Intramural Schedule Is Slowly Nearing Finish

Sigma Nu Is Leading in North League, Phi Eta in Central League, and Sigma Chi in South League

The Intramural baseball league standing did not change very much during the past week. There was one game played in the North League; Sigma Nu and Beta Theta Pi; three in the Central League; Delta Tau Delta and Kappa Sigma, Phi Eta Kappa and Delta Tau Delta, Sigma Alpha Epsilon and Phi Eta Kappa. In the South League there were no games played, consequently the standing in this league remained the same.

The Sigma Nu team played the Beta Theta Pi team last Monday evening, and won by the score of 14 to 4. This gives the Sigma Nu a percentage of 1.000 with three games won and none lost. There is one more game to be played and this game with the Theta Chi team will decide the championship of the league.

In the Central League the Delta Tau Delta team won one game and lost one; the Kappa Sigma game which was played at the Orono field was won by a score of 8 to 7 and the Phi Eta Kappa game was lost on Alumni field with a score of 7 to 2. The Phi Eta Kappa team won two games putting them in first place with a percentage of 1.000, breaking the tie between them and the Delta Tau Delta team. The score of the game between them and the latter team was 7 to 2, and of the Sigma Alpha Epsilon game was 6 to 5.

STANDING OF THE LEAGUES

North League			
	Won	Lost	P. C.
Sigma Nu	3	0	1.000
Theta Chi	2	1	.667
Commons Council	2	2	.500
Beta Theta Pi	2	2	.500
Lambda Delta	0	4	.000

Central League			
	Won	Lost	P. C.
Phi Eta Kappa	3	0	1.000
Delta Tau Delta	2	1	.664
Sigma Alpha Epsilon	2	2	.500
Phi Gamma Delta	0	1	.000
Kappa Sigma	0	2	.000

Discuss Future Plans At Meeting of Trustees

A meeting of the trustees of the University was held last Tuesday on the Campus, all members of the board being in attendance except Hon. Frank E. Guernsey of Dover and Hon. W. H. Looney of Portland. Hosea B. Buck '94 of Bangor was present by courtesy of the board. Mr. Buck having been selected as alumni member of the board to fill the vacancy caused by the death of Hon. Charles E. Oak, but whose nomination has not yet been forwarded to Governor Baxter. Mr. Buck is one of the most active alumni and a loyal and enthusiastic booster for the University of Maine. He served as chairman of the athletic board for a number of years. He is a member of the Phi Gamma Delta fraternity.

The matters up for consideration at this meeting were in connection with Commencement and plans for the forthcoming year which will be definitely decided upon at the meeting June 3 and 4. Colonel F. H. Strickland was elected president of the board to succeed the late Honorable Charles E. Oak.

Commons Tennis Tourney

Considerable interest has been shown in the tennis tournament run by the Commons Council. Twenty-two men were entered in the contest. Those who have survived the elimination games and are ready for the semi-finals are: Dearborn, Shapiro, E. Judkins, Thomson, Burdick and Pomeroy. The semi-finals will be determined by the best two out of three sets. Entries have also been made for a doubles tournament to be played in the near future.

Excellent Program Made For Commencement week

The Commencement Week program which has been arranged for this year is a very interesting one and should be a great success. Besides the usual events which begin Friday, June 3, two varsity baseball games will be played. One of the events which a great many people are looking forward to is the class frolics which take place on Alumni Field Saturday, June 4.

The Commencement Ball this year promises to be one of the best that has ever been held on the Campus. The committee in charge is working to make it a great success.

It is hoped that all the Commencement exercises will be largely attended, but it is especially urged that every member of the senior class be present at the ball.

The program for Commencement Week is as follows:

- 9.00 A.M. Annual Meeting of the Board of Trustees
- 9.30 A.M. Meeting of the Alumni Advisory Council, Library
- 3.00 P.M. Baseball, Maine vs. Tufts, Alumni Field
- 5.00 P.M. Phi Kappa Phi Initiation, Hannibal Hamlin Hall
- 6.00 P.M. Phi Kappa Phi Banquet, Club Room, Hannibal Hamlin Hall
- 8.00 P.M. President's Reception, Library
- Saturday, June 4, Alumni Day
- 9.30 A.M. Class Day Exercises, Oval in front of Alumni
- 10.00 A.M. Annual Business Meeting of the General Alumni Association, Chapel
- 1.00 P.M. Class Luncheon, The Commons
- 2.00 P.M. Formation Alumni Day Parade, front of Alumni Hall
- 3.00-4.00 P.M. Class Frolics, Athletic Field
- 4.00 P.M. Baseball, Maine vs. Colby, Alumni Field

(Continued on Page Four)

Junior Week Is Crowded With Interesting Events

The program for Junior Week is one of the most attractive that has ever been offered and begins at 2.30 Wednesday afternoon with a baseball game between Maine and Norwich. Wednesday evening the band will be on the lawn in front of the chapel and will play many of the well-known college pieces. The Junior Exhibition Speaking Contest will start at 6.30 in Alumni Hall. After this the Maine Masque will present "The School for Scandal."

Thursday the "M" Club will present its annual vaudeville show. These shows have always been a success and the one this year should be no exception. Impressive chapel exercises will be held on Friday and the Junior Prom is scheduled to take place at 8.00 Friday evening.

Saturday, the last day of this busy week is to be filled with many interesting events. The Interscholastic Track Meet begins at 9 o'clock and the Battalion Parade starts at 11.00 under the command of Major James. The afternoon will be entirely taken up with the baseball game with Bates. The final event is the Track Club Cabaret which is at 8.00 in Alumni Hall.

Pi Beta Phi Candy Sale

A candy sale was held by the Pi Phi girls in Balentine Hall Thursday, May 12, for the benefit of their Settlement School. This school was established by the Pi Beta Phi Fraternity at Gatlinburg, Tennessee in the very heart of the Appalachian mountains to alleviate the distressing conditions of the "poor whites" of that region. Everyone co-operated with the girls in their sale and they obtained a large sum of money for the school.

"A movement for more modest clothes has taken shape in Smith College," says a press despatch from North Hampton, Mass. It has certainly taken shape to wear the sort in vogue.

Maine Beats Colby but Loses to New Hampshire

Victory at Waterville Due to Fifth Round Rally. Loose Playing Enables Granite Staters to Win

Maine won her second game of the State series Wednesday when she defeated Colby at Waterville by a score of 5-4. The boys of the Light Blue outfit succeeded in turning what looked like defeat into victory by a fifth inning rally, after trailing on the short end of a 3-0 score for four innings.

The game went along in peaceable one-two-three style until the eventful fifth, when Colby went out. Prescott and Jowett got on safely but went back to the bench on a double play. Then Wood, Sargent and P. Johnson hit safely. Young forced in a run with his hit and one more came in on A. Johnson's hit. Two more came in on Lampher's poor throw to the plate of Stearns' hit. A. Johnson got home before Lunge went out on a throw from second to first. Then things went airtight until the seventh, when Good ran for Williams and brought in a lone tally. Colby tried in the ninth to even matters up, when Lampher drew a pass, but was not able to score.

The summary:

Maine Is Eliminated in State Tennis Tourney

Maine was eliminated in both singles and doubles in the first round of the State Intercollegiate Tennis Tournament played at Lewiston Monday, May 16. Only two extra set matches were played. Semi-final rounds will be played Tuesday. Summary:

Doubles:

Woodard and Purinton, Bates, defeated Wass and Littlefield, Maine, 6-0; 5-7; 6-4.

Roberts and Lesieur, Bates, defeated Bishop and Young, Bowdoin, 6-3; 6-1. Partridge and Fisher, Bowdoin, defeated Hackett and Odon, Colby, 6-1; 6-4.

Smith and Gowe, Colby, defeated Libbey and Trafton, Maine, 6-1; 6-3.

Singles:

Roberts, Bates, defeated Libbey, Maine, 6-0; 6-1.

Gowe, Colby, defeated Lesieur, Bates, 6-4; 6-3.

Partridge, Bowdoin, defeated Smith, Colby, 6-3; 3-6; 6-2.

Fisher, Bowdoin, defeated Trafton, Maine, 6-2; 6-3.

Enthusiastic Rally Held For State Track Meet

Student chapel was held last Wednesday with the largest attendance of the semester. The rally was held for the track team and to get the students to go to Bowdoin. Bill Cobb read an amendment of Section 1, Article 5 which provides that the "M" shall be awarded "In basketball for playing in two-thirds of the periods or any part thereof of the games played in the 2nd semester, it being understood that a player being taken out for injuries shall receive credit for the remainder of the game."

It was voted to send Professor Grover chairman of the Athletic Board to Boston for the New England meet.

Captain Pratt was the first speaker and he said our prospects were very good for the State Meet. Bates, however, would probably make a new record in the 2 mile race. The boys need a good cheering section to help them along "the long, long trail a'winding." This would be the best meet in the last 4 years and we ought to win.

The band played some peppy music and made everyone feel that they must go to Bowdoin to see Maine win.

Coach Flack said that the track team had been hoodooed for two years and this year we must go down to Bowdoin and get the sup from their trophy case. He also said that this year's track team is the best he has ever worked with.

Their conduct this year and in the Tufts meet showed as good spirit as is shown anywhere. The pace-makers willingly kill their own chances to help the others, so give them credit when they do. Bowdoin may do things that are unethical, to say it kindly, let the Maine men show the Bowdoinites how to act on their own field. Whether we win or lose, our men have done their best and the team that wins will love to work for the victory. Coach Flack asked those who prayed to remember the team in their prayers and those who did not pray to do a little cursing.

Pep Townner spoke of the good old days of 1914. He told some interesting things about the men who were in track at that time. Charles Kavanaugh was

(Continued on Page Four)

W.C.T.U. Leader Speaks To Students in Chapel

Mrs. Mary Perkins, Intercollegiate Secretary for the Woman's Temperance Union, spoke in chapel Thursday. She has just returned from Europe and is familiar with the conditions there. Europe may be strong but it has a great deal to bear in order to gain the prosperity which is ours.

Mrs. Perkins said that the state of Maine has had prohibition for so long that we do not appreciate it. In New York we can see a change due to the 18th amendment. Science has decreed that alcohol is ruinous. The world is looking for leaders, much is expected of young college people with their visions and we need fine, clean young men and women as never before.

Mrs. Perkins also spoke of the liquor dealers who are investing millions in China and Japan telling the people that American beer is a sure cure for the opium habit. Their argument is that it is their income that has made America what she is to-day.

Great issues and problems have to be faced to-day and the success will depend on moral and religious conditions. The people will get their visions and ideals from the college people.

The tobacco problem is another serious issue to be considered. \$90,000,000 more was spent in the past year for cigarettes than ever before.

A. A. Election of Officers

The election for next year's A. A. officers was held on Tuesday from 1.00 to 5.00 at Alumni Hall. The results were: president, H. W. Fifield; vice-president, E. S. Lawrence; secretary, O. E. Berg; Carl Sargent, senior member. The vice-president also holds the position of junior member.

Maine Takes Second Place in State Meet

Jack Magee's Mud-Larks Capture First Honors. Colby Noses Out Bates for Third Place

The University of Maine track team won second place in the 25th annual Maine intercollegiate track meet at Brunswick Saturday after fighting for points through mud, water and driving rain. Bowdoin scored 55 1-3 points, Maine 28 1-3 points, Colby 26 1-3, Bates 26 points.

The weather conditions were the most miserable in the quarter of a century's history of the Maine intercollegiate games. There wasn't a chance to make good time let alone breaking records. As conditions grew constantly worse it was decided to hold the pole vault, high and broad jumps in Hyde Gymnasium and all records were to hold the same as if done outdoors.

The sensations of the meet were furnished by unheralded athletes, Wiese and Paine, the Colby freshmen, Strout, Libby, Ames and Kelley of Maine, and Kane the Bates half miler. Wiese of Colby was the big star, winning both high and low hurdles. Kelley of Maine upset the dope in the low hurdles by defeating Bill Parent and Capt. Thomson of Bowdoin coming second to Wiese.

In the pole vault, Bishop of Bowdoin broke the record made on Whittier Field by L. B. Rogers of Maine of 11 ft. 6 5-8 inches by doing 11 ft. 8 inches.

Goodwin, the crack Bowdoin runner failed to show up in the 880 yard. He finished second to Kane.

Bowdoin's strength in the sprints and 440 yard gave them the balance of power. Colby's team proved real dark

(Continued on Page Four)

Campus Editorial Board Holds Annual Banquet

The Campus board held its annual banquet at the Penobscot Exchange on Thursday evening, May 12. The speakers of the evening were President Alely, Mr. Oliver Hall, Editor-in-Chief of the Bangor Commercial, Mr. Porter Perrin, Miss Mildred Close and Mr. Frederick Marston.

President Alely told of his past experiences in the newspaper world and Mr. Oliver Hall gave an interesting talk on the newspaper of the present time. Mr. Porter Perrin discussed the Campus and the future possibilities for improvements. Miss Mildred Close gave a very good but unexpected reason for taking the journalistic course. The last speaker was Mr. Frederick Marston, editor-in-chief of next year's paper. He presented his plans for the coming year and told how he intended to put out a six page paper once a month and to run a yearly dance for the benefit of the Campus. He spoke of starting the custom of having each senior class subscribe to the paper and of getting the interest of the alumni in support of it. He told of his hopes for making the paper a bigger and better success than it has been. Mr. Henry Howard made a very interesting, as well as amusing toastmaster. Before the Stein Song was sung, after a very enjoyable time, Mr. Howard resigned his present office to Mr. Marston. The committee in charge of the banquet was as follows: Mr. Jacob Horne '23, Miss Lucy Chamberlain '22, Mr. George Holt '23.

Contributors' Club Picnic

About twenty members of the Contributors' Club attended the annual picnic on last Wednesday. The members met in Orono at four o'clock and hiked to the picnic spot along the river, where they built a fire, roasted hot dogs and made coffee. After the last course, which consisted of toasted marshmallows, the various individuals did stunts for entertainment some of which were very amusing. An informal "sing" was the close of an enjoyable affair.

The Twenty-Eighth Annual

PRISM
1922

On sale at the
University Store Friday

The Maine Campus

Subscriptions, \$1.00 per year
Single Copies, Five Cents
Entered as second class matter at the post office, Orono, Maine.

The editor-in-chief is responsible for the general policy of the paper and for the editorial columns; the managing editor for the news columns and the make-up of the paper; and the business manager for the business and finances.

Communications should be at the postoffice at Alumni Hall before Saturday noon to insure publication.
Printed by The University Press, Orono, Me.

The Prism

The 1922 Prism will be on sale at the book store Friday. This is the first time since the war that a Prism Board has been able to have the volume ready for Junior Week. This board and especially the Manager and Editor-in-Chief are to be highly commended. It has meant a great deal of hard work and careful planning to get the book ready at this time. It is hoped the student body will avail themselves of the earliest opportunity to purchase copies and so make the publication a success.

The Campus

The condition of the Campus this year is as good as it has been for many years. The shrubs are trimmed and are in fine condition. The lawns are exceptionally well kept. There is, however, one discordant note in the appearance of our Campus. This is the abominable condition of the board walks leading to Estabrooke Hall and to Balentine Hall. These walks are not only an eye sore but are actually unsafe. It is a simple matter to walk on the cake walks of the amusement parks after a stroll on our "trick walks." It certainly seems that a little money might well be expended in this direction before commencement.

Junior Week

Junior Week is with us again. This makes us realize that the year is fast drawing to a close. We must all take an active part in the program and close the year with a snap that will forecast a banner year for 1921-22. If we all attend as many of the attractions as possible there will be no doubt that the week be a decided success. The baseball games with Norwich and Bates promise to be good games and the team deserves the support of all members of the student body. The performances to be given by the "M" Club, Maine Masque and Track Club are all worth while. The organizations are all working hard to make their individual show the best. They deserve your support.

Campus Speeding

With the arrival of Junior Week there is the usual flock of automobiles brought from home for the special occasion. But this year more than ever before has been noticed the desire of the more fortunate of our number, who have cars at their disposal, to travel on the Campus as fast and with as much noise as possible. If these speed maniacs wish to show their ability as drivers and the worth of their cars would it not be well for them to choose a straight road rather than our very blind curves. There have been several times when an accident was saved rather by luck than by good management. If a little more time was allowed to get to and from classes in cars we believe the entire University would be benefited. Let us cooperate in this instance.

Strawberry Festival

The girls of Balentine Hall are to give a Strawberry Festival next Monday from 5 until 8 o'clock in Balentine Hall. The proceeds of this festival are to go to the athletic association. The girls will serve strawberries and cream, hot rolls, and coffee for 35 cents. There will also be dancing during the evening. It is hoped that many of the students will aid the girls and make this affair a success for the athletic association.

Junior Prom

The Junior Prom which is to be held Friday evening promises to be a great success. The committee wishes all students attending the Prom to be present for the reception which will take place at 8 o'clock. At the last few formal dances in the gym it has been the custom for those attending the dance to wait until after the reception before putting in an appearance. If we are going to hold a formal dance here at the University let us make it proper in every respect as far as we are able. It certainly is most uncomfortable for those who are receiving to wait in line for an hour and have hardly a couple attend the reception. If you who attend will only plan to be there during the reception it can be held in a very pleasing manner and allow ample time for the dancing.

Fraternity Scholarships

It seems to us that the article which appears in this issue regarding the two scholarships given to Omega Mu Chapter of Phi Gamma Delta opens new lines of endeavor for all fraternities on the Campus. The alumni of this chapter have materially assisted the University and their fraternity by giving these scholarships. The scholastic average of the entire University and especially the average of the fraternities is so low that anything in the nature of scholastic improvement is very desirable. We feel that if the alumni were acquainted with the facts it is more than likely that many scholarships of this nature could be procured. These would certainly stimulate interest in the most important work here at the University, our studies.

Alumni Notes

Thomas Shepard '13, a former football player, is now located in Utica, N. Y. with the Travelers Insurance Company.

Burleigh Waterman '20 is now located at Albany, N. Y. with the W. T. Grant chain of stores.

Albert F. Cook '12 was recently elected a member of the board of selectmen of Fort Fairfield.

Mr. and Mrs. Daniel Webster ex-'80 of Bangor are on a trip in the south for a few weeks.

A. L. Burnall ex-'98 of Portland is U. S. consul at Lille, France.

Dr. W. H. Jordan '75, whose resignation from the directorship of the New York Experiment Station is to take effect July 1, will come to live in Orono after that date.

Rev. Carl N. Garland '07, formerly pastor of the Pratt Memorial Church and later superintendent of the Deaconess Hospital in Billings, Montana has been appointed pastor of the Grace Methodist Church in Bangor.

Ray R. Stevens ex-'19 of Ashland and Miss Agnes M. Warman of Ludlow were married in Houlton, Wednesday, April 27.

William Kyte ex-'19 attended the track meet at Bowdoin.

Frank French '17 was present at the track meet at Bowdoin.

O. S. English ex-'22 was a guest at the Phi Gamma Delta house over the week-end.

John A. McDermott '05 has been appointed the University of Maine representative on the Advisory Committee of the National Collegiate Athletic Association.

The classes of 1911 and 1916 are making elaborate arrangements for the stunt program of events to be staged on the Athletic Field just prior to the Colby-Maine baseball game. The class of 1916 stunt will be spectacular displays, and that of the class of 1911 will be the revival of a historic event.

NOTICES

May 19 7:30, 22 Coburn Hall, the last meeting of the Veterans of Foreign Wars. Important business to transact. All members are requested to be present.

May 19 Vaudeville Show by the "M" Club 8:00.

May 20 Prisms on sale at Book Store \$4.50

May 21 Battalion Parade 11:00 A. M.

May 21 Maine vs. Bates 3:00 P. M.

May 21 Cabaret Show by Track Club 8:00 P. M.

May 28 Bowdoin vs. Maine at Orono

June 3 Tufts vs. Maine at Orono

June 4 Colby vs. Maine at Orono

Junior Mechanicals Take Inspection Trip

Wednesday afternoon the junior class in mechanical designing visited the new salesrooms of the Penobscot Motor Car Company in Bangor to study the Nash Six cut-away chassis which is now on display. The chassis is incased in glass in such a way that every moving part of the car may be seen in actual operation. The interiors of the motor transmission and differential are lighted electrically so that every detail of the fine mechanism may be studied thoroughly.

After giving the chassis a thorough study, the students were conducted through the parts department where fifteen hundred different Nash parts are always on hand in case of accident. The different parts of the Nash Six chassis were studied here in an unasssembled condition.

It was a very profitable as well as a pleasant afternoon for the students, the only detraction from a completely happy afternoon being time to take the electric back to school.

Andrews Acknowledges R. O. T. C. Honor to Son

The following letter was received from W. W. Andrews in acknowledgment of the naming of Camp Andrews. My dear Lieutenant Nichols:

I greatly appreciate the honor you have conferred in naming the University R. O. T. C. camp, Camp Andrews, in honor of my son, Harold T. Andrews, who was killed in action at Cambrai, France, November 30, 1917.

It is indeed very gratifying to me and my family that your organization and other organizations have made it certain that the name of the first Maine boy to be killed in the great World War will not be forgotten. It may interest you to know that his body has been returned from France and now lies buried in the soil of his native city, never I hope, to be disturbed again. I searched for his grave two weeks in northern France before I was able to find it. I finally located it in an American cemetery at Bony, about thirty miles from Cambrai.

I wish to express to you and the University of Maine, for all that has been done to perpetuate the memory of my son, my heart-felt thanks and you may rest assured that I shall ever hold in grateful remembrance.

Very truly yours,
W. W. Andrews

1922 Prism on Sale at College Store Friday

Contrary to expectations the Prism will be out on time. It is the only college annual in the state so fortunate and much credit is due the board of editors for overcoming the many obstacles which have presented themselves this particular year.

The 1922 Prism which is the twenty-eighth volume of this publication is claimed by the editorial board to be the best ever. The cover which is one of the features of the book is made of leatheroid and stamped in gold. Other features are six colored insert pages, a large and unique grind section and a greater number of cuts than have ever appeared in Prisms of past years.

Altho this year's Prism is somewhat more elaborate than previous volumes, the managers have kept well within financial bounds and the juniors are assured that the class will suffer no loss if sales come up to expectations.

The Prism will be on sale at the College Store beginning Friday morning.

New Mexico College—The Radio Club of this college is laying plans for the annual military encampment this summer at Organ mountains. This efficient organization has rendered excellent service in the past, transmitting messages from Camp Pershing to the college. A charge of one cent per word imposed.

A writer on hygiene subjects declares that a young man should kiss a girl either on the right or left cheek. As there seems to be some uncertainty as to the proper cheek to kiss, most young men will continue to hesitate between the two.

Jack—"I don't think I should get a zero on this examination."

Prof—"Correct, but that's the lowest mark I know of."

Scholarships Available For Phi Gamma Deltas

The need to improve the scholastic standing in nearly all college fraternities is well understood by those who have investigated the situation. When so much is being written and discussed regarding the scholarship standing of undergraduates it may be of interest to the University to know what has been done at the Phi Gamma Delta House.

An advance step has been taken by some of the alumni and they have clearly blazed a trail for other men to follow.

Hosca Buck '93 of Bangor, being much interested in his Alma Mater and his fraternity, decided in 1919 to perpetuate the memory of his deceased son by endowing his fraternity chapter with two scholarships of \$100 each in perpetuity.

This splendid example was followed by Charles Mullen '83 and his two sons who jointly placed in trust a sum of money whose income produces \$200 per annum. Thus four scholarships of \$100 each are available to the members of the fraternity chapter.

The award is made to deserving men in the chapter who are earning at least a part of their college expenses, maintaining high scholastic standing and who are doing most for their chapter and the University. The entire chapter must obtain high average rank before any award can be made.

Townsend Lectures at At Physics Club Meeting

At the last meeting of the Physics Club, held on Tuesday, May 10 a very instructive lecture on radiotelephony was given by Mr. C. Townsend of the Physics Department. Mr. Townsend first gave some of the early history and development of radiotelegraphy and telephony and its many uses during the late war, such as directing gun fire from airplanes. Then he performed several experiments which showed the basic principles of the modern radiotelephone. First he demonstrated the vacuum tube, which made possible the modern development of wireless. He did this by making a vacuum tube oscillate at various frequencies, producing musical tones of different pitches. Then speech was reproduced by a transmitting set located in one room and a receiving set in the lecture room, using exactly the same methods as are used to talk across the Atlantic. After the lecture he explained the apparatus more fully to those who were particularly interested in the subject.

The club has had a most successful year and will be continued next year.

Information Given out About Research Funds

The Research Information Service of the National Research Council has recently compiled information about funds for scientific research. From this compilation it appears that there are hundreds of special funds, trusts, or foundations for the encouragement or support of research, in the mathematical, physical and biological sciences, and their applications in engineering, medicine, agriculture and other useful arts. The income from these funds, which amounts annually to at least fifty million dollars, is used principally for prizes, medals, research scholarships and fellowships, grants and sustaining appropriations or endowments.

So numerous have been the requests to the Research Council for information about sources of research funds, availability of support for specific projects and mode of administration of particular trusts or foundations, that the Research Information Service has created a special file which it is proposed to keep up to date in order to answer the questions of those interested in such funds. Furthermore, in order to give wider publicity to the immediately available information about research funds, the Council has issued a bulletin under the title "Funds available in 1920 in the United States of America for the encouragement of scientific research."

Inquiries concerning the bulletin or for information about research funds should be addressed, National Research Council, Information Service, 1701 Massachusetts Avenue, Washington, D. C.

Dean Hart States Views On Scholarship Records

Dean Hart states that the women students excel the men students in all subjects except mathematics, physics and philosophy, that is, in all subjects except those of a more analytical character. In general he thinks that the usual college course is specially adapted for men, but he believes that the courses at Maine are well adapted to the needs of the young women who take them.

The girl students have ranked higher than men, but he believes that the superiority is due not to intellectual superiority but to more strict application to college work. The average ranking of the women in the four sororities is slightly higher than that of women who are not sorority members. The superiority of rank of the women over the men in both classes is somewhat marked.

The Interscholastic Track Meet is to be held Saturday, May 21, on Alumni Field. There are fourteen prep schools entered. They are as follows: Bangor, Brewer, Brooks, Brunswick, Calais, Deering, Gardner, Hartland, Hampden, Foxcroft, M. C. I., Milo, Morse, and Portland.

The trials begin at 10:00 A. M. Saturday. The finals are to be run off immediately after the trials in the afternoon. The events will be governed by the M. I. A. A. rules.

The Meet is to consist of thirteen events including the 100 yard dash, 220 yard dash, 440 yard dash, half mile, one mile, 120 yard hurdles, 220 yard hurdles, running broad jump, running high jump, throwing discus, throwing hammer, pole vault, and the shot put.

The officials are as follows: Clerk of Course, R. J. Schenkell; Referee, Douglas; Judges at Finish: R. J. Castle, J. H. Barnard, W. S. Rock; Judges at Jumps: H. H. Sewall, A. L. Ackley; Judge of Weights: J. Baldwin; Starter: Brooks, Scorer, W. C. Plummer; Measurers: W. S. Murray, T. A. Murray, E. O. Judkins, W. Nolen; Inspectors: Gray, O'Connor, Kneeland, Hegarty, Raymond; Timers: McBride, Smith.

A track meet of this type is sure to be hotly contested and will be well worth seeing. Everybody out, let us show our interest and hospitality by giving the contestants a record attendance.

The annual New England Inter-Collegiate Track Meet will hold the attention of all the New England colleges this Saturday when representative track men from eighteen colleges will compete for the championship of New England.

The squad that will represent the University of Maine will be chosen Wednesday from the following men: Capt. Pratt, Lawrence, Pinkham, Thomas, Strout, Bishop, Libby, Herrick, Webster, Ames, Raymond, Ackley, Judkins, Kelley, Dunn, and Hegarty. All other track men are turning in their equipment while the above men are working out daily under Coach Flack.

The following colleges will compete: Amherst, Bates, Bowdoin, Boston College, Brown, Colby, Holy Cross, Massachusetts Agricultural, M. I. T., Middlebury, N. H. State, Trinity, Tufts, U. of Maine, U. of Vermont, Wesleyan, Williams, and Worcester Polytechnic Institute.

My auto, 'tis of thee, short road to poverty—of thee I chant. I blew a pile of dough on you three years ago; now you refuse to go—won't or can't. Thru town and country side you were my joy and pride, a happy day. I loved thy gaudy hue, the nice white tires new; but you're down and out for true, in every way. To thee, old rattlebox, came many bumps and knocks; for thee I grieve. Badly thy top is torn; frayed are thy seats and worn; the whooping cough affects thy horn, I do believe. Thy perfume swells the breeze, while good folks choke and wheeze, as we pass by. I paid for thee a price 'twould buy a mansion twice; now everybody's yelling "ice"—I wonder why. Thy motor has the grip, thy spark plug has the pip, and woe is thine. I too have suffered chills, fatigue and kindred ills, endeavoring to pay my bills, since thou were mine. Gone is my bank roll now, no more 'twould choke a cow, as once before. Yet if I had the mon', so help me, John—amen. I'd buy a car again and speed some more.

THE PRISM

If you want a real reminder of
your college days you must get
one. This year's Prism will be out
Friday. Get one for your girl,
too.

YOU HAVE WRITTEN POEMS!

Do you care to have them revised or
constructively criticised by successful
authors? If you do, then send us your
manuscript (stories, articles or poems).
We will criticise, and place them
should they prove to be acceptable for
publication.

There is no actual charge for our
services. If, however, you have not
previously enrolled with the advisory
department of this association, we re-
quest that you enclose the initial fee
of two dollars, which we must ask of
each new contributor. There is no
additional expense, no future obligation.

It must be realized that we can only
be of aid to those of serious intent. If
you do mean to strive for literary suc-
cess, we can help you in many ways.
Our services are yours until we have
actually succeeded in marketing at
least one of your manuscripts. Send
something to-day!

Please enclose return postage with
your communications.

Mill Street, Orono, Maine

Willamette University loses thirteen
letter men this year.

It is pretty certain that the Tigers
will race Oxford in a Dual Meet at
Princeton on July 30, consisting of
seven events.

Nothing officially, however, has been
received as yet concerning the Yale
University meet with Oxford and Cam-
bridge proposed for July 16 or 23 nor
in regard to the proposed Cornell-Cam-
bridge meet.

The dual meet between Wesleyan
and Amherst is to be an unusual one.
On account of the large number of men
to be entered in each event, each team
is to run off its events on its own
grounds and announcing the times made
to the other by telegraph. The dates
for the meet have been set for May 17
and 18, the Tuesday and Wednesday
before the New England Intercollegi-
ates, and will start at 4.30 Tuesday
afternoon.

There is a possibility of a radio club
being organized at the University of
Rochester.

The advantages of using wireless
telegraphy as a rapid means of com-
munication between college papers was
discussed at the recent Intercollegiate
Conference on Student Government held
at M. I. T. Many of the colleges rep-
resented at the meeting have adopted
the idea.

According to the Dean of Women at
Northwestern University, rouge, the lip
stick, plucked eyebrows, bobbed hair
and such things are the result of war.
Then Sherman was right!

The University of Rochester has re-
ceived a gift of \$100,000 from Mr. R.
T. Miller, Jr., of Scottsville and
Chicago, for the purpose of establishing
in honor of his mother, the "Etta Fra-
ser Miller Loan and Scholarship Fund."

Harvard and Yale are to declare a
sport armistice long enough to permit a
joint tennis team of Crimson and Blue
players to meet a combination from the
English Universities of Oxford and
Cambridge at the Longwood Cricket
Club, Brookline, July 4 and 5. Leon
de Turenne of Harvard, president of
the intercollegiate Tennis Association
and the Crimson leader, will captain the
American team.

We were riding
On a street car
The other day,
And a girl,
A pretty girl,
Got on;
With her dress
Above her knees—
And she was
About six
Years old.
Didn't we
Fool you
That time?

WOTTA BREAK, WOTTA BREAK

Jinks and Jenks met foor the first in
years. After falling upon each other's
necks and chorusing the usual "Howzza-
boys?" Jinks undertook to be polite and
conversational.

"And how," he inquired with a show
of interest, "is Mrs. Jenks standing the
heat?"

Jenks regarded him suspiciously.

"How'd you know she was dead?" he
replied Rastus. "All we has ter do is to
wear a red suit wid horns, an' ebery now
don't work no more dan two hours out
an' den shovel some coal on de fire. We
me, Sam, how is it with you, up yonder?"

"Mah goodness! We has to git up at
ob de twenty-four down here. But tell
fo' o'clock in de mawnin' an' gathah in de
stahs; den we has to haul in de moon and
hang out de sun. Den we has ter roll de
demanded.

"God must love flunkers—He made so
NOT SUCH A LARGE PLACE,
many of them."

It seemed that when Rastus and Sam
died they took different routes, so when
the latter got to heaven he called Rastus
on the 'phone.

"Oh, boy! Dis here am some place,"
thar?"

"Rastus," he said, "how yo' like it down
clouds aroun' all day long."

"But Sam, how comes it yo' has ter
Well, to tell de truf, Rastus, we's kin'
work so hard?"

"o' short of help up here."

"Chrvgsaerueuafinajuuarisigue-
jack" is Eskimo for "I love you," and
at the same time is a reasonable explana-
tion of why the Arctic nights have to
be so long.

"They sure did use funny instruments
in early engineering."

"Yeh?"

"Here it says the foreman surveyed
the ground with a grunt of dissatisfac-
tion."

New Hampshire State won from University of Maine without much trouble this afternoon by a score of 7 to 2. Sherwood pitching for New Hampshire held Maine to four hits. A three bagger by A. Johnson followed by a single by Stearns netted one run for Maine, the other coming on a scratch single and two muffs in succession by Connor of Texas leaguers. Rusk in the box for Maine was somewhat wild and three passed balls by Prescott were costly. New Hampshire ran wild on the bases and turned the seven hits the made into as many runs. New Hampshire got three runs in the first inning, on as many hits, helped by a base on balls, passed ball, and error. The score:

Maine Takes Second Place in State Meet

(Continued from Page One)

horses. Mike Ryan's men were all in the pink of condition. Mercer ran a pretty mile defeating Dick Buker of Bates who was scheduled to win this event. Ames of Maine came thru in fine style in this event winning a good third and gaining an unlooked for point for Maine. Ames was a surprise to the dopesters.

The Maine dash men did not prove to be good mudlarks. Thomas got third in the 220 yard and Pinkham third in the 110 yard.

Despite the steady downpour the grandstand was filled to overflowing. Hundreds of fans watched the races from their cars parked out in the open. There were many co-eds from Bates, Colby and Maine there. The Maine band helped to enliven the occasion and drive the weather glooms away.

The most contented spectator was Bananas Third who pranced up and down at the end of Keeper Stackpole's chain all afternoon apparently tickled to death.

In the field events, Strout, Maine's big boy, tossed the hammer over 124 feet, 10 feet better than any of his rivals; Bishop came second to Luce of Bates with a scant two inches difference in the discus. Libby scored a surprise victory in the broad jump as Par-

ent of Bowdoin was scheduled to win this event. Libby leaped 21 ft. 5 inches.

In the high jump Philbrook of Bowdoin with 5 ft. 8 inches won first place, Ackley of Maine with 5 ft. 5 came second, Wood of Maine with 5 ft. 4 came third.

Bishop of Bowdoin vaulting in sensational style made the rest of the field stop at 11 ft. Bishop cleared the bar at 11 ft. 8 inches. Stearns Cook of Bowdoin and Kemp of Colby were tied at 11 ft. Kemp's one and one-third points gave Colby a third place by one-third of a point over Bates.

The summary:
440 yard dash won by Hunt, Bowdoin, 2nd, Palmer, Bowdoin; 3rd, Pratt, Maine. Time 57 sec.

120 yd. hurdles won by Weise, Colby, 2nd Thomson, Bowdoin. No third. Time 17 sec.

220 yd. dash won by Butler, Bowdoin, 2nd Wiggins, Bates, 3rd, Thomas, Maine. Time 24 1-5 sec.

100 yd. dash won by Wiggins, Bates, 2nd, Butler Bowdoin, 3rd Pinkham, Maine. Time 11 sec.

One mile run won by Mercer, Colby, 2nd, Buker, Bates, 3rd, Ames, Maine. Time 5 m. 4-5 sec.

880 yd. run won by Kane, Bates, 2nd Goodwin, Bowdoin, 3rd Herrick, Maine. Time 2 m. 17 2-5 sec.

Two mile run won by Buker, Bates, 2nd, Paine, Colby, 3rd Raymond, Maine. Time 10 m. 53 1-5 sec.

Running high jump won by Philbrook, Bowdoin, height 5 ft. 8 in.; 2nd, Ackley, Maine, 5 ft. 5 in.; 3rd Wood, Maine 5 ft. 4.

16 lb. shot won by Cook, Colby, distance 36.72 ft. 2nd Bisson, Bowdoin, 35.22 ft.; 3rd Kirkpatrick, Bowdoin, 35.22 ft.

16 lb. Hammer won by Strout, Maine, distance 124.82 ft.; 2nd, Mason, Bowdoin, 115.31 ft.; 3rd Cook, Colby, 112.63 ft.

Discus won by Luce, Bates, distance 112.7 ft. 2nd Bishop of Maine, 110.89 ft.; 3rd Cook, Colby, 109.41 ft.

Broad jump won by Libby of Maine distance 21 ft. 5 in. 2nd Parent, Bowdoin, 21 ft. 1-4 in.; 3rd Pratt, Maine, 20 ft. 9 1-8 in.

Pole vault won by Bishop, Bowdoin, 11 ft. 8 in. (record), 2nd Stearns, Maine Kemp, Colby and Cook, Bowdoin tied at 11 ft.

Enthusiastic Rally Held For State Track Meet

(Continued from Page One)

one of these men and the coach did not think him good enough for the state meet. Kavanaugh went to Bowdoin independently and made good in the shotput. Lloyd Houghton was captain of the first cross country team and he would run from Old Town to Alumni Field almost every day. He was a great worker with grit and endurance. Dick Powell and McLaughlin were two good runners. Ed Dempsey would run and have to turn somersaults every so often because of cramps. These were some of the men that made up the track teams in the good old days.

Sid Osborne sure believes in noise and he made the students give some lively cheers.

A collection was taken to buy Bananas a new chain, collar and muzzle.
