## Thirty-two Answer Brice's Call For Hoopmen; Abbott To Lead Team

### Coach Has Problem Of Building Up Scoring Strength Of Team, But Good Defensive Combination Promises To Push Maine Ahead

#### Majority of Varsity Games Are Away This Season

Coach Brice and Captain Abbott called the basketball men out for the first practice on Tuesday afternoon. A squad of 32 men reported but this number will be cut down when the mid-semester ranks are issued. The loss of last year's captain, Speed Branscom, will be keenly felt as he was high scorer last season and was a clever floor-worker.

## Several Maine Gridmen On All-Maine Teams

Three papers, The Portland Evening News, The Portland Sunday Telegram, and the Waterville Morning Sentinel have picked mythical All-Maine teams. Three University of Maine football players, Capt. Buzzell, Capt.-elect Zakarian, and Red Vail were placed on all three teams. Hickson was placed on two, and Abbott, Black, and Moran were each picked by one paper. Two of the papers gave Maine five places, while the Sentinel gave her four places.

The Portland Sunday Telegram, whose team is usually considered to be the official All-Maine eleven picked the following men:

Center—Zakarian, Maine; Guard—Vail, Maine; Guard—Lee, Colby; Tackle—Anthony, Bates; Tackle—Carlson, Colby; End—Hickson, Maine; End—Cooke, Maine; Quarterback—Scott, Colby; Halfback—Moran, Maine; Halfback—Buzzell, Maine; Fullback—Donovan, Colby.

## International Club Is Started On Campus

As a result of Miss Sanderson's visit to this campus, several students have expressed an active interest in international affairs. In order to find out if there is a desire for a permanent organization, the following program has been arranged.

November 22, Dr. H. C. Mitchell: The Background and Present Trends in Bolshevism.

December 6, Mr. Frederick Fassett will lead (his subject to be announced).

December 13, Professor H. A. Whitmore: The Monroe Doctrine and South America. If the interest warrants a continuance into 1929 of this international Club it will be started again after mid-years.

These meetings will be in the form of a forum. The leader will begin with a twenty to thirty minute talk presenting the subject matter, then opportunity will be given for questions and discussion.

Although this International Club is run under the auspices of the Freshman Cabinet, everyone on the campus is welcome. Faculty and students are invited to come and take part in these meetings.

The Campus Board wishes that all those who are not receiving their papers regularly would report their correct addresses by placing a note in Box 49, Campus Post Office.

## Columbia Professor Is New Colby President

Franklin W. Johnson, professor of education and acting dean of Teachers' College, Columbia University, was selected as President of Colby College by the trustees of the college last Saturday. Professor Johnson has accepted the position and will assume control after Commencement next June. Until that time the college will continue under the direction of the executive committee of the faculty which has functioned since the death of President Arthur L. Roberts in October 1927. Prof. E. C. Barriner is chairman of this committee.

Professor Johnson, who was born in Jay, Maine, in 1870, was graduated from Colby in 1891 and did graduate work at Columbia and the University of Chicago. He had prepared for college at Wilton Academy. After three years as principal of the Calais High School and eleven years as principal of Coburn Classical Institute, Waterville, he became principal of Morgan Park Academy, at that time an organic part of the University of Chicago.

For 12 years beginning in 1907 he was principal of the University High School connected with the School of Education of University of Chicago. Since 1919 he has been on the faculty of Teachers' College.

During the World War he was commissioned a major in the sanitary corps and served as chief of rehabilitation service at the Army Hospital at Colonia, N. J., later having charge of rehabilitation personnel at the office of the surgeon general in Washington. In 1926 he spent six months in the near east, lecturing in American Educational Institutions in Syria, Palestine and Egypt.

## Zakarian Will Lead 1929 Football Squad

At a meeting of the lettermen held last Friday, Lavon Zakarian was elected captain of the football team for next year.

Zakarian has had plenty of experience and knows the game. He played several years on the Portland High School team under Jimmy Fitzpatrick, and was chosen "All Maine" schoolboy center. He was also chosen "All Maine" Prep school center, while at Kents Hill.

Since coming to Maine Zak has kept up the good work and has played a strong game both on the offense and defense. Although he is but five feet two inches tall, his 173 pounds gives him a good rugged build for a center. He has lots of speed for a short fellow which accounts for his ability to go down under a kick off and make a tackle.

Charlesworth, Yale's "All American" center, remarked that he was one of the best pivot men he had ever met on the gridiron, which speaks well for "Lav". Zakarian is a non-fraternity man, and as far as it is known, he is the first non-fraternity man to receive the football captain's honor here.

## THE WORLD IS REACHING OUT FOR BETTER THINGS

That the world is reaching out toward a better era, commercially, economically, politically, domestically, and religiously was predicted by Judge Alden at the Sunday Vesper service given by the Swarthmore Chautauqua.

Judge Alden described the various ages the world has gone through, and said that we are slowly emerging from the war slump to a better and happier era.

The Lowell Patton Trio furnished the music with flute and vocal solos. One of the hymns played had been composed (Continued on Page Four)

## Maine Harriers Run Away With N.E. Hill-Dale Title; Frosh Are Second

### Richardson And Lindsay Break Tape Together As Last Year But Judges Reverse 1927 Decision And Give Lindsay First Place

#### Team Ready For Nationals In New York November 26

## 26 Senior Foresters Leave For The Woods

The Senior Foresters, twenty-six strong have left civilization for eight weeks, to practice on Mother Nature what was learned in the classroom.

The start was auspicious. Everybody knew that something was stirring by the way they blew themselves last week at notorious pleasure haunts. It seemed as tho each tried to outdo the other in lumberjacking attire, yet maintaining that collegiate dignity expected of them. One house was amused to see its representative start off, clad in black flannels and quiet, white suspenders.

The duffle bags were loaded to capacity with gumshoes—overshoes, snowshoes, etc.

Several familiar rackets were heard for the last time this year as a number of galloping ashcans weighed anchor and departed in that well-known cloud of dust.

(Continued on Page Three)

## Injured S.A.E. Freshman Pledge Leaves College

The Campus recently reported the injury of Austin Brigham, a freshman, in the New Hampshire freshman game. The injury has just lately been discovered to be of a more serious nature than thought at first. The concussion of the brain developed into a slight hemorrhage at that dangerous spot. Brigham can do no reading or studying for at least six months by advice from several specialists. Needless to say, he has been compelled to register out.

The accident is the third of serious nature that has befallen on S.A.E. freshman. Six weeks ago Donald MacCaulay suffered a compound fracture of the leg in an automobile accident directly in front of that house; then Charles Sweetser dislocated his knee-cap and was laid up for three weeks. Tough luck certainly seems to be following the fortunes of the fraternity this fall.

## TRACK CLUB DANCE DEC. 8

The Track Club announces that its annual dance will be held December 8. This dance, sponsored by the above group, has come to be recognized as one of the prominent social affairs of the year. As customary in years past the dance will follow the Christmas Handicap which is to be held this year Friday, December 7th.

## Twenty-two Varsity Gridmen Get Letters; Frosh Awarded Numerals

### Brice, Quinn, Wallace, and Several Members of Last Year's Team Receive Football Charms For N.E. Champ and Tie For State Title

Twenty-two football players were awarded their letters at a recent meeting of the Athletic Association. This is the largest number of letters that has been given out for a number of years. The men receiving them are:

Captain J. M. Buzzell, Capt.-elect L. Zakarian, L. Abbott, E. F. Black, C. W. Horne, R. Davis, E. L. Vail, J. Lynch, P. Hickson, G. L. Coltart, G. A. Nodding, J. Moran, L. Airoldi, J. Elliott, H. L. Moyer, E. E. Palmer Jr., E. Gowell, S. Gray, K. H. Young, J. R. LaPlant, Sen. Mgr. V. M. Lancaster, Jun. Mgr. J. P. Ashworth.

Twenty-two members of the Freshman football squad were awarded their numerals. The men receiving them were: Capt. J. P. Jasionis, W. C. Robbins, V. T. Gross, G. E. Wadsworth, L. C. Fickett, C. L. Arnold, E. J. Trafton, J. M. Sims, M. L. Buchan, W. E. Riley, O. L. Rumazza, A. D. Brigham, S. C. Pease, C. J. Sullivan, A. T. Leland, A. F. Kisonak, J. R. Feeley, P. C. Plummer, E. W. Buzzell, E. S. Libby, T. F. Lester, E. R. Hall.

The University of Maine's cross country team repeated its last year's performance and again was returned the winner in the New England Intercollegiate A. A. cross country run held Monday, Nov. 19, over the Franklin Park course, Boston. New Hampshire was second scoring 53 points to 46 for Maine.

Lindsay and Richardson broke the tape together, as they did last year, but the judges pursuing their policy of last year when they gave Richardson first place refusing to allow a tie, reversed their decision and this time awarded Lindsay first place.

Seventy-four runners from 11 colleges started in the varsity race and all but one man finished. Almost from the starting signal there was little doubt but that a Maine man would capture individual honors, as Richardson and Lindsay, running abreast during the greater part of the distance, cut out a stiff pace which soon left other competitors far in the rear.

At the three mile mark the positions of Viles of Bates was in third place, with Benedict of New Hampshire fourth, followed by his teammates Hazen, Cahalan and Harvard. Leon Thorsen of Tech was running in eighth position and Bud Brooks was ninth.

At the three mile mark the position of the first three runners were unchanged, but Thorsen had worked up into fourth place, followed by Paul Chesley of Bates.

At the five mile mark, Benedict had shot up into third place, and he held this position to the finish. Hobbs of Bates was fourth and Harvard of New Hampshire and Brooks were fighting it out for fifth place.

Lindsay and Richardson finished far in the lead of Benedict the third place winner. Harvard and Brooks both passed Hobbs and in the closing yards, Harvard nosed out Brooks.

(Continued on Page Four)

## Nominations For Class Elections November 27

The Student Senate, at its meeting Tuesday evening, voted to institute the primary nominations for all class elections on next Tuesday evening, Nov. 27, at 6:30 P.M. The Freshman primary nominations will be held in the Chapel while those of the upper classes will be in the M.C.A. building.

These nominations will be held in strict accordance with the complete set of rules enumerated in the last issue of the Campus. Two members of the Senate will be present at each of the meeting-places of the respective classes to assist in the proper conduct of the nominating process.

LYNDIE ABBOTT

Coach Brice is faced with the problem of building up scoring strength of the two forwards and the center. When he finds the right combination for this part of the game he will have a fast outfit on the floor as there is plenty of defensive material with Captain Abbott standing out above the rest.

Abbott will be a strong man on the defense as he has had much experience and is a finished feeder. Fitzhugh, Daley, (Continued on Page Four)

## Harriers and Track Men Receive Awards

First in the Maine Intercollegiate Cross Country Run, first in the New England Intercollegiate Run, and second in the National Intercollegiate Run was the fine record of last year's varsity cross country team. In recognition of this splendid record, the following members of that team have been given gold, winged-foot charms:

Coach F. M. Kanaly, Mgr. H. C. Lloyd, Capt. A. E. Cushing, V. B. MacNaughton, W. Noyes, A. Benson, C. C. Stinson, F. C. Lindsay, H. L. Richardson, S. T. Manik.

## Varsity Hockey Team Wins From Conn. Aggies, But Loses To Jackson

### Maine Co-eds Lose First Collegiate Game After Having Clean Slate For Four Years; Conn. Game is Fast, Rough Battle

For the first time in four years the Maine hockey team was defeated by a college team when they played Jackson in Medford last Friday and lost by a score of 4-1. Arrayed against Connecticut the best day they came back with a bang. All the pep and fight so sadly lacking against Jackson was in evidence, and they overwhelmed the Aggies with a similar score 4 to 1.

Maine has had everything its own way for the past few years, and has been winning steadily. This fall not a single goal had been scored on them even though they have been up against such teams as the Pusey-Nissen school of Boston. They have always defeated Jackson, and so were entirely unprepared for the fierce onslaught which Jackson made on them. Within the first few minutes of the game the Brown and Orange swept down upon the Maine Blue and shot a goal. The Maine team went to pieces. Captain Mary Robinson put up a splendid fight but she could do nothing alone. The team as a whole was disorganized. The blue forwards were unable to get by the opposing backs, and the blue backs were unable to stop the long hard drives which Jackson used continually. One reason for this is that the Maine team has been forced to practice on an extremely muddy field this fall where it is impossible to drive the ball any distance at all. The Jackson players were swift and were hard hitters, yet Maine certainly did not play her best, but rather her poorest against them.

## Eighty-nine Percent of Students Support Memorial Gym Drive

### Analysis Shows That Ninety-three Percent of the Men and Eighty-five Percent of the Women Contributed To \$25,000 Fund

#### Only 139 Students Fail To Lend Their Support To Fund

According to a carefully checked tabulation just prepared 89% of the students subscribed a total of \$25,274. to the Memorial Fund. Two girls' fraternities and 14 of the 17 boys fraternities subscribed 100%. Mt. Vernon, one team in Hannibal Hamlin and one Orono girls and an Orono boys team made perfect scores.

An analysis of the figures shows that the girls made almost as good record as the boys, 85% subscribing as compared with 93% of the men. There were but 139 who did not subscribe. The average contribution of the women was \$19.04 each and the men \$21.36 making an average of \$20.85 for all who subscribed.

It is hoped that those who were not asked to subscribe—if there were any—and those who refused will have a change of heart and let their personal pride as well as their pride in Maine dictate that they give something, even tho it be small toward this Memorial.

A summary of the subscriptions follows. This is presented in two forms, first by teams so that all may see the outcome of the drive according to the organization under which the campaign was conducted and second by fraternities.

## SUMMARY OF MEMORIAL FUND Subscriptions by Teams

Team Number	Territory	No. Prospects	No. Subscribed	Amount Subscribed
1	North Hall—Maples	19	17	\$255

## THANKSGIVING DANCE IN ORONO TOWN HALL

There will be a dance in the Orono Town Hall on Nov. 30 for the benefit of the Orono Community Hall. Since there will be many Maine men and women who will be unable to spend the Thanksgiving holidays out of town this dance should be of especial interest to them. The coeds have been given special permission to attend the dance. The well-known Troubadours will furnish music and the tickets are 50 cents.

## MICHAUD INJURED IN CRASH WITH TROLLEY

A serious accident occurred about 3.30 P.M. Saturday in Brewer, when an automobile in which Herman D. Michaud '32 was riding, crashed head on, into a street car. The corner of the car was smashed and the automobile demolished. Michaud sustained a fractured nose and several cuts and bruises. He and the other two occupants of the car were taken to the Eastern Maine General Hospital, where they are in serious condition.

## THE CROSS COUNTRY TEAM

We again extend the congratulations of the student body to the cross country team, whose remarkable showing last Monday despite many injuries and difficulties was a credit to the University. May their success be as good in the Nationals next Monday.

## FRESHMAN RULES

There appears to be a misunderstanding among many students concerning the authority of the Student Senate in relation to the question of freshman rules and proposed changes. The Student Senate, in carrying on an investigation of the rules used at the present time, has admitted that the purpose of this investigation is merely to get the facts of the case and not to take any definite step toward changing the rules except to make recommendations to the proper groups.

The Senior Skull Society is in charge of all rules concerning first year men, including special students, and the Sophomore Owl Society is responsible for the execution of the rules. Suggestions for changes may be made to the Senate but the Senior Skull Society will be the final authority on whatever suggestions may be offered, rejecting or accepting them as it sees fit.

It is expected that the Skull Society will make an announcement concerning the proposed changes in the near future. A large part of the clamor for reform in the rules is coming from a minority of the students, many of whom are freshmen, and the Senate will need to do much careful investigating before it will feel in a position to make recommendations to the Skulls which it can term "representative of student opinion."

## ELIGIBILITY EXPLAINED

In our correspondence column we are publishing a long-awaited discussion of the present eligibility system, by a member of the faculty. The eligibility rulings may not be of interest to those students who receive high grades in all their courses or to those students who are ineligible and do not desire to become eligible, but they will surely interest those men and women who engage in outside activities and whose grades are at times so low that they are placed on probation and find it difficult to get off.

It can be easily seen that there are many discrepancies in the present system. There is no doubt that it is very difficult to understand, that it is unfair to the man on probation, and that it is not based on average rank, as it should be.

Before offering our 1.5 idea we consulted many students and faculty members. Nearly every one considered this mark a fair one. Some students said that it would be difficult for them to keep an average of 1.5 but if anything could be done which would clear up the misunderstandings which are current now, they believed they could do their part.

We have made a start at last. In the weeks to come we will endeavor to arouse more discussion on the topic and to get both faculty and student viewpoint. This subject affects a large number of students and if any improvements can be made in the system it will benefit all.

## WOMEN'S ATHLETICS

While some critics throughout New England are trying to puzzle out the phenomenal success which University of Maine football, cross-country, and track teams have been enjoying recently, others are astonished at the fact that Maine girls' hockey teams are making similar records. It is not widely known that the Maine varsity hockey teams have lost but one game in the past four years—an unusual record.

The success of the hockey teams here, varsity and freshman, may be said to be due to two reasons. First, the two women's coaches, by their ability to work in harmony with the members of their teams, have built up a strong physical system; and secondly, the idea of making freshman and sophomore women choose between gymnasium training and team competition tends to arouse more interest in athletic activities.

We can say that even the women's colleges which specialize in physical education are not able to present much better records than can Maine, and most of these have more girls, more equipment, and more highly paid coaches.

When we boast of our championship football and cross-country teams, why not speak of our two hockey teams also?

## THE ALL-MAINE TEAM

Five Maine men were awarded positions on the Portland Sunday Telegram's mythical All-Maine football team, announced last Sunday. Although several newspapers pick teams from the outstanding players in the four Maine colleges each year, the Telegram's team is considered to be the official one. In nominating the eleven men, five from Colby, five from Maine, and one from Bates, the Portland paper stated that there would undoubtedly be much dissatisfaction with several of its choices, but furnished strong evidence to support its selections.

From what we have been able to discover on the campus there is little criticism of the team. There were many outstanding players on the four college elevens this year and the problem of picking a backfield was one of the most difficult yet encountered.

There will be no Campus next week because of the Thanksgiving holidays.

## CORRESPONDENCE

Editor, Campus

Dear Sir:

Two or three times in the Campus you have called attention to the complex eligibility rules, those based on rank, and have suggested that eligibility or ineligibility shall be determined by the average mark of 1.5. I have become interested in your suggestion and offer the following discussion concerning it:

For all students except Freshmen the first half semester the rules of eligibility based on rank are summarized as a basis for our discussion. A student on probation or who receives a rank of E or F in more than five hours of work shall be ineligible for certain activities and honors. Also, a student who receives a rank of E or F in more than eight hours of work shall be placed on probation. And further, a student on probation in order to become eligible must make up the unsatisfactory work or complete satisfactorily the work of a half semester. Satisfactorily as used here has been interpreted to mean a passing rank in all courses and a rank of at least C in three fourths of the course taken. It should be noted that students in the College of Arts and Sciences are not allowed to make up work.

According to these rules, a student may have a very low rank and yet be eligible. On the other hand, a student on probation may have a rank above the average and yet be ineligible. To illustrate, a student carrying sixteen credit hours may have twelve hours of D and four hours of F and be eligible. But a student, on probation, may make fourteen hours of A, B and C and yet be ineligible on account of E in a two hour course. These illustrations may seem far-fetched but they certainly represent possibilities under the rules. At any rate there are plenty of cases, so I am told, where eligible students have lower ranks than those who are ineligible.

Is the number of E's and F's or the number of C's a student receives a better criterion of his work than his average rank? Certainly, this is not recognized in awarding many prizes and scholarships. It is quite obvious to me that a student should be measured neither by his lowest nor his highest marks but by an average of all his marks.

If a certain rank makes a student ineligible why should a much higher rank be required to make eligible a student who is on probation? I do not know but, perhaps, when the rules were passed it was thought that students with low ranks should give all their time to study and get fully on their feet before they resume their sports and other activities. This in turn assumes that activities interfere with study.

I have statistics for one year furnished by Mr. Gannett which show that the average rank of varsity men is higher when they are in training and engaged in athletic sports than when they are not so engaged. If statistics for several years tell the same story, then there is no reason, so far as I can see, for the present eligibility requirements concerning students on probation.

I heartily favor the idea of having 1.5 or a similar standard point as a basis for eligibility because I believe it will do away with a great deal of the present misunderstanding.

Yours truly,

John H. Ashworth

## SORORITIES ENTERTAIN CHAPTER EXAMINERS

Three sororities, Pi Beta Phi, Phi Mu and Chi Omega entertained chapter examiners last week.

Miss Emily Margaret White, the Pi Beta Phi inspector, is the Grand Vice President of the sorority and makes her home in Washington, D. C. On Saturday afternoon the local chapter held a tea in her honor at the log cabin and she was met by delegates from other sororities as well as the chapter members. Her visit was necessarily short, lasting only from Saturday noon to Sunday night as she had to go on to Boston University to inspect the chapter there.

Mrs. Clifford Rayden, second vice president of the Phi Mu national council, arrived here Thursday afternoon. The local chapter gave a tea for Mrs. Rayden on Saturday afternoon in the Balentine sunparlor and the chapter members as well as delegates from other sororities had an opportunity to meet her informally. Mrs. Rayden completed her tour of chapter inspection with the Maine chapter and planned to return to her home in Columbus, Ohio, after leaving here Saturday night.

Miss Edna Strong, chairman of the Chi Omega social and civic service committee is from New Rochelle, N. Y. She spent only one day with the local chapter, so a special meeting of the members was called that the girls could meet her.

None of the inspectors had ever visited the University of Maine before and all expressed enthusiasm for the campus and buildings and the way they had been received.

## News From The Babes In The Woods At Milo

Adams Sidin  
Somewhere in Maine  
Tewday

Dear Folks,

I'll be darned dif we didnt git here tewday, but I stumped dif i can figgur out how we done it. Sum cum on the train, but the rest of us all eksept one didnt. The grate Baldy Young tried too, but missed the trane and tried bummin. Heed been dooin it yit dif Georgie Gruhn hednt cum along and brung him hear. The rest of thim comed awlso by kear as fer as Lake-wiew on Scootick lake. Sum off those ones took to shanks mare down the tracks; tothers fetched a bote and tuke to see. It poured cats and dawgs and awlso frogs and bowlegged rarebits. We was wet, and moore wet. In the ruds was mud what yew needed snowshews to git over.

I dunt meen piechaps but thiet the grub hit the rite sput thiet nite. We all dum our share by ut. And thim Louis and Jack in troo wood stile tryed tew git a fire goin usin wet wood. After gittin our bunks fixed sum begunned to play keads; tothers begun the furst workout off the ridin club. Young was made president extemporanious and a unanimous vote made Waldron inactive sexitary. A bunk stretchers league was begunned and since the writer off this hear epistal thunk that he wood jine this are goin to stop rite noew. In the fecture I will rite yew next week.

Be gude till the next time.

May heaven keep yew

from your lovin sun,

Sap Sapling, Inq.

P.S. The comin of dawn wuz tolt us by a dawg what comed into the bunk after having a fite wid a pole cat. We awl riz to the vice of Gray obiectin to havin sel dawg git in bed wid him. Then cum an involuntary ejection of sed purp and we awl gut dup.

## Maybe Bananas X Will Be Big Black Bear

Little Diggerly Piggerly sat down before his steaming hot oat meal, but he couldn't eat, because his plump little throat had a great big lump in it, and in a minute little Piggerly began to cry.

Nice fat Mamma Piggerly came running, and putting her arms around the quivering little body asked what the matter was.

"I've got to go to school the day after Thanksgiving," he sobbed.

Mamma thought hard and fast. "I know," she cried, "You get all the little Piggerlies to put their names on a little piece of paper, asking for the holiday, and then take it to the Great Big Black Bear, and perhaps he'll give you the vacation."

So with a hop and a jump little Piggerly took his big blue fountain pen, and was off to see his little friends.

After lots and lots of names had been put on the little piece of paper, our little Piggerly took it up to the Big Black Bear.

"Woof! Woof!" roared the Big Black Bear, and little Piggerly scampered away in great alarm. "It's too late to do anything with a petition," thundered the Big Black Bear behind him.

So all the little Piggerlies had to go to school the day after Thanksgiving and they cried and raved about the cruel Big Black Bear.

The next year a Braver Piggerly went to the Big Black Bear, and this time the Bear didn't roar, but said if the Piggerlies wanted it, they could have five whole days vacation.

When the Piggerlies heard this they jumped high in the air, and wrote great big "yesses" with their blue fountain pens.

Then the Braver Piggerly took all the many "yesses" to the Big Black Bear, who smiled and said "Yes my dears, now you may have your holiday."

And then—the Piggerlies began to think,—they couldn't go home—they didn't want to give up any Christmas fun, so again they ran to Big Black Bear, but again he woofed! woofed! and said it was too late.

So for another Thanksgiving the Diggerly Piggerlies and their nice fat Mamma cried because their Brave Little Diggerly Piggerly had acted too quickly. However, this Brave Little Diggerly Piggerly received a lot of advertising.

## BANGOR HIGH DEFEATS FROSH HOCKEY SQUAD

Last Friday on the Women's Athletic Field the Maine freshmen went down to defeat under the onslaught of the fighting-mad Bangor High field hockey team. The game was rough but few fouls were called. In the second half Maine had to work with subs in place of Churchill and Findlen who were injured. Captain "Spud" Churchill was severely hurt, her jaw being dislocated and a tooth broken and "Red" Findlen received a deep cut in her head. "Stubby" Burrill and Marian Lewis suffered minor injuries but were able to keep on with the game.

Bangor High, having been beaten only once this year and that time by the Maine Frosh, came up determined to win, at any cost. The game was theirs in the first half and they secured their three tallies during the first few minutes of play. Maine woke up at the half only to be again cast down by the loss of her captain.

It was an interesting game to watch, although Maine did not threaten Bangor's goal often. Much swift passing was displayed by both sides. The Maine outfit was somewhat dismayed by Bangor's tendency to bunch.

Churchill, Burrill, and Trickey were the big guns for Maine, while Gross and Craig upheld the crimson.

Line-up.

Kappa Gamma Phi, honorary journalistic fraternity, is making plans for the seventh annual journalistic conference for secondary school editors and business managers. The conference this year will be held about the second week in December. Donald H. Small '29, vice-president, will be chairman of the convention.

The Y.W.C.A. meeting scheduled for Wednesday, Nov. 28 has been changed to Sunday, Nov. 25 at 6.30 in Balentine. A Thanksgiving service with special music will be held at this time.

## Read 'Em And Weep

## THE PRAYER OF LAST WEEK

Now I lay me down to rest  
Before I take tomorrow's test,  
If I should die before I wake  
Thank God I have no test to take.

"Have you ever been osculated, dear?"  
"Yes, once for typhoid."  
—Columbia Jester.

Disgusted Lady: Does your mother know you smoke?  
Small Boy: Does your husband know you speak to strange men in the street?

Mr. Fassett: "Mr. Vail, are you in the Spanish play?"  
Redfield: "Yes, sir. I'm taking tickets at the door."

Eunice (Jo) Jackson in News Writing—"She belongs to — fraternity."  
A heated discussion followed this statement over the words "sorority" and "fraternity" when used in reference to women. Jo cleared it up finally by "Well the sorority girls are nice girls."

And the girls here say they belong to fraternities!

Chuck Rogers was seen in class Tuesday morning. The Chautauqua must be nearly over.

A Jewish gentleman boarded a street car with his small son and handed the conductor a single fare.

"Why, how old is that boy?"  
"Four."  
"Well, he certainly looks more than four years old."

"Hm! Am I responsible if he worships?"  
—Nebraska

"Are you a doctor?" she asked the young man at the soda fountain.

"No, ma'am," he replied, "I'm just the fizzician."

The next scrap by the co-eds is entitled, "The Gold Rush." This will take place immediately after the awarding of gold footballs and track shoes by the Athletic Board.

"What luck," cried the burglar as he saw the silver chest, "Here's where I get my missus another fur coat." He grabbed up spoons, knives, forks, examining them with care. "Statler, Savoy, Eastland, Waldorf, Copley Plaza, Brevoort, Bangor House," he read. "Ah gosh what do I want with a lot of hotel silverware?"

The poor burglar, not having the advantages of a college education, had entered a fraternity house for silverware!

The Dean to timid frosh entering late, "When were you born?"  
Frosh, "April second, sir."  
The Dean, "Late again."

She—"My brother doesn't smoke, drink or swear."  
He—"Does he make all his own dresses, too?"

Fraternity house beans, an old Spanish custom, you know.

"You're a dear sweet girl, God bless you and keep you. I wish I could afford to."

Professor—"Why, every time I breathe a Chinaman dies."

Voice from the rear—"Why don't you try Listerine?"

"Bill was expelled from school."

"Too bad! Why?"  
"In the engineering exam he surveyed his neighbor's paper."

"That's nothing," said the student as he saw the professor put a zero on his examination paper.

A pledge was asked by one of his future fraternity brothers what his pledge pin signified. He answered that he thought it signified that he was capable of sweeping out a room and that it apparently gave the frat members the right to paddle him. This pledge is still thinking but not sitting down.

No matter how many commodities go up, garters will always come down.

## Senior Co-eds Defeat Juniors Closing Season

The Class of '29, interclass champions in all sports since their debut at the University of Maine, departed from their hockey career in a blaze of glory by defeating the Juniors Wednesday afternoon on an icy field with a 2 to 0 score. Eight of these senior girls are also varsity players and with this game the final chapter of their field hockey history under the Maine banner is closed.

The Seniors and Juniors were evenly matched, and during the first half the ball was mostly in the center of the field, neither team being able to get near their opponent's goal. The half was blown on a scoreless tie.

The Junior team was strengthened by "Chris" Norwood who made her first appearance on the hockey field in two years, and played a splendid game as left half. She is a hard hitter and a good tackle.

Mary Robinson was the standard bearer for '29. With only two other members in the forward line instead of the usual five, Mary, as center forward, carried the ball down the field herself, evaded the opposing backs and scored two goals for the seniors. Mary is the star of the varsity as well as the senior team, and her absence next year will make a noticeable difference. This game completes the interclass series. The standing of the classes is: Seniors, first, freshmen, second, juniors, third, and sophomores last.

## CAMPUS NOTES

### CIVIL CLUB

There will be a meeting of the Civil Club in 14 Wingate Hall at 7:00 tonight.

A stag dance under the auspices of the Maine Musical Clubs will be held in the gym Friday evening. Ed Rose's Lucerne orchestra will play.

Invitations arrived last week for a luncheon at Mrs. J. N. Hart's home on Main Street. There was much puzzling over the reason for the particular guests invited, but after the luncheon, Mrs. Hart announced that she had promised to entertain the Baptist girls of the campus, and this was her delightful way of keeping her promise. Dean Bean rendered four favorite songs and Miss Buchan accompanied her on the piano. Everyone joined in the Stein Song before leaving, and three hearty cheers were given for Mrs. Hart.

Mr. Paul Henneman of Bangor, Boiler Inspector of the Hartford Boiler Inspection and Insurance Co. gave an interesting talk on Boilers before the Student Branch of the A.S.M.E. on Monday night.

Coach Jenkins requests all track men to come out to train for the Christmas Handicap Meet to be held in the Gym-Armory, December 8th.

Cecil Fielder, the new secretary of the M.C.A., spoke on India at the regular Monday morning chapel. Mr. Fielder had first hand experiences to speak about, as he was in India six years doing missionary work.

## CHAUTAUQUA PLEASURES MANY

Those who availed themselves of the opportunity last week-end enjoyed three days of entertainment furnished by the Swarthmore Chautauqua.

On the opening day in the afternoon a concert was given by the Lowell Patton Trio. Their program was varied and delightful. The evening of the same day there was another concert by the Lowell Patton Trio, and a lecture by Judge George D. Alden on "Altitudes and Visibility." His lecture was exceptionally interesting and was full of interest, wit and inspiration.

On the afternoon of the second day Mrs. Roseth Knapp Breed, an impersonator, fascinated her audience with her portrayal of personalities without the use of wigs or grease paint, but through an unusual voice, wonderful facial expressions and costumes. In the evening the three act comedy drama "Take My Advice" was produced. It was a delightful play of love, youth and laughter. The audience was kept in a continual uproar to the finish.

The afternoon of the third day was devoted to the Junior Chautauqua Demonstration Superintendent's Hour. The evening of the last day was probably, to the majority, the most brilliant and exciting one, for the Floyds, the workers of magic, mirth and mystery opened their program with a gorgeous display of gold and silver tables, beautiful draperies, and glittering paraphernalia. In the first part Floyd performed a series of absolutely wonderful magical effects including the mysteries of India, China and the Orient. All of this was presented in a pleasing manner and with a true skill. Explanations made this part highly instructive. The second part was devoted to a remarkable demonstration of telepathy and thought transference, by Mohala, the mystic. Excellent music and several brilliant solos were rendered by a graduate of the "New England Conservatory of Music," followed by many new and original feats in Modern Magic.

## M.O.C. DISCUSSES BUILDING NEW CABIN

The Maine Outing Club held its bi-monthly meeting Tuesday evening, November 21 at 7:30 in 17 Winslow. The possibilities of having a new Outing Club Cabin built at Chemo Pond before the snow sets in, so that the Club will be able to accommodate between forty and fifty members overnight was discussed. The proposed site will be accessible by auto and the leasing of the land includes the care taking of the property for ten years. As much firewood as the members will use can be had free for the same period of time. This site would make possible skating, ice boating and fishing and ski, snowshoe and toboggan parties this winter with the cabin as headquarters, and in the spring boating and swimming.

This Saturday the Outing Club will hold a short hike followed by a box lunch, leaving Coburn at 12:00 and returning early in the afternoon. Those people having morning classes may leave in a group at 12:30. The lunches will be furnished, the only thing necessary to be brought is a quarter. The trip is open to everyone whether he is a member of the Club or not.

## NEW LIBRARY BOOKS

These new books are in the University Library.

The Children, by Edith Wharton.

A new novel by the author of Ethan Frome; dealing with the attitude of children toward divorced parents. European setting.

The Grub Street Journal, by James T. Hillhouse.

A useful description, digest, and bibliography of the now almost inaccessible paper which ran in Alexander Pope's time between 1730 and 1737, and the connection of which with Pope—a complicated matter—Mr. Hillhouse here helps to make clear.

Meet General Grant, by W. E. Woodward.

Abraham Lincoln, by Beveridge.

Two outstanding political biographies of 1928. Biography, if honest, is more interesting than fiction, and the output shown by the publisher's records is increasing.

John Brown's Body, by S. V. Benet.

To quote Henry Seidel Canby, "It might have been written in prose. But what a loss in vividness and beauty, in interest; what a decline from the possibilities of story telling as exhibited in this saga of the Civil War."

(Continued from Page One)

## 26 Senior Foresters Leave for The Woods

The boys will stay at the Schoodic Lake Outlet Camp, six miles from Milo. The nearest postoffice is Lakeview, Me. The boys hope that the coeds will remember that "absence makes the letter grow fonder."

Surrounded by wild animals and hardy woodsmen, various methods of silviculture, timber estimating, forest management and lumbering problems will be dealt with in a practical way by the future "men of the woods."

The camp is in charge of Gilbert I. Stewart, Asst. Prof. of Forestry, with George Gruhn assisting. Frank Bailey is again acting as cook.

The following men are attending the camp: Louie Airolidi, Harold L. Arey, George D. Bixby, Richard T. Burnham, Gilbert K. Burwood, Lyman A. Davis, Fred H. Ellis, Lyman S. Gray, Clifton W. Hall, Gordon E. Hammond, Curtis M. Hutchins, John H. Lambert, Byron W. McPheters, Victor B. MacNaughton, Worth L. Noyes, Robert D. Parks, Harold T. Payson, Lovell C. Rawson, Noyes D. Shirley, Anthony C. Simone, Clyde A. Stevens, Elmer A. Stevens, Harold L. Sylvester, Earl D. Taft, James N. Waldron and Kenneth H. Young.

The latest on the campus—yodelling

## Y.W.C.A. TO HOLD THANKSGIVING MUSICAL PROGRAM

The Y.W.C.A. has scheduled a special Thanksgiving Musical Program in the Balentine Parlors Sunday evening, November 25 at 6:30. This date was changed from Wednesday, November 28, because of the five day recess. The program will include violin selections by Mrs. Mary O. Noyes, an Orono musician of much talent. Mrs. Mitchell will give several vocal solos, while the accompanist will be Mrs. Upham. Cello selections and a speaker are the other things planned for the occasion. This Thanksgiving program by the Y.W.C.A. is a yearly event, to which everyone is welcome.

## SALE FOR NEAR EAST RELIEF NETS \$400

A linen sale and silver tea was held at the home of President and Mrs. Boardman the afternoon and evening of November 14. The chairman of the linen tables was Mrs. Sweetser. The embroidery work which was beautiful was done by women and children of the Near East. The sale of these handmade articles netted almost \$400. This money will be sent to the Near East Relief Fund. The sale was well attended by people of Orono, Old Town, and Bangor. This Near East Relief sale is an annual affair. Last year it was held at the home of Mrs. Gray at Old Town.

## TRACK LETTERS AWARDED

Last year's track team, champions of Maine and of New England, were awarded gold charms in the shape of a track shoe, for their outstanding work during the season. Those men receiving charms were:

Coach F. M. Kanaly, Mgr. E. Horton, Capt. S. Thompson, A. E. Cushing, E. R. Gowell, H. L. Richardson, F. B. Chandler, E. F. Black, E. A. Stymiest, V. Cuozzo, W. L. Jones, S. T. Mank, P. A. Beckler, W. S. Niles, H. D. Harding, K. D. Larsen, V. B. MacNaughton, C. E. O'Connor.

### Varsity Hockey Team Wins from Conn. Aggies, But Loses to Jackson

threw. Jackson, Peabody.

Time: Two 25 minute halves.

On Saturday noon Miss Lengyel's hopefuls lined up against the Connecticut Aggies at Storrs. They fought with grim determination, and when the Aggies made their only goal in the first few minutes of the game, they fought harder and drove the ball down to the other end of the field to tie the score. At the end of the first half the score stood 1 to 1. In the second half Maine played more brilliantly and easily. The Aggies seemed to have expended all their strength and were fighting a losing game. Only once during this half did they dangerously threaten the Maine goal and then the goalkeeper saved the day by a clever tackle.

Connecticut played a rough game, bumping, tripping, and fouling. In the second half the referee watched the Aggies more closely for fouls and Maine was continually given free hits.

Time, Two thirty minute halves.

A bright spot in the trip was the match between the All-English team and Wellesley College at Wellesley, Mass. which the Maine team witnessed Thursday afternoon. The English women play that type of hockey which is the envy and admiration of everyone. The ball seems glued to their sticks when they are carrying it down the field. They are as quick as a flash, and can hit the ball the length of the field with no effort at all. The game was not too much one-sided, for Wellesley had a good defense and put up a hard fight. They were defeated 10 to 0.

At the beginning of the game, the English team in their red tunics with red stockings and blue blazers marched on to the field holding aloft small British flags.

An All English team has not toured this country since 1921, and the Maine team was fortunate to be able to see them play.

(Continued from Page One)

### Thirty-two Answer Brice's Call For Hoopmen

Kent and Sylvester are all fast men with much experience behind them. They should see a lot of action this winter although there are several juniors and seniors who will give them a hard fight for the positions. There is a wealth of material in the Sophomore class, men who received their training from Bill Kenyon last year, and who may land steady jobs with the Varsity. Captain Emerson, Rickard, Bretton, Wells, and Jarrett are probably the strongest of these.

It is much too early for Coach Brice to get a line on the team but the squad will be cut down next week to make it workable. The Varsity will be a road team this winter, playing the majority of its games on trips but the Freshmen team will be the home club to furnish excitement for the University.

### MEN AND WOMEN DEBATORS TO MEET

The Debating Council has formulated the plans by which it is to carry on the work for the year. It has been decided that the Men's Debating Club will hold a meeting every Friday and the Women's Debating Club, every Monday. Besides these individual gatherings there is to be a joint meeting composed of both the men and women. This plan has numerous advantages, for it will give each side an opportunity to get a new viewpoint for the question under consideration this year. Moreover, an effort will be made to obtain various judges of Old Town and Bangor to speak at the meetings.

### SPANISH NIGHT AT ALUMNI HALL DEC. 7

On Dec. 7 the Spanish Club under the personal direction of Mr. Louis Cabrera of the Spanish Department will present a Spanish Night in Alumni Hall. This is something in the way of a novelty and it will be the first time that such a program has been presented at Maine. Over sixty students on the campus are to take part in the entertainment. Music will be furnished by a stringed orchestra and a jazz band, both under the direction of George Rose.

The program itself will consist of a presentation of local Spanish scenes, Spanish songs and dances, a Spanish play and a number of interesting tableaux. Some of the main features will be the presentation of the tango, the jota, the national Spanish dance, an array of typical Spanish dances, and Spanish songs. The whole performance will be typically Castilian for the music in the program itself will consist of guitar, banjo, castanet, and tambourine accompaniments.

### Maine Harriers Run Away With N. E. Hill-Dale Title

John Stanley was the fourth Maine man to finish, coming in sixteenth. Steve Mank, in 22nd place was the fifth Maine man to place. He was followed by Capt. MacNaughton in 23rd position, and Horace Caler in 29th place. The latter two men were not at their best as Capt. MacNaughton has been ill during the past few weeks, and Caler was out of practice from his leave of absence the past week. They are both expected to do much better in the Nationals at Van Cortland Park, New York City, Mon. Nov. 26.

Summary:

	Team Scores
Maine	1 2 5 16 22-46
New Hamp.	3 4 7 8 31-53
Bates	6 10 14 17 18-65
Williams	12 13 24 25 43-117
M. I. T.	11 19 34 47 49-160
Tufts	9 26 36 39 52-162
Holy Cross	15 21 28 41 62-167
Amherst	20 37 42 50 60-209
M. A. C.	30 35 40 51 59-215
Northeastern	27 38 57 58 69-249
Boston Univ.	33 45 48 66 68-260

The University of Maine Freshman cross country team took second place in the freshman division of the New England Intercollegiate A. A. cross country run at Franklin Park, Boston, last Monday.

Gunning placed third, Austin seventh, Dekin eleventh, Robbins twelfth, and Percival twenty-ninth.

	Team Scores
New Hamp.	1 9 10 14 19-53
Maine	3 7 11 12 29-62
Bates	4 5 8 22 27-66
Tech	6 13 17 18 20-74
Holy Cross	2 15 16 23 24-80

The World Is Reaching Out by Mr. Patton only two days before, so the University of Maine was the first to hear it. Another hymn had been written by Judge Alden and put to music by Mr. Patton.

### Mould the man first, then the metal

CARNEGIE developed the steel industry by first developing his men. The Bell System is growing faster than ever before in its history and this growth, like the steel growth, is based on the development of men.

Today, in the telephone industry, men in supervisory positions must coordinate many and varied factors. For example, before locating a new central

office, population trends are studied. While it is being built, telephone apparatus is planned, made, delivered and installed on orderly schedule.

But more basic than all this, the executive shows leadership by his insight into the human equation and by the sympathy and understanding with which he adapts individual to job, moulding his men first.
