MAINE SCORES VICTORY OVER JOHNNY HARVARD

In an Eleven Inning Battle the Blue Team Springs a Surprise by Slamming Spaulding's Offerings for a Grand Total of 7 Runs in the Eighth Frame

Maine defeated Harvard, Monday, 9-7 at Cambridge when she annexed 7 runs in the eighth inning and broke up a tie in the eleventh with two more. Maine was unable to get more than one hit in the first seven innings, but in the eighth

ITHEL E. PRESCOTT
Captain of Baseball

came to life. When the inning was finally brought to a close, the Maine boys had made eight hits and seven runs, having driven Spaulding from the mound.

Up to this time Harvard had obtained 6 runs and in the ninth got one more tying the score. Both pitchers settled down until the eleventh when Maine came thru for two more runs. Harvard

Maj. R. A. Hill Inspects U. of M. R. O. T. C. Unit

Major Roy A. Hill in command of R. O. T. C. affairs of the First Corps Area, with headquarters in Boston, arrived on the campus last Thursday morning to make his annual inspection of the cadet corps.

The first two hours of the morning classes were occupied with close and extended order drill by sophomores under the command of cadet officers. During the third hour, Lieut. Goldberg led his company to the athletic field where light packs were unslung and shelter tents pitched in record time. The encampment was then inspected by Major Hill and Major James. This was not to be a permanent camp, however, for tents were immediately struck and the company proceeded on its way back to the gym. Another class during the fourth hour was divided into three groups. The first group demonstrated the subject of musketry, the second group did some sketching while the third group stripped and assembled the automatic rifle.

At the garage in the first part of the afternoon the juniors taking the advanced course were given some problems to do in the subject of field engineering.

Maine Drops Two Games To Bates and Bowdoin

STANDING MAY 8

	Won	Lost	P.C.
Bates	1	0	1.000
Colby	1	0	1.000
Bowdoin	1	1	.500
Maine	0	2	.000

BATES 5, MAINE 4

Maine lost to Bates, 5 to 4 last Thursday in a very close baseball game at Lewiston. After Maine had tied the score in the first half of the ninth, Bates came thru with the necessary run in her half of the frame. With two out and a man on second, Moulton got his only hit of the game but the one which spelled Maine's defeat.

Maine crossed the plate for the first time in the fourth when Prescott followed up Jowett's single with a two bagger and Jowett came in. In the seventh, made the most of her chances and got two more runs. Prescott singled and Stearns sacrificed. Osgood's single sent Prescott to third. When Osgood started to steal second, the catcher tried to catch Prescott off third. "Ike" was there first. The third baseman threw to second. The throw went wild. When the ball was finally brought back into the game, Prescott had gone in for a run and Osgood was on third. A pretty bunt by Foster

Brilliant Co-ed Soiree Illuminated with Lanterns

Under thirty lanterns, scoured from all over the campus, couples danced at Balentine Hall, Friday, May 4, to the music of "Al" Johnson's Orchestra. The decorations of the evening were in charge of Miss Sarah Fisher.

The color scheme was very well carried out. In the center of the room there was a canopy of evergreen about four feet long and three feet wide, from which Maybaskets were suspended at each corner. These baskets were attractively decorated with dandelion greens and different colored streamers hung down from them. Paper flowers were arranged very artistically within these baskets. Around the columns were wound lavender paper, and the two columns in the center of the room were cleverly decorated with evergreen and paper flowers of all colors. The lights were covered with colored tissue paper and square Maybaskets were suspended from all of them.

There was a great deal of excitement during the first part of the evening, for the President of the House was notified

Dean Boardman Speaks To South Brewer Men

Dean Boardman of the College of Technology, was the main speaker at a meeting of the Men's Club of the Congregational Church at South Brewer last Thursday evening. His subject was Waterways and the Conservation of the Water Supply.

In his speech, Dean Boardman said that the natural resources of a country could be divided into two classes. The naturally formed materials such as coal, petroleum and natural gas could be used but once and that was the end of their usefulness. On the other hand, resources such as metallic ores, and the water supply of a country could be used almost indefinitely. The water supply in fact was never gone, but it could serve no purpose, unless it was properly conserved and put to some useful work.

Dean Boardman classified the conservation of the water supply into three divisions, first, for the power obtained from the waterfalls; second, for the water supply of the cities and towns; and third, for the storage of water for irrigation. The talk was well illustrated with movie slides which showed some of the developments that have been made in the conservation of the vast amount of water supply obtainable, and which showed improvements made in our own part of the country as compared with the improvements made elsewhere.

Tennis Team Announces Matches to be Played

The Maine Tennis Team coached by Capt. Leon E. Norris is practicing daily on available courts for the matches which have been arranged this spring. More than twenty men are out for the team, including T. S. Curtis and C. J. Smith, veterans of last year. Carter, Davenport, Judkins, Morse, Webber, Weiner and Glen. All of these play first class tennis.

The tennis schedule is as follows:

VARSITY

May 9 Augusta Country Club at Augusta
May 10 & 11 State Intercollegiate Meet at Brunswick
(Draw for opponents)
May 19 Pending (Possibly Bowdoin at Orono)
May 26 Bates at Orono
May 28 Colby at Orono
June 1 Boston University at Orono

LOCAL MEETS—MAY 15—JUNE 1

Intramural Meet for Cup
May 15-June 1—Open competition for Southard tennis medals (doubles and singles); also for Oriental Restaurant Cup for the singles championship of the University.

The Oriental Restaurant Cup has been recently put up by the manager of the Oriental Restaurant of Bangor.

Program Announced for Commencement, June 7-11

Active preparations are being made to take care of the several hundred alumni who will wend their way Oronoward for Commencement June 7 to 11.

The program announced follows the customary schedule of events which have made the Commencement activities of the last two years convenient to attend and permitting of an enjoyable visit to the campus, whatever the duration of that visit may be. Alumni and former students, for they too find a welcome, are eager to return and enjoy that hand of fellowship which is binding together all who ever attended the University.

Two varsity baseball games will keep alive the athletic spirit. The alumni-varsity game scheduled for 3 P. M., Friday, June 8, will be a real contest. Phil R. Hussey '12 has been appointed alumni manager and has already lined up several of the old-time stars, all of whom have kept in condition by playing summer baseball since graduation. New Hampshire College will be the attraction on the afternoon of Alumni Day, Saturday, June 9.

The ceremony of breaking ground for new buildings, Sunday afternoon, June 10, is expected to start the ball rolling for the erection of the new Arts and Science building, and if the Memorial Fund campaign is successful, the erection of the gigantic Gymnasium-Armory building.

The program:

Thursday, June 7
4.00 P.M. Phi Beta Kappa Initiation
5.00 P.M. Phi Kappa Phi Initiation
6.30 P.M. Banquet National Honorary Societies (tentative)
Friday, June 8
9.00 A.M. Board of Trustees
9.30 A.M. Meeting of the Alumni Council, Library
9.30 A.M. Class Day Exercises, University Oval
3.00 P.M. Baseball, Alumni vs. Varsity
8.00 P.M. President's Reception, Library (Dress optional)
9.00 P.M. Fraternity Receptions
Saturday, June 9
Alumni Day

Mother's Day

SUNDAY, MAY 13

1. Wear a Flower
2. Write Her (if living)
3. Think of Her (if dead)
4. Attend Church

MAINE VICTORIOUS OVER BROWN TEAM

In Hotly Contested Struggle Maine Wins 75-60. Team Supported by Ideal Weather and Enthusiastic Spectators

THOMAS AND BARROWS MAINE STARS

The University of Maine defeated Brown University in the Dual Track Meet, Saturday afternoon by the score of 75 to 60. The Blue team was a little bit better than the Brown team in both the track and field departments but with one or two exceptions the events were very closely contested.

An enthusiastic crowd filled the grandstand. The Maine Band and Bananas were on hand to help the men win the meet. The grandstand fairly shook as they blended to show the boys that they had the "Old Maine Spirit" as well as those who were out there fighting for the University. In the mile and two mile runs, the Band struck up the "Hound Dog," as the runners started on their final lap and fight for victory, in a way that made the thrills run up and down one's back.

"Bucky" Thomas was high point winner, taking first places in both the 100 and 220 yard dashes. "Bill" Barrows was a close second with nine points won in the weight events. Capt. "Ned" Lawrence took first place in the quarter-mile and third in the 220 yard dash, while Cahill, the freshman star took two second places, thus tying for third place in number of points.

For Brown, Needham took first places in both hurdle events giving him ten points for his University. Fellman starred in field events with first place in the Javelin throw and a tie for second place in the High Jump. Reid showed some spectacular broad jumping winning first place in this event with a foot and a half to spare. Reid also took third place in the 100.

The "century" was a thrilling event. "Bucky" Thomas took first place with the very good time of 10 1-10 seconds. Cahill came thru for second place, fighting his way past Reid of Brown in the last twenty-five yards. Maine took all three places in the 220 yard dash. Bucky Thomas won this event in 22.9 seconds with Cahill and "Ned" Lawrence close behind him.

"Ned" Lawrence ran a pretty quarter mile. He was led by two Brown men until in the last thirty yards he ran out around them and won a few inches. His time, 51 9-10 seconds shows that he is running very close to top form.

The Half Mile was full of surprises. Nutter of Brown came out of the pack and won this event by a small margin from Ed Kneeland. Nevens also of Brown who had been behind all the way passed three men in the last fifteen yards and took third place.

"Mac" MacKeehan won the two mile run, taking first place by a good twenty yards. He ran a fine race and kept the lead nearly all the way. Martin of Brown came in second with "Art" Hillman a close third. The time for this event, 10 minutes 4 9-10 seconds, was very good.

"Sim" Raymond ran a nice race in the Mile run, but was beaten by Monk of Brown in his final sprint. "Wes" Ames took third place for Maine. Brown won the hurdle events handily. True took third place in the High Hurdles and Standish took second in the Low Hurdles.

In the field events, Maine took all three places in the Hammer Throw. Frazer took first place with 122 feet 4 1/2 inches. Barrows made the next best throw and Campbell took third place for Maine. Barrows and Garsoe took the first two places in the Discus Throw with throws of 111 and 105.7 feet. Jackson took first place in the Shot Put with a throw of 40 feet 11 inches. Bleakney of Brown took second place and Elliott of Maine third.

The spectators took keen interest in the Pole Vault, the last event of the afternoon.

(Continued on Page Two)

Westbrook Seminary Nine Humbles Freshmen Team

The Maine Freshmen lost their first game of the season last Friday to Westbrook Seminary 17-1. Larry Kelliher held the yearlings to three hits while Westbrook pounded Plate and Stanton for nine singles, a double, a triple and a homer. M. C. Quiggan and Cronin each pounded out three hits in four trips to the plate, the former getting a double and Cronin a homer.

Students Cheer Track Men at Student Chapel

Student Chapel, Friday, May 4, was held for the express purpose of creating more enthusiasm for track and baseball. The baseball team was not present because of delays in the schedule, but the assembly fulfilled its purpose despite that disappointment and the small crowd attending.

"Chubby" Thomas introduced those who "needed no introduction." Manager "Rat" Kennison spoke of the dual meet

Entered as second class matter at the postoffice, Orono, Maine.

The editor-in-chief is responsible for the general policy of the paper and for the editorial columns; the managing editor for the news columns and the makeup of the paper; and the business manager for the business and finances.

Communications should be at the postoffice at Alumni Hall before Saturday noon to insure publication.

Printed by the University Press, Orono, Me.

The New Board

With this issue of the *Campus* the new board takes up its duties in full of managing and publishing the paper. In assuming control the members of the new board realize fully the responsibility and trust that has been placed upon them, and will endeavor to the best of their ability to publish each week a paper of which every member of the University may be proud.

An attempt will be made during the remainder of this year and next year to give the *Campus* more the appearance of a real newspaper, and at the same time to make it the equal of any college weekly in the country. In this connection the work and criticism of the journalism class is of appreciable value.

Altho many times the news articles appearing in the *Campus* will be old to you who are well informed concerning University activities, we ask that you excuse this, for it is necessary that such news be published in order that an accurate printed record of all that goes on every week may be left for future reference, and also that our Alumni and friends who read the *Campus* may learn all that is happening here.

As far as possible the new board will publish the latest news, including events that happen immediately before the paper goes to press.

This is difficult, however, due to the fact that copy must be taken to the printers a day or two before the paper reaches the students. Only such news as is of interest to the members of the University will be published.

Sensational journalism and "scare" headlines will not be indulged in. Each department of the paper, such as Athletics, Alumni, Chapel, and Society, is in charge of a competent editor, who is responsible for the material that goes in under his or her department. Under this method of supervision it is intended that every *Campus* event of news interest may be placed in your paper. At no time will the fact be lost sight of that the *Campus* is the University news organ, intended primarily to give the students an accurate review of each week's events.

The editorial policy of the paper will be constructive, voicing student opinion as much as possible. The editorials will be the work of no one mind, but will be the result of discussions of all the editors, who, coming from all parts of the *Campus*, will be able to bring together all phases of opinion gained from discussions by many groups of students. Only opinions considered to be for the best interests of the University will be placed before you. Altho praise will be given wherever it is deserved, constructive criticism will not be spared, in order that attention may be called to conditions the board believes should be remedied.

A special effort will be made to make the *Campus* of interest to our Alumni and Faculty. In order to do this all news that the board can obtain of both Faculty and Alumni will be noted. We especially urge you to send us any news of this nature of which you may know. A campaign will be carried on next year to increase Alumni subscriptions, in order that they may be in closer contact with their University.

In carrying out the program we have outlined above and any other ideas that may occur to us in the future, we, as members of the new board, ask your whole hearted co-operation. Do not forget the *Campus* is your paper, carried on for your benefit. If you have any ideas that you think of benefit to the University of Maine, come forward with them and let us help you fulfill them. Whether you are a student, alumnus, faculty member, or friend of the University of Maine, the *Maine Campus* needs your support in order that it may be truly representative of the spirit of Maine.

The State Meet

Next Saturday, for the first time in four years, we will have the opportunity of witnessing the State Track Meet on Alumni Field.

From the excellent showing made by our track athletes last Saturday against Brown, Maine's prospects seem bright. Be that as it may, we know that every man who represents Maine next Saturday, will fight to the last bit of his strength.

But our track men must have the whole-hearted support of every one of us in order to do their best. When the race is going hard, and the runner feels himself near exhaustion, nothing can spur him on to the finish like the urgent cheers of his student body.

So let us fill the Maine section to overflowing next Saturday, and drown the cheers of all the other colleges with our own. This is the least that we can do for the men who will represent us, and incidentally we will be proving that the Maine Spirit is very much alive.

Our Guests

During the coming track meet the *Campus* will be crowded with the supporters of the various teams. Many of them will never have been here before, and the impression they gain will be the ones they will carry away.

So let us be on our good behavior toward these guests of ours in order that their ideas of Maine may be the best.

The Bookstore Bench

What has become of the once famous institution, the bench in front of the college store? What a wonderful place that was to idle away the few minutes before each class bell! We can almost see them now, "Tom," "Jim," "Bill," and "Bub" parking there with their pedal extremities extended toward the sun. But alas! it is no more! At present, the empty ice cream freezers, boxes, and steps have replaced our once famous store bench. Now that Spring has arrived, why not a bench, so that we can sit out and enjoy the occasional sunny days?

Maine Victorious Over Brown Team

(Continued from Page One)

ternoon and Perkins of Maine was lustily cheered as he vaulted the bar on his third try and won the event with a vault of ten feet.

Brown took first place in the Running High Jump, and Ackley of Maine tied with Fellman of Brown for second place. Fellman and Brown of Brown took the first two places in the Javelin throw, Barrows coming thru for third place.

Reid proved a treat in the Broad Jumping event. His jump of 21.9 inches took the event easily but he jumped twice over 22 feet and both jumps were ruled out on fouls. Doerr and Larrabee jumped 20.35 ft. and 19.35 ft. respectively.

The summary:

100-yard dash: Won by Thomas, Maine; second, Cahill, Maine; third, Reed, Brown. Time 10 1-10 seconds.

220-yard dash: Won by Thomas, Maine; second, Cahill, Maine; third, Lawrence, Maine. Time 22 9-10 seconds.

440-yard dash: Won by Lawrence, Maine; second, Elson, Brown; third, Nevers, Brown. Time 51 9-10 sec.

880-yard run: Won by Nutter, Brown; second, Kneeland, Maine; third, Nevers, Brown. Time 2 min. 2 9-10 sec.

1-mile run: Won by Monk, Brown; second, Raymond, Maine; third, Ames, Maine. Time 4 min. 39 6-10 sec.

2-mile run: Won by McKeeman, Maine; second, Martin, Brown; third, Hillman, Maine. Time 10 min. 4 9-10 sec.

120-yard Hurdles: Won by Needham,

Brown; second, Barry, Brown; third, True, Maine. Time 16 4-10 sec.

220-yard Hurdles: Won by Needham, Brown; second, Standish, Maine; third, Williams, Brown. Time 28 1-10 sec.

Broad Jump: Won by Reed, Brown, 21 feet 9 in.; second, Doerr, Maine, 19 feet 3 inches; third, Larrabee, Maine, 19 feet 3 inches.

High Jump: Won by Jones, Brown, 5 feet 7 inches; second, tied between Ackley, Maine, and Fellman, Brown, 5 feet 5 inches.

Pole Vault: Won by Perkins, Maine, 10 feet; second, Purves, Brown, 9 feet 7 inches; third, Hall, Maine, 9 feet 4 inches.

Shot Put: Won by Jackson, Maine, 40 feet 11 1/2 inches; second, Bleakney, Brown, 38 feet 3 inches; third, A. C. Elliott, Maine, 35 feet 2 inches.

Hammer Throw: Won by Fraser, Maine, 122 feet 11 inches; second, Barrows, Maine, 114 feet 3 inches; third, Campbell, Maine, 104 feet 8 inches.

Discus Throw: Won by Barrows, Maine, 111 feet 11 inches; second, Garsoc, Maine, 105 feet 7 inches; third, Jones, Brown, 104 feet 6 inches.

Javelin Throw: Won by Fellman, Brown, 145 feet; second, Brown, Brown, 135 feet 6 inches; third, Barrows, Maine, 125 feet 11 inches.

Summary of points:

	Brown	U. of M.
1 mile run	5	4
440-yard dash	4	5
100-yard dash	1	8
120-yard hurdles	8	1
880-yard run	6	3
220-yard dash	0	9
2-mile run	3	6
220-yard hurdles	6	3

Running high jump	7	2
Putting 16-lb. shot	3	6
Running jump broad	5	4
Throwing 16-lb. hammer	0	9
Pole vault	3	6
Throwing discus	1	8
Throwing javelin	8	1
Total	60	75

Maine Scores Victory Over Johnny Harvard

(Continued from Page One)

was retired in order in the next half and Maine had won 9-7.

Harvard was having things all her own way during the first of the game. Capt. Owen and Gordon of Harvard both got home runs in the middle of the game. Owen brought in three runs when he cleared the cushions.

In the eighth, the rally was started when Prescott and Lunge singled and Stearns got to first on a poorly fielded ball. Osgood flew out to Hammond and then "Jack" Jowett stepped up to the plate and knocked Prescott in, leaving the bases still loaded. McKechnie lined one out to Owen and the latter's throw to second went wild allowing Lunge and Stearns to come in. Dunham hit a long fly which scored McKechnie and cleared the bases. Newell and Foster both hit Spalding for singles and he was yanked in favor of Young. Prescott came to bat next and drove out a pretty single which scored both Newell and Foster.

In the eleventh Prescott started things again with a single to left field and Lunge was hit by the pitcher. A sacrifice by Stearns advanced the runner a base apiece. A low one from Osgood went thru the centerfielder and Prescott and Lunge romped home.

Prescott and Lunge were the stars of the game. Altho the Crimson hit him hard the first of the game, Jowett settled down in great style as the game progressed. Hermann was put on the mound in place of Young at the beginning of the ninth and stayed in the rest of the game.

(Continued from Page One)

neering. These problems consisted of constructing two types of trenches on the sand tables. When the trenches were completed, the class was questioned as to the nomenclature and use of the different parts of the trenches.

When Major Hill had completed his inspection of the trenches, the class went to the stock room where they got the one-pounder and four machine guns which they mounted on the lawn by Lord Hall. Here the class was divided into groups, each group stripping and assembling and naming the parts of the machine guns and the one-pounder or 37 millimeter gun.

A group of students and faculty who had gathered to watch the demonstration were given a surprise when during the drill of the machine gun squad several rounds of blank ammunition were fired from each of the machine guns. This demonstration completed the class work for the day, but Major Hill and Major James spent the next hour inspecting the supplies and equipment in the stockroom.

On Friday afternoon the seniors in advanced military demonstrated to the inspector their ability to solve tactical problems.

In a talk to the commissioned and non-commissioned officers, Major Hill dwelt on leadership. He believed that the successful man in any field, must be a leader, a man who is looked up to, and who has the ability to lead and to direct men. Major Hill said that he considered the drill of the corps very good considering the short time that has been devoted to actual outdoor instruction this spring.

Brilliant Co-ed Soiree Illuminated With Lanterns

(Continued from Page One)

that the electric lights would be turned off at 7.30. Dean Colvin was consulted about this matter and she notified the girls that they could not have a dance by candle light, but if they could get thirty lanterns the foreseen pleasure of that evening might take place. Through the hospitality of the boys from all the fraternity houses, the girls were able to obtain the lanterns. The lights came on about nine o'clock.

At intermission ice cream, fancy crackers and punch were served.

Students Cheer Track Men at Student Chapel

(Continued from Page One)

to be held Saturday, May 5, with Brown University, and said that the team would surely win with adequate support from the student body.

Captain Lawrence thanked the students for their support during the rain which accompanied the meet with M. I. T. and stated that the Brown meet would be successful if the student body would support the team.

Coach Flack upon being introduced received applause that, by his own admission, shamed him out of the opening he had prepared to give his speech. He laid stress upon the importance of constant student support of the track team and encouragement at all times.

President Little spoke in praise of track as a sport, and pointed out the

merits of this sport, comparing track with baseball and football.

The rally closed with the Stein Song.

The Intercollegiate Hop Coming Saturday Night

An informal dance, known as "The Intercollegiate Hop," will be given by the "M" Club next Saturday evening in Alumni Hall. As this dance is in honor of the colleges participating in the track meet, the "M" Club plans to hold it instead of the annual "Poverty Ball." One of the best orchestras on the Campus will furnish the music. The price of admission will be \$1.00 a couple, tickets to be sold at the door.

LAW STUDENTS

THE BOSTON UNIVERSITY LAW SCHOOL

Trains students in principles of the law and the technique of the profession and prepares them for active practice wherever the English system of law prevails. Course for LL.B. requires three school years.

Beginning in the Autumn of 1923, one year in college will be required for admission. In 1925, the requirement will probably be two years in college.

University of Maine students may obtain both A.B. and LL.B. degrees in six years by application at University of Maine for special arrangements.

Special Scholarships \$75 per year to college graduates.

DAVY EXPERIMENTING WITH

GARNETT IN THE ROYAL SOCIETY

The First Electrochemist

NITROUS oxide, according to the science of a century ago, was "the principle of contagion when respired by animals in the minutest quantities." Mere say-so.

Imaginative yet skeptical Humphrey Davy, who believed in experiment rather than in opinion, "respired" it and lived.

It was this restless desire to test beliefs that made him one of the founders of modern science. Electricity was a new force a century ago. Davy used it to decompose potash, soda, and lime into potassium, sodium, and calcium, thus laying the foundations of electrochemistry. With a battery of two thousand plates he produced the first electric arc—harbinger of modern electric illumination and of the electric furnace.

Czar Alexander I and Napoleon met on a raft to sign the Treaty of Tilsit while Davy was revealing

the effects of electricity on matter. "What is Europe?" said Alexander. "We are Europe."

The treaty was at that time an important political event, framed by two selfish monarchs for the sole purpose of furthering their personal interests. Contrast with it the unselfish efforts of Sir Humphrey Davy. His brilliant work has resulted in scores of practical applications of electrolysis in industry and a wealth of chemical knowledge that benefit not himself but the entire world.

In the Research Laboratories of the General Electric Company, for instance, much has been done to improve the electric furnace (a development of Davy's arc) and new compounds have been electrochemically produced, which make it easier to cast high-conductivity copper, to manufacture special tool steels, and to produce carbides for better arc lamps.

THINK IT OVER

Maine Drops Two Games to Bates and Bowdoin

(Continued from Page One)

along the third base brought in Osgood for another run. In the ninth, Prescott got another single and Stearns once more sacrificed. Osgood advanced Prescott to third and Foster knocked him in.

Jowett pitched a good game and was a little ahead of Hamilton on strike outs. Two more hits were made off Hamilton than Jowett. Osgood played a fine game in the field as well as at bat. Drew Stearns stopped a hot line drive at a critical point in the game.

One of the sensational catches of the game was that made by Crabby Newell, when traveling at top speed, he nabbed a fly off his shoe strings.

Double plays, Stearns to Prescott to Lunge, Osgood to Lunge to Prescott. Left on bases on errors, Bates 2. Base on balls, off Jowett 2, off Hamilton 4.

MAINE 0, BOWDOIN 5

Maine lost to Bowdoin at Brunswick last Saturday in baseball to the tune of 5 to 0. Johnson, hurler for the White, held the Blue team to only four hits in nine frames and these four came only

after the fifth inning. The Bowdoin team starred in their fielding, knocking down clouts which should have been hits.

Repscha came thru with 8 strikeouts and altho he was hit for 10 safeties, showed some fine work. Bowdoin got a run in the first inning and followed with two runs in the fourth and two more in the eighth.

Maine had an opportunity in the eighth when three singles by Lunge, Repscha and McKechnie filled the bases. There were two out, however, and Stearns' grounder was safely fielded.

Berg is Head of M. C. A. Cabinet; Other Officers

At the close of the vesper service, Sunday afternoon, the following officers were elected to the M. C. A. cabinet:

Olaf Berg, President; Hazen Ayer, Vice President; Theodore Monroe, Secretary; Frank Hussey, Treasurer; Guy Griffin, Publicity; Hervey Bean, Deputation; W. E. Strong, Handbook; D. B. Stevens, Membership; Belford Perkins, Entertainment; Harry Candage, Junior member.

Williams' VII

—the softest course in college

WILLIAMS' VII is a course for every man in the institution. It's seven times a week but the sessions are short—less than five minutes each. And best of all, no man who elects Williams' ever fails—to get a better shave than he ever got before.

The first thing you learn in shaving with Williams' is of the remarkably beneficial effect it has on your skin. You can't fail to be impressed—even after the closest examination—with the fact that here, at last, is a shaving cream which really does your face good.

Then, especially if you're of a practical, business-like turn of mind, you'll be pleased with the efficiency of Williams'. It softens the beard in so much less time. It does everything a shaving cream is supposed to do.

Get a tube of Williams' today. Use it for two months. See then if you ever could go back to any other shaving cream.
