Dear UMaine faculty and staff,

UMaine Dining is excited to share some updates for those returning to campus in the new year!

- **New drink and food options are coming to the Oakes Room at Fogler Library.** The Oakes Room will be offering self-service food and beverage options whenever Fogler Library is open.
- **UMaine’s fleet of 20 Kiwibots are revving up for the spring semester.** Dash into savings with the Presale subscriptions that are on sale now. You can subscribe through the Everyday App, or at the Dining website: [umaine.sodexomyway.com/kiwibot](http://umaine.sodexomyway.com/kiwibot)
- **Virtual brand concepts are continuing for the Spring Semester.** Try something new exclusively sold through the Everyday App and fulfilled by UMaine Dining. From cheesy Cheese Steak, Mariah Carey Cake to NASCAR Wings, we’ll have plenty of unique and tasty delights.
- **Dining halls continue to provide enhanced food options.** These include the pizza station at Hilltop Dining and the “You Cook Station” in York Dining, which helps students access and prepare food that meets their dietary needs.
- **Have a meal plan? Use our dietitian to maximize it.** Krista Niezelski can help you get the most out of your meal plan and assist you with making healthy choices. If you have a dietary need, she can help there too.

In the fall, be on the lookout for a reopened and revitalized Wells Central, transformed to offer retail services and a pub. The venue, which will undergo renovations this spring, will feature a 24/7 autonomous store, pizza and other warm pub fare, beverages and fresh, pre-packaged food.

A tasty new semester awaits you at UMaine Dining! 🍽️

Sincerely,

UMaine Dining
