Y. W. C. A. Holds Interesting Meeting

An unusually interesting meeting of the Y. W. C. A. was held at the Raymond Hotel on Wednesday evening, with the opening of the meeting there was a vocal solo by the Cornell Men's Glee Club. The singing of the speaker of the evening was Judge Dunn, a well known and respected attorney. The latter part of the evening was spent in answering questions, which were important and moving, and other things of the evening.

A man can do a lot of things, but any woman can tell you how it is that an inch is worth more than a dollar.

We don't like to call all the time the only boy who is always right. We feel that a lot of criticism may avoid another repetition. Last year the dance order was J. W. Pheasant and that as about as cheap as it could be obtained and will be presentable. But the dance orders are peculiar and no boy who was ashamed to present it to his partner. A formal dance is supposed to be a formal affair and no boy at Maine we like to make ourselves bet- ter than others and we feel a little bit better than at Colby or at Bowdoin. For the formal dances we please to see that cere we can find, or perhaps we have someone come up from home, or from some other college. We want too many of us as the term "ating order". We have already refused to accept the or- der. If the first impression is good, the second impression did pour girl have of the first look at the campus attending the Sigma Nu banquet which takes place at the Ban- quer House Tuesday night. KAFFA SIGMA

An informal boisterous dance was held at the home last Saturday night. Mrs. Mason entertained her of her group of friends with a bridge party with the class of 1934. During the first part of the evening Mrs. Mason asked all the men to get together in one of the rooms and the ladies in another. Favor's were then served and the men were served the food that had to find the girl whose whom not to invite to the dance. This dance was a surprise to everybody and afforded a lot of fun and amuse with home. Coffee, cream, cake and sandwiches were served for refreshments. The music was furnished by Flanders, Fenchette and Merrow.

How recklessly one of the faculty members tried to create shiny, nifty-bottoms enclosed locomotive. The number of freshmen without topics?

That Sherlock himself, has nothing to "Bob" Ingered? What a shame is it that the clippers have not been laid here for the past few days there has been some little excitement on the campus caused by the annual Sophomore-Freshman battle. The conflict seems to be more than at Colby or at Ittowdoin. Many clever gents are en joyed during the afternoon. Delicious refreshments of ice cream, cake, and cookies were served for refreshments.
