BRICE AND RONDA TO MATCH WITS IN NEXT SATURDAY'S STRUGGLE

NEW STYLES OF PLAY ARE EXPECTED TO BE USED BY BOTH BICKIES

Bowdoin Will Tackle Bates

Winning decisively over Bates, Maine displayed its attacking game, after it beat the Bickies in the first game of the 1927 season. In the first game of the season, the Bickies outscored the Maine team, and it was a team for the whole Maine team was now good enough to win the game.

The Portland Press-Herald states that Maine played a very good game, and that consequently Saturday's game was no surprise. The Maine team, however, was far from being weak, and it had a better chance of winning.

The Maine team played a good game, and it was a team that had much to offer. It had a better chance of winning than the Bickies, and it was a team that had much to offer. It had a better chance of winning than the Bickies, and it was a team that had much to offer.

The Maine team played a good game, and it was a team that had much to offer. It had a better chance of winning than the Bickies, and it was a team that had much to offer. It had a better chance of winning than the Bickies, and it was a team that had much to offer.

**Bates Debaters Win Over British Team**

By a scant margin of nine votes, 232 to 223, Bates College won the popular decision from the British student team Monday night in the High School Auditorium, Portland, in the first of a series of 10 debates in which the Englishmen will take part in the United States. Bates took the negative side of the proposition that "efficiency has become a deplorable fetish in modern life."

Presenting the arguments of the wise men were John Davis and Charles Gardill of Portland and Ralph Rhymes of Auburn. The British Student Union was represented by Frank Darrell, University of Reading; Andrew Maddison, University of Edinburgh; and John Ramage, London School of Economics and Political Science.

Win was partly with both the Englishmen and the Bates men, the subject, characterized by President Clinton D. Gray of Bates in his introduction as not a "strictly economic topic," adapting itself well to the various jobs, first by one team, then the other.

The English team, made up of one Englishman and two Scotsmen, declared that efficiency had ruined the permanent things of life, had become an end in itself, rather than a means to an end, and had emphasized the pursuit of wealth to the exclusion of the pursuit of happiness and of culture.

Bates countered by asserting that culture, under the modern efficient methods, was becoming very widely spread with each step. The Bates team declared that efficiency made for more leisure in which to reach the other side.

**FRESHMAN CABINET ELECTS OFFICERS**

Wednesday, Oct. 11, at the S.C.A. building, elections of the officers of the freshman cabinet were held. The officers are president, Lynwood Cheney; vice-president, E. Raymond Bradstreet; secretary-treasurer, E. W. Strother. These three men are very well qualified to do this work. Their high school and prep school record tell of their experience.

Win was partly with both the Englishmen and the Bates men, the subject, characterized by President Clinton D. Gray of Bates in his introduction as not a "strictly economic topic," adapting itself well to the various jobs, first by one team, then the other.

The English team, made up of one Englishman and two Scotsmen, declared that efficiency had ruined the permanent things of life, had become an end in itself, rather than a means to an end, and had emphasized the pursuit of wealth to the exclusion of the pursuit of happiness and of culture.

Bates countered by asserting that culture, under the modern efficient methods, was becoming very widely spread with each step. The Bates team declared that efficiency made for more leisure in which to reach the other side.

M.C.I. HOCKEY TEAM DEFEATS FRESHMEN

In a hard fought game Saturday morn-
ing the freshmen girls' hockey team was defeated by the visiting M.C.I. team with a score of 2-0. Several times the freshman forward line in good formation swept down the field toward their opponents goal, but were unable to get the ball through the M.C.I. backs who were manned in front of the goal. The M.C.I. team continually foiled through obstruction and the freshmen were given few shots.

This was the first game the freshman team has played with the exception of the class games. The two lines were as follows:

FRESHMEN M.C.I.
Maloney, rw - sw, Leader
Craver, rt - rt, V. Davis
Hunt, ef - ef, Sprauling
Bryant, b - b, Humphrey
Spiller, lw - lw, Twillie
Thompson, ch - ch, Provencher
Goldh, ch - ch, L. Lagorio
Richardson, ch - ch, A. Davis
Parkhurst, ch - ch, M. Lagorio
Bryant, Ii - Ii, Humphrey

Substitutes: Maine: Lemoine for Cro-

ptr., Winthrop for Richardson. Refer-

ees: Miss Lettgyel and Miss Rogers;
time: Spaulding 1, first half; Spaulding 1, sec-

ond half.

Dean J. S. Streets was timekeeper at a meeting of the Congregational Men's Club held at the Penobscot Valley Coun-

try Club last Monday.

CAST IRON PIPE

Resists Corrosion

This picture, taken in the salt marshes near Kennevy, N. J., shows two lines of 30-inch Cast Iron Pipe replacing pipe made of other materials. The alternate exposure to the action of salt water and air is a severe test.

While the pipe shown in the picture is subjected to unusual corrosive influences, all underground pipe must be able to withstand corrosion to a greater or less degree. Cast Iron Pipe has this quality. It does not depend on its coating to resist rust; the material itself is rust-resistant. The first Cast Iron Pipe ever laid is being repaired and will shortly be ready for use.

The instant a Camel is lighted, you feel that here is the distinctly better cigarette. And how this superior quality grows with the smoking! Choice tobaccos tell their fragrant story. Patient, careful blending rewards the smoker with added pleasure.
