As an employee of University of Maine System, you are entitled to a one-on-one benefits analysis with a Maine Retirement Expert to help you better understand the choices. These meetings can be conducted via phone or virtual/web conference.

Common concerns of new Maine employees are:

- Is Pension or Investment a better choice for me?
- When can I retire?
- What savings options are available to me?

Our specialists can also assist with accounts with former employers, 403(b), 457 (b), IRA, and determine whether you are on track to meet your retirement goals.
