CRIPPLED TRACK TEAM DEFEATS NEW HAMPSHIRE IN EXCITING DUAL MEET

Lyden's Javelin Throw Settles Question at
Last Minute of Hard Struggle

NOYES AND CALDWELL ABSENT

In a dual track meet at Durham, New Hampshire last Saturday Maine cleaned up the Granite-staters 71½-63½. It was a close, exciting meet from start to finish with the final score in doubt to the very finish when Jack Lyden threw the javelin for a winning distance of 175 ft. 9 inches.

The work of Toolin of the Wild Cat team was the prettiest witnessed in the whole meet. This dark-haired youth stepped over the hurdles in record-breaking time, establishing two new University records. Clipping 1-5 second from the low hurdles and 3-5 seconds from the high hurdles.

The most sterling race was the quarter mile won by Porter. Getting away to a poor start, he followed Niles and Atkins. These two staged a fight to see who would be leader. Coming off the last corner, Porter swung into the lead and crossed the tape a full second ahead of Niles, followed by Atkins.

The loss of John Caldwell in the broad jump and Worth Noyes in the two mile proved a serious loss to the Maine team, but not to be beaten, the team showed the old Maine fight and came through victorious even without the points these men would have furnished.

Karl Larsen ran a good race in the half as did Scribner in the 2-mile, both showing up to good advantage. Black was the highest point winner for Maine, scoring nine points, while Toolin scored ten for New Hampshire.

100 yard dash—Won by Atkins (NH); 2nd, Rounselle (M); 3rd, Ladd (NH). Time 10 2-5 sec.

1 mile run—Won by L. Smith (NH); 2nd, MacNaughton (M); 3rd, Eastman (NH). Time 4 min. 35 2-5 sec.

220 yard dash—Won by Ladd (NH); 2nd, George (NH); 3rd, Rounselle (M). Time 23 1-5 sec.

120 yard high hurdles—Won by Toolin (NH); 2nd, Torrey (M); 3rd, Hammond (M). Time 15 4-5 sec. (New university record).

440 yard dash—Won by Porter (M); 2nd, Niles (M); 3rd, Atkins (NH). Time 52 sec.

Two mile run—Won by Taylor (M); 2nd, Calahan (NH); 3rd, Scribner (M). Time 10 min. 1-5 sec.

220 yard low hurdles—Won by Toolin (NH); 2nd, Torrey (M); 3rd, R. Smith (NH). Time 24 4-5 sec. (New university record). (Continued on Page Three)

EXPECT OVER 350 FOR INTERSCHOLASTICS

The 25th Annual University of Maine Interscholastic Track Meet will take place on Saturday. Faculty manager B. M. Kent has 353 entries from preparatory schools all over the state. This is the largest entry list ever received.

In the prep school division there are ten schools competing with 121 entries. The winner last year was Hebron with Bridgton and Coburn in second and third places. These three schools will be represented again. Others in this division are: Thornton Academy of Saco, Abbott School of Farmington, Maine Central Institute, Kents Hill, Foxcroft Academy, E.M.C.S. of Bucksport, and Ricker Classical Institute.

There are sixteen entries in the high school division represented by 232 aspiring athletes. Edward Little High, last year's winner, and Portland High, runner-up, will be here again. The others are Old Town High, Morse High, of Bath, N. H. Fay High of Dexter, Crosby High of Belfast, Gardiner High.

FRESHMEN OVERWHELM PORTLAND TRACKMEN HAVE FAST RUNNERS

In a not very closely contested track meet the Maine Freshmen took Portland High into camp last Saturday. The meet was almost decided from the start, Maine showing themselves decidedly better in the running events. Portland's strength was in the field events where they scored most of their points. Their outstanding man was Johnson, a cousin to none other than "Rip" Black of varsity fame. Johnson scored 16 points by winning the shot, hammer, and discus and placing third in the javelin.

Berenson won both dashes in very fast time getting the field at the start and never headed. Stymiest and Arnes turned in good time also in these events.

Winslow Jones crashed through by winning the timber topping events. Jones won both final heats in the hurdles and showed great form. He also tied for second in the high jump and was the highest Maine scorer on the field with a total of 11½ points.

Captain Tolman led a fast field in the quarter but was closely pushed by Charlie Hardy. In the half, three Portland men grabbed the lead and held it for some time. Soon three Maine men headed by Mank worked their way into the front ranks and Mank easily won the half. Lindsay turned in a stellar performance in the mile, his loping stride carrying him through a wonderful finish.

Harding showed good form in winning the pole vault, but not being pushed, he failed to extend himself. White of Portland won the high jump and looks like a sure bet at the Interscholastics next Saturday.

The summary:
120 yd. high hurdles. Won by Jones (M); 2nd, Stiles (P); 3rd, Farrar (M). Time 17 sec.

100 yd. dash. Won by Berenson (M); 2nd, Stymiest (M); 3rd, Burrage (P). Time 10 2-5 sec.

1 mile run. Won by Lindsey (M); 2nd, Caler (M); 3rd, Richardson (M). Time 4 min. 35 sec. (Continued on Page Four)

KAPPA GAMMA PHI INITIATES FIVE

Kappa Gamma Phi, honorary journalistic fraternity, held its spring initiation and banquet at the Elms, Tuesday evening May 3. The following men were initiated: Matthew Williams '28, Otto A. Swickert '28, Stephen H. Colby '30, Kingston Harvey '30, and Edgar L. Woodis '30.

Williams has been Sports Editor of the Campus during the past year and will continue in that position next year. He has also served on the Prism. Colby and Harvey have done praiseworthy work as reporters this year, the latter being the new News Editor, and Woodis has been an able assistant to Business Manager Swift of the Campus.

Officers of the organization for the ensuing year were elected as follows: President, Lynwood K. Betts '28; Vice-President and chairman of conference committee, George F. Mahoney '29; Secretary-Treasurer, Matthew Williams '28.

HOUGHTON IS AGAIN TRUSTEE

Ex-representative Thomas E. Houghton of Fort Fairfield was renominated last week, by Governor Ralph O. Brewster, as a member of the Board of Trustees.

Mr. Houghton has been a member of the Board for the past seven years, and has served as secretary of the Board during that time. He is a graduate of Maine in the class of 1911.

Miss Jackson Discusses Success of Modern Women

"After College—What?" Miss Jackson, an advisor for college girls, spoke to the girls in Chapel Tuesday morning, for the purpose of answering this question.

She spoke of the high intellectual plane which the women of to-day have attained, and listed many fields in which they are employed. There is hardly any field of work barred to women. Miss Jackson stated that it is only necessary to know which field they wish to enter, and prepare for it. Girls must strive to become not only as efficient as men, but to hold their places they must strive to be more efficient.

Miss Jackson also had private conferences with girls who wished to discuss their problems with her.

MAINE BREAKS EVEN ON BASEBALL TRIP LOST CLOSE GAMES

The Maine varsity ball team has completed a successful trip through New England. Winning two and losing two ball games, it might be considered unsuccessful, but from the point of view of experience and of ball playing, it was a very successful trip. Their big weakness was in the pitching staff—it was perhaps for this reason that the games were lost.

The first game was won from Mass. Aggies 8-3. Wednesday the team met Brown and lost 2-0 in a seven-inning game. Thursday Maine defeated their old rivals Connecticut Aggies 8-3. The last game was played on Friday and Maine lost to Rhode Island State in a seven inning contest.

The game played against Mass. Aggies was in frigid weather. Maine pushed five runs across in the third inning, coupling hits with the Aggies loose playing.

Crozier pitched the whole game allowing but eight hits. The Massachusetts boys couldn't hit his offerings except in the fifth, when opportune hits by McVey, Moriarty and Briggs brought in (Continued on Page Four)

FORMAL CLOSE TO DEBATING

The debating season at the University has come to a formal close. It has been a most gratifying and worthwhile time. Eight men's debates have been held and one women's contest. Maine has victories over Rhode Island, George Washington University, and Colby. They have lost to New Hampshire, Colby, M.I.T., Clark, and Boston University. This record shows a distinct improvement over recent seasons. The high-light, of course, was the triumph over George Washington University in February. That team, composed of law students and those who have been chosen to represent the United States in a tour of the British Isles, bowed to (Continued on Page Four)

Maine Physicists Present Papers

At the Washington meeting of the American Physical Society, held in April, three papers were presented by former members of the Physics Department: Dr. W. R. Ham, Pennsylvania State College; Dr. H. E. Farnsworth, Brown University; Dr. A. A. Bless, Cornell University.

In the April number of the Physical Review there was an article by Dr. L. H. Dawson of the Naval Research Laboratory, formerly assistant professor of Physics here.

The Physical Review has accepted a paper which W. E. Meserve wrote for his Master's thesis in Physics, and Mr. E. M. Dunham has nearly completed a research problem on the capacity of the aluminum rectifier.

The following papers by members of the Physics Department have been published within the last year:

In a fast game of baseball Maine defeated Colby in the first State Series game of the season 7-3. The game was attended by a fair-sized mid-week crowd including several visiting Rotarians. A cool wind blew across the field but didn't seem to affect the brand of baseball played. The game started slow enough but the players soon warmed up and the playing grew faster.

Colby scored first blood in the first inning on a fielder's choice. On successive singles the bases were filled and the run was scored in a throw to the nearest base.

Maine could barely touch Heal till the fourth—then things started royal. Cassista lined out a single. Durrell, next man up, got hit with the ball and took first. Cassista stole third followed later by Durrell to second. Mose Nanigian lined out a beautiful hit scoring both runners and reaching second himself. Hammy Hammond was the next man up and to keep things humming he lined out a long hit to deep center scoring a home run on the play. The next two men fanned out.

In the fifth Maine staged a double play Cassista to Nanigian to Hammond. It was a fast and well executed play.

In the sixth Maine scored two more runs. Nanigian walked and Hammond lined out a long hit, Nanigian scoring. In an effort to get Hammond at second the ball was thrown wild and Hammond scored. In the eighth Nanigian was safe when Smart muffed his bunt, stole second and scored on Meserve's double.

Colby scored in the eighth Colby tallied twice. McDonald was safe at first in a close decision. Lavigne lined out a three base hit scoring McDonald. Smart hit to field and Lavigne scored on a fielder's choice.

Nanigian played the better game of all the men, staging some clever base running, superb fielding and timely hitting. Hammond's hitting was also a feature of the game. Maine played errorless ball while Colby only made two errors, one resulting in a run. Lavigne hit well for the visitors while Smart stood out in fielding missing only one out of six chances.

MAINE WOMEN LOSE DEBATE

The first women's debating team ever to represent the University lost last Friday noon to the University of New Hampshire team, at Durham. The debate was on the cancellation of war debts issue, and Maine, represented by Jessie Ashworth '29, and Doris Beasley '30, upheld the affirmative side. The contest was unusually unique. The cases were argued before the banquet of the New Hampshire Secondary Teacher's Convention. After the final course and the close of the debate, a vote of the audience was taken. On a percentage basis the final reckoning gave the wreath of victory to the negative side 17 to 13.

Spirit vs. Pride

The class of '30 has undeniably demonstrated to the upper classes that they have already absorbed a little of that somewhat intangible something known as Maine spirit. The remarkable outburst of enthusiasm with which they endeavored to assert their position to a place in the sun, by indulging in a most spirited encounter with the class of '29, leaves everyone to believe that all signs, even in our youngest members, turn to a fuller development of what the old graduates term "the old Maine spirit." But spirit alone does not wholly contribute to the mark of greatness with which we label a Maine man. Spirit, in a singular sense, is helpless unless it is thoroughly saturated with the attribute of Pride. To find the campus buildings turned into a billboard by the wholesale broadcasting of class numerals and sentiments against other classes, hardly seems a step in the right direction. The Maine man is too proud of the beauty of his campus and the sentiments connected with the Armory-gymnasium, to have them take on the appearance of carelessness sometimes evident in the school buildings of rural districts.

Class spirit is a fine thing but it has its limitations. The solution to the painting problem would seem to be the adoption of a policy followed by other colleges, whereby a fence is erected on the campus, solely for the pleasure of any class, that so desires, to paint their numerals upon. If any objections to the art or sentiment so expressed are felt, the customary pitched battles can be fought around the fence. In the meantime both Spirit and Pride are maintained to the satisfaction of everyone.

A Statement of Policy

During the past year, the *Campus* has made rapid and thorough advances toward the goal of a highly developed college newspaper. It has sought to record student activities, sentiment, criticism, and news of general interest, insofar as it was possible, and in this way has done what a college paper should. The new board contemplates no radical departure from the program set by its predecessor. There are however, a few ideals, or should we say ambitions, which we have set before us. They are briefly as follows:

To reach a greater number of the alumni who are still interested in the details of student activity and thought. To support and encourage Student Government in their duties of developing a better and deeper Maine spirit. To conduct the *Campus* in the interests of all students, or faculty, connected with the university. To produce a newspaper which will creditably reflect upon the prestige of our university, not only throughout the state, but in any parts of the country in which our university is known.

Due to the amount of printing for the Interscholastic Track Meet, the University Press was unable to publish the *Campus* on scheduled time.

SEVEN SMACKERS SHALL SOAR SKYWARD SOON SAYS SHEIK

The campus sheik was troubled. No, it wasn't a female, he never worried about them. It was about this two day affair, known as Junior Week. Things looked pretty black, almost as black as the cover of the long leather book with the tiny gold letters on it which he held in his hand.

"Well, might as well get it over with," sighed the 'despondent one, upon being interviewed by a *Campus* reporter, "I'm trying to figure out the 'how come' on all these Junior Week parties.

I'll go down the list for outstanding expenditures. One buck for the play—good chance to sleep anyhow—seven smackers for a ticket to the Prom; two iron men for the Cabaret. Huh—that could be worse. Ah! but hold! Five papers for taxi fares to the station and back; five sweethearts for a Prom corsage that will be better than anyone's but which will get in the way and be in the corner before 11. Undoubtedly she will be drier in more things besides her conversation at the cabaret. So two more for refreshments (the waiters always forget the change); supper Friday night at the Elms at one-fifty per meal and per person (two meals and two persons six dollars). The same for Saturday noon and Saturday night. That's 12 more times I'll kiss the father of our country goodbye. Oh, well, it only comes once a year. Then there will be five more for cigarettes, candy, etc. No, nothing doing on the, etc, have got to save some for the State Meet. The blanket tax isn't any good for big meets. There's one thing I can be thankful for and that is I don't sing the Tuxedo Song, "Though You Belong to Somebody Else, Tonight You Belong to Me." Some boys will have to add three-fifty for the pleasure of singing that one night.

Gee! in round numbers, I'll whisper fare-thee-well to forty-five wonderful darlings this weekend. I'll get in return a pair of sore feet because someone is too lazy to use their own, and that tired feeling all day Sunday, Monday, and Tuesday. MAYBE I can kiss her good-night Saturday.

DRAMATICS CLASS PRESENTS COMEDY

"The Rivals," a comedy by Sheridan, was presented by the U. of M. Dramatics Class, at the Dorothy Memorial Hall, Wednesday evening, May 4, under the auspices of the Y.P.C.U. of the First Universalist church. The proceeds are to be used for the reduction of the Dorothy Memorial debt.

The cast was as follows:

M. Catherine Buck assisted Herbert E. Rabe in the directing of this play.

SENIORS NOMINATED FOR HONOR WATCHES

The Men's Student Senate has announced the following nominations for the Washington Alumni Association Watch:

Clare H. Brown, Cyril G. Cogswell, Thomas L. Dickson, Edward M. Engel, Roy C. Hobson, Paul D. Lamoreau, Henry O. Trask, Daniel W. Torrey.

The Women's Student Council has announced its nominations for the Victoria Weeks Hacker Watch as follows:

Amy Adams, Sylvia Kurson, Marion Lord, Lorinda Orne, Helen Peabody, Margaret Preble, Elizabeth Sawyer, Daphne Winslow, Serena Wood.

Voting will take place on May 11 for both men and women. The polls will be open for the men in Alumni Hall from 9 A.M. to 12 noon and from 1 P.M. to 5:30 P.M. Women students will vote at a special student government meeting in Coburn at 12:45 P.M. Only members of the three upper classes are allowed to vote.

Boardman Discusses Relation of Athletic Board to University

In an interview with President Boardman this morning, his viewpoint of the relation of the Athletic Board to the University was given.

"There has been more or less difference of opinion," said Mr. Boardman, "in the minds of many in regard to the relation of the Athletic Board to the University. Also the relation of the Faculty Manager to the University. Institutions all over the country are coming more and more to the conclusion that athletics should be fostered and controlled by the University in a manner similar to any other department. This point was brought up last night at a meeting of the Athletic Board and thoroughly discussed, both from the viewpoint of the board and the President. It was the unanimous conclusion that the department of athletics is a department of the University and that the board is the managing body and bears the same relation to the President as any other department."

The Faculty Manager is selected and nominated by the board and appointed in the same manner as any other member of the faculty. He is the executive agent of the board and is under their control subject always to the approval of the President. After this policy had been agreed to by all, Professor Kent was unanimously nominated as Faculty Manager for the next year. It is understood that this nomination meets with the approval of the President and he will be appointed.

It is well known that at this time of the year the budget for the next year is always one of the serious duties of the President and Treasurer, who do their best to get the value of two dollars for one. Last night the Athletic Association made up their budget and presented it to the President and Treasurer to be considered along with other departments of the University.

A pageant, "The Pioneers," under the auspices of the All-Maine Women, is to be one of the features of Commencement. The natural scenery of the campus will be the setting for the pageant, and solo and group dancing will play a large part of the program.

WE NOMINATE FOR MAINE'S HALL OF FAME

PAUL LAMOREAU

EDWARD M. ENGEL

Because he has twice been president of his class; because he captained the Maine football team to a State Championship; because he is president of the Senior Skulls and past president of the Sophomore Owls; because he is president of Phi Eta Kappa; and lastly, because he is one of the outstanding men of his class in personality, friendliness, and love for his Alma Mater.

SERENA WOOD

Because she is president of the Women's Student Council; because she has been an enthusiastic and capable member of the Maine Masque; because she is a member of All-Maine Women; because she is president of Alpha Omicron Pi; because she is Vice-president of the Y.W.C.A.; because she is a member of Pi Pi Kappa and the first woman to major in the department of Economics in the university; and lastly, because she has always had the interests and welfare of Maine at heart.

Because, as editor of the *Prism*, he has contributed an excellent record of his class to the history of the university; because as editor of the *Campus*, he has performed a great service for both the university and its students; because he is one of the most well-known and active members of his class; and lastly, because he has always cherished the ideals of a true Maine spirit.

MARION LORD

Because she is president of the Y.W.C.A.; because she is the only member of the Senior class to attain the rank of 4.0 point during the present academic year; because she is a member of Phi Beta Kappa and Phi Kappa Phi; because she is president of Chi Omega; because she is a member of All-Maine Women; and lastly, because she has been well represented in many campus activities.

Four Students Receive Trustee Scholarships

Announcement has been made of the award of the Trustee Scholarships to Jessie Ellen Ashworth, Ardron Bayard Lewis, Merton Stanley Parsons, and Gordon Smith.

These scholarships were established by the Board of Trustees, to the value of a year's tuition, and are awarded annually to a student in each of the three colleges of the University.

Beneficiaries of these scholarships must be residents of Maine. A fourth scholarship is awarded to a student in any of the three colleges without restriction as to residence. The chief consideration in making awards, but not necessarily the only one, is excellence of scholarship.

SEYMOUR HAMMOND WINS STETSON HAT

Seymour Hammond, prominent athlete at the University, won a new Stetson hat as the result of his performance on the ball field last Wednesday. Sometime previous to the contest, Mr. Goldsmith of the Goldsmith Toggery Shop, offered a new Stetson hat to the first Maine man making a home run this season in the State Series. So Hammy in making the long hit he did, not only did a service to the team, but also to himself.

The Toggery Shop has also made the offer of another Stetson hat to the Maine player securing the highest batting average of the season, this hat to be presented at the end of the present season.

The Senior class has also voted to present the university with a memorial gateway, as their class gift. A picture of the proposed gateway was published in the *Campus* several weeks ago.

Pattangall To Speak On Commencement Day

President Boardman has announced that William R. Pattangall '84, associate justice of the Supreme Court of Maine, will be the Commencement speaker on June 13.

This announcement will be of considerable interest to both alumni and students, especially those who attended the S.F.A. banquet this spring, when Justice Pattangall was the speaker.

another successful year in the promotion of journalism on the campus and among the preparatory schools of the state. The annual conference of editors and business managers of secondary school newspapers was conducted in an able manner by Stuart Chapman, the retiring vice-president, and the large debt incurred by the *Mainiac* in past years was cleaned up thru the diligent work of Dr. Janzen, with the cooperation of the other members of the fraternity.

The retiring officers are: President, John H. Mahoney '27; Vice-President, Stuart Chapman '27; Secretary-Treasurer, Carroll Day '27.

EVEN "EAGLE-EYE" FAILS TO FIND A COUGH IN A CARLOAD OF OLD GOLD CIGARETTES

1.

There is joy and a feeling of security among hunted men, for "Eagle-Eye," the untiring and relentless, has gone into retirement never to take the trail again.

2.

"Yes," he said, "I have sold my many disguises and I'm through. For the first time in my career as a detective, I've failed to get my man."

3.

"It is a year now since I first went in search of a cough in an Old Gold Cigarette. I have yet to find it."

4.

"I have found thousands of men who were glad to cough up 15 cents for a package of Old Golds, but not one of them ever coughed after smoking them."

5.

"Still I made a great discovery . . . that you can't beat Old Golds for smoking satisfaction, and that they won't irritate even the sensitive throats of opera singers."

two runs. Hammond and Nanigian got four of the five hits made by Maine.

Journeying to Providence Wednesday the Pale Blue met and suffered defeat at the hands of the Brown team 2-0. Rawlings struck out ten Maine men and allowed only two hits by Cassista and Nanigian. Edes scored both Brown's runs and did creditable work at the bat. The game was called short on account of rain. Goudy pitched a good game for Maine allowing only eight hits.

Going into Connecticut changed Maine's luck and they won from Connecticut Aggies 8-3. Eddy pitching for Connecticut allowed 14 hits. Hamilton led the attack securing a home run and two doubles. Hammond and Hackett both Maine allowed only four hits.

Changing states again changed Maine's luck and Rhode Island State beat Maine in a seven inning game 3-0. Draghetti, veteran pitching ace of Rhode Island allowed Maine only three hits. Rhode Island made a comeback after losing to Colby previously. It was a fast game from the beginning, Rhode Island getting a score in the first inning.

Formal Close to Debating

an inexperienced, though clever, Maine trio. It is interesting to know that the debating squad this year contains five freshmen, four sophomores, and four juniors. Coach Herbert E. Rahe has spent many hours with the various teams and certainly merits the high appreciation and esteem felt for him by all members of the squad.

Next year's team will be built about the following students who have participated in at least one collegiate debate: Robert Scott '28, William Reid '28, Arthur Kelley '28, Garfield Young '28, Jessie Ashworth '29, Edward Merrill '29, Shirley Berger '29, Frank Linnell '29, Kenneth Laughlin '30, Doris Beasley '30, James Ashworth '30, and Charles O'Connor '30.

Me and the joy-friend... Prince Albert

WHEN my father was in college, "Put that in your pipe and smoke it!" was considered snappy conversation. I'm ready to take this old line literally when the talk centers around Prince Albert. Because P. A. makes two of what I like in a pipe.

All wise-cracking aside, P. A. is the money when it comes to deep-down satisfaction in a smoke. It's got everything! Cool as the trail of the ice-man across the kitchen. Sweet as vacation. Fragrant as a pine forest.

Think up your own similes. You'll write them all in the column headed "Superlative Degree" when you learn the joys of a jimmy-pipe and Prince Albert. If you don't know this grand old smoke, come around to my room and I'll give you a load.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.
