REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Monhegan:

I hereby submit my first annual report for your consideration.

Miss Lillian V. Braddock taught the fall term of eleven weeks but resigned before the winter term opened. Mrs. Field was hired to substitute until a regular teacher could be obtained. She found, however, that it would not be profitable to teach for so short a time, some discussion was raised, and she decided to refuse the position.

Finally Mr. O. C. Turner of Veazie was hired. Mr. Turner has attended the University of Maine three years and is capable to teach any common or high school subject. I believe he will make an able teacher. Pupils to make good citizens must learn to obey certain laws and regulations of society. There is no better place to learn them than in school. No school can make rapid headway without order any more than a ship can with an unruly crew.

Some of the books will have to be changed this year especially if peace is made in Europe. The sudden increase in the number of pupils has necessitated the purchase of a few new books. A new flag has been ordered.

The new walk in front of the schoolhouse is nearly completed. It will be a great improvement as before the water in spring and fall made in across the yard.

I would suggest that new toilets be built at the rear and connected to the main building by covered walks. The old toilets and wood-room should be made into a large wood-shed. Pupils should not be out-of-doors during school hours and the wood should be kept dry. I thank the officers and people for their cooperation and support.

Respectfully submitted,

WALTER L. MASON
Superintendent of Schools
