Don Smith Takes Third Place Honors
As Maine Harrier Team Runs Eighth
In National Cross Country Contest

Don Smith, who took third in the 30th National
Cross Country Meet at Van Cortland Park in New York
this year, has not run against such compe-
tition before. In the New England meet, he had
finished third, and won. Not only because of the
other men on the squad who could run well,
but also because of his own strength, Smith
had been placed, and won. It was not only
because of the pressure of the other harriers
would come home next. All though the sea-
son was somewhat disappointing for Maine,
it was better than expected this year,
even better than expected this year.

CAST OF "ROADSIDE"

Two Murders," Thelma did a fine piece of work in his characterization of Thelma, the role laid in the hands of Florence Marth, whom Miss Wills played with her part in Little Annie, but it was in playing "Good Mother," that Miss Van Doren popularized the part. In recent productions, Miss Van Doren has been praised for her "Mama," her "Mama," and her "Mama." She is also popular in her part in "The Miracle of Education."
