Dear-ie sit be-side me while the sun sets low —  
As the years go pass-ing by and we grow old

As it casts its rays up-on the driv-en snow — And let me tell you of a flow-er that  
Let us turn back to the days when I was bold — And let me tell the same sweet sto-ry of

nev - er dies — Blooming in De - cem - ber just the same as May —  
long a - go — Noth - ing, dear, has chilled the ev - er - last - ing flow-er

Shed - ding full its frag - rance ev - ry night and day — It's won - der - ful Yes a  
It has nev - er ceased its frag - rance to this hour — This won - der - ful Yes this

beau - ti - ful sto - ry Let me tell it to you —  
beau - ti - ful sto - ry I will tell it a - gain —
