## "Pat" French's Proteges Win School Meet

**Unheralded Deering Outfit Captures First Honors. Hebron Takes Second, and Gardiner Third**

Saturday on Alumni Field was held the annual Maine Inter-Scholastic track field event meet. The following secondary schools in the state of Maine were entered: Bangor High, Brewer High, Brooks High, Calais High, Deering High, Dexter High, Gardiner High, Hartland High, Hampden High, Hebron High, Foxcroft High, Maine Central Institute, Morse High, and Portland.

The trials began at 10 A. M. and as the weather was ideal a record attendance was present. The finals began at 2 P. M. and continued throughout the afternoon. The events were governed by the rules of the Maine Inter-collegiate Athletic Association.

The feature event of the day proved to be the 440 yard dash. In this race, Marsters, Deering, covered the distance in 52.2 thus establishing a new inter-scholastic record for event. The previous record was 53 seconds made by Libby, Portland High. Marsters also thrilled the spectators when, almost without rest, he won the half-mile and finished second in the mile.

The meet was very efficiently conducted and much credit is due the officials for their excellent work. Those who officiated at the meet were, R. J. Schenkel, clerk of course; Referee, Dougall; Judges at finish, R. Castle, J. Barnard, W. Rock; Judges at jump, H. Sewell, A. Ackley; Judge of weights, J. Baldwin; Measurers, W. L. Murray, T. A. Murray, E. O. Judkins, W. Nolan; Inspectors, Gray, O'Connor, Kneeland, Hagerty and Raymond; Timers, W. McBride, R. Smith.

Gold and silver medals were presented by the University to those finishing best in the finals of each event. In addition the University also presented silver cups to the two high point schools.

Deering won the meet with a total of 52 points and Hebron finished second with 33. The other point scorers were: Gardiner 22, Maine Central Institute 12, Morse 3, Bangor 1, Dexter 1, Portland 1, Foxcroft 1.

## "M" Club Vaudeville Show Presented Junior Week

The "M" club vaudeville show, one of the usual events of Junior Week, was held in Alumni Hall Thursday evening.

For the first act, the Sigma Nu trio, Whitehouse, Berg, and Kaler, gave many delightful selections.

Next, the Alpha Tau Omega Stock Company performed a stunt so amazing that it brought many of those in the audience to their feet.

Sid Osborne sang a bass solo which was much appreciated.

Whitehouse, Sigma Nu, and Frazier, Delta Tau Delta, played several selections on the banjo and banyo mandolin.

Harry Belyea sang two solos and gave an interesting and amusing dancing exhibition of the way the Mt. Vernon and Valentine girls walk.

Some delightful duets which received much applause were played by Reiche, Beta Theta Pi, and Fenderson, Sigma Alpha Epsilon.

Monte Cross ended the program by singing a solo and telling a few jokes in his usual delightful manner.

Immediately following the vaudeville show, a short dance was held in the gym which was well attended.

## Maine Masque Staged in Alumni Hall Wednesday

The Maine Masque production, A School for Scandal was presented as the first of the many entertainments of the week, Wednesday evening in Alumni Hall before a good sized audience. This is the first home appearance of the college dramatic club since the days before the war, and the new cast lived up to the reputation of the Masque of former years. The players were especially well chosen for their parts, and elaborate costumes of the eighteenth century were carried out in detail.

The plot of the play centers around the two brothers, Charles and Joseph Surface. Joseph who appears to be perfection of character itself but is not, endeavors to replace his brother in their rich uncle's affections. Charles, who is a happy-go-lucky spendthrift, proves to have the better character and to win the hand of Maria, the heroine. The humor of the play centers around Joseph's attempt to appear virtuous, and also in the quarrels between Lady Teazle and her husband, who she says should have adopted her sooner than have married her.

The part of Joseph Surface was admirably taken by Leland March '23, Old Town, and Frank Averill '22 appeared equally well as the carefree brother. The four men taking the feminine parts were masters of every art known to woman, from the wielding

## Track Club Cabaret Was Week's Crowning Feature

The annual cabaret dance, given by the Track Club, was held Saturday evening. The gym was attractively decorated with crepe paper, and the tables were arranged in a way that made it convenient for dancing.

The program was as follows:  
Selection by Quartet  
The Rushing Aerial Artists  
Reichevitch and Belyeasky  
Songs by Monte Cross  
Selection by the Unstrung Sextette  
A Mystery  
Solo Dance—Angela Meehan  
Stein Song

It was unfortunate that two or three of the numbers had to be omitted but the others were enjoyed very much.

Many unusual and interesting dainties were served between dances. Music for the dancing was furnished by the Six Syncopators.

## Washington Alumni Prize

Each year the Washington Alumni give a gift of a gold watch to that student who in the eyes of the students and board of administration has done the most during his college course for the University of Maine. The student vote on whom they think has done the most to help the University. The students vote on four members of the graduating class giving order of their preference. The votes are counted by the board of administration and decision given by them on Commencement Day. The watch is presented to the winner on that day. This is a new scholarship and has only been given for four years. The winners in past years are: William Gorham '17; none in '18; Jeremiah F. Reardon '19; Frank Preti '20.

## M. I. T. Captures Honors In New England Meet

Thomas, Maine, Places in 220. Buker Brothers, Bates, and Weise, Colby, Win Their Events

Eleven men of the University of Maine track team led by Capt. Hep Pratt left on May 19 for the New England Intercollegiate Track meet held at Tech Field, Cambridge, May 20 and 21. In the preliminaries on Friday, Maine qualified 6 men for the finals. Technology was able to score men in practically every event qualifying 23, Brown was second with 12 men, Williams had 11, Boston College 10, Bowdoin 7, Holy Cross and Maine were next in order with 6 men each, Wesleyan secured 5 men, Middlebury and Amherst had 4, Worcester Polytech had 3, while University of Vermont, Massachusetts A. C., New Hampshire State and Colby garnered a couple of men.

The qualifying rounds in the different events Friday were not notable by any record-breaking performances, but from the times shown by the large number of athletes from the other New England Colleges the Maine boys came across in fine style. The meet was held under good weather conditions except for a strong wind blowing down the course in the sprints which was the cause in many cases for the slow times recorded.

The first men to qualify for Maine were Thomas and Pinkham. Thomas captured second place in his heat, the time was 10 3-5 sec. Pinkham placed third in his heat in the fast time of 10 2-5 sec. Thomas also placed second in the 220 yard run the time being 23 sec. flat. Capt. Pratt placed in the 440 yard run running in the fast time of 51 1-5 sec. Ackley came across in very good style by making a jump of 5 ft. 7 3-4 in. He was tied with five other men. Strout threw the hammer for 119 ft. 6 1-2 in. thus qualifying for the finals.

On Saturday May 21, the 23 men that qualified for Tech were able to make a score of 46 points winning the meet by a large majority over fifteen other colleges. Her nearest competitor was Boston College which scored 23 points.

The official point standing is as follows:

M. I. T., 46; Boston College 23, Williams 21; Holy Cross 11; Brown 10; Bates 10; Amherst 8; Colby 7; New

## Intramural Championship To Be Decided This Week

The Intramural baseball league is one of the few activities that were not enlivened by Junior Week. Phi Eta Kappa won from Phi Gamma Delta 13 to 0 in the only game of the week. Both fraternities are in the Central League. The game was rather slow and loosely played; and of minor importance as regards league standing. The league's standing is printed below. As there are few unplayed games, the standing is practically final.

The championship games between the champions of each league are to be played this week.

## Maine Whips Both Bates And Norwich in Baseball

**Wins Hard Earned Victory From Lewiston Lads, 3-2. Downs Norwich by Rally In Ninth Chapter**

CAPT. AL JOHNSON

Maine defeated Bates by the score of 3 to 2 in a hard fought game played on Alumni field Saturday. Both pitchers twirled good ball and were given fairly good support by their respective teams. Jowett held his opponents to but three hits, while Spratt did well in allowing but five bingles. Practically every run that was scored by both sides was due to errors.

The weather was extremely hot and it was an ideal day for the game. Maine's first two tallies were scored in the third and were due to a throw by Patridge to first base when that sack was not covered. As the inning opened Prescott went to bat and drew a pass. Jowett, the next batter, also walked, forcing Prescott to second. King then beat out safely a hit to the infield, thus filling the sacks. Sargent then fled out to Wiggin. P. Johnson reached first base on a fielder's choice, as Prescott was thrown out at the plate. Patridge then threw to first in an attempt to double up P. Johnson before he reached first. The ball went into deep right, as the first baseman was caught napping, and Prescott and King scored on the throw.

Bates secured her two tallies in the fifth inning. Kennelly reached first as Jowett fumbled his grounder and Ebner singled. Spratt then singled and both Kennelly and Ebner scored on a bad throw to the plate.

Maine scored her winning run in the eighth, when Sargent and Young each singled. A. Johnson reached first on a fielder's choice, as Sargent was thrown out at the plate. Kennelly then muffed Stearns' pop fly and Young scored. The score:

## Junior Prom Was Most Elegant Affair of Year

The Junior Prom took place on Friday evening at 8 o'clock in the gym. The reception lasted from 8 to 9 and dancing followed until 2 o'clock. Music was furnished during the reception and for dancing by the Old Orchard Pier orchestra.

Each fraternity and the dormitories had booths which vied with each other in attractiveness. The easy chairs and soft lights presented an atmosphere of comfort, while banners and potted palms added to the attractiveness of the gym. From balcony to balcony the class colors were arranged in a canopy of red and white crepe paper.

During the dance and at the intermission, the guests and dancers were served ice cream, fancy crackers, and punch.

Besides the members of the faculty and the matrons there were many out of town guests who attended the prom.

The dance orders were very handsome white card cases for the ladies and black for the men engraved with the Maine seal and the class numerals.

The gym floor was in splendid condition and high praise and much credit is due the various committees who worked as hard for the success of the dance.

The reception line was as follows:

President and Mrs. Ale, Dean and Mrs. Stevens, Professor and Mrs. Thompson, Carlton Asa Walker.

The floor director was Reynold Warren Graffam and the prom committee consisted of:

Carl Aaron Sargent, chairman, Henry Francis Hill, John Hopkins Barnard, Clarence Bradford Gould, Carl Thompson Stevens.

## Eventful Student Chapel

At the student chapel on Wednesday President Ale asked those present to submit the names of the four men of the senior class whom they considered had done the most for the University.

In order to cover a small item of expense incurred by the basketball team last winter, the assembly voted that a sufficient amount be taken from the treasury. It was also voted to send Bill Cobb as the student representative to the Intercollegiate in Boston.

Tank Graffam, as baseball manager, urged the students to turn out well for the Norwich game. He announced too, that the Prisms would be on sale Friday morning at the Book Store.

In closing Bill Cobb asked that the visiting team be treated courteously. A junior class meeting was called immediately after the chapel.

### During the Summer

As this is the last issue of the *Campus* for this year it seems fitting that we should mention a few points which you should bear in mind regarding Maine. You want to see Maine grow bigger and better but are you doing all you can to bring this to pass. You are not if you do not work for Maine and talk Maine during the summer. Tell good men and women who are going to college all about Maine. Show them the Prism emphasizing the particular activity in which they are interested. Do not talk football to a musician or the band and musical clubs to an athlete. Find out the activity in which they are interested and bring it out strong. Write for a catalog if necessary but above all bring the good men and women here to Maine next year.

### Junior Week

The Junior Week program was carried out with a smoothness and a snap which foretells of better days for Maine. Can't you see things brightening up and "snapping to" here at the University? The Junior Prom was without doubt the best dance held here for many years. The decorations were artistic and original. The music was the best we have had for years. The floor was in excellent shape and the reception was a decided success. There is little more need be said other than that the men in charge of Junior Week and the Junior Prom discharged their duties in a very thorough and efficient manner.

### The Prism

Have you seen the 1922 Prism? It is without doubt one of the best volumes put out for many years. The whole book shows exceedingly fine work throughout. The Grind section is especially amusing and interesting. The cover design and art pages are very appropriate and well designed. The poems are very well written. The volume has a touch and finish that no Prism for many years has had. Students investing in the Prism this year are obtaining far more than their money's worth in an accurate and permanent account of the college year. The class of 1922 may rightfully be proud of this volume.

### The Maine Masque

The presentation of "The School for Scandal" by the Maine Masque during Junior Week in the chapel was a decided success. This is the first time since the war that a play has been presented by the Masque.

The play was presented in first class style throat. The costumes were very good. Those taking part in the play showed evidence of hard work and thorough training. The members of the cast were very well chosen and played their parts well. The play is a difficult production and not often undertaken by amateur organizations.

It is hoped more interest will be shown in the Masque next year and that an early start will be made in order that an out of state tour may be carried out. A great deal of credit is due Professor Bailey and those taking part in the production for the fine way in which it was handled.

### To the Seniors

You seniors who are leaving the University to go out into the world do not wish to lose touch with the students and their activities. The best way which you may keep intimately in touch with things here at Maine is by sub-

scribing to the *Campus*. It is thru the *Campus* that you will learn how the world has used your classmates. It is here you will learn of your roommate's engagement or marriage.

Many of you will leave this locality and not see the local papers and learn of our victories on the gridiron on the baseball diamond. The board plans to put out a paper next year which will be of interest to every Maine man be he student, alumnus or friend of the University.

Next year our alumni subscribers will receive special attention. Our Alumni notes column is to be greatly enlarged and improved. Your subscription will be solicited by some member of the board in the near future. If you do not know your permanent address let us send the *Campus* to you at your home until you can advise us further.

Subscribe to *The Maine Campus* and we will give you the biggest value for your one dollar, the price of subscription, you have ever received.

### Commencement

The one time in the year which brings serious thoughts of both pleasure and sorrow is Commencement. It brings joy to the underclassmen and sorrow to the members of the senior class. The underclassmen have completed another year of their education and are nearer the goal of their endeavor while the seniors realize they are leaving their University as graduates, never to take an active part in affairs as students again.

The University of Maine will be largely judged by the present senior class and their fitness to take up the work for which their college course has trained them. This class enters the world of business in a particularly critical time. Positions are very hard to procure and the business world is in a condition of unrest. It will be, however, the college trained men and women who will bring conditions back to normal. It is this great task that the graduating class will take an active part in performing.

To the undergraduates Commencement offers a fine opportunity to give the seniors a proper send off and make their last impression of the institution one of the pleasantest. It also offers the alumni of the University a chance to size up their Alma Mater and compare her to what she was when they were students. It cannot be too strongly urged that all students who can possibly stay for Commencement do so. It is a far from favorable impression our alumni will have of us if they return and find a Campus deserted by all

save the graduating class. We should all stay not for our own benefit and amusement but to show our alumni we are vitally interested in them and wish them to be as interested in us.

Those who stay for the exercises should attend all the functions and put themselves out to make our alumni and guests feel at home and have a pleasant time. Greet them on the Campus with the cheery *Maine Hello* and they will feel at ease and enjoy themselves. If the student body will enter into the spirit of the time this Commencement will be the biggest and best held here for many years.

### Washington Alumni Prize

The vote for the member of the senior class to receive the Washington Alumni Prize of a gold watch was taken after chapel last week. No general notice of this action was given the student body in time. As a result not more than three hundred of the student body cast ballots. The vote was taken in a most slipshod and unsatisfactory way. It is hoped that next year the students will be notified of the election a few days before the election and so be prepared for the ballot.

### Admission to Grandstand

It seems hardly right for the girls of the University to be obliged to pay \$25 admission to the baseball grandstand. The bleachers are not a safe condition and the grandstand is the only available place for the fair sex to witness the games. The baseball grandstand is many years old and is in poor condition at best. There seems to us to be no reason for taxing the girls for its use.

"Shall I sing you my song with a refrain to it?"

"Oh, please refrain."

"There's a story of a woman that used a telephone for the first time in eighty-three years."

"She must be on a party line."

## Cross-Country Trophy Presented to University

The massive handsome gold loving cup presented to the University of Maine by the New England Intercollegiate Association as the cross country trophy is now on exhibition at the University Store.

The cup was offered to the college getting the plurality of victories in eight years of competition in cross country running. Of the eighteen members of the Association five have won victories, University of Maine has three to her credit, M. I. T. has two, Dartmouth, Williams and N. H. State have one each.

On the cup is engraved: N. E. I. C. A. A. Cross Country Trophy. Presented by Major F. H. Briggs, M. I. T.

On the back the winning teams are given in little circles, a circle for each year.

1912 Brookline, won by Dartmouth  
1913 Hanover, won by Univ. of Maine  
1914 Boston, won by Univ. of Maine  
1915 Boston, won by Univ. of Maine  
1916 Boston, won by Williams  
1917 Boston, won by M. I. T.  
1918 No run  
1919 Boston, won by N. H. State  
1920 Boston, won by M. I. T.

## Alumni Day Events To Be Commencement Features

The 1920 Alumni Day furnished 300 returning graduates and former students eighteen hours of real enjoyment. The pleasure-making features of that day have been scheduled for the 1921 celebration. The addition of a varsity baseball game with Colby, the final of the state series, will furnish a real athletic contest. Maine hopes to win the championship. If we're in the running you'll witness may be the deciding contest of the series.

If you can return for the day previous to Alumni Day you'll witness another varsity baseball game with Tufts. The heavy hitting of the Tufts first baseman and the pitching of "One" Keefe proved too much for our ball players on the recent Massachusetts trip so you can expect to see our nine out for revenge. The Alumni Advisory Council will put in a full day, meeting in the morning. All returning Phi Kappa Phi's are invited to attend the initiation and banquet in Hannibal Hamlin Hall at 5 P. M.

The usual formal reception by Dr. and Mrs. Aley will be held in the Library at 8 P. M. All alumni and friends are invited to attend.

The interest in the annual meeting of the graduates and non-graduates is keeping pace with the increased activity on the part of the alumni officers. The work of the Alumni Office and the Alumni Advisory Council will be reviewed and many matters of vital importance will be transacted. Among the matters of business will be the ratification of the nomination by the Alumni Advisory Council of the alumni trustee to succeed the late Charles E. Oak '76. The meeting will be held in chapel while the Class Day Exercises are going on.

At 1 P. M. all men will sit in class groups at the annual luncheon given in the Commons at Hannibal Hamlin Hall, the women meeting in the dining room of Balentine Hall.

The Bangor Band of 25 pieces will lead the alumni parade which starts in front of Alumni Hall at 2:30 P. M. Seats will be reserved in the stands for the baseball game for those who participate in the parade. The reunion classes will be in costume.

The classes of 1911 and 1916 are making elaborate arrangements for the stunt program of events to be staged on the Athletic Field just prior to the Colby-Maine baseball game. If you enjoyed the 1910 and 1915 offerings a year ago you'll appreciate the stunts for this year. Spectacular displays will feature the 1916 stunt, and the revival of an historic event the 1911 portrayal.

500 guests sat down at the banquet a year ago. A rousing gathering it was with a new turn to the fun every few minutes. This year you'll enjoy it equally as much. The Bangor Band will furnish the music during the dinner and a distinguished array of speakers will conclude the program. General Mark L. Hersey, who commanded a fighting division overseas during the World War, formerly a military instructor at the University, always a warm friend of Maine men and now commander of Camp Devens, Mass., has been invited to be the principal speaker.

The moving picture reel taken last Alumni Day very interestingly portrays the events of that day. The reels shown a year ago of the 1919 Alumni Day and the undergraduate activities of the fall of 1919 will be repeated. The three reels will be shown immediately following the banquet.

The Bangor Band will conclude the day's program by playing for the Alumni Hop in the gymnasium. This innovation introduced last year was greeted

with enthusiasm. It will be the finishing touch this year to a busy day of alumni activity.

The usual provision for the use of Oak and Hannibal Hamlin Halls for the single men, Balentine Hall for the married men and women and Mt. Vernon House for the alumnae will take care of all who plan to return. In case of an overflow rooming accommodations in the town of Orono will be available. If you want the best accommodations, or if you have a preference, make your reservation early to the Alumni Office.

Rates at all the dormitories will be \$2 per day, or 40¢ for breakfast, 60¢ for dinner, 50¢ for supper and 50¢ for lodging.

The information bureau will be located in No. 1, Alumni Hall, and will be open from Friday noon June 3rd to Sunday noon, June 5th. Reservations, tickets, programs and information will be gladly taken care of to provide for your convenience.

Each alumnus, alumna and former student will be asked to register and pay the registration fee. This registration provides a free class badge and covers the overhead expenses of the Bangor Band and entertainment features.

The method of regulating football by plays instead of by watch will be presented again this year before the football rules committee at its annual meeting in New York next month. H. R. Coffin, a Harvard graduate who advanced the plan last year, will argue in favor of it. He contends that the use of timing to regulate the periods permits a team that gains the initial advantage in a game to stall later on. He says that stalling would be reduced fifty percent by substituting regulation by-plays for the present method of timing the periods.—*The Dartmouth*.

## Tennis Tourney Is On For Southard Medals

Starting Monday, May 23, matches in the Southard tennis tournament will be played. Many men are entered to contest for the three handsome silver medals offered by Mr. L. C. Southard of Boston, Mass., a member of the class of 1875, a former "member at large" of the Advisory Council and a man who has worked hard for the best interests of the university. The prizes are given in order to increase the interest in tennis. One medal will be given to the winner of the singles and one to each of the members of the team winning the doubles.

The rules are:  
A defeat eliminates player from tournament. Two out of three sets in the singles and doubles in the preliminaries.

Three out of five sets in the finals. The medals are on exhibition at the University Store.

## Interesting Events Mark 1921 Commencement Week

(Continued from Page One)

M. In the afternoon the Alumni of the various classes will form a parade in front of the gym and march to Alumni Field. Here between three and four they will present the class day frolics. This is one of the most amusing parts of the program and all should try to witness it.

At four o'clock the game between Maine and Colby will be called. This bids to be an exciting game and the bigger the crowd, the more chances there will be of a victory for Maine. At six o'clock the Alumni will be served their annual banquet in the gym after which the movies of the University of Maine will be held in the chapel.

Sunday the only exercises is the Baccalaureate address by Dr. Warren J. Moulton of the Bangor Theological Seminary.

This will give the visitors a chance to see all of the prettiest spots on the Campus. It will certainly make an impression for the shrubbery and flowers are at their best and Maine is justly proud of it.

Monday is the final day for the present seniors. At 9.30 the Commencement Exercises will be held in the chapel. President Roberts of Colby will give the address to the graduating class.

At eight o'clock the last event of the week will take place, the Commencement Ball. Extensive preparations are being made for this dance and it is expected to be one of the best dances of the year.

This year has been a prosperous one for the University and we wish to impress this fact upon the guests who will be here for this week. Commencement should be made the best event of the year.

## Haswell Resigns Position

Mr. H. W. Haswell who has been superintendent of the University Press for six years, has resigned his position and is leaving soon for Malden, where he is planning to open a printing establishment. He will continue to do some of the job work for the University and the fraternity houses at his new location.

Mr. Haswell will be succeeded by R. W. Libby of Bangor, who is at present foreman of the plant.

Mr. Haswell is one of the most prominent citizens of Orono, having served as first selectman of the town in 1920-21. He has been a printer since 1880 and before coming to the University was state printer under Governor Curtis and was proprietor of the Haswell press at Lewiston.

## M. I. T. Captures Honors in New England Meet

(Continued from Page One)

Hampshire 6; Wesleyan 5; Bowdoin 3; Vermont 3; Maine 1.

The meet was the fifth consecutive time that the Technology team has won the annual games. Their victory was due to excellent all-around work by its team of good athletes. Individual honors were won largely by athletes of other institutions. Captain Jake Driscoll of Boston College ran the quarter mile in record time 49 1-5 sec. This record was the only one broken, an improvement of 2-5 of a second on the previous record made by J. B. Lester of Williams ten years ago. Capt. Driscoll also won the 220 yard run of which Thomas (M) finished fourth only a couple of yards behind the winner in the fast time of 22 3-5 seconds, thus giving Maine her only point in the meet. The Baker brothers of Bates finished away ahead of their nearest competitor in the mile and two mile. The mile run was won by Captain Richard Baker in 4 minutes 22 1-5 sec. and the two mile was won by Raymond B. in the slow time of 9 minutes and 40 sec.

## Prevent Forest Fires!

The following poem, by Harris A. Reynolds in "The Open Road," was submitted to the Campus by the Forestry department to be published in connection with Forest Fire Prevent Week, May 22-28.

### THE CARELESS SMOKER

(Apologies to Kipling)

A fool there was and his pipe he lit  
(Even as you and I)  
On a forest trail where the leaves were fit  
To become ablaze from the smallest bit  
Of spark—and the fool he furnished it,  
The day was windy and dry.

The forest was burned to its very roots,  
Even beneath the ground,  
With the flowers, the birds and the poor  
dumb brutes,

Old hoary oaks, and the tender shoots  
Which might have made logs but for  
such galoots  
Allowed to wander round.

The lumber jack has now passed on  
His pay-day comes no more  
And the screech-owls haunt the camp  
at dawn

Where the cook's tin pan woke the man  
of brawn

But the mill is silent, the trees are gone,  
The soil and the forest floor.

A deadly sight are those hills of rocks  
Which once were beds of green  
No hope for the human, no food for  
the flocks

The floods must be held by expensive  
locks

And the harbor is silted to the docks  
The ships no more are seen.

But the fool smokes on in the forest  
still

Leaves camp-fires burning too

While the patient public pays the bill  
And the nations' wealth is destroyed for  
nil.

If the law doesn't get him, Old Satan  
will

When his smoking days are through.

## Junior Chapel Exercises

A large crowd, consisting of students and guests, was present at the Junior chapel on Friday. Dad Woodman began the services with a short responsive reading, followed by the Lord's Prayer.

The salutatory was given by Bus Walker, the class president. He briefly addressed each class in turn, welcomed the guests and faculty, and in a few well chosen words introduced the speaker of the day, President Alecy.

President Alecy's speech fluctuated between a humorous and serious tone thruout, but the keynote of his talk was loyalty to the University and co-operation. He said that every student should feel a personal responsibility in furthering the aims of this institution; that he should so conduct himself that he would always be a credit to his University.

Prayer by the chaplain followed, after which various notices were read. The chapel closed with the Stein Song.

## Senior Commencement Ball

The Senior Commencement Ball will take place June 6th in the gymnasium. The committee announces that the music for the reception and dance will be supplied by the Six Syncopators and that the ball is open to all freshmen, sophomores and juniors who wish to attend. Tickets will be on sale at the book store in the near future.

The favors for the occasion will be of the highest quality and the gymnasium will be transformed into a fashionable ballroom. Members of the faculty are cordially invited to attend.

The other night while going home  
Somewhat later than usual  
I was waylaid

By a masked marauder  
Who massaged my ribs  
With a Colt .38

And asked me very impolitely  
For my cash  
But when I told him that I had  
Been out with a co-ed

He handed me a five-dollar bill  
And passed silently on.—(Gargoyle)

"They can say this college turns out  
some pretty good men," wheezed the  
professor as he flunked the varsity's  
star ball player.

The old-fashioned girl used to stay  
at home when she had nothing to wear.

By an unexpected rally in the ninth  
inning Maine succeeded in defeating  
Norwich by a score of 4-3 in the sec-  
ond home game of the season played  
Wednesday. The game was close and  
interesting throughout and the outcome  
was always in doubt until the final in-  
ning. Both Nichols of Maine and Styles  
of Norwich pitched good ball, the lat-  
ter losing his own game by making two  
errors in the ninth round.

Norwich began the scoring in the  
third inning, when with none out, a  
base on balls and two singles netted  
the visitors a lone tally. Norwich  
scored again in the fourth stanza, fol-  
lowing a passed ball by Munroe. Nor-  
wich's final run was scored in the fifth  
inning, when Styles' double resulted in  
a tally.

Maine did not score until the fourth  
inning, when, with but one out Lunge  
reached first base by beating out a bunt.  
Al Johnson then succeeded in reaching  
second base on errors, while Young  
advanced to third. Both Young and  
Johnson scored upon Stearns' smash-  
ing triple to right which followed.

During the sixth, seventh and eighth  
stanzas neither side succeeded in scor-  
ing and it began to appear that the  
game would end with Maine on the  
short end of a 3-2 score. The fire-  
works began, however, in the last half  
of the ninth inning, which afforded  
Maine her last chance to score.

Stearns, the first man at bat, reach-  
ed first base by running to first fol-  
lowing his third strike at the ball,  
which struck the ground before reach-  
ing the catcher's glove. Lunge, the  
next man at bat, attempted to bunt  
but hit to the pitcher, who fumbled the  
ball and then threw wildly to first  
base. The ball rolled into left field  
and Stearns succeeded in crossing the  
plate thus tying the score. A Texas  
leaguer by Munroe then brought in  
Lunge, who scored the winning tally.

Al Johnson and Sargent starred for  
Maine, in both fielding and hitting,  
while the timely hitting of Styles and  
Sullivan featured for the visitors.
