Cross Country Team  
Third in N. E. MeetRaymond and Herrick Are Star Runners For  
The Maine Team

Massachusetts Institute of Technology won the annual New England intercollegiate cross country run Saturday over the Franklin Park course at Boston, with Raymond Buker of Bates finishing first. Bates was second in the team summary, Maine, third. The finish was a neck and neck race between Capt. MacMahon of M. I. T. and Capt. Buker of Bates. In the last 50 yards, MacMahon weakened and Buker who had been holding himself in reserve, spurred and came in 10 yards in advance of the Tech man. "Midget" Raymond finished in 6th place, after having led the pack most of the way. "Bub" Herrick finished in 9th place. M. I. T.'s team score was 59, Bates 81 and Maine 96. Bates made a strong bid for first honors but M. I. T. had a superior, well-balanced team.

One of the surprises of the day was the running of Cecil Leath of N. H. State who finished 32nd. Last year he finished second to Gordon Nightingale and he has beaten MacMahon of Tech a number of times.

The course was about 5½ miles. 80 men started and 75 scored. Each team but Colby and Wesleyan entered the seven men allowed. These two entered five. Holy Cross and Bowdoin withdrew their entries before the race, leaving 12 teams competing.

Stimson of Wesleyan and Rollins of M. A. C. jumped into the lead but Rollins was soon passed. Stimson stayed among the leaders and finished fourth.

At two miles, Doherty of Tufts was leading with MacMahon, Stimson and the Buker twins following.

At three miles "Midget" Raymond was leading the pack with MacMahon second. Crofts of Williams followed at his heels, Doherty had fallen back to fourth place, Stimson was next. Ray Buker had left his twin Richard and was rapidly gaining on the leaders.

At four miles Midget was still leading with MacMahon fighting for the lead. Crofts of Williams was third. Ray Buker sixth, with Flanders, Stone and Hendrie of M. I. T. in seventh, eighth and tenth place.

When the runners came in sight at the finish, MacMahon and Buker were fighting it out, MacMahon seemed to have a good lead but Buker who had been holding himself in reserve, rushed by the Tech man in the last 50 yards, leading him across the finish by 10 yards. Crofts of Williams was third.

The Y. W. Girls Meet  
In Mt. Vernon House

The Y. W. C. A. held a very interesting meeting Sunday evening at the Mt. Vernon house. The meeting was not carried on in the usual manner, but was a Y. W. C. A. "sing." The girls gathered around the fireplace and sang the college and Y. W. songs and hymns. Miss Phillips gave a report of her visit to the Children's Home in Bangor and told how the afternoon was spent. It is the intention of the Y. W. C. A. to send two girls to the Home every Sunday to tell stories or amuse the children. Miss Phillips and Ione Irving were the representatives on Nov. 7 and they took a large number of the children to walk. They described the delight of the children, and every one became very enthusiastic over the work. After these reports, more college and Y. W. songs were sung and then the meeting adjourned. It was thoroughly enjoyed by all, and everyone felt the real spirit of the meeting. Don't miss the next Y. W. C. A. sing.

Maine's Debating Society  
Is Being OrganizedAn Ernest Effort Is Being Made  
to Establish Intercollegiate  
Debating Here

Tuesday nights finds Estabrook Hall well filled and humming with excitement and interest, the event of the evening being a regular meeting of Maine's growing debating society. The society has become determined to establish inter-collegiate debating at Maine by next year at the very latest, and is leaving no effort unbent to bring about this end.

The first event of the debating year was staged on election eve on the proposition, "Resolved that the Democratic Party be retained in power." The discussion was an informal one and all of the speakers were requested to be brief, but it certainly proved that there is much debating material at Maine with which to build up a team. So great a success was this first attempt, that the society has decided to hold regular, formal debates and to follow each of these by an informal discussion in which the entire society will partake.

The society is being steered by the guiding hand of Professor Bailey. The constitution which was recently drawn up by the executive committee provides for the election of honorary members. Professor Bailey has been elected the first honorary member.

A cordial invitation is extended by the society to all of the male members of the University to join their group. They point out to the student body that debating is a form of mental gymnastics, accomplishing for the mind what athletics will bring about in the body.

Tri Sigma Promises a  
New Educational Program

Tri Sigma is an honorary biological fraternity. This fraternity was established in 1917 and was very active for two years. Last year, however, due to several reasons the organization was dormant.

The object of Tri Sigma is to promote the knowledge of students, who are really interested in the science of Biology, along Biological and Medical lines. This is done by obtaining as speakers at each meeting, professional men or women as surgeons, doctors and nurses.

Membership is open to both men and women. The requirements observed in choosing new members are: (1) that the student belong to one of the upper three classes, (2) that he take several hours of work each year in the Biology department, (3) that he show unusual interest and ability in this particular work, (4) that he receive satisfactory rank in all his courses.

The date of each meeting will be posted on the bulletin board. Every member on the campus is urged to watch for these notices.

Fall Pledges to Tau  
Beta Pi Are Announced

Alpha chapter of Maine announces the following pledges to Tau Beta Pi: Class of 1921: Andrew Adams, Fred E. Baldwin, Vernon Hobbs, Wesley Plummer, Erlon W. Fluit, Elliot Staples, Virgil Trouant, Kenneth Vaughan. Class of 1922: Herbert A. Brawn.

Raymond Smith, Captain of  
Championship Team Ends  
Football CareerRay Has Been Prominent in Foot-  
ball Since Entering Prep  
School

Raymond Smith graduated from Brewer High School in the spring of 1914. He entered the University of Maine in the fall of 1915, registering as a mechanical engineer. During his freshman year he engaged in all the class games and showed himself a promising athlete. He also joined the Theta Chi House, where he has been an active member during his whole course.

In his sophomore year he practiced football and gained a position as half-back on the varsity squad.

In the summer of 1917, he joined the army and during his enlistment worked up to the position of Second Lieutenant. At the close of the war he came back to school, continuing the same course as before. That year Ray played full-back on the varsity team, which won the New England State College championship.

His senior year has been even a greater credit to him than the others. He was elected captain of the foot-ball team and has surely done justice to the task. As full-back he starred in nearly every game. He is also a member of the Senior Skull society.

His ability as an athlete and also as a student is a credit to the University, and the place he holds will be hard to fill again.

Second Entertainment  
Of M. C. A. Coming FridayMiss Sheerer Has a Reputation as  
a Literary Interpreter

The second number of the M. C. A. entertainment program will be given by Maud Scheerer, Friday, November 19, 8:00 P. M., Alumni Hall.

Maud Scheerer's recitals stand pre-eminent in the favor of those searching for programs that are entertaining and inspiring.

What she does, strikes one as worth while. One sees in it both the dramatic artist and the woman of vision and purpose. She is a teacher of expression and a dramatic coach of unrivaled standing, has coached plays at Wellesley College, was a member of the faculty of Leland Powers School for five years, taking the chair of Shakesperian interpretation upon the death of George Riddle and has her own company of Shakesperian and Modern Players.

The three remaining numbers are Kayem's Feature Musicians, Saturday, January 8; Commonwealth Artists, Friday, February 4; and Crawford Adams, Friday, March 18.

## LOST

A Victory medal with four battle clasps and one defensive sector clasp on a rainbow colored ribbon, between Fernald Hall and Waiting Room, Thursday, Nov. 11, 1920. Will the person who found it kindly return to "Chubbie" Holt or at the Registrar's office. A suitable reward will be offered and no questions asked. The owner values the medal very much and it is impossible to secure another one from the War Department.

## Notice Juniors

All pictures for the 1922 Prism must be taken before December 1. Arrangements have been made with Mr. Chalmers of Bangor to take the pictures. Make your appointment over the telephone at once. No pictures taken after December 1 will appear in the next Prism. Attend to this matter at once!

to Be Given

At the Athletic Board Meeting, November 12, 1920 it was voted that the following amendments to the By-Laws of the Athletic Association be approved:

To change Article VI to read Article VII, and in Section 1 of this article to substitute the word "student" for the word "man."

To add an article covering the awarding of girl's athletic insignia to be known as Article VI of the By-Laws as follows:

## ARTICLE VI

Rules Governing the Awarding and  
Wearing of Girl's Athletic Insignia

Section 1. The Athletic Board shall determine on the candidates to be awarded the "M", under the following rules:

a. In tennis, to the girl competing in the finals in either singles or doubles in a women's intercollegiate tennis match.

b. In basketball, to any girl playing in two thirds of the number of full periods, or parts thereof, in varsity women's intercollegiate or normal school basketball contests.

Section 2. The varsity initial for girls shall be different in every respect from the "M" worn by the men of the University, but shall be of the same color and made of the same material. It shall be 5 inches laterally at base, 4 inches laterally at top, and 4½ inches from base to top. The "M" shall be worn on the front of the jersey in the center.

Section 3. The class numerals shall be awarded each girl winning 30 points under the following regulations:

a. In class basketball, 15 points shall be awarded each member of the winning team. 10 points shall be awarded each member of the team finishing second. 5 points shall be awarded each member of the other two teams.

A member of a team shall be a girl who has played five full periods, or parts thereof, in the class series (a round robin series being played).

It is understood that a player being removed on account of injuries shall receive credit for the remainder of the game.

b. In tennis, an elimination series shall be run off in the fall and again in the spring.

In singles, 20 points shall be awarded the winner of the series. 10 points shall be awarded the girl winning second place.

In doubles, 10 points shall be awarded each member of the winning team and 5 points to the members of the team winning second place.

c. In track, 5 points shall be awarded the winner in each event, 3 points to the girl finishing second, and 1 point to the girl finishing third.

d. Points shall be accumulative and carried over from one year to another.

Section 4. The numerals shall be like the numerals awarded the men of the University, but they must be worn in a diagonal position on the front of the jersey.

Edwin F. Ladd, a graduate of U. of M., was elected U. S. Senator from North Dakota in the last election. He has been for many years the director of the North Dakota Experiment Station.

Maine's team was defeated on Alumni Field Saturday, Nov. 13, to the score of 47 to 7 by the New Hampshire State eleven. The New Hampshire State's backfield was as good a combination as has ever played on Maine's gridiron for they were not only strong on the offense but could also carry the ball in great style. Connor was the individual star of the game for time and time again he would carry the ball down the field for a touchdown. When the other two backs failed to gain ground, they would give the ball to Connor and he would take it for first down. He figured in every one of the touchdowns except the last one.

Coach Crowell is to be congratulated for the fine football team he has developed at New Hampshire State college. The annual game between Maine and New Hampshire State will surely be looked forward to by many football followers.

Georgie Ginsberg was the hero for Maine. He certainly ended his last game of football for Maine in grand style and there was not a person in the stands who did not applaud him when he left the field for the last time on account of injuries. He has been the All-Maine quarter-back for the past two years and his name will always be honored and remembered for the work he has done for the university.

Captain Ray Smith who also played his last football game for Maine fought to the finish. The same praise that was given to Ginsberg can be applied to Captain Ray Smith. He has had many difficulties to contend with this year for his team has been made of practically all new material.

Every man that was put against the New Hampshire team fought to the last but it was just a matter of fighting against a superior. It was a clean game from start to finish and the Maine boys took their defeat like men.

The game opened by Small of Maine kicking the ball to Gabois who ran it back 15 yards. In less than three minutes of play Connor took the ball over for New Hampshire's first touchdown. Farmer kicked the goal. Bell then kicked to Small on Maine's 5-yard line. Small and Foster made 9 yards around the N. H. State's ends. Smith made

Local R. O. T. C. Unit  
Celebrates Armistice DayTake Part in Parade in Bangor as  
Requested by the City

On Armistice Day, Nov. 11, 1920, the University of Maine R. O. T. C. was requested by the City of Bangor to participate in the holiday celebrations.

This request was accepted and the whole organization was carried to Bangor by special cars. The unit formed on Broadway and marched down to Bangor High School, where the unit from that institution formed in the rear of the R. O. T. C. From here the parade proceeded through the various streets of importance. Finally the unit was reviewed by a body of Bangor officials. The officials remarked most favorably on the fine soldierly appearance and excellent discipline of the entire organization.

After the parade was over the boys of the various companies were treated with hot coffee and doughnuts made by an army field cooking outfit. Then the unit boarded the special cars and returned to Orono where they were dismissed.

## Editorial

If a professor should give an examination and not one person taking it should pass it, an investigation would be made on the professor and not on the class. Wherein if every person in the class should fail, the ability of the professor to teach or his methods of teaching would be examined. If, on the other hand, only about half of the class should fail to pass the examination, all the blame would be laid on the attitude of those who failed, and no investigation would be made. We might compare last Saturday's game to a final examination. We know that not very many of the players passed it. But where shall we lay the blame? Was it the attitude of the players or the method of instruction?

The attitude of the student body throughout the football season has been of such a nature that everyone is satisfied. The team cannot complain and does not intend to. Manager Cobb offers no kick. And even the student are pleased with themselves. Let us hope that this spirit will remain and develop into a greater spirit for the rest of the year.

Now that Spanish is becoming a popular as French why not organize a Spanish Club to run competition with the Cercle Francais?

## "The Maine-Spring" Materializes Rapidly

Volume 1, Number 1, the Christmas Number of "The Maine-Spring," will be ready on Dec. 10, 1920.

All contributions for the first number must be submitted before Nov. 22, 1920. Articles may be deposited in the mail box labelled "The Maine-Spring," in the post-office at Alumni Hall, or they may be forwarded through the regular mail.

Subscriptions are available at the Book-store. Single copies of each number will not be placed on sale this year. The rate of subscription is \$1.00 for this year, which entitles the subscriber to the total three numbers published. Personal checks made payable to "The Maine-Spring" are acceptable by mail, and at the Book-store. The first number contains clever articles of humor and of special interest to its student readers. Each one will want his own copy of the Christmas Number when he sees everybody prizing a copy. This first number may be needed to complete individual files at a later date. Copies will be reserved only for the subscribers for the year. Subscriptions should be taken before Dec. 4, 1920 so as to insure that a sufficient number of copies will be provided to accommodate the demand.

## LOOKING BACK

### A YEAR AGO

Maine defeated New Hampshire State 7-3 at Durham, N. H. last Saturday in a hard fought battle in which Maine was greatly outweighed by her opponents.

Maine tied with Williams College in the New England Intercollegiate cross country run held last Saturday over the Franklin Park Course at Boston. New Hampshire State was first with 30 points, while Maine and Williams scored 29 points each.

Rehearsals for the first annual Minstrel Show to be presented by the University of Maine began Thursday night.

The Hannibal Hamlin Hall eleven defeated the Oak Hall football team 3-0 Saturday.

### FIVE YEARS AGO

Maine lost the final game of the season to West Point by a score of 24-0 Saturday.

Maine captured the New England Inter-Collegiate Cross Country Meet at Franklin Park, Boston, Saturday, scoring 59 points. Dartmouth was second with 68 and M. I. T. third with 98 points.

Maine was represented by six men on the All-Maine team selected by the captains and coaches of the Maine colleges.

Bananas I, the Maine mascot bear, has been sold by Coach Smith and will leave soon.

### TEN YEARS AGO

Dr. Robert J. Aley arrived on the campus recently and will assume his duties as President of the University next week.

In their first concert of the season, the Maine Musical Clubs entertained several hundred patients at the Bangor Insane Hospital.

The Maine Masque has been organized and will present "Twelfth Night" this year.

The freshman-sophomore football game between '14 and '13 ended in a scoreless tie.

## Results of Athletic Association Election

Under the new form of election, the student members of the Athletic Association are as follows:

Bill Cobb, President; Bub Herrick Vice President; Carl Martin and Buck Thomas tied for Secretary; Tank Graffam, Base Ball Manager. There are no Assistant Base Ball Managers elected yet as the returns from the other voters have not come in, altho O'Reagan and Thomas won the popular vote of the student body. Buck Fifield, Track Manager; Beckett and McKeeman, Assistant Track Managers, and Ellis, Hockey Manager.

That is good said the dumb man as he picked up the hub and spoke.

## FRATERNITY NOTES

### KAPPA SIGMA

Jerry Reardon's brother, John, was at the house a while Saturday forenoon. A number of the men from New Hampshire were at the house Saturday before and after the game.

Newman Young left for Lewiston Monday noon.

Mrs. Mason has been directing the play to be given by the students of the Orono High School.

Don Coady's sister, who is teaching in Old Town, was down to the game last Saturday.

### THETA CHI

Raymond Rush has left college and will enter his father's business.

Brother Furey accompanied by Irving Donovan, both of whom have been in the hospital as the result of injuries received in an automobile accident, were visitors at the house and attended the game Saturday.

"Cap" Legrow has now been fully initiated into the duties of night watchman at North Hall, having served a faithful apprenticeship by always being there at closing time.

Thos. Cook, brother of Ray Cook '20 was a recent visitor at the house.

Ray Cook is still in the hospital, not yet having recovered from his accident.

Hugh Whittier is unable to attend any social functions on account of a fascination for his studies.

### SIGMA CHI

J. L. Crandall of Malden, Mass., passed the week-end with his son, Horace Crandall.

Charles Haines was home over the week-end.

Henry Small and Wyman Hawkes spent Sunday in Charleston at the home of the former.

### LAMBDA CHI ALPHA

Ray Foyle '20 and "Doc" Ferren '20 were back for the week-end festivities.

Beta Zeta chapter of Lambda Chi Alpha ended initiation week with a party at Clarke's bungalow Friday evening, Nov. 12. The members of the party took dinner at the Penobscot Exchange.

The half-past seven car was taken for Clarke's where dancing was enjoyed until a late hour. There were many original novelties and favors which made the place look very attractive.

The chaperones were Professor and Mrs. Bailey, and Mr. and Mrs. Adams. There were about twenty couples in attendance.

### PHI ETA KAPPA

An informal dancing party was held at the house Friday evening, Nov. 12.

Miss Hopkins is taking Mrs. Hamlin's place as matron at the house while the latter is in Florida.

"Coach" Wood when consulted for Phi Eta news said that there had been a serious fire in the fireplace and that there was a new record for the victrola. He advised the reporter to consult some one who was at the house more if news of the place was wanted.

### PHI GAMMA DELTA

Frederick Marston '22 is attending the Sigma Delta Chi convention held in Oklahoma this week.

"Jack" Horne spent the week-end at his home in Portland.

William Daley of Bangor spent the week-end at the house.

"Slicker" Brasier '20 was a visitor at the house over the week-end.

Mrs. K. C. Estabrook, Miss Mildred Bisbee and Miss Sarah Wiswell were guests at dinner on Sunday.

On Saturday, K. S. Jackson and John Gellispe were guests of "Jack" Jackson.

Angus McKay was present once or twice at meal-time over the week-end. George Renwick drove home to Bar Harbor on Sunday.

Donald Alexander spent the day Sunday in writing letters to his girl in Bangor.

### BETA THETA PI

Foster Barry attended the M. I. T. initiation last week-end, at the Hotel Somerset, Boston.

Frank Gould '94 entertained a party of five Armistice Day at his camp at Pushaw Lake. Those in the party were: Harold Tibbetts, Alton Littlefield, "Pop" Brown, Irwin Stuart, "Newt" Thompson and Frank Gould.

Week-end visitors at the house were: Fredrick Haines '20, Watson Stanley ex-'10, and Ernest Lamb '10.

Newton Thompson spent the week-end on a houseparty at Bar Harbor.

### SIGMA ALPHA EPSILON

Among the Alumni that were on the campus for the game Saturday were: Raymond Cahoon ex-'18 and Paul Tapley ex-'21.

Included among the visitors at the chapter house Saturday were the members of the New Hampshire Beta Chapter, namely: "Dutch" Connor, Leavitt, Gadbois, Graham, Christensen, Anderson, Farmer, Doyle, Flanders, Taft, Reardon and Patrick.

Two prominent seniors of the S. A. E. House are attending the Pullen's Dancing Academy. After their return home from the Academy each Tuesday night, they may be found in their respective rooms, one with a slide rule, an dthe other with a book on Hardee's Army Tactics, working out the different dance steps.

### SIGMA NU

W. H. Cowell, coach of the New Hampshire State football team, a Sigma Nu from the University of Illinois visited the house Saturday.

Mr. and Mrs. Libby and Mr. and Mrs. Knight were guests of "Pal" Libby during the past week.

Louis H. Reed bagged a deer last week. As a result the boys of Sigma Nu have been living on venison.

### DELTA TAU DELTA

Gamma Nu chapter of Delta Tau Delta fraternity held the annual fall initiation on Friday evening. The newly initiated men were: Wilbur C. Sawyer '23, Karl H. McKechnie '24, Kenneth M. Seymour '24, Francis G. Shaw '24, Robert L. Smith '24, Thomas H. Tarr '24, Kenneth H. Tolman '24.

"Bo" Raullett and "Scooch" Beckett of Beta N. Y. were guests at the house.

The initiation banquet was held on Saturday evening and was a decided success. About sixty were present. At one end of the hall was an electric  $\Delta T \Delta$  in the fraternity colors, purple, white, and gold. The banquet was one of the best ever held by the Gamma Nu chapter.

### OBITUARY

Be it known, that one cat, namely EGYPT, legally imported to one of the fraternity houses on the campus, in the year of our Lord the tenth day of October, nineteen hundred and twenty, while on her way to enroll as a co-ed in this grand and glorious institution, was enticed to the dark and gruesome operating rooms of Coburn Hall, where the slashing butchers of the BIOLOGY DEPARTMENT administered the obnoxious drug known as chloroform, thus killing this feline of purest white.

On the completion of this dastardly murder, the remains of EGYPT were duly separated, carefully labeled and immersed in the preservative solution of formaldehyde for the future instruction of would-be-QUACKS.

It is truly hoped that this marks the beginning of a new era and commemorates the discovery of a new phenomenon in the scientific Medical World.

### ALPHA TAU OMEGA

The annual initiation banquet was held Saturday night.

I. R. Donovan '20 was at the game Saturday.

Several of the old men were back for the initiation banquet.

## ARTS AND SCIENCES NOTES

Professor J. H. Ashworth, of the Department of Economics, gave a lecture on "The Federal Constitution" at Old Town, November 4.

The Arts and Sciences Club was entertained by Prof. and Mrs. L. H. Merrill and Prof. and Mrs. G. D. Chase Friday evening, November 12. Professor L. K. Pollard spoke on "Superstition and Education."

The Spectators' Club, an organization of twenty members of the faculty, chiefly heads of departments in the University, held its November meeting at the home of Prof. Lyon. Mr. E. R. Tobey, of the Experiment Station, gave an interesting talk on "Methods of Food Adulteration." At the last two meetings Mr. Walkley, the University librarian, and Professor Chrysler, of the Department of Biology, were elected members.

Miss Susan Phillips, instructor in English, has been obliged to relinquish her teaching on account of ill health.

There will be a very important meeting of the Economics Club Thursday afternoon at 4.20. The meeting is called to elect officers. Juniors and Seniors, only, are eligible.

That the Veterans of Foreign Wars of the university have formed a new organization?

That the Episcopalian Students of the university have formed an organization on the campus. "Pouch" Donovan is under the tutorage of "Sparks" Lambert in co-education?

That "Bill" Feeney has come down from his high horse since the Armistice Day parade?

That Captain Leach is winning the love and admiration of his men.

That the dear professors are handing out generous marks.

Prof: Well Mr. Jones, what do you say to the question?

Jones: I pass.

Prof: Wrong. You fail.

Pat: Aha, I've put one over on the railroad for once!

Mike: How's that?

Pat: I bought a return ticket and ain't a-going back.

Professor in Economics: Give two divisions of labor.

Student: Manual and capital. (See what the heck course does for a fellow!)

O'Hara: "Ye're a har'ed worrucker, Moriarty. How many hods of morthar have yez carried up that ladder today?"

Moriarty: "Whist, man-I'm fooling the boss. I've carried this same hoolful up an' down all day, an' he thinks I'm worrucking!"

followed by Doherty of Tufts, Stimson of Wesleyan, and Raymond of Maine. Richard Baker finished seventh running very easily. "Bub" Herrick came in ninth beating out Stone of Tech. Kane and Kimball of Bates finished 13th and 20th. Flanders and Hendrie of M. I. T. finished 10th and 14th. Berg of Maine finished in 17th place. Laughlin in 26th place, Pease, Capt. Barnard and "Wow" Wilson came in 38th, 43rd, and 47th places.

A stiff wind bothered the runners some but the time of the winners approaches the course record.

**Relay Men Start Training This Week**

Now that the cross country season is on the wane, the interest in relay is getting stronger. Coach Flack will issue a call for relay candidates this week and he expects a large response. Interfraternity relay races will take place this year. These will be a great factor in bringing out material. We have plenty of good material this year and our relay prospects will be very good if the men only respond. The time to get started is now. Let every man who is any good or thinks he is, respond to the call.

**An Old Fashioned Party Is Given by the Co-eds**

Mt. Vernon House was the scene of a merry houseparty held recently, the first one of the year. It was just as enjoyable as all former parties given in this old-fashioned house and under the chaperonage of our hospitable matron, Mrs. Estabrooke.

About 24 couples danced to the music furnished by Frances Dunning, pianist and Betty Hunt, violinist.

Delicious punch was served during the evening and ice cream and cookies at intermission.

The house was informally and attractively decorated. Much credit for its good appearance is due to the committee in charge, who worked hard to make the party a success.

It was found afterward that a catastrophe was narrowly averted when four youthful intruders tried to make way with the ice cream during the first part of the evening and were driven away by the efforts of our renowned cook and friend, Mary Ellis.

**Pi Beta Phi Girls Dance At Clark's Bungalow**

The girls of the Pi Beta Phi fraternity held their annual party at Clark's Bungalow, Saturday, Nov. 13. The festivities began early in the afternoon when games and dancing were enjoyed. The hall was decorated very prettily with evergreen and streamers of the colors of the fraternity. Frances Dunning furnished the music during the afternoon. A buffet supper was served at five o'clock. Sandwiches of various kinds, cakes, olives, and piping hot coffee were served. Al Johnson's orchestra furnished the music for an order of sixteen dances in the evening. There were about seventy couples present.

Dean and Mrs. Stevens, Dean and Mrs. Boardman were chaperones of the party.

**SCANDAL**

In promulgating your esoteric cogitations and in articulating your superficial sentimentalities and amicable philosophical or psychological observations, beware of platitudinous ponderosity. Let your conversational communications possess a clarified conciseness, a compacted comprehensibility, a coalescent consistency and a concatenated cogency. Eschew all conglomerations of flatulent garrulity, jejune babblement and affectations. Let your extemporaneous descantings and unpremeditated expatiations have intelligibility and veracious veracity without rhodomontade or thrasonical bombast. Sedulously avoid all polysyllabic profundity, pompous prolixity, psittacous vacuity, ventriloquial verbosity and vandiloquent vapidty.

In other words, talk plainly, briefly, naturally, sensibly, purely and truthfully. Don't use slang; don't put on airs; say what you mean, mean what you say; and above all, don't use big words.

**A Gentle Hint**

"Do you know, George," asked Mrs. Guppy, newspaper in hand, "that every time you draw your breath somebody dies?"

"Well, that's too bad," said Mr. Guppy, "but if I stop drawing it I'll die myself."

Be a live wire—but don't shock your friends.

NINE cases out of ten, the man who once smokes a WDC Pipe becomes a life member of the WDC club. He can't help it, because a WDC is certainly a man's size smoke. It's as sweet and mellow as carefully selected French briar and expert seasoning can make it. Not only material of the first water, but craftsmanship of the highest order, and designs that are most pleasing—all combine to make the WDC Pipe a smoke of peace, contentment and satisfaction. A man's smoke. Any good dealer will confirm this.

#### Maine Loses Last Game to New Hampshire State

(Continued from Page One)

first down for Maine. Small made 8 yards around right end. Foster made 2 yards thru right tackle. Small kicked to Farmer after Maine had made three unsuccessful tries at N. H. State's line. Bell made 8 yards thru center. Connor made 30 yards on a skin tackle play. Connor and Farmer made 6 yards thru right guard. Maine held N. H. State twice and then Bell took the ball over for their second touchdown. Farmer kicked the goal. Connor kicked a short one to Roemer who ran it 20 yards and the quarter ended with the ball in Maine's possession on her 44-yard line.

In the second quarter it was mostly N. H. State's ball, but they could not put the ball over. It was mostly an exchange of punts, Small getting away some long ones as well as Connor. Small did some great work for Maine in this quarter. Finnegan turned in some great tackles and more than once thru the big burly fullback and halfbacks of N. H. State for a loss. Maine tried quite a few forward passes in this quarter but none of them seemed to work. The half ended with the ball in N. H. State's possession on her 40-yard line.

In the second half there were quite a lot of substitutions both for Maine as well as N. H. State. Bell kicked to Small on Maine's 10-yard line and he ran it back 20 yards. Small made 5 yards around left end. Small kicked to Farmer who ran the ball back 12 yards. Bell made 8 yards and Connor made first down. N. H. State made a steady march up the field to within 8 yards of Maine's goal when Farmer took the ball over for N. H. State's third touchdown. Farmer kicked the goal. In a few minutes after Farmer made his touchdown Connor took the ball over for another touchdown. Farmer missed kicking the goal. Farmer kicked the ball to Capt. Smith who ran the ball to midfield. Small threw a long forward pass to Ginsberg who caught the ball on the 20-yard line and ran to the 7-yard line before he was downed. On a short forward Small to Barron, Maine made her first and only touchdown. Small kicked the goal. At this point of the game, Cobb replaced Ginsberg at quarter and it is feared that "George" has a broken collarbone. The quarter ended with the ball in N. H. State's possession on her 35-yard line.

The fourth quarter opened by N. H. State trying the aerial route but the Maine backs broke up the attack. N. H. State with her powerful plunging backs made another march toward Maine's goal and on a skin tackle play Connor took the ball over for the fourth time. Maine opened up in this quarter and tried a lot of forward passes, but only two were successful, netting her only 30 yards. N. H. State made her last touchdown by a long-end run followed by a forward pass.
