Garnet Players Gain Winning Point of 5-4 Score in Last of Two Five-minute Overtime Periods

The people who were fortunate enough to be in the Tuesday afternoon off after their work and took the opportunity to journey out to the hockey rink on Alumni Field, saw a hockey game there that kept them on their toes from start to finish. Both teams were in good condition and ready for a fight because of the fact that the game was a big one in the intra-mural order. It was a big game in the intra-mural order. In spite of the light that the Maine men put up they were defeated after playing two five-minute overtime periods. The final score of the game was 5 to 4 with Bates in the lead.

With both teams anxiously waiting for the moment to go, referee Blair dropped the puck between the sticks of Elliott of Maine and Coolidge of Bates, thus starting a hockey game which was a battle from the very beginning. The puck seemed to be steaming from friction but the eskimos were fighting to the Devil. Elliott of Maine missed in the take to pass from Storer and showed the referee the brutality of the game. Soon the referee's whistle signaled the start of the second period.

The first period ended with a score for Maine and the second period with an equalization by Bates. This brought the score to 5 to 4 in favor of Maine. The third period began with a power play for Maine after a good save by Storer. Maine took the lead in the passing game and managed to get the puck away from the defensive line and into the goal mouth. The running game was conducted Maine three, which is the outdoor board.

New Reporters

J. W. Cushing has been appointed the new reporter for the Student Chapel. He has been doing a fine service for his fellow men as a reporter for the weekly bulletin. He is doing a splendid job and will be a great addition to the news staff. Every student should do his part to work out for The Campus.

In the gym on Saturday afternoon the Maine Campus Exercise Team was seen enjoying a pleasant afternoon. After a few minutes of stretching and preparing the motorists were ready to go and the group was divided into three sections of four.

The groups then took their respective positions in the gym and the leaders directed them in the various exercises. The group was led by Mr. and Mrs. S. G. White who are both students of physical education.

The leaders gave clear and concise directions and the members of the group followed them with enthusiasm. The exercises included push-ups, sit-ups, pull-ups, and various forms of calisthenics.

At the end of the exercises the group was dismissed and each member left the gym feeling invigorated and ready for his daily activities.

Rosie's Saturday Initiation festivities

The S. Z. Z. S. Sorority initiated a new member on Saturday afternoon. The ceremony was held in the Student Union and was attended by the sorority members and several guests.

The initiations were held in the presence of the officers of the sorority and were conducted according to the rules and regulations of the organization.

The new member was received with much enthusiasm and the ceremony was a great success. The sorority members were glad to welcome their new member and looked forward to her active participation in the organization's activities.

This is the second initiation ceremony held by the sorority this semester. The first initiation was held in January and was attended by several new members.

In the future the sorority plans to hold more initiations and to welcome new members into the organization. The sorority members look forward to working with their new member and to see her grow and become an active member of the organization.
In this, the fourth anniversary year of the bursary, a golden gift was presented to the College. The presenting of the gift was one of the events of the week. The room was attractively decorated, and the gift was a real surprise to the students. It is hoped that more students will be presented with gifts in the future.

Sincerely,

The main event of the week was the senior banquet, held in the College dining hall. The dinner was enjoyed by all present. The program included a variety of interesting and entertaining activities, such as speeches, music, and a dance. The highlight of the evening was the presentation of the college awards, which were eagerly anticipated by the students.

Basketball Team Meets Defeat on Recent Trip

(Continued from Page One)

The team went fairly well in the first half holding the blue and white to 16 to 11 count. But fast playing and clever shooting kept the ball in Portland's territory and the Portland team went on to win the game by a final score of 66-42. Wells and Bigelow all contributed to the scoring. The summary:

O. C. M. at Portland (46)                      O. C. M. at Portland (46)

Substitutions: After the first half, S. Phillips and C. Hines were put in for B. Harper and W. E. Mason.

Radio Engineering Has Great Educational Value

(Continued from Page One)

A recruit mentioned to the telephone engineer, in his orderly manner, as he mouthed the word by wireless. In the large transceiver station he sees the orderliness and simplicity of any other wireless station. At sea, he installs a telephone radio set. He calls up Long Island and observes that the question of a large number of ships at the stations in this country, over the sea and in distant parts, at the different exchanges in the various parts of the country. He still finds that even the increased interference of the radio stations, in many cases, does not interfere with the clear transmission of the wireless messages. The telephone engineer is one of the most enthusiastic of the entire engineering fraternity, because he meets with, and is satisfied with, the various ideas with so many other men. He has to be the good soldier and soldier of the modern electrical age, in the pursuit of his daily task.

who, after a few minutes of hard fighting by all, carried the puck to the Maine goal line and with a twist of his stick shot it into the cage. The crowd was wild at this point as Maine was two points ahead of her opponent and this was by a lucky shot which landed in a peculiar place. Baxter's nose was out of the game at this time.

Maine Athletics Excel at Winter Carnivals

(Continued from Page One)

Obstacle Race won by Paton of Maine. Francis (Indian) second, Ham of Maine third.

Ski Jumping won by Anderson of Bangor. Emery of Maine second. Maine won the finals in the snow shoe events at the Auburn Card S.C. Saturday afternoon. Bowdoin excelled in the ski races and Bates took first in the slalom but jumping by taking all places in two of the three events. In the three races totaling the third, the Blue team scored 23 points to 20 for Bowdoin, while Bates and Colby took 10 and 4 points respectively.

Cross Country Snowshoe Race won by Paton of Maine, Curtis of Maine second, Chadbourn of Bowdoin, second. Ski Jumping won by Benjamin of Bates, 115 ft.; Jordan of Colby, 113 ft.; Stable of Bowdoin, third. Bill Elliott and Sayer had their usual score, Maine being the winners. The results of this game puts Maine out of the running for first place in the league but she is in second place in the next position. The following is the standing of the league:

The summary of the game follows:

Maine: Winst. 5, Bates: Winst. 4. Stover sw... Coren show and Mackay and Coakley managed to add one more point to their score within a couple of minutes play. The Maine players seemed to have lost their eye for the rubber because soon another goal was put by Baxter from the stick of Plaisted. This tied the score and it seemed for a long time as if the scoring was over for that particular period but just before the whistle blew Tolman of Bowdoin came down the rubber because soon another goal was put by Baxter from the stick of Plaisted. This tied the score and it seemed for a long time as if the scoring was over for that particular period but just before the whistle blow Tolman of Bowdoin came down the steps of Maine's goal, and was not stopped by the rubber because soon another goal was put by Baxter from the stick of Plaisted.
