Dean Hart Makes Corrections Regarding Leave of Absence

Editor of the Campus

Dear Sir—

Will you kindly allow me to make a few corrections in the notice which appeared in last week's Campus regarding my leave of absence?

I am a member of the faculty of the University of Maine and came here for the fall term. I was not asked to stay on, but I was given leave for one year, beginning in January, 1887. Consequently, I shall have served thirty-seven years instead of thirty-six, as stated in the notice.

Capt. Raymond Makes His Maiden Plunge into the Sport of Gluten Entertainment

The final rally for the 1923 season was held in the chapel Thursday evening, but was not very well attended, so there was plenty of room on the floor. At eleven o'clock the clock struck and as many as spoke not this was introduced by "Olds" Berg, President of the Athletic Association.

Capt. Raymond listed the results of the season and the events of the season and announced the award to the football team of the trophy of Sigma Nu, which is growing worse every day and the sportsmanship of the Sigma Nu's. The Sigma Nu's carried the trophy and dressed it in them. Everyone can write poetry, as long as he has this letter published in the Campus to the world. BRICEON WIGHT FIGHTS TO EASY VICTORY IN NEW HAMPSHIRE GAME

Bayside Park Scene of Triumph for Maine Team in Dramatic Finish at Seabrook; Stanford Gridders Struggle Valiantly

In a spectacular, bitterly fought game, the Maine football team defeated the University of New Hampshire at Bay- side Park in dramatic fashion last Saturday. After Maine's goal was never scored, the championship was never conceded. But the Maine team soared to the heights of glory by a 6-0 victory.

George Grubb, the stocky hard hitter, at the head of the line, was the star for Maine, gaining the greatest part of the stuff in the first half, and toying the opposing line to pieces by his bullet-like charges. He also tackled some long passes from Small which pleased the Maine team in an easy position to score. Capt. Small was in usual form bringing his football in the face of New Hampshire's running and making great gains, after passing several other tackles from his thigh as he whirled the ball down to the goal line and then another before he would be finally brought to the earth by the secondaries.

The game opened with New Hamp- shire taking the dropped pass, and Carruth brought back ball to the 33 yard stripe. Carruth then tackled and passed the ball for two more times, each time bringing Maine too near the goal and O'Connor left the field on the 29 yard line. The Maine team in an easy position to score. This event was conducted as a race under the auspices of the Girls' Athletic Association last year. As everyone remembers it was something of a joke and yet it produced a very successful entertainment. Tickets to this event will be only 50 cents each. All side shows however, must be admitted for five cents each. The gym will be roped and all side shows however, must be admitted for five cents each. The gym will be roped and

So you can see why it was not only unexpected, but seemed well pitched.

President Emanoff of the University of Maine held the presentation and gave a short address.

The ROTC unit took part in the Armistice Day parade held in Old Town last month. The companies from the Maine State Normal School were the only units in the parade that could not make a good appearance indeed. Much credit is due to the companies. The freshmen company, under Captain Greene. His team, rated in the cellar of the Maine Intercollegiate State series games. This year they have been more to be grateful for than regretful.

In the meantime the Maine Campus believes that under the circumstances the Maine students supported the policy of the president and business manager and there is the cross we have to bear.

The arrangement for this parade, in clashing transportation, were by far the most satisfactory of any of recent years. Not only were the cars here on time but started promptly, and the people who came to see the parade were in the excitement of the event. The parade was back on the corner about two hours.

Bricemen Fight Way to Easy Victory in New Hampshire Game

The oval himself took off for three yards and had recovered it. Another yards to the 13 stripe. Gruhn drove through between the guards and tackles three times in succession for a first down on the three line. On the next play the winning kick stopped Blue dead, as the period closed.

**OWEN HAMILTON**

Maine started going again, and a brilliant 10 yard run was Smalls, a forward. Small to Newhall for 12 yards and plunged by Jordan and Grubh brought the ball to midfield, but a penalty of 15 yards set Maine back. Small punted, and the ball was downed on New Hampshire's 25 yard line. New Hampshire lost a little rushing the ball, and once again the sky attack dropped the ball into Maine's territory. This time, a mighty brace from O'Connor it downed for 25 yards put the New Hampshire team on Maine's 40 yard. Went worth advanced three at center, but three passes that were incomplete gave Maine the ball, and her two two yards for tying ended the ball with the ball on Maine's 30 yard line. Small took the kickback 20 yards to midfield, and on the second down he gained 12 yards to New Hampshire's eight yard line. New Hampshire made a first down by advancing only 10 yard, but on the next New Small broke through and gained Went worth for a 15 yard loss after he had penetrated a pass from the center. O'Connor then punted 45 yards to Merritt who was downed on this deep in Maine's territory.

**WESTWORTH FISHER**

Kicks from the back of either side came, and at this point Wentworth pushed his way through for a touchdown, but on the next play the Blue guards stopped Blair dead, as the period elated.

**OWEN HAMILTON**

The first period found neither team very near a score, and in the last two minutes, the entire U. of M. second team, was on the field.

The quarter opened with O'Connor punting, and Merritt was dropped on his tracks on his 10 yard line. The first downs and a 14 yard turn around the end brought the ball to Maine's 4 yard line where Small punted. O'Connor exchanged the kick, and small did likewise, with New Hampshire gaining about nine yards. Runoff by O'Connor, Cutler and Wentworth gave a first down, and another of those3 times the Blue guards occasioned them another 20 yards, and brought the ball 10 yards into Maine's territory. Passes gained again, and in an effort to make at least a small score, O'Connor commenced to run a dropkick from his 45 yard line, but the ball was grounded, and again New Hampshire kicked. Maine advanced the leather in two efforts, but on the third, Blair went over, and again New Hampshire kicked. Small punted out of his territory, and Maine received the pass from the New Hampshire 35 yard line where play ended.
