DEDICATION OF NEW GYM TO BE FEATURE OF COMMENCEMENT

Event To Take Place June 10

Exact Details of Program Not Yet Complete

Dedication of the new Memorial Gymnasium, the peak of an epoch-making completion, is to be a feature of the program June 10 at the conclusion of the University's annual activities, according to Edward H. Kelley, president of the University.
This Memorial Gymnasium is a gift to the University of Alumni and friends, and to the greater service of the University in the World and in the Community.

A special committee has been appointed to plan the program for the occasion, including Harry D. Watson '08 of an unknown city, chairman, the above-named committee, and the following members as follows: C. F. Crannel '08, L. H. Hamilton '20, G. O. Huby '71, C. H. Sunset '73, and E. H. Kelley '00, president.

The memorial consists of two units—the new gymnasium proper, which was completed in 1920 and the gymnasium which is to be dedicated today.

The decision to proceed with the construction of such type of memorial was made in 1919 at the request of the alumni and the students, with the idea that the gymnasium be a memorial to all alumni who had served the University in the past, who were then serving, and who are now serving the University.

The indoor field which was completed in 1920 was, at the time of its erection, the largest indoor field in the State, and is today, the second largest, the newest, and the most commodious in New England.

In 1923 and 1925, additional facilities were added in the form of the indoor track and the tennis courts.

The gymnasium which is now under construction will be, for the present, in addition to fulfilling the needs of the University for general purposes, and for use by various sports and races, for such social functions as the Men's, Women's, and Majors' assemblies. The balconies have a seating capacity of 1,400, and the hardwood floor and chairs, and this capacity can be greatly increased by placing seats or bleachers on the main gymnasium floor.

The new sports association which members have not yet been announced as such, will be housed in the new gymnasium when it is completed.

Tuition costs of $60.00 per annum will be charged to all students who take place in the new gymnasium, and will be payable in the first year.

Nine Speakers at Last Post Prandial Meeting

Post Prandial held its second and last meeting of the year Tuesday evening at 6:30. The topic discussed by the members was the field of progressive education, with emphasis on education involving a simplification of the school curriculum.

Following the speeches of the members, Dr. John A. Barr, professor of Latin and Greek, spoke on some suggestive changes in the Latin curriculum.

Post Prandial was formed for the purpose of discussing current events and problems in education, literature, and thought. The purpose of academic discussion is to promote acquaintance and understanding among the students.

Dr. John A. Barr was the speaker for the evening and gave his views on the subject of progressive education.

In conclusion, Dr. John A. Barr emphasized the importance of education and the need for understanding among the students.

SPORTS SPIELS

BY BOB BERG

It was a pleasant surprise to us last Saturday when the state meet was over to find out that the blue tracksters were on the top again. You will remember that last week's paper printed a report of the meet which gave Bowdoin 35 points, Maine 181; Bates 282; and Colby. The outcome of the meet was somewhat different, thanks to the early, complete, and unrelenting efforts of the Maine team.

Maine defeated Wilkes, 7-3, in the first and third innings, while Bowdoin, barely hitting in the fourth inning, was out by that score in the second and fifth innings. The outcome of the meet was quite different, however, and the results were unusual in each of the six innings.

Five errors on the part of the pale blue tracksters were more than enough for Maine. Win Hoyt began the game on the mound for Maine and had his batmen six out on the air in three and two out innings, but Bowdoin's heavy hitting in the fourth inning was too much for him, and he was replaced by Hal Hall.

Maine's championship hopes in baseball, however, had taken an early lead in the first and third innings, which the Maine team was unable to overcome. The outcome of the meet was quite different, however, and the results were unusual in each of the six innings.

Talbot in the fourth inning was too much for him, and he was replaced by Hal Hall.

Maine defeat. Win Hoyt began the game in spots and terrifically loose pitching in the fourth inning was too much for him, and he was replaced by Hal Hall.
