Basketball to Be Made

Varsity Sport This Year

Rules for Awarding the "M" Not Yet Decided

In the past years when the football season closed the students used to look forward to the coming of the basketball season. But this year the closing of the basketball season is by no means the closing of the activities for the Maine men. Never was there a squad more colorful than that sport was presented at Maine. Skiing and snowshoeing was started last year and if we have the snow it will probably become popular as basketball. The biggest scope for the year, however, is basketball.

The day that the call for candidates was placed in the student body was a day that allMainers knew that basketball had arrived. The call was for varsity players, but besides those all Maine students and players of a number of home games and a few intramural games will be part of the Inter-Class Basketball and also the intramural games which become so popular last season. These intramural games will bring out a lot of fine basketball material can be picked. "This number tells men will be needed this year." The intramural games which have already started did not report their intramural. The varsity sport which will guarantee fur the next year.

Miss Scheerer Reads Three Artistic Plays

On Friday night, the Maine Christian Association presented Musical Saturday Night, which read for three consecutive plays. The first number was "The Floral Shop" and Miss Scheerer interpreted with much sympathy and humor, the character of the loving shop-girl who believes that sanitary reforms are the very smallest part of the local business. The second play was "Trilby," a tragedy of a New England elfin, which made a strong appeal to the audience. Finally, Miss Scheerer read one of Barrie's comic plays, "The Twelve-Point Look," which gives an amusing picture of the overbearing British husband and his long-suffering wife, who despite her meekness, gladly obeys the Twelve-Point look. The program was very interesting and entertaining.

To smoke or not to smoke, that is the question. Are women of Var- ion churches are to lead a campaign for to crack or burn through. The program was entitled, "To See Ourselves as Others See Us." This organization has come into prominence during the past year and is gaining in work. It will give a lasting reputation on the campus. Its work has advanced slowly. It is worth your while to watch and encourage it.
