To Present Three Plays At Arts Rally, May 28

Monday evening, May 28, the second Arts Rally of the year will be held in the chapel. The entertainment will consist of three one-act plays, presented by members of the faculty and student body of the College of Arts and Sciences, and several musical numbers. All friends of the college whether enrolled in it or not, are cordially invited.

The first play to be presented, "Sham" by Frank G. Tompkins, is a farcical satire on modern society. A gentleman burglar enters the house at 2819 Sargent Road in search of art treasures. While looking in vain among the curios for one genuine article he is discovered.

Varsity Cheer Leaders Will be Given Letters

The latest development in the athletic program is the awarding of letters to varsity cheer leaders and the establishing of a manager of cross country. From now on cross country is to be a separate sport from track. Because of his two years' experience working out for track manager, Hazen H. ("Hot") Ayer was chosen to fill the position of manager.

George Stackpole was awarded a letter as varsity cheer leader. The letter is a four-inch black letter in a circle. Representatives from each class are eligible to work out for the position of cheer leader and at the end of their junior year, one man is picked by the M Club for varsity cheer leader and awarded the above mentioned emblem.

Howard Flack Resigns As U. of Maine Track Coach

Howard Flack, for three years coach of track and basketball, tendered his resignation to the University of Maine Athletic Board Monday to take effect at the close of the school year.

In basketball and cross country Flack has produced teams that have made other colleges sit up and take notice. Popular with the men who are under his directions, Coach Flack has done everything he could for the University of Maine. It is with regret that the students hear of the resignation of Howard Flack.

Wilkie Clark's Men Pound Lewiston Independents

The University of Maine pounded the Lewiston Independents all over the field, Saturday afternoon, winning 10 to 2.

Thompson, a freshman, pitched a good game for the college nine, allowing but 2 hits during the game.

The Maine team hit well. McKechnie, Lunge, Newell and Stearns got 2 hits each, while Newell got a homer and a single.

The game was called after the sixth inning by agreement.

Student Solons Discuss Matters of Importance

A meeting of the Senate of the men's student government was held Wednesday evening, May 16th at the A. T. O. House.

A report was given by Pres. Lord of his trip to Philadelphia to the intercollegiate conference, at which thirty-three colleges were represented. Various organizations of these colleges were taken up in detail in this report.

Three resolutions were passed at this meeting:

1. That two unexcused absences shall cause a senator to be dismissed, the senate having sole power to excuse absences.

2. That funds be raised through the blank: tax if possible.

3. That the senate shall have a meeting every two weeks, on the first and third Tuesday of each month.

Possibilities of a Union building or a recreation room were discussed.

It was suggested that next year, a court of senate members be held, at which all cases contradictory to the customs and traditions of the University will be tried.

The Honor system in other colleges and its possibilities at the University of Maine was discussed.

Possibilities of having a Graduate Manager of non-athletic activities was discussed; this manager to be a salaried man, supported by the student body.

It was suggested that the House of Representatives of the student government be an inactive body, to be called into session when needed or upon a petition of any twenty members of the student body.

It was voted to have a joint meeting of both old and new senates in the chapel on Wed. evening, May 23.

A PROTEST

We, the undersigned, feel that the resignation of Howard Flack as Coach of Track and Basketball at the University of Maine will be a serious loss to the undergraduate body. We feel that he has been unjustly criticised by the alumni and Athletic Board. He has given freely of his services at all times and has been a loyal Maine man. Championship teams have been developed by him in face of many obstacles.

Confident of his ability and our belief in him, we shall remember him as one of the best track coaches who ever coached the blue and white.

Maine Bears Have Bad Day; Bowdoin Wins 11-1

University of Maine was badly beaten by Bowdoin, Wednesday afternoon when the team lost 11-1 at Orono. A light rain fell at intervals during all the afternoon and a wet, soggy, field made it difficult to play baseball. The Black and White brought up a snappy, well balanced team. The Blue team on the other hand seemed lost and gave Jack Jowett very little support. Jowett pitched good ball the first four innings but in the fifth the Bowdoin team began to hit him and as he had little or no support in the field, he was taken out in favor of Repscha, who held the Black and White to two runs in the remaining four frames.

The Blue team got eleven hits, but since they were scattered thru the nine innings, only one man crossed the plate. "Bear" Osgood showed some real baseball, taking a grounder and making a peg to first while traveling at top speed and at another time assisting in a double play with a pretty peg to first.

Foster and Lunge did the hitting for Maine, Lunge getting three hits out of four times up and Foster hitting three singles out of three times at bat.

The Bowdoin team had their big rally in the fifth, getting a total of six runs. Needleman proved a first class hitter obtaining two doubles, one single and a sacrifice.

Panhellenic Council Changes Its By-Laws

The Local Panhellenic Council of the University of Maine has made several important changes in its By-Laws, with particular emphasis on rushing, in an endeavor to raise the scholastic standing of the new freshman class. Even though a long rushing season is desirable to really become acquainted with the girls, it has seemed unfair to the freshmen to have their time and attention so far deflected from their studies as is the case under the present system of intense rushing for the first half of the fall semester with bids following the receipt of ranks. In many instances the most desired girls fail to make the required rank simply because of the diverting

Records for the Hundred and High Jump Smashed by Mittelsdorf of Coburn and Seekins of M. C. I.

The well-balanced track team of Portland High, under the leadership of Frank Preti, a former Maine man, romped away with the Invitation Meet held here last Saturday. Portland scored in every event but the shot put and mile run. Gardner High placed second with 26 points and Coburn Classical Institute third with 24 points. The other teams scoring were Hebron 13½, Morse High of Bath and Bridgton Academy 9 points each, M. C. I. 8, Bangor High 4½, Dexter High 2, and Old Town High 2.

The century record held by Jordan of Hebron was smashed by George Mittelsdorf of Coburn by winning in 10.3 seconds. Mayo Seekins of M. C. I. cleared the bar at 5 feet 6½ inches thus improving the former record held by Keyte of Dexter.

"Rip" Black, pitcher, weight heaver, and versatile athlete, scored 10 points for Portland, taking firsts in the hammer and discus. R. Currie also took two firsts in both hurdle events. These two men led their team in scoring.

The finals in the afternoon were run off in a very satisfactory manner by the officials, most of whom were University of Maine students. The finals with over 200 entries, occupied less than two hours time.

Balentine Ball Team Trounces Mt. Vernon

The Balentine nine defeated the Mt. Vernon team 13-10, Saturday morning. Mt. Vernon headed by Douglas and Peabody started the first inning by scoring two points against their adversaries. Balentine retaliated with three scores.

The second inning Mt. Vernon, by means of a series of singles, coupled with considerable fumbling by the Balentine fielders, piled up three more scores. But Balentine hit the Mt. Vernon battery for five points, making the score 8-5.

Junior Week

Time, that irresponsible trifter, has turned another year around to the annual Junior Week, the week of all weeks for the Juniors, and a gala occasion for all upperclassmen.

It is not our intention to urge anyone to participate, but we do wish to call attention to two things. One is that this is the only Junior Week in which the members of the Class of 1924 will ever take part as Juniors. The second is that this is the last Junior Week the Seniors will ever have the good fortune to enjoy as students.

Enter, then, into the spirit of the week, that you need never look back with regret.

The Prism Appears

The 1924 Prism makes its appearance this week. An advance copy shows it to be a book of considerable merit. Several new features have been added and the size increased.

The athletic department compares favorably with those in the annuals of much larger colleges, and the art work is particularly well finished. The colored inserts make an added and needed attraction.

The tone of the annual is tasteful and well balanced throughout, and the whole staff deserves much credit. The book is one of the best published in recent years and merits the financial support of the student body.

Put Yourself in His Place

It seems that after all has been said about poor losers, there still are a few left at Maine. We hoped that here on our Campus we had cultivated the spirit of fair play; that we could place ourselves in the position of another and see that person's viewpoint; but we were wrong.

Our rival from Brunswick visited the Campus Wednesday, and inflicted a decisive defeat. In comparing the playing of the two teams, Bowdoin seemed far superior, and the results tended to bring out that fact more so. But there was a man on that field, whose duty was to make decisions as he saw them; decisions that once made, could not be changed.

Have you ever stopped to think that perhaps an umpire has a head with a complete set of brains? If you took his place, made one unfair decision, perhaps, then heard the dissatisfied faction "raze" you in the most unsportsmanlike manner, which team would appear more favorable in your eyes? While you were struggling to keep your anger down, and striving not to notice the caustic remarks of the spectators, some important decision would have to be made over a play that was close. You would wish to be fair, but could you, with your ears filled with shouts and jeers?

So, before you try to run the umpire, just take his place a few times; if not in reality, imagine yourself in his shoes. No one likes to umpire; the man who is willing to do so deserves the respect of every one, and if the next time an umpire makes an unfair decision on Alumni Field, a deathly silence prevails, there certainly is going to be one man on that field who would give a lot to be anywhere but at the University of Maine.

Formal Functions

Besides the occasional dances of no particular significance that are held in the Gymnasium every year, there are three formal affairs that are considered to be the big social events of the year. These are the Sophomore Hop, the Junior Prom, and the Senior Ball.

About these three affairs that were instituted so long ago, have grown up many traditions and customs. The high regard that was given these events in former times is evidenced by the custom that rules Freshmen ineligible to attend. Everyone in the upper classes, who had any social ability at all attended these dances. For a girl to miss one was a social catastrophe. Plans were made months ahead, and all went who possibly could.

But in the more recent times of hurry and scramble, of many dances and house parties, of street cars and automobiles, the prestige of the Sophomore Hop, the Junior Prom, and the Senior Ball has become eclipsed. Year by year has the support given these affairs diminished, with the result that not only have they often been mediocre social successes, but in many cases have been total failures financially.

Such a condition is regrettable, for a college is judged as much upon its degree of social excellence as upon its standard of scholarship or the success of its athletic teams.

Friday night the Junior Prom, the second of these three, and on June 11, the third, will be held in Alumni Hall. The financial success of the latter has been cleverly solved in a way that assures its social success as well, but the former still depends solely upon the number of couples in attendance for both its social and financial success.

On the Juniors, alone, depends the success of this year's Prom, for little support can be expected from either the upper or lower classes. It is not enough that the small number of regular dance-goers attend, but every Junior must consider it his personal duty to go, whether he wants to or not.

One 1924 publication stated, "The Old Maine Spirit has come back to stay with the Class of 1924!" Is this true? The Junior Prom will be the answer.

Math Club Meeting

The members of the Math Club had a merry evening at their regular meeting, Thursday, May 17. A short play illustrating the use of the fourth dimension was given by the Misses Savage,

Shorey, Harkness, and Percival. Professor Bryan gave a talk on Math Clubs in general and their benefits to students majoring in mathematics.

Interesting catch problems were enjoyed after the speeches. Refreshments were served at the conclusion of the meeting.

Captain Leon E. Norris Transferred from Maine

Captain Leon E. Norris, who has for the past two years been a professor of Military Science and Tactics, was recently transferred to the 5th Infantry at Portland.

Captain Norris joined the regular army soon after his graduation from the University of Nebraska and was commissioned a second lieutenant in June, 1917. He received rapid promotion to a captaincy, under which rank he served in many of the Southern states and in the Panama Canal Zone before coming to the University of Maine.

Phi Mu Delta

The Nu Epsilon Chapter of Phi Mu Delta fraternity entertained at East Edgington, May nineteenth. The afternoon passed quickly in playing tennis, baseball, and in exploring the countryside.

At six-thirty an excellent dinner was served at The Billington, at the close of which various toasts were given. Favors for the guests were dainty little paper knives with the fraternity seal. Place cards, also with the seal, added to the attractiveness of the table.

After the banquet all departed for the Town Hall, where a pleasant evening was spent dancing. An order of fourteen dances completed an afternoon and evening of real enjoyment for all the participants. Professor and Mrs. L. S. Corbett proved delightful patronesses for the occasion.

Intramural Baseball

Sigma Alpha Epsilon played the Dormitory Council, allowing them but three runs, while they piled up 9 runs to their own credit. A two-base hit by V. Johnson of the Council was the only long hit of the game.

S. A. E. 1 3 0 2 2 1
Council 0 1 0 1 1 0

Batteries: S. A. E.: Crozier and Cobb; Council: Kelleher and Whitman.

Beta Theta Pi defeated Phi Mu Delta in a very close game, Beta crossing the home plate three times, while the Phi Mu Deltas were not allowed to see it once. This was the closest game of the week, and permits Beta House to meet S. A. E. in the last leg of the race in the Northern League.

Beta 0 1 1 0 1
Phi Mu Delta 0 0 0 0 0

Batteries: Beta: Turner and Johnson; Phi Mu Delta: Poole and Lambert.

In the Southern League, Lambda Chi Alpha played a loose game with Phi Epsilon Pi, winning to the tune of 11 to 1. During the first inning Lambda Chi hit Phi Ep for a total of eight hits and five runs. The game was called at the end of the fifth stanza.

Lambda Chi 5 2 1 3 0
Phi Ep 1 0 0 0 0

Batteries: Lambda Chi: Newhall and Smith; Phi Ep: Jacobs and Green.

Phi Gamma Delta

The Phi Gamma Delta Fraternity entertained guests at a dinner and dancing party Saturday, May 19.

At 7 o'clock, a delicious dinner was served by the fraternity chef. The tables were attractively decorated with flowers.

The dancing of the evening started at 8:30 when music from a selected orchestra was furnished. The dance orders of dark blue and white were in the shape of a lozenge.

The chaperones for the party were Mrs. Estabrook, Mr. and Mrs. A. L. T. Cummings and Mrs. Wm. Murray.

Phi Kappa Sigma

Phi Kappa Sigma Fraternity held an informal dance at the Chapter house, Friday evening, May 18.

Among the order of eighteen dances a Paul Jones was much enjoyed by the couples present. The music was furnished by Al Johnson's orchestra.

At intermission, refreshments of sandwiches, coffee, ice cream and cookies, were served in the study rooms.

Professor and Mrs. Batchelder, and Mrs. Stuart, the matron of the house, acted as chaperones throughout the evening.

Treasury Department

Cadet Officers to Have New Uniforms Next Year

The military department has received notice that about 1500 dollars has been allotted to this unit by the War Department for uniforms for the cadet officers of next years corps. It is the belief of the military department that every cadet officer should take advantage of this opportunity to provide himself with a new outfit next year, even though he may now have one, for it will be impossible to obtain cash instead of the uniforms, and such requests might result in the cancellation of the allotment.

Co-ed Baseball

Baseball has become the vogue of the co-eds for the present Interclass games have been played in the gym with the Seniors as champions thus far.

Monday for the first time, the teams played out doors on the diamond in front of Balentine Hall.

Ruth Crockett is the baseball manager. The captain of the freshman team is Betty Armstrong, of the sophomore, Daphne Winslow, of the junior team, Ruth Savage and Gladys Staples as the senior captain.

The Sophomore-Freshman and Sophomore-Junior games are still to be played.

From the Bricklayer

Interested alumni and friends of the University have wondered why the Memorial Fund Campaign has not shown greater progress toward the \$500,000 alumni objective. This query is answered by the statement that the field organizations have not as yet solicited much over 11% of the alumni and former students. The Memorial Fund Committee is confident that by speeding up the personal solicitation in the four remaining weeks that the objective will be announced as oversubscribed on Alumni Day, June 9. All alumni and former students who

\$209,825

have not been solicited can speed up the campaign by being ready to subscribe when a field worker calls.

Tuesday afternoon, May 14, the Headquarters Office at Bangor received a wire from J. E. Totman '16, regional chairman for Area 30 (Maryland) claiming first honors inasmuch as his area had oversubscribed its quota with other loyal alumni yet to subscribe.

"There are good indications that we can double our quota before June 1," is the confident assertion of the editor of "The Maine Hello," the official publication of the New York Alumni Association in its issue of April 30.

During this time no organized entertainment shall be offered to freshmen girls except under the auspices of the Y. W. C. A. Entertainments shall be parties of any kind given by more than two girls of the same fraternity. Also during this period no girl shall wear her fraternity pin, nor shall any fraternity, or member of a fraternity give out an invitation to any freshman girl until after fraternity meeting on the second Monday night.

With the close of the Y. W. C. A. two weeks, rushing will begin in earnest for three weeks only, and no fraternity shall ask a new student to join, or in any way indicate that she may expect to be asked until the first Tuesday in the sixth week when formal bids will be extended by the Council. As soon as a girl accepts an invitation, she is considered "promised" to that fraternity, but cannot be formally pledged until she has attained an average rank of C. Until she has such rank, the girl "promised" simply wears the ribbon of that fraternity. No girl who has broken her promise to one fraternity shall be asked to join another for one calendar year.

In this way, the upperclass girls will be able to take a particular interest in the scholastic standing of their "promises," and aid them in their daily work.

During the rushing season, it will be considered open rushing and a violation of the By-Laws for any fraternity to sing its songs in the presence of new girls. It shall also be considered a violation of the By-Laws for any girl to

ask men to rush new girls for her fraternity.

The complete By-Laws of the Panhellenic Council of the University of Maine shall be sent to each new girl at the first of the fall semester.

Balentine Ball Team Trounces Mt. Vernon

(Continued from Page One)

Hogdon and Hersey crossed the plate for Mt. Vernon the third inning. Mt. Vernon's battery tightened up and Pride made the only score for Balentine.

In the fourth inning Winslow and Bissonette struck out Douglas, Peabody, and Beckett, three Mt. Vernon batters, in a neat manner. A two bagger from Griffin, a three bagger from Johnson, and several first base hits, gave Balentine four more scores.

In the fifth inning, a two bagger and several first base hits brought up Mt. Vernon's score three points.

In the field the teams were quite evenly matched, but Balentine had the harder hitters.

The line up of the two teams was as follows:

MT. VERNON	BALENTINE

Hogdon 1st.....	1st M. Johnson
Savage 2nd.....	2nd Griffin

Civils and Foresters Will do Work in Field

As a part of their regular curriculum, the Junior Civils and Foresters spend six days of the examination period of

the spring semester in field work. During the semester they take a one hour lecture course in Geodetic Surveying and this field work provides them with some actual practice, and prepares them in some slight measure for this kind of work after graduation.

The lecture course counts for one semester hour, and the field work does the same, as they are on the job for six days, nine hours a day. Among the subjects taken up are triangulation, precise leveling, base line measurement, the three and two point problems, adjustment of instruments, latitude and azimuth by observations on the sun, and plane table topography.

by the master and mistress of the house upon their return from the movies. Realizing that escape and hiding are alike impossible he decides to engage them in conversation until he may be able to make a get-a-way. Highly amusing dialogue ensues. The cast of characters is:

The Burglar Mr. Whitcomb
Clara, the mistress of the house Miss Molly Perkins
Charles, her husband Mr. Wallace
Reporter from the "News" Professor Bailey

Scene: A house in the fashionable suburbs.

Time: Late evening
The second comedy, "Joint Owners in Spain" by Alice Brown was very successfully enacted two weeks ago by the Domino Dramatic Society. It was so effectively presented and so few had the opportunity of seeing it that it has been decided to repeat it at this time. The dramatis personae are:

Mrs. Mitchell, matron of the Home Miss Mary Friend
Mrs. Fullerton, Miss Dyer, Mrs. Blair, inmates of the Home, Miss Lynette Walker, Mrs. Anna Ashley, Miss Rose Adams

Scene: A room in an Old Ladies' Home

Time: Early afternoon
The third drama of the series, "The Finger of God" by Percival Wilde, portrays the struggles of a dishonest man who has the reputation of honesty and reliability, to fight down the temptation to abscond with large sums of money entrusted to him, after he has lost heavily in speculations. The parts are played as follows:

Strickland, an "honest" man Professor Bailey
Benson, his valet Mr. Wallace
The Girl from the Office Miss Sally Fisher

Scene: A room in Mr. Strickland's apartment

Time: Early evening
The plays will commence at 8:15 which will allow ample time for students to attend after fraternity meetings. As the three plays are unrelated to each other one may be able to enjoy two-thirds of the program even if one cannot come before nine o'clock. In order to defray expenses an admission charge of twenty-five cents will be made, which does not in any way represent the value of the entertainment offered. The figure is set low in order that all may be able to enjoy the plays.
