## Colby Game Saturday Night Will Close Season

### Maine Team In Fine Shape for State Championship Game at Bangor City Hall.

The last game of the basketball season will be the Colby game Saturday night in Bangor City Hall which will decide the championship of the state. If Maine lose she will be tied with both Bates and Colby but if victorious will then have two wins over Colby, who has defeated Bates, and one win over Bates.

The Maine team will be in fine shape for the game having had this week to rest since their successful southern New England trip of last week. Coach Flack will probably start Capt. Holmes, Newell, Noyes, Berg, and Horsman. The Colby lineup will consist of Capt. Callahan, Baldwin, Hayes, Schumacher.

The Colby team has been practicing intensely this week for the championship game which means a lot to the Waterville College as this is the first year of varsity basketball.

Maine will be represented by a large mass of supporters according to the interest that the contest has aroused. There will be just the one feature game with a long dance afterwards by one of the best orchestras obtainable.

### Students Hear Stirring Lecture at Chapel Time

"Conditions in the Near East" was the subject of two short addresses given in chapel on Monday by Commander J. J. Brokenshire of the United States Navy and on Tuesday by Dr. Reed, a former clergyman.

It is generally believed that the stories of the terrible persecutions by the Turks among the Armenians, Syrians and Jews are necessarily exaggerated to bring the people to realization of the sorrow and misery over there. But no one who has not actually seen the distress and suffering of that country can appreciate the havoc and ravages brought down by the Turks on these helpless people. Hundreds of thousands have been ruthlessly slaughtered and starved by the infamous Moslem and Russian persecutors. Such pictures of misery line the streets, that Armenia is an inferno itself. Ragged, half-clothed, emaciated and desolate people rave through the streets like crazy maniacs. Bundles of rags lying in the street proved on investigation to be corpses. Mothers saw their children dying before their eyes, but lacked the means of saving them. Between 100 and 150 dead bodies are picked up every day in the week.

The Near East Relief Association has a tremendous problem on its hands. They have 70,000 people to care for and barely enough sent from America to feed 50,000 and therefore, men are dying by the hundreds in the streets. They are also trying to maintain the largest orphan asylum in the world at Alexandropol in Corcasian Armenia. There are 5,000 children in this orphanage and the ration of each child for a week is a half can of condensed milk and two loaves of bread. The problem here is whether it would be better to care for only half that number and feed them properly or to maintain the entire number in the scanty manner necessary under existing conditions. Clothes are a great consideration and impossible to obtain.

Often the question is asked "Are the Armenians worth saving?" When we consider that they held back the Mohammedans from the doors of Europe we cannot conscientiously leave them to the brutality of the Turks now that France has removed her mandate and they are left unprotected.

The restoration of the shattered faces of the soldiers of the World War was the discovery of an Armenian sur-

(Continued on Page Four)

### Freshman Banquet a Very Unique Success

The annual Freshman Banquet, which has become a college custom in connection with the Sophomore Hop, was held at eight o'clock, Tuesday evening, in Bangor at the A. O. H. Hall. The Banquet Committee consisted of "Ruddy" Vallee, chairman, and "Hank" Blake, "Pick" Boyden, "Don" Finley and "Mossy" Morse.

The weather was fairly good considering the variety we have been having, and Tuesday night seemed to strike sort of a happy medium for this occasion. The air was a little frosty, but just right to insure hearty appetites after walking around the streets of Bangor awhile, as most everyone did.

The supper, as prepared by C. A. Gregory, caterer, was a sumptuous one, and was all that could have possibly been expected. Everything was deliciously cooked, and in sufficient quantity to enable everyone present to eat his fill. The menu follows:

Grapefruit—Oriental  
Olives Sweet Pickles  
Halibut—Filet  
Roast Stuffed Chicken—  
Mashed Potato Cranberry Sauce  
Fruit Salad June Peas  
Harlequin Ice Cream  
Cake  
Coffee Crackers Cheese

The guests of the evening were "Cal" Sargent and "Tank" Graffam, of the Senior Skulls, while the Junior Mask was represented by "Stub" Randlette.

The toastmaster for the banquet was Murphy Cohen, and he did himself proud in that capacity. His toasts were as fitting as they were amusing, and they added not a little to the general good time. Other toasts were given, to the Class by "Speed" Behringer, to the Co-eds by "Jim" Blair. Athletics were boosted by "Bozo" Gruhn in a most appropriate toast, while it was left to "Zeke" Dwelley to stir up a little Class "Rep" in a toast that though last, was by no means least.

One hundred fifty-four were present, not a very large representation of the freshman class, to be sure, but enough to have a good time. The evening on the whole was a gay one but reasonably quiet and orderly throughout. Everybody was full of life, light hearted, and happy, and those things alone are enough to make a triumph of any banquet. And so it was that the Freshman Banquet came up to every expectation, filled every bill for a remarkably good time, and proved a big success from the start.

### Mr. Vineberg of McGill Talks to Menorah Assoc.

Sunday afternoon proved to be a very enjoyable one for the Menorah members who were present at the meeting held in the library.

Mr. Norman M. Vineberg of McGill University gave a very interesting talk on the purposes and ideals of the Menorah Association. He also related what the organization is doing at McGill and other universities.

Due to the fact that she does not reside on the campus and for various other reasons, Miss Cutler '22 resigned her office as president of the organization in spite of the protests of all the members.

Hereafter the meetings of the Menorah will be held the second and fourth Sunday of each month, the next meeting being March 12, 1922.

### Maine Students Feature At Bangor's Big Carnival

University of Maine Faculty and Student Body Take a Prominent Part in the Queen City's Winter Carnival

The Bangor Winter Carnival was held on the ice near the power house, and at the skii jump Wednesday morning, Feb. 22. A crowd of winter sport fans, estimated to be at least 2000 strong, thronged around the course where the races were run on the river and others looked on from the railroad and trolley tracks. The events were started at 9 o'clock by the Boy Scout snowshoe relay race. This race, in which each of a team of four men ran 75 yards was won by Brewer. Next in order was the boys' 100 yard dash, which was won by Crone, Clapp and Ludden in the order named. After this the girls were given a chance to show their ability in the 50 yard dash. This race was won by Miss Sillsbury, with Misses Palmer and Young finishing second and third. In the 100 yard dash for men, Maine men took the first three places, T. C. Eastman, Ham and Plummer finishing in the order named. The girls were next on the program with a patriotic potato race, in which flags were used instead of potatoes. Teams of two ran in this race, Misses I. and E. Guppy winning, Misses Winn and Bancroft of Portland finishing second. This event was followed by the mile and a half snowshoe race which was run over a course up and down the river. Herrick of Maine led the field from the start with one of the Old Town Indians in second place until he tripped and was passed by Smith and Patten of Maine. At the finish, Herrick was first, Smith second and Patten third. In order of the women's 75 yard dash, which was won by Miss Harkness of Maine with Miss Winn second and Miss Staples of Maine third.

The first ski event was the 200 yard dash. This was won by Lietty, Elliott of Maine, second and Anderson, third. Elliott was in the lead until he fell when about fifty yards from the finish, but he made up enough ground to place second. The men's ski dash was followed.

### Basketball Tournament Will Be Held Next Week

Preparations for the Inter-Scholastic Basketball Tournament to be held here on March 9, 10, and 11 are in full swing. This past year has developed many strong teams in the state and the tournament this year will be a continued struggle of fast, exciting games towards the goal of state champions.

In the southern part of the state South Portland High seems to be leading the race for honors. Under Linwood Kelley '21 this team has developed into a fast, clever working organization. In Aroostook, Limestone High School has defeated the St. Mary's School of Van Buren, the plucky team that won the admiration of basketball fans at the tournament last year. Bangor High has an unusually good team this year and by their unsuspected victories over the usually top notchers Edward Little High of Auburn have a large share of the basketball limelight. Led by Touchy Short the Queen City has this year a team equal to any in the east.

Jonesport High in Washington County has been playing very good basketball.

In the preparatory class there are a number of teams that will force the high schools to the limit. Coburn Classical, Lincoln Academy, Oak Grove Seminary and Westbrook Seminary and a number of others are playing a good brand of ball.

Applications for entrance are coming in fast and many more are expected before the final date, March 4th. In many cases disputed claims are still to be played off.

The Campus next week will present a busy sight. Tournament week is always crowded with the numerous teams and the hundreds of loyal fans who are with their team in the battle for the championship.

## Maine's Basketeers Make Strenuous Trip

### Maine Team Gains Three Victories On Ten Day Trip Thru New England States

#### CLARK GAME

The first game with Clark University as reported in last week's Campus resulted in a victory for Maine 28 to 26. The clever work of Ollie Berg featured.

#### WESLEYAN GAME

On Tuesday night, Feb. 20th, Wesleyan defeated the invading team 23 to 19. In the first half Wesleyan led 15 to 9 making their points by long shots that tallied. The final period Maine lost her chances to win by missing ten easy shots. Wesleyan has remained undefeated on her home floor for over two years.

MAINE (19) WESLEYAN (23)  
Holmes 2 rf.....rf Robinson 14  
Newell 7 lf.....lf Robertson 7  
Noyes c.....c Davenport  
Berg rb 5.....rb Moore  
Turner lb 6.....lb Parsons  
Referee, Brennen

#### CONNECTICUT AGGIES

Maine faced the strong Connecticut Aggies the following night and came out on the short end of the 22 to 16 score. The first period resulted in the score of 15 to 2 their favor. In the second half they scored one field goal. Three of their subs were put in but

(Continued on Page Four)

### Hold the Field Events For Intra-mural Meet

The intra-mural track meet got well underway Saturday, February 25, when practically all the field events were held in the gymnasium. All the fraternities were well represented and the events were well contested, with the exception of the pole vault with only three contestants, Drew Stearns, varsity vaulter, taking first place, without any real work. The running broad jump proved to be of exceptional interest, there being plenty of entries and keen competition. Harry Cohen, who was one of the mainstays of the football team last fall, had very little difficulty in putting the shot and should prove a point winner in the coming intercollegiate contests.

#### Summary:

Shot Put: Distance 33 ft.  
1st, Cohen, Phi Epsilon Pi; 2nd, Dow, Sigma Nu; 3rd, Strout, Phi Eta.  
Pole Vault: Height, 9 ft. 2 in.  
1st, Stearns, Sigma Nu; 2nd, Perkins, Phi Eta; 3rd, Blair, Delta Tau.  
High Jump: Height, 5 ft. 3 in.  
1st, Ackley, Phi Eta; 2nd, Houghton, A. T. O.; 3rd, Thompson, S. A. E.  
Broad Jump: Distance 18 ft. 10 1/2 in.  
1st, Ackley, Phi Eta; 2nd, Pinkham, Theta Chi; 3rd, Keyte, Phi Eta.  
Standing of Fraternities:  
Phi Eta, 15; Sigma Nu, 8; Phi Epsilon Pi, 5; A. T. O., 3; Theta Chi, 3; S. A. E., 1; Delta Tau, 1.

Saturday, March 4 at 2 P. M. the remaining events will take place on the outdoor board track. Entries must be in the Physical Training Office Thursday at 5 P. M. March 2, and are limited to four men from each house in each event.

Always of interest are the freshman relay races and this year is sure to bring forth some keen competition for honors. The obstacle races, the bag race and three-legged race afford a lot of amusement and there is sure to be a large number of entries. The minimum weight in the fat man's race is 190 lbs.

The list of events is as follows:  
40 yd. dash, 220 yd. dash, 440 yd. dash, 880 yd. run, 1 mile run, 40 yd. hurdles, bag race, fat men's race, 3-legged race, freshman (2 lap) relay race.

### Annual Sophomore Hop Great Success this Year

The annual Sophomore Hop was held in the gym, Tuesday, February 21. It was one of the best ever held and the class is to be complimented on its success.

The decorations consisted of streamers of the class colors which were strung across the gym forming three canopies, and lights of red and blue were hung around the hall, lending a dull effective glow which made it very attractive. The booths were arranged somewhat differently from the usual plan, being fewer and larger. In many cases two fraternities united and used one booth. Palms were used in many of the booths.

A reception was held from 8 until 9 into which many of the students entered. The reception committee consisted of: Col. Frederick H. Strickland, Dean and Mrs. Hart, Dean and Mrs. Stevens, and Conrad Kennison, president of the class.

The dancing began at 9 and music for an order of twenty dances was played by Barney's Orchestra of Waterville. Many of the older songs as well as the new hits were played.

The favors which consisted of vanity cases with a block M and 1924 engraved on them for the girls and bill folds for

(Continued on Page Four)

### Spend Six Weeks Study In Vacation Land

"Spend Six Weeks' Study in Vacation Land" is the slogan for the 22nd annual Summer Term of the University of Maine, a slogan entirely in keeping with the plans of the State for attracting summer visitors.

In a recent meeting of the heads of departments for the Summer Term, Dr. Thomas expressed himself as being greatly pleased with the results of last year's term which showed an increase of 85% over the registration of 123 in the previous year. He was also entirely in agreement with the plans of this term, especially those in regard to teachers' courses.

Although the committee in charge has not yet sent out all the notices, inquiries are already pouring in from those who have received announcements. The regular bulletins are now being printed. It is too early yet to boast, but the committee feels confident that this year's Summer Term, from June 21st to August 6th will be the largest and most successful one ever known in the University.

### Suwanee River Quartette Enjoyed by Audience

The third entertainment of the Lyceum Course was given in the chapel Saturday evening, February 25, by the "Suwanee River Quartette" which is considered to be the best of its kind in the country.

Most of the numbers given were old but, as one-fourth of the quartette remarked, the old songs will soon replace our "jazz." Each one showed his individual talents and was appreciated by the large audience. Many of their songs and readings were rendered in old plantation costumes, characteristic of the numbers given.

## The Maine Campus

Single Copies, Five Cents

Entered as second class matter at the post office, Orono, Maine.

The editor-in-chief is responsible for the general policy of the paper and for the editorial columns; the managing editor for the news columns and the makeup of the paper; and the business manager for the business and finances.

Communications should be at the postoffice at Alumni Hall before Saturday noon to insure publication.

Printed by the University Press, Orono, Me.

### Class Elections

The subject of class elections has been under discussion by groups of students for some time. The result of all discussion is that all agree our method of class nomination and election is about as poor as it is possible to have.

Class elections are held at various times during the year with many of the student body not knowing what has happened until the election is over and the results posted. Officers for the classes are generally elected because they belong to the organization having the strongest political pull and not because they are personally qualified to fill the position. This method of election is unfair to the class and the individual alike.

It seems to us that the Senior Skull Society could well spend some time in drawing up a set of rules and regulations governing all class elections. With ideas from plans in use at other institutions a system should be drawn up for the approval of the student body that would better conditions materially. This plan should specify the time and place of nominations and elections.

Any system at all as long as it was generally known and really systematic would greatly improve conditions here. We feel that the Senior Skulls should give this matter their attention for the interests of this University.

"The will of the people is supreme. If fraud and rascality exist, it is because we have these things in our hearts and elect rascals to office."

### A Song Book

There has been a great deal said and written about a University of Maine Song Book. Everybody feels that the Song Book. Everybody feels that the one is willing to assume the risk of publication. The last revision of our song book was in 1912 and since that time there has been little done.

We wish to suggest to the 1923 Prism Board a slight departure from the conventional table of contents. We believe that six or eight of the most popular college songs bound in the Prism would be advantageous to both the Prism and the students. It would temporarily fill the need for a song book and greatly help the sale of the Prism.

B. L. Roberts '09 has just returned to West Virginia after a year in a Tuberculosis Sanatorium in Denver. He has practically recovered and is able to resume his work.

## U. of M. Band to Give Pop Concert and Dance

The Second Annual Pop Concert and Dance by the University of Maine Band will be held at Alumni Hall this Friday night, March 3rd.

There will be a concert from 8 o'clock to 9 o'clock then dancing from 9 o'clock until 12 o'clock with an order of 12 dances.

The First Annual Pop Concert and Dance inaugurated last year by Manager "Doc" Gaudreau was a tremendous success both musically and financially. This year, manager Bus Walker and Leader Don Daniels have been working for some time to make this year's event come up and even surpass the standard attained last year. The band has been rehearsing since before the Christmas recess on a program that will surely please the music lovers; it will consist of a mixture of overtures, marches, popular pieces, and selections from the recent musical comedy successes. Mr. Hubert Vallee will render some new saxophone hits in company of several other star members of this year's talented organization.

Interest on the campus has been aroused and inquiries on the date of the concert and dance have been numerous. Everything points to a very successful time Friday night.

Manager Bus Walker has planned to take care of the large crowd that is expected so that everyone can be sure of a good seat at the concert and excellent arrangements for the dancing in the gym. According to Bus Walker the management will see that everything goes off on schedule time with no waits and inconveniences.

The object of these annual concerts and dances is a noteworthy one, that of helping defray the expenses of the numerous trips thruout the state that the band undertakes besides giving a treat to the lovers of good music and good dance music.

The orders for the event are now on sale at the store and by the various members of the band.

## The "M" Club to Give Minstrel Show Apr. 25

The next great student affair on the Campus to liven up the period of inactivity between the football and baseball seasons is the Minstrel Show to be given April 25 under the auspices of the "M" Club. The committee in charge are "Cal" Sargent and "Buck" Field.

They have been very fortunate in securing the services of Harold F. Moon of Bangor to act as coach. He has been a very successful coach of amateur theatricals in Bangor and vicinity for a number of years and is well qualified for this position.

The committee in charge is very enthusiastic over Mr. Moon's elaborate plans and feel very confident that there will be a tremendous success from every point of view.

Rehearsals will start Thursday evening, March 2 and will continue thereafter twice weekly.

## BALENTINE NOTES

Rena Campbell '21 was entertained at the house over the week-end as the guest of Berenice Rhoda.

Beulah Duran '22 is spending a short time at home where she was called the first of last week.

Sylvia Tibbets '24 entertained her mother over the week-end.

Martha Chase had her sister as a guest over the week-end.

## Zeta Pi Holds Its First Initiation and Banquet

Friday afternoon, February 24, the EIK's Club of Bangor was the scene of the first initiation of the new fraternity, Zeta Pi.

Following the initiation a banquet was held in honor of the fourteen new members and the honorary member, Mr. Walter J. Creamer, Jr. of the faculty. As soon as the last course had been removed, the toastmaster, C. Roger Lappin, arose and after a few amusing remarks, called upon his four fellow charter members to respond to toasts. "Welcome" was given by Stuart M. Johnson, who, in well chosen words, welcomed the new members into the brotherly fellowship of Zeta Pi. "History of Zeta Pi" was responded to by Albion O. Larson, who described the origin and past of the organization in an interesting manner. "Maine and the Zeta Pi" was answered by J. Lawrence Townsend, who pictured the relation that should exist between the University and the fraternity in order to insure the success of the latter. Victor A. Porter gave the toast, "Our Future," and after telling a witty story, launched into a serious portrayal of the work that must be done before the complete success of the fraternity can become a reality.

Mr. Creamer was next called upon to give the main address of the evening. He devoted some time to an interesting recital of the present-day evils of fraternities and finally stated that, although he did not believe in fraternities in general, he was sure that Zeta Pi could avoid many of the disturbing factors encountered by the older fraternities. He then went on to describe what he considered to be a safe policy for the new fraternity to follow and closed his address with the wish that his fraternity brothers would place character as a stepping-stone to success in campus activities.

After a few informal speeches, the party adjourned to the music room, where the singing of college songs was enjoyed, closing with the Stein Song.

The initiates were as follows:

Honorary member, Walter J. Creamer, Jr. '18, Bangor.

Leonard J. Bragdon '24, Franklin; Herbert E. Bragg '24, Bangor; Horace J. Chesley '23, Hampden; Maxwell M. Erskine '23, Easton; Ersley L. Goldsmith '23, Gardiner; Harold L. Kelley '24, Lubec; Neal W. Larson '23, Brownville; Carl A. Lejonhuf '25, So. Portland; Mansfield M. Packard '25, Bryant Pond; W. Wesley Patterson '24, Corinna; Ralph Simmons '23, Belfast; Preston J. Stanley '25, Kezar Falls; Earle M. Stevens '25, W. Paris; Harold E. Wilson '23, Belfast.

## Sigma Nu Has Annual Week-end House Party

A three day party was held at the Sigma Nu chapter house last week-end, February 17, 18 and 19.

Friday evening there was a formal dance and the house was attractively decorated in the Sigma Nu colors.

Saturday evening the dancing was in the form of a cabaret. The last hour was spent in throwing confetti and tearing down the crepe paper decorations.

On Sunday evening the guests enjoyed a concert furnished by Barney's Orchestra of Waterville.

The majority of the guests were from away and many of them remained until Wednesday in order that they might attend the Sophomore Hop.

The chaperones for the party were Captain and Mrs. Norris.

## Chi Omega Girls Celebrate Washington's Birthday

The Chi Omega girls had a most delightful evening in Balentine reception hall Wednesday evening, February 22. The party was given in honor of their guest, Miss Alma Wolf, and incidentally celebrated the success of two of their members, Elizabeth Harkness and Irene Guppy, in the Augusta snow shoe race.

The five freshmen furnished lively entertainment for the evening, a few of the features were a vocal solo by Helen Wallace accompanied by Hortense Bryant, and a piano solo by Lucy Dunn.

Refreshments were served by the other three classes who vied with each other in producing the cleverest eats and favors.

A great deal of enjoyment was realized, and all have happy memories of this social evening around the fire-place.

## Students Form Society Called Pine Tree Club

The campus can now boast of a non-fraternal organization such as exist in the larger universities of the country. The U. of M. Pine Tree Club has been organized with the view of fostering good comradeship, college spirit, and a better understanding between fraternity and non-fraternity men. At the larger universities, such organizations of a non-fraternal character play a very important part in the affairs of the school and it is hoped that in the not very distant future the U. of M. Pine Tree Club will aid in solving some of the problems that arise on the campus.

At the present time the university is in need of a real clubhouse and the Pine Tree Club hopes to be able to supply this need in the near future.

The insignia of this organization is a diamond-shaped pin on which is set a gold, White Pine cone against a black enamel back-ground with spills showing through.

Membership of the club is not confined to those that excel in getting the greatest number of Pine Trees from the Dean.

## Mr. Graham Compliments Freshmen on Conduct

That this year's banquet was a credit to the Freshman Class is expressed in a letter which Mr. Graham, President of the B. R. & E., sent to the Freshman President.

February 23, 1922

Mr. John S. Behringer,  
President of Freshman Class,  
University of Maine,  
Orono, Maine.

My dear Mr. Behringer:

We would like to express to the Freshman Class through you our appreciation of the conduct of your class on the evening of your banquet Tuesday, February 21st. In former years at this time, we have experienced quite a good deal of trouble and received a number of complaints from the traveling public, due to the conduct of the boys on their return to the Campus.

This year, however, all members of the class acted in such a manner as to reflect great credit not only on themselves and their class, but on the University of Maine.

Very truly yours,  
Edward W. Graham,  
President

## S. A. E. Holds Its Founders Day Banquet

Maine Alpha Chapter of Sigma Alpha Epsilon held its annual Founder's Day banquet at the Bangor House February 22nd. There were a large number of the alumni present as well as delegates from the N. H. State, Boston University and Dartmouth chapters. After the banquet speeches were heard from the alumni and delegates lasting until a late hour when a special car returned the group to Orono.

Among the alumni present at S. A. E. House during the week-end were: Howard Jenkins '17, "Taxi" Dennitt '18, Linwood Rogers '18, "Judge" Sanborn '19, "Jig" Froberger ex '19-21, Abel Wyman '07, Everett Kimball '14, Earl Tracy ex '20, Carl Lewis '19, Leroy Hussey '19, "Dick" Talbot '04, Roy Wentzel '20, Maynard Dow '19, Loyd Black ex '23, Van Stevens ex '20, Merton Banks '15, Messrs. Plummer, Smith, Cullinar from N. H. State; Collins and Wilson from Boston University; and Woods and Weaver from Dartmouth.

## Phi Kappa Sigma Holds Informal Dinner Party

An informal dinner party was held at Phi Kappa Sigma on the afternoon of Washington's Birthday.

The music for dancing was furnished by a Victrola. The guests kept in touch with the price of wool in Australia and other important facts through the medium of Knight's wireless apparatus.

At six o'clock the Victrola was given a rest while dinner was served to nine couples, the Washington's Birthday idea being carried out.

The matron, Mrs. Mary Stuart, acted as chaperone of the party.

M. R. Summers '11 is now with the Arthur D. Little, Inc. at Cambridge, Mass.

## New Transmission System Will Improve Lighting

To improve a lighting system not altogether satisfactory upon this campus, the Bangor Railway and Electric Company is installing several new transformers and an improved transmission system from the sub-station on Park Street in Orono. The electrical pressure from Park Street to the campus has been 2200 volts, and a three-phase system. This comparatively low voltage resulted in heavy losses in the line when heavy loads were placed upon it, giving but three-fourths normal voltage in campus buildings at times, a condition not satisfactory to electric lighting and heating.

This pressure will be changed to 6600 volts by the use of transformers from Park Street to the campus, then "stepped down" to 2200 volts for campus distribution. The transformers, three in number, are being placed at the rear of Alumni Hall on several new posts, and their installation should give this campus much better pressure regulation and greater satisfaction to the consumer.

## Favorable Comment on Mr. Pollard's Work Here

Mr. Towner in the *Maine Alumni* draws the attention of readers to an appreciation of Mr. Pollard's work at the University which appeared in a recent issue of the *Journal of Education*. The article reads as follows:

"L. J. Pollard, Orono, University of Maine, is demonstrating exceptional efficiency as head of the Department of Education. He is making the State University the Teachers' College of Maine. He is doing real graduate work so that a master's degree in education there will represent as good scholarship as from any university, and he has already put on genuine extension work in Bangor, Portland and Rumford, work of first-class university character. Already more than one hundred teachers in service are doing good university work with Superintendent Morrill in Bangor, Superintendent Fuller in Portland, and Superintendent Carter in Rumford, conducting the classes. Pollard is functioning admirably. He came from Lombard College, Galesburg, Illinois, where he was in the faculty five years."

## NOTICES

At a meeting of the Board on Administration held Monday, February 20, the Executive Committee voted its approval of the organization of the local chapter of the Zeta Pi Fraternity.

## ALUMNI NOTES

At the annual meeting of the Western Alumni of the University of Maine held in Portland, Kent Fox '08 was elected president and William B. Cobb '21, treasurer.

The meeting was a very enthusiastic one, with Mayor Carroll S. Chaplin '99; President E. E. Chase; W. D. Towner, alumni secretary; and R. H. Bryant, graduate athletic manager as speakers. Mr. Towner and Mr. Bryant gave a brief survey of college activities especially stressing athletics.

Clyde W. Stewart '19 is a chemist in the Groveton Paper Co. at Groveton, N. H.

Miss Martha Woodbury '21 was a guest at Balentine Hall over the week-end.

Enid Taylor '21 is now teaching in the high school at Berlin, N. H.

Miss Rosemary Brennan '15 of Bangor, and J. E. Doyle '15 of Danvers, Mass., were recently married in Shanghai, China. Mr. Doyle, now a leading journalist in China, was widely known for his varied college activities and his bride was one of the prominent young women in college.

Mrs. Doyle is engaged in secretarial work with the Goethals Commission which has been making a survey of China. Mr. Doyle was for a few years in the Philippine Islands as a government instructor in the schools there. He then went to China and became city editor of the China Press in Shanghai. Recently word has been received here of the establishment of another paper by the people who control this paper and Mr. Doyle has been made managing editor.

(Continued from Page One)

lowed by the women's ski race. Misses Farrington, Greenstein and Winn were winners in this event, finishing in the order named.

Following the ski races, the high school snow shoe relay was run. Bangor, Brewer, Old Town and Corinth entered. The race was won by Old Town followed by Bangor. Osgood of Old Town gave a very good exhibition of snowshoe running in this race.

The ski jumping race was the next attraction. Ten teams were entered for this race, which was over a quarter-mile course. The race was filled with excitement and danger for those who participated, for the teams were crowded so that any accident would have been serious. As luck would have it, however, there were no accidents. Miss Suzanne Savage and Corning won the race, followed closely by Liety and Causland second and Hay and Ross of Maine, third. This concluded the events for the morning.

The officials dined with the Chamber of Commerce. Many of the officials were members of the faculty. Prof. Grover was scorer and judge; Mr. Kidney and Mr. Evans were also judges; Mr. R. H. Bryant, timer; Prof. E. H. Sprague, referee; Mr. Schenkel, clerk of the course, and Sid Osborne, announcer.

The afternoon was devoted to skating events. The Maine Intercollegiate Quarter-mile race was first on the program. Elliot of Maine won; Cory, of Bates finished second; Pike of Colby, third; and Golfry of Bowdoin, fourth. Next in order was the 880 yard relay race which was won by the Independents, a team made up of Sullivan, Russell, Brown and Rand. Teams from Maine, Eastern, Bangor High and Brewer High also competed. Stunts on snowshoes and skates followed this race.

The hockey game between Maine and St. John's A. A. concluded the day's events. This was won by St. John's by a score of 4 to 0. The score:

ST. JOHN'S A. A.	MAINE
Dow c.....c Elliot	
Bartlett rw.....rw Stone	
Morrison lw.....lw Sargent	
Thompson rd.....rd McKay	
Reeves ld.....ld McKay	
Foley g.....g Ammon	
Goals: Dow 1; Thompson 3. Substitutions: McLaren for Reeves, Galbut for Bartlett, Dow for Morrison; Maine, Gowen for Morton.	

The R. O. T. C. Camp is to be held at Camp Devens this coming summer from June 15 to July 26. In addition to the infantry units, the cavalry and artillery units will also be in camp. It is estimated that upwards of 3000 college men will be assembled here. Twenty-four men from "Maine" have signified their intention of attending this camp. This leaves twelve more vacancies to be filled from the University. Should there be any others who desire to attend their names should be in this week.

Captain Norris has recuperated and is back on his "job." Captain Adams is still confined to his home.

Up to date, 263 have signed up to go to Newport. It is desired to have at least 350 men attend. Out of the number who go a demonstration platoon will be selected to stage a demonstration drill and attack. This platoon will be commanded by a picked officer and a picked non-commissioned officer and will be organized as a war strength platoon.

Applications for membership of this platoon will be received at the Military office up to the fifteenth of March at which time the membership list will be closed.

**Chi Omega Girls Attend Initiation at Colby College**

Ten Chi Omegas went to Waterville last week-end to attend an initiation given by the Beta Chapter at Colby. Miss Rosalind Jewett of the Extension Department, and Miss Inez Boler, assistant Librarian, both Beta alumnae were present.

Don't forget the Maine "Hello."

**A Challenge to the College Youth of Today**

By Mr. A. B. Clark

If I were not Young, I would get Young, because it is Youth that has Energy and Vision. Youth it is that tackles the Biggest Tasks with the most Unbounded Enthusiasm. Youth sees opportunities and ACCOMPLISHES things.

All normal youth are thus. The sons and daughters of the rich are in this like the children of the poor. Here the east is west and west is east. The woodsman's son is no different in this matter from the city's youth of paler complexion and flabbier muscles.

The beauty of it all is that Youth insist on choosing the tasks that are hardest. There is that in its soul that responds to the challenge of a Big or an Impossible Task that is not brought out when but an ordinary threadbare job is offered. It's a great thing to be young and to be able to give that kind of a hearty response to those noble appeals for big achievements and impossible accomplishments. We are not weaklings, no longer children and not yet old or weakened by time or worry or indulgence.

Now religion has a challenge to you precisely because you are young. Religion is not for a man to die by but for him to live by. You hear talk of "living up your religion." That is why religion is a challenge to you—because it is above, to be lived up to. Many a man does not live up to anything, but rather down. He does not have to be challenged to drop into hell. Being pulled unresisting by passion is not answering a challenge but to resist and overcome passion is a challenge that many men and women need to hear. Where going to church is not as popular a thing as going to a football game, some men that always have gone to church lose the chance of their life to meet a stern challenge, for they submit themselves to a lower standard, and bring themselves therefore down.

The challenge of the present needs of the world is the present challenge of religion. Religion interprets the best of the times for the sake of the best that can be tomorrow. If it were not for

religion today and its forces and impulses, the times would bear no challenge. Each and every man would only think that here was a chance for him to reach out and make himself rich and famous. There would be the incentive felt by you youth now to make a big name for yourself in your life and to lay as many others as possible under tribute to your greater power. You would be looking upon your education as a means of fitting you better to do that selfish thing. But as it is, with the christian challenge to unselfish giving actually reaching the heart of youth and getting a response that yields the life, with all its buoyant powers, to the common good rather than to selfish advantage, it is a different world with a different outlook. There now is hope. The reason is that the christian spirit is here. The spirit that is higher than human is displacing the dominance of the human. The animal is being replaced by the divine.

The world has always presented a challenge to those hearts that were warmly christian enough to respond, but never more than today. The opportunities for effective service for the better things for the common good were never greater than today. And the actual needs of the world today for this kind of devotion to its deeper and spiritual needs is greater than ever before. Great needs breed great hearts. Your heart and mine have potentially the power to respond to these great needs of today that call to youth and to serve the best with all its best powers and devotion.

But we all need a new intensity of religious vision and devotion in order to bring us out of our narrow selfishness and give free play and full life to the best and highest instincts that are in us. The call of religion to youth today is the hope of tomorrow.

Youth must hear it. Youth alone with its vision and determination to achieve imperishable accomplishments can hear it. But only those youth who have subjected themselves to the spirit of the Divine are capable of yielding such response. To them it is given to bring to birth the best that is in tomorrow. Here at the Altars of God, with Youth entering the Service, rest the foundations of the Hope of Man.

I have just received a letter from Sherwood Eddy in which with other things, reports, "I have just had two remarkable campaigns at the University of Nebraska where twenty-five hundred students crossed the city to come to a church twice each day because they had no auditorium to hold them and at the Southern Methodist University in Texas where almost the entire student body who could get into the crowded hall came out for the christian life. It seemed as if the whole University were shaken." Eternal topics became current. The whole campus was talking about student problems, social and religious questions. Many could not get into the hall. Because of the interested numbers, many were standing in every meeting. Here in the University of Nebraska an efficient committee of one hundred and fifty of the leaders of the campus representing all fraternities and sororities have aroused the entire student body."

From this it may be seen that college men do respond to the challenge.

**LAW STUDENTS**THE BOSTON  
UNIVERSITY LAW  
SCHOOL

Trains students in principles of the law and the technique of the profession and prepares them for active practice wherever the English system of law prevails. Course for LL.B. requires three school years.

Beginning in the Autumn of 1923, one year in college will be required for admission. In 1925 the requirements will probably be two years in college.

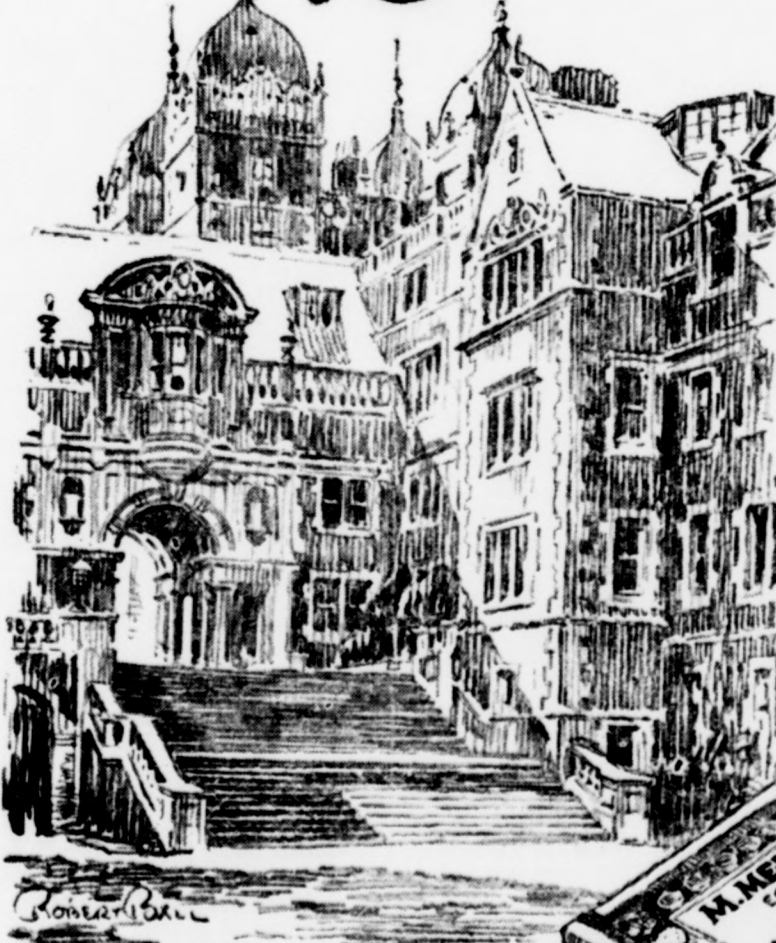

University of Maine students may obtain both A.B. and LL.B. degrees in six years by application at University of Maine for special arrangements.

Special Scholarships \$75 per year to college graduates.

Referee, Dillon	

## THE BROWN GAME

The University team came out on the  
short end of the 20 to 10 score in the  
tilt with Brown Wednesday night at the  
Lyman gymnasium, Providence.

Maine failed to get going in the first  
half while Brown succeeded in tally-  
ing; the half ended with the score 11  
to 1 in favor of the bears.

In the second period Maine played a  
good game but Brown equaled the num-  
ber of points scored and the game end-  
ed with the score of 20 to 10.

MAINE 10	BROWN 10
Holmes	Wagenkuecht

Williams for Dugan.	
Referee, Sanders, Kansas.	

## RHODE ISLAND

Thursday Maine defeated the Rhode  
Island State five 23 to 18. In the first  
half the score was 13 to 8, Berg shoot-  
ing 5 out of 7 foul shots and Maine  
getting 4 field goals to their 3. The  
final period resulted in both teams  
scoring equally, Maine, however, hold-  
ing the lead. Ollie Berg was at his  
best in foul shooting making 7 out of 10  
tries count.

Mason for Newell, Horsman for Turner;	
Pinto for Gilkey.	

## N. H. GAME

For the second time this season New  
Hampshire State was trounced by the  
big Blue and white team when on Sat-  
urday night on their home floor the  
N. H. State five were defeated 25 to 19.

From the beginning to the end the  
New Hampshire boys were outclassed  
in every department of the game. The  
Maine team in perfect running order  
put gloom into the hearts of the large  
crowd who expected the home team to  
have an easy matter in defeating the  
Maine boys.

Ollie Berg was in his best form time  
and again he bewildered his opponents  
by his flashes and whirls. Ollie scored  
9 out of 11 shots from fouls.

The first period ended with Maine  
having 6 field goals to their 4, 6 points  
from fouls to their 1. In the final half  
the playing was unnecessarily rough but  
Maine continued to play circles around  
New Hampshire, the final score being  
25-19.

MAINE 25	N. H. State 19
Holmes 4	Perry 9
Newell 10	Sherwood
Noyes	McKelvie 2
Berg 11	Fernald 4
Horsman	Stafford
Callahan for Sherwood	
(4) McKinley for McKelvie	
Goldsmith for Stafford	

## COMMENTS

The opinion on the campus is one of  
satisfaction over the trip. With wins  
against Clark, R. I. State and above all  
against N. H. State, with a very good  
game against the strong Conn. Aggies  
and Brown teams the trip was certainly  
a successful one. Altho Wesleyan has  
been undefeated for two years on their  
home floor Maine should have defeated  
them but lost out on easy shots that  
failed to count.

In the percentage of games won this  
trip compares very favorably with any  
athletic trips undertaken.

The feature playing on the trip was  
by Ollie Berg with Newell a close sec-  
ond. Berg was high point man with  
11 field goals and 32 foul goals, Newell  
was second with 15 field goals and 3  
foul goals.

## Students Hear Stirring Lecture at Chapel Time

(Continued from Page One)

geon. Many of the splendid paintings  
in our Capitol are the work of an Ar-  
menian artist.

Are we then to let Turkey wreck her  
barbarous will upon the Christian Ar-  
menia while we stand idly by? Shall we  
allow a mere shadow of power such as  
Turkey slay, torture and starve the Ar-  
menians until a whole nation emigrate  
to an unknown destiny.

## Annual Sophomore Hop Great Success This Year

the men were very well chosen and  
pleased everyone.

This Hop was one of the most suc-  
cessful ever given and much credit is  
due the class. The committee in charge  
were: Eric O. Berg, chairman, Theo-  
dore Monroe, J. Wesley Ames, Tobias  
Eastman, and Philip Dempsey.

## Mr. Gannett Gives Out The Carnival Trophies

"What the Mardi-Gras is to the South  
the Winter Carnival should be to  
Maine," said Registrar James A. Gan-  
nett as he took charge at chapel Fri-  
day morning. He spoke of the occa-  
sion as the last event of the University's  
first Carnival of which the whole student  
body and faculty were charter members.  
Before proceeding to distribute the  
prizes won by the contestants, Mr.  
Gannett complimented the managers of  
the Carnival program, especially Coach  
Schenkel and "Bob" Cohen, "Bachelor  
of Skiis and Snowshoes."

The winners of first, second and third  
places in the individual events were  
called forward. To the one placing  
first in each group a handsome trophy  
cup was presented and to the other two  
medals of distinction were awarded.

Following is a list of the lucky ones:  
Hundred Yard Dash (Men): East-  
man, Plummer, Ham.

Two Hundred Yard Dash: Eastman,  
Lord, Ham.

Half-Mile Race: Lawrence, Ham,  
Eastman.

Ski Jump: Eliot, Woodman, Stearns.

Obstacle Race: Eastman, Herrick,  
Patten.

Ski Jooring: Hay, Carey, Christopher-  
son.

Girls' Dash: Harkness, Pride, Staples.

Girls' Relay: Mt. Vernon House:

Staples, Capt.

Men's Relay: Phi Kappa Sigma: Web-

ster, Capt.

Long-Distance Ski Race: Laughlin,  
Eliot, Sargent.

Long-Distance Snow Shoe Race:

Smith, Herrick, Patten.

High Point Winner: Phi Kappa Sig-

ma.

Colby College—Colby's new baseball  
coach is a former captain of the Red  
Sox. Fred L. Parent, the new coach,  
was manager of the fast Sanford team,  
one of the best teams in Maine.
