## TRUSTEES CHOOSE STEVENS HALL AS NAME OF BUILDING

### Order Receiving of Bids for Construction of New Wings for A. S.

President H. S. Boardman, of the University of Maine, announced today the approval of the Board of Trustees of the exterior plans for the two proposed wings for the Arts and Sciences building and the changing of the name from Arts and Sciences to Stevens Hall in honor of Dean J. S. Stevens who recently resigned after serving as head of the Arts college for twenty-seven years.

The Board also ordered the receiving of bids for the construction of the proposed wings and if the bids come within the financial ability of the University the bid will be let and the actual work of construction will start as soon as possible thereafter.

The two wings, if built, will house the departments of economics, psychology, school of education, department of Spanish and Italian, and the music department. This will relieve the congestion in the present building and will allow practically all of the work of the college with the exception of the pure sciences to be housed under one roof.

## \$3000 Fire at Home Of Prof. Ashworth

### Early Morning Blaze Guts Woodshed, Garage, and Much of House. Second Fire of Day

A fire of unknown origin broke out early last Monday morning in the home of Professor John Ashworth at 88 North Main Street, causing approximately \$3000 damage.

The fire started between the woodshed adjoining the house and the garage, and spread to the garage and house. The flames gutted the garage, woodshed, two bedrooms on the second floor, and partially destroyed the dining room. Two front rooms were damaged by water. The fire was discovered by Bruce Ashworth, son of the professor, in time to take one of the cars from the burning garage.

The members of the family were sleeping at the time and were aroused by Bruce. The Orono fire department was immediately called and responded in time to get the fire under control before it could cause greater damage.

There had been a smaller fire in the afternoon in the woodshed, and a careful watch was being kept for a further outbreak, but the fire starting between the garage and the shed came as a surprise.

## Many Couples Dance Light Fantastic at Junior Prom

As was predicted, Junior Prom, held in Alumni gymnasium last Friday evening, proved to be a most laudable affair. About 180 couples attended and the decorations of pink and gray crepe paper, arranged in such a way that not a portion of wall or ceiling was discernible, were a source of admiration to a good many present.

President and Mrs. H. S. Boardman, Mr. and Mrs. F. S. Youngs, Dean and Mrs. O. S. Lutes, and Samuel Calderwood, class president, formed the receiving line, and Prof. Harry D. Watson, Prof. Maynard F. Jordan, and Mr. and Mrs. E. H. Kelley chaperoned. Music for the evening was furnished by Perley Reynold's orchestra. The committee in charge was composed of Monroe Roman-sky, chairman, Margaret L. Davis, Bryce H. Jose, Charles E. Bunker, and Alfred N. McMichael.

## Middlebury Debaters Win Over Maine Team

The Maine debating team lost a 2 to 1 decision to Middlebury College on Tuesday evening in Chapel. A. H. Boothby and Max Rapaport were upholding the affirmative for Maine of the question: Resolved: that Congress should enact legislation providing for the centralized control of industry. The negative team from Middlebury consisted of Frederick Brink and Reamer Kleine. The judges were: Mr. Albert Averill, Old Town; Mr. Herbert Prescott, Bangor; Mr. Charles Smith, Principal of Orono High School. James Moreland presided. This was the last debate of the season for Maine.

## HAS 30 YRS. SERVICE

DR. CAROLINE COLVIN

## DR. COLVIN RESIGNS HER PROFESSORSHIP

### Ends Thirty Years Service In History Department; Was Dean of Women

The retirement of Miss Caroline Colvin, head of the department of history and government at the University of Maine, was announced Friday by President H. S. Boardman.

Miss Colvin has been a familiar and influential figure in the life of the University for thirty years and her retirement from active teaching will deprive future students of her instruction and influence for good.

Dr. Colvin is a native of Indiana and (Continued on Page Three)

## MARJ MOULTON HEADS W.A.A. FOR NEXT YEAR

### Shirley Young Elected Vice-President and Frances Johnson Secretary in Elections

The results of the Women's Athletic Association elections for the coming year are:

President, Marjorie Moulton; Vice-president, Shirley Young; Secretary, Frances Johnson; senior representative, Jane Barry; manager hockey, Elizabeth Davis; manager basketball, Phyllis Webster; manager volley ball, Eleanor West; manager baseball, Josephine Muttly; manager track, Miriam Hannaburgh; manager archery, Elizabeth Hilliker; manager tennis, Eloise Young; assistant manager basketball, Helen Williams, Allegra Ingerson; assistant managers hockey, Dorothy Moynihan, Drusilla Roderick; manager winter sports, Phyllis Johnson.

Class leaders for next year are: Senior, "Betty" Barrows; Junior, Dorothy Moynihan; Sophomore, Edna Ross; athletic leader for Freshmen, Marian Dickson.

## Maine Racquetters Win Over Colby But Lose to Bates in Opening Meets

The Maine netmen overcame Colby Monday afternoon by a 5-4 margin in Maine's second match of the season. It was a close affair, four of the individual matches ending in three sets. Colby started with a rush, winning the first three singles. Pressey then stopped his man while Maine finished with wins in the rest of the singles. Two out of the three doubles for Maine gave her the victory.

The summary:  
Smith (C) defeated Ashworth (M), 6-4, 1-6, 6-0.  
Taylor (C) defeated Robbins (M), 6-1, 6-1.  
Perrier (C) defeated Bradbury (M), 6-3, 1-6, 6-3.  
Pressey (M) defeated Diegle (C), 6-1, 3-6, 6-1.  
Frost (M) defeated Tyson (C), 6-1, 2-6, 6-4.  
Morrison (M) defeated McCracken (C), 6-4, 6-4.  
Currier and Taylor (C) defeated Ashworth and Robbins (M), 6-3, 8-6.  
Bradbury and Frost (M) defeated Smith and Tyson (C), 6-4, 8-6.  
Pressey and Morrison (M) defeated Diegle and Silveira (C), 6-3, 6-4.

## SOCIETY COMPARED WITH BEES IN HIVE BY PRES. JOHNSON

### Winners of Scholarships Are Announced at Honor Day Chapel

Scholarship Day was observed with a special Chapel Monday at which President Johnson of Colby College was the speaker.

President Johnson pictured the contrast between a society functioning by instinct, typified by the bee, and a society functioning by intelligence, typified by human beings. He described the life of bees, telling how each played his part efficiently, and then spoke of our society with its overproduction, depression, and international troubles. He commented on the unpleasant comparison this produced.

This, then, is the function of education and the challenge to the universities of today, concluded President Johnson: to use our intelligence to develop the art of living together in harmony.

The following scholarships and prizes were awarded following the address:

The five Trustee scholarships were awarded to Arthur A. Brown, '33, the scholarship at large; Clark L. Abbott, '33, for the College of Arts and Sciences; Charles D. Brown, '33, for the College of Technology; Mildred C. Brown, '33, for the School of Education; and Clifton N. Walker, '33, for the College of Agriculture.

Laurie B. Stevens, '33, was awarded the William Emery Parker Scholarship; Malcolm G. Long, '32, Hollis Littlefield Leland, '33, and Kent F. Bradbury, '34, the three Hovey Memorial Scholarships; Ruth Isabell Callaghan, '33, and Martha I. Tuomi, '34, the Woman's Student Government Scholarships; Olive Louise Whiting, '33, the Phi Mu Scholarship; John Bradley Cotter, '33, the Pittsburgh Alumni Scholarship; Robert Lincoln Clifford, '33, the Stanley Plummer Scholarship; and Fern Elizabeth Allen, '34, the Elizabeth Abbott Balentine Scholarship.

The number one New York Alumni Scholarship was divided between Eva Myrtle Bisbee, '34, and Max Rapaport, '35. Hollis L. Leland '33 was awarded the number two New York Alumni Scholarship; Wayne S. Rich, '34, the Walter Balentine Prize in Biological Chemistry, and Arthur Brooks Otis, '35, the Class of 1905 Scholarship.

The Phi Sigma Scholarship was awarded to Abraham E. Rosen, '34; Eva M. Bisbee, '34, was awarded the Chi Omega Sociology Scholarship; Abraham Rosen, '34, the Sigma Mu Sigma award; Carl H. Bottum, '35, the Henry L. Griffin Prize in English; Kathryn S. Giddings, '32, the Greek Culture Prize; Linwood J. Bowen, '32, the Kappa Psi Music Prize; Deering High School, the Freshman Scholarship Cup; Margaret E. Avery, the Spanish Club Prize.

The three Trustee Graduate Fellowships were awarded to the following: Charles M. Getchell, '30, in English; Thomas H. Baldwin, '32, in economics; and John H. Mowat, '32, in Chemistry.

Two Trustee Graduate Scholarships were also awarded to Miss Margaret Fowles, '32, in history, and Oscar M. Thompson, '32, in Chemical Engineering.

The Maine tennis team met defeat in an encounter with Bates last Saturday, losing by the score of 6-3. The Maine men made a good showing in spite of the fact that they had had but little practice. Nine matches were played, six singles, and three doubles. The summary:

Jacobs (Bates) defeated Mayers (M), 6-1, 6-3.  
Antine (B) defeated Ashworth (M), 6-0, 6-1.  
Pressey (M) defeated Lightman (B), 6-4, 6-4.  
Bradbury (M) defeated Carter (B), 8-6, 6-2.  
Frost (M) defeated Greenleaf (B), 6-4, 8-6.  
Wood (B) defeated Pendell (M), 6-2, 6-3.  
Jacobs and Antine (B) defeated Pressey and Mayers (M), 6-0, 6-4.  
Greenleaf and Wood (B) defeated Ashworth and Frost (M), 6-3, 7-5.  
Lightman and Carter (B) defeated Robbins and Bradbury (M), 6-3, 6-4.

Professor Maurice D. Jones is visiting high schools this week in Somerset, Oxford, and Cumberland Counties.

## Masque Pledges Seven And Names Twelve New Members Between Acts

Between the acts of the Masque play on Thursday night, the following pledges to the Masque were announced by the president, John Barry:

Harold J. Barrett, George S. Wesley N. Wasgatt, Wilbur J. Frost, Arlene Merrill, Katherine J. and John Willey.

Twelve associate members were named as follows: Virginia Young, Melba Gifford, James McLean, Darrell Brown, Elizabeth Lynch, Richard Wooster, Carl Bottum, Ellston Ingalls, Helen Gilman, John Farnsworth, Charlotte LaChance, and Kenneth Foster.

## HALLGREN ELECTED PRESIDENT OF A.A.

### Calderwood Is Chosen Senior Marshal in Recent Vote For Class Parts

Voters at the elections on Tuesday decided that Swen Hallgren, Don Favor, and Kenneth Black should head the Athletic Association next year. At the same time the seniors voted on men and women for the senior class parts. The results of the elections, with the exception of the ballot for managers and assistant managers which has not been announced yet, are as follows:

Senior Class Parts: Senior Marshal, Sam Calderwood; Historian, John Moore; Orator, John Barry; Valedictorian, Malcolm Long; Curator, Walter Riley; Chaplain, John Dickson; Presenters of Gifts, Sylvia Hickson and Robert Shean; Prophets, Helen Stearns and Wheeler Merriam; Poet, Clarine Coffin; Junior Marshal, Don Favor.

Athletic Association: president, Swen Hallgren; vice-president, Don Favor; senior class representative, John Wilson; secretary, Kenneth Black; senior cheerleader, John McCarthy.

## TWO PROMINENT GRADS TO SPEAK ALUMNI DAY

### Joanna Colcord, Social Worker, and Carl Dennett, Business Executive, Are Banquet Speakers

Carl P. Dennett, a member of the University Law School in 1902, and Joanna C. Colcord, a graduate of the University in the class of 1906, will be speakers at the annual alumni banquet, to be held in Alumni Hall Saturday, June 11, the evening of Alumni Day, according to announcement of Arthur L. Deering, president of the General Alumni Association.

Carl P. Dennett, prominent business executive of Boston, and a native of Bangor has been engaged in many business enterprises. He is also vice-president and director of the Boston Chamber of Commerce. In 1910 he went with the Griffin Wheel Company of Boston, reorganized the company, and became vice-president in charge of finances. In 1914 he took over the active management of the company and has been engaged in that capacity ever since.

During the world war Mr. Dennett was Deputy Commissioner to Switzerland for the American Red Cross, having charge of American Prisoners of War in German prison camps. From his experiences during this time he later compiled a book entitled, "Prisoners of the Great War."

Miss Joanna C. Colcord, who will represent the University alumnae at the Alumni Banquet, is internationally known as a social worker. She is now head of the Charity Organization Department of the Russell Sage Foundation in New York City. Her life has been an active one. Born on the high seas, Miss Colcord received most of her education while traveling. She spent four years at the University as a chemistry major, graduating in 1906 with honors. While at college she was a member of Alpha Omicron Pi Sorority, Phi Kappa Phi, and Phi Beta Kappa.

The annual banquet at which Mr. Dennett and Miss Colcord will speak will be the culmination of a day-long program, when alumni from all over the United States will return to their Alma Mater for a day of renewing old acquaintances, taking part in a varied program of events, and visiting once more the scenes of their college days.

Harry Helfand, '35, Milford, Mass., has recently become a pledge member of Tau Epsilon Phi Fraternity.

## SKULLS TAP 9 JUNIORS AS PLEDGES IN SOCIETY AFTER ANNUAL CHAPEL

### Honorary Colonel Scott Reviews Her Battalion

MARY ELLEN SCOTT, elected honorary lieutenant-colonel last fall, who reviewed the local R.O.T.C. battalion last Saturday morning.

## Eleven Soph Eagles Pledged at Banquet

### Freshmen Elected to Neai Mather- tai Are Also Announced. Eight Speakers on Program

At the sixth annual banquet of the sophomore and freshman women, held in Balentine Hall Wednesday evening the names of the Eagle pledges were announced by Alice Dyer, president of the Sophomore Eagles. The newly elected Eagles, chosen for character, dependability, activities, scholarship, and leadership, are: Jane Chase, Agnes Crowley, Ruth Harding, Phyllis Johnson, Frances Johnson, Ruth Libby, Annie MacClellan, Ella Rowe, Alice Somnichsen, Jean Walker, and Betty Wilhelm.

At the same time, the ten highest ranking freshman girls were pledged to Neai Mather-tai by Shirley Young, present Eagle and president of Neai Mather-tai. The pledges are: Margaret Avery, Edith Stevens, Ruth Harding, Emily Pickering, Colleen MacDonald, Doris Lawrence, Florence Kaminsky, Ruth Libby, Lee Blackington, and Hope Whitman.

Alice Dyer, acting as toastmistress, introduced the speakers. The speakers and their topics were: "Freshmen," Ruth Harding; "Recorded Eyrie," Margaret Churchill; "Every Age," Miss Edith Wilson; "Starry Glances," Eugenie Austin; "Hours Lived," Margaret Burrill; "Much Effort," Marion Dickson; "Eagle Security," Dean Elizabeth Foster; "Neai Mather-tai," Shirley Young.

The guests at the banquet were: Mrs. Walenta, Mrs. Sullivan, Mrs. Merrill, Miss Celestia Stiles, Miss Helen Lengyel, and Miss Marion Rogers.

## Co-ed Representatives Are Needed for Maqua

More women are needed to represent Maine at Camp Maqua. Those who are interested should see "Stubby" Burrill, at Balentine, or Edith Wilson, at the M.C.A. Some who are planning to go this summer are: Blanche Henry, "Stubby" Burrill, Ethne Worcester, and Charlotte Quimby.

To those who have been to Maqua, come memories of hikes, of lively discussion groups, of camp fires at sunset, and of wholesome friendships. All of these, and more, are found at Camp Maqua.

This camp, which is located on a lake at Poland, Maine, is held every year for college women. Leaders come from all over the country to discuss questions in which the college students are interested. Besides these discussions, there are many interest groups, which include art, poetry, handicraft, music, books, and many other interests. Sports are also an important part of camp life.

This year camp will be held from June 18 to June 25. The registration fee is \$8.00, and should be sent not later than June first to Conference Department, 600 Lexington Ave., New York City, New York. Room and board is \$17.50. A few girls will be given the chance to wait on tables. Their expenses will be only \$17.50.

## New Skulls Are All Men Outstanding in Athletics

They tap trees to get the sap, but tapping to get the non-sap was the work of the present Senior Skulls after Junior Chapel last Friday when they tapped nine juniors for membership in their organization. Eager to know who the new Skulls were to be, a large crowd gathered around the entrance to Alumni Hall immediately after the close of the chapel program.

The new members of the Senior Skulls are:

Monroe Romansky, who has distinguished himself scholastically as well as athletically. "Mun" is a star backfield man on the football team and a regular pitcher on the varsity nine. He was a member of the Class of '33 Freshman basketball team. Last year he wore the "spot" as a Sophomore Owl, and he is a member of Der Deutscher Verein, Phi Sigma, the Mid-Winter Ball Committee, and was chairman of the Junior Prom Committee.

Freeman George Webb took Maine's only points in the New England last year and is the state champion in the pole vault. He is treasurer of the Track Club.

Herbert Webster Lewis has made himself famous on the football and baseball teams for the past three years, and has just finished a term in the Student Senate. He was treasurer of the Sophomore Owls.

Swen Eugene Hallgren captained the Freshman basketball team and was elected vice-president of the class in his Freshman year. He is the so-called "grease-spot" that stops those hard grounders between second and third and has a reputation for "getting his man." He is president of the Athletic Association and is a member of the Forestry Club.

John Fobes Wilson, president of the Student Senate, won four sets of numerals in his Freshman year and has been a member of the football and baseball teams ever since. He was chaplain of the Junior Class this year and is a member of Tau Beta Pi. He served in the business department of the Prism Board this year, is a member of the Intramural Athletic Association, and was a Sophomore Owl.

Samuel Henry Calderwood, master politician, has been president of the Class of '33 ever since he arrived here. He is a big man in the line of the football team, was a Sophomore Owl, and his scholastic record is evidenced by his membership in Sigma Mu Sigma, honorary psychology society.

Harry Edward Booth, ten second man (Continued on Page Three)

## Commencement To Be Held June 13, Class Day June 10

Plans being laid for the week-end of Commencement are many and varied, and include a series of events that should prove of much interest to seniors and underclassmen who stay on the campus after final exams.

Class Day exercises will take place on Friday, June 10. Saturday, June 11, will witness the return of many alumni to the University on what has come to be known as Alumni Day. Sunday, June 12, the Baccalaureate services will be held in the oval, north of Coburn Hall. Commencement this year is to be held on Monday, June 13, also in the oval, weather permitting. In case of rain, the services on Sunday will be held in the chapel, and the commencement exercises will be held in the Indoor Field.

Further plans for the week-end of Commencement will appear in the Campus during the next few weeks.

## Speaking Contest for Secondary Schools Fri.

The annual University of Maine Prize Speaking Contests of 1932 for secondary schools will be held on Friday of this week. The competition is separated into four divisions, declamation, extemporaneous speaking, humorous reading, and serious reading. Prizes of \$10 and \$3 for first and second places respectively are offered in each division. The preliminary contests will be held at 2.30 P.M. Friday afternoon in the following places: Declamation—275 Arts & Sciences; Extemporaneous Speaking—300 Arts & Sciences; Humorous Reading—365 Arts & Sciences; Serious Reading—205 Arts & Sciences.

## CONGRATULATIONS

The babe of journalism at the University of Maine, *The Maine Review*, appeared on the campus simultaneously with his older brother, *The Prism*, last week. Both books deserve praise. Worthy of the support of the entire University because it fills a place formerly unfortunately vacant, the *Review* is a well balanced, well arranged, and well written organ of expression. Financial conditions, unfortunately, made it impossible for the newcomer to include art work of any kind in its first issue but we hope to see some drawings or wood cuts done by students in future issues.

The *Prism* has blossomed forth with several new features. Colored pictures of campus scenes are a good innovation, but the staff of the annual brought their book up to date by abolishing the high-schoolish personal write-ups used in former issues of the book. While these write-ups may have been a solace to some, they told the truth only when they could praise the individual, and they rarely said anything original. The list of activities used this year tells the story more completely than a flowery paragraph written by a friend.

So the *Campus* congratulates the staffs of both the new journals upon excelling their predecessors and hopes that coming issues will be even better than the present.

## ABOUT THIS TRACK CLUB

Is the Track Club doomed to oblivion now after nearly fifteen years of active service to the students and the University? Unless more interest is shown in it

at the meeting to be held at Phi Gamma Delta Wednesday night, it is.

With stimulation of interest in track as its major purpose, the Track Club was organized here about fifteen years ago. It was in the belief that many of the greatest possibilities in track men do not know their ability and thus never become the athletes they might, that the club was started. It intended to keep track activities in the foreground, so that those who came to college not knowing that they had the ability to develop into good track men would go out for the sport. The success of the club in this field has been marked in the past five or six years when Maine has turned out several national champions.

Another service of the Track Club is the Track Club Scholarship. The club holds a cabaret each year the proceeds of which are used for a scholarship. This money has helped several men to stay in college who would otherwise have had to leave.

We are awaiting the outcome of next week's meeting to see whether or not the students still think the Track Club can be of assistance to them and to the University.

The trustees of the University are to be congratulated on their choice of "Stevens Hall" as a name for the new Arts & Sciences Building. What could be more appropriate than to name a building after the man who made what that building houses an institution of permanence and value?

## CORRESPONDENCE

(The correspondence columns of *The Campus* are open to the public on pertinent subjects, and letters are welcomed. All letters should be signed with the author's real name, but a pen name will be used in publication of the letter if desired. The ideas stated in these columns are not necessarily those of *The Campus* and should not be so considered. The editor reserves the right to withhold any letter or a part of any letter.)

To the Editor of the *Campus*

Dear Sir:

"We are all in our places with sunshiny faces," oh yeah! "We're here because we're here" at the Armory. We are noticing, as we pass by, what a lovely green lawn there is this spring between the Alumni building and Lord Hall. We are very much interested in all the attractive wire fences with their little red rags, and also the posts with their ropes indicating what shall be the children's playground. If our tennis ball has gone over one of these little fences, and "they" have even roped off the tennis courts, we must take "track" a while.

We also notice how careful our fond patrons are that we do not park in the wrong place. "They" have commissioned the cop to patrol any inviting parking areas, while "up north" various thefts go on which include even spare tires. (One does not have to hunt very hard to find "ha-hahs" on the American police. While they are hunting for petty troubles, real ones are going on right behind their backs.) Of course, my dear readers, I don't wish you to breathe a word of these thefts at the University as it is not considered etiquette these days to expose crime. Authorities are being very inactive concerning it and we must follow their example by not allowing ourselves to become disturbed over mere trifles like thefts.

"Lizzie"

## NOTICE

Students and University of Maine faculty members and their wives and friends who are interested in hearing the address, "The Engineering Outlook," which President Karl T. Compton of Massachusetts Institute of Technology, is to give at the dinner-meeting of the Maine Association of Engineers at 6.30 P.M. at the Bangor House, Bangor, on May 21, may do so by immediately making dinner reservations with Dean Paul Cloke, Wingate Hall. Dinner will be \$1.50 per person.

## HIGGINS TEAM DEFEATS FRESHMAN NINE, 10-6

Although superior to their opponents in hitting, Coach Kenyon's charges were outdone by the Higgins baseball team, 10-6, in a game played here on Wednesday. The visitors featured in the second, when, with bases full, Brown hit a home run. Higgins scored nine runs in this inning.

Bob Higgins started on the mound for the Frosh with Walton behind the plate. In the second inning, Walker, McCann, and finally, Hoyt, who pitched the remainder of the game in good form, were placed in the box.

MacBride and Walton featured for the yearlings with a two and three base hit, respectively.

The freshman baseball team will play the Hebron nine here on Tuesday, May 17.

Several people about the campus have expressed a desire of having a male glee club at Maine. If all those are interested will let it be known now, it will be very easy to get things started next fall. If everyone interested will give his name to one of the following people it will be appreciated.

Charles Buck at 404 H.H.H.; K. G. Ames at the Phi Mu Delta House; V. L. Hodgkin at the Greenhouse; N. K. Smith at 107 Oak Hall; Kenrick Sparrow at 34 Pine St.; Arne Menton at 100 Mill St.

Mr. J. C. Twinem, accompanied by Carlton F. Wiswell, Lawrence F. Decker, and Kenneth S. Cleaves, spent the weekend of May 6-8 on a joint field trip to Bar Harbor with 27 students from Colby College, under the direction of Dr. E. H. Perkins. The time was spent in studying the geology of the area.

Miss Henrietta Tomson, a member of the National Student Council of Y.W.C.A., will be on campus from Saturday until Wednesday. She will be a speaker at the M.C.A. retreat at Orrington Saturday.

The fall meeting of the New England Section of the Society for the Promotion of Engineering Education will be held at the University of Maine on Saturday, October 8.

## NOTICE

There will be another order of senior comes sent this week. Anyone wishing to order one, get in touch with Lovell Chase, Kappa Sigma House.

## Spurling Hurls Four Hit Win Over Bates

Holding Bates to four hits, Leon Spurling pitched Maine to a 4-2 victory over the bobcat at Alumni Field Friday afternoon as his mates garnered sixteen hits off the deliveries of the two Bates' hurlers. Smith and Abbott led the attack for Maine with three hits apiece.

Winning pitcher—Spurling. Losing pitcher—Bugbee. Umpires—J. Libby and K. Neptune. Time—2 hours.

## Tennis Tournament Is Well Under Way

The open Tennis Tournament for the Curtis Cup has advanced to the fourth round. Of the 68 entrants, the following are now in the lead: Pressy, Lampropoulos, Pendell, Marsh, Wadleigh, and Bradbury.

The semi-finals and the finals should be reached next week, when the outstanding net-men on the campus will be seen in action. The recent victory over Colby and the great fight against the veteran Bates team has revealed unexpected tennis strength here.

Coach Small announces that tournament players will have the right of way on all University courts, and should play off matches at once. Those men who fail to play off matches now, or who lose by default, will be taken off the P. T. excused list.

A second tournament will be held soon for those players who failed to qualify for the varsity tennis squad. The draw will be made by Saturday, May 14, and will lead to the selection of the J. V. Team. Wassookeag is to be the first opponent.

Members of the Tennis Club are warned that failure to pay dues to Secretary L. O. Mayers (Lambda Chi House) will result in removal from membership and from the tennis list.

The last chapel exercises of the semester were held in Alumni Chapel last Monday morning. Due to the illness of Neil Calderwood, he and Pat Loane, popular xylophone player on the campus, will be unable to play at the assembly that was scheduled for next Monday.

The spring outing and hot dog roast of the College 4-H Club will be held at the Ledges in back of the Sigma Phi Sigma house on Tuesday evening, May 17. Members are urged to meet in front of Winslow Hall at 5 P.M. and to bring a dipper.

## The Maine Snoopus

Let's go native—it's being done as you no doubt have observed, by the best of 'em. Running around minus this and minus that—naked legs of all shapes and sizes, big, little, and calves that only a cow could love! Lobster-colored noses and blistered backs—and friendly backslappers!! Something's got to be done about that shameless back-to-nature cult on Balentine roof or the surveyors won't be making the grade.... Just as we were getting used to these baldy-

bristly haircuts along comes Stan Protas with *that thing!* Did you ever see anything like it? Phi Kap special—15¢ this week only—very advanced summer mode!....Speed Sherman and his harem may be seen out sunning themselves any fair afternoon on the front steps of the Maples. Aren't they beauties, wot? We don't see why he doesn't take up permanent abode there. ....Mel Means the Great has parked his pin—who'd a thunk it of that one? Even the hard-boiled come to it. My G-a-w-d, Effie!....Dot Blair has escaped to Middlebury with sixteen dresses, eleven hats, nine pairs of shoes, etc., etc., etc., belonging to various co-eds from various dorms. She's going to sweep those Green Mountain men right off their feet!....Cushing, Moulton and Burrill, three courageous souls broke the ice in the Stillwater last Tues. and went in bathing in their undies.....and speaking of "an ounce of clothing," these gals just squeezed the water out of said undies.....and tucked it into their tin dippers and brang it home like that!....We wonder if the Kappa Sigma chief ever wonders where all those doughnuts go?....Coupla sissies, Merriam and Gavin—they stood up a pair of co-eds who invited them over to the dorm to dinner—didn't *dare* go!....A hard-working feller is Bob Zot; he spends all his spare time hauling away the Phi Kap dump on his truck—and it keeps him pretty busy too, with all those bottles 'n' things!....'Tis said that Mac MacGregor is about to hang Shean's pin—that's a new one around here but a good idea at that—if she loses it you know.....Gracious me, looks like Lt. Col. Scott has a nautical affect on Lt. Alley. Did you see him drop his sord last Saturday?....And while we were all worrying about the outcome of the Colby game wotid the Theta Tshi's do but give a tea in the cellar. Henry McCusker poured, and it was held in the coal bin....Gosh all hemlock these forest fires! Why only last Sunday the sikoligy department was the cause of one. One prof dropped a match while taking off his hat. Field caught the blaze, and there was a brush fire....That little boy with the big Buick who is known as Shenji Resnick seems to be immune from sneezing for he goes to Orono every night to get pepper.... Well, don't get pinched while smiling at motorists headed for Lewiston this week-end. Bumping is against the law, you know.

A picnic by the combined M.C.A. Cab-inets was held at Piney Knoll Monday evening. A discussion, under the leadership of Clarine Coffin, concerning missionary work took place.

Dean Paul Cloke of the College of Technology, is to give the Commencement address at Dennyville High School on Thursday, June 2. The address is entitled "Engineering as a Profession."

# DO YOU INHALE?

Why are other cigarettes silent on this vital question?

Do you inhale? Seven out of ten people *know* they do. The other three inhale without realizing it. Every smoker breathes in some part of the smoke he or she draws out of a cigarette.

Do you inhale? Lucky Strike *has* dared to raise this vital question . . . because certain impurities concealed in even the finest, mildest tobacco leaves are removed by Luckies' famous purifying process. Luckies created that process. Only Luckies have it!

Do you inhale? Remember—more than 20,000 physicians, after Luckies had been furnished them for tests, basing *their opinions on their smoking experience*, stated that Luckies are less irritating to the throat than other cigarettes.

Do you inhale? Of course you do! So be careful. Safeguard your delicate membranes!

## THE MAINE CAMPUS

## Maine Trazes Bowdoin, 12-2, For Second Time This Year as Bagley Yields Four Hits

## COLBY TAKES 3-2 GAME GIVING THEM SERIES ADVANTAGE

Besides pitching masterful ball, George Foster, Colby freshman, singled in the sixth inning with a man on second base to send home the winning run as Colby defeated Maine 3-2 at Alumni field on Saturday afternoon. The victory gave the Colby nules undisputed possession of first place in the state series championship and sent the Bricemen into second place. Romanusky pitched a steady game for the pale blue and allowed six hits, but it was the failure of his mates to solve the slants of Foster that clinched the game for the visitors.

Umpires, McDonough and Gibson. Time 2:27.

Nine members of the Track Club decided at a meeting held Tuesday night at the Phi Gamma Delta house that a meeting of the club will be held at the same place on Wednesday night of next week with all the Track Club members and the fraternity presidents present. A committee consisting of Arthur Hoyt and Lewis Hardison was appointed to make nominations for officers of the club for next year.

Richard Buckley '34 has returned to classes after a successful eye operation.

## Frosh Tracksters Trim Combination

The freshman track team again showed its superiority on May 7, when it defeated the combined track teams from Lee Academy, Orono, Old Town, and Brewer 80 to 46. Year of Old Town was high-point man with two firsts and a second, while Black and Roberts of the Frosh tied for second place with two firsts each.

The Frosh will meet the Maine Classical Institute and Colburn Classical on Thursday, May 12.

The summary:  
One mile run: Black, Maine, first; Osgood, Lee, second; Mayhew, Old Town, third; time, 4 minutes 36 seconds.  
440 yard dash: Cole, Maine, first; McGinley, Maine, second; Littlefield, Maine, third; time, 53 1-5 seconds.  
160 yard dash: Year, Old Town, first; Higgins, Maine, second; Mullaney, Maine, third; time, 10 4-5 seconds.  
120 yard high hurdles: Tarbell, Maine, first; Goldard, Maine, second; Hussey, Old Town, third; time, 21 seconds.  
880 yard run: Black, Maine, first; Osgood, Lee, second; Wisheart, Maine, third; time, 2 minutes 4 3-5 seconds.  
220 yard dash: Year, Old Town, first; Mullaney, Maine, second; Higgins, Maine, third; time, 23 2-5 seconds.  
220 yard low hurdles: Goldard, Maine, first; Cost, Old Town, second; Stevens, Maine, third; time, 28 1-5 seconds.  
Javelin: Haley, Old Town, first; Hammer, Maine, second; Spinnay, Old Town, third; distance, 168 feet.  
Tomman, Maine, second; Noble, Lee, third; distance, 132 feet 7 inches.  
Pole vault: Urbanik, Maine, first; Oakes and Havey, Old Town, tie for second; height, 11 feet 3 inches.  
High jump: Sleeper, Maine, first; Laikin, Maine, second; Haley, Old Town, third; height, 5 feet 10 inches.  
Shot put: Roberts, Maine, first; Nelson, Old Town, second; Haley, Old Town, third; distance, 45 feet 6 inches.  
Discus: Roberts, Maine, first; Jordan, Maine, second; Noble, Lee, third; distance, 108 feet 5 inches.  
Broad jump: Gaffney, Maine, first; Year, Old Town, second; Flagg, Maine, third; distance, 19 feet 11 inches.

## CONGRATULATIONS

The babe of journalism at the city of Maine, *The Maine Review*, peared on the campus simultaneously his older brother, *The Prism*, last Both books deserve praise. With the support of the entire University cause it fills a place formerly un nately vacant, the *Review* is a we anced, well arranged, and well v organ of expression. Financial conc unfortunately, made it impossible f newcomer to include art work of an, in its first issue but we hope to see drawings or wood cuts done by st in future issues.

The *Prism* has blossomed forth several new features. Colored pictu campus scenes are a good innovator the staff of the annual brought the up to date by abolishing the high-se ish personal write-ups used in forme sues of the book. While these writ may have been a solace to some, they the truth only when they could praise individual, and they rarely said anyt original. The list of activities used year tells the story more completely a flowery paragraph written by a frie

So the *Campus* congratulates the st of both the new journals upon excel their predecessors and hopes that con issues will be even better than the pres

## ABOUT THIS TRACK CLUB

## CORRESPONDENCE

(The correspondence columns of *The Campus* are open to the public on pertinent subjects, and letters are welcomed. All letters should be signed with the author's real name, but a pen name will be used in publication of the letter if desired. The ideas stated in these columns are not necessarily those of *The Campus* and should not be so considered. The editor reserves the right to withhold any letter or a part of any letter.)

To the Editor of the *Campus*  
Dear Sir:

"We are all in our places with sunshiny faces," oh yeah! "We're here because we're here" at the Armory. We are noticing, as we pass by, what a lovely green lawn there is this spring between the Alumni building and Lord Hall. We are very much interested in all the attractive wire fences with their little red rags, and also the posts with their ropes indicating what shall be the children's playground. If our tennis ball has gone over one of these little fences, and "they" have even roped off the tennis courts, we must take "track" a while.

We also notice how careful our fond patrons are that we do not park in the wrong place. "They" have commissioned the cop to patrol any inviting parking areas, while "up north" various thefts go on which include even spare tires. (One does not have to hunt very hard to find "ha-hahs" on the American police. While they are hunting for petty troubles, real ones are going on right behind their backs.) Of course, my dear readers, I don't wish you to breathe a word of these thefts at the University as it is not considered etiquette these days to expose crime. Authorities are being very inactive concerning it and we must follow their example by not allowing ourselves to become disturbed over mere trifles like thefts.

"Lizzie"

## NOTICE

Students and University of Maine faculty members and their wives and friends who are interested in hearing the address, "The Engineering Outlook," which President Karl T. Compton of Massachusetts Institute of Technology, is to give at the dinner-meeting of the Maine Association of Engineers at 6.30 P.M. at the Bangor House, Bangor, on May 21, may do so by immediately making dinner reservations with Dean Paul Cloke, Wingate Hall. Dinner will be \$1.50 per person.

Arts & Sciences Building. What could be more appropriate than to name a building after the man who made what that building houses an institution of permanence and value?

## HIGGINS TEAM DEFEATS FRESHMAN NINE, 10-6

Although superior to their opponents in hitting, Coach Kenyon's charges were outdone by the Higgins baseball team, 10-6, in a game played here on Wednesday. The visitors featured in the second, when, with bases full, Brown hit a home run. Higgins scored nine runs in this inning.

Bob Higgins started on the mound for the Frosh with Walton behind the plate. In the second inning, Walker, McCann, and finally, Hoyt, who pitched the remainder of the game in good form, were placed in the box.

MacBride and Walton featured for the yearlings with a two and three base hit, respectively.

The freshman baseball team will play the Hebron nine here on Tuesday, May 17.

Several people about the campus have expressed a desire of having a male glee club at Maine. If all those are interested will let it be known now, it will be very easy to get things started next fall. If everyone interested will give his name to one of the following people it will be appreciated.

Charles Buck at 404 H.H.H.; K. G. Ames at the Phi Mu Delta House; V. L. Hodgkin at the Greenhouse; N. K. Smith at 107 Oak Hall; Kenrick Sparrow at 34 Pine St.; Arne Menton at 100 Mill St.

Mr. J. C. Twinem, accompanied by Carlton F. Wiswell, Lawrence F. Decker, and Kenneth S. Cleaves, spent the weekend of May 6-8 on a joint field trip to Bar Harbor with 27 students from Colby College, under the direction of Dr. E. H. Perkins. The time was spent in studying the geology of the area.

Miss Henrietta Tomson, a member of the National Student Council of Y.W.C.A., will be on campus from Saturday until Wednesday. She will be a speaker at the M.C.A. retreat at Orrington Saturday.

The fall meeting of the New England Section of the Society for the Promotion of Engineering Education will be held at the University of Maine on Saturday, October 8.

## NOTICE

There will be another order of senior canes sent this week. Anyone wishing to order one, get in touch with Lovell Chase, Kappa Sigma House.

**LUCKY STRIKE**  
"IT'S TOASTED"  
CIGARETTES

Cop. 1932.  
The American Tobacco Co.

Why are other cigarettes silent on this vital question?

Do you inhale? Seven out of ten people know they do. The other three inhale without realizing it. Every smoker breathes in some part of the smoke he or she draws out of a cigarette.

Do you inhale? Lucky Strike has dared to raise this vital question . . . because certain impurities concealed in even the finest, mildest tobacco leaves are removed by Luckies' famous purifying process. Luckies created that process. Only Luckies have it!

Do you inhale? Remember—more than 20,000 physicians, after Luckies had been furnished them for tests, basing their opinions on their smoking experience, stated that Luckies are less irritating to the throat than other cigarettes.

Do you inhale? Of course you do! So be careful. Safeguard your delicate membranes!

### SENIOR RECEPTION HELD AT "WHITE HOUSE" WED.

President and Mrs. Harold S. Boardman entertained the seniors at the annual senior reception Wednesday evening at their home. As the guests arrived they were greeted by President and Mrs. Boardman and Mr. James A. Gannett.

Refreshments were served by Mrs. Drummond, assisted by several Home Economics students. A large number of the senior class and several faculty members were present.

### W.A.A. PICNIC HELD AT THE LEDGES TUESDAY

The W.A.A. picnic was held at The Ledges Tuesday night with Jo Mutty in charge of the food and Marj Moulton and Merrita Dunn as the committee for entertainment. There were specialties which consisted of imitations of the peculiarities of various campus celebrities.

Installation of officers was held following the entertainment.

Sigma Alpha Epsilon has pledged the following freshmen: Francis Morong, Portland; William Bessom, Marblehead, Mass.; Philip Lamb, Gardiner; John Simon, Millinocket; Joseph McEachern, Greenville.

Pi Beta Phi has elected the following officers for next year: President, Margaret Denton; Vice-President, Orissa Frost; Recording Secretary, Helen Peabody; Treasurer, Inez Howe; Corresponding Secretary, Doris Hutchinson. The installation of officers will be held at the last meeting of the year.

### CHI OMEGA INITIATION BANQUET IN BANGOR

The annual initiation banquet of Xi Beta Chapter of Chi Omega was held at the Bangor House Wednesday evening, May 4. The affair proved a brilliant occasion with decorations carried out in cardinal and straw, the sorority colors.

Virginia Smith Lamb '28 acted as toastmistress. The theme of the evening was built around the Chi Omega Symphony and the speakers included: Martha Smith '33, Geraldine Shean '32, Doris Dumphy '33, Helen Stearns '32, Madeline Bunker '34, Ruth Blanning '35, Miss Inez Waters '31 spoke for the Alumni.

Representatives from Beta Chapter of Colby College were present. The committee consisting of Evelyn Randall and Eleanor Burnham spared no efforts to make the party a successful one.

The Chi O Sophomores gave a picnic for the rest of the sorority at the Ledges Monday evening. Hot dogs, chocolate doughnuts, and orange punch proved the chief attraction. Those on the committee were "Mary" Brackett, Merle Shubert, Eleanor Burnham and Ray Adams.

Beta Theta Pi Fraternity recently elected the following officers for the new year. President, Herbert Lewis; Vice-Presidents, Harold and Carl Hurd; Secretary, James McClure; Treasurer, Donald Coggins.

Jerry Perkins '33 has returned to classes after a successful operation for appendicitis.

### Dr. Colvin Resigns Her Professorship (Continued from Page One)

received her college preparatory work in the Indiana Normal School. She received her A.B. degree from the University of Indiana in 1893 and her Ph.D. degree from the University of Pennsylvania in 1901. From 1893 to 1898 she had considerable experience teaching history in different high schools. She came to the University of Maine in 1902 as instructor in history and in 1903 was made an assistant professor. In 1906 she became a full professor and has held that position until now. From 1923 to 1927 she was dean of women of the University. In the latter year she was granted the degree of Doctor of Laws by the University and last year the new girls' dormitory was named in honor of her services to the University.

Dr. Colvin is a member of the American Historical Association, the Medieval Academy of America, the American Academy of Political and Social Science, the Royal Society of Antiquaries of Ireland, the Maine Historical Society, and the American Association of University Women. She is also a member of Phi Beta Kappa and Phi Kappa Phi.

### Skulls Tap 9 Juniors as Pledges in Society After Annual Chapel (Continued from Page One)

in the last hundred yards of the mile-run, is vice-president of the Junior Class. For the past three years he has been building up an enviable record in cross country and track, was a Sophomore Owl, and is a member of the Forestry Club. Not satisfied with his placing in the mile-run in the state track meet here last year, he went into the two-mile and won that instead.

Melbourne Franklin Means, vice-president of the Student Senate and treasurer of the Junior Class, is Maine's hope in the dashes this year, and has shone in football as well as track since his Freshman year. He is a member of the Intramural Athletic Association, was a Sophomore Owl, and has done his bit for the band.

Gilbert Turner Robertshaw won for himself the title "Gil the Grinder" last fall when he continually bored holes in the lines of opposing football teams. He has been a football star and a track man for three years and last year won the heavyweight boxing championship. He was a member of the Class Executive Committee last year, was also a Sophomore Owl, and is a member of the Intramural Athletic Association.

The final meeting of the Dickens Fellowship was held at Balentine Hall with Mrs. Walenta as hostess Tuesday evening, May 10. Dean Stevens presided and gave out the program for next year. A paper on the "Reformation of Some of Dickens' Characters" was read by Mr. Waterhouse of Old Town. Mrs. C. B. Porter, also of Old Town, gave a critical estimate on *Dombey and Son*, the book the club has been studying this year. About forty attended this meeting.

Phi Eta Kappa has pledged Frederick King '35, Augusta, and Granville Wilcox, '35, Mapleton.

# State Meet Maine-Bowdoin Toss Up

## Polar Bear Strength Lies in Weights; Pale Blue Squad Is Well Balanced in All Events

The annual Maine State Championship Track Meet will be held at Lewiston on Saturday afternoon at Garcelon Field, with the University of Maine as the defending champion. The Pale Blue and Bowdoin are the two leading contenders for the title this year and on paper Bowdoin seems to have a slight edge over Coach Jenkins' outfit on account of their experience and records set up to date.

In the 100 yard dash, Mel Means and Billy Knox, of Bates, will renew their rivalry with Means the favorite as a result of his wins during the indoor season over his dusky rival. El Moulton is expected to give both boys a fight for honors.

The 220 will find Means and Moulton opposing Knox, of Bates, and McLaughlin, of Bowdoin, with the outcome for first place a toss-up.

Adams, of Bates, is a heavy favorite to garner the 440 yard dash and is expected to win easily. Colby will have Williams as their leading performer while Wendell, of Maine, and Thistlewaite, of Bowdoin, will wage a fight with him for second and third places.

The half mile will also find Adams of the Bobcats as the logical winner, while Russ Shaw is due to make a bid for second place for Maine. Sewall is Bowdoin's leading candidate in the 880 and both Hall and Lavy of Bates, are also to be counted on in the running.

Harry Booth will re-open his feud with Jellison of Bates in the one mile classic with the former the favorite. Bowdoin will have Usher and Sewall providing the opposition.

Whitten of Bates, is the outstanding two miler in the state and opposing him will be Ev Gunning, Lavender, of Bowdoin, Paine, of Colby, and his teammate Malloy. The real contest in this event is expected to be for second place with Gunning the possible winner.

Bowdoin is sure to cop first two places in both the high and low hurdles with McLaughlin and Stanwood, two of the leading timber toppers in New England, sporting its colors. Floring, of Maine, Robinson, of Colby, and Allen, of Bowdoin, are the other leading entries in this event.

Fremant Webb looks like an easy winner in the pole vault and Phil Havey and Bill Hathaway are due to contest it out for second position. Pope, of Bowdoin, is the other vaulter in the state expected to be counted on for a possible second or third.

In the high jump Webb will be assisted by Charlie Sleeper, freshman, and as both boys are good for six feet, they will wage it out with Stanwood of Bowdoin for honors. Robinson of Colby, is another strong entry who may upset the dope.

McLaughlin, of Bowdoin, seems to have the edge in the broad jump although Bates representative, Knox, may beat him out in the leap. For the Pale Blue, Means, Chase, and Floring will attempt to garner a place.

The javelin is predicted to be a very close match with Cal Fickett finding as his leading rival, Stinchfield, of Colby. Both boys have thrown the javelin about the same distance and Boyd, of Bowdoin, seems to be third place man.

Niblock, of Bowdoin, is a stellar shot putter and will be aided by his teammate Larsen. Al Alley will attempt to squeeze out a win over Larsen for second honors with Cal Fickett also entered in the event.

The hammer throw finds Galbraith, of Bowdoin, outstanding with his mates Hay and Larsen fighting it out with Don Favor of the Pale Blue and Perkins, of Colby, for other places.

Cal Fickett is Maine's leading discus thrower with Don Favor close at his heels. Bowdoin's representative, Larsen, is also a stellar discus hurler and is due to be counted on for a possible second.

## SPORTS SPIELS

By BOB BERG

Will Maine be able to withstand the powerful Bowdoin track team once more and continue its string of victories in the State Meet for the fifth consecutive time? Last year the Pale Blue team just managed to annex a win only after it had garnered all three places in the last event to come out on top over Bowdoin by one solitary point. This current season the outfit from Brunswick is considerably strengthened and on paper appears to have the edge over Maine.

Most of the papers in the state favor Bowdoin to cop the championship, as does Coach Magee, the bruin track mentor. However, we are stringing along with Coach Jenkins' crew and look for them to win after one of the closest contests ever held in a State Meet. Here's the way the score will look at the end according to our predictions—Maine 46, Bowdoin 45, Bates 34, Colby 10.

Three freshman track stars, Charlie

Sleeper, Red Mullaney, and Maurice Goddard have been entered in the State Meet by Coach Jenkins and they are all expected to help the cause for Maine. Charlie Sleeper, who has scaled six feet in the high jump, will without a doubt win a possible first or second place in his specialty.

Track fans were rather disappointed at the Alumni-Varsity track meet in the two mile run when Harry Richardson failed to finish the distance event together with his old running mate, Bud Lindsey. It seemed that Harry was not in very good condition and was forced to drop out of the race after a mile and a quarter while Bud ran on to an easy victory.

A victrola party was held at Sigma Phi Sigma Fraternity Saturday, May 7. Mr. and Mrs. T. A. Sparrow were chaperons. Robert Vickery was chairman.

### FROSH LOSE TO COBURN AND KENT'S HILL ON TRIP

The freshman baseball team journeyed to Waterville and Kents Hill on May 5 and 6, where they were defeated by Coburn and Kents Hill.

The Frosh played Kents Hill on Thursday. Both teams got frequent hits, and the game ended with Kents Hill the victor over the yearlings for a second time with a score of 11 to 16. Coach Kenyon was forced to use four pitchers Hoyt, MacDonnell, Henderson, and McCann. McCann pitched his first game for the Frosh, and held his opponent to no hits and no runs while he was in the box.

Coburn was the host of the team on Friday, and swamped the yearlings 14 to 5. Hoyt, Higgins, Walton, and McCann pitched. Walton, who up to this time had played in the outfield, made a good showing on the mound.

Those who made the trip were: Hoyt, MacDonnell, McCann, Higgins, Walton, Honer, Crandall, Sadler, MacBride, Sanborn, Fales, Marshall, Cobb, White, Bean, and Stone.

## "Made-to-measure" service for business

Whether the business is small or large—the corner grocery or the refrigerator factory—requirements for telephone service vary. So, to meet special conditions, Bell System men custom-fit the service to the subscriber.

They worked out a telephone conference plan for a large manufacturer. Every Friday, at specified times, each district manager calls the home office, where telephone facilities are

so arranged that the chief sales executives are on the line simultaneously. Problems are discussed, decisions given. In minutes, the executives cover the country. This plan lowered selling costs, raised efficiency, helped the user to increase profits 31% in a year's time.

By making the telephone more useful, Bell System men contribute to the success of many industries.

## BELL SYSTEM

A NATION-WIDE SYSTEM OF INTER-CONNECTING TELEPHONES

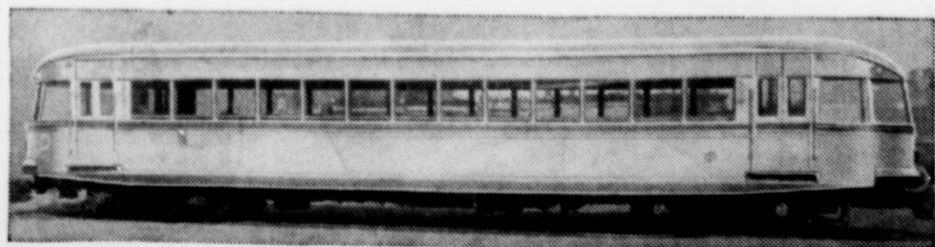

## "ELECTRIC BULLETS"

THE result of exhaustive wind-tunnel tests of conventional trolley car models revealed that at speeds of 70 and 80 miles per hour, 70 per cent of the total power was consumed in overcoming air resistance. Streamlining saves approximately 20 per cent of the power.

When the Philadelphia and Western Railway Company decided to replace its cars with faster and more efficient equipment, it chose "electric bullets"—new streamlined cars—each powered by 4 G-E 100-hp. motors. The cars, constructed of aluminum alloy, with tapered noses and tails, are much lighter in weight and capable of greater operating efficiency.

In developing transportation apparatus, college-trained General Electric engineers have conducted extensive tests to improve operating conditions. On land, on sea, and in the air, to-day's equipment is safer, swifter, more dependable, and more comfortable.
