FROSH HAND VARSITY A SET-BACK ON COURT

Freshman Team Loses by Only Three Points; Epstein and Beatty Star for Yearlings

The Maine Varsity found the Freshman team a tough proposition Saturday night and succeeded in beating them only 21-18. The game was fast and thrilling as first one side and then the other took the lead during the game. The freshmen seemed a bit bewildered in the first quarter, while the Varsity piled up ten points on them. In the next quarter, however, they found themselves to the extent of making eight points while the varsity made a foul. The 1927 quintet played circles around the regulars in this quarter. The play was fast and a bit rough.

The freshmen had been sized up as a good team but it was not expected that they would give the varsity men such a fight. The regulars seemed to have the advantage at first, obtaining the ball with little trouble. This was not the case very long, however. Epstein, the clever little forward, played a very good game against Capt. Berg. Beatty at center proved a good shot and made a long one from the center of the hall. Wass at right guard, was high scorer for the frosh. He obtained a sensational one-handed shot in the third quarter.

The goals were well divided between the Varsity player Horsman and Newell stood out in the play. The freshmen kept them all well covered. George made a pretty shot in the last quarter.

Summary:

MAINE VARSITY 21

University Co-eds -37 Lee Academy Girls-22

The girls' varsity basketball team played their first game Friday night with Lee Academy. The work of the forwards, Crockett and Hunt, was especially noteworthy.

The line up:

LEE ACADEMY (22)		MAINE (37)	
Pickering rf	rf	Crockett	
D. Haskell lf	lf	Hunt	
E. Thompson c	c	Varnum	
Benson sc	sc	Clark	
C. Thompson lg	lg	Sargent	
E. Haskell rg	rg	Perkins	

Referee, Berg; Scorer, Orne; Time-keeper, Nevens.

Substitutes for Maine were: Emery for Crockett, O'Leary for Hunt, Brackett, Hunt for Varnum, Linekin for Sargent, Hughes for Perkins. For Lee: Benson, Cobb for E. Thompson, Lowell for Benson.

Drawing of Maine Campus Decorates the Board Room

A drawing in colors of the campus, as it may appear about fifty years from now, has recently been placed in the Board Office in Alumni Hall. This drawing shows all present existing buildings and proposed buildings and additions for the future.

The plan provides for about forty new buildings, including the Gymnasium-Armory, Crosby Engineering Building, a girls' athletic field, new dormitories for men and women, an addition to the Library, several agricultural and home economics buildings, a boathouse, and others. An oval will be built between Alumni Hall and the new Arts and Science Building, so that sometime the center of the campus will have shifted to this point, all buildings being grouped around this figure. Many new walks will be added, and a great deal of work will be done in landscape gardening.

At present the appropriations cover only the buildings under way. The new plan, as drawn by Little and Company, Boston Architects, is but a dream, but the future will see it realized.

Building Committee Appointed To Hasten Erection of Armory

The first steps toward the Memorial Armory have been taken and a building committee has been elected consisting of: Chairman, William MacSawyer '01, Hosea Buck '93, Doctor C. C. Little, N. H. Mayo '09, Howard G. Philbrook '09, Doctor J. S. Ferguson '89. Members ex-officio: A. W. Stephens '99, Harry E. Sutton '09.

This committee, in cooperation with the architects, will plan the building.

At a recent meeting the committee decided that the elements which the building should contain are: Indoor field, gymnasium, swimming pool, military department, offices and store rooms. One of the chief problems confronting the committee is the heating proposition. In a few days contracts with the architects will be signed and plans will be commenced.

Just when the building will be started is not known, for it will depend almost entirely upon the rapidity with which the subscription payments are received.

The latest figures issued from Alumni office, are:

Total number of alumni who have subscribed 2872.
Total amount of Alumni subscriptions \$420,992.
This amount is 84% of their quota. Amt. left to be raised \$79,008.
Friends' subscriptions \$13,550
Students (approx.) \$100,000
Total of all subscriptions received \$533,009.

The cost of the campaign is a new record for such of its kind for the total cost amounts to about 5½¢ on a dollar. In other campaigns the rate has been about 15¢ on a dollar.

The reason for this difference is that in the last campaign, much of the time was given by the members of the committee and about \$50,000 was saved.

In a class contest, for the drive, the class of 1882 received the cup which was awarded by the Memorial Fund Committee.

Dean J. N. Hart to Leave Soon for Long Vacation

With the close of the present semester, Dean James N. Hart will enter upon a half year's leave of absence.

Tentative plans have been made by Dean Hart regarding his vacation. He expects to leave immediately, accompanied by Mrs. Hart, for Florida, where he will remain for the winter.

Upon their return from Florida, Dean Hart will visit friends in Washington, Baltimore and other places. From New York Mrs. Hart will return alone, while it is expected that Dean Hart will continue his vacation by taking a sea voyage.

Although he has made no definite plans, it is expected that he will sail aboard a steamship of the United Fruit Co. to parts of the Caribbean.

After the voyage he will join Mrs. Hart and journey to the White Mountains for a short time before returning to assume his duties at the University.

During his absence from the University, his work will be continued by members of the faculty. Professor Willard will assume charge of his work as head of the department of Mathematics. Other arrangements for meeting the administrative duties will be announced.

Attendance Required at Campus Board Meetings

Beginning with the first Campus Board meeting for next semester, Feb. 6, attendance at the meetings will be required for all present members of the board and all candidates for positions on the Campus staff, both of the news and business departments. Attendance will be taken and absences will count against candidates when recommendations are made.

This action was taken at a recent meeting of the executive committee because it was felt that the Campus would be benefited, as well as the individuals, if all would attend the regular meetings. Many of the candidates are unknown to the present editors and managers of the paper because they do not have a chance to meet them. From now on opportunity will be given to get acquainted. With all members present, constructive criticism can be offered and suggestions made for improvements, which would be ineffectual with only a few in attendance.

It is hoped that short addresses may be delivered at these meetings by Dr. Little, Dr. Ellis, Mr. Gannett, Mr. Rowlands and others who are interested in the paper.

Regular conferences are held every Wednesday in Room 3, Alumni, at 1 o'clock sharp. The Campus staff will meet again Jan. 30.

The Campus Board sincerely hopes that there will be left enough of its members to publish another Campus. Do I hear that statement doubted?

Plenty of Talent Shown By Maine Musical Clubs

From the moment that Carl Libby's instrumentalists started off the program with a special arrangement of a late fox trot until the combined glee and instrumental clubs sang the Stein Song, the 1924 concert of the Maine Musical Clubs was a "bang-up," "peppy" show that pleased the big audience at Bangor City Hall last Tuesday night. Long before the curtain rose for the opening number on the program every seat was taken and it was "standing room only" for those who came after eight o'clock. The Glee Club gave a splendid musical performance; the soloists put their numbers across in fine style; and the instrumentalists came in for their full share of applause. All in all, it was one of the finest concerts of its kind that Maine has ever attempted.

Among the special numbers on the program was a saxophone quartet arrangement of a popular number. This was admirably done by Carl Libby and three of the members of his team. A reading, "That Old Gang of Mine," by Ed Curran, was enthusiastically received, as was the syncopated piano duet by Evans and Reiche. Kenneth McGregory sang "On the Road to Mandalay" and was forced to encore. "Roses of Picardy," by Jones, was also well received and he too sang a second number. One of the finest numbers on the program was a bass solo by Sid Osborne, leader of the Glee Club, who sang "The Bedouin Love Song."

The best numbers sung by the glee club were "Gypsy Life" and "Joshua." The instrumental club played all late numbers, including Sunshine of Mine, Love, Raggedy Ann, The Only Girl and Memory's Garden. The stage was attractively decorated for the concert and general dancing followed.

Kappa Nu Alpha Added To List of Sororities

A new girls' sorority has recently been organized on the campus. The name of this organization is Kappa Nu Alpha. The members are: Joy Nevens '24, Ellen V. Pierson '24, Eva S. Pride '24, Ethelyn M. Percival '24, Margery E. Bailey '25, Mary B. Harris '25, Annie Fuller '25, Dorothy Mossler '25, Madeleine McPhetres '25, Velma Oliver '26, Muriel Varnum '26, Jessie Wood '26, Amy Adams '27, Annette Matthews '27, Emily Pendleton '27. The sorority colors are emerald and gold.

This sorority has a standard of 2.2 in rank for admission of new members.

It is fortunate that we do not have to pay our own electric light bill. But who does?

Co-eds, take those knickers out of the moth-ball chest. The Carnival is almost here.

STUDENT SENATE HAS REVISED CONSTITUTION

Referendum Allowed if Sufficient Number of Students Petition; Dr. Little Approves

There has been a feeling for some time among the members of the Student Senate that there was need for more effective machinery in carrying on the work of the organization. At a meeting of the Senate last Tuesday afternoon, a new constitution, based on the ideas of ex-president Lord and approved by the President of the University, Doctor Little, was adopted.

The motion for adoption was so worded as to allow for a referendum on part of the student body; if a petition, signed by seventy-five or more members of the men's student body, asking for a student referendum, is received before February first, the adoption will be put to a student body vote. If no such petition is received before this date, the new constitution will immediately go into effect.

Several changes are embodied in the constitution and the President and members of the Senate feel that they will greatly increase the efficiency of the body. The activity and influence of the Student Senate have increased greatly during the present school year and with the new constitution in effect, the organization should play an increasingly larger part in student life.

The text of the new instrument follows:

CONSTITUTION OF THE MEN'S STUDENT SENATE OF THE UNIVERSITY OF MAINE

ARTICLE I—NAME

Section 1

The name of this organization shall be "The Senate of the Men's Student Government of the University of Maine."

ARTICLE II—OBJECT

Section 1

The object shall be:

- (a) Discuss conditions about the University.
- (b) Discuss conditions relating to Student Government.

(Continued on Page Three)

Freshmen Argue Right of Girls Attending Banquet

Heated argument over whether or not the freshmen girls are to be invited to the banquet of the class of '27 featured a meeting of the young men and women of that class held the first of the week in Alumni Hall. The session was presided over by Sherman Rounselle who was kept on the jump recognizing those who wished to express their views on the subject. The purpose of the meeting was to decide just what disposition should be made of the matter of class dues, and it was finally voted to add them to the Fall semester term bill.

When the matter of dues had been settled to the satisfaction of all concerned and after rather lengthy debate, some one asked how the banquet was coming along. Some male member of the class addressed the president and aired his views concerning the rights of the girls in the matter. When he suggested that a precedent be established by inviting the ladies, enthusiastic cheers came from the corner where the fair damsels sat. A moment later they were plunged into gloom as some Daniel Webster on the other side caustically explained that it simply wasn't done. He said that if the boys wanted to entertain the girls they could find a far more propitious occasion than the class banquet. Champions of both causes then clamored for a chance to speak and between the cheers and groans of the girls the matter was argued pro and con.

No action was taken in the matter and it is very likely that it will be dropped. As President Rounselle explained, freshmen girls have never taken part in the banquets of their class and it is not likely that a new move like that on the part of this freshman class would meet with popular favor. The attendance at the meeting of the class included most of the freshmen.

FOOTBALL AND CROSS COUNTRY LETTER MEN BANQUET IN BANGOR

Penobscot Valley Alumni Association Tends Dinner to Maine Athletes at Chamber of Commerce

The Penobscot Valley Alumni Association gave a banquet in the Chamber of Commerce rooms at Bangor in honor of the letter men of both football and cross country with the coaches. The banquet was attended by about 100 members.

Horace Hilton commonly known among his friends as "Hod," presided as toastmaster and fulfilled the position efficiently. The first speaker he called on was Colonel Strickland, president of the board of trustees of the University.

Colonel Strickland spoke on the fight that they had with the legislature in securing money for the University. He spoke of the improvements in the college buildings and said, "I am responsible for the new bath room in Mt. Vernon." He also stated that the Trustees did not have much of a job to do just at present as the University has a "Prexy" who is on solid ground.

"Bob" Clark was next introduced and spoke on Alumni affairs. He said that at present the activities were running smoothly and the biggest thing that unite the Alumni is the Maine Alumnus which he has charge of. He said that the

(Continued on Page Three)

MAINE SPLITS EVEN WITH COLBY ON RINK

Maine won the first of the State Hockey games last Wednesday afternoon when she defeated Colby College 3 to 0.

The feature of the game was the playing of Elliott of Maine and Vale of Colby. Both played at center. Vale was injured in the first period but remained in the game for the full three periods.

The rink was in very poor condition because of the poor weather. If the ice had been in better condition Maine undoubtedly would have made a larger score.

Baxter kept the Maine goal clear and Stover and Stone kept the Colby goal-keeper on the jump.

MAINE (3)		(0) COLBY	
Elliott c	c	Vale	
Stone rw	rw	Muir, McPherson	
Stover lw	lw	McGowan	
McKay rd	rd	Millet	
Blair ld	ld	Pike, Scott	
Baxter g	g	Engstrom	

Maine lost the second hockey game with Colby last Saturday at Waterville.

The first period was close and hard-fought, neither team scoring.

The clever team work of Vale, McBay and Millet of Colby kept the puck in Maine's territory most of the time.

(Continued on Page Four)

Alumni Association Holds Yearly Election in Bangor

At the annual meeting of the Penobscot Valley Alumni Association of the University of Maine held in the chamber of commerce at Bangor Friday night, the following officers were elected for the ensuing year: John P. Ramsay, president; C. Parker Crowell, vice president; Ralph Whittier, secretary-treasurer; Horace A. Hilton, Lawrence P. Libby, Osgood A. Nickerson, executive committee. A banquet preceded the business meeting and social, with Horace A. Hilton as toastmaster. Among those responding to toasts were Col. Frederick H. Strickland, president of the board of trustees of the university; Robert P. Clark, the new alumni secretary; Frank Kanaly, track coach; Fred J. Brice, football coach; George Gruhn for the football team; C. P. Patten for the track men; W. McC. Sawyer for the Memorial Fund. President C. C. Little was present and gave an interesting address.

About 100 persons were present including a number of women graduates of the university.

Words of Praise

For weeks past it seems that we have continually been criticising or finding fault with things. But now we wish to direct attention to one of the best things about our University. It is that here no prep school groups have control. No matter what prep school a student comes from, or how brilliant his past career, he has no better chance for a successful college career than the unknown student from the small school. That this is true here has been shown time and time again by the fact that men who graduated from small schools have been ranked among Maine's biggest men at graduating. That many of the larger colleges are run by cliques from private schools is a thing for which they are often criticized.

As students of the State University we can well be proud that we have no such social problem. A Maine man gains success for who he is and what he does and nothing else. This we deem to be true democracy.

The Student Senate

Last fall the *Campus* criticised the Student Senate for inefficiency, which seemed altogether just at that time. Since then the Senate has come to the front so rapidly that the change has been remarked by many. The new constitution lately adopted by that body is the latest evidence of its constructive program. Under its provisions we believe the Senate can exercise potent good for the University. All matters of general interest to the student body should be fearlessly taken up and given fair treatment. Who is better fitted to judge the advisability of making hockey a major sport than the student body thru its delegates? When unsportsmanlike conduct is evidenced on the athletic field, how could student disapproval be better voiced than by resolution of the Senate?

We mention the above points as examples of cases where we believe the Student Senate can be of value. Only by effectual treatment of vital questions can that body establish the prestige that it warrants.

Library Hours

That the library should be open more hours on Sunday has often been expressed by many students, but the new hours, which provide that the library shall be open only from 2 P. M. to 4 P. M. Sundays seems to be the climax.

Why the library should not be open Sunday evening we cannot perceive. Although Monday references are just as hard as any day's, yet access to the library is not possible any evening during the week end. As the students indulge in recreation Friday and Saturday evenings, it is unnecessary for the library to be open then. And although it is open on Saturday, most students take that day for exercise or personal affairs, hence then it is little used. But by Sunday afternoon most students are thinking about their studies, as is evidenced by the fact that the library is more crowded then than at any other time during the week. Yet Sunday evening, which is as much a study evening as any other, the library is closed. This is a great inconvenience to many students who go home weekends, as well as for others who have references to do for Monday classes.

We believe that many students are forced to go unprepared Mondays who

would do their library work Sunday evenings if the library was open.

Interfraternity Visiting

Consensus of opinion concerning interfraternity visiting week indicates that it was entirely successful in accomplishing the ends for which the Senior Skulls designed it. Opportunity to visit other houses was taken advantage of by all who so desired, new acquaintances were made and old ones strengthened, and an entirely new mutual interest was created among the fraternities.

The greatest weakness of the scheme was that visitors met only a few of the members of the houses they went to, for the others were out at other houses. It may also be said that the visitors did not see the houses under normal conditions. These, however, are minor defects that were to be expected.

Interfraternity visiting, however, should not cease with this outburst of enthusiasm. Such a spirit of fellowship and hospitality should be created that one would feel free and welcome to visit any house at any time. This is one of the aims which the Skulls had in promoting Visiting Week, and is a thing the *Campus* believes would work for the best interest of every fraternity and of the University of Maine.

New Co-ed Rulings

Friday, January 11, at 30 Coburn Hall was held a general mass meeting of the Women's Student Government Association. The proposed amendment to the Bylaws on Finance, which changed the tax of 25 cents a year for membership to 50 cents a semester, was carried by a majority vote. It was also voted and placed on record that the tax be collected thru the treasurer's office and be placed on the term bill at the beginning of each semester.

This financial rearrangement will place finances on an efficient and stable basis, whereby funds will be adequate to take care of the cost of stationery, correspondence materials, and the two delegates sent each year to the annual Women's Inter-collegiate Student Government Association Convention.

Sophomores Discus Dues And Other Class Problems

The sophomore class meeting was called to order by President Fraser Tuesday noon at chapel. The first business concerned class dues. It was voted that the dues which will be one dollar a semester, be put on the term bill, together with the dues of last year which have not already been paid. In this way the class will obtain a fund to fall back on.

Johnnie Swett was then called upon to talk over the Hop with the class. He said that if the Sophomore Hop was formal and lasted until one o'clock, the Carnival Ball would also have to end at one o'clock. But, if the Hop ended at twelve, the extra hour would be added to the Carnival Ball, extending that until two o'clock. He also talked about the financial advantages of having an informal. After some discussion it was voted that the sophomore dance be informal and end at twelve o'clock providing the Carnival Ball is extended until two.

As there was no further business, the meeting was adjourned.

University Receives Gift

Through Mr. Edwards, state highway bridge engineer, the College of Technology has received several valuable surveying instruments from the war department. By engineers they are designated as being direction and vertical circle instruments, of the variety used by the government in its surveys. The value of the gift was roughly estimated at \$1500. The instruments will be used by the junior classes in field work.

Mr. Edwards is a graduate of the university and for some time has been connected with state and national highway work. On Tuesday evening, Jan. 22, at 7 o'clock he spoke here on Writing specifications.

If we could judge a person's mental or chronological age by outward appearances, we would be tempted to say that some of Maine's fair co-eds are lapsing into the nth degree of childishness. But the baby bonnets are becoming.

Speaking of skating, we wonder: How about the winter carnival?

CORRESPONDENCE

January 21, 1924

Editor "Campus"

Campus.

Dear Sir:

I think that the enclosed verses which appeared in a recent number of the Old Town Enterprise are worthy of notice in our "Campus."

Dean Benjamin is a loyal alumnus of Maine. He was for many years Professor of Mechanical Engineering at Case School of Applied Science and afterwards Dean of Engineering at Purdue University, from which institution he retired from active practice and now lives in Altadena, Calif. Unlike most engineers, he is a water color artist and writer.

Sincerely yours,

H. S. Boardman.

Dean

There is snow on the crest of the mountain

But green are the valley and plain,

The calendar says it is Christmas,

But it's not like the Christmas in

Maine.

There are oranges gilding the orchards,

And roses adorning the wall,

The sun shines hot on the terrace,

It seems not like Christmas at all.

But the back-log gleams in the chimney

The holly wreath hangs in the pane,

The postman comes with a package,

It seems quite like Christmas in Maine.

The jew's-harp trio will now render that tuneful old harmony,
"Work, for the finals are coming,
which no man can pass."

SCRATCHES FROM THE SPORT PEN

HOCKEY SCHEDULE

Sat. Feb. 2—Boston University at Orono

Tues. Feb. 5—Coburn vs. U. of M.

Freshmen at Orono

Wed. Feb. 6—Bates at Lewiston

Fri. Feb. 8—Bowdoin at Orono

Fri. Feb. 8—Hebron vs. U. of M.

Freshmen at Orono

Wed. Feb. 13—Bates at Orono

Wed. Feb. 13—Coburn vs. U. of M.

Freshmen at Waterville

Sat. Feb. 16—Bowdoin at Brunswick

Fri. Feb. 22—Exhibition game at Augusta Carnival

The Freshman Team staged a surprise Saturday night, and made the Varsity step some during the greater part of the game. With this material available, despite the probable loss of several stars by graduation, Maine will continue to climb in basketball circles. There will be a pretty race for positions, at any rate, and a very strong team should result.

Altho Colby hockey team evened up the standing with Maine last Saturday, they failed to gain as decisive a victory as the Blue obtained here at Orono. The game was fast and clean. It is expected that Stearns will be eligible next semester. It is expected that he will play center, and that Elliott will be moved in to the defense.

The next game on the ice will be played with Boston College on February 2. B. C. has a very good team this year. The State Series starts soon after this game. Bates looks to be the strongest team in the state which we will play.

Don't forget the Maine "Hello."

The Winter Sports team has been having hard luck. The rapidly changing weather has not given them snow enough to get much practice. The few who are out have been practicing faithfully, but a larger squad is needed to have a really successful team.

Why the pronounced lack of interest in Winter Sports? At present, there are only twenty men working out for the various events. This number includes freshmen who cannot compete in intercollegiate carnivals. Reports from Lewiston show that Bates has one hundred men now in training for the coming snow competitions.

All freshmen reporting for the Winter Sports team will be excused from Physical Training by Director Wallace. Although they cannot compete at the intercollegiate carnival, they will have a chance to enter the Bangor Carnival.

The ski jumping department is seriously handicapped this winter. "Bill" Elliott is out of the lists because of a bad knee. However, Christopherson will return from the Forestry Camp in time to enter this event.

We look to "Phil" Sargent and Sweetser to win the cross country skii race. Capt. "Pat" Patten will bring home honors in the cross-country snow-shoe run.

Eastman and Snow will appear in their usual event, the 150 yd. snow-shoe dash.

The faculty snow-shoe race will be a heated contest. The three contenders, "Archie" Grover, "Stut" Brooks, and "Jimmy" Gannett, are all out for blood.

Crib not, for the day of judgment is at hand.

Most popular college sport

"As I look back on my college days," said the old grad, "it strikes me there were more men playing blind man's buff than all other games combined. I understand this is still the case.

"Get me straight. It was no child's play. What we were groping around for was pretty serious business—nothing less than a career.

"Too many men are in the dark as to what they will do after graduation. Either they neglect to specialize in anything, or hastily select a major which they afterwards regret

"I know I would be considerably ahead in business if back at college I had sat down for a few hours' earnest thought to find out just what work I liked best—and then gone in for it heart and soul.

"Pick the thing that appeals to you, and don't let them tell you that particular line is overcrowded. Talk this over with graduates you know. Talk it over with your professors. Talk it over with the industrial representatives next Spring. Most of all, talk it over with yourself.

"The main thing is to get on the right track and to keep going. There's no fun in being 'It' in the game of life, with every change in fate ready to push you off an uncertain course."

ARTICLE IX—A

Section 1

Student Senate Has Revised Constitution

(Continued from Page One)

(c) To act as co-ordinating body between the University Administration and the Student Body.

(d) To make recommendations to the University Administration.

ARTICLE III—MEMBERSHIP

Section 1

The Senate shall be composed of members chosen by popular vote from and by the various groups represented and one faculty member appointed by the administration. The number of members from each organization shall be determined on the percentage basis. One Senator shall be chosen from each fraternity and from each group of thirty non-fraternity men, or major fraction thereof.

Section 2

The members shall consist of representatives from:

- (a) Each fraternity
- (b) The Dormitory Men
- (c) The off campus men
 1. Men living in Orono and Veazie
 2. Men living in Bangor and Brewer
 3. Men living in Stillwater and Old Town

Section 3

All men neither belonging to a fraternity nor living in the dormitory shall be considered as off campus men.

Section 4

Any vacancy occurring shall be filled within two weeks after such vacancy shall occur and in the same manner as the office was previously filled.

ARTICLE IV—DUTIES OF MEMBERS

Section 1

It shall be the duty of each member to attend all meetings except when he is excused by the President of the Senate for a sufficient reason.

Section 2

Any member who is absent from regular meetings two consecutive times without having previously been excused by the President of the Senate shall be automatically expelled from the Senate and a new member shall be elected to fill his office.

Section 3

It shall be the duty of each member to vote on every question requiring such action.

ARTICLE V—OFFICERS

Section 1

There shall be a president, vice-president and three clerks.

Section 2

(a) The President (preferably a senior) shall be elected by secret ballot from and by the Senate.

(b) The Vice-President (preferably a junior) shall be elected in a similar manner.

(c) The three clerks shall be appointed by the President of the Senate and shall represent three different organizations and shall not be appointed from the members of the Senate.

Section 3

(a) It shall be the duty of the President to appoint all standing committees. The committees on:

- (1) Administration; (2) Athletics; (3) Publicity; (4) Auditing; (5) Alumni; (6) Honors; (7) Rules; (8) Schedule; (9) Social Affairs; (10) Secondary School Relations; (11) Student Activities (non-Athletic); (12) Health; (13) Chapel; (14) Military; (15) Joint Committee with Girls' Student Government.

(b) The clerks shall not be allowed to vote but shall merely take down the minutes of the meeting and read at each meeting the minutes of the previous meeting.

(c) The clerks shall be subject to the same regulations in regard to presence at meetings as the members of the Senate.

ARTICLE VI—MEETINGS

Section 1

The Senate shall meet twice monthly at such time and place as shall be designated by the President assisted by the advice of the members.

Section 2

The President may call a special meeting at any time necessary.

ARTICLE VII—POWERS OF SENATE

Section 1

The Senate shall have the power to investigate any question relative to the Student Body or any member thereof and to recommend to the Administration that action should be taken with respect to same.

Section 2

The Senate shall have power to summon before it any student or students for trial or testimony.

ARTICLE VIII—QUORUM

Section 1

A majority of the members shall constitute a quorum.

ARTICLE IX—AMENDMENTS

Section 1

This constitution may be amended by two-thirds vote of the members present at any regular meeting.

Football and Cross Country Letter Men Banquet in Bangor

(Continued from Page One)

alumni are also starting an employment bureau and any of the alumni who want better jobs should send in their names to the headquarters of the association.

Coach Frank Kanaly spoke on the successful season. He mentioned the coming varsity and freshman relay races, also the good work of Capt. "Sim" Raymond and "Art" Hillman in cross country and the work which Manager Ayer did during the season. The rallies was the one thing which impressed Coach Kanaly greatly and he said that they were as good as sub-coaches and showed that the student body was behind the teams.

Coach Brice spoke on changing football methods. The game is changing from year to year, he said. In the old days it was weight and drive; today it is speed and brains. For an illustration he spoke of a raw-boned Irish boy who had weight and bull strength but lacked the brains to absorb and get straight the signals. He naturally would get the signals mixed up and finally the coach told him to get out if he couldn't get the signals straight. The fellow spit upon his hands and said "To hell with the mysterious signs, show me the man." He asked all alumni to send experienced men to Maine as the greatest difficulty is that they have to deal with green men who have not played or had good coaches.

George "Bozo" Gruhn represented the football men and introduced each man who stood up so all the alumni might see the fellows separately, who were out on the field fighting for Maine last fall. "Bozo" said we should have a good team next year although a few men would be lost by graduation.

Clyde "Pat" Patten represented the cross country and commented on the work of Coach Kanaly, Manager Ayer and the spirit the team had in putting their faith in a strange coach to them. "Pat" also introduced the fellows who won their letters this fall and in closing expressed his thanks in behalf of the team for the banquet given in honor of the two teams.

Hazen "Hot" Ayer spoke on the student government giving an outline of its functions giving "Prexy" Little the credit for starting the organization which will cease the friction between students and faculty.

"Mac" Sawyer spoke in regard to the memorial drive giving an outline of the work. Total amount raised \$533,099.12. Average cost to raise it 5%.

Areas reached quotas—Northern Aroostook, Cumberland, Hancock, South Kennebec, Knox, Penobscot, Piscataquis, Sagadahoc, Washington Counties, Western New York, Maryland and S. Eastern United States.

There is a building committee and the building corporation has started. Things are running smoothly and the Armory-Gym should be with us before many years.

"Hod" said "he wasn't man enough to assign 'Prexy' Little a subject so he would turn him loose." "Prexy" delivered a very interesting speech in summing up the events of the present year. He commented on the expenses of the Memorial Fund Drive at being kept at 5% as those in most colleges ran up to 10 and 15%. He spoke of the new building being erected and mentioned that the builders had to go down to the well populated section of the earth to find suitable foundation. Comments were given to several students who were accomplishing their ends at college, stating that athletics put vim in the students and they did good work in their studies. "Prexy" brought out that if the Soviet government had done as much as the student government at U. of M. it would have been recognized by other countries. The U. of M. is a place where the students are going to be taught how to fight, not by arms, but by fighting for the things we want. It is this kind of fighting which keeps peace.

The new football song was sung by the undergraduates with Charles D. Bartlett at the piano; also music was furnished by the S. A. E. orchestra during the banquet and in closing the Stein Song was sung by all.

On account of the recent action of the Faculty Athletic Board, no Varsity relay team to represent the University of Maine will be sent to the Knights of Columbus indoor games to be held Jan. 26 at Boston. The conflict between this date and that of the finals was given as the reason for the ruling.

- Feb. 2 Hockey game. Maine vs. Boston University, at Orono
- Feb. 3 Basket ball. Maine vs. Worcester Polytechnic Institute, at Bangor
- Feb. 6 Hockey game. Maine vs. Bates at Lewiston
- Feb. 7 Basket ball. Maine vs. Harvard at Boston

- Feb. 21 Basketball. Maine vs. M. I. T. at Cambridge
- Feb. 22 Basketball. Maine vs. Portland Athletic Club at Portland
- Feb. 23 Basket ball. Maine vs. Tufts at Medford
- Feb. 24 Basket ball. Maine vs. New Hampshire at Durham
- March 3 Basket ball. Maine vs. New Hampshire at Orono

NOTICE

Changes in the administration owing to the absence of Dean Hart during the spring semester are announced below for the benefit of students:

All freshmen who in the past have been accustomed to going to Dean Hart for advice, will apply to the Dean of their respective college.

All requests for authorized absences by the students will be passed upon by the Deans of Colleges.

Excuses from chapel attendance should be made to the Registrar.

Students wishing to bring matters before the Committee on Administration may present them to Dean Boardman who will act as secretary of this committee.

At the Orono Churches

The Sunday evening service at the Methodist Church, Orono, was in charge of the students who have returned from Indianapolis. Frances Perkins, the first speaker, spoke about the lecturers and the convention itself and Frank McDonald gave a fine talk on the spirit of the convention. The Christian Endeavor meeting at the United Parish was also in charge of students who attended the Volunteer Convention. Ruth Hitchings and Harry Candage were the speakers.

Latest Concert Heard Over Radio

"This is the Phelta Tappa Fraternity House, Orono, Maine; Station MUD. Mr. G. Howie Shoutz will now render, for your approval, a vocal selection accompanied by a harmonica obligato by Mr. Phil. T. McNasty. If our music comes through please drop us a card. Just a minute, please; stand by, please.—Are you ready? Yes, for the snipes sakes, snap into that piano!

- (piano) Plink, plunk, plink.
- (voice) Give me a smile, the love light of your—
- (another voice) Damn luck, I expected to rate some mail.
- (song continued) Life cannot hold a—
- (voice No. 2) Freshman on the telephone.—Make it two.
- (song) Give me the right to—
- (voice No. 3) Pipe down, seven o'clock.
- (song) My world forever the sunshine of your—
- (static) Shrie—e—e—k, Grr-t, Whe—e—e.

"The next number of our program will be a piano wrestle entitled, "Ohm Sweet Ohm," this is a current radio song; the sheets of music will be turned by "Watt" Burnsey; the ivory clawing by Mr. N. I. Allate. Stand by, please. If our music comes through, please send us a card. Stand by, please.

- (piano) Plink, plunk, —crash. Plink, plunk, —crash.
- (voice) Are youse birds broadcastin' agin?
- (piano) Plink, plink, etc.
- (another voice) I'll bite, are we?
- (piano) Plunk, plunk, etc.
- (static) Scre—e—e—ch. (five minutes of this).

"Our concluding number will be an appeal from Mr. Sol Issitt for Siberian wolf puppies who are starving for want of cucumber warts. If our program comes through, please drop us a card. Stand by, please.

(speaker) It gives me great pleasure to stand before such an intelligent audience.

- (speaker embarrassed) Cough, cough. I mean er, er, you know, cough.
- (atmospheric interference) Sque—e—e—k, Grrr-r, BANG."

Frat dogs are becoming almost as numerous on the campus as "bugs" were a month or so ago.

It is all a question of the survival of the unfittest. They are the ones who crib.

Maine Splits Even with Colby on Rink

(Continued from Page One)

The puck was coming so fast and from so many different directions that it is not to be wondered at that Baxter let two of them go into the net. But for his excellent work the game would have been a run-away for Colby.

Just before the final whistle, Stone broke thru with a long shot into the net that saved Maine from a shut-out. Baxter made 13 stops to Fagerstime's 6.

Intramural Basketball

The standing of the houses in the Intramural A. A. up to Jan. 19 is as follows:

NORTH LEAGUE

	Lost	Won
Commons	0	2
Sigma Nu	0	1
Theta Chi	0	1
Sigma Phi Sigma	2	0
Beta Theta Pi	1	0
Phi Mu Delta	1	0

CENTRAL LEAGUE

Sigma Alpha Epsilon	0	2
Phi Eta Kappa	0	1
Phi Gamma Delta	0	1
Delta Tau Delta	1	0
Kappa Sigma	2	0

SOUTH LEAGUE

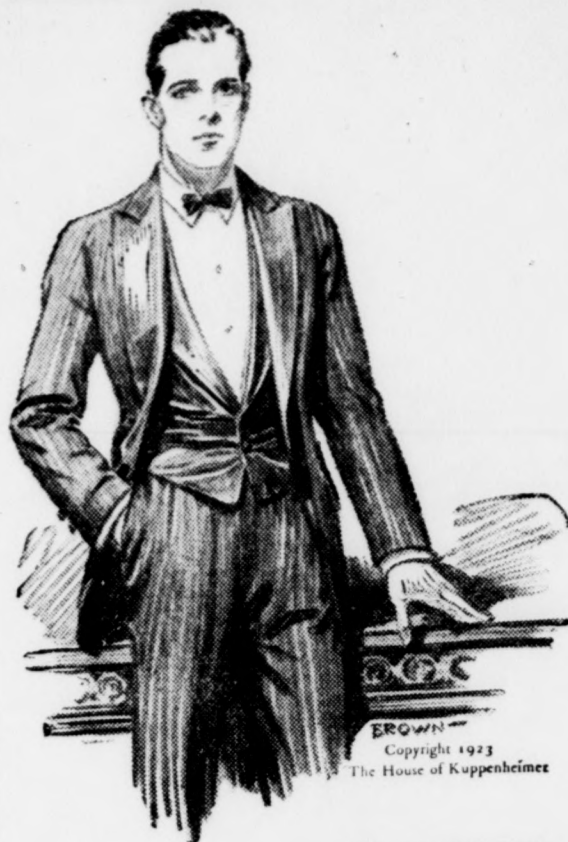

Sigma Chi	0	2
Phi Epsilon Pi	0	1
Alpha Tau Omega	1	1
Lambda Chi Alpha	0	2

In the north league, both Sigma Nu and the Commons have shown powerful teams and it looks as if they would combat for first place in their league. In the central league Sigma Alpha Epsilon has a good team while Phi Gamma Delta's team shows the loss of one of its forwards. Sigma Chi and Phi Epsilon Pi have made good starts in the south league.

The one-way radio service between Phi Kap and Balentine is all right as far as it goes. A universal adoption of the radio idea might save some of the wear and tear on the Balentine freshmen.

We wonder if the varsity found the freshmen as easy as they expected last Saturday night.
