WARRANT FOR TOWN MEETING

To S. C. GUPTILL, Constable of the Town of Fryeburg in
the County of Oxford, GREETING:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Fryeburg, qualified by law to vote in Town affairs, to meet at the Town House in said Town on Monday the first day of March, A. D. 1926, at ten o'clock in the forenoon, to act on the following articles, to wit:—

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Clerk for the ensuing year and vote the salary.

Art. 3. To see if the Town will vote to accept the town reports for the year ending February 8, 1926.

Art. 4. To elect three Selectmen, Assessors and Overseers of the Poor and vote their salary.

Art. 5. To elect a Treasurer for the year ensuing and vote the salary.

Art. 6. To elect one member of the School Board for three years; B. W. Tinker's term expires.

Art. 7. To elect one or more Road Commissioners for the ensuing year and vote the compensation.

Art. 8. To elect a Tax Collector for the ensuing year and vote the compensation.

Art. 9. To elect one or more Fire Wards and vote the compensations.

Art. 10. To elect an Auditor for the ensuing year and vote the compensation.

Art. 11. To elect all other necessary officers.

Art. 12. To see what sum of money the Town will vote to raise for bridges for the year ensuing.

Art. 13. To see what sum of money the Town will grant and raise for general road work for the year ensuing.

Art. 14. To see if the Town will vote "yes" or "no" on the question of raising money necessary to entitle it to State Aid as provided by Sec. 19, Chapter 25, of the revised statutes of 1916.

Art. 15. To see if the Town will appropriate and raise the sum of \$666.00 for the improvement of the section of State Aid Road as outlined in the report of the State Highway Commission in addition to the amounts regularly raised for the repairs of roads and bridges.

Art. 16. To see if the Town will appropriate and raise \$250.00 for patrol work on the State Aid unimproved roads.

Art. 17. To see if the Town will appropriate and raise the sum of \$525.00, it being the amount required by law for the repairs of the State Highway leading through East Fryeburg, and also the sum of \$310.00 for the State Aid improved roads.

Art. 18. To see if the Town will grant and raise the sum of \$2,000.00 for the reconstruction of the road leading from Kimball Brook Bridge in a northerly direction toward the Stow line.

Art. 19. To see if the Town will grant and raise the sum of \$2,000.00 for constructing the road from the Lovell line towards the iron bridge at the Harbor.

Art. 20. To see if the Town will grant and raise the sum of \$450.00 to repair and tar Smith Street.

Art. 21. To see if the Town will grant and raise the sum of \$225.00 to repair and tar Elm Street.

Art. 22. To see if the Town will grant and raise the sum of \$500.00 to repair and tar Lower Main St., from Mrs. A. T. Bradley's to the Swans Falls Road.

Art. 23. To see what sum the Town will grant and raise for construction work on the road from Fryeburg Village to Lovell Village, said construction to commence at the point where the 1925 work ended.

Art. 24. To see if the Town will grant and raise the sum of \$50.00 for Grover Post G. A. R.

Art. 25. To see if the Town will grant and raise the sum of \$300.00 for the Committee in charge of Bradley Memorial Park.

Art. 26. To see if the Town will vote to move the monument now at the junction of Portland and Main Sts., to a new location to be selected by the Selectmen, and to raise a sum of money for the same.

Art. 27. To see if the Town will vote to raise the sum of \$1,500.00 for resurfacing any improved road; the same to be spent under the direction of the Selectmen.

Art. 28. To see if the Town will vote to raise the sum of \$250.00 for placing new guide boards throughout the town.

Art. 29. To see if the Town will vote to raise the sum of \$1,000.00 for repairing the river bank above Weston's Bridge.

Art. 30. To see if the Town will vote to raise the sum of \$870.00 to pay for the three beacons, which have been erected in Fryeburg Village; the same having been placed on trial until after the Town Meeting.

Art. 31. To see if the Town will vote to authorize the Selectmen to install one or more Cement Beacons where the Metal Beacons now stand in Fryeburg Village, and to maintain an electric light on each. If it is so voted to raise a sum of money for that purpose.

Art. 32. To see if the Town will vote to raise \$300.00 for sanding the road, beginning at C. E. Stanley's and extending towards Fish Street.

Art. 33. To see what action the Town will take in regard to closing the Town Farm, there being no inmates at the present time.

Art. 34. To see if the Town will vote to raise \$300.00 for repairing the road from Wm. Berry's to the Hemlock Bridge.

Art. 35. To see if the Town will vote to appropriate a sum of money for road construction on Warren St. in Fryeburg Village, and if so how much.

Art. 36. To see if the Town will vote to appropriate a sum of money for construction of the road leading from Main St. in Fryeburg Village to Weston's Bridge, and if so how much.

Art. 37. To see if the Town will vote to build an addition to the present Selectmen's Office Building in Fryeburg Village for the accommodation of prisoners, cages and purposes incidental thereto, also for the installment of the Voting Booths and to be used for any other purpose that may be necessary—and if it is so voted to raise a sum of money for the purpose.

Art. 38. To see if the Town will vote to raise the sum of \$200.00 for repairs and for applying calcium chloride on Oxford Street.

Art. 39. To see what sum of money the Town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

Art. 40. To see if the Town will vote to accept the report of the Trust Fund Committee as printed in the Town Report for the year ending Feb. 8, 1926, as a basis for the administration of the Trust Funds now held by the Town.

Art. 41. To see if the Town will vote to accept the sum of \$100.00 to be held as a Trust Fund, the interest to be expended annually for the care of the lot in the cemetery at Menotomy, in which are buried Judge Simon Frye, his wife and family, including John H. Frye and his wife.

Art. 42. To see if the Town will vote to accept the sum of \$100.00 bequeathed to it in trust under the will of Ann W. Shirley, the income to be applied to the perpetual care of her lot in Pine Grove Cemetery in Fryeburg Village.

Art. 43. To see if the Town will vote to accept the following funds as now entered on the Trust Fund Book, and to ratify the administration of the same to date:—

A. R. Jenness, Sept. 4, 1908,	\$ 147.26
Harriet G. Gordon, Aug. 11, 1909,	211.15

Alexander Stevens,	258.26
Bachelor Cemetery, Feb. 17, 1909,	1,545.25
Bachelor School, Feb. 17, 1909,	573.16
Dean H. and Elizabeth Wiley, July 28, 1920,	102.02
F. N. Frye, Feb. 2, 1904,	897.02

No record can be found of the acceptance of the above funds by the Town.

Art. 44. To see if the Town will appropriate the sum of \$500.00 to repair the street beginning at Railroad Station, leading by the corn shop to Oxford Street, and widen the culvert near the corn shop.

Art. 45. To see if the Town will vote to raise the sum of \$300.00 for sanding the road from Roy Jones to the Chapel.

Art. 46. To see if the Town will vote to raise \$100.00 to repair the road leading from Main Street to George E. Hill's in Fryeburg Village.

Art. 47. To see if the Town will vote to instruct its superintending school committee to provide physical training for the boys in the primary grades in the Town, if they desire to take it, at the gymnasium of Fryeburg Academy. If it so votes, to see what sum of money it will appropriate for that purpose.

Art. 48. To see what sum of money the Town will grant and raise for the support of common schools for the year ensuing.

Art. 49. To see what sum of money the town will grant and raise for the payment of Secondary School Tuition for the ensuing year.

Art. 50. To see what sum of money the Town will grant and raise for the purchase of text books and supplies for the year ensuing.

Art. 51. To see what sum of money the Town will grant and raise for the repair of school property for the ensuing year.

Art. 52. To see what sum of money the Town will grant and raise for the support of Public School Music for the ensuing year.

Art. 53. To see if the Town will grant and raise the sum of money recommended by the school committee for the use of school improvement during the ensuing year.

Art. 54. To see if the Town will grant and raise the sum of \$85.00 for physical education in the public schools for the ensuing year.

Art. 55. To see if the Town will vote to pay the members of the school board for their services and if so how much.

Art. 56. To see if the Town will vote to raise the sum of \$500.00 for repairs of the West Fryeburg School House.

Art. 57. To see if the Town will grant and raise the sum of \$600.00 for repairing the East Fryeburg School House.

Art. 58. To see what sum of money the Town will grant and raise for the support of poor for the year ensuing.

Art. 59. To see what sum of money the Town will grant and raise for current expenses for the year ensuing.

Art. 60. To see if the Town will authorize the Selectmen to borrow \$5,000.00 if necessary to meet its bills.

Art. 61. To see if the Town will vote to discount all taxes except poll taxes paid on or before June 15th and if so at what rate.

Art. 62. To act on any other business that may be legally brought before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters in said Fryeburg and hearing and deciding upon applications of persons claiming to have their names entered upon said list, at the Town House at nine o'clock in the forenoon of the day of said meeting.

Given under our hands this sixth day of February, 1926.

ELMER E. BAKER,
NOAH McDONALD,
S. C. GUPTILL,
Selectmen of Fryeburg.

 October 1, Mary E. Warren.
 October 4, Frank C. Stevens.
 October 14, Sarah F. Smart.
 December 25, Hannah M. Rollins.
 December 29, Marcus M. Smart.
 December 31, Gertrude C. Phelan.

Respectfully submitted,

HARRIET ABBOTT,

Town Clerk.

HEALTH DEPARTMENT

Report of the Health Officer for the year ending Feb. 1, 1926

To the Selectmen and Citizens of Fryeburg:

There were reported to the Health Officer, from June 22 to Feb. 1, 13 cases of communicable diseases as follows:

Chicken Pox,	6
Measles,	1
Whooping Cough,	3
Mumps,	3

Three residences were quarantined.

I would like to impress upon the citizens the necessity of reporting all contagious diseases to the Health Officer, if no doctor is called. All cases which a doctor attends, are reported by the doctor.

I have on hand circulars treating all communicable diseases and would be very glad to mail them to anyone upon request.

During the past year, 157 Food Handlers' certificates were issued. These certificates are required twice each year, in July and in January, and I would like to urge everyone to be prompt in attending to this matter.

The Doctors Gregory and Lougee have co-operated in every way possible with the Health Officer and I wish to express his appreciation.

Respectfully submitted,

CHARLES P. GRAY,
Health Officer.

	\$16,738.65	\$15,612.33	\$1,126.32

Net balance, \$1,126.32.

The above summary includes overdraft of \$60.05 in Repair Account of last year. Total cost of schools this year exclusive of insurance and administration, \$15,552.28.

Respectfully submitted,

HARRIET ABBOTT,
EDITH CHARLES,
B. W. TINKER,
Superintending
School Committee.

RECOMMENDATIONS

We have given the matter of school appropriations our careful attention and, feeling that it is the desire of the citizens that schools make as much progress as possible consistent with the ability of the town to provide for them, we recommend that the following amounts be appropriated:

Common School Account,	\$7,450.00
High School Account,	3,400.00
Text-book Account,	700.00
Repair Account,	950.00
School Improvements' Account,	90.00
Music Account,	700.00
Physical Education Account,	85.00
East Fryeburg Repair Account, Special,	600.00
West Fryeburg Repair Account, Special,	500.00

Respectfully submitted,

EDITH CHARLES,
B. W. TINKER.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of the Town of Fryeburg:

Herewith my third annual report of the condition progress and needs of the Public Schools of the Town of Fryeburg.

Teachers—Schools opened September 8, 1925. The following teachers were then employed:

Primary, Bertha M. Edwards, Kezar Falls.

Intermediate, Pansy N. Mayo, Southwest Harbor.

Grammar, Katherine Lord, Bar Mills.

West, Marian Peabbles, South Portland.

North, Ruth V. Conley, Portland.

Assistant at North, Sadie Adams, North Fryeburg.

Toll Bridge, Marion Allen, Fryeburg.

Center, Esther Lambert, East Corinth.

Harbor, Dorothy Merrifield, Hiram.

East, Mavis F. Partridge, Stockton Springs.

Supervisor of Music, H. A. D. Hurd, Fryeburg.

Five of these teachers were employed by us last year. Five are new in their positions. Last year we had a turnover of two-thirds of our teaching force. This year we have a turnover of one-half. This is progress but a fifty per cent turnover of teachers in any school system, large or small, is far too great. Although as mentioned in my last report such a situation is not new, nor can a considerable turnover apparently be avoided without placing our salary schedule on par with that of our larger towns and our cities, yet, the situation is not a satisfactory one nor by it can we reach more than a reasonable efficiency in the cause of education.

During the fall term there were two changes of teachers in the Primary. Miss Edwards was called home on account of illness in the family. She was succeeded by Miss Myrna Goldthwaite of Berlin, N. H. Miss Goldth-

waite soon resigned to take a city position. She was succeeded by Miss Isabel Hughey of Lisbon Falls. A change was also made at the Harbor, Miss Merrifield being succeeded by Miss Alice Varnum of Alexander.

At the present time we have but one teacher without previous experience. It happens that this teacher has taken courses at Bates College and Gorham Normal School. All other teachers are either graduates of Normal Schools or have taken partial courses at Normal Schools. All have had at least two years' experience.

At North Fryeburg, last year, we found a difficult situation in that we had an enrollment of thirty pupils with all grades. One teacher could not successfully carry this teaching load. To remedy this condition we employed Mrs. Sadie Adams as Assistant to teach grades I, II and III, teaching four hours each day. This arrangement has proven very satisfactory and is being continued this year.

Activities—The closing day exercises last June consisted of the usual exhibition of school work by the pupils, an exhibition of the work covered in the course in Music, the dramatization of the play "Robin Hood" by the pupils of the grammar school and the graduating exercises of Grade Eight.

All of these exercises were presented without any expense to the town. The exhibition of school work was displayed in the school building, the Music Department gave its exhibition on the school grounds and the dramatization and graduating exercises were given in Pythian Hall which, as usual, was turned over to our use free of charge. The thanks of this department is expressed to the owners and custodian of the hall for their generous support. The dramatization of "Robin Hood," given under the careful and patient supervision of the teacher, Mrs. Emily W. Steadman, was a work making necessary many hours of planning and costume-making as well as drilling. In this, Mrs. Steadman was loyally supported and assisted by her pupils. The dramatization was well done and was apparently well received by the large audience.

The graduation of Grade Eight upheld its reputation as one of the most interesting functions in town during the year. The following pupils received diplomas: Evelyn Baker, Center School; Myrtle E. Rose, Hilda Smith, East Fryeburg School; Roland McAllister, Toll Bridge School; Aubrey M. Graves, Florence M. Smith, Gertrude Adams, North Fryeburg School; Dennis J. Brackett, Lawrence F. Whiting, Ruth Wiley, Esther A. Peterson, Laura M. Haley, Cora Howard, Ridgley A. Kiesman, Edmund B. Emerson, Clyde R. Johnson, Carl J. Johnson, Charles E. Thurlow, Harold I. Thomas, Oldin C. Lord, Grammar School. Of these twenty pupils twelve are at the Academy and three are repeating elementary work for reasons of convenience. Five are not continuing in educational effort at present.

Music—The work in Music continues under the supervision of Mr. Hurd. The course this year is supported by municipal funds in accordance with the appropriation made for that purpose. The Music Course is bringing results fully in accord with what was expected of it. The fruit will be more apparent in the coming years of the pupils for whose benefit it is carried on. The report of the Supervisor of Music is attached below.

Noon Lunch—East Fryeburg, North Fryeburg, Harbor and Village Schools are very successfully carrying on the business of serving the Noon Lunch during the winter term. These schools are setting a mark for the others to shoot at. There is no "frill" of more importance than the warm Noon Lunch.

School Improvement League—All of the School Improvement Leagues are busy and prosperous. Thus far all but one have earned \$10.00 or more this year, which entitles them to the \$10.00 provided by the town. The exception is the Primary School, peopled entirely by little folks. This school has at least half of its quota and will receive its premium during the year without a doubt. Watch it! The League work in Fryeburg is eminently successful and receives cordial support from the patrons of the schools. By it the Noon Lunch is made possible

and there are many articles in our schools which, had it not been for the League, would have had to have been furnished at public expense or not at all. However, it seems to me that the chief benefit of League work is that it charges pupils with an aim to work for and responsibility in reaching it.

Spelling Contest—It will be recalled that when my last report was offered all schools in town were in the midst of the second, year long, spelling contest. This contest was won by Toll Bridge School with a standing of 98.42%. North Fryeburg was second with 96.4%. The average standing for the year for all schools was 91.28%. In the grade standing Grade Eight won with 93.76%, Grade Six was second with 92.34%. The average grade standing was 91.28% as above. The contest is not in operation this year.

Text-books—The schools are now supplied with a sufficient number of text-books so that there can be uniformity in the several schools. The life of a school text-book will average about four years. It may be seen therefore, that it is necessary to renew about one-fourth of our text-books each year.

Attendance—Attendance holds about as usual, it might be much improved. Contrary to what might be expected because of the nearness of most of the children to the school building, attendance at the village schools stands at a lower average than it does at other schools. North and Harbor school patrons need also to give attention to this important matter.

The only bothersome communicable disease thus far this year has been impetigo. This affliction has appeared in the village schools and is very persistent. It is not of long duration individually if properly treated, but it is very contagious and very disagreeable.

A ruling of the School Committee has very recently been promulgated which should do much to check the spread of contagious diseases among school children. This ruling is to the effect that when a child has been ex-

cluded from school by the teacher because of the apparent presence of some contagious physical ailment, such child cannot be readmitted to school until he or she shall present a statement signed by a physician. This certificate is intended to show the teacher that it is safe and proper for the child so excluded to be readmitted. No school officer and no teacher desires any child to be excluded unnecessarily but teachers are unqualified to judge whether a child has a contagious disease. Symptoms may indicate diseases which may not be contagious, the physician will know where the teacher does not. Therefore, to be on the safe side and to help prevent the possible spread of contagious diseases such a ruling seems necessary. It is hoped that parents will very willingly co-operate in this effort to conserve health.

Physical Education — Into this same problem of the conservation of health, time and money, enters the matter of Health Education. The neighboring town of Brownfield has, for several years, employed a Director of Physical Education. No school expenditures of that town bring so great a return for the money invested. The Director makes examinations, does follow-up work, teaches care of the health and personal hygiene, teaches gymnastics, sports and games, handles the situation in case of contagious diseases under the direction of the Health Officer, insofar as the school and its pupils is concerned and has a general oversight of the physical condition and improvement of the children. This Physical Director is available for Fryeburg should sufficient funds be appropriated to employ her. She is now also employed by Fryeburg Academy. The State pays one-half the expense of a Director of Physical Education up to a certain sum. The necessary amount to be appropriated by the town would be about \$85.00. I recommend that such a Director be employed.

Repairs — Our repair program for last summer was much upset by unexpected work. The chemical toilets installed some years ago at North Fryeburg failed and left us without proper toilet facilities, making necessary

the building of new toilets. These are of the approved connected type of dry toilets. This with the new roofing at the Harbor building prevented anything further in the way of repairs, except a few upkeep jobs. New Litho-plate blackboards were set up at the Center and Toll Bridge schools. New shades were hung at Toll Bridge. These were paid for in part by the League and in part from the Repair Account.

This brings us to the problems of schoolhouse repairs for this and the coming years. In my last report I mentioned the fact that with the building of the approved toilets at East Fryeburg we would then be completely equipped with approved toilets. Since that time, however, the chemical toilet at West Fryeburg, also installed some years ago, has gone into a decline, as they all seem to do. This toilet may go to pieces at any time, leaving us in a bad condition in regard to sanitary arrangements.

The shed there is not large enough to house all of the fuel and some of it has to be left out of doors. I recommend that a new shed, large enough to contain a supply of fuel for a year and also large enough to contain two connected dry toilets be built. This is a necessity and the most pressing of all our repair needs. I should also recommend that a special appropriation be made for this purpose.

The East Fryeburg building, other than its toilets, is in the poorest condition of any of our buildings. In this building, the only one so arranged, the light enters from three sides. The windows on one side should be changed to the other side, thereby giving bi-lateral lighting as in all our other school buildings. The building is in need of painting outside and inside, new blackboards are quite necessary, the stove should be jacketed with a cold air intake and the building should be gone over thoroughly in order to put it into first class condition. The best way to do this is, in my opinion, by a special appropriation.

Experience is said to have shown that in this climate a building should be painted one coat on the outside once in four years. The Harbor building is badly in need of outside painting and the North Fryeburg building only slightly less so. The toilets built at North last year have

not yet been painted. Next year West Fryeburg and the Village building should be painted. New blackboards are needed at the Harbor and new shades at West. A partition across the room of the Assistant at North Fryeburg would furnish a passage to the toilets other than through the Assistant's room and also provide a separate room for the polling place. Foundation walls need pointing up, especially at Toll Bridge school. Flag equipment needs overhauling and renewal at several buildings. The chimney at the Village should be re-topped and that at the Harbor rebuilt. This building caught fire last fall around the chimney. This chimney should start from the ground. The heating plant at the Village is wasteful and inefficient. It is worn out and the building is often cold. Complaints from parents are frequent because of colds taken by children, presumably at the school building. It will also soon be necessary to re-roof the Village building. The present shingled roof leaks when the ice forms at the eaves and the plaster, recently redecorated, is stained in many places.

The work above outlined for repairs will take much money. The heating plant and the roofing at the Village building constitute a large item which may be left until next year. A careful survey of our repair needs would indicate that the other work mentioned should be done this year. However, this lies with the citizens. The Superintendent of Schools has no desire to presume to tell the Town what it must do. If the funds are forthcoming the work will be done. If the citizens feel that we cannot afford to do all of this work this year, the school property will be put into the best condition possible with whatever appropriation is made for the purpose.

I wish in closing this report to express my appreciation for the co-operation which I have received during the year from the pupils and teachers of Fryeburg and the kindly courtesy of its officials and citizens.

Respectfully submitted,

CHARLES A. SNOW,
Superintendent of Schools.

REPORT OF SUPERVISOR OF MUSIC

To the School Board and citizens of Fryeburg,

GREETINGS:

I herewith submit my report of the aim, requirements and progress of the music department of the public schools.

Aim of Course:

The aim of the course in music is to give elementary instruction in sight singing and musical appreciation, so that the pupils may have an all round conception of the art enabling them to participate and understand it to the highest possible degree. Further, to encourage those who may have exceptional talent to pursue its study more extensively, not in singing alone but by taking up piano or orchestral instruments.

Requirements of the Course:

The following requirements are outlined by the Supervisor: Instruction in sight reading, using the do, mi, sol system: Strict rudiments of music, including notation, time, rhythm, keys, and a knowledge of all musical signs and marks of expression in general use.

A course in the history of music is taken from "A Standard History of Music," by J. F. Cooke, the schools covering two chapters each month. Note books are kept and the important data is placed in them.

The above requirements are made possible by the supplying of Outlines and Histories by our munificent benefactress, Mary L. Gordon.

Repertoire:

Only the very best that the Literature of Music offers is used. Selections are taken from the works of such masters as Haydn, Mozart, Beethoven, Mendelssohn, Parker, Foote, DeKoven and Noble. The months of December and January are devoted to the study of the Standard Christmas Carols, and April to the Standard Easter Carols. An endeavor is made to give such inter-

pretation that it will be lasting; so that in after years when the works of such masters are met on programs that the life and style of each particular master may be recognized; and that the boy or girl, then man or woman, may say, "I learned that in a Fryeburg School."

Public Appearance of School Choruses:

The slogan of the School Board has been: "We have a course in music, let us use it." Whenever it has been possible for the school chorus of each community to appear in public it has done so. One instance is sighted where pupils from four of the rural schools met and on being rallied by the only teacher present, sang several selections from memory without rehearsal.

A chorus of sixty voices has been formed in the village school, and that, affiliated with the Alberta Mabery Abbott Choral Society of Fryeburg Academy, makes a chorus of 135 voices. This chorus gave a Vesper Service in the Congregational Church, Easter Sunday, April 12, 1925, with a large and appreciative audience in attendance. January 31, 1926, a second Concert of Christmas Music was given in the Harvey D. Gibson Gymnasium, accompanied by the Fryeburg Academy Orchestra of fourteen pieces.

Exhibition:

At the close of the Spring term all of the schools met at the village and gave an exhibition of Singing, Folk Dance and general work in music.

Co-operative Spirit:

In conclusion I wish to say that the excellent progress (and I believe I have the right to say excellent progress) of the work has been due to the co-operative efforts of the citizens of Fryeburg, the superintendent of schools and school board, and an efficient teaching staff.

Respectfully submitted to the citizens of Fryeburg this first day of February, 1926.

H. A. D. HURD,
Supervisor of Music.

TABULATIONS

Winter Term, 1925

School	Teacher	Weeks	Salary Week	No. Reg.	Av. Att.
Primary	Sadie Lowell	11	\$23.50	32	28.3

REPORT OF THE TRUST FUND COMMITTEE

Appointed by the Selectmen in April, 1925, in accordance with a vote of the Town, March 2, 1925.

To the Selectmen of Fryeburg,

Gentlemen:—Following is a report of our effort to tabulate the Cemeteries and the funds held in trust by the Town of Fryeburg.

Following is a list of the Cemeteries in Fryeburg:

Owned by the Town	4
Privately owned (large)	6
Privately owned (small)	9
Pine Grove Cemetery Association (private)	1
Obsolete (two of which are Town property)	4
Total	24

There may be other small private burial lots.

The Cemeteries have all been visited by the Committee and general data taken of them.

The Town Cemetery at the Village, located in the rear of the New Church Hall is well fenced with stone posts and wood pickets. The general appearance is very good, but much might be done to improve many lots, and there are many markers which lean and several have fallen. These markers should all be placed in proper position.

The Town Cemetery at West Fryeburg is well fenced with iron and wire and the general appearance is very good. Many of the markers are leaning or lying on the ground, which should be placed in proper position.

The Town Cemetery at North Fryeburg is well fenced with stone posts and wood fence and the appearance of the yard is very good. The markers in general are in proper position, but a few are leaning.

The Town Cemetery at Menotomy is several rods South of the highway and in the rear of a private Cemetery located on the highway, and is practically obsolete, except that the burial lot of Abial Smith is well fenced and the condition good. The trees which have been growing for many years have this season been removed, but the general appearance is unkept.

There are many private Cemeteries in Town; some large and some small, over which the Town has no supervision. The Cemeteries are all listed in the trust fund book of records and accounts, with such information as is available.

The number of funds which are held in trust by the Town is twenty-three, two of which are educational and the balance are for Cemeteries and burial lots.

Quite full data has been compiled relative to the funds and they are all entered in the trust fund book of records and accounts. In this book of records and accounts will be found an itemized account with each trust fund.

We recommend that the income from the educational funds be paid to the School Board, to be expended according to the various bequests.

Referring to the preliminary report made to you, relative to the field agent to supervise the care of the burial lots for the season of 1925, will say that we recommend that each year in April the Selectmen appoint some competent person to act as Field Agent, whose duty shall be to see that the income from the various funds is judiciously expended during the Summer Season of each year, and that he commence his duties not later than June 1st of each year; also that he see that the various burial lots are mowed at least twice each season.

We recommend that the annual salary of the field agent be fifty dollars and he furnish his own transportation.

We recommend that the Treasurer of the Town be the custodian of the book of records and the keeper of accounts of the trust funds, and that he be paid an annual fee of one dollar for each fund of one hundred dollars (\$100.) or more.

We also recommend that the bank books and other trust securities be kept in the vault of the United States Trust Company of Fryeburg.

We recommend that the fixed annual charges for the care of the burial lots, and the safe keeping of the funds, together with the keeping of the book of records and accounts, be paid annually out of the income of all the trust funds, each fund bearing its proportional part.

In making this report, it is recognized that the Town is the Principal in the matter of all trust funds and that all execution concerning the income of the funds is done by direction of the Selectmen, unless otherwise ordered by vote of the Town.

The matter of creating a trust fund commission, by vote of the Town, for the care of the funds, and the expenditure of the incomes therefrom was considered by the committee, but it was thought advisable to follow in a more complete form, the method already adopted.

It is the desire of the committee that the Inhabitants of the Town make use of the information herein contained, and while the trust funds, in dollars and cents are, and have been intact, we do hope that in the future, the income from the various trust funds will be better supervised than in former years. It should be borne in mind that the funds are all left for a good purpose, and the income from them should be properly expended.

These funds, with the exception of the two Liberty Bonds, are all deposited in the Savings Department of the United States Trust Company of Fryeburg, Maine, and the bank books and other securities are to be kept in the vault of the United States Trust Company.

We recommend that this report be printed in the Town Report for year ending Feb. 8, 1926.

Respectfully submitted,

GEO. O. WARREN,
ASA O. PIKE,
ELMER E. BAKER,
Trust Fund Committee.

Approved,

ELMER E. BAKER,
NOAH McDONALD,
S. C. GUPTILL,

Selectmen.

Fryeburg, Feb. 8, 1926.

SCHOOL CALENDAR

Fall Term began September 8, 1925, closed December 11, 1925, 14 weeks.

Winter Term began December 29, 1925, closes March 12, 1926, 11 weeks.

Spring Term began March 30, 1926, closes June 11, 1926, 11 weeks.

School Hours: 9.00 A.M. to 12.00 M.; 1.00 P.M. to 4.00 P.M.

Enrollment by grades, November 1, 1925:

Grade I	33
Grade II	33
Grade III	23
Grade IV	28
Grade V	34
Grade VI	29
Grade VII	13
Grade VIII	23

Enrollment last year, 205. Increase over last year, 11. Enrollment, 1923-1924, 198. Increase over 1923-1924, 18.

Per capita cost per pupil per year exclusive of fuel, equipment, tuition, insurance and administration, \$47,0416.

Same last year, \$41.839.

Same for 1923-1924, \$41.535.

Same for one week, \$1,3067.

Same for one week last year, \$1,161.

Same for one week, 1923-1924, \$1,1537.

Same for one day, \$0.26132.

Same for one day last year, \$0.2322.

Same for one day, 1923-1924, \$0.23074.

School census, April 1, 1925: Persons in town from 5 to 21 years of age, boys, 148; girls, 161; total, 309. Loss from 1924, 30.
