CARL A. WHITMAN HEADS 1934-35 STUDENT SENATE; OTHER OFFICERS NAMED

**Reese Is Vice-Presy;
Morong Elected as
Sec'y, Treas.**

INSTALLATION IS HELD

**Interfraternity Council
Discusses Rushing
Situation**

At the final meeting of the Student Senate held Tuesday evening in Rogers Hall, Carl A. Whitman, president of Sigma Nu fraternity, was elected president of the Senate for 1934-5. Samuel H. Reese, Alpha Tau Omega, was elected vice-president, and Francis G. Morong, Sigma Alpha Epsilon, was named secretary-treasurer.

The retiring officers are John B. Quinn, president, Alpheus C. Lyon, vice-president, and Kenneth C. Foster, secretary-treasurer.

Immediately after the election, the new officers were installed in their respective positions.

Whitman, besides being president of his fraternity, is a member of the Math Club, and a former member of the Civil Club.

Reese has served as wrestling coach at the University for two years. He was a member of the varsity football team last year, and has been very prominent in sports at Maine. He is a member of the Sophomore Owls, and a pledge to the Senior Skull Society.

Morong is head proctor in the men's dormitories, and is a letter man in varsity cross country. He is a past president of Pale Blue Key society.

James Page reported that the sum of one dollar has been raised thus far this year by the Loan Fund Committee. Considerable discussion followed this report, and it was decided to make an attempt to have the various classes conduct meetings with the purpose of voting a sum of money to be given to the Fund. The amount voted would be added to the term bills of the respective members of the classes.

At a meeting of the Interfraternity Council, following the Senate meeting, the rushing situation was discussed at some length. The Council felt that it was too late in the year to attempt any changing of the rushing rules for 1934-5.

Commissions, Medals Given R.O.T.C. Men

**Many Junior and Senior Cadets Get
Commissions from President
In Saturday Inspection**

Gold medals for excellency in military drill during Saturday parade were awarded to First Sergeant Robert Littlehale '36 and Corporal Manley Barry '37 by President Boardman. The medals were given by Scabbard and Blade, honorary military fraternity.

The following commissions were awarded by the president to junior and senior cadet officers: Major—John B. Quinn; captains—Armand Giguere, William Ros-
sing, Ardon C. Mercier, Frederick R. Black; first lieutenants—Leonard R. Hunt, Frank R. Blaisdell, Albert J. Smith, John C. Wilson, Edward C. Jordan, Charles A. Sinclair, Thaxter W. Small, Irdell C. Ward, Fred S. Bullock, Henry B. Gersoni, Lorenzo A. Gagnon, Stanley Young (band).

Second lieutenants—Gridley Tarbell, Stephen Marshall, Albert Galbraith, Kenneth Kimball, Walter White, Woodrow Page, Frank Wood, Paul Bean, Vernon Packard, George Cobb, Donald Murphy, Clayton Totman, Alvin Heald, Ashton Sawyer, John Getchell, Richard Gaffney, Maurice Goddard, Craig Welch, Harry Day, Carl Honer, Sidney Look, Ralph Copeland, John DeWitt, Earle Collins, Earle Hill.

Major Edward J. Oliver assisted President Boardman with the presentation.

NOTICE

The drawing for dormitory rooms for the college year 1934-1935 in Balentine and Colvin Halls will be held on Tuesday and Wednesday, May 15 and 16, at 30 Coburn Hall at 1 P.M.

Juniors and sophomores will draw on Tuesday, May 15, and freshmen will draw for their rooms on Wednesday, May 16.

This notice applies to women students now attending college who plan to live on the campus next year.

COURSE GROUPINGS REVISED FOR ARTS

**Catalogue Innovation
Show Relationship
Of Courses**

An innovation in the method of arrangement of courses has been made in the April catalog number of the *Maine Bulletin* by the College of Arts and Sciences.

Formerly the courses of instruction offered by that college were listed alphabetically as is the case now with the remaining colleges. This year, under the direction of Dean James Muilenburg, the courses have been divided into three major groups, languages and literature, social sciences, and natural sciences.

The purposes of the new arrangement, according to the Dean, are to give the student a general view of the academic organization of the College, to show the affinity which the various subjects bear to one another, to show how some subjects, by their very natures, pass irresistibly and inevitably into others, to act as a corrective for too specialized training, and, most obviously, to direct the student to where courses and subjects may be found.

Preceding each departmental group of subjects are one or more explanatory paragraphs, in which are outlined the general aims and purposes of the department, its method of approach, and the value of the various courses offered in later life.

Under the new arrangement of courses, the courses given by Professor Huddilston are listed under the Classics group.

Members of the committee in charge of the re-arrangement of the section were Ronald B. Levinson, chairman, Milton Ellis, and Roy M. Peterson.

Installation Held For 1934-5 Y. W. Officials

**New Cabinet Members Take Office
In Impressive Service
At Colvin Hall**

The Y.W.C.A. held a candlelight installation service for the members of next year's cabinet Sunday at 8 p.m. in Colvin Hall. The service began with a procession of last year's cabinet members carrying lighted candles, followed by the new officers. The "Y" members were dressed in white, and sang as their procession of the Y.W.C.A. hymn, "Follow the Gleam."

Installation, at which the new, unlighted candles were lighted by the retiring officers, was followed by the reciting of the Y.W.C.A. pledge, led by Mildred Haney, retiring president. Miss Elizabeth Ring, secretary of the organization, gave a brief inspirational talk on "Light." The service closed with the singing of "Follow the Gleam." Miss Shirley Young, violinist, and Miss Dorothy Moynihan, accompanist, gave the service an atmosphere of worship with their musical interludes.

A list of the new officers follows: Lucinda Ripley, president; Elizabeth Gifford, vice-president; Josephine Snare, secretary; Anne Eliasson, treasurer; religion, Elizabeth Jordan; social activities, Velma Colson and Carolyn Currier; freshmen, Agnes Crowley, Ruth Libby, and Mary Treiner; publicity, Cynthia Wasgatt; music and culture, Madeleine Frazier and Ruth Hinckley; deputations, Rena Allen; social service, Frances Johnson and Elizabeth Ashby; international relations, Ruth Goodwin and Alice Stewart; chairman of the house committee, Anora Peavey; vocations, Rosemary Boardman.

QUINN IS VALEDICTORIAN OF GRADUATING CLASS; OTHER PARTS ELECTED

As a result of the elections held last Thursday in Alumni Hall, John B. Quinn was elected valedictorian of the senior class. Quinn is the retired president of the Student Senate, and has been very active in University affairs. He is a member of Alpha Tau Omega fraternity.

Other class parts were as follows: historian, Miss Shirley Young; presentation of gifts, Alice Dyer and James E. DeCourcy; orator, Kenneth Foster; poet, Ernestine Moore; prophets, Dorothy Davis and Clifford Ladd.

All of the recipients of the various class parts have been active in the affairs of the class, throughout their college curriculum.

Ten Men Are Pledged To Senior Skull Society At Junior Assembly

**Professor Huddilston
Addresses Large
Gathering**

Junior Week passed its climax on Friday morning, May 4, when 10 Senior Skull pledges were tapped at the annual Junior Assembly. Prof. "Paddy" Huddilston added greatly to the interest with his talk which was received by a packed hall of alert students.

Those who received the honor and distinction of wearing the white hat next year are Sam Reese, Bunny Anderson, Maurice Goddard, Ken Black, Bill Cole, George Cobb, Ted Butler, Carl Honer, Jim Sanborn, and Milt MacBride. These men were picked for their activity and popularity in all fields of our college life, and they have received one of the highest and most coveted honors of the school.

It is hardly necessary to recall Black's achievements in track. In addition to this he is a member of the I.M.A.A. and the Forestry Club; he was a Sophomore Owl and has been treasurer of his class since his freshman year. Cole and Goddard are also known for their accomplishments in track. The latter was a Sophomore Owl. He is also a member of the Forestry Club, Executive Committee, M.O.C., Phi Sigma, and is a 2nd Lieutenant, R.O. T.C.

Cobb, Butler, and Sanborn represent a trio active collectively in all college sports. Cobb and Butler were Sophomore Owls, and the former is president of his class.

Reese and Honer are noted chiefly for their football ability. They are both wrestlers, Reese being heavyweight champion of the school. They were Sophomore Owls. Honer is also known for baseball and track; he is a member of the "M" Club, Executive Committee, and the Spanish Club. Reese belongs to the Forestry Club, and is a member of the Student Council, and Interfraternity Council.

Anderson has been active in football, basketball, and track. He is a member of the Intramural A.A. and was a Sophomore Owl.

MacBride's activities center about basketball, baseball, and football. He was president of the Sophomore Owls and of his class and vice-president of the Athletic Association. He is Junior Marshal and a member of the I.M.A.A. and Alpha Zeta.

NOTICE

Junior and senior applicants for proctors make applications to Bill Wells at the Treasury office in Alumni Hall, any afternoon of next week.

Pale Blue Trackmen Prep For Bates Meet On Alumni Field Sat.

**Maine Handicapped By
Loss of Goddard
And Huff**

Fresh from its victory over Springfield last Saturday, the University of Maine track team is putting in a week of intensive training for the dual meet with Bates here on Saturday. The Pale Blue at this writing is likely to be minus the services of two of its star performers, Don Huff and Maurice Goddard, due to injuries. Goddard injured his legs when he struck a hurdle last Saturday and his abilities in the hurdles and dashes will be sorely missed. Huff is suffering from an infected tooth and sore feet.

Bates, led by Kishon, Keller, Meagher, and Hall, will attempt to topple Maine again this Saturday while the Pale Blue is out to get revenge for the defeat the Garnet administered indoors last winter. Bates is particularly strong in the field events with Kishon leading in the weights while Keller is the leading performer in the high and broad jumps. Don Favor will be shaded by the freshman, Kishon, in the discus throw, but the hammer throw should find the blond Don taking first if the performances of the two men in meets last week can be taken as a criterion.

Maine's strength lies chiefly in the long and middle distance running events with the Blacks, Cole, Marsh, Wishart, and Saunders certain of placing high in these events. The absence of Huff and Goddard in the dashes shifts the burden to the shoulders of Earle Hill. Hill will be entered in the 100 and 220 yard dashes. He is the only Maine man to place in the dashes at the B.A.A. games in Boston.

Francis McAlary will be the sole timber topper for the Pale Blue unless Coach Jenkins should decide to run Collette. Although Meagher of the Garnet, appears to have the edge in the pole vault, Don Favor will give him stiff competition, assisted by Ken Ireland and Freddy Black. Ireland will also compete in the high and broad jumps.

NOTICE

Meetings of the freshman, sophomore, and junior classes will take place on the following days next week to consider donations to the Student Senate Loan Fund, at 1:00 p.m. in Alumni Hall:

Sophomores	Monday
Juniors	Wednesday
Freshmen	Thursday

It is requested that as many members of each class as possible be present at the meetings.

NEW DEPARTMENT CREATED IN TECHNOLOGY COLLEGE BY TRUSTEE BOARD VOTE

**Prizes Are Offered for
'34 Cane Decorations**

Senior canes, long a tradition in the graduating classes at the University of Maine, will make their appearance on the campus in the near future. The canes this year will be of a distinctive design, having a carved bear's head for the handle. An unusual feature in connection with the canes is a prize which is being offered by the manufacturers to the boy and girl who decorates his or her cane in the most attractive manner. These decorations may be carved, painted, or the like.

TEN WOMEN NAMED TO SIGNET SOCIETY

**Neai Mathetai Takes
10 Freshman At
Banquet**

At the annual Freshman-Sophomore Banquet held Wednesday evening, May 9, in Balentine Hall, 10 members were chosen from the freshman class to the Sophomore Signet Society, which is to take the place of the present Sister Council; and also ten members to Neai Mathetai, the honorary freshman scholastic society.

The following were chosen as members of the S.S.S.: Mabelle Ashworth, Carol Stevens, Jane Sullivan, Barbara Lancaster, Elizabeth Ashby, Helene Cousins, Madeline Frazier, Elizabeth Storey, Marjorie McKinnon, Helen Titcomb.

The Signet Society is to help the incoming freshmen become adjusted to college and to acquaint them with the traditions which it is customary for freshmen to carry out.

The following were chosen to Neai Mathetai: Louise Averill; Mildred Dixon, Faith Folger, Betty Hart, Bernice Hopkins, Marjorie MacKinnon, Flora Lutz, Alice Stewart, Helen Thompson, Helen Titcomb.

Marie Archer was toastmistress for the occasion, introducing Dr. Brush who spoke on the relations between freshmen and sophomores; Lucinda Ripley, who outlined the plans for next year; Alice Campbell, who announced the new Neai Mathetai members; and Faith Folger, who expressed the appreciation of the freshman class.

Guests present were Dean Edith Wilson, Miss C. Stiles, Miss D. Sullivan, and Fern Allen, president of All Maine Women.

Maine Masque Pledges Many Student Actors

The red and blue pledge bows proudly exhibited on several manly chests and girls' tennis dresses indicate that the Maine Masque has again selected a number of actors, actresses, stage hands, and ushers to swell its ranks.

Between the acts of the last Masque presentation, "The Late Christopher Bean," John Willey, president of the organization, announced the new members, and each came forward to have his bow pinned on by Lucinda Ripley, secretary. It will be necessary for the pledges to wear these bows until May 16 when initiation, followed by the annual Maine Masque banquet, will be held.

The 23 new pledges announced were: Winifred Cushing, Theodore Wood, Alfred Sweeney, Jr., Spurgeon Benjamin, Wilbert Fifield, Alice Sisco, Lionel Desjardins, Paul Langlois, Robert Ohler, Emery Wescott, James Temple, Theodore Woolston, Lawrence Adkins, Robert Hagggett, Curtis Plummer, K. Stanford Blake, Lucian Scamman, J. Otto Day, Robert Lavery, Alice Crowell, Ruth Walenta, Howard Stagg, and Herbert Simmons.

The following associate pledges were also named: Margaret Snow, Jack Frost, Agnes Crowley, Charles Leavitt, Frances Austin, Evelyn Morrison, William Whiting, Franklin Holmes, Ernest Ekback, Willett Rowlands, Wendell Brewster, Helen Baker, Forrest Morton, Francis Lord, Paul Woods, William Manning, and James Hagggett.

Pulp and Paper Course Will Be Offered Separately

BRAY IS DEPT. HEAD

**Cooperative Employment
Will Be Feature of
New Project**

By Max Fitch

At a recent meeting of the board of trustees of the University, the establishment of a Department of Pulp and Paper Technology was authorized in the College of Technology. Professor Paul D. Bray was named head of the department, with Mr. J. G. L. Caulfield as his assistant.

The Pulp and Paper course at the University was the first to be established in an American institution. For many years it was a branch of the course in Chemical Engineering. Since those early years, the Pulp and Paper and allied industries, such as printing ink and dyestuffs, has expanded and grown to enormous proportions in the United States. It is felt, therefore, that the needs of young men preparing for work in this field may be more adequately met by having the department a separate entity.

A group of Maine alumni in New York have formed a committee, of which Mr. Arnold W. Nickerson, President of the American Pulp Corporation, is chairman, to cooperate with Professor Bray for the purpose of maintaining contacts with industry so that young men may receive properly directed and coordinated training in mills during the summer, and at the end of their course be permanently placed in the industry. It is confidently expected, also, that several companies will furnish scholarships. This matter, at the present time, is under consideration and announcement will be made later.

On April 20, Mr. E. A. Charlton, vice-president and General Manager of Manufacturing, of the International Paper Company, visited the campus and inspected the laboratories devoted to Pulp and Paper Technology. He commented most favorably upon the completeness of the equipment, and stated that the University of Maine possesses the premier school of Pulp and Paper. He further stated that all of the Maine graduates who have joined his company have been markedly successful.

MACBRIDE TO HEAD ATHLETIC ASSOC'N FOR COMING YEAR

The results of the election of officers to the Maine Athletic Association held on Friday, May 4, is as follows: president, Milton MacBride; senior representative, George L. Cobb; junior representative, Myron G. Collette; sophomore representative, William F. Hunnewell.

MacBride is a member of Phi Eta Kappa fraternity, and is an all-around athlete. He is a member of the Sophomore Owls and a pledge to the Senior Skull Society.

W.A.A. ELECTIONS HELD

The results of the Women's Athletic Association elections held May 1 are as follows: manager of hockey, Eleanor Gowen '35; assistant managers, Elizabeth Philbrook '36 and Ruth Sylvester '36; manager of basketball, Shirley Hatch '35; assistant manager, Elizabeth Jordan '36, one more is to be elected; manager of volleyball, Margaret Harriman '36; assistant managers, Elizabeth Gardner '37 and Muriel Perkins '37; the manager of soccer is to be elected; assistant managers are Jane Stillman '37 and Audrey Bishop '37; winter sports manager, Frances Johnson '35; archery manager, Dorothy Frye '35; tennis manager, Phyllis Johnson '35.

NOTICE

Through some misunderstanding, it is generally thought that the Fraternity Scholarship Cup, awarded annually to that fraternity attaining the highest scholastic rating, is appropriated by the University.

We wish to correct that misapprehension by stating that this cup is appropriated by the Senior Skull Society, to be awarded by the University to that fraternity fulfilling the scholastic qualifications necessary to obtain the Cup.

A Worthy Purpose

Upon recommendation of the Student Senate Loan Fund Committee, dates for class meetings have been designated, and appear elsewhere in this issue of the *Campus*, at which the various classes will be asked to contribute to the Loan Fund.

It is hardly necessary to point out the value of a Loan Fund for University students. With a dearth of scholarships existing at this institution at the present time, a Loan Fund of a sufficient size is of immeasurable aid to students who find themselves financially handicapped in their junior and senior years. To many of them, it will mean the difference of leaving the University with or without a diploma.

It is therefore vitally essential that the members of each class should contribute to their fullest extent for this worthy project.

At a recent meeting of Sigma Phi Sigma fraternity the following house officers were elected for the coming year: high-potente, Edward Ellsworth; vice-potente, Merton Cleveland; custodian, Richard Gallop.

The members of the Math Club are planning a picnic to follow formal initiation, Sunday, May 13, at 2 o'clock in 155 Stevens Hall. The picnic will be held at Gilman Falls. Philip Ryan is chairman of the committee in charge.

NO ACTION TAKEN YET ON LEGION'S PROTEST

No action has as yet been taken by University officials over the protest of American Legion officials concerning the selection of Rev. John C. Schroeder as Commencement speaker at the University this year.

The Legion protest was based on the grounds that the proposed speaker had pacifistic tendencies.

President Boardman has received many letters from all over the state, terming the protest as "absurd."

RAIN SENDS CHI O'S TO CABIN FOR PICNIC

Rainy weather forced the Chi Omegas to hold their annual picnic given by the sophomores as a farewell to the seniors in the Cabin Monday night, but it by no means dimmed their spirits. The walls of this time-honored meeting place resounded, as sorority sisters tried their hardest to out-sing and out-talk each other and busy sophomores circulated through the crowd, serving steaming hot dogs and replenishing rapidly-emptied coffee cups.

A crackling fire in the stone fireplace helped to keep the "picnicky" illusion and also served as a place for the girls to sit around and sing songs after the meal was ended.

Betty Sullivan was in charge of the affair assisted by several sophomores.

JUVENILE PARTY IS HELD BY PI PHI'S

One of the most unusual parties of the year was the "Children's Party" held by the Pi Beta Phi sorority in the Stillwater Grange Hall Saturday evening, May 5. There were 35 couples present, all of whom were dressed in various sorts of rompers and sailor suits.

Associate Professor and Mrs. Paul Bray and Associate Professor and Mrs. Harry Watson were the chaperons. The chairman in charge of the dance was Hazel Feero. Larry Miller's Orchestra played for the dancing from 8 until 1:30. Lollypops, ice cream cones, and punch were served during the evening.

It's irritating and it means...jangled nerves

Yes, it's irritating to listen to that constant, tuneless humming—and more than that, the humming is a sign of jangled nerves.

If you notice any of those tell-tale nervous habits in yourself—if you whistle through your teeth—juggle your keys—drum

on the table—then it's time to start taking care of yourself.

Get enough sleep—fresh air—recreation—and watch your smoking... Remember, you can smoke as many Camels as you want. Their costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

COLBY COLLEGE GOLFERS CRUSH U. OF M. TEAM BY 8-1 SCORE SAT.

The Colby College golf team, Maine intercollegiate champions of a year ago, emerged victorious over the U. of M. team at the Waterville Country Club last Saturday, by an 8-1 score. The big upset of the day was Abbott's win over Leddy, state intercollegiate champion. Emerson had a good day, gathering Maine's lone tally by defeating Roderick.

The summary:

Carroll Abbott (C) beat Leddy (M) 2-1; Emerson (M) beat Roderick (C) 3-2; Liccom (C) beat Herbert Wilbur (M) 5-4; Progalaski (C) beat Benson (M) 5-4; Reynolds (C) beat Hutchins (M) 4-3; Williams (C) beat Ramsdell (M) 5-4.

Maine will play Bates this Saturday at the Martindale Country Club at Lewiston. It is expected that Maine will be represented by a six man team.

POST PRANDIAL CLUB ON "INDIVIDUALISM"

A meeting of the Post Prandial Club was held at the University Inn last night. The topic under discussion was "The Meaning of Individualism." Bruce Longfellow acted as toastmaster.

The following members contributed three-minute speeches: Thomas Knowlton, Walter Emerson, Russell Walton, James Sanborn, Clifford Ladd, Ferguson Oliver, Stuart Mosher, David Brown, Edwin Rand, John Leddy, Arnold Kaplan, J. Edward DeCourcy, Alpha Thayer, Alfred Gordon, Abraham Stern, Donald Stewart, Max Fitch, and Richard Wooster.

VARSIITY RACQUETEERS IN BATES TILT FRIDAY

Maine's tennis team will journey to Lewiston Friday to play a return match with the Bates team.

The Garnet trimmed the Pale Blue team last week by a 7-2 score, and Maine will attempt to avenge itself for the defeat.

The Maine lineup Friday will be augmented by Francis Lord who has been entered in the singles matches, while other entries will remain the same as Coach Small used against Bates a week ago.

OUTING CLUB DELEGATES ATTEND CONFERENCE AT CAMP WAWANA, N. H.

Four delegates from the Maine Outing Club attended the Intercollegiate Outing Club Association Conference at Camp Wawana in West Swansey, New Hampshire. The delegates were Evans Page, M.O.C. president, Edith Gardner, Roger Cameron, and Alton Prince.

Friday evening was spent in social activities. Later the New Hampshire club showed some movies of their various hikes. Saturday morning a short hike was taken to Bear's Den. The rest of the morning was devoted to discussions of social and business subjects.

The remainder of the time was spent in hiking, boating, swimming and other activities. Beside sponsoring trips, the I.O.C.A. issues bulletins three times a year which contain club reports of activities and accomplishments.

Elizabeth Gifford '36 of Boston, Mass., spent the week-end with Margaret Hall '36 at Miss Hall's home in Castine.

Prominent '75 Alumnus Dies In California City

George M. Shaw of Oakland, California, a graduate of the University of Maine, Class of 1875, died April 17, 1934, according to information which has just come to the University and to the secretary of the class, Mr. E. F. Hitchings of Orono.

Mr. Shaw had attained a position of great respect as an attorney and as a citizen of his city. A recent issue of the Oakland Tribune contains a lengthy editorial concerning his long activity and service in that city. He was recognized as one of the outstanding authorities on street paving law in California. His office was the oldest law partnership in that state.

After graduating from the University, Mr. Shaw immediately went West and in 1884 opened his first office in Oakland, since which time he has become a prominent figure in the activities of the city.

There are now only four of the 19 graduates of the Class of 1875 of the University, which was the fourth to be graduated from this institution. All the graduates of the first and third classes are now dead.

FROSH TRIM A.C.I., 12-3 IN INITIAL GAME SAT.

The Maine freshman baseball nine opened its season with an impressive 12-3 win over Aroostook Central Institute Saturday morning on Alumni Field.

The game was characterized by excellent pitching and hitting on the part of the frosh team, and, according to Bill Kenyon, frosh mentor, is an indication of one of the most successful freshman baseball seasons in recent years.

FROSH TRACKSTERS TRIM HIGH SCHOOL COMBINE IN SAT. TRACK MEET

The Pale Blue Cub track team opened its outdoor season last Saturday with a victory over six schoolboy squads by amassing a total of 75½ points. Old Town was second with 39 while the other teams finished: Lee, 9; Stearns, 5½; Eastern Maine Institute, 1. Orono and Brewer failed to place.

Harold Webb again led the frosh by winning firsts in his favorite events, 120 yard high hurdles, 220 low hurdles, and the high jump. Hunnewell and Murray each contributed 10 points to the freshman victory.

In two of the events the freshmen set better records for their performances than the varsity was able to do against Springfield. Bill Hunnewell won the mile run three seconds faster than the varsity event, and Al Bell heaved the javelin many feet farther than the winner in the varsity meet.

VARSITY TRACKMEN
DOWN SPRINGFIELD

Maine's middle and long distance stars led the way to victory last Saturday when the Pale Blue tracksters defeated Springfield 69½-65½ in a meet which was not decided until the last two events had been run off. The dual affair stood at Maine 59½, Springfield 57½, with the pole vault and half mile run the remaining events, but the star relaymen, Joe Marsh, Harry Saunders, and Ernie Black, made a clean sweep of the half mile to clinch the meet, with Marsh finishing in the excellent time of 1:59½. Springfield gathered the first two places in the pole vault, but these points were not enough to overcome the Pale Blue lead.

In all probability Maine would have had five more points to its total, for Maurice Goddard was leading in the 220 low hurdles when he struck one of the uprights and fell, unable to continue more than a few strides. His injury may keep him out of the Bates meet on Saturday.

Parks of Springfield led in individual performances as he amassed a total of 19 points, winning firsts in the 100 and 220 yard dashes, broad jump, and a tie for first in the high jump. Don Favor again led the Maine scorers as he captured 11 points.

Maine's strength lay in the middle and long distance runs, while Springfield showed exceptional strength in the pole vault, high jump, and broad jump, taking 24½ points out of a possible 27.

WHERE THE RARE WINES come from they know that the two most important things in wine-making are the selection of the grapes and the long years of ageing in the wine cellars.

IT'S VERY MUCH THE SAME in the making of a cigarette. You have to get the right tobaccos, then put them away to age and mellow in wooden casks.

You can't make a good cigarette like Chesterfield in a day. It takes over two years to age the tobaccos for your Chesterfields—but it adds something to the taste and makes them milder.

Everything that modern Science really knows about is used to make Chesterfield the cigarette that's milder, the cigarette that tastes better.
