Plan Aims To Offer Superior Students Advantages

NEW Program Emphasizes Tutorial Honors

At a meeting of the Alumni Association of the University of Maine in the Alumni Hall on May 17, Dr. W. M. Hauck, of the College of Arts and Sciences, announced that the College of Arts and Sciences will offer a new plan for graduation honors for students in the academic year 1936-'37. This plan is designed to encourage students to take upper-class work and to aim for the production of works of originality.

The new plan provides for the award of honor marks (H.M.) to those students who complete the required course work and who present a thesis or a major work of originality. These students will be ranked in classes of High Merit (H.M.), Merit (M.), and Merit with Distinction (M.D.). The number of students in each class will depend on the number of marks awarded and the quality of the work presented.

The thesis or major work of originality must be approved by the advisor and must be submitted for examination by a committee of three members of the faculty. The committee will grade the work and recommend the amount of credit to be awarded.

The new plan will be effective for the academic year 1936-'37 and will be reviewed and revised periodically to ensure that it continues to meet the needs of the students and the faculty.
Dean Corbett is Sworn in as Dog-Catcher

The Governor announces the appointment of Dean Corbett as the new Dog-Catcher for the town of Agriculture. Dean L. Corbett, the animal man for the animal world, received the order of the department. The unsuccessful candidates were: 

Robert B. Black, director of the Department of Agriculture, and Fred Loring, chairman of the Animal Control Commission.

BASEBALL

Bill Schillinger, the University's star pitcher, was hit by a highmark in yesterday's game against Harvard. Schillinger, who has been pitching with great success, was out of the game with a head wound.

The situation is serious, and the team is in danger. The game was stopped and the players were taken to the hospital. It is believed that Schillinger will be able to continue playing after receiving medical treatment.

FRENCH SUMMER SCHOOL

The French summer school is scheduled to begin in two weeks. The school, which is located in the heart of the French quarter, will offer courses in French language, literature, and culture.

To Speak Before "Orono"

Coach Jenk is invited to speak at the University of Maine's annual sports awards banquet. Jenk, who has been a successful coach for the past several years, will be the guest speaker at the event.

MAGNIFICENT!

The University of Maine's magnificent new field house is now open for use. The field house is equipped with the latest athletic facilities and is expected to attract many visitors.

The March of Time

The March of Time, a classic film about the history of the United States, will be shown at the University's new theater. The film is scheduled to begin at 8 p.m. on the opening night.
Maine Track Men Leave For Meet with M.I.T.

Coach Jenkins Expresses Optimism Concerning Maine's Chances

Harold L. Weis

It is with considerable melancholy that we come to reflect on the next meet, for the first time since last December. The university track has been covered in with snow and ice to such an extent that it has been impossible to hold any meets for some time. The expectation is that the track will be able to be run by March 1st, and that the meet will be held at that time.

The Maine team will consist of the usual members, with the addition of a few new faces. The team will be under the direction of Coach Jenkins, who has been very active in the track work since the team was formed.

The meet will be held at the University of Maine, and is expected to be a keen one. The team will be well-prepared, and will be ready to give their best efforts. The meet will be held on the track, and will be preceded by a series of practices and drills.

Maine Team Defeats Springfield Trackmen

Coach Jenkins: "We have a good team this year, and we expect to do well. We have some good runners, and we hope to come out on top.

The meet will be held on the track, and we will be ready to give our best efforts. We have some good runners, and we hope to come out on top.
