Basketball to Be Made Varsity Sport This Year

**Rules for Awarding the "M" Not Yet Decided
On. Inter-Class Games In Addition to the
Varsity Games Promise a Fast and Inter-
esting Season.**

In the past years when the football season closed the students used to hibernate and not until spring would there be any activity at all except for their social functions. Relay did not use to be very popular nor did the class basketball. But this year the closing of the football season is by no means the closing of the activities for the winter. Never was there such a squad for relay since that sport was organized at Maine. Skiing and snowshoeing was started last year and if we have the snow it will probably become popular this season. The biggest sport for the year, however, is basketball.

The day that the call for candidates was issued 75 students signed up. This call was for varsity practice, but besides the varsity sport which will cover a number of home games and a few trips there will be the inter-class games and also the intramural games which became so popular last season. These side issues will bring out a lot of material and even now some of the last year stars have not reported their intentions of going out. Competition promises to be extremely keen and out of the stars that were here last year and are back this year and with the new men that were their high school stars a pretty large collection of first-class basketball material can be picked.

Situated as Maine is, in the center of basketball interest, it is only logical that this sport which has proved so popular in the last few years should be made a varsity sport. The ruling for the awarding of the letter has not yet been decided upon. This matter will be attended to though, as soon as it is found out just how things are going to work out.

The Coach will give every man the chance to show his ability. By the process of elimination the squad will be reduced to about eighteen men. Then from this number ten men will be chosen who will play on the varsity team. These will be supplied with varsity uniforms. The others will comprise the second team. If, however, a man develops sufficiently he will be placed on the first team.

Since the A. A. does not have sufficient funds to finance the whole season, gate admissions will be charged. This is only fair, when you consider the number of home games to be played, and the number of football games that your A. A. ticket admitted you to this fall.

Two years ago a basketball team was organized here and a schedule was filled out. This team played a number of home games and also took many trips, one of the trips being to Durham, N. H. Admission was charged for the home games and with the guarantees the total receipts were greater than the expenses. At that time basketball was no more popular than it is now. With the material that is out for the sport the season ought to develop into one of the most interesting ever. All of the games will be lively for each player will have to play at his best to stay on the team. That's one advantage of competition. It is a sure guarantee for our money's worth.

Two 1920 graduates of Whitman College, Washington, have been elected to the faculty at Syrian Protestant College, Beirut, Syria, which has about 1000 students and 47 instructors.

Poverty Ball Calls Forth New and Unusual Styles

**Prizes Are Awarded for the Most
Poverty-Stricken Rigs**

"Hail, hail, the gang's all here. Liz Small, Tramp Hansen, the Fat Man, Sweet Sixteen, and countless other ludicrous and fetching get-ups made their debut at the annual Poverty Ball given under the auspices of the "M" Club.

Mrs. Mason and Miss Hopkins were the chaperones for the evening.

A merry crowd gathered in the college gymnasium to dance to the peppy strains of Al Johnson's orchestra. It was impossible to finish the order of sixteen dances because of the number of encores given.

Before intermission an elimination dance was held, to determine the prize-winners for the most popular costumes. Six couples were chosen to compete and after lengthy inspection by judge and audience, Liz Small and Tramp Hansen were given the valuable prizes.

After intermission, considerable amusement was created when the forfeit-man sold his paraphanelia at auction.

Economics Club to Have Speaker of Great Renown

**Member of the Russian Peace
Commission to Address Club**

The Economics Club has secured a speaker for Friday, December third, who will be of unusual interest. Probably you know of Baron Korff who served as Assistant Governor General of Finland under Kerensky and was a member of the Russian Peace Commission of 1919. You cannot afford to miss hearing this man. It is seldom that most of us have such an opportunity. Let's make the most of it and be at Coburn Hall at seven p. m. or a little before. Remember the date, Friday, December third.

"Brig" Young Will Be Leader 1921 Football

**He Was Captain of Football and
Baseball at M. C. I.**

At a supper given at the University Inn by Dr. and Mrs. Ale to the Varsity football and cross country men, Newman (Brig) Young was elected captain of football for the coming year. The

CAPTAIN-ELECT NEWMAN S. YOUNG

election of Young was not much of a surprise to those who have been interested in the football teams during the past four years.

"Brig" Young first put his name in the sporting section by his work at end and at half on Lewiston High. In the fall of 1915 he entered Maine Central Institute and starred in football and baseball. He was captain of football in 1915 and captain of baseball in 1917. At M. C. I. also, Young played basketball and was manager of that sport.

In the fall of 1917 he entered Maine and his fast, aggressive but clean, playing at end and half won him his letter. Since then he had steadily de-

'24 Individual Winners.**

Relay Season Opens With Good Prospects

**With a Strong Nucleus New Men
Should Make a Good Showing**

Conditions now seem favorable to a successful relay season. There is plenty of material out and the squad has five letter men for a nucleus. They are Capt. Castle, Pratt, Hagerty, Lawrence, and Rock. Bob Cohen is out and is in great form after the cross country season.

Thirty-nine new men have reported so far. About twenty of these are freshmen, and several of these are going to give the varsity men some keen competition. It is believed that the class of '24 will be well represented on the team this year.

Coach Flack says that it doesn't pay to prophesy great victories in any sport. But he feels that out of the material he has, even at this early date, that Maine will have, this year, a relay team worthy of her traditions in the sport. Coach Flack expects more men to report this week. He wants all the men to start practice at the same time so that when the final team is picked everyone will have had an equal opportunity to make it.

The men should report at the gym at 3:30 daily. The board track is in ready due to the work of the assistant managers and the freshmen who hope to be.

Manager Fifield is working on the schedule and plans to arrange races with some of the best teams in the east.

The student body was grieved to learn of the sudden death of the wife of Prof. Peabody Saturday afternoon and take this opportunity to express to him and his daughters their sympathy for their great bereavement. The University loses a helpful and sincere friend in the going out of this earnest woman.

(Continued on Page Four)

"Bub" Herrick Chosen Captain Cross Country

**Captain Herrick Starred in High
School Invitation Track Meets**

"Bub" Herrick, Phi Gamma Delta, has been chosen captain of the Maine harriers for next fall. He is very popular and will make a fine leader for the team.

"Bub" attended Brewer High School and he made his letter in track his sophomore year in the Interscholastic meet held here at the university in 1916. He also ran in the Bowdoin Interscholastics and won two places; one in the mile and the other in the half-mile. He was Captain of the track team his last two years at High School. In the fall of 1918 he came to Maine and started in running on the cross-country team. He was picked as one of the members of the team that year and has been a member ever since except for last spring when he was ineligible. In his

freshman year he won the mile in the meet with Holy Cross College held here. He finished fourth in the New England Collegiate meet, thus making his letter in his freshman year. In Herrick's sophomore year he finished third in the annual State meet and finished eleventh in the New England's. He also ran in the State meet and the New England's this fall and made a very fine showing. He was a member of two Maine champion cross country teams and a run-

A Group of Maine Football Stars

From left to right: Finnegan, Re; Murphy, QB; McKechnie, LE; Drislane, QB; Curran, LE; Johnson, RE; Small, RHB; Jordan, RT; Phillips, RT; Strout, RG; Smith, FB; Hussey, RG.

When you wake up in the morning
And the sun is shining bright
And the little flies are flying
And the birds are singing bright
You think, "I'll trip to classes
A singing all the way
And I'll greet my dear professors
I'll be happy all the day."
The gentle leaves can wiggle

And the little breeze can shake
The buzzing bugs can boggle
But your dream is all a fake.
Your prof will give a prelin
And your reading won't be done
You'll be late to all your classes
And the mail will bring no mon.
Gerty Gloom.

She laid her head upon his breast,
The color left her cheek,
But upon the shoulder of his coat
It stayed about a week.
Now I lay me down to sleep
Beside my little bunk
I hope that I may die tonight
Before another flunk.

Entered as second class matter at the postoffice, Orono, Maine.

The editor-in-chief is responsible for the general policy of the paper and for the editorial columns; the managing editor for the news columns and the makeup of the paper; and the business manager for the business and finances.

COMMUNICATIONS should be at the postoffice at Alumni Hall before Saturday noon to insure publication.

Printed by the UNIVERSITY PRESS, Orono, Maine

Editorial

Now that the football season is over, why don't the seniors have their election.

We understand that some of the girls at Balentine Hall are not getting their copy of the CAMPUS. The circulation manager is quite sure that a sufficient number of copies is left there each week so that each girl should get one. The only reason that some are not getting theirs is because others are taking more than their one copy. We would suggest that, if an extra one is wanted to send away, send your own copy and borrow your room-mate's to read. If this is not satisfactory ask the circulation manager for an extra copy. We would be pleased, however, to put any name on our mailing list for one dollar.

Now is the time for the football men to make up on their time courses. Do it before the vacation. You will need all the month of January to get ready for the finals.

Let's all give the athletes a little help now so that they may be eligible for varsity sports next spring. If you know of any that are having some difficulty with any of their studies, help them out. If you are unable to help them yourselves, get someone else to who has taken the course once. Last year if two or three of our athletes had been eligible we would have won the track championship. Let's not let that happen again.

Maine must have a suitable memorial for her sacred dead.

The University furnished an excellent percentage of officers and men for the war, in comparison to size. Those other schools are erecting buildings and monuments or some such mark of respect in honor of their men who were killed in the service.

Why has Maine taken no such action? Have we no respect for the memory of those who sacrificed their lives that we might live in peace and prosperity?

Such a memorial is needed on the campus more than any other addition.

There are two styles of suitable memorial: an arch or a Maine Union.

The arch is the more possible of the two, because it is cheaper. It could be built over one of the walks, and composed of two granite pillars with an iron lattice work between. Upon the lattice work could be inscribed the purpose of the memorial such as: MAINE WORLD WAR HEROES. Bronze tablets should be placed on each pillar, bearing the names of those who gave the supreme sacrifice.

A collection from the Alumni and student body could easily finance such a memorial, as its expense need not exceed five hundred dollars.

A Maine Union, built in the name and honor of the war heroes, would certainly be a fine thing.

The Michigan Union is a large beautiful building which acts the same as the hostess house or Y. M. C. A. at our army camps. It comprises a college book store, reading rooms, bowling alley, pool and billiard parlor, lunch room, gymnasium, assembly hall, administrative offices, and guest rooms. In other words it is a small hotel for university interests only.

We might have such a building here at Maine, if some wealthy person would donate about a million dollars for its erection and maintenance. But, although most Maine men are successful, we have few millionaires in our alumni. It would easily cost a million to build and keep a Maine Union as it should be.

The proper location of the memorial is important. The best place for an arch would be at the main entrance to the campus; that is, at the entrance near the waiting room. Such an arch would be seen and respected by all passers-by.

The proper location for a Maine Union would be in front of Alumni Hall, that is, beside the University Book Store.

Therefore, a suitable memorial should be erected in the honor of Maine's World War dead, as it is a burning shame to have gone as long as we have without taking some definite action on this subject.

Half Fare Rate Tickets To Orono Are Urged

Many times a week and sometimes many times a day a student has to take a trip to Orono to go to the Post Office or to do some other errand. The majority walk but there are times when it is necessary to take the car. When there is a heavy bundle to go it is best to ride at least one way, and when it is raining a ride both ways is necessary. The students living in Orono and those living in the three houses down by the bridge have to ride when it's raining and sometimes oftener. We will grant that prices are high. But to pay seven cents to ride from the campus to Park Street or to Mill Street and to pay fourteen cents to ride to Orono and back is too much, especially so since the Stillwater people can ride twice that distance for the same money.

So we request that the Inter-fraternity Council take this matter up with the B. R. & E., and request them to issue a half fare ticket, good for one fare between the University waiting room and the Orono waiting room. We could easily guarantee that the patronage would be more than doubled, and the B. R. & E. would find the deal more profitable and as satisfactory as before.

There is a remedy for every wrong, and a satisfaction for every soul.

FRATERNITY NOTES

KAPPA SIGMA

"Art" Lowell, "Orky" Perry, and John Ross went hunting over the week-end.

George Vose, ex-'22 visited the house last week. He is now with Rice and Tyler in Bangor.

Don Coady and Charlie Hotham were away on a hunting trip over the week-end.

Newman Young was at home the first of the week.

LAMBDA CHI ALPHA

Among the boys who have gone home for the Thanksgiving vacation are: Ian Rusk, "Ken" Woodbury, Jule Garsoe, "Freddy" Vaughn, "Bunt" Folsom, "Spickie" Titcomb, and "Phil" Stevens. Roy Small left Monday in order to reach home in time to eat dinner Thursday. He lives in Stoning-ham, Maine.

The initiation banquet was held last Friday night at the house. A number of the alumni were present. Ten pledges were taken into the fraternity.

Another honor has been added to our long list. "Prexy" Niles has the distinction of being the first member of the R. O. T. C. causality list for 1920. He went over the top straight away and broke his finger.

PHI ETA KAPPA

"Mac" McKeeman's mother spent the week-end at the house.

Mr. and Mrs. Pearson and Miss Xerxa of Bangor took dinner at the house Sunday as the guests of "Pete" Preti.

Many of the boys attended the poverty ball. It is said that "Ed" Hacker rivaled many a fair co-ed by his pink and white complexion.

SIGMA CHI

Horace Crandall, Percival Crocker, and Ralph Kelliher attended the Sigma Chi initiation at M. I. T. Saturday.

LAMBDA DELTA

Initiation was finished Friday night with a banquet at the Bangor House. The initiates are L. M. Boothby, Livermore; C. C. Hagerthy, Sedgewick; L. M. Hagerthy, Sedgewick; S. G. Hall '23, Dexter; P. L. Rollins, Augusta; J. L. Thompson, Limestone; Van Tingley, Houlton.

"Greaser" Gould has decided not to attend any more dances in Bangor.

PHI GAMMA DELTA

Pete Burns and Leon Butler went hunting Saturday and brought back some fresh meat in the form of a two-year old buck.

Count Norcross was visiting with relatives in Newton, Massachusetts over the week-end.

"Scrapper" Waite '11 was a visitor at the house on Sunday and Monday. "Scrapper" was at the head of the American Relief Expedition in the Near East and is now stationed at Washington, D. C.

Fourteen of the boys in the house observed last Sunday as "go to Church Day."

An informal dance was held Saturday night. Twenty-one couples tripped the light fantastic until the midnight hour. Mrs. Estabrooke and Mrs. Cleaves were chaperones at the party.

On Thursday and Friday the boys turned to and tossed sixty tons of coal into the hold of the good ship, Phi Gam.

It has been difficult to find out where "Scrapper" Hay was on Sunday night. Could anyone volunteer any information?

ALPHA TAU OMEGA

Leo Mahoney, who has been dangerously ill with double pneumonia, has passed the crisis and is on the road to recovery. He was visited at his home in Portland this week-end by "Dick" Mulvaney, Carl Ring and "Fruit" Carey.

"Dad" Whipple has been a welcome visitor at the house during the week.

"Dad" Woodman has been supplying the boys with partridge and rabbit pie this fall.

I. R. Donovan who lost his voice in the now well-known accident, expects to begin shouting (with his voice) by January.

PHI KAPPA SIGMA

"Phil" Hussey spent the week-end at the house.

BETA THETA PI

Arthur F. Parrott Jr. spent the week-end at his home in Augusta.

Harold E. Cooke Jr. who has been home sick for the past week has returned to his studies.

It is said that "Pop" Brown caused quite a bit of gossip in Bangor, Saturday night, with his new acquisition in

feminine beauty. It's all right though, for "she" nearly won a prize at the Poverty Ball.

The "Harmony Hounds" make their initial appearance in the great town of Corinna Wednesday night under the direction of "Newt" Thompson. If the name is symbolic of their playing they should without a doubt make a hit.

"Sam" Tibbitts was elected President of the Economics Club at its first meeting this semester.

DELTA TAU DELTA

On "Fat" Waterman's first visit to Balentine, he lost his big Maine banner. "Jack" McCrystle spent the week-end in Endfield.

"Bucket" Prey spent the week-end in Endfield.

"Puddie" Nissen and Dewey Courri spent their "usual" week-end.

Earl Smith and "Fat" Waterman went to Chemo hunting for deers (?) PHI EPSILON PI

"Georgie" Ginsberg is with us again. If the young lady who sent that unsigned card will make herself known, Georgie will be much relieved.

After some discussion, the champion

bowler of the house has stepped forward, Caribou Levine, otherwise known as Dave, Gus or Leo.

With others, we are plunged into deepest mourning because of the loss of our cat, Erin, who was also a victim of the merciless onslaught of the disciples of Hippocrates.

George Levenson '19 was a week-end visitor at the house.

Initiation of freshmen takes place this week.

SIGMA ALPHA EPSILON

Among the alumni present at the chapter house over the week-end were R. F. Talbot '07 and L. M. Dorsey '15. They stayed to the initiation and to the banquet.

The most important event to all pledges, occurred last Friday night, when they were initiated. After this memorable night, the week was completed by the initiation banquet which took place at the chapter house Sunday night. Ice cream, cake, coffee and cigars made up the menu of the banquet.

The initiates were: John Stevens, Carl W. Stevens, "Ted" Monroe, B. W. Dodge, Noel Simpson, Hugh Pettee, William Drislane, Waldo Wakefield, Norman Blanchard, Frank Small and A. E. Wilson.

One of the prominent members of the fraternity has made a statement that he can go until Thanksgiving Day without eating. This task is a strenuous one for anyone who likes to eat, but nevertheless he has started on his foodless days and seems to be in good health at the present time.

BALENTINE NOTES

Miss Mildred Close and Miss Ina Gillespie held an informal party Wednesday evening.

The rally for track meet that was held in Balentine gym was a decided success. Besides being interesting it was very profitable. The coaches, Baldwin, Flack and Schenke gave very interesting speeches on the value of girls' athletics.

The Balentine sun-parlor is just as popular as ever. With the coming of the cold weather it has been pressed into active service.

There have been several Sloan's Liniment parties after Saturday's track meet. How about a freshman rubbing crew?

Miss Lucy Kilby '21 was a visitor in Portland this week.

Mrs. Connors of Bangor, was the guest of her daughter, Rachel, one day this week.

Balentine was very pleased to entertain as its guest over Friday, Maud Scheerer, the M. C. A. entertainer.

Perhaps the sweetest event of the week was a candy pull held on third by a few of the Pi Beta Phi girls.

Miss Ruth Murchie '23 and Miss Ethel Bird '24 spent the week-end in Endfield.

Miss Anna Daley '24 made a visit in Portland this week. The trip was made by automobile.

A large number of the girls are planning to go home for Thanksgiving. Those who are staying on the campus are looking to Sprucie to keep them from being homesick. Come on, Sprucie, remember Thanksgiving only comes once a year!

Good luck is another name for tenacity of purpose.

Fidelity to every trust.

HAVE YOU NOTICED ?

Jack Horne's new skating rink?

That some of the students make pretty good coal-heavers?

That Pat Hussey's dog needs a shave?

That the old mail-wagon has been addicted to sleep-walking in its last illness?

That the relay men are back on the old grind?

That "Tommie" Thomas is in her second childhood?

That the freshman-sophomore football game seems more probable than possible?

That we had some lame girl athletes over the week-end?

That the hunters are not idle?

That basketball again reigns supreme?

How sweet some of the co-eds look in fur coats?

That "Jack" Sanborn is turning out to be a regular woman-chaser?

How much happier (?) everyone is since the ranks have come out?

That skates might be of aid in going to class?

That the M. C. A. room looks like "no man's land"?

The need of a light on the south side of Balentine Hall?

That there is talk of a minstrel show in the air?

How thin "Chub" Thomas is getting?

That no marriage ceremony is a success unless there is a hitch in it somewhere?

The latest motto for lovers: "So-fa and no father?"

"Well, well, that's a frightful case. What made you marry 14 wives?" asked the judge.

"Well, your honor, I didn't like the number 13."

ISN'T HE THE CUT-UP?

"I discovered a nice little rent today."

"For goodness sake where?"

"In the seat of my trousers."

Ignorant girl: "Mr. Marshare must be a model husband."

"Why so?"

"He is so attentive to other women, you know, he must be a perfect slave to his wife."

JACOB'S OPPORTUNITY

Mr. Himmelstein: "Run toward de bull, Chacab! Vave him your redt handkerchief! And you, Rachel, come dis vav. Chacab ish der von to be tossed; he has der live insurance!"

NECESSARY PREPARATIONS

Visitor: "I suppose your daughter is busily preparing for her wedding."

Mother: "Yes, she is up in her room now, destroying all her old letters."

Her father's footfall made them start. She gently murmured "Dust thou, Art." And Arthur dusted.

I do detest a man that's close, And furthermore aday; But if a pretty girl is close I feel the other way.

A CORRECT STYLE FOR EVERY OCCASION

E. J. VIRGIE Orono, Me.

LOOKING BACK

A YEAR AGO

The protested game between Maine
and New Hampshire was decided in
Maine's favor by the Central Rules
Committee.

The freshman-sophomore game be-
tween '22 and '23 ended in a 7-7 tie
Saturday.

The Walker Bill which provides for
the changing of the University to a
state institution was tabled and will be
taken up at the next session of the
Legislature in 1921.

The second of the series of free mov-
ing pictures will be shown by the M. C.
A. Thanksgiving Day.

FIVE YEARS AGO

Entering the Intercollegiate A. A.
for the first time last Saturday, Maine
won the Eastern Cross Country Run
in which all of the large colleges of
the East participated. Overton of
Yale was the individual winner, Preti
of Maine finishing 15 yards behind
him and Bell of Maine coming in third.
The score of the run was, Maine 51,
Cornell 54, Princeton 113, Pennsylvania
154, Harvard 156, Syracuse 163, M. I.
T. 173, Yale 203, Michigan 248, Colum-
bia 300, Brown 303.

The Maine Christian Association
was organized last week thru the ef-
forts of Dr. Livingston of Bangor.

ARTS AND SCIENCES NOTES

The November number of *School
Science and Mathematics* contains an
article entitled "The Graphical Solution
of Spherical Triangles," by Dr. Myron
O. Tripp, of the Department of Mathe-
matics.

Professor L. J. Pollard has delivered
recently the following addresses: "Edu-
cation a Duty," at Bar Harbor, on Arm-
istice Day; "Training Future Citizens,"
at Old Town, on Armistice Sunday,
November 14; and "Early Care and
Training of the Child," at the meeting
of Kindergarten Mothers, Bangor, No-
vember 17.

The Conversation Club, the older of
the two faculty social clubs at the Uni-
versity, held its November meeting Sat-
urday, the twentieth, at the home of
Dean J. N. Hart. The discussion of
the evening was led by President Ale-
y, on the topic "The Future of Education."

Professor H. M. Ellis lectured be-
fore the associated women's clubs at
Houlton, November 22, on the subject
"The Frontier in American Literature."

A recent letter from Professor Guy
A. Thompson, now head of the depart-
ment of English in Occidental College,
California, reports him as busily en-
gaged in the work of his department
and enjoying the cultivation of a fall
garden in weather typical of early
September.

"Some men manage to dodge
enough work to keep a dozen people
busy."

"Brig" Young Will Be Leader 1921 Football

(Continued from Page One)

veloped into one of the best halfbacks
in this state. This year, however, Brig
failed to show his usual form on ac-
count of injuries received at the first
of the season. It was only when Maine
was in desperate straits that he was
sent in, either to end or the backfield.
And Young did what was expected of
him; he steadied the team by his cool-
headed and hard playing.

Young is also a varsity baseball man
and played on the championship team
in 1919. He made a great name for
himself that year when in the deciding
game with Bowdoin, he knocked out a
three bagger with two men on in the
ninth inning. Young fielded for 1,000
and batted for .400 and was All-Maine
center fielder. During the summer vaca-
tion he has played on crack industrial
baseball teams in this state.

During his freshman year he was cap-
tain of the class basketball team. In
his sophomore year he was president of
his class, chairman of the Poster and
the Sophomore Hop committees, and
in his junior year, the chairman of the
Junior Week Committee and a member
of the Athletic Board.

He is also a member of the M Club,
Sophomore Owls, Junior Masks, and
the Kappa Sigma fraternity. Captain
Young is one of the few athletes who
has a reputation for studying; although
Brig does not belong to any honorary
society he has found time to attain
fair ranks in his studies. He is a stu-
dent in the College of Arts and Sciences
and is majoring in Economics.

The choice of Young is a very popu-
lar one; he is well liked, knows foot-
ball, and above all is a leader. Under
his captaincy, we look forward to an-
other championship year.

A Modern Trunk Line Through Maine Campus

The State to Build a Cement Road Be-
tween Bangor and Old Town

A cement road the entire distance
from Bangor to Old Town is to be
built next summer. It will be 18 feet
wide and will be built in four sections.
This is the plan of the State Highway
Commission, the money to cover the
cost of construction having been appor-
tioned from the amount raised by the
State's bond issue authorized by the
last Legislature.

Members of the faculty of the Uni-
versity of Maine department of civil
engineering will make the survey be-
tween the Orono bridge and Old Town.
The remainder of the route will be sur-
veyed by Nason of Bangor.

An up-to-date cement highway be-
tween Bangor and Old Town will have
the effect of popularizing this route
among the motor tourists and will, in-
cidentally, help advertise the attractive-
ness of the University of Maine cam-
pus.

Interesting Meeting Held by the Y.W.C.A.

An unusually interesting meeting of
the Y. W. C. A. was held Sunday eve-
ning, in Balentine Hall. The meeting
was held especially to interest new
members. "Dot" Hamington read the
scripture and explained the aims of the
Y. W. Next came a piano solo by Mary
Friend.

Then came the speakers of the eve-
ning. The first speaker was Alta Jones,
a graduate of Gorham Normal School.
She explained the work of the Y. W.
C. A. there. When it was first started
at Gorham there were 186 charter mem-
bers and it has steadily increased until
at present it is a very flourishing or-
ganization.

Mary Bunker, who attended Welles-
ley, told of the work of the Christian
Association there. This organization
corresponds to our Y. W.

The last speaker was Vera Thomp-
son who spoke for the Y. W. of Maine.
She told of its work already accom-
plished and what it hoped to do in the
future. This is an organization which
is very helpful and is worthy of the
support of all.

Come to the next meeting and see
how much good it does you. In the
meantime think of these questions and
try to answer them, "What can Y. W.
do for me?" and "What can I do for
Y. W."

Alumni Notes

Robert and Walter Averill '20 are
at home now. They have been in the
forestry department in Canada for sev-
eral months. They report that there
was plenty of snow and cold weather
there in September.

A. L. Whipple '04 who has been for
several years construction engineer at
the Penobscot Chemical Fibre Co. in
Great Works has recently accepted a
similar position with the International
Paper Co. in Webster. Mr. Whipple
will make his home in Webster.

Albert W. Stevens '08 of Belfast has
received a captain's commission in the
regular air service and is now detailed
for special work at Rochester, N. Y.,
testing apparatus and material made for
the United States government by the
Eastman Kodak Co.

Mr. Stevens served during the war
with rank of captain and after the
armistice was signed continued in the
service.

In college he was a member of the
track team and was also a Beta.

Allan W. Stephens, president of the
General Alumni Association, and his
wife are visiting his parents in Old
Town.

Howard Kenneth Dyer of New Bed-
ford, Mass., and Miss Lillian Mae Hall
of Calais were recently united in mar-
riage at the home of the officiating
clergyman, Rev. Alvah R. Scott, in
Bangor. Mr. Dyer is a graduate of the
University of Maine. He is employed
by a large construction company in
New Bedford.

A wedding of interest to many Maine
alumni is that of Charles Leon Black-
man of Peaks Island and Dorothy Rude
Munson of Huntington, Mass. The
bride is a graduate of Framingham
Normal School and also received her
B. S. degree from Columbia University.
The groom is a graduate of the U. of
M., and is an extension professor of
dairy production with the University of
Iowa.

Madeline Gould MacIvers ex-'19, was
a guest at Mt. Vernon House recently.

Phi Mu Sorority gave a pleasant
dancing party in Society Hall, Bangor,
on Friday, November 12. Pullen's or-
chestra furnished excellent music for
an order of eighteen dances. During
intermission refreshments were served
in the gallery, after which the dancing
continued until twelve o'clock. About
thirty-five couples were present. The
patronesses were Mrs. Hart, Mrs. Hud-
dleston and Mrs. Stuart.

Holding her close to him, he gazed
into the unfathomable depths of her
gazelle-like eyes.

Acute anxiety was expressed in every
line of her fair face. Ever and anon a
sigh seemed to rend her being with its
intensity, and she gazed into his face
as though she would read his very soul.

For many minutes thus they stood,
neither speaking, each gazing—intently
gazing—into the other's eyes.

Prizes Offered for Money-Making Methods

Those who have a talent for writing, or those who have the knack of thinking of original ways of making money, can now turn this knowledge into money by writing a 500 word essay. Eight prizes to the amount of \$75.00 are being offered for the best essay on "Five Ways of Earning Money at College." The winner of the first prize will receive \$25.00, and then it scales down to \$5.00 each for the last five prizes.

The awards are being offered by Arthur Murray. According to a recent article in Forbes Magazine, Arthur Murray worked his way through Georgia Tech, and made \$15,000 a year by giving dancing lessons. While at Georgia Tech he taught a class of 660 children, the largest dancing class in the world.

Arthur Murray is now gathering information on various ways of earning money at college and is especially anxious to receive essays from students who are working their way through.

Following is a list of the rules of the contest:

1. Any student may enter the contest. \$75 in prizes for the best essay on "Five Ways of Earning Money at College."
2. At least two of the methods of earning money should be original; the other three may be based upon the experience of others.

If YOU are working your way through college, state this fact and tell in detail what you are doing.

3. The essay should contain not more than 500 words.

4. The PRIZES—First prize, \$25.00; second prize, \$15.00; third prize, \$10.00; fourth prize, \$5.00; fifth prize, \$5.00; sixth prize, \$5.00; seventh prize, \$5.00; eighth prize, \$5.00.

5. The winning essays will be published in a leading magazine. The contest judges will also be announced later.

6. Contest closes December first. Send manuscripts to Arthur Murray, 143 East 39th Street, New York, N. Y.

Miss Scheerer Reads Three Artistic Playlets

On Friday night, the Maine Christian Association presented Maud Scheerer who read for us three clever one-act plays. The first number was "The Florist Shop," and Miss Scheerer interpreted with much sympathy and humor, the character of the romance-loving shop-girl who believes that financial returns are the very smallest part of the floral business. The second play was "Trifles," a tragedy of a New England village, which made a strong appeal to the audience. Finally, Miss Scheerer read one of Barrie's comedies, "The Twelve-Pound Look," which gives an excellent picture of the overbearing British husband and his long-suffering wife, who despite her meekness, gradually acquires the "twelve-pound look." The program was very interesting and entertaining.

To smoke or not to smoke. Your answer fair Co-ed! In New York and "gay Paree," rumor has it, the fair have grown most deft in an art which, until recent years, was monopolized by man. Will the movement sweep westward? Are we at Varsity (a few of us at any rate) old-fashioned and Puritanical in resisting this innovation? Or is smoking really beyond the pale of refinement and culture? In a word, is smoking unwomanly? On the other hand, will poor, down-trodden women be truly liberated only when "equal rights" prevail, in politics and fatimas. Or has man become the victim, relentlessly pursued by the deadly "Female of Species," mercilessly hunted out from his last refuge and sanctuary—the smoker? Be prepared women of Varsity, to give your verdict on this weighty question, for within the next few days, a "News" reporter will solicit the opinions of many of the co-eds.

—Exchange, U. of Conn.

Four new heads of universities have taken their place. Former Dean Coffman of the University of Minnesota is now president, former president M. L. Burton of Minnesota is the head at Michigan University, Professor Walter Dill Scott of Northwestern succeeds Dr. Hough in the Methodist presidential chair, and Dr. Kinney takes the place of former President James at the University of Illinois.

A PIPE'S the thing with men. Under the spell of WDC Pipes men relax, fagged brains are relieved. The specially seasoned genuine French briar breaks in sweet and mellow. It will not crack or burn through. The WDC Triangle on the bowl is your guarantee. Ask any good dealer.

"Bub" Herrick Chosen Captain Cross Country

ning mate of Frank Preti who is now Preti is well pleased with the selection of Bub Herrick as captain for next fall and predicts a great future for him. He hopes to bring another championship cross country team to the University next fall.

In an interview with a Campus representative Bub predicts great doing for next year with the addition of new men that are coming up here to college and with the State meet to be run off on our hill and dale course there ought to be a clean-up for Maine and a good show to finish well up in the New England Intercollegiate.

Captain Herrick is sure to make good. He is of even temperament, a good fighter, and has very fine generalship. He is a member of the Sophomore Owls, Junior Masks and Vice-President of the Athletic Association.

Australian leaders are so anxious to learn the facts about the results of prohibition in America that a number of the leaders of various churches are to be sent to this country to get their facts at first hand.

Final Plans are Laid For Dec. "Maine-Spring"

At the last meeting of the Contributors' Club, plans were discussed for the Christmas issue of the Maine-Spring, to be published Dec. 10. This magazine which will be fifty pages in length, will contain articles by Ardis Doliff, Dean Stevens, Mr. Cummings, Philip Grey and others.

After the business meeting, a paper was read by Miss Margaret Blethen entitled, "To See Ourselves as Others See Us."

This organization has come into prominence during the past year and is engaged in work that will give it a lasting reputation on the campus. Its work has advanced steadily. It is worth your while to watch and encourage the progress of this club and there is no better way than to subscribe for the first issue.

Goucher College, Maryland, is the first woman's college in the country voters as a result of the Nineteenth Amendment.
