Maine Suffers First Defeat In State Cross Country Meet

**Runs Over New Course of Macadam Roads
and No Hills. Team Finishes in Second
Place.**

Our monopoly on the state cross country meets was broken Friday afternoon when the Bates team won over the Bowdoin course at Brunswick.

The speedy Buker brothers of Bates came in first shoulder to shoulder, for a tie making the fast time of 27 minutes 21 2-5 seconds. Then Hart of Bowdoin crossed the line 25 seconds in the rear of the Bates men, with Kane of Bates at his heels. The Maine team came running in order, finishing in the 11th, 12th, 13th, 14th, 15th and 20th places. Berg of the freshman class, leading. Bates scored an overwhelming victory with a low total of 21 points. Maine came second with 65 points, beating out Bowdoin with 67 points. Colby ended with 75 points.

After looking over the new course at Bowdoin, mostly roadwork with no hills, the Maine men realized that this easy course would hurt their chances but they fought hard and did their utmost to win.

Our men took the lead at the start, "Bub" Herrick setting the pace but the Buker twins stepped up and took the lead which they held to the finish. Hart then took third place, closely followed by Kane of Bates with Mercer of Colby just behind him. Kimball of Bates came in sixth beating out Godwin of Bowdoin. Batten of Bates beat out his team-mate, Clifford, for eighth place, Mayo, a Colby man, came tenth.

Then the Maine runners for the first time showed their colors and the procession started. Berg got in first for eleventh place with Laughlin, Barnard, Herrick, and Pease following in the order named. Bowdoin and Colby fought for the remaining places.

Coach Preti and the team has tasted the bitter dregs of defeat for the first time in a state meet but through no fault of theirs. Bates had gone over the new course at Bowdoin and had practiced for speed. The Buker twins ran a wonderful race and deserved their victory.

Coach Preti is putting the team thru some grilling work this week in preparation for the New England Meet. The student body may expect an entirely different showing when the team

Alpha Omicron Girls Have Halloween Party

Gamma Chapter of Alpha Omicron Pi gave its first party of the year, on October 30, in Mayo's Hall, Orono. The hall was attractively decorated with Halloween colors and symbols which gave a festive and appropriate atmosphere to the occasion. Throughout the evening apples, pop-corn, doughnuts and cider were served.

The fraternity had, as its special guests, Mrs. Lillian McQuillan McCausland of Providence, R. I., and Mrs. Stella Stern Perry of Los Angeles, Cal., national officers of Alpha Omicron Pi.

The chaperones included Mrs. Estabrooke, Mrs. Cleaves, Mrs. Dunn, Mrs. Ring, Mr. and Mrs. Walkley.

There were several alumnae present: "Dot" Stetson, Kathleen Snow, Frances Bartlett, "Peg" Tibbetts, and Nerita Willey.

By vote of the Student Government Association, Minnie Norell of the Junior class was elected as delegate to the Intercollegiate Convention at Elmira College, Elmira, New York. It is felt that attendance at this convention will be of great value to the girls of Maine, especially now, when student government is so new and meeting so many problems.

Veterans of Foreign Wars Post Is Being Formed

A meeting of the overseas Veterans was held Tuesday, November 2, for the purpose of forming a Maine Post of the Veterans of foreign Wars. About twenty-five were present at this meeting, a committee was elected to secure a charter and aid in enrolling members. The committee elected is as follows: Croker, Sigma Chi, McBride, Chairman, Theta Chi, Ranger Sigma Nu, and Harrington Phi Eta Kappa. At this meeting plans were discussed for some kind of a memorial to those of the University who gave their lives for their country. Men wishing to join will become charter members if they submit their names to the committee before the charter is received. There are about 100 students on the campus who are eligible for enrollment in this organization. This post will, without doubt, become one of the strongest of the student organizations. The Veteran of Foreign Wars is the only National Organization composed exclusively of Veterans of the wars and campaigns conducted by the United States on foreign soil and in hostile waters. Others admit to membership all who enlisted for some particular war or served in some particular campaign.

We extend the hand of comradeship to all who saw actual service in any war or campaign with a foreign foe. We number in our membership veterans of the Mexican War of 1846; those who helped humble the Don in '98; who stamped out the insurrection in the Philippines from '98 to '06; who sealed the walled cities of China with the relief expeditions in 1900 and 1901; and those who served outside the United States in the war with Germany; the men who helped drive the brutal Hun back within his own borders in the war for world democracy "The Fighting Men of the United States."

This is exclusively a veteran organization, one in which you will meet the men who were on the firing line with you. Rank, religion, politics, and disputes between individuals and classes are "hung on the doorknob" when you enter one of our post meetings or gatherings of our order. While we number among memberships many distinguished and gallant soldiers, sailors and marines, of all grades, office is awarded only for ability and faithfulness, many private soldiers having held the exalted rank of Commander-in-Chief.

Comradeship is the basic principle of this order, comradeship formed at the front and cemented by common hardships and dangers on foreign soil or in hostile waters. Those who have endured the most of our country love it better because of the sacrifices they have made. What the campaign bar and gold chevrons mean to those still in the service, the lapel button of our order means to the public. The insignia of this order is the only one which shows the wearer is a foreign service veteran. All eligible Maine men will eventually become members; why not now?

The aims of the Veterans of Foreign Wars are to foster comradeship, loyalty to the government of the United States, to perpetuate the memory of its dead, to assist all comrades in broken health and care for the widows and orphans of deceased comrades, to propose and assist in the enactment of laws which are equitable to those who sacrificed so much upon the altar of our nation. The greatest of these aims is comradeship, for in comradeship there is unity, and in unity there is strength, and in

Maines Financial Needs Officially Presented

Trustees of the University Submit a Budget to Legislative Committee

Acting in accord with a law passed last year, a special committee of the Maine Legislature is giving hearings in the various counties, gathering material on which to base a budget to present to the Legislature which will convene Jan. 1.

The wisdom of having a body of outgoing legislators prepare a financial schedule for the incoming session, with all the possibilities of changed conditions and urgent needs, is being seriously questioned, and many predict that this law will not stand the test of application. However, the committee is carrying out the duty assigned to it and endeavoring to keep within the bounds of the amount which the last Legislature believed would be sufficient to meet the State's requirements.

Complying with this committee's request, the trustees of the University of Maine last week submitted a budget covering the needs of this institution in the next two and one-half years. A change in the State's bookkeeping system, whereby the fiscal year begins July 1, instead of Jan. 1, necessitated the call for estimates for the extra half-year. The appropriations requested in behalf of the University of Maine are as follows:

To cover the deficit, \$235,000, that amount to be apportioned, as follows: \$45,000 to be paid in the first six months; \$95,000 each of the two following years.

For maintenance, \$150,000 from Jan. 1 to July 1, and \$300,000 each of the following two years.

For needed new buildings, \$45,000 for building and equipping an addition to Mt. Vernon House, one of the girls' dormitories; this amount to be raised for the period to July 1; an appropriation of \$50,000 the following year, for a horticultural building and equipment; \$20,000 the next year for a storehouse, and \$30,000 for building and equipping a new dormitory for men students. The total budget, for the two and one-half years, including the \$235,000 deficit, the maintenance of the institution and the needed buildings, amounts to \$1,130,000.

In his letter accompanying the budget President Aleo goes into details regarding the various items. The actual operating expenses from July 1, 1918, to July 1, 1919, were \$419,355; actual receipts in that period, \$256,241; net operating expenses, \$163,114. From July 1, 1919, to July 1, 1920, the actual expenses were \$502,889; receipts, \$321,699; net operating expenses, \$321,699.

President Aleo, Secretary W. D. Towner and Dana S. Williams of the U. of M. Alumni Association appeared before the legislative committee and gave detailed information in regard to the over-crowded condition of the university, the great need of more housing accommodations, and the turning away this fall of numerous applications from prospective women students because the dormitories could not accommodate them. A number of the trustees and prominent members of the alumni were in attendance at the hearing.

"The Main Spring" Wound for Year

The new literary magazine, "The Maine-Spring," is well under way, with teams organized by the Contributors' Club, its publishers, soliciting subscriptions.

The policy of the board of editors, in accordance with the suggestion of the Club, will be to publish only such articles as will have an appeal to the general reading public. Thus, stories, poems, etc., of a purely local nature will be excluded.

The editors wish to appeal for contributions to the entire university body: faculty, students, and alumni. The types of matter desired are essays, stories, and poetry, general direction for which follows.

Essays may be of any nature, but must be so written as to be interesting to the general public.

Stories should be of universal appeal, and should range in length from 1500 to 4000 words.

Poems, carefully written, are especially sought; and may vary in length from one quatrain to 200 lines.

Material for the first issue should be turned in to Mr. Creamer, Miss Violette or Mr. Gaudreau on or before Nov. 15.

Sigma Delta Chi Announce Pledges

The University of Maine Chapter of Sigma Delta Chi is as active as ever on the Campus. It is an honorary fraternity open to sophomores, juniors, and seniors who have shown unusual ability in the various courses in journalism, and who propose to enter upon journalism as a profession.

At a recent meeting of the members, Frederick F. Marston '22 was chosen delegate to the National Convention which is to be held in Oklahoma.

The fraternity announces the following pledges: Linwood J. Kelly '21, Stanton Glover '22, Philip W. Ham '22, and Harry A. Patterson '22.

Horticultural Exhibit Was a Great Success

Those who attended the Horticultural Exhibit Wednesday and Thursday of last week, felt that the visit was well worth the trouble. It was held in 33 Winslow Hall, which was decorated for the occasion in a tasteful manner. A rustic arch at the entrance was covered with evergreen; another similar one, formed the surrounding for a charming rustic arch at the entrance was covered with walls of evergreen with white chrysanthemums at intervals while the background was made up from palms. An exhibit of interest was that of apples of many varieties, some of them box packed. A design in the same collection was a huge M formed with russet apples. One long table showed potted plants and another ferns; then two tables of cut flowers made a brilliant mass of color, consisting of beautiful dark red and white chrysanthemums, yellow snapdragons and carnations, all raised at the University greenhouse.

One of the features of the show was a table set for six by the Home Economics department, to suggest the correct floral decorations. In the middle was a vase containing a single pink rosebud with maidenhair fern. Streamers of

Before the largest crowd that has ever assembled together on Whittier's field at Brunswick, Maine and Bowdoin battled to a tie score of 7 to 7. The game was filled with startling features from the minute the first whistle was blown until the last whistle. The feature of the game was the sensational 77-yard run of Small for a touchdown. Capt. Smith played a whale of a game in the backfield and the brainy work of "Georgie" Ginsberg kept the Maine team on the jump all of the way. "Pat" Hussey was a power of strength in the line. Mickey Finnegan was the cynosure of all eyes thruout the afternoon. Foster made some nice long gains thruout the game. Turner was the shining star on the Bowdoin team. He shook off tackle after tackle on several rushes and made most of the gains for his team. Woodbury and M. Morrell were the other shining lights in the Bowdoin backfield that played well. Capt. Dudgeon turned in some fine tackles. The Campus representative could not help from noticing the poor sportsmanship that the Bowdoin enthusiasts showed when Maine had the ball, by the continuous cheering and the Bowdoin cheer-leader did not try to stop them, but it may be said here that the Bowdoin crowd was kind enough to give Maine men a cheer when they were laid out. The absence of the bear, and the banner was very conspicuous.

First Quarter

The game started with Maine kicking to Bowdoin. Small kicked to Perry who fumbled and Barron recovered for Maine. Smith started the march toward Bowdoin's goal by making 5 yards thru right tackle. Small made three more and then Capt. Smith took the ball over for Maine's first down. Maine tried the aerial route but was unsuccessful, the sphere falling into A. Morrell's hands. Then M. Morrell kicked to Ginsberg on his 20 yard line and he ran it back 10 yards. After making those unsuccessful tries at Bowdoin's line, Small kicked to Turner on Bowdoin's 15-yd. line and he ran it back 20 yards. Bowdoin was penalized 15 yards for holding. Bowdoin tried to forward, but Ginsberg caught it and it was Maine's ball on Bowdoin's 45-yard line. Maine

Beta Gammas Give Progressive Dinner

Beta Gammas, members of the new local sorority on the campus, were hostesses to some fifteen girls at a progressive dinner party last Tuesday night at Balentine Hall. The courses of the dinner were served on three different floors of the building and were made up of most palatable dainties. The rooms were tastefully decorated in brown and gold, the sorority colors and the letters B Γ (Beta Gamma) in the same tints, were stamped upon napkins, place cards and favors. Stories were told and games played until the sounding of the study bell at 7.30 when the happy party was forced to break up that the Freshmen might return to their respective houses.

At a recent meeting of the Maine State Library Association, Prof. Raymond L. Walkley, librarian of the University of Maine, was elected president. The association holds meetings every year in different parts of the state, for the discussion of library matters. The meeting this year was held in the Bangor Public Library, and the main speaker was Prof. Mitchell of Bowdoin.

Editorial

At all games Maine has always had the courtesy to reserve the best section of the grandstand for the supporters of the visiting team. And other colleges have done the same for Maine. Whether it was mere numbness on the part of the Bowdoin management or an intended insult in not reserving a section for the Maine supporters in Saturday's game, we do not know. But Bowdoin lost the respect of many Maine followers thru the lack of courtesy shown the visitors at Whittier Field.

LOOKING BACK

A YEAR AGO

Maine won the state football championship by defeating Bowdoin 18-0 last Saturday.

The Blue hill and dale men outran the other Maine college teams in the state Cross Country Meet at Waterville last Friday, securing the championship by a wide margin.

The first Maine Night since 1916 was held last Friday night, the eve of the Bowdoin-Maine game. A great deal of enthusiasm and Maine spirit was displayed by the students and the large numbers of visiting alumni upon the revival of this old custom.

FIVE YEARS AGO

Maine defeated Bowdoin at Brunswick last Saturday by a score of 23-13 in the championship game of the state series.

The Maine cross country team easily won the state championship last Friday by carrying off highest honors in the State run. The first four men to finish were Maine men, crossing the line in the following order: Bell, Preti, Dempsey, Wunderlich.

Following the Bowdoin game, a body of 800 students lead by Joe McCusker proceeded to Portland and celebrated Maine's victory.

TEN YEARS AGO

Maine and Bowdoin fought to a scoreless tie on Alumni Field last Saturday in the decisive game of the state series.

Over 750 Maine men celebrated Maine night on the eve of the great football battle with Bowdoin.

Receptions have been arranged to welcome President-elect and Mrs. Robert J. Aley upon their arrival in Orono next Saturday.

"The Main Spring" Is To Replace "Blue Book"

The new college magazine, "The Maine Spring," which is to replace the "Blue Book," contains over 50 pages of humorous and timely prose and poetry. It is the product of the talent in the student body. The Xmas Number will be on sale December 10. Subscription rates are 35¢ a copy, or \$1.00 for the three numbers published during the college year. A pleasant surprise awaits its readers. The first issue must necessarily be limited in number. Copies will be reserved only by subscription or prepayment made to solicitors or at the book-store.

FRATERNITY NOTES

PHI KAPPA SIGMA

Phil Hussey '12 and his mother and sister were at the house Sunday.

Ralph Thomas and D. Ferris Thomas spent Sunday in Camden.

"Bill" Cobb spent the week-end in Portland.

PHI EPSILON PI

Monday night saw an auction in "Bis" Cohen's room. One black and white tie was sold.

Mechanical engineer "Lon" Rich thinks that benzine rings are used to clean clothes.

"Bonnie" Borstein has returned from a week at home much improved in health.

ALPHA TAU OMEGA

Herbert Fisher '12 was at the house over the week-end.

"Woodie" and his band provided entertainment for those going to Brunswick Saturday morning.

DELTA TAU DELTA

One of the Delta Tau Delta boys was caught in a shower at Brunswick last week.

"Duck" Swan was visiting "Puddie" Nissen in Portland last week-end.

"Pat" Corbin stayed at the home of "Fat" Waterman in South Portland over the week-end.

PHI GAMMA DELTA

"Rosy" Richards '19, "Red" Rossiter ex-'20, "Hod" Carter ex-'20, have been visitors at the house during the past week.

"Johnnie" Barnard's leg is in bad shape but he is still able to hobble home via the Brook Road.

It seems nearly time for Tom Murray to pass cigars with his Old Town trips as regular as the rising sun.

PHI ETA KAPPA

"Ed" Hacker passed the week-end at his home in Brunswick.

Phi Eta was well represented at Brunswick on the team, in the band and in the cheering section.

Mrs. Hamlin has gone to Florida for the winter.

SIGMA CHI

Almost everyone went to the Bowdoin game.

Wyman Hawkes '22 passed the week-end at his home in South Windham.

Willard Spear '23 was at his home in South Portland for the week-end and attended the Bowdoin game.

Wesley Plummer '21 was at home over Sunday.

Kenneth Chase made a short visit at his home in Cumberland Center after the Bowdoin game.

LAMBDA CHI ALPHA

About a dozen of our alumni were at the Bowdoin-Maine game.

Initiation began this week. There are ten initiates.

Several of our boys attended the dance given in the Bowdoin gymnasium Saturday evening.

John Shaw, Ithel Prescott, Rodney Folsom, Kenneth Woodbury, and Philip Stevens attended the Bowdoin game and then visited their homes.

Lambda Chi is to give an informal dancing party at Clarke's bungalow Friday night, Nov. 12.

SIGMA NU

Ralph Ranger '21 recently attended the initiation banquet of the Sigma Nu fraternity at Wesleyan University.

"Ginger" Fraser '21 passed the week-end at his home in Easton.

"Skin" Sewall '21 spent the week-end in Auburn.

KAPPA SIGMA

There was not much doing at Kappa Sigma house this last week-end for nearly everyone went to the game at Brunswick.

Mrs. Ella J. Mason entertained in honor of Mrs. Hamlin Saturday afternoon. All the matrons and many friends from Orono were present. Mrs. Hamlin left Monday for Florida where she will pass the winter.

THETA CHI

Mark Crockett '20 was back for the week-end.

Our "animated torch of learning" was unable to lead cheers at the Bowdoin game because of an automobile accident.

Tell me not in mournful numbers
School is but a lonesome grind,
For at night the student slumbers
Only four days' work behind.

The world's not coming to an end
No comet has been sighted
I came up here to study
But all my plans are blighted

No worse thing could e'er befall
I feel so bad alack!
But what's a feller goin' ter do
When the girls go out for track?

Alumni Notes

"Jerry" Reardon '18 is employed in Milwaukee by the Chain Belt Company. John Burke is also with the same firm.

John Quinn ex-'22 is attending Georgetown University this year.

Anne Curran '19 is director of physical training in Rumford High School.

N. B. Murphy ex-'22 who is a first year student in Harvard Medical School was recently awarded a Murphy scholarship. The scholarship that he was awarded is one of a number founded many years ago by a man named Murphy to assist in making possible the education of able men bearing his name.

The Alumni were very well represented at the Bowdoin-Maine game. The Androscoggin Alumni Association had an exceptionally large representation.

Carl Lewis '20 who is teaching in Mechanic Falls this year was in Brunswick for the game.

Among the alumni at the game were "Pete" Orcutt '20, "Chubby" Boyd '20 "Ken" Colbath '20, "Chink" Friend '20 Harold Sawyer ex-'22, "Nate" True '20, Lawrence Libby '20, Frederick Hainse '20, "Phil" McGouldrick.

Among the alumnae present were Beryl Cram '18, Mary Pulsifer '20 Dorothy Russell '20, and Marian Bussell.

I. R. Donavon '20, "Stubby" Furey '20 and Raymond Cook '20 who were so seriously injured are getting along as well as could be expected.

BALENTINE NOTES

Betty Hunt entertained Ruth Barslow at her home in Portland for the week-end.

Avis Strout and Ruth Murchie spent the week-end in Portland at the home of Avis Strout.

Gertrude Farnham returned to her home in Alfred for a few days.

Constance Turner and Rachel Connor were in Gardiner over Sunday.

Helen Hamlin's mother was visiting at Balentine Hall this week.

Pauline Smith left Friday for her home in Houlton and returned Monday morning.

Mable Hall spent the week-end at her home in Caribou.

Gladys Gould visited her parents in Milo during the week-end.

Irene Packard spent the week-end in Newburg.

The Pi Beta Phi girls gave a party in the chapter house in Friday night.

Louise Kincaid '23 entertained Florence Salley '21, "Peg" Blethen '21 and Martha Chase '22 at her home in Portland over the week-end.

Martha Woodbury '21 spent the week-end in Sabattus as the guest of Rena Campbell '21.

MT. VERNON NOTES

There were many absent from Mt. Vernon over the week-end. Marion Day, Alice Stanley, Antoinette Gould, Gladys Staples, Lila and Rowene Hersey, Margaret Mason, Katherine Stewart, and Mary Bunker visited their homes in Bangor. Anna Harden spent the week-end at her home in South Brewer.

The girls who were fortunate in seeing the Maine-Bowdoin game were Arabelle Hamilton, who went by automobile, Vilma Wallace and Margaret Manchester who journeyed by train.

Eleanor Prosser, who for the past week has been at home for a much needed rest, has returned to resume her studies.

Gladys Willey has also returned from her home where she has spent the past week.

Katherine Sargent, who was so hurriedly taken to the hospital after an attack of appendicitis, is recovering rapidly from her operation.

Miss Alfreda Ellis and Miss Rosalind Jewett, alumnae, were entertained at the house Sunday by Miss Wyman.

A FAIR TRADE

My girl is demure and good.

Do you think I'd swap for Fred's girl?

You know d-m well I would!

HAVE
YOU
NOTICED
?

Ulmer Davis's new green corduroy trousers?

Professor Kueny down in the gutter pulling weeds?

How the bow-legged males shun golf socks?

That "Paddy" Huddilston, like all other great men was born in Ohio?

That, lately, the boys have been traveling in nice, luxurious, soft coal cars?

The price of admission to Whittier Field?

The rice on Roger Castle's hat?

That we are again in the midst of prelims?

That Dave Hoyt is getting a reputation for crabbing all his courses?

Nickerson's wild-west costume?

"Red" Plummer's bald head?

That Phil Hodgdon is one of these rough and tough boys?

That the old sheepskins are beginning to appear again?

That "Fat" Howell seems to be passing up his Bangor course?

That "Mope" Adams showed signs of embarrassment at the Bowdoin game?

"Johnny" Eames's walk?

That the classroom is a fine place to make up lost sleep?

That many of the freshmen seem to think that the "Hello" custom is not worthy of their consideration?

"Red" Derocher and the bear at the Bowdoin game?

That Peterson seems to have been destined for a soldier?

That we need water-proof sidewalks?

IT STILL HAPPENS

She: Are you going to take supper anywhere to-morrow night?

Gibbs: (eagerly): Not that I know of.

She: My, won't you be hungry the next morning.

Polite but absent-minded bather (to a friend up to his neck in water): "Ah! Jones, very glad to see you. Won't you sit down?"

THAT'S DIFFERENT

"Have you made up your mind to stay in?"

"No, I've made up my face to go out."

"Oh, so you wear gloves to keep your hands soft?"

"Yes."

"And do you sleep with your hat on?"

WHEREUPON

Lecturer—Young gentlemen, do not waste your time.

Whereupon the student body left the building en masse.

HOLD EVERYTHING

A young man who went to the late war began his first letter to his sweetheart after this fashion: "My dear Julia, Whenever I am tempted to do wrong I think of you, and I say, 'Get thee behind me, Satan.'"

UNCLE EB

An old colored man was burning dead grass when a "wise guy" draped himself over the fence. "You're foolish to do that, Uncle Eb," he told the bent figure, "it will make the meadow as black as you are." "Don't worry about that, sah, dat grass will grow out to be as green as you is."

THE RAJAH'S PALACE
MYSORE, INDIA
Equipped with Otis Elevators

WITHIN the romantic line of "India's coral
strand," in remote, unthought-of places,
Otis has introduced modern, vertical transportation.

The Rajah of the native State of Mysore resides in
this palace in the capital city of the same name.
What a strange note this modern elevator must bring
to this palace! . . . The civilization of the West
reaching into the very heart of the Orient and paving
the way for other products!

As an achievement, this Otis installation is note-
worthy in itself, but its chief significance lies in the
fact that it is a typical indication of the world-wide
scope of Otis activities.

Most of the famous buildings of the world
are equipped with Otis Elevators

Professors Association Holds First Meeting

The National Association of Ameri-
can Professors was organized January
1, 1915. The purpose was to facilitate
more effective co-operation among
teachers and investigators in universi-
ties and colleges and in general to in-
crease the usefulness, and advance the
standards and ideals of the profession.

Members of all universities, of all
colleges, teachers of three years stand-
ing of any reputable institution are ele-
gible for membership. At present the
membership is in excess of 4,000 rep-
resenting over 150 institutions. The ac-
tivities of the organization are many
including such things as possibility for
co-operation of teachers in adminis-
trating officers, advancement of research
the problem of graduate study, and
economic conditions of the profession.
A number of cases in which teachers
had been unjustly treated in collegiate
institutions, have been thoroughly in-
vestigated by the association, followed
in each case by full publicity of the
findings, whether in favor of the teach-
er or the institution.

The University of Maine branch was
organized May 4, 1917. Very few of
the original members are still left. The
organization became inactive during
the war, but interest was resumed last
spring. Membership is now increased
to nearly forty. An organization meet-
ing was held Friday, October 22, and
the following executive committee
elected: Chairman, Professor George
Chase; Secretary, Professor Harold M.
Ellis; and one other, Professor W. J.
Sweetser.

More than three hundred students in
Princeton University, mostly juniors
who have enrolled in the economics
course, will have their photographs tak-
en to be used in a card index by pro-
fessors in the department of economics.

To help identify the students, each
instructor will bring to the recitation
rooms a small box bearing cards, on
which will be the name, seat number and
photograph of a student.

Prof. Frank A. Feter, head of the
department of economics, said the teach-
er has been handicapped by not know-
ing each pupil by name wherever he
meets him and that the proposed scheme
should enable an instructor to get ac-
quainted with all in his class, in a few
days.

This plan was used here with marked
success in the Students Army Training
Courses during the World War.

smilax floated from the center to the
corners. At each lady's place was a
corsage bouquet of snapdragons and
ferns while each gentleman was provid-
ed with a boutonniere. The combination
of flowers with the gleaming silver and
linen made a very attractive display.

A model design showed a house with
the grounds laid out according to the
principles of landscape gardening.

and 823) have been taken from the
stacks, and are now more conveniently
located in the alcove at the right of the
desk as you enter the building.

German and French literature (830 to
849) are no longer scattered around the

building, but are now shelved in order
in the former Agricultural Seminary
(Room 23).

Italian and Spanish literature (850 to
869), and the books on Romance phil-
ology (440 to 469) are now shelved in
order in the former German Seminary
(Room 27).

Publications of the U. S. Department
of Agriculture and of the Agricultural
Experiment Stations of the various
states have been moved from the old
Agricultural Seminary to the basement
corridor.

All Law Library books are now in
the basement room facing Balentine
Hall (Room 2).

All books on Philology (40 to 439,
and 470 to 499) except the Romance
languages, have been moved from the
second floor of the stacks to the 1st
floor. This brings the books on lan-
guages (400) next to the literature
books (800), which is a more logical
and convenient arrangement than the
numerical order.

Maine Again Wins the Football Championship

(Continued from Page One)

was penalized 15 yards on the next play for holding. Foster made 4 yards thru left guard. Capt. Smith made 5 yards thru center. Foster then circled Bowdoin's right end for 11 yards and on the next play Foster circled Bowdoin's left end for 2 yards more. Smith made first down, Smith made 5 yards more thru center. Bowdoin was off-side giving first down to Maine. Foster ploughed thru left guard for 8 yards. Small made first down. This placed the ball on Bowdoin's 20 yard line and Maine tried hard for a touchdown by throwing two unsuccessful forward passes. The ball went to Bowdoin on downs. Turner made 7 yards thru right tackle. Bisson then made first down. M. Morrell then made his longest punt of the game, 60 yards to Ginsberg who fumbled but recovered a second later and ran the pigskin back 10 yards. Time was called for Small. Foster on the resuming of play took the ball thru right guard for 8 yards. Smith made first down thru center. Ginsberg thru left guard 2 yards and Small made 7 yards thru the same place. Then Ginsberg made first down and the quarter ended with the ball in Maine's possession on Bowdoin's 44 yard line.

Second Quarter

Capt. Smith started this quarter off by making 6 yards thru right guard. Ginsberg made 4 more thru center. Small kicked to Turner who was tackled in his tracks by Mickey Finnegan. Turner made 8 yards around right end. J. Smith did not make any gain, Bisson made first down. Turner then circled Maine's right end on a long end run for 17 yards. Bisson tried to gain by the same way, but was stopped in his tracks. J. Smith made 10 yards thru right tackle. Bisson then fumbled and a Maine man recovered. Foster and Smith made 8 yards. Foster circled Bowdoin's left end for 9 yards. A forward was tried, Ginsberg to Smith, but was incomplete. Small kicked to Turner on the 12-yard line. Turner made first down thru right guard. A. Morrell made 4 yards. M. Morrell kicked to Ginsberg who ran the ball back 10 yards. Smith and Foster made 6 yards. Then Small made his longest punt of the season, the ball going 50 yards, and Turner allowed the ball to roll over the goal line. The ball was taken out to the 20-yard line where play was resumed. Kirkpatrick was substituted for Bisson. He made only 2 yards. After two more unsuccessful tries at Maine's stalwart line by M. Morrell punted to Ginsberg who ran the ball back 15 yards. Maine tried another forward but was unsuccessful. Small made 3 yards thru guard. Another forward was incomplete, Small to Smith the ball going to Bowdoin, and on the next play Small grabbed one of Bowdoin's forwards out of the air. Smith made 4 yards thru guard. Ginsberg made 3 more and the half ended with the ball in Maine's possession in mid-field. The two teams were about even in this period, Maine gaining a little more ground than Bowdoin.

Third Quarter

Bowdoin started this quarter off by kicking to Foster who ran the pigskin back 15 yards. Maine was penalized 5 yards for off side play. Smith and Small made 6 yards. Foster made 2 yards more. Small kicked to Turner who fumbled and Young recovered for Maine on Bowdoin's 25-yard line. Smith made 5 yards thru right guard. Small made first down. Foster and Smith made 11 yards thru Bowdoin's line. This put the ball on Bowdoin's 5-yard line. Turner called for time. Foster made 2 yards more but Small was thrown for a 5 yard loss. A forward pass was tried but was incomplete, the ball going to Bowdoin on her 7-yard line. M. Morrell kicked to Ginsberg. Smith and Small made no gain. Small threw a forward to Smith which netted Maine 15 yards. Maine fumbled and Bowdoin recovered the ball on Maine's 45-yard line. Capt. Smith called for time out. M. Morrell made 3 yards around right end. Turner made 5 yards thru right tackle. Turner called for time out. On the next play Maine was caught holding and she was penalized 15 yards. Turner and J. Smith made 7 yards and M. Morrell kicked to Ginsberg. Small returned the punt to J. Smith. A long forward pass was pulled off by Bowdoin and one of the Bowdoin ends caught it, but on being tackled hard by Maine's diminutive quarterback the ball dropped to the ground and one of the Bowdoin players scooped

it up and ran over the goal line, but to the sad dismay of all the Bowdoin followers, the ball was brought back to the 50-yard line for the pass was incomplete and Parent, the Bowdoin end started down the field before the ball was snapped. Bowdoin was off-side again. Turner and Morrell made 9 yards. Morrell then threw a forward straight into Ginsberg's hands and he ran 20 yards before he was tackled. The quarter ended here with the ball in Maine's possession.

Fourth Quarter

Capt. Smith started this quarter off by making 5 yards thru the center of Bowdoin's line. Maine was offside and this placed the ball on Maine's 23-yard line. It was at this point of the game when Small started behind good interference and shaking off tackle after tackle ran 77 yards for Maine's first and only touchdown. The last 50 yards of Small's run he had a clear field all of the way ahead of him. The rooters for Maine went wild, and another uproar came when "Pat" Hussey with his sure foot, booted the ball between the crossbars which added another point to Maine's score. It was at this stage of the game when Bowdoin seemed to take on a little more fight and made a steady march toward Maine's goal after the kick-off. Woodbury and Turner made 11 yards. M. Morrell made 9 yards around left end. Woodbury made first down. Turner made 7 yards thru Maine's line on two rushes and Woodbury made 11 yards on two more plays. Maine was penalized twice for off side play, thus placing the ball on her 8 yard line. Then Bowdoin was penalized 10 yards. Young was hurt quite badly and he was removed from the field.

On a lightning forward pass from Woodbury to Parent, Bowdoin made her one and only touchdown. Mason kicked the goal making the score a tie. M. Morrell kicked to Small who ran the ball back 15 yards. Foster made 5 yards. Smith made first down. Maine made a costly fumble and Bowdoin recovered. Bowdoin tried a dropkick from midfield but failed by several yards. The game ended with the ball in Bowdoin's possession.

Score 7 to 7.

ROMANCE

I fell for her in the book room. It was dark and stormy outside. Oh, yes, of course I took her home. That evening from the Libe. She was blue-eyed, blond, and rosy. Rosie, I think was her name. She had red lips and everything. That camouflage a Jane. But the best thing of all about her—Better than all her good looks—She was plump and warm. And filled my arms, Yes, filled my arms—with books.
