MARY ELLEN CHASE IS GUEST SPEAKER IN LAST ASSEMBLY

Scholarship Awards Will Be Made Tuesday

A fitting conclusion to the program of assemblies for the year will be the observance of Scholarship Recognition Day, on Tuesday morning, May 1st, at 9:30. This annual occasion celebrates the central purpose for which the University exists and honors those who throughout the year have won special distinction as students. The announcement of scholarship and prize awards will be made by President Boardman. Music will be provided by the University Band.

This year's observance is made particularly significant by the presence of one of the most distinguished graduates of Maine as guest of honor and speaker of the day. Mary Ellen Chase, B.A. '09, Litt.D. '28, Professor of English Literature at Smith College and author of many well known literary works, will give the address, on "The Larger Life in Books."

In addition to the degrees mentioned above, Miss Chase received her M.A. in 1918 and her Ph.D. in 1922, from the University of Minnesota, and the degree of Litt.D. from Bowdoin in 1933. From 1918-22 she was instructor in English at Minnesota, and Assistant Professor from 1922-26. She joined the faculty of Smith College in 1926 as Associate Professor of English Literature, and since 1929 has been Professor. She is a member of the Walpole Society, The Modern Language Association of America, The American Association of University Professors, and Phi Beta Kappa.

A long and varied list of valuable contributions to American literature has come from Miss Chase's pen, including *His Birthday*, 1915; *Mary Christmas*, '26; *Uplands*, '27; *Thomas Hardy from Serial to Novel*, '27; *The Golden Asse and Other Essays*, '29; *Constructive Theme Writing*, '29; *The Silver Shell*, '30; *The Goodly Heritage*, '32, as well as short stories, essays, and reviews in *Harper's*, *Scribner's*, *Atlantic Monthly*, *Yale Review*, and similar periodicals.

The public is invited to attend this Assembly, in the new Memorial Gymnasium, at nine-thirty.

PANHELLENIC COUNCIL OFFERS NEW \$50 AWARD

The University of Maine Panhellenic Council is offering for the first time a scholarship of fifty dollars to be awarded on Junior Chapel Day.

The requirements for this scholarship are that a woman student has a point average of 2.5; she must be an initiated member of one of the sororities on campus, must be in need of help, and must have good character.

All applications must be made by letter, which should be addressed to Dorothy Rosen at Balentine Hall.

NOTICE

Students in the College of Arts and Sciences will register for next fall semester between 8 a.m. April 30 and 12 noon May 12. Freshmen will register at the office of the Dean, sophomores and juniors with the head of the department in which they expect to major. Sophomores who desire a conference with the Dean before deciding upon a major subject should report to his office as soon as possible. All students should arrange for an appointment with their major adviser at once.

Article in Weekly Magazine, Time, Gives "Low-Down" on Maine Customs

Editor's Note—How little the reading public of the country knows of the University of Maine is well illustrated by the following article concerning the University appearing in a current issue of Time, a weekly magazine.—Ed.

Everyone knows two facts about the University of Maine, but few outside New England can supply three. Last week news readers learned that the University whose hymn is the "Stein Song" and which once harbored Hubert Prior ("Rudy") Vallée, had elected a new president, LaFayette's Dean Arthur Andrew Hauck.

University of Maine is tucked away 68 mi. up the Penobscot River at rustic Orono (pop.: 3,400), eight miles above Bangor. It started out in 1868 with twelve students and two teachers as a State College of Agriculture & Mechanic Arts. By 1897 the school had added a College of Arts & Sciences and was ready to call itself a university. A College of Law founded in 1898 expired in 1920. A School of Education was launched in 1930. Maine's chief distinction is still in its College of Agriculture & Forestry and a College of Technology which Maine men like to think rates third in the U. S., after M. I. T. and Carnegie Tech. Maine's smaller, elder, staid rivals—Bates, Bowdoin, Colby—offer only liberal arts.

Most of Maine's 1,408 students, one-third of whom are women, come from the

State's farms and small towns. A student who dresses up is a sissy and one who fails to shout "Hello" at everyone he meets on the campus is a snob. Men wear corduroys and sweaters, add sheepskins and knee boots when it gets cold. For fun they go off on hunting & fishing trips, hoot and stamp their boots in Orono's lone cinema theatre. Each spring freshman and sophomore boys take three days off for their class fight. This year freshman and sophomore girls put on a tussle. Maine goes in hard for athletics, put up a \$450,000 gymnasium last year and calls its football team the "Black Bears." The University color is baby blue.

Three years as dean at LaFayette have been enough to make Arthur Hauck the campus' best-liked man. He is 41, solidly built, vigorous, and a college president once described him as "genial, serene, unselfish, kind, modest, patient, sympathetic and lovable." Son of a Methodist minister, he was born in Springfield, Minn., has degrees from Oregon's Reed College and Columbia, has been teacher & administrator at Antioch, Honolulu's Punahou School and Vassar. He has a son and daughter in high school, never misses an athletic contest if he can help it. Author of *Better Understanding Between Canada and the United States*, he looks forward to Maine because it will bring him nearer Canada, give him a chance to indulge his love for fishing.

FINAL MASQUE PLAY WILL BE PRESENTED DURING JUNIOR WEEK

Jane Stillman To Play Star Role; Many Experienced Actors Are in Cast

Work on "The Late Christopher Bean," the last Masque play of the current season which will be presented on Wednesday and Thursday evenings, May 2 and 3, in the Little Theatre, at 7:30 o'clock, is progressing especially well.

Jane Stillman '37 has been selected to play the role of Abby. From all evidence this is an admirable choice. She has unusual stage personality and technique and seems to understand the interpretation of her part, and is working with particular vigor and interest. The theme of the play is built around this character—a theme that is compelling in its credibility and probability.

Theodore Wood '35 is portraying the part of Dr. Haggett. He achieved local dramatic notice with his excellent work last fall in "Councillor at Law," and in this play he promises to outshine his previous work. Dr. Haggett is a shrewd New England country doctor who recognizes the value of a bargain, and Wood is giving a faithful reproduction of the character.

A welcome addition to the cast is Lucinda Ripley '35, secretary of the Maine Masque. Her absence from the local stage has been a disappointment to the lovers of the drama. She has not appeared in a campus production since her memorable work in "Uncle Vanya," and her return to the stage in this play is refreshing news. She is one of the most finished actresses in the University, and invariably her presence on a stage adds feeling and sparkle to a drama.

Another veteran of the Masque is Roy Holmes. He returned to school last fall after a year of dramatic work on the professional stage, and is enthusiastic about renewing his amateur work here at the University. Previously he has been seen in character portrayals, but this time he has a straight juvenile part.

Richard Wooster, appearing in his fifth Masque production within a period of three years, is a worthy supplement to any amateur cast. He will be remembered for his remarkable work in "Uncle Vanya" and "Death Takes a Holiday." His ingenuity and theatre sense, combined with an unusual understanding of character interpretation, insures polished and satisfactory entertainment.

"The Late Christopher Bean" depends primarily on the clever situations, the surprising twists of plot, the piquant development of character, the bit by bit unfolding of the history of Bean himself. There is enough of this humor, sometimes

CAMPUS BANQUET TO BE HELD TONIGHT AT BANGOR HOTEL

Gold Keys and Shingle Awards Are To Be Presented To 1933-4 Board

The annual banquet of the Maine Campus Board will be held tonight at the Penobscot Exchange Hotel in Bangor. The committee in charge, which is made up of Anne Eliasson, chairman; Elizabeth Philbrook, and James Day, has arranged a program in accordance with both tradition and modern trends in journalistic fields.

James DeCourcy, retired *Campus* editor, will act as toastmaster. Mr. Gannett, faculty adviser to the *Campus* Board, and James Moreland, instructor in journalism, have been invited. Mr. Moreland will be the speaker of the evening, and, following his address, the new members of the board will be called upon to say a few words.

Shingles will be awarded to all who have worked on the publication during the past year, and gold keys will be awarded to members of the editorial staff. It is hoped that all members of the old and new boards will be present.

Gold keys will be awarded to the following editors: Editor-in-chief, James E. DeCourcy '34; associate editor, Fern Allen '34; managing editor, Philip Pendell '35; men's news editor, Burton Mullen '36; women's news editor, Cynthia Wasatt '35; sports editor, Robert Berg '34; society editor, Anna E. Eliasson '36; feature editor, John Willey '35; business manager, Stanwood Searles '34; circulation manager, Stanwood Searles '34; circulation manager, Gerald Slossberg '36; faculty adviser, James Gannett.

Shingle awards to members of the editorial staff will be given to the following persons, as well as to members of the editorial board: Richard Adams '36, Rachel Adams '34, K. Stanford Blake '37, Carolyn Currier '36, Paul Garvin '36, Velma Colson '35, James Day '36, Max Fitch '36, Elizabeth Gifford '36, Margaret Harriman '36, Elston Ingalls '35, Roger Levenson '36, Elizabeth Philbrook '36, Bettina Sullivan '36, Jane Sullivan '37, Margaret Asnip '36, Roland Gleszer '36, Ruth Goodwin '36, Jeannette MacKenzie '36, Dorothy Moynihan '35, Ernest Saunders '36, Margaret Sewall '36, Louise Steeves '36, and Paul Wilson '37.

ACCIDENT VICTIM BETTER

George Buker '34, Phi Mu Delta, who was injured in an automobile accident a week ago Tuesday, is now slowly recovering at the Eastern Maine General Hospital. Buker is suffering from a fractured kneecap which will probably keep him out of college for the rest of the semester.

Joseph A. Chucka Named Dept. Head In Aggie College

TO SUCCEED SIMMONS Has Made Investigations In Biological Field At Maine

President Harold S. Boardman has announced the appointment of Joseph A. Chucka as head of the department of Agronomy and Agricultural Engineering of the College of Agriculture at the University, effective July 1. He will succeed Professor George E. Simmons, who recently resigned.

Dr. Chucka has, since July 1, 1930, been associate biologist in the Maine Agricultural Experiment Station and has done outstanding investigational work in his field, authorities claim.

He is the author of several articles in relation to investigational work, but is probably best known, it is said, in relation to the research work he has done pertaining to the humus content of the soil, and more recently the contribution he has made in the discovery of the importance of magnesium in potato production.

In addition to the investigations relating to potato production which Dr. Chucka has done, experimental work at the Highmoor Farm, Monmouth, has been started to show the kind, amount, and method of application of fertilizers for sweet corn and beans.

Dr. Chucka will devote one half of his time to the research work of the Experiment Station, and the other half to his teaching duties in the College of Agriculture.

HIGH SCHOOLS GATHER FOR K.G.P. CONFERENCE

Annual Journalistic Conference Will Be Held on Campus Friday and Saturday

The twelfth annual journalistic conference, sponsored by the Kappa Gamma Phi honorary journalistic fraternity, will be held on campus Friday and Saturday of this week. James DeCourcy '34, president of the fraternity, is in charge of the arrangements for the conference.

The delegates, who will be greeted by the University officials on Friday afternoon, are from the following high schools: N. H. Fay High, Dexter; Bar Harbor High; Caribou High; Cony High, Augusta; Deering High, Portland; Bangor High; Edward Little High, Lewiston; Stephens High, Rumford.

The delegates will present their various papers for discussion. Judges will then pick the publication which they believe to represent the highest journalistic standards. Suitable awards will be presented to the winning newspaper, magazine, and yearbook. Judges have not yet been announced.

The winner of the newspaper competition of last year was Deering High. Bangor High won in the magazine field, and South Portland was judged to have presented the best yearbook.

Delegates to the conference are as follows: Munzi Casavola, Nathan Hubbard, Elmer Seavey, June Curtin, James Curry, James Salisbury, Janet Higgins, Iris Mills, Roger Bouchard, David Soule, Martha Packard, Gladys Youngs, Artemus Weatherbee, Edwin Young, John Bedell, Frank Lord, Paul Wheeler, Glenice Mower, Irene Dorey, Douglas Evans, and Eleanor Buck.

The program of the conference is as follows:

STAFF FOR 1938 BIBLE IS RECENTLY SELECTED

According to an announcement of April 24, the staff for the 1938 *Freshman Handbook* will be as follows: Editor, Willett Rowlands, present editor of the *Freshman*; Associate Editors, Jane Sullivan and K. Stanford Blake; Assistant Editors, Frances Jones, Elizabeth Gardner, Elizabeth Dill, Paul Woods, Elizabeth Ashby, Howard Staggs, and Robert Carr. Advertising Managers are Robert Ohler and Robert Laverty. Assistants are William Hooper and Florence Shannon.

MAINE ATHLETIC BOARD DECIDES TO WITHDRAW FROM SCHEDULED MEET

"Pass in Review" Soon To Echo Upon Alumni Field

"Pass in Review!" and again the R.O.T.C. unit of the University of Maine parades before the critical eye of the inspector, at the annual inspection.

Shine up the shoes and ornaments and press the uniforms, soldiers, in preparation for the inspection to be held May 23 and 24. Better have your military lessons done too, for the inspector visits the classes! So let's be smart both in military knowledge and appearance when Col. Joseph F. Gohn of Boston, inspects us.

GEORGIANS TO PLAY FOR JUNIOR DANCE

Colorful Promenade Will Be Held May 4

Junior Week will reach its climax in the traditional promenade which will take place in the Memorial Gymnasium on Friday evening, May 4. The Georgians, who have played for many of the larger dances at the University of Maine this year and have one of the finest orchestras in Maine, will furnish the music.

In the receiving line will be: President and Mrs. Harold Boardman, Dean and Mrs. Paul Cloke, and Dean Edith Wilson as patrons; and Mr. and Mrs. Stanley Wallace as chaperons. Members of the dance committee are: Harold Lord, chairman; Vivian Clemens, Lloyd Koonz, Willard Crane, and Donald Murphy.

Invitations to the Prom are issued to members of the Junior Class; others who wish to attend must buy them from Junior.

UNIVERSITY ALUMNI HOLD THREE MEETINGS

Record Crowd Meets in Portland; Dean Mullenburg Speaks At Rockland

Three University alumni associations are holding meetings this week at which representatives of the University will be present and speak.

On Wednesday, April 25, members of the Penobscot Valley Alumni Association assembled at the Penobscot Valley Country Club. Professor Maurice D. Jones '12 is president of this association. Dr. and Mrs. Harold S. Boardman were the guests of honor, with Dean A. L. Deering '12 and Professor Charles P. Weston '96 as speakers.

Dr. James Mullenburg and Alumni Secretary Charles E. Crossland '17 are to journey to Rockland for the annual meeting of the Knox County Association on Thursday of this week. They are also to attend an address of the Somerset County Association at a meeting to be held in Skowhegan Friday. This is an organization meeting, there being no local alumni association in Somerset County at present.

Last Friday the largest meeting of University of Maine men ever held off the campus took place in Portland. Over one hundred fifty men were present to enjoy a program consisting of dinner, speaking by Dean A. L. Deering and Alumni Secretary Charles E. Crossland, music, singing, and sports.

BETA KAPPA CHOOSES 1934 HOUSE OFFICERS

The following house officers for Beta Kappa fraternity were recently elected: president, Glendon Soule; vice-president, Theodore Woolston; scribe, Richard Stoddard; treasurer, Maurice Tebetts; social committee, Almon Cooper; intramural delegate, Milt Owen.

Action Was Taken at Wednesday Meeting Of Board

DUAL MEET IS PLANNED

4-College Athletic Rift Brought About by Eligibility Rule

Climaxing an athletic wrangle between the four Maine colleges over the eligibility of two Bates College athletes, the Athletic Board of the University of Maine decided at a meeting held Wednesday afternoon not to enter a Maine team in the State Track Meet, which was originally scheduled for May 11.

Inasmuch as Bates and Colby withdrew from the meet some time ago, the withdrawal of Maine means that there will be no meet this year.

At the meeting of the board, it was also voted to accept an invitation extended by Bates on April 23 to the University of Maine for a dual meet to be held on May 12.

The following is the complete statement of the action taken by the Board as issued by Faculty Manager of Athletics Theodore S. Curtis:

"In striking contrast to the harmonious and cordial relations which have generally existed between the University of Maine and its competitors in all branches of sport, are the long-standing and continued unsatisfactory conditions in track athletics as conducted under the auspices of the Maine Intercollegiate Track and Field Association.

"Several times in recent years the pending withdrawal of the University of Maine from this competition has been postponed by temporary or partial adjustment of unsatisfactory conditions.

"Because of this continued and long-standing lack of harmony among the members of the Maine Intercollegiate Track and Field Association, the University of Maine will not compete in the State Track Meet in 1934."

UNIVERSITY ORCHESTRA IN COLLEGE MUSIC FEST

The University orchestra will participate in an All-Maine intercollegiate musical program to be presented at Colby College, Friday, April 27, by the combined orchestras of Bates, Bowdoin, Colby, and Maine.

The Maine orchestra, under the direction of Professor Sprague, will play *Silhouettes*, a group of six tone-pictures from Spain, France, Italy, America, Egypt, and Ireland, by Hadley, and selections from *Ballet Faust*. In addition, the string quartet, consisting of Elizabeth and Ruth Kimball, Elizabeth Gray, and Frances Jones, will contribute to the program, as will Albert Schriver, 1937, a violin soloist. In arranging the entire program, an attempt has been made to have contrast and variety in the type of selection presented.

A list of the members of the university orchestra follows: Violins: Sylvia Alpert, Woodford Brown, Esther Carr, Elizabeth Gray, Sidney Hirshon, Dorothy Jones, Ruth Kimball, Albert Schriver, Kenrick Sparrow, Nancy Woods, Barbara Wyeth, Pauline Calvert, Stanley Young; Violas: Frances Jones, Gertrude Titcomb, Shirley Young; Violoncellos: Douglas Carr, Ruth Hinkley, Bernice Hopkins, Elizabeth Kimball; Bass: Lawrence Mann; Oboe: Leo Viner; Clarinets: Frances Lord, Dorothy Nutt, Temple Smith; Saxophones: Orissa Frost, Nelson Rokes; French horn: George Harrison; Trumpets: Elizabeth Gifford, Fred Hall, Ruth Todd; Trombone: James Boardman; Tuba: Charles Jacques; Piano: Lionel Desjardins.

Bananas--1934

What a flag is to a nation, a mascot is to a school. Rather a strong statement, but true in many respects.

Up until a few years ago, the University of Maine had, at spasmodic periods, a black bear as a mascot. The last version of "Bananas" which the University possessed had to be given up, since the students were evidently unwilling to contribute to its support.

As far as can be determined, there is no reason, outside of lack of funds to support him, why the University should not have a bear to serve as a mascot. Although we are not familiar with the standard menu of a growing bruin, it does not seem probable that it would cost more than five hundred dollars a year to support such an animal. That amount, apportioned among some 1400 students would be approximately thirty-five cents a year. Few students would object to having that amount added to their term bills.

The question of getting a suitable bear is easily solved. An alumnus of the University has made an offer to supply the bear to the school free of charge any time that it is acceptable.

The chief advantage of a mascot lies in the development of school spirit which it would stimulate, and it is an obvious fact that there is plenty of room for development here at the present.

Our fighting football team should have a mascot to make its cognomen of "Black Bears" something more than a mere synonym. Let's have a 1934 model of Bananas!

Please

Once again the grass is beginning to become green on University lawns, and once again comes the admonition to give the grass a chance, and help beautify the campus. This may well apply to faculty members along with the student body.

Getting Jobs for Graduates

From the Worcester Evening Gazette.

Back in the dear, dead days the young fellow who wanted to learn a business, profession or trade bound himself out as an apprentice until he learned it sufficiently to warrant hanging out his own shingle. Nowadays it's the custom to go to school or college to prepare for a specific vocation, for any one of several vocations, or for no vocation at all. The two systems are distinct. But now Chester H. McCall, who is an assistant to Secretary of Commerce Roper, thinks it's high time we combined them. The combination, he believes, would simplify the semi-annual puzzle of absorbing many thousands of diploma-holders into the business and professional worlds.

With June coming along the McCall suggestion is timely. The assistant secretary would like to see college graduates taken on by estab-

MAINE'S PENN RELAY ENTRANTS

"Sammy Reese" Succumbs; A. T. O. Is In Mourning

The A.T.O. House is enveloped in an impregnable mist, a gloom that seeps and eddies throughout the once gay atmosphere. Sammy Reese is dead! Fear not, for 'tis not Sammy Reese, the brutal mass of rippling muscle, but Sammy Reese the graceful goldfish. This beautiful symbol of beauty in the Pisces world met a strange and incomparable death at 11:30 A.M., Monday morning, April 23. Emergencies in a salt water solution failed to revive this denizen of the crystal globe. He turned up his tail and calmly expired.

The beloved pet was interred with all the pomp and ceremony that is accorded to even we of the Mammalian order. An exceedingly tender message of consolation, one that extolled Sammy's merits to the high heavens, was delivered to the house by Chaplain Cook.

Six stalwart warriors bore the mortal remains to a final place of rest in a hallowed spot behind the A.T.O. House. The silver casket, that formerly carried the bodies of countless sardines, now lies alone beneath the moulding sod. Chief mourner, Sammy Reese the man, cannot be consoled.

The deceased leaves a wife, Emmy, who weeps so bitterly that her bowl must be emptied thrice a day. Such is the unparalleled pain of mortal bereavement.

President Kenneth M. Sills of Bowdoin College favored Bowdoin's remaining with other Maine colleges in the State track meet according to a writup in the *Leviston Sun* following a recent chapel meeting at the Brunswick institution.

Dr. Sills deplored the attitude taken by editorial writers in the *Orient*, student publication, anent the present track row arising from the recent meeting of the M.I.T.F.A. in which Bowdoin voted against Bates' proposal.

The *Orient* article took Bates to task for its attitude over Bowdoin's stand. President Sills wants Bowdoin to stay in the Maine Meet. He advised Bowdoin not to take a lofty attitude and said they should not be "high and mighty" in such matters.

There has been some talk of Bowdoin joining a group of other colleges of its size elsewhere in New England, but judging from President Sill's talk, he is primarily in favor of keeping the Maine colleges together in athletics.

Mendall was graduated from the University in 1931. He is expected to obtain his Master's degree in biology this year. His ability to conduct the work is brought out by the fact that he has studied biology and ornithology from many angles, and last summer he was employed by the Sea and Shore Fisheries Commission to make a survey of shore birds from the standpoint of the fishing industry.

lished business concerns at small pay and placed so they may work themselves cheaply and unobtrusively into the workaday world. It's a high-minded idea, but rather vague.

After several years of school, the average college graduate needs more than apprentice pay if he's to survive; for father's checkbook, if any, usually shows signs of wear along about commencement time. Apprenticing would also necessitate some juggling with the NRA codes, for even a college graduate, despite the joke-smiths, can make himself useful and might displace a higher-waged employee, to the latter's discomfort.

And as a matter of fact, employment of newly-graduated college boys and girls has already been more or less on an informal apprentice basis for a number of years, although no one seems to have thought of calling the young folks apprentices before.

MAINE TEAM LEAVES PLAY DAY PROGRAM FOR 40TH ANNUAL PENN RELAY MEET

Four members of Maine's crack two mile relay team will pack their spikes and running clothes Wednesday and start on their way to compete in the 40th annual Pennsylvania Relays which are to be held at Franklin Field, Philadelphia, on Saturday. Sporting the pale blue colors will be the brothers, Ken and Ernie Black, Joe Marsh, and Bill Cole, all of whom will attempt to gain national recognition for Maine in the historic carnival.

Coach Chester Jenkins has been working his men at a stiff pace in preparation for the relays, and he expects that his runners will be able to average around 1:58 for the half mile each man is required to run. During the winter season Maine performed chiefly on board tracks, and they defeated some of the best teams in New England. Running the two mile relay in 8:02 at the B.A.A. games in Boston, Maine defeated such sterling opposition as Harvard, Holy Cross, M.I.T., Boston College, Bates, New Hampshire, Colby, and Bowdoin. The pale blue runners had been defeated by Harvard the preceding Saturday in the Knights of Columbus games, but because the meet was their first, the Maine runners were unable to get used to the sharp turns of the wooden track, and lost a close race.

The winner of the relays at Pennsylvania last year was Columbia and they finished in 7:50.3. The world's record for the two mile relay was set up by Georgetown in 1925 when the quartet was clocked in the remarkable time of 7:42. This year the favorite to cop top honors is Indiana, which boasts such stellar runners as Ivan Fuqua and Charlie Hornstobel. Both men were Olympic champions in 1932, Fuqua gathering the 400 meter crown, while Hornstobel raced home the victor in the 1500 meter run. Together with Indiana will run the cream of the relayers in the country, and, with the Maine runners in top condition, the pale blue should force the favorites all the way.

The University of Pennsylvania's annual relay carnival originated in 1895, and it is now acknowledged to be an international athletic institution. The international aspect dates back to 1914 when Oxford sent its four mile relay team to compete. Since that time teams and individual athletes have come from several European countries.

The last time that Maine sent a quartet to the carnival was in 1929 when Coach Jenkins, then in his first year as Maine track mentor, entered a crack team composed of "Bud" Lindsey, Harry Richardson, Victor MacNaughton, and "Bud" Brooks which finished second in the four mile relay. The first two men were the famous cross country stars who raced home hand in hand in the National cross country run to cop the individual honors.

Ken Black has run the 880 in 1:57; Joe Marsh and Ernie Black have been clocked around 1:58; and Bill Cole has shown that he can keep pace with the other Maine men, and should be able to nish in 1:58.

Theta Chi won another intramural championship Monday night, May 23, at the Strand Bowling Alleys, when they defeated Sigma Chi for the sun berth. The match was a fast, exciting, five-string contest, with Theta Chi winning by a margin of only 48 pins. The totals were: Theta Chi 2231 pins and Sigma Chi 2183. High man for the match was Ward Fall of Theta Chi, who bowled 480.

The winners had their choice of two silver loving cups, the other went to the runner-up. A third cup went to Phi Gam, winner of the Class B division, in which Delta Tau placed second.

Play Day, an annual event sponsored by the Women's Athletic Association, has been set for May 19, and preparations for it are now being made. Twenty-three high schools in Northern Maine have been sent invitations to spend the day at the University.

Athletic contests, a picnic at Gilman Falls, stunts, and a banquet at Balentine Hall, at which Maine girls receive athletic awards, is the program for the day. The object of Play Day is to promote friendly competition among the several high schools.

The Play Day Committee consists of: Elizabeth Philbrook '36, invitations; Shirley Hatch '35, picnic; Phyllis Johnson '35, banquet and decorations; Ella Rowe '35 and Doris Newman '34, program; and Louise Steeves '36, registration.

MAINE COLLEGES ENTER MUSICAL FESTIVAL TO BE HELD AT COLBY

At the invitation of Colby College, an "Intercollegiate Music Fest" will be held by the four Maine colleges at Waterville, Friday, April 27. One hundred fifty student musicians will be assembled for this combined concert. This is the first time such an undertaking has been attempted.

There will be no element of competition involved. Contributions will be received from each college in whatever form that it feels best qualified to present. John White Thomas, the Colby Director of Music, has stated that the purpose is "an exchange of musical expression between the colleges."

The Choral Society of Bates College will give three numbers, the Garnet Trio, a women's quartet, xylophone soloist, and Sylvester Carter, baritone soloist.

A series of numbers will be presented by the Bowdoin College Glee Club and Instrumental Club, both of which have scored successes in various places during the winter season.

The University of Maine delegation will supply a different type of feature which will consist in part of the 35-piece symphonic orchestra.

Colby will contribute selections by the Capella choir, and vocal solos, including one number which has made a big hit at every concert which included it on the program: Katherine Herrick '35, singing "Going to Heaven on a Mule" with an accompaniment of the whole chorus.

Each college is to supply a half hour of music. At the end of the formal program, there will be a dance, with jazz bands from all four colleges competing with each other to supply the best dance music.

CHURCH NOTICE

Fellowship Church

April 29

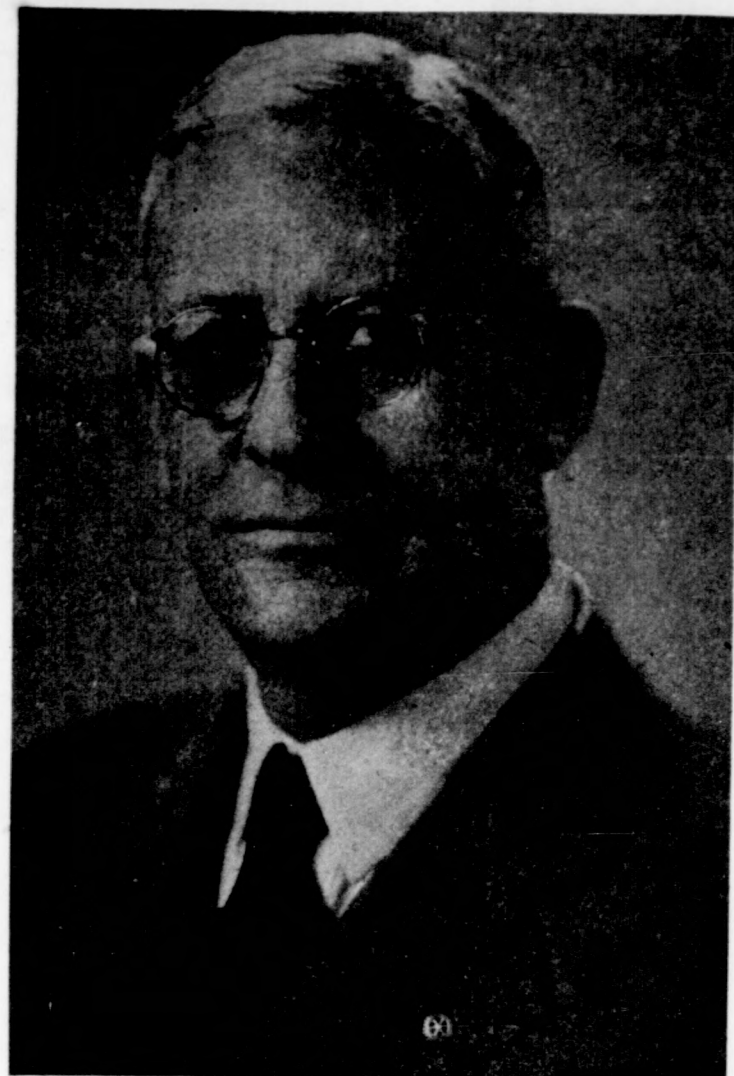

Worship at 10:30 A.M. Daylight Saving Time. Professor Claire J. Hewitt, of the Bangor Theological Seminary, will be in the pulpit, and will speak upon—"Religion and the Little Brown Church." Professor Hewitt is a specialist in rural sociology and has been very successful in the work of the country church. He has recently come to the Seminary as successor to the late Professor Ralph Adams.

Mr. William J. Cupp, baritone, will sing two numbers.

There will be no meeting of the Young People's Sunday Evening Club.

Charles E. Crossland, Alumni Secretary of the University of Maine, is attending the annual meeting of the American Alumni Council at Skytop Club in the Poconos, this week, at Skytop, Pennsylvania.

TO ADDRESS STUDENTS FOR LAST TIME

PRESIDENT HAROLD S. BOARDMAN

4 JUNIORS PLEDGED TO TAU BETA PI FRATERNITY

Four engineering students in the class of 1935 were elected to Tau Beta Pi, national honorary engineering fraternity, at the annual spring election held on Tuesday, April 24. The men elected were: John N. Hamilton, Belfast; Stanley D. Henderson, Bath; Paul I. Knight, South Eliot; and Richard A. Gallop, Ridgely.

Hamilton won the Tau Beta Pi slide rule his freshman year for having the highest average of any freshman in the College of Technology. He is a member of the tennis squad and is a Sigma Nu.

Henderson has been active in athletics since his freshman year and is one of the regulars on the varsity baseball nine this year. He is a member of Phi Gamma Delta, and a Hovey Scholarship recipient.

Knight has been an outstanding student since entering the University three years ago. He is a member of Phi Mu Delta.

Gallop was recently awarded one of the Hovey Memorial Scholarships which are presented annually to outstanding engineering students. He is a member of Sigma Phi Sigma.

THETA CHI DOWNS PHI GAM FOR INDOOR BALL CROWN

Theta Chi gathered the laurels of another Intramural championship April 19 when they defeated Phi Gam for the indoor baseball crown. Theta Chi took an early lead with three runs in the first inning, and continued to pile up runs throughout the game. The final score was 20-8. The battery for the winning team was Ed Backer and Don Brown. Theta Chi's first baseman, Adrian Downey, was outstanding in the game.

In the semi-finals of the tournament Theta Chi defeated Dorm B, and Phi Gam defeated Phi Mu Delta.

Methodist Episcopal Church and Wesley Foundation

April 29

10:30 Morning Worship with sermon "The Boot-strap Lifters." Vested choir and soloist; Professor Harry Smith, organist.

Evening Program
6:00 Young People's Fellowship Hour and Luncheon at the Wesley House.
6:45 Wesley Foundation Student Forum, with Dr. Milton Ellis speaking.
7:45 The Evening Service of Worship and Discussion. Mr. Berlew will give the message of Upton Sinclair's Novel, "They Call Me Carpenter," and lead in a discussion of the question raised.

SIXTY DOLLARS RAISED AT SISTER COUNCIL DANCE

The pretty girls on the posters for the Sister Council stag dance caused over 150 people to dig down deep into their pockets to the tune of sixty dollars last Friday night in the hope of seeing a few of them in Alumni Hall.

Whether they succeeded in their quest or not is a matter of private opinion, but at least everyone seemed to be enjoying himself as Larry's Bears filled the air with sweet music (the soft lights were missing, unfortunately).

Lucinda Ripley was chairman of the dance, with several committees under her. The chaperons were: Dean and Mrs. Lates, Dean Wilson, and Dr. and Mrs. Small.

A committee has been formed to review Prof. J. H. Waring's plans for a research project in fertilizers to be carried on in the college orchard. This committee will draw up any necessary conditions for conducting the project. The committee is: A. K. Gardner, extension crop specialist, chairman; Dr. Donald Folsom, plant pathologist in the Experiment Station; Dr. Joseph A. Chacka, associate biologist in the Experiment Station and recently appointed head of the department of Agronomy, and Prof. J. H. Waring, head of the department of Horticulture, ex officio.

ONE YEAR AGO

Gleaned from the Files of the Maine Campus of April 27, 1933

"Pick the place to which you want to go and get there." Such were the words of advice offered to Maine students by Jack Dempsey, former heavyweight boxing champion of the world, when he appeared before the student body at Alumni Hall on Tuesday afternoon.

Dempsey appeared before the students in company with Joe Jacobs, manager of Max Schmeling, and one of the most colorful figures in the fight world. The appearance of the famous fighter was sponsored by the honorary German society, Der Deutsche Verein.

Carleton O. Wilson, 19, of Medford Hillside, Massachusetts, a member of the freshman class, was instantly killed last Saturday evening when he was struck from behind by an automobile operated by Alfred M. Burr, of Old Town, at about eight o'clock. Joseph Galbraith, another freshman, who was walking with Wilson and two other boys, Gordon Stuart and Leonard Shaw, was painfully injured when hit by the same car.

With this issue of the Campus, the new staff, elected at the annual meeting held last Friday noon, turns out its first work. Roger Hefler '34 was re-elected to the position of business manager, Stanwood R. Searles '34, to the position of advertising manager, and Robert Berg '34, to the position of sports editor. James E. DeCourcy '34 was re-elected to the position of editor-in-chief.

James Moreland, instructor in the department of English, will be the speaker on the Junior Week program this year according to an announcement made this week by Kenneth Aldrich, chairman of the Junior Week committee. Mr. Moreland, one of the most popular members of the faculty, came to the University of Maine from Kentucky in the fall of 1930. Before he accepted his position at Maine, he served for eight years as Registrar of Georgetown College, Kentucky.

Miss Frances Homer, talented New York actress and creative artist, entertained a large chapel audience Monday morning with a group of character portrayals.

Miss Homer first gave a sketch entitled "Sunday Morning," an interpretation of the efficient teacher of a Sunday School class in an Episcopal parish house. Her next character was a woman of the streets who enters a cathedral to learn to pray that she may keep her baby, and finds that her unvoiced prayer is answered.

The annual University of Maine prize speaking contest will swing into action at 2:30 tomorrow afternoon when 75 speakers representing 30 high schools from all over the state give orations, serious, humorous, declamatory, and extemporaneous. Individual prizes of \$7.50 and \$3.00 will be awarded in each division.

JUNIOR GIRLS TAKE VOLLEY BALL CROWN

The junior girls' volley ball team won a game from the freshmen Thursday afternoon by a score of 55-47.

The freshmen girls emerged on the long end of a 69-25 score in a game played with the seniors Friday, while the junior team lost its only game of the season to the sophomores by a 48-30 score. The seniors and sophomores battled back and forth over the net Saturday morning in a very close match, with the sophomores finally overcoming their upperclass rivals by a 39-37 score. These games mark the end of the volley ball season, and the new champions are the juniors who won five out of the six games played.

The junior lineup was as follows: Jane Chase, Agnes Crowley, Fran Johnson, Phil Johnson, Ruth Harding, Ella Rowe, and Mildred Willard.

NOTICE

"The Three Musketeers," a French production, will be shown at the Strand Theatre on May 1. There will be two shows, one at 4:00, the other at 7:00 o'clock.

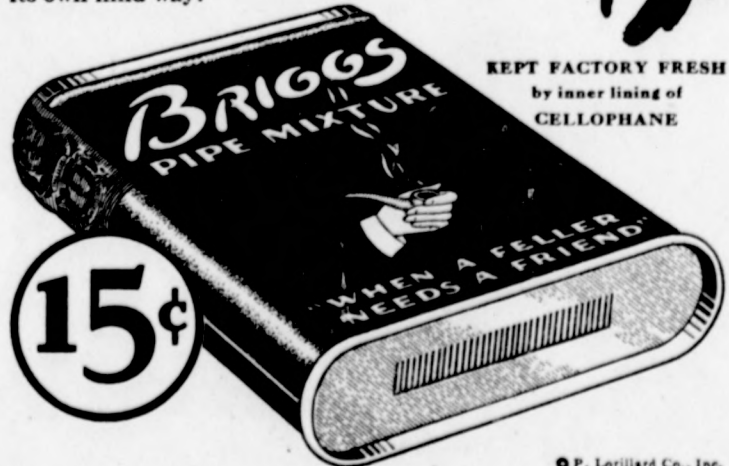

According to reviews of the picture, the action is so direct and simple that only a very slight knowledge of French is required to gain complete understanding of the plot.

My Little Newsboy

Howard L. Mendall of the biology department, has been appointed director of the scientific research group to spend the summer in a detailed study of some of the sea birds of Maine. Since his childhood, Mendall's hobby has been collecting nature specimens; now his interest in birds is turning into a vocation. The work is being sponsored by the Coe Research Fund of the University.

SPORTS SPIELS

By ROGER LEVENSON

Sports followers at Maine will watch eagerly for the results of the Penn relays to be held this Saturday. With a stellar quartet entered, Maine stands a good chance of finishing high in the scoring. Give Marsh, the Blacks, and Cole a good fast track and they should show their heels to some of the favored relay outfits. Maine was hampered in the indoor relays although they performed most creditably, by the indoor wood tracks with their sharply banked curves. On a cinder path it is a different story, for they have been practicing both indoors and out and feel more at home on the dirt than the wooden track. Coach Jenkins has high hopes that Maine will be able to keep pace with the best of them, and will be very much disappointed if each man does not crack two minutes for the half mile.

The ball team is now in the midst of their annual spring trip and if the pitching holds up should come home with a few more victories under its belt. The opener, which Maine won from Colby, gave some of the green men added confidence, and also gave Milt MacBride an opportunity to become accustomed to his new short field post, under fire. Coach Brice thinks that as soon as MacBride becomes accustomed to his new position, his hitting, which was such a potent factor in the Maine attack a year ago, will pick up. That catch of Red Walton's in the game with the White Mules certainly saved the bacon for the Pale Blue. The fact that he didn't stop and hesitate after the catch, but rather rifled a peg to first in an endeavor to catch a Colby runner off the bag, shows that he is in there thinking every second—a real baseball man.

The *Orient*, in its editorial columns, hopped on a statement made in this column by my predecessor to the effect that he urges alumni to found scholarships "to aid in attracting better athletes to Maine." That is the way the *Orient* quoted the *Campus*. If it had been written in this column in that manner it would have been a direct slam at Maine athletes, the point hinging on the words "better athletes." The columnist actually wrote: "to induce athletes to come to Maine." Again it is a question of accuracy.

In spite of what happens in regard to intra-state track competition, Coach Jenkins has been putting his men through their paces regularly in preparation for the meets now scheduled, and any that might be scheduled. On Monday afternoon he had Don Favor in the coaches' office and was showing him some moving pictures of Freeman Webb doing his stuff in the pole vault. Championship form is championship form, but a look at those pictures certainly proves that Webb was a real champ in his specialty. Whether the bar was high or low, the pictures show that he used the same faultless form which, when shown in slow motion, certainly is something remarkable to behold. Perhaps one does not fully appreciate another's ability until he has left the fold.

Coach Brice is certainly optimistic over what may be termed his "new" baseball nine. He stated to this writer before he left, "keep the columns of the paper open for three victories." And he has a right to be optimistic. That win over Colby was the tonic needed to instill a winning spirit and Maine's pitching should improve to such an extent that the Pale Blue will be a real contender for the state diadem. The first opportunity Maine fans will get to see their team in action will be May 2 when Colby's White Mules come to our renowned campus to cross bats with the home talent. Colby has already opened their campaign to defend their state crown, eking out an 11-10 win over Bowdoin in a 12 inning thriller.

Junior Week always is one of the most active weeks in the school curricula. This year is no exception, for on Saturday of that week every Pale Blue team will see action except the varsity baseball and tennis outfits. The varsity tracksters engage Springfield here in a dual meet, while at the same time the yearling track outfit will take on a combine consisting of Lee, Old Town, Orono, Brewer, and Millinocket. On the same day the freshman baseball nine gets its first taste of outside competition when they play A.C.I. here at Orono. The golf team journeys to Waterville to dig divots with Colby in the initial meet of a comparatively lengthy season.

NOTICE

Off campus students who have changed their local address since last fall, and who are not receiving copies of the *Campus*, may get their papers on the third floor of the M.C.A. any time Fridays. It is too late to revise the mailing list.

SMALL LOOKS FORWARD TO EXCELLENT TENNIS YEAR; TOURNEY STARTS SOON

A ten man team is proposed with a possibility of adding several more as the season progresses. Coach Small plans to have six singles and three doubles matches, with a substitution of at least two single entrants in the doubles.

Members of the squad include Parker Frost, ranking number one player, and Ralph Wadleigh, a promising veteran whom Coach Small is expecting to accomplish a great deal this year. Other members are John Hamilton of Belfast; Francis Lord, Old Town; Richard Lull, Augusta, and John Fogarty, West Haven, Conn.

Due to the wet weather it has been necessary for the team to practice in the Memorial Gymnasium, which fact may handicap them in the Bates matches.

Dr. George W. Small, varsity tennis coach, has seven netmen prepared for varsity competition. With the support of Ted Curtis and the added interest of the student body, this season bids fair to be the most successful yet experienced.

TENNIS CLUB MEETING PLANNED FOR NEXT WEEK

An important meeting of the Tennis Club will be held on Tuesday, May 1, at 6:30 p.m. in the M.C.A. building to which all students on the campus who are interested in tennis are invited, in order to meet Acting President Stanwood Searles, Manager Frost, and Coach Small. Election of new officers for the coming season, and discussion of rules and privileges will be taken up.

The Spring Tennis Tournament for the singles championship of the campus and the Curtis Cup, will get under way next week, and the regulations governing the contest will be decided upon Tuesday evening.

Since the time for planning the tournament is short, all those who wish to enter should hand in their names at once to any one of the above mentioned officers. The entrance fee will be fifty cents.

PALE BLUE NINE IN INITIAL GAME WIN

The 1934 edition of the University of Maine's baseball nine opened its season with an auspicious 6-5 victory over Colby's White Mules at Seavern Field Waterville last Thursday. Rusty Walton saved the game for the Pale Blue as he made a sensational one hand catch of a fly ball from the bat of Brown in the last of the ninth that was labeled for a hit. A lightning peg to first after the catch nearly caught a Colby runner off first.

Although the pale blue slabsters were wild, issuing a total of 11 walks, they held the defending state champions to seven hits. Hal Woodbury, playing in his first varsity game, led the Maine attack with two hits in five trips to the plate, while he accepted nine chances at the initial sack faultlessly.

Southern Trip Line-up

Coach Fred Brice has taken six pitchers, two catchers, and the first string infield and outfield on the annual New England Baseball trip which is now in progress. The coach stated Tuesday that, because his pitchers have not worked the full nine innings at any time as yet, he plans to use at least two pitchers per game on the three game trip. Following is the lineup which will be used:

Walton, lf
Aldrich, cf
Woodbury, lb
MacBride, ss
Sanborn or Blanchard, c
Henderson and Osgood, rf
Anderson, 2b
G. Osgood, 3b
Hoyt, Golobski, Wakely, Alley, Swank Osgood, or Henderson, pitcher.

Hit by pitched ball, by Osgood (Brown). Wild pitch—Hoyt. Winning pitcher—Golobski. Umpires—Libby, Small. Time 2:50.

The name of Marjorie E. Church was omitted from those who were initiated into the Contributors' Club on Tuesday evening, April 17.

MAINE LOSES, 5-4 FROM NORTHEAST'N

Maine's barnstorming baseball team bowed to Northeastern by a 5-4 score at Boston yesterday as Bob Tedford, husky third sacker, poled a triple in the ninth to win the game and hand the Pale Blue its first setback of the season.

The summary:

about Cigarettes

As to the cigarette paper on Chesterfields

THIS reel of cigarette paper is sufficient to make 42,000 Chesterfield Cigarettes. It is of the finest manufacture.

In texture, in burning quality, in purity, it is as good as money can buy.

Cut open a Chesterfield cigarette. Remove the tobacco and hold the paper up to the light. If you know about paper, you will at once note the uniform texture—no holes, no light and dark places. Note also

its dead white color.

If the paper is made right—that is, uniform—the cigarette will burn more evenly. If the paper is made right—there will be no taste to it and there will be no odor from the burning paper.

Other manufacturers use good cigarette paper; but there is no better paper made than that used on Chesterfields. You can count on that!

Chesterfield
the cigarette that's Milder
the cigarette that TASTES BETTER

SOCIETY

Delta Delta Delta's Spring Formal Held At Penobscot Valley Country Club Friday

The spring formal of the Delta Delta Delta sorority was held at the Penobscot Valley Country Club Friday evening, April 20. Perley Reynolds and his orchestra played for the dancing from eight until one o'clock. During the first part of the evening, the names of the 15 initiates and pledges were called and each one was presented with an old fashioned corsage.

In the receiving line were Professor and Mrs. Walter Chadbourne, Professor and Mrs. James Waring, Mr. and Mrs. James Moreland, Josephine Burrill, president of the sorority, and her escort, Robert Kiah.

Refreshments of strawberry ice-cream and coffee were served during the evening.

The committee for the dance was: Darrell Brown, chairman, Gwendolyn Roche, Dorothy Fletcher and Carolyn Lothrop.

Couples attending include: Miss Jean Kierstead, Old Town, and Kenneth Parsons, Old Town; Miss Elizabeth Rosie, Bangor, and James Jackson, Bath; Miss Lucille Spenser, Bangor, and Fred Hinton, Millinocket; Miss Hazel Scully, Auburn, and Stanley Henderson, Bath; Miss Margaret Avery, Bangor, and Roy Lawrence, Bath; Miss Phyllis Webber, Bangor, and Henry Conklin, Bath; Miss Darrell Brown, Arlington, Mass., and Brailey Gray, Old Town; Miss Mary Gray, Van Buren, and Harry MacCreedy, Taunton, Mass.; Miss Ruth Harding, Stockton Springs, and Marcus Hallenbeck, Norwood, Mass.; Miss Ella Rowe, Bar Harbor, and Joseph Galbraith, Staten Island, N. Y.; Miss Roberta Lewis, Newport, and Lowell Weston, Augusta; Miss Enid Humphreys, Jackman, and John Crosson, Millinocket; Miss June Wheeler, Millinocket, and Claude Baker, Millinocket; Miss Margaret Dodge, Bangor, and Stuart Lane, Lincoln; Miss Elizabeth Lynch, Lawrence, Mass., and Robert Crockett, Millinocket; Miss Jean Walker, Millinocket, and George Greenlaw, Masardis; Miss Helen Williams, Guilford, and Ross Palmer, Dexter; Miss Carolyn Lothrop, Providence, R. I., and Stuart Savin, Putnam, Conn.; Miss Eileen Brown, Brewer, and Charles Towle, Fort Fairfield; Miss Gwendolyn Roche, Portland, and Richard Barstow, Auburn; Miss Selma Gregory, Boothbay Harbor, and Paul McDonnell, Fitchburg, Mass.; Miss Dorothy Fletcher, Portland, and Norman Phillips, Ellsworth; Miss Josephine Burrill, Brewer, and Robert Kiah, Brewer; Miss Ruth Hinekey, Brewer, and Darrell Currie, Hartland; Miss Elizabeth Ashby, Presque Isle, and Alton Bell, Dennyville; Miss Mary Grant, Bangor and Wm. Moran, Bangor; Miss Hope Wing, Fairfield, and Kenneth Young, Andover, Mass.; Miss Faith Folger, Fryeburg, and Horton Gilman, Ellsworth; Miss Elva Gogins, Ellsworth, and Elvin Gilman, Ellsworth; Miss Gertrude Titcomb, Dexter, and Stanwood Blake, Dexter; Miss Helen Davis, Port Clyde, and Edwin Gowdy, York Harbor; Miss Audrey Bishop, Caribou, and Gordon Raymond, Robinson; Miss Helene Cousins, Stonington, and Harold Lord, Westbrook; Miss Florence Shannon, Bangor, and Philip Dalot, Bangor; Miss Alfred Tanner, Portland, and Ferguson Oliver, Boston, Mass.; Miss Frances Callaghan, Brewer, and Mr. Lamsonk, Brewer; Miss Margaret Strout, Bogota, N. J., and Murdoch Walker, Millinocket; Miss Theresa Oakman, Danvers, and Carl Honer, Hartford, Conn.; Miss Elizabeth Oakman, Marshfield, and Paul Winsor, Bangor; Miss Barbara Wyeth, Arlington, Mass., and Willet Rowlands, Needham, Mass.; Miss Patricia Tindon, Orono, and William Halpine, Portland; Miss Margaret Mann, Portland, and Actor Abbott, Trevett; Miss Evelyn Tracey, Bangor, and Richard Adams, Wellesley, Mass.; Miss Inez Hone, Caribou, and Howard Foley, Marblehead, Mass.; Miss Laura Litz, Limestone, and Samuel Favor, Norway; Miss Vera V. Tassel, Brewer, and Wilbur Cayting, Brewer.

DELTA ZETA INITIATES TWO NEW MEMBERS

Alpha Upsilon chapter of Delta Zeta sorority initiated Gertrude Murray and Mary Trainor on Monday, April 16, at 7 p. m. Installation of the new officers, Elizabeth Gifford, president; Margaret Hall, vice president; and Mildred Willard, treasurer, was held last Monday, April 23, at 7 p. m.

SEVEN COUPLES ATTEND VALENTINE VIC PARTY

Seven couples tried bravely to execute a few dance steps while hurling sofa pillows at each other last Saturday night at the Valentine vic party. Punch and cookies, eaten off the mantel, cooled their parched throats when they finally tired of this pastime. Miss Ring chaperoned.

Those present were: Phyllis Hamilton and Allan Swasey; Margaret Litz and Roger Colbert; Wix Cushing and Kenneth Aldrich; Ann Eliasson and Ken Webb; Marie Archer and Ed Webster; Alice Dyer and Ed DeCoursey; and Kay Wormwood and Bill Bessom.

MAINE OUTING CLUB'S OVERNIGHT HIKE SAT.

The University of Maine Outing Club will hold its annual overnight hike at Lake Lucerne, Saturday and Sunday of this week. Mr. and Mrs. Theodore Curtis, and Mrs. Stanley Wallace will chaperone the affair. A bus will leave Winslow Hall at two o'clock Saturday afternoon.

The committee in charge consists of Robert Laverty, '37, chairman, and Robert Ohler '37, and Alton Prince, '36.

At the last meeting of the club, the following officers were elected for the coming year: president, Woodrow Page, '35; vice-president, Alton Prince '36; secretary, Anna Eliasson, '36; treasurer, Roger Cameron, '36.

MANY FRESHMEN AT Y. W. C. A. PICNIC WED.

The University of Maine, Y. W. C. A. sponsored a picnic for all freshman women, yesterday, at the Ledges, under the leadership of Anne Eliasson and Betty Wilhelm, upperclass co-chairmen of freshman "Y". Students met at the Maples at 4.15, carrying tin cups. Hot dogs, coffee, and chocolate doughnuts were waiting when they reached the Ledges.

The program that followed the picnic supper included talks by Dean Wilson, Miss Ring, and Hazel Scully, last year's chairman of freshman "Y" activities.

CONTRIBUTOR'S CLUB HAS ANNUAL MEETING

The University of Maine Contributor's Club held its annual meeting at the home of Paul Langlois in Old Town last Sunday, April 22, at 7 p. m. Richard Wooster '35 was elected president of the organization; Elizabeth Gifford '36 vice-president; Hope Whitman '35 secretary, and Thomas Churchill, '35, treasurer. After a lengthy business meeting, selections from Ogden Nash and Stephen Leacock were read. A discussion of the recent article in *Time*, "Black Bears and Baby Blue," preceded refreshments. The next meeting of the club will be held Sunday, May 6.

Forum Discusses Point System; Final Meeting Held May 10

Nomination Of Candidates For 1934-5 Positions Is Held

"Resolved, That the University of Maine should adopt the point system for the election of women officers," was the subject before the Women's Forum at a meeting at Colvin Hall, Thursday, April 19. This system provides that a certain number of points shall be given for each elected office, and restricts each individual to a specified number of points.

It is designed to distribute offices among the student body and to lessen the burden of extra-curricular activities which may fall on a few women. The plan was considered unnecessary by many, since there are very few women on campus who hold more than one major office; however, the choice between offices necessitated by such a system would mean that officeholders would choose the one most interesting to them and do better work in it than if they had a number of positions not especially interesting.

Next year's officers were nominated as follows: president, Alice Stewart, Ruth Goodwin; secretary, Elizabeth Gifford, Jeannette MacKenzie; social chairman, Alice Sisco. Elections will take place at the final meeting, on May 10.

The subject for the last meeting of the

year will be, "Resolved, that there are too many activities on campus." There is a difference of opinion on this matter. In addition, a committee will present a definite plan for next year.

S. A. E. PLEDGES HELD VIC PARTY SATURDAY

The pledges of Sigma Alpha Epsilon fraternity held a vic party on Saturday evening, April 21. The following were present: Audrey Everett, Alfred Schriver, Geraldine Reynolds, Everett Mack, Mrs. MacCullom, Sam Wheeler, Elinor Bissell, Alva Ford, Ruth Barrows, Dick Chase, Margaret Litz, Roger Colbert, Naida Sanders, Bill Hunnewell, Phyllis Hamilton, Ben Swasey, Madeleine Frazier, and Jack Bessom.

Refreshments of sandwiches, cocoa, and punch were served.

Differences of opinion about the value of schools of journalism were aired here at the Founders Week celebration of Rollins College, Sandspur, student newspaper. Richard Lloyd Jones, editor of the Tulsa, Oklahoma Tribune was the critic, while Professor Charles Cooper of the Columbia University School of Journalism defended the schools. Jones said practical training on newspapers was the best school.

LUCKY STRIKE CIGARETTES

THE HEIGHT OF GOOD TASTE

☞ Luckies are made of only the clean center leaves—the mildest, best-tasting tobaccos. And then, 'It's toasted' for throat protection. Every Lucky Strike is round, firm, fully packed—no loose ends. That's why Luckies 'keep in condition'—do not dry out. Luckies are always in all-ways kind to your throat. ☞

"It's toasted"

✓ Luckies are all-ways kind to your throat

Only the Center Leaves—these are the Mildest Leaves

The Cream of the Crop **They Taste Better**

The Morbid Maniac

Oid: "In the spring a young man's fancy... etc."
Modern: In the spring a young man's fancy turns to those things about which women have been thinking all winter.

—The Springfield Student.
So that's what they've been thinking about—

TO OUR FRESHMEN

Gather ye good grades while ye may, The second year is tougher: And this same Prof. that smiles today, Tomorrow will be tougher.

That year is best which is the first, When stude and Prof. are stranger; It's not until he knows the worst, That you're in any danger.

—The Connecticut Campus.
That's the story and you're stuck with it—

White shoes are great, but did you know that they sell whit shoe cleaner at the dime store for only ten cents? We wonder if it includes a "million dollar baby"—

There are two kinds of work: the work you have to do, and the work you do getting out of it.
There are also two kinds of men:
The kind you love, and the kind you marry
—M. I. T. Voo Doo.

MOVIES FOR ONE AND ALL

For Queen of the Prom... "Easy to Love."
For Sam Insull... "If I Were Free."
For some girls' answer... "Na-na."
For a model T flivver... "Melody in Spring."
For the war debt—oh yeah... "Fifty Million Frenchmen."
For the N. R. A... "Death Takes A Holiday."
For some lucky gal... "Twin Husbands."
For Walter Winchell... "I Was a Spy."
For a milkman... "It Happened One Night."
For the accounting student... "The Day of Reckoning."
For the money boys... "The Big Shakedown."
For the "Yes" man... "I Like It That Way."
For the Snopous... "Only Yesterday."

At the University of California, examinations are given in all courses at the end of four weeks. If a student makes an A he is exempted from the course and also receives a five-dollar rebate on his tuition from the college. Maine would not lose much money under that system.
In fact, we would be owing the professors money.

Remember, you gorgeous creature, that an old maid is a woman who said, "No" too often.
—B. U. News.
But don't think you can abuse a privilege.

Some men break your heart in two,
Some men fawn and flatter,
Some men never look at you,
And that cleans up the matter.

The co-eds at Stanford (just in case you're ever out that way) are allowed to stay out until 12 o'clock on week nights and 1:30 on week-ends, but only on condition that they have passed a stiff physical examination... (Early to bed and early to rise makes a girl healthy and wealthy and healthy... etc).
—Southern California Daily Trojan.

THE COLLEGE GRADUATE

You know the ropes on chopped cuts,
And how to grab those extra butts;
You know the pros who'll take a line,
And just what courses take up time;
You know the curse of being broke,
And how to tell a smutty joke;
You've learned to neck and break a date—
You're ready now—to graduate.
So what?

For those who sit at convocation
With a quiet reservation,
Who do not squirm when ill at ease
Who do not cough or sneeze,
Who really try to stay awake
Who don't of wheatish tricks partake,
Who come in promptly as they should,
All we can say is that they're good.
—Massachusetts Collegian.

NEWS

When a man bites a dog that's news. We are reporting the rumor that when a cow moved forward and nonchalantly balanced on the foot of a two-year student who was working on the college farm, the milker was forced to bite the cow's leg to free himself.
—Massachusetts Collegian.

DEERING HIGH DEFEATED BY FRESHMAN RUNNERS IN FIRST OUTDOOR MEET

Webb And Hunnewell High Scorers In 79-47 Win

CASAVOLA OUTSTANDING

"Jack" Gutti Takes First In 440 Yard Dash Thriller

Although Johnny Casavola of Deering High School stole the individual honors of the afternoon, the Maine freshman tracksters overwhelmed Deering 79-47 last Saturday in a meet which saw a portion of the scheduled events being held indoors. Harold Webb set the pace for the frosh as he gathered 13 points, taking a first in the high jump, high hurdles, and a second in the low hurdles. Hunnewell was not far behind him as he captured first places in the one mile run and the 880 yard run to add ten points to the frosh cause.

The versatile Casavola, one of the leading tracksters in schoolboy circles, contributed 15 points to the Deering total with hard-earned victories in the 100 yard dash, 220 yard low hurdles, and the 220 yard dash.

John Gatti celebrated his return to the yearling fold with a victory in the 440 yard dash, which saw two Maine and two Deering men running within a couple of strides of each other until the final turn. Effective boxing by Gatti and DeWick kept the Deering men from gaining the pole, and the best Deering could get in the event was a second place. DeWick finished a close third.

All the field events except the hammer throw and javelin were held on the indoor field. The summary:

100 yard dash—Won by Casavola, Deering; second, Perkins, Maine; third, Murray, Maine. Time, 11 seconds.

70 yard high hurdles—Won by Webb, Maine; second, Allen, Deering; third, Sherman, Deering. Time, 10 1-5 seconds.

One mile run—Won by Hunnewell,

Maine; second, Wormell, Deering; third, Corbett, Maine. Time, 4 minutes, 46 seconds.

440 yard dash—Won by Gatti, Maine; second, Heald, Deering; third, DeWick, Maine. Time, 55 seconds.

220 yard low hurdles—Won by Casavola, Deering; second, Webb, Maine; third, Keniston, Deering. Time, 14 2-5 seconds.

220 yard dash—Won by Casavola, Deering; second, Murray, Maine; third, Perkins, Maine. Time, 24 4-6 seconds.

880 yard run—Won by Hunnewell, Maine; second, Fuller, Deering; third, Shaw, Maine. Time 2 minutes, 9 3-5 seconds.

High jump—Won by Webb, Maine; second, tie between Andrews of Deering and Childs of Maine. Height, 5 feet 2 1/2 inches.

Broad jump—Won by Crabtree, Maine; second, Fuller, Deering; third, Braley, Maine. Distance, 19 feet, 3 1/2 inches.

Pole vault—Won by Boyle, Maine; second, tie between Bell, Crowell, and Hinkley, all of Maine. Height, 9 feet 8 1/2 inches.

Shot-put—Won by Beisel, Maine; second, Bell, Maine; third, Sherman, Deering. Distance, 44 feet, 9 1/2 inches.

Hammer throw—Won by Parsons, Maine; second, Sherry, Deering; third, Shaw, Maine. Distance, 113 feet, 10 inches.

Discus throw—Won by Sherry, Deering; second, Lane, Maine; third, Smith, Maine. Distance, 96 feet, 7 inches.

Javelin throw—Won by Bell, Maine; second, Sherry, Deering; third, Sherman, Deering. Distance, 170 feet, 3 1/2 inches.

The Home Economics Club and the Hee Club held a joint meeting and social in Winslow Hall, Wednesday evening, April 18. Games and contests were in order, and refreshments of cake and ice cream were served.

Charles A. Buck, a freshman at the University of Maine last year, was pledged recently to the Mu Epsilon chapter of Beta Theta Pi at Wesleyan, according to an announcement in the Wesleyan Argus.

U. of M. Botany Prof. Speaks In Portland On "Figured Woods"

Prof. Fay Hyland of the botany department gave a lecture in Portland at 8 o'clock last Tuesday evening, under the auspices of the Portland Society of Natural History in the Museum on Elm Street. The subject of the lecture was "Figured Woods in Maine," and was open to the public. It was illustrated by actual specimens of the woods discussed. Professor Hyland, who has made an extensive study of the trees and woody plants of Maine, has collected examples of the various native species.

Professor Hyland is a graduate of the University of Michigan. He later attended the University of Maine where he received his M. S. in 1929.

While students greeted the arrival of the first spring weather seven years ago by lounging on lawns and yawning in lectures, one person did not relax, says the Daily Californian.

He had poison oak!
The sultry, dust-filled wind sifted grime over his itching arms. It became unbearable. His swollen arms must have attracted attention.

Seeing a large thermos jug of liquid air, which boils at 190 degrees centigrade, he could no longer resist the temptation to quench the burning of the poison oak rash.

So it happened that G. F. Nelson, mechanic of the chemistry building, acquired a liquid air "burn" on his arm. Over-application of the ultra-cold liquid causes blistering the same as a fire burn.

But the next day, the spot he thought he had burned was entirely cured of its poison oak.

The infirmary tried the cure with a certain degree of success. Further experiments followed. As a result liquid air is now used in removing warts and moles, as well as in treating poison oak and burns. And it was all on account of a sultry day!

Seminar plans under the preceptorial and tutor systems will be inaugurated at Colgate with the entering class next fall, according to Dr. George Barton Cutten, president of the university. This will be the sole form of instruction.

PERSONALS

Hazel Scully '33 visited campus last week-end and attended the Delta Delta formal on Friday evening.

Elizabeth Tryon '33 attended the Delta Delta formal and visited friends on campus last week-end.

Claire Saunders '36 visited her home in Blue Hill over the week-end.

Grace Knowles '37 spent the week-end at her home in Winterport.

Velma Colson '35 was the guest last week-end of Mrs. Charles Littlefield of Springvale.

Hester Carter '34 spent the week-end at her home in Hancock Point.

Bernice Hopkins '37 spent the week-end at her home in Belfast.

Dorothy Moynihan '34 was at her home in Madison over the week-end.

Louise Millikin '34 spent the week-end at her home in Corinna.

Carolyn Brown '37 was at her home in Skowhegan last week-end.

Effie Mayberry '34 spent the week-end in Auburn.

Ruth Holmes '37 spent the week-end at her home in Belfast.

Kitta Davis '36 spent the week-end at her home in Mechanic Falls.

Dorothy Sawyer '35 and Roger Hefber '34, visited Miss Sawyer's parents at her home in Jonesport, last week-end.

Jean Walker '35 and Murdock Walker '36 spent the week-end with their parents in Bangor.

Jane Chase '35 spent the week-end at her home in Bucksport.

Sara Metzger '33 spent the week-end at her home in Lewiston.

Barbara Stover, '37, spent the week-end at Bowdoin.

Maine Graduate, Prominent Pastor, Dies At His Home

Organized Local Foundation For Maine Students While Here

Rev. Thomas Everett Fairchild, D.D., 40, a graduate of the University of Maine, died Thursday at his home in West Somerville, Mass. At one time Mr. Fairchild was pastor of the First M. E. church of Bangor, and he also served other parishes in this section. He left Bangor in 1928 to be assistant to President Daniel Marsh of Boston University and director of the Boston University Summer School which position he had held since receiving the degree of D.D. from the Boston University in 1916.

Mr. Fairchild was born in Honey Lake, Cal., April 18, 1894, but the greater part of his life was spent in Maine. After he was graduated from the Livermore Falls high school, he entered the University of Maine, graduating as B. S. with the class of 1916. He was a member of the Phi Kappa Sigma fraternity. He was awarded his M. S. degree in 1917. While at the University, he organized the Wesley Foundation to carry on the work of the Methodist church among the students. Two years later he was pastor of the Methodist church in East Corinth and was also principal of the East Corinth Academy in 1917-18.

Mr. Fairchild was appointed to various pastorates in the Methodist church and, in 1928, he was appointed to a position at Boston University. He was a member of the Masons, Order of the Eastern Star and the Grange. He is survived by his wife who was Ruth Evelyn March of Old Town, U. of M., '17, whom he married in 1918, and by a son and daughter, Thomas L. and Rowena E. Fairchild. His parents, Mr. and Mrs. Thomas M. Fairchild, lived in Jay.

News of his untimely death brings profound regret to many of the U. of M. alumni and former parishioners and friends by whom he was known as a most pleasing personality and highly recognized brilliancy.

ARE YOU A FOREHEAD WRINKLER?

Jangled nerves show in your face

Of course you don't want to look older than you are. That's one reason it's so important to watch your nerves.

It doesn't pay to take chances with your nerves. Get enough sleep—fresh air—recreation. And make Camels your cigarette.

Smoke all the Camels you want. Their costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

CAMELS—SMOKE AS MANY AS YOU WANT... THEY NEVER GET ON YOUR NERVES!

NEW GAME BOOK SENT FREE!

New—illustrated book of 20 ways to test nerves... Fascinating! Amazing! "Show up" your friends. See if you have healthy nerves. Send fronts from 2 packages of Camels with order-blank below. Free book is sent postpaid.

CLIP HERE... MAIL NOW

R. J. Reynolds Tobacco Company
Dept. 76-D, Winston-Salem, N. C.

I enclose fronts from 2 packs of Camels. Send me book of nerve tests postpaid.
