DEDICATION OF NEW GYM TO BE FEATURE OF COMMENCEMENT

Event To Take Place June 10
Exact Details of Program
Not Yet Complete

Dedication of the Alumni Memorial, now nearing completion, is to be a feature of the Alumni Day Program, June 10, according to Edward H. Kelley '90, chairman of the commencement committee. This Memorial is a gift to the University of alumni, faculty, and friends, in honor of University of Maine alumni and former students who died in the service of their country in the World War and the Spanish War.

A special committee has been appointed to prepare an elaborate dedication program. Harry D. Watson '18 of Orono is chairman of the committee, with other members as follows: C. P. Crowell '98, L. P. Stewart '15, J. H. Magee '17, Kenneth Wooster '19, and E. H. Kelley '90 and A. L. Deering '12 ex-officio.

The memorial consists of two units—the Indoor Field Armory which was erected in 1926 and the gymnasium which is to be completed prior to Commencement.

The decision to proceed with the construction of some type of memorial was made in 1922, when the General Alumni Association, under the presidency of Allen W. Stephens '99, voted to memorialize the soldier dead. Dr. Clarence Cook Little, then president of the University, was instrumental in the organization and forwarding of this project, with William McCallis Sawyer '01 of Bangor, as chairman of the first Memorial Fund Committee.

The Indoor Field which was completed in 1926 was, at the time of its erection, the largest in the country and is said to be today, the second largest, there being one at the University of Michigan which is reported to be two feet longer.

In 1928 and 1929, additional funds were raised under the chairmanship of Arthur L. Deering '12 of Orono, now president of the General Alumni Association, and last fall a contract was let for the erection of the gymnasium.

The gymnasium which is now under construction will for the present, in addition to fulfilling the needs of the University for physical training and athletic purposes, also be suitable for such social functions as dances, banquets, and for assemblies. The balconies have a seating capacity of nearly 1400, with individual chairs, and this capacity can be greatly increased by placing seats or bleachers on the main gymnasium floor.

The exact details of the dedication ceremonies have not yet been announced, but it has been decided that this event will take place, Saturday afternoon, June 10, at 3:30 o'clock, at which time distinguished University and state officials will be invited to participate.

FORM 'M' CLUB FOR PURPOSE OF AIDING ATHLETIC PROGRAM

Horace J. Cook '10 Is Elected President of New Club For Letter Men

In accordance with the vote passed at the meeting of the alumni and undergraduate "M" men held last fall the committee on organization has prepared and adopted a constitution and elected officers for the ensuing year.

Horace J. Cook '10, Auburn, who served as presiding officer at the first meeting last fall was chosen president. Arthur W. Abbott '14, of Playland, Rye, N. Y., was named vice-president, and Theodore S. Curtis '23, Faculty Manager of Athletics, was named secretary-treasurer. The members of the Executive Committee appointed by President Cook, after being informed of election, are as follows: P. A. Jones '19, Bangor; A. P. Wyman '07, Waterville; A. C. Hammond '11, Bangor; F. P. Preti '17, Portland, and M. A. Hincks '32, campus.

After very careful consideration the name "M" Club was agreed upon since there was no undergraduate organization of that name at the present time. The purpose of the organization is to bring together at least once annually the alumni and undergraduate lettermen of the University and to be of as much assistance as possible in promoting the athletic program of the University. All male undergraduates and alumni to whom an "M" in a major or minor sport has been awarded are automatically members of this organization.

The play is under the direction of Helen Findlay and Everett Page.

Bowdoin, Favored To Win, Is Second, Bates Third, Colby Fourth. Ray McLaughlin Is High Scorer

Scoring in all but two events, the University of Maine track team upset all pre-meet expectations to down a highly touted Bowdoin track aggregation, and win the State Intercollegiate Track title with a total of 58 points at Colby College last Saturday. Bowdoin scored 47½ points, while Bates obtained 22½, and Colby was last with 7.

A new mark was set up in the pole vault by acting captain Freeman Webb when he soared over the bar at 12 feet, 3¾ inches to eclipse the old mark which he and his former teammate Hathaway held jointly at 12 feet, 2½ inches. Webb also secured a first place tie in the high jump with Porter of Bowdoin, both clearing 6 feet 1 inch, only a quarter of an inch under the record.

Ken Black, star sophomore plodder, and Don Favor, outstanding weight man, accounted for ten points each toward the Maine cause, Black winning in the mile and two mile runs, while Favor secured a first place in the hammer throw and also heaved the discus far enough to win first place in that event. Black coasted into victory in the mile run, but the most sensational race of the afternoon took place when Black beat Jellison of Bates to the tape in the two mile run. At the crack of the gun Jellison was away on his customary fast start and set the pace till he rounded the last turn on the final lap. Up to this point Black had been keeping a steady pace about twenty-five yards in the rear of Jellison, but as he rounded the final turn and came into the home stretch he started to sprint. Jellison was unable to match this burst of speed and Black beat him to the tape by five strides.

In the hurdles Bowdoin made a clean sweep with Ray McLaughlin and Phil Good leading the way. Good beat out his teammate in the 120 yard high hurdles to tie the state meet record of 15½ seconds. McLaughlin came through for Bowdoin in the 100 and 220 yard dashes and also secured a third place in the broad jump to carry off the individual scoring honors of the day, gathering a total of 19 points.

In the 440 yard dash Ed Moulton put on a great finish to come from fifth place, racing down the final stretch to gather a second place. Arnold Adams of Bates had an easy time winning this event, finishing 6 yards in front of Moulton in the near record time of 49½ seconds. In the 100 yard dash Shea finished a scant yard behind McLaughlin with Mullaney close on his heels. Shea also gathered a third place in the 220 yard dash.

In the 880 yard run, Saunders, a Bates freshman, put on a spirited finish to unexpectedly capture first place from Russ Shaw. Shaw finished second with Bill Cole coming in a close third. Maine also secured a first place in the shot put when Alley tossed the shot 44 feet, 2¼ inches. Niblock of Bowdoin, the favorite in this event, was unable to compete, due to illness.

The summary:
Pole vault: Won by Webb (M); second, tie between Pope (BA) and Haver (M). Height, 12 feet, 3¾ in. (New State record).

Retiring vice-president Frankie Dean installed Ruth Todd, the new officer. Ruth is prominent in athletics, a member of the hockey and volley ball teams, treasurer of Balentine, and a member of the Sophomore Executive Committee. She belongs to Pi Beta Phi sorority.

Finally Marnie Smith installed Al Dyer, the new president. Al is an All Maine Woman, was president of the Eagles, has been for two years a Student Government officer; has done work in Panhellenic Society, Campus Board, Y, and Spanish Club. She is a member of Alpha Omicron Pi.

Student Government Council expressed their gratitude to Dean Bean, who "graduates from Maine with the Class of '33," by the presentation of a bouquet of roses.

Revisions of the handbook for 1933-34 were adopted. A notable change was a clause stating that but two candidates be selected for election ballots, thereby eliminating a second election.

A Mere Suggestion

There was a state track meet in Waterville last Friday and Saturday. It was played up in the newspapers. Bowdoin College, located in Brunswick, was favored by many to win it. The University of Maine students had a holiday so that they might attend it and cheer the team on to victory. Nearly thirty of them did so. The Maine team won. It was the fifth state track championship that Maine's team has won in six years.

Probably this is not news to anybody. Here's something else that is probably not news. School spirit is not very strong at Maine. Maine's team was good enough to win the meet with about one per cent of its students present to back the team with moral support, so necessary to athletes.

We are inclined to believe that an element of selfishness had something to do with the lack of student support at the meet. A rough estimate would say that at least five hundred students went home over the week-end. In other words they took advantage of a holiday given so that they might support their team and went home for purely personal pleasure, in most cases. True, Sunday was Mother's Day, and many went home on this account. This was not selfish and can not be criticized. Still it seems that more than thirty students should have attended the meet.

One other college in this state does not give its students a holiday unless they actually attend the meet. This means a lot of work on the part of some of the students at that institution. In order to determine who did attend the meet, it is necessary for that institution to send four men, one for each class, to take attendance at the gate as the students file in. These records are then checked with those of the persons who cut classes on the day of the meet, and the names that are not checked off are credited with cuts. That is a lot of work that should be unnecessary.

The poor showing made by Maine students at the meet may mean that the holiday will not be given next year when the state meet will be held at Bowdoin. Nothing official has come from the athletic authorities to this effect as yet, but they would be perfectly justified in not petitioning the board of administration next year. As a matter of fact, it must be rather embarrassing for them to ask the board for a general holiday so that thirty students can attend the state meet.

It is much too late to do anything about this situation this year, because the state meet is now history, and creditable history to the Maine track team. Next year, however, we shall have to make special efforts to attend the meet, and the athletic authorities will have to know that we are going to the meet, so that they will be able to obtain the holiday.

Good Work

The Campus congratulates the Freshman on the fine series of papers which have been published this year. Thru the hard work of the editor, adviser, Mr. Cecil Fielder, and, in fact, every member of the board, the paper has indeed become bigger and better than in former years.

Not only the class of 1936 but every student should be proud of the Freshman.

Attention is called to the coupon appearing with the Camel ad in this week's Campus. For a good book on how to be the life of the party with your magic tricks, clip the coupon, send it in with the fronts of five Camel packs, and you'll get a real book telling how the better magicians do their stuff.

A delicious steak roast with lots of other goodies was enjoyed by the Beta Pi Theta club last Monday afternoon. The success of the picnic was doubly insured by the beauty of the scenery at Gilman Falls.

Rudy Vallee To Visit Campus Monday; Will Play In Bangor

Rudy Vallee, the man who made the Stein Song famous, will visit the campus of the home of the Stein Song on Monday of next week.

An assembly, at which he will appear, will be held in Alumni Hall at 11:30 a.m. on Monday, according to an announcement made this morning by Alumni Secretary Charles E. Crossland.

With his Connecticut Yankees, Vallee is coming to Bangor where

he will play at the Bangor Auditorium on Monday night for the benefit of the Ellsworth and Auburn fire sufferers.

It is hoped that a luncheon can be arranged on the campus Monday for Rudy and those who knew him when he was a student at Maine some time ago. On Monday afternoon it is hoped that he and his Connecticut Yankees will attend the Maine-Bates baseball game as the guests of the University.

NEW ROAD TO BUILD AS PART OF BEAUTY PLAN

As a part of the extensive program of campus beautification now being undertaken by the University, plans have been completed for a new road of the most modern construction to be built from the Observatory to the Armory, running parallel to the present road, but much closer to Lord Hall, and construction on it will begin in the near future.

Other features of the beautification project are the planting of several rows of shade trees on the lawns in front of the Arts and Sciences building and Crosby Mechanical Laboratory. Beautiful shrubbery and flower beds are being prepared in both the front and rear of the Arts and Sciences building, and around its new wings.

DON CORBETT ELECTED PRESIDENT OF I.M.A.A.

Donald P. Corbett, Kappa Sigma, was elected president of the Intramural Athletic Association at a recent meeting of that organization held in the M. C. A. Building. He has been a member of the Intramural for the past three years.

John Leddy, Beta Theta Pi, was elected vice-president; John Venskus, Phi Mu Delta, secretary; and Frederick Bendtsen, Sigma Nu, treasurer.

The work of Prof. John H. Magee, of the Department of Economics and Sociology, entitled "Moral Hazard" is to be published this month by the Insurance Institute of America, whose headquarters are in New York City.

The work is a study of the hazard to insurers growing out of incendiary fires, and abnormally motivated fire setting, and is the outgrowth of an accumulation of data and study of case records over a period of years.

Prof. Magee was one of the seven men chosen last year in the United States for the distinctive honor of election to the Fellows of the Institute of America. Each year that organization selects some work that is considered as an outstanding contribution to insurance knowledge for publication. The selection of Prof. Magee's work this year wins for him national recognition in the insurance world.

ORGANIZATIONS ASKED TO HELP IN LOAN FUND DRIVE

The committee conducting the Loan Fund Drive for the Student Senate and the Women's Student Government announced recently that they hope to raise a thousand dollars with the drive this year. Three lower classes have already pledged 50¢ for each member to the fund, making a total of about \$600. Student organizations have contributed \$125; the Orono resulted in a profit of \$17.70 for the Senate; and \$7 has been contributed by members of the faculty.

The committee wishes to remind those organizations that have not yet contributed or indicated by letter that they are unable to do so, to let the committee know immediately what they intend to do about the matter, since only a week remains before final examinations begin.

CROCKETT IS ELECTED SIGMA MU SIGMA HEAD

Officers were elected for next year at the final meeting of Sigma Mu Sigma, honorary psychology society, last night. Officers are: President, Wilbury Crockett; vice-president, Cynthia Wasgatt; secretary-treasurer, Lillian Wall.

An outing to Lakewood, or Bar Harbor or somewhere is being planned by the members to take place this June. This will be a grand finale to a successful year.

On Saturday the Women's Athletic Association will entertain representatives from numerous Maine high schools at the fifth annual High School Play Day. Games and stunts will be carried out during the day supervised by upperclass girls under the direction of Miss Lengyel and Miss Rogers. HIGGINS TEAM BEATS FRESHMEN BY 13-12

Higgins Classical Institute overcame the Maine freshman baseball nine on Alumni Field Tuesday afternoon, by staging a ninth inning rally which was aided by the poor performance of the Maine infield. Maine was leading when Higgins came to bat in the ninth but successive errors coupled with a hit was enough to allow Higgins to push across the deciding run to win 13-12. The game was a seesaw affair throughout, and ragged fielding accounted largely for the runs scored by both teams. Fitzpatrick starred for Maine getting two hits in two trips to the plate, one of which was a home run. McDonald and Felt of Higgins also knocked four baggers.

COLBY GOLFERS TRIM MAINE TEAM, 6½-1½

PLAY CLASS TO PRESENT DRAMA NEXT WEDNESDAY

Enter Madame, the last major performance of the Play Production Group this year, will be presented Wednesday evening in Alumni Hall at 7:30 p.m.

The play, directed by Professor Mark Bailey, will star Arlene Merrill as Madame Lisa Della Robbia, and Everett Page as Gerald Fitzgerald, Madame's husband. Enter Madame was played on campus several seasons ago and was an overwhelming success.

The cast of characters: Gerald Fitzgerald, Everett Page; Madame Lisa Della Robbia, Arlene Merrill; Mrs. Flora Preston, Alice Sisco; Tokio, Prescott Ward; John Fitzgerald, Elston Ingalls; Aline Chalmers, Virginia Young; Bill, Lora Brown; the Doctor, Errol Higgins; Miss Smith, Cora Barton; Archimede, Ludwig Long.

George E. Hammond, of Eliot, who died at his home in Eliot, May 13, was the last living graduate of the class of 1872, which was the first one to go out from the University, then the Maine State College of Agriculture & Mechanic Arts.

Mr. Hammond was not only the last graduate of this class to pass, but was also the oldest living graduate of the University.

He entered the institution as a sophomore, coming from his home town of Eliot, where he has since spent the major part of his life. His daughter, Miss Gertrude E. Hammond, is an alumna of the University, class of 1927.

Within the short space of a year, three graduates of this class have died. Benjamin F. Gould, of California, in April, 1932; George O. Weston, of Madison, February 2, 1933. There are still three of the non-graduate members of the class living.

The Sophomore Chi Omega's gave a picnic supper to their sorority sisters—hot frying pans sizzled on the Ledges, about 5 P.M. Monday night. Bracing winds, the fragrant odor of coffee and pine needles in the cream, all contributed to make it a real Maine picnic.

The All Maine Women held their initiation Monday morning at six o'clock at the Ledges. Following the initiation a breakfast was given by the All Maine Women of '33 to the new initiates and to the new honorary members who are Miss Pearl Greene, and Miss Marion Rogers.

The recently named All Maine Women are: Marion Dickson, Merritt Dunn, Evelyn Gleason, Josephine Mutty, Doris Hutchinson, Rose Snider, Eleanor West, Hazel Scully, Bernice Wilson, Elizabeth Tryon, Elizabeth Hilliker (omitted by mistake in last week's Campus), Fern Allen, Dorothy Davis, Mildred Haney, Shirley Young, Ruth Libby, and Ruth Harding.

The committee in charge was: Philip Linn, Donald Corbett, and Marcus Hallenbeck. The chaperons attending the formal were: the house matron, Mrs. Annie Webster, and Mr. and Mrs. Paul Bray. Chaperons for the informal were Mr. and Mrs. Stetler.

Many couples from other fraternities dropped in for a few dances throughout the evening. And 12 o'clock Saturday night ended a gay Kappa Sigma week-end.

Members of the Maine Outing Club held a steak roast last Thursday at Piney Knoll. About twenty-five students, together with Mr. and Mrs. Wallace, indulged heartily in steak, rolls, pickles, chocolate doughnuts, and coffee.

Winifred Cushing and Roger Cameron gave interesting reports of their trip last week to the Outing Club convention at New Haven, Conn. Definite plans were made for an all-day canoe trip to be taken Sunday, May 21, up Chemo Stream, and for a trip to Mt. Katahdin to be taken directly after school closes, with the Bates Outing Club.

All those interested in participating in these trips are asked to get in touch with Roger Cameron at Oak Hall.

Prof. and Mrs. R. M. Peterson recently entertained at their home on Bennock Street the teachers of the Spanish department, the Spanish majors and others who have completed substantially the work of major students, and the newly elected members of El Circulo Espanol.

Frosh-Soph Banquet Held In Balentine

Balentine Hall was the scene last Wednesday night of the annual Sophomore-Freshman Banquet, formerly called the Eagle Banquet but renamed with the disbanding of that organization.

The toastmistress for the occasion was Ruth Harding, president of the Eagles, who introduced each speaker with a clever bit of wit. Betty Barrows extended greetings from the All Maine Women. Elizabeth Shiro gave the freshmen a welcome, promising the cooperation of the class in executing the plans for the new sophomore-junior council under the direction of the All Maine Women, to better supervise the freshman women. Miss Wilson gave a talk on "Class

Spirit," concluding with a plea for more group singing, as a fine medium for co-operation.

Miss Harding then introduced Dean Bean who is leaving this year to enter the study of medicine. She expressed her confidence in the new plans and said that she felt sure that she might always point back to the Maine campus and say proudly that she was there once.

The pledges to Neai Mathetai were announced by Doris Lawrence, president of that society.

Grace Quarrington, president of the All Maine Women, announced the sophomores selected by that organization: Margaret Avery, Agnes Crowley, Miriam Linscott, Annie MacLellan, Lucinda Ripley, Louise Rosie, Ella Rowe, Jean Walker.

Ruth Harding announced the freshman members elected by the Eagles: Rena Allen, Marie Archer, Alice Campbell,

Anna Eliasson, Margaret Harriman, Elizabeth Philbrook, Louise Steeves, and Elizabeth Shiro.

BOWDOIN TAKES LOOSELY PLAYED SERIES TILT 14-11

Early Lead Gives 3-Run Margin to Visitors, Winning Game

Maine's championship hopes in baseball took another backward lunge yesterday afternoon when Bowdoin pushed a run across the plate in the ninth inning to clinch the game, 14-11, though they already had a two run lead. The game was good in spots and terrifically loose in other spots, as indicated by the fourth and eighth innings in each of which both teams scored five runs.

Bowdoin, however, had taken an early lead in the first and third innings, which the Maine team was unable to overcome. Five errors on the part of the pale blue combine were largely responsible for the Maine defeat. Win Hoyt began the game on the mound for Maine and laid down six men via the air route in three and two-thirds innings, but Bowdoin's heavy hitting in the fourth inning was too much for him, and he was replaced by Hal Hall. Means did the pitching for the winners, but secured no strike-outs.

SPORTS SPIELS

By BOB BERG

It was a pleasant surprise to us last Saturday after the state meet was over to find that the pale blue tracksters were up on the top again. You will remember that in last week's paper we published a forecast of the meet, which gave Bowdoin 58 points; Maine 50½; Bates 20½; and Colby 6. The outcome of the meet was somewhat different, thanks to the hard work of the entire pale blue team and to the untiring efforts of Coach Jenkins.

Tennis weather is here in full swing and this afternoon the Maine tennis team, still somewhat in its infancy, will take on the Bates racquetballers at Lewiston. In their first match of the season the Maine team lost to Colby, 6-3, but since that time they have had considerable practice and seem to be in much better condition. The tennis team had been working under difficulties during the past three years, and the sport is not recognized as a letter sport, but is recognized by the Athletic Association in that the schedules of the teams are approved by that body.

According to all reports the Black twins caused a good deal of consternation on the part of one of our rival college's coach at the state meet. It seems that, being unable to distinguish between the two experts, this fellow claimed that Ken ran one race, and Ernie, the other. If this is true, the criticism is anything but complimentary. However, there is no use even writing about such an absurd thing.

Our hats are off to Freeman Webb, who once again broke a record in the pole vault at the state meet in Waterville. His performance is especially outstanding since his breaking of the record was the only such event at the meet. As a rule there are several records broken at the meets each year. He deserves especial credit also, for breaking the record in such thick weather.

balls: Sanborn 5, Hildreth 2. Stolen bases: Hempel 2, Kent, MacBride. Hits off Hall 7, Hoyt 7, Means 11. Umpires: McDonough and Libby. Scorer, Canders.

MAINE USES THREE PITCHERS TO TRIM COLBY TEAM, 5-4

Coming from behind a four run lead with a three run rally in the lucky seventh, the Maine baseball team defeated Colby, 5-4, on Alumni Field Monday afternoon, in a game played rather loosely, because of the high wind prevailing throughout the game.

Johnny Wilson went in as a pinch hitter in the seventh with the bases loaded, and smashed a hard drive into deep left field scoring three runs. In the eighth the Maine team tied the score, and in the ninth Hal Hall walked, stole second, and came home when Jim Sanborn drove the ball to Sawyer, Colby's third baseman, who made a wild throw to first.

Intramural baseball is getting under way with a vengeance and quite a few real games have been played to date. Some of the A. T. O's feel that they did not get an even break the other night when Don Green, umpire, called a runner out before the ball had been caught. It is possible that in their anxiety to win the game, they actually convinced themselves that the ball had not been caught, and it is also possible that the reverse was true.

When weather like this comes along it makes us feel the need of a swimming pool even more than usually. We know that money doesn't grow on trees and that it takes money, and plenty of it, to build a swimming pool, but just in case any alumni with too much money happen to read this humble column remember that the ability to swim is an important part of anyone's education.

Jenkins Taking 2 State Champs To N.E.I.C.4A Track, Field Meet

Coach Jenkins' Pale Blue State Champion tracksters, entering the final stretch of a so far undefeated season, will compete in the New England Intercollegiate Track and Field meet to be held in Cambridge Friday and Saturday. In addition to those who scored in the State Meet, Maurice Goddard, Harry Booth, and Wilbert Pronovost will also make the trip.

Freeman Webb is one of the outstanding pole vaulters in New England and should show up well in this competition. Webb won the pole vault at the University Club meet in February at 12 feet 9

inches to outjump even the Class A vaulter. In addition, Webb recently set a new State record in his feature event. The sturdy vaulter will also be one of Jenkins' leading entries in the high jump.

In the one mile run, the Pale Blue mentor will depend on Ken Black. Black won both the mile and two mile runs in the State meet, and is expected to turn in a good performance this week.

One of the leading Black Bear entries will be Don Favor, a second "Rip" Black. The Blonde Viking proved his worth last week in practise when he threw the 16 pound hammer more than 170 feet. Favor is also State champion hammer thrower

Yes, I have heard about two words; and now and then three words—but "They Satisfy" means "To gratify fully."

Why do these two words "they satisfy" fit Chesterfields? Because Chesterfield Cigarettes are milder. Because Chesterfield Cigarettes taste better.

Chesterfield's way of blending and cross-blending fine Turkish and Domestic tobaccos brings out better flavor and aroma.
