Basketball Team Loses to Harvard

Maine Throws Scare into Strong Harvard Team. Long Range Shots by Crimson Team Decide Outcome of Game

New Hampshire Defeated By Girls' Varsity Team

The Maine Girls' Varsity Basketball Team started their season last Friday by winning their game from New Hampshire State by a score of 27-15. The game was one of the most interesting contests of the season in either men's or women's athletic history from every viewpoint. The spectators showed unusual spirit. The girls had a series of new sprints and songs which went off splendidly and took full advantage of the man. The man, entering into the spirit of the thing, responded with cheers.

The "M" Club wants good men to come to Maine, men who can study as well as participate in athletics, men who are clear students, who will desist from another "M" Club and enter our "M" Club. The "M" Club was started last year by President Little, a little about the Maine campus, as an advisory committee to the Athletic Association, in the awarding of letters.

Winter Carnival Ball A Real Social Success

The Carnival Ball, the big social event of the Winter Carnival, was held in the gymnasium last Saturday night. Our boys showed the old American Octopus' in which she had waited the return of their daughter.

Information on the future of the Winter Carnival ball is eagerly awaited, and it is hoped that the affair will he well supported. A Real Social Success

Thrilling Winter Sports, Contents and Delightful Social Functions Make Second Annual Carnival A Decided Success

With perfect weather Maine opened its second annual Winter Carnival at 9 o'clock on Friday morning. Trials for university competitors in the intercollegiate events to take place on Friday were conducted. The women's curling, on the north shore, and the curling and at the skim pond, a hockey game between Maine and the Skull and Bones, and a final, the Oregon, on the river, was won by Maine in a very close contest. The long distance snow-shoe race over a 5-mile course was easily won by "Pat" Paterson, but other contestants being far in the rear. Philip Hepburn was the winner of the long distance skis race and had a comfortable lead over Greenland and French. Elizabeth Hankness was the first woman to complete the 5-mile ski race. Several of the R.O.T.C. Sponsor, Mrs. James told the guests about plans for the Winter Carnival. The Carnival Ball, the big social event of the Winter Carnival, was held in the gymnasium last Saturday night. Our boys showed the old American Octopus' in which she had waited the return of their daughter.

On the Carnival
Maine's mid-winter carnival was so much fun there can be doubt of its value. All events occurred with the smoothness that comes from the systematic and orderly organization of events. The week-end was a success from start to finish. Carnival Committee's continual efforts to improve the carnival are bound to make the event more successful in the years to come.

A New Publication
Another publication appears in the field of college journalism, "The American Student." It will make its premier appearance next Thursday, February 18, 1924.

Lessons in Achievement
Great thinkers of the past, men who have been outstanding figures in history, are examples of the degree of interest with which they decided themselves to improve one or two existing conditions among mankind—meaning with regard to men in general and particularly by their actions. Many a man may profit by including in such actions any improvements he has observed. Other men who linked with introspection, a great force for personal development—educational possibilities.

Our Efficiency Was Based on Our Athletic Ability
It is interesting to note the time of the American education in such a matter as the college of Maine. The college of Maine is a place where many young men and women have found happiness and have continued to grow.

The History of Fraternities
The history of fraternities in the college of Maine is a story of progress. The first fraternity was established in 1895, and since then the college has seen the establishment of numerous fraternities. These fraternities have played a significant role in the college community, providing opportunities for students to develop their leadership skills and socialize with like-minded individuals. Today, the college of Maine has a thriving fraternity system that continues to contribute to the vibrant campus life.

Phi Kappa Sigma

Phi Kappa Sigma Alpha Delta chapter of the Phi Kappa Sigma Fraternity was established at the University of Maine on May 27, 1868, when the Orono Epitaph Editor, Bartlett Spear, B. S., proposed the chapter. The ceremony took place in Bangor on May 27, 1868. This was the fourth chapter in the fraternity at the University of Maine at Orono. The chapter's founders were truly the fathers of the institution of the fraternity in the University of Maine. The ceremony was presided over by President A. J. V. Spear, B. S., chair of the University of Maine. The ceremony was attended by many notable figures, and the chapter was subsequently recognized as the responsibility of the fraternity, which has

THE WINTER CARNIVAL PASSES INTO HISTORY

Although the time may have passed in which the students of the College could indulge in such outdoor activities as snowshoeing, the Winter Carnival has become a part of the college life of the students, and they look forward yearly to the crowning of the Queen, whose name will be the title of the next Winter Carnival Pageant. The Queen is chosen after a contest of two weeks (graduate and undergraduate credit). For catalog and circulars, address

Masque and Domino Play Presented Successfully
(Continued from Page One)

Calling on the attention of the members of the University and those who contributed to the success of the play were

Mrs. Rossmore, Shirley Armstrong, Senator Patteson, Judge Stott, Mrs. Ryder, and Miss Armstrong.

The play was a success from the artistic point of view, and it was a pleasure to see the new talent that is being developed at the University.

A Correction

Correction for the Kansas Sigma Sigma Sigma in Campus on January 17, Y. C. Isham '27 received the first gold medal from the Washington Alumni Association.

The object of this annual competition, which was opened last year, is to produce a song which will best represent the ideals of the four songs thus selected. In this way a new song for Technology will eventually be evolved.

WINTER REDUCTIONS

We have purchased 122,000 pair of U. S. Army surplus shoes, sizes 7 1/2 to 14 which is the entire surplus stock of one of the largest U. S. Government shoe contractors.

This show is guaranteed one hundred percent solid leather, color dark tan, bellows tongue, dirt and water proof. The actual value of this show is $600. Owing to this tremendous buy we can offer same to the public at $259.

Send correct size. Pay postman on delivery and money order. If shoes are not as represented we shall cheerfully refund your money promptly on request.

NEW HAMPSHIRE Defeated by Girls Varsity Team

(Continued from Page One)

The Masque and Domino play was presented successfully during her stay in the city. There was considerable interest, and the cast worked very hard to make the play a success. The play was accepted as a final examination by the Eta Kappa, Sigma, and Phi Delta Kappa.

W. A. Ross

The play was produced by Judge Rossmore Townsend, Shirley Armstrong, Senator Patteson, Judge Stott, Mrs. Ryder, and Miss Armstrong.
