less permanent record is our hope.

At all events, we extend our sincere congratulations to the class of 1932, with best wishes for a successful Junior Week.

## Pepperd Speaks At Final Student Senate Meeting

### Administration Denies Request for Early Pledging Date for Freshmen

Nominations for the Washington Alumni Association Watch and address by Mr. Pepperd of the National Interfraternity Conference were the most important matters taken up at the final meeting of the combined Student Senate and Interfraternity Council for this year. Linwood "Lon" Chaney, Donald "Don" Marshall, Raymond "Raymo" White, and Eugene "Bud" Brooks are the four men who will be voted on by the three upper classes for the award of the Washington Alumni Association Watch. The voting will be held May 12, at the same time the elections to the Athletic Board are held, and presentation will be made during Commencement Week.

The matter of receiving lines at formal dances which had been discussed at previous meetings was again brought up, with the end in view of shortening the receiving line, and at the same time develop a satisfactory system whereby the invited guests who were not in the line would be entertained at the various fraternity booths. A suggestion was made that each fraternity should send an invitation to each invited guest to share the booth of that fraternity, but owing to the shorthorn of time before the Junior Prom, the matter was dropped, and it was decided to continue under the present system for the remainder of the year.

A letter from Mr. Gannett explaining the action of the board on the recent petition of the Interfraternity Council to have the date of pledging set ahead was read by President Moore. This petition was drawn up by former President Leo O'Neil following a vote of the Council favoring the pledging of freshmen shortly after the issuing of rank at the fall midsemesters. According to the letter, the Board of Administration, following a prolonged discussion, voted to deny the request, and to continue for another year the present February date. This decision was reached as a result of the fact that the Council has petitioned for, and received, each year a request for an earlier date, and it is felt by the board that more than one year should be allowed to give the present arrangement a fair trial.

Dean Corbett reminded the members that there is a ruling against keeping fraternity houses open during the summer, and requested that this matter be announced at the houses.

The final event was the address of Mr. Pepperd, who briefly sketched the history of fraternities, and described some of the activities and aims of the Interfraternity Conference.

There will be no classes on Saturday, May 16, the day of the State Track Meet.

## Methodist Episcopal Church

This Sunday will be observed as Mother's Day at the Methodist Episcopal Church. The pastor, Rev. Herman Berlew, will continue the sermon series "Jesus and a Religion of Good Sense." This Sunday's topic is "On Understanding Women." The anthem is by Meredith, "A Flower in our Hearts." Mr. Berlew will lead the Epworth League meeting in the vestry at 5:45, taking for the discussion topic "What can worship do for us?"

Fred Burk, U. of M. '33, will lead the Student Forum in a discussion of "The Quakers." This is the first of a series for May on the general subject "Christianity in Action." At the close of the Forum the new Wesley Foundation Student Council will be elected. All students are invited to be present. A social hour in charge of Mr. Berlew will be held at 6:30. A light luncheon will be served.

## Fellowship Church

Fellowship Church. Mother's Day Service. Sermon by Dr. Chas. M. Sharpe. "The Fellowship of the Home." Special music by the Junior Choir. Mrs. Henry T. Elmore, Soloist. Abenakis from 7 to 9 at "The Manse." Dr. Sharpe will give a brief program of original verse. All young people cordially invited.

## Feminine Form Triumphs Over Masculine Brawn In Epic Baseball Battle

From out the domains of the Intelligencia (university students), came a steady, stirring stream. All doors were open—books left behind. A scene of battle-tussling warriors for a real and mighty cause—co-eds against eds—the old conflict of man vs. woman. How about Hakin's idea of the masculine supreme! Women settled the mental score long ago—now for the test against masculine brawn!

There was zest and vim, and a surprising element of good will. Hearty shouts! throaty yells! It was a unique spectacle to see the Tri Deltas hitting home runs which the Phi Kappa Sigs caught in open mouths. Thus, last Thursday, the first interfraternity baseball game was played. The observers were unable to find seats on bleachers and were forced to camp around on the grass. News reporters and photographers were running around very much perturbed at the casualness of it all.

Through all the excitement the women, high-strung souls though they may be, kept their heads, scoring an ultimate victory of 6-5. A small margin to be sure, but believed by scientists to point toward a very definite conclusion of which poor man has had a sneaking, fearful suspicion for some little time.

Not only as a scientific discovery, but as an innovation of a new sport, is this of importance to the University. Rudy Vallee put the Stein Song on the map, now our local chapters of Delta Delta Delta and Phi Kappa Sigma have come to the fore with their altruistic principles—all for Maine!

## Class In Play Production Gives Comedy In Chapel

"A Mennonite Maid," a comedy in three acts, was presented in Alumni Hall Thursday evening, April 30, by the members of a play production class. The play was written by Helen R. Martin and Frank Howe, Jr.

The story of the play centers around Tillie and Walter Fairchilds, the young school teacher who boards at the home of Tillie's aunt. He falls in love with Tillie, and they are frequently together. This is contrary to Mennonite beliefs since he is not of her faith.

To complicate matters Doc Weaver has \$20,000 in his keeping for Tillie when she reaches the age of eighteen, provided that she is still in the faith at that time. "If she is put out of meeting," as the Mennonites say, the fortune is to go to the nephew of the woman who bequeathed it. The climax comes when Tillie is "put out of meeting," and her father is about to punish her for her misdeeds when Doc Weaver and Fairchilds enter. Fairchilds announces that he is the only nephew the woman ever had and that he and Tillie are going to keep the money in the family.

## Several New Features Appear In '32 Prism

The 1932 *Prism*, another important feature of Junior Week, will be out Thursday afternoon. The Juniors will receive theirs Friday in Alumni Hall and unordered copies may be bought at Alumni Thursday.

The new *Prism* is most attractive and is slightly larger than last year's volume. The cover design is in black and silver. The dedication is to James A. Gannett. There are several new features, among them a section devoted to campus views. Two pages have been given to each fraternity and sorority instead of one as before, thus allowing a short history of each and a cut of the house or an interesting snap-shot of members. The humor section is especially good.

The members of the 1932 *Prism* Board are Editor-in-chief, John T. Barry; Associate Editor, Linwood S. Elliott; Associate Editor, Francis G. Ricker; Literary Editor, Marjorie D. Stevens; Organizations Editor, Wheeler G. Merriam; Art, Rebecca T. Spencer; Humor Editor, Lawrence H. Huot; Athletics Editor, John T. Barry; Business Mgr., Peter J. Kuntz; Asst. Business Mgr., Herbert I. Trask; Faculty Adviser, Edward H. Kelley.

An addition is being built to the President's house. It is a one story building to be used as a reception room. The approximate dimensions are thirty by forty feet. The style of architecture is the same as that of the President's house. It is expected that the addition will be completed in time for Commencement.

## MAINE DEFEATED BY BATES WINS OVER COLBY, IN TENNIS MATCHES

In the first two tennis matches of the year Maine met defeat at the hands of Bates, but succeeded in winning over Colby. The margin of victory or defeat in both games was one match, the final score in both cases being 5 to 4. The feature of the matches so far has been the excellent playing of "Bud" Brumm, a freshman.

## Nominations Made For Two Alumni Watches

The annual election to determine the winners of the Washington Alumni Association Watch and the Victoria Weeks Hacker Watch will be held on May 12 at Alumni Hall from 9-12 and 1:30-5.

Watches are awarded at Commencement as a result of this ballot to the man and the woman of the senior class who in the opinion of the three upper classes have done the most for the University during their college course. Voting is limited to the Seniors, Juniors, and Sophomores and at least 50% of the students in these classes must vote in order to make the election valid. In case less than 50% vote the selection is made by the faculty.

The nominations of the Student Senate for the Washington Alumni Watch are as follows: Eugene Burgess Brooks, Linwood Goodwin Cheney, Donald Forbes Marshall, Raymond Earl White.

Those nominated for the Victoria Weeks Hacker Watch by the Women's Student Government are: Erma Patty Barton, Helen Wales Beasley, Mary Rich Carter, Eunice Emma Copeland, Kathryn Jean Keirstead, Grace Alice Lemoine, Goldie Modes, Hazel Jennie Parkhurst.

The elections for these watches will take place the same date as the Athletic Association election.

The new Y.W.C.A. cabinet held their second meeting Tuesday afternoon in the M.C.A. building. The various committees, chosen by the chairmen, were voted upon. These will be announced later.

The pale blue was able to garner but five first places to Dartmouth's ten.

Mank and Gunning turned in easy victories with the latter having a lead of over a hundred yards from his nearest opponent.

Captain Raymo White and Lovell Chase were the only Maine men to place in two events, the former winning the 100 yd. dash and taking a 3rd in the 220 yd. dash.

Curtis won the discus event easily and Jensen lost the javelin throw by a matter of inches.

The characters are remarkably contrasted and add much to the humor of events, ranging as they do all the way from the fat, dull-looking Mabel and the old maidish yet romantic-minded Myra, the two older daughters, to Sam Green, a red-faced little old man, and the Reverend Dr. Stump who is near-sighted and as deaf as a post. Jenny Bumpsted, the mother; Cyrus; Bill Clark, the grocer boy; Elaine, the prize of the family; Quinn, a big detective, and Chester Armstrong, the villain; as well as motivating the plot have their own characteristics which go a long way in making this farce the success that it is.

## Frosh Tracksters Swamp Deering High Saturday

### Favor High Scorer of Meet by Virtue of Six First Places

The big athletic weekend of two track meets and two ball games was started off right last Saturday morning when the 1934 track squad swamped Deering High with a score of 106½ points to 16½ for the visitors. Don Favor beat his own record for high scoring when he took six first places and one third for a total of 31 points. Phil Parsons picked up 13 points by taking both dash events and a third in the hammer throw. Ted Earle and Crosby finished first and second respectively ahead of Murphy of Deering who was the predicted winner. Earle appears to have the making of a great distance runner, principally from his smooth consistent stride and reserve strength. Wilcox was the high point man for the visitors, taking three first places and six thirds, tying with Maine men for two other thirds.

## STEPPING INTO A MODERN WORLD

## The long arm of the telephone operator ~ ~ ~ made longer

How to extend the operator's range five-fold? There's an example of the problems put up to a telephone engineer.

This was part of a study in stepping up the speed of service to distant points. "Long Distance" used to relay your call to one or more other operators. Now she herself reaches the city you are calling, 30 or 300 or 3000 miles away.

Result: in five years the average time needed to complete a long-distance connection has been cut from 7 minutes to less than 2 minutes.

In this industry even long approved methods are never considered beyond improvement. For men of the right aptitude, that viewpoint is a stimulating challenge.

## BASEBALL TEAM DEFEATS COLBY IN FIRST STATE SERIES VICTORY

Take Loosely Played Game by 14-12 Score. McCabe, Smith and Hallgren Star for Maine. Fifteen Errors Made During Game

Welcomed back home by a crowd that was surprisingly large in view of the chilling weather, Coach Brice's squad, still with the hangover of its previous defeats, came through Saturday afternoon in a loosely played game to take its first victory in the State Series from the Colby Mules, 14 to 12.

Maine getting off to a good start pounded three runs across the plate, but in the third the Bruin pitchers having a mania for a big parade played a tune while the Colby Warriors paraded around the bases to chalk up eight runs.

The Maine pitching staff had a weird experience, for after Perkins was relieved in the third, Romansky forced four runs across, and the disaster was not checked until Spurling came to the rescue. From this point until the eighth, Colby went hitless.

Hincks opened the Maine attack with a double to left after two strikes had been called on him. Shortly afterwards, after Smith had singled, McCabe drove a hit to Pearson who misjudged the hop, the ball rolling for three bases. McCabe scored on Kisonak's infield smash.

The third stanza spelled 'gloom' for the Maine Bears. Roberts of Colby dropped a Texas Leaguer in front of Hincks; Perkins passed 'Shorty' McNamara; and Hallgren, with a double play in view, booted Lovett's grounder to short. Perkins walked the next two batters for two runs, and Romansky went to the box for Maine. After a big parade of walks, Maine came out of the hole and Lewis took 'Shorty' McNamara's roller to start the first double play of the afternoon.

With Spurling beginning the fourth inning Maine settled down once more with the score of 8 to 3 against them. As a result of Colby's poor fielding, the fourth and fifth innings proved fruitful for Maine. The Bricemen scored five runs in these two innings to tie the score, the count now being 8 to 8. But the next inning counted five more for Maine, sewing up the game.

The heavy hitting of the afternoon was done by "Irish" McCabe and Ray Smith who collected four hits, McCabe's going for a home run. Swen Hallgren, short stop, made some nice plays during the game.

## YEARLING BASEBALL TEAM IS DEFEATED BY M.C.I.

After the varsity game Saturday afternoon, the Pale Blue Frosh bowed to the hard-hitting M.C.I. nine 14-6 on Alumni Field. Assaulting Coach Kenyon's entire pitching corps for twelve hits aided by seven passes and six Frosh errors, the Pittsfield boys took the lead in the third inning and were never headed.

Their scoring was climaxed by a big fifth inning in which they scored seven runs as the result of five hits and two passes. Coach Kenyon used seven pitchers in an effort to stop the onslaught, but Attridge and Topolosky alone were successful. The latter struck out four men and limited M.C.I. to one hit in the two innings which he worked.

Kimball, the visitors third baseman, was the heavy hitter of the day, with a homer and a double to his credit. The only redeeming feature of the Yearling's work was their batting. Milligan, the M.C.I. pitcher, gave a creditable performance on the mound keeping Maine's thirteen hits widely scattered.

The University of Maine placed fifth and sixth at the Waban Club archery meet, which was recently held. Since this meet was held a great deal more enthusiasm is being shown for the National Archery Meet, which will be held May 23-27.

Track events have been introduced again for girls. Much enthusiasm has been shown for the low hurdles, dashes, weights and javelin. Later a track meet will be staged between the various team groups.

## Maine Swamps Bowdoin In Fast Baseball Game

Behind the expert mound display of Al Perkins, who retired 14 men and allowed only 14 runs in nine innings, the Maine diamond crew smashed their way to a 12-2 win over Bowdoin Wednesday afternoon on Alumni Field.

The Maine batsmen found Shute's offerings easily, and pounded out a total of fourteen hits including two home runs, by Ray Smith and Clark Abbott, and triples by Perkins and Swen Hallgren. Shute was the only member of the Bowdoin aggregation who was able to turn a hit into a run.

Ricker, Bowdoin's center field guard, totalled 8 put-outs for the afternoon, and Rose pulled in a long fly from Lewis' bat in the last of the eighth. Ray Smith scored a

freak double play, putting Dwyer, who had hit a grounder to Hallgren out on first, and then running over toward third to put Whittier out when he left second while Ricker held third.
