A TYPEWRITER TEST THAT MEANS SOMETHING

Blindfold yourself. Have ten typewriters, of different make, placed in a row—a Monarch somewhere among them. Try each keyboard in turn. The machine with the lightest touch will be the

Monarch Light Touch

and you can locate it every time, no matter how its position be changed.

Just as the proper tools produce the best work, so does a responsive key action increase the efficiency of a stenographer. It saves her strength. Therefore, she has a better grip on her work, is more accurate, more rapid, gets a greater quantity of work done. There is no "three-o'clock fatigue" where the Monarch is used, and a few days' trial will convince you of this fact.

Send for Monarch Literature

Learn the reasons for Monarch superiority. Then try the Monarch, to the end that you may know that Monarch merit rests in the machine itself, not merely in what we tell you about it.

MONTHLY PAYMENTS

Monarch Machines may be purchased on the Monthly Payment Plan. A post card will bring full information.

MAINE LOSES SECOND GAME

Goal from Field only Score

Maine met defeat against Rhode Island State College Saturday in the second game of the season by a score of 3-0. Sullivan, Rhode

P. R. HUSSEY, Football Manager

Island's snappy quarterback did the feature work of the day. He was strong on end runs and a wonder in a scattered field. Shepard was back in the game for Maine and played an excellent game together with Carleton at left half. The

W. E. PARKER, Football Captain

loss of the game was due principally to Rhode Island's splendid interference and ability to pick holes together with Maine's inability to get in good tackles. The only score came in the middle of the first period when after a series of gains by Rhode Island to Maine's twenty yard line, Maine held and Sullivan made a drop-kick and a clean field goal on the third down. Maine

tried for a field goal twice, but the line failed to hold. Shepard made some fine punts, one at least reaching the sixty yard mark. Captain Parker was only in the game a few minutes in the second period.

Line-up:

Score, Rhode Island, 3; Maine, 0. Goal from field, Sullivan. Umpire, Lieutenant Frank, Fort McKinley, Referee, MacCreadie, Portland. Field Judge, Dr. Cox, Rhode Island. Head Linesman, Amadon, Maine. Time: 4 ten min. periods.

FALL TENNIS TOURNAMENT

Innovation in Fall Athletics

A new feature at the University this fall is a fall tennis tournament. This is the first time a tennis tournament has been held here during the fall and it is proving a success. Those entered in the tournament are L. W. Smiley, '12, W. D. Towner, '14, O. B. Higgins, '14, D. B. Ferguson, '14, J. M. Junkins, '14, E. P. Ingalls, '15, N. B. Woodbury, '15, D. W. Parks, '14, J. D. Graves, '15, F. S. Youngs, '14, R. S. Ferguson, '14, G. G. Tilley, '13, F. L. Darrell, '12, P. M. Hall, '15, G. L. Cristy, '14, P. Garland, '12, J. W. Gowen, '15, M. J. Creighton, '15, A. L. King, '14, S. Jones, E. M. Hall, '14, C. H. George, '12, C. W. Burr, '15, R. E. Fletcher, '15, C. W. Newell, '12. The tournament started last Saturday.

PUMPKIN MEET

Dual Contest on Oct. 21

The Annual Pumpkin Meet between the Sophomores and Freshmen, until this year the first

track event of the college year will be held Saturday, October 21st, at one P. M. The usual interest is shown in this meet because it affords the first chance of getting a line on the material in the entering class for the 'varsity team of next spring. Without doubt the score will be close, for, while the sprints and short runs are conceded to the Freshmen, the distances and field events are very likely to go to the last year's men. The Freshmen have a very fair sized squad out already and new men of both classes are starting work daily.

ANNUAL FLAG RUSH

1914 Winners

Following the football game with Fort McKinley, Saturday, Sept. twenty-third, on Alumni Field, the annual Sophomore-Freshman flag rush was participated in with the class of 1914 the winners. The score was twenty-three hands to fourteen hands. The new extension of the field behind the bleachers was the scene of the conflict, and it was well worth seeing, so bitterly was it contested. The freshmen, unusually large in numbers, made their customary formidable appearance but were defeated on account of lack of experience in class rushes. The rush lasted for ten minutes, a somewhat lengthened time over the old five minute duration.

SOPHS WIN

Defeat Freshman in First Contest for Peanuts

In the first game of the Freshman-Sophomore series for the peanuts for the peanut scrap, the Sophomores won easily to the tune of 7 to 0. The game was snappy from start to finish, and only resulted in a victory for the Sophomores because of the weakening of McLaughlin, the freshman pitcher, in the seventh and eighth innings. The pitching was of first class order, the longest hit being a twobagger by Stobie. The best chance the Freshmen had to score came when Peasley in left field with one down allowed a line drive to get by him. The freshman, however, was held at third for two more outs.

The most sensational play of the game was Hallway's catch of a line drive in short center and throw to the plate, catching the runner from third fifteen feet off the rubber. Newcomb at third base did the best work for the Freshmen, and Abbott, Pickard and Stobie for the Sophomores.

The Line-up:

 Summary: Two base hit, Stobie. Sacrifice hits, Cobb 2, Ferguson, Double play, Hollway to Abbott. Base on balls off Stobie, off McLaughlin 2. Struck out by Stobie 8, McLaughlin 8. Umpire, Hosmer.

CROSS-COUNTRY

Squad Working to Meet Tufts Oct. 14

On October 14th, there will take place an event new in the history of the University of Maine—a cross-country run against another college. At Medford, Mass., Maine will be represented by a team of five men to run a distance of five miles in competition with a team from Tufts College.

The squad of candidates for the team, under the able direction of A. N. Smith, last year's track coach, is hard at work and should make a very creditable showing, although Tufts has had a team for several years and thus has more experienced material from which to pick. Among those trying for the team are Houghton, '12, Power, '13, Wardwell, '13, Patterson, '14, Philbrook, '14, Kelley, '14, Morris, '14, who were out for the long and middle distances last year.

FRATERNITY PLEDGES

The pledging of Freshmen to the different fraternities began very early this fall and has been carried on steadily up to this time. All of the houses have already pledged several new men and are still getting more from the splendid material in the new dormitory, Hannibal Hamlin Hall.

At this time the following men have been pledged to fraternities;

PHI GAMMA DELTA

Robert F. Thurrell, Portland; Preston M. Hall, Taunton, Mass.; Maynard J. Creighton, Thomaston; Edward Woodman, Jr., Portland.

KAPPA SIGMA

Edgar G. Howland, Plymouth Mass.; Thayer F. Hersey, Patten; Alfred Evans, Bangor; Harold White, Bangor; Drummond Freese, Bangor; Norman S. Donahue, Luthersburg, Pa.; J. Walsh, Portland; William Hall, Portland.

ANNUAL NIGHT SHIRT PARADE

Freshmen March in Light Attire

Early Friday morning, September the twenty-second, the Class of 1915 made its initial appearance on the University Campus. It was the occasion of the annual Night-Shirt Parade conducted by the Sophomore Class. Hannibal Hamlin Hall was well stripped of its freshman occupants soon after midnight, who clad in night-shirts and pajamas formed in lock step and marched to the different fraternity houses, where their number was augmented by the additional freshmen living there. The one hundred and fifty or more freshmen in line made their first stop at the Mt. Vernon House where they performed to the amusement of all. The brilliant orators and vocalists of the class were allowed to occupy the stump platform until the ardor of the Sophomores somewhat diminished. From there, the procession, headed by imitation fife and drum corps, proceeded along College Avenue towards Webster. After fully answering the requirements of the upper class, the freshmen were let loose on West Main street and allowed to find their way home unescorted. The affair in the eyes of all eye-witnesses and participants was conducted in a business-like manner. The spirit existing between the two classes, while very keen, did not bring on any unnecessary roughness and aided materially in making the parade a success.

During the summer the old Commons has been remodelled into a recitation building and is now known as Estabrooke Hall. There are three recitation rooms on the first floor, and three on the second besides an office for Prof. Gray and conference rooms for the English instructors. All English recitations will be held in this hall in the future.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

Once more the well oiled wheels of the Uni-
versity are running smoothly, and Maine is fairly
launched upon another year of its history. Once
more the honor and welfare of the University has
been deposited in trust with us, the Faculty and
students of the institution. Naturally we try
to look into the future to see what is in store.
Will this be a good year, or a bad one? Such
speculation is interesting but almost useless.
This year for the University will be about what
we make it. If the institution loses ground during
the coming months, it is our failure, and there
is nobody else to blame. If the year proves to
be one of growth along all lines, we may rejoice
in a common victory.

Here is the situation. Now, what can we do
to work for success? First of all we must have
unity of action and unity of purpose. As a
means to this end, let's get better acquainted.
Let each student make it a point to become
personally acquainted with all of his instructors,
and on the other hand let every member of the
faculty make a friend of every student that he
can possibly reach. If difficulties arise in our
courses, compromise. Let no hard feeling enter
in. If this is accomplished, we will have one of
the greatest weapons in this world against failure,
mutual friendship. Let each Maine man keep
in touch with as many alumni as possible and keep
them informed as to progress on the Campus.
All this is only a beginning to what we may do,
but if this is done, we will have laid the foundation
for success by getting a united body, welded
together by bonds of friendship, and forging
ahead with a common purpose, the upbuilding
of the University.

We may urge, beg, and even demand that every
Maine man support the football team with all that
he has both of physical strength and of money,
but after all it is the spirit of the man way down
in his inner self that must do the work. If a
man is to support that team, however, now is the
time to begin. In six weeks it will be too late.
If when the last whistle blows in the Bowdoin
game, every man in the Maine bleachers can
honestly look back over the season and say that
he has done his best for Maine this fall, we can
come back to Orono with a clear conscience at
least whether we win or lose? But, if some
Maine men when they make an honest survey of
their attitude toward the team realize that the
five dollars that they spent in going to the "show"
might have bought a lighter suit or a better pair
of shoes for one of those men who have given their
best for Maine on the gridiron, they may justly
feel that they are primarily responsible if Maine
is defeated, and they have no right to rejoice if
Maine wins.

The first few issues of the CAMPUS will be sent
to every student and member of the Faculty

with the exception of those who are in arrears for last year's subscription. In the meantime an effort will be made to induce every man to subscribe for the paper. If you feel that you cannot subscribe for the paper, and thus do your share in supporting the CAMPUS which is as necessary to the University as the athletic association or, an athletic coach. If you can bring yourself to such a point as to feel such irresponsibility for a worthy and necessary college enterprise, it would be a favor at least to notify the business manager that you wish the paper discontinued.

With the cross-country race with Tufts only two weeks away, only about fifteen men are reporting for practice. This means that seventy per cent of the student body are either lazy or indifferent enough to shoulder the responsibility of winning our first intercollegiate cross-country race off on a small bunch of fifteen reliable men. This may sound like harsh criticism, but it seems to be true. With the present system of managing our athletics, it is this attitude and this attitude alone that can bring failure to our teams. It is up to us as students to see that we do not furnish the attitude.

RESOLUTIONS

Whereas, It has pleased the Almighty God in His infinite wisdom to remove from our midst our beloved classmate, Clyde F. Daniels, and

Whereas, We, the members of the class of nineteen hundred and fourteen of the University of Maine, desire to express our deepest grief in the loss of our fellow student, be it

Resolved, That we extend to the family of our deceased classmate our heartfelt sympathy in their said bereavement, and be it further

Resolved, That a copy of these resolutions be entered in our class records, printed in the University publications, and sent to his family.

PHILLIP E. PHILBROOK
HAROLD L. DINSMORE
PHILIP W. THOMAS

For the Class.

Whereas, It has been the divine will of Almighty God to remove from our midst our beloved brother, Clyde Folsom Daniels, and

Whereas, We, the members of Omega Mu Chapter of Phi Gamma Delta desire to express our deep sorrow and

feeling of great loss at the death of our brother and friend, be it therefore

Resolved, That we extend to his family in their bereavement, our heart-felt sympathy; and be it also

Resolved, That a copy of these resolutions be incorporated and made a part of our chapter records, printed in the University and fraternity publications, and sent to his family.

WILLIAM R. BALLOU, '12
CLIFTON E. CHANDLER, '13
VICTOR H. SHIELDS, '14
MAYNARD J. CREIGHTON, '15

SCHOLARSHIP CUP

The scholarship cup which was presented to the University by the 1910 Senior Skull Society was awarded last June to the Alpha Tau Omega Fraternity.

The rules which govern the awarding of this cup are as follows:

The cup shall be awarded at Commencement to the fraternity having the highest standing in scholarship during the two semesters which are previous to the spring semester preceding the awarding of the cup.

The cup shall be awarded for eleven years 1910-1920 inclusive. The fraternity to which this cup is awarded the greatest number of times shall be the permanent possessor of the cup. In case two or more fraternities have held the cup an equal number of times, preventing a decision in regard to the ownership of the cup, the cup shall be awarded to that one of the above mentioned winners which shall secure the highest standing in the twelfth year.

This cup may be held by the following fraternities: Sigma Alpha Epsilon, Alpha Tau Omega, Beta Theta Pi, Sigma Chi, Phi Gamma Delta, Phi Kappa Sigma, Kappa Sigma, Theta Chi, Theta Epsilon, Phi Eta Kappa, and Delta Tau Delta.

If any one of the above should change its name it shall still be eligible for the cup.

The cup may be kept by the fraternity holding it, either in its chapter house, or in some suitable University building.

Last year, the first year the cup was awarded, it was captured by the Beta Theta Pi fraternity and at the end of the last college year it was awarded to the Alpha Tau Omega fraternity.

This cup furnishes some motive for fraternity men to better the scholarship of their house and if the interest continues to increase this award will be a real live factor in aiding the standing of the University.

MAINE 19—FORT McKINLEY 0

Fast Opening Game

University of Maine opened the football season on Alumni Field the 23, defeating Fort McKinley by the score of 19 to 0. Maine was weakened by the loss of Captain Parker and Shepard, their star kicker. The game abounded with forward passes by both teams, Maine excelling. There was no scoring in the first period. Maine came back strong in the second period, and Smiley tore through a big hole at left tackle for twenty yards and the first touchdown. Maine failed to kick the goal. The third period was hard-fought on both sides. Smiley of Maine kicked a pretty goal from placement at the thirty yard line. Maine scored twice in the last period. Cook secured the ball from a fumble on McKinley's 15 yard line and carried it across the line. Smiley failed to kick the goal. After the kick-off Maine began the kicking game, working the ball to McKinley's 10 yard line, and Smith easily carried it over for the last touchdown. Maine kicked the goal.

The game was remarkably fast for this time in the season. McKinley's outfit was the strongest and fastest bunch of soldiers ever seen on Alumni Field. They worked the forward pass successfully several times and were strong on the defense. Lehner at fullback featured for the soldiers doing all of the kicking. His two trials from placement failed principally through the weakness of the line. For Maine, Bryant the freshman quarter, Smiley at fullback and Cook at left end were the stars.

Line-up:

MAINE	McKINLEY
Cook, le.	re., Bergman
Sawyer, lt.	rt., Utalowsky
Kent, Fisher, Burnett, lg.	rg., Godfrey, Mullen
Whitney, c.	c., Tappen
Crowell, Burnett, lg.	lg., Linehan
Murray, rt.	lt., Underwood
Donahue, Smith, re.	le., Flood
Bryant, Hamel, qb.	qb., Taylor
Davis, Gilman, Burnheisel, rhb.	rhb., Dwyer, Hanson
Carleton, Burnheisel, Gilman, lhb.	lhb., Zink
Smiley, fb.	fb., Lehner

Score: Maine, 19; McKinley, 0. Goal from field, Smiley. Touchdowns, Smiley, Cook, Smith. Umpire, Dyer of Amherst, Referee, MacCreadie, Portland. Field Judge, Riley, Michigan. Time 10 min. periods.

E. N. Woodsum of Brown University has entered the class of 1913.

FIRST MASS MEETING

Prominent College Men Speak

The first mass meeting of the college year was held in place of the regular chapel service on Friday morning. The band was out for the first time and gave several good selections. W. R. Ballou, '12, president of the Athletic Association called the meeting to order, and after explaining its purpose called on Manager Philip R. Hussey of the football team. Manager Hussey made a strong speech explaining the policy of making a progressive schedule that would build the team up gradually. He also went over the schedule comparing it with that of last season, thereby showing what Maine would have to do to keep up to the record of last year. The next speaker was L. E. Houghton, '12, captain of the track team. He outlined the track situation and made a splendid appeal for the freshman to support the track team by getting out and trying. J. A. Gannett, '07, the treasurer of the association was the next speaker. He explained the finances of the association and asked the student body as a whole to help out with their athletic subscriptions. It remained for Captain Parker to make the speech of the morning with a characteristic talk straight from the shoulder. When he got through, no one had any doubt as to what his duty was toward University athletics. The time was short, but Director Wingord closed the meeting with a few words of encouragement in regard to the team at the same time urging the support of all students. The students marched out to the strains of the Stein Song.

CHANGE IN DELINQUENT NOTICES

New Faculty Ruling

A new ruling regarding the notification of delinquent students as to their condition in college work is in effect this year by vote of the Faculty.

Formerly, twice each semester all students below passing rank were notified in writing of their condition, and were obliged to seek conferences with their major instructors.

This has been done away with and no such notices will be issued, the student receiving his warning from the heads of the various departments. This new arrangement, while untested, is sure to be of advantage over the former method.

FOOTBALL PROSPECTS GOOD

Large Squad on Alumni Field

A fairly good sized football squad reported for practice for the first time on September 14. Coaches Wingard and Riley who were so successful with the team last year were back at that time, and have been working the men hard ever since. The squad has grown steadily until the number reached over forty last week, and the coaches hope to make it sixty before this week is over. The portion of the field back of where the football bleachers used to stand has been graded up, and is now used as a field to practice on. The old football field has been grassed over, and will be used for games only.

A good number of old men are back on the squad and are working hard to hold down their positions. Cook, Whitney, Crowell, Bigelow are back in the line, and Capt. Parker, Carleton, Shepard, and Smiley in the back field. Murray, '14, who failed to make the regulars last year is getting in great work at left tackle this season. Sawyer, '13, who was out of the game last year is back at left guard and working well. Baker '15, Hebron's center of last year is being tried out at center and guard and looks good for a position. He is a big man and knows the game. At right end, Donahue, a freshman from Lockhaven Normal in Pennsylvania is playing most of the time and working finely. Maine has a find in Bryant at quarter. He hails from Biddeford High, and is fast. Hamel from Portland High and Bernheisel, another freshman from Lockhaven Normal are both doing well at that position. Cleaves, '12, who was 'varsity quarter two years ago was out in a suit yesterday, and should make them all hustle. Bernheisel is also being used at half together with Martin, a freshman from Conway Hall, Penn. Davis, '13, is doing well at right half and is doing some of the kicking.

The Fort McKinley game was a good one. McKinley had the strongest soldier aggregation ever seen on Alumni Field, but Maine was also faster company than is usual at that time of the season. The Rhode Island game on Saturday was somewhat of a setback, showing up several weak places which will be patched up this week. The season is early yet, and with the wealth of good material at hand, the coaches should turn out a great team by the time the state series open. Coach Smith who worked up Maine's last year's championship track team is training the football men, and this is sufficient to guarantee nothing lacking as to physical condition when the great struggles begin.

The schedule for the remainder of the season is as follows:

October 7—New Hampshire State, Orono.

October 14—Tufts at Medford.

October 21—Vermont at Orono.

October 28—Bates at Orono.

November 4—Colby at Orono.

November 11—Bowdoin at Brunswick.

FIRST ATHLETIC BOARD MEETING

Election of Officers

The Athletic Board was organized for the year Tuesday evening, September 26, at the first meeting in the Library. Prof. R. K. Jones was re-elected chairman of the board, and J. A. Gannett, '07, was re-elected treasurer of the athletic association. E. A. Parker, '04, was elected as representative to the Maine Intercollegiate Board on Officials for Athletic Contests. E. H. Bigelow, '13, was chosen to be assistant treasurer of the athletic association for the coming year. The resignations of Guy V. Dyer and G. G. Tilley both '13, from the position of assistant managers of football were read and the board exercised its right, according to the by-laws, to elect temporary assistant managers, choosing J. C. Wallace, and J. W. Hart both '13. It was voted to make the general athletic dues five dollars with a discount of ten per cent if paid before October 30. Manager Hussey reported for the football team, and Manager Seekins reported for the track team. The meeting adjourned until the regular meeting on October 10.

THE NEW UNIVERSITY STORE

The University Store in the basement of Coburn Hall which has for several years been owned and operated by Sampson Bros. is now managed by the athletic association under the name of the University Store Corporation. Shares are held by a goodly number of students and faculty, and the project promises to be a success financially. Mr. Mainwaring is in charge of the store and is rapidly making a friend of every student. Mr. Mainwaring comes from Yale where he was manager of a cooperative store. More room is given the store but at the same time probably some trade has been lost by the doing away with the telephone exchange and the removal of the post-office to Alumni Hall.

REGISTRATION

224 New Men Registered

Registration began at 1.30 P. M. on Wednesday, Sept. 20, and up to this time 224 new men have entered their names as students of the University. Of this number 167 are regular freshmen enrolled among the following departments:

Four Year Agricultural.....	29
Arts and Sciences.....	31
Civil Engineering.....	17
Electrical Engineering.....	32
Mechanical Engineering.....	10
English.....	10
Forestry.....	17
Chemical Engineering.....	6
Chemistry.....	5
Four Year Pharmacy.....	3
Domestic Science.....	7

SOPHOMORES

Geo. L. Cristy, Providence, R. I., (Brown University.)

CLASS MEETINGS

The Junior class met in Alumni Hall, Monday, Sept. 25, to discuss the work of the coming year. The president gave a short talk speaking especially to the executive committee.

Sophomore class meetings were held in Alumni Hall, Sept. 20, and plans for the "Nightshirt Parade" were laid. At another meeting on Sept. 25, managers of class baseball and track were nominated from the floor and voted on. The results of the elections were: M. Pendleton, Mgr. of Baseball. H. P. Adams, Mgr. of Track. Haskell, Hettinger, Parlis and Leavitt were appointed on the poster committee.

A. B. Ferguson, Towner, and Morris were appointed to the Freshman cap committee. The president then announced that the nominations for class offices and other positions would be read on Monday, Oct. 2, and that the elections would take place on the following Monday from 1.00 to 1.30 P. M.

A third meeting was held Thursday, Sept. 28, in 11 Coburn Hall. The freshman poster, as prepared by the committee, was read and returned to the committee for a few alterations. The Nominating Committee announced the following nominations:

For football manager, H. Hall, R. S. Ferguson, and Pickard.

For basketball manager, Thomas, Higgins, and Towner.

For Sophomore Calendar Committee (three to be elected), Haskell, Philbrook, St. Onge, Eaton, H. R. Clarke.

ALUMNI NOTES

One of Maine's alumni who has recently secured a position of great credit both to himself and to his Alma Mater is Deforest H. Perkins. Mr. Perkins, who for three years previously has been Superintendent of Schools of the Skowhegan-Madison district, was recently chosen from nineteen candidates to fill the position of Superin-

tendent of Schools of Portland, and was also elected to the presidency of the Maine Teacher's Association.

He graduated from the University of Maine in 1900 with the degree of Ph. B. and subsequently spent two summers of study at Chicago University and one at the University of Indiana. Early interesting himself in the profession of teaching, he obtained the principalship of Freedom Academy and later of Skowhegan High School, also holding the office of president of the Somerset Teacher's Association and Somerset Association of School Superintendents. In 1908, he was made Superintendent of the Skowhegan district and held this office till his recent appointment in Portland. Mr. Perkins is a native of Brooksville and is now 38 years of age. He has always been prominent as an Alumnus of the University, being toastmaster at the commencement dinner a few years ago, and is one of the many men of whom Maine has good reason to be proud.

Bert C. Markle, '11, has been appointed principal of Brownville High School for the ensuing year.

Miss Florence Brown, '11, and Miss Irene Cousins, '11, both of Old Town have been engaged as teachers in the public schools of that city, the latter being head of the English department in Old Town High School.

Allan H. Blaisdell, '11, of Bangor, has taken a position as instructor in Mechanical Drawing at the University, succeeding Mr. Templin.

Cupid seems to have been particularly busy during the past summer and the mortality among our Alumni is surprising. Among the many weddings which have taken place are the following:

Walter J. St. Onge, 1907, to Miss Helen Donohue of Dover, Me.

Emery R. Bowdoin, '10, of Bucksport to Miss Abbie Thurlow.

Llewellyn N. Edwards, '98, of Montreal, to Miss Carolyn J. Hodgdon, '06, of Hampden Highlands, both bride and groom being graduates of the U. of M.

Vaughan Jones, to Miss June S. Philbrick.

Horton W. Kierstead, '07, to Miss Marion Palmer of Bangor.

Robert K. Steward, '08, of Skowhegan, to Miss Marjorie B. Carleton of Old Town.

Raymond B. Kittredge '06, to Miss Ethel Lord of Bangor.

Miss Elizabeth E. Jones, to Blake McKenney, both of Bangor.

Sanford C. Dinsmore, '03, who has for several years been engaged along commercial lines, now

occupies the chair of Chemistry at the University of Nevada.

Geo. A. Wakefield, '10, is now manager of the New York offices of Appleton and Sewall, Surveyors and Foresters.

Irving H. Moore, '09, who is connected with the Western Electric Co., in New York, was a recent visitor in this vicinity.

1910 lost two of its best remembered members recently when George S. Wadsworth, and Fred D. Davis passed away, Mr. Davis died of typhoid fever in West Virginia.

Raymond B. Kittredge '06, has been appointed instructor in Civil Engineering at the University. Mr. Kittredge graduated in 1906 with high honors

CHANGES IN FACULTY

A great many changes in the Faculty have taken place during the summer. Almost every department of the University suffered the loss of one or more good men either through resignation or leave of absence. Some of the men who have been connected with the University for years will be missed by the students this year. Following is a complete list of the resignations and appointments:

RESIGNATIONS

Gilman Arthur Drew, Ph. D., Professor of Biology.

Charles Davidson, Ph. D., Professor of Education.

Victor Ray Gardner, M. S. A., Professor of Horticulture, and Acting Head of the College of Agriculture.

Henry Gough Bell, B. S. A., Professor of Agronomy and Farm Management.

Walter Molbray Curtis, B. S., Assistant Professor of Mechanical Engineering.

William Archibald Brown, B. S., Assistant Professor of Animal Industry.

Bertrand French Brann, B. S., Instructor in Chemistry.

James Renfrew Dice, B. S., Instructor in Animal Industry.

Harold Merton Royal, B. S., Instructor in Physics.

Henry Herbert Jordan, B. S., Tutor in Civil Engineering.

John Neal Philbrook, B. S., Tutor in Civil Engineering.

Charles Prescott Weaver, M. A., Assistant Professor of English.

Ellis Willard Temple, Instructor in Mechanical Engineering.

APPOINTMENTS

Leon Stephen Merrill, M. D., Dean of the College of Agriculture.

Mintin Asbury Chrysler, Ph. D., Professor of Biology.

Arthur Julias Jones, Ph. D., Professor of Education.

George Edward Simmons, M. S., Professor of Agronomy.

George Ware Stephens, Ph. D., Acting Professor of Economics and Sociology.

Edson Forbes Hitchings, M. S., Associate Professor of Horticulture.

Winslow Hobart Herschel, B. A., Assistant Professor of Mechanical Engineering.

FIRST MEETING

Agricultural Club Trip to Brockton Fair

At the present time there are one hundred and eighty-nine students in the College of Agriculture and of these ninety-seven registered from the entering class.

Wednesday evening, Oct. 15, the first meeting of the Agricultural Club was held in Winslow Hall. Eighty men were in attendance. This shows a growth of about sixty-five men in the last three or four years.

M. D. Jones, '12, spoke on the Agricultural paper and on the project of sending a stock judging team to Brockton Fair. Dean Merrill spoke on the growth of the College of Agriculture, and A. L. Deering, '12, ex-president of the club, spoke on the growth of the club. Plans were also made for sending a stock judging team to the National Live Stock Show at Chicago. The Club voted to hold a smoker next Wednesday evening.

A number of the Agricultural students will start today for Brockton Fair. They will spend a day at the fair, two days visiting the large commercial stock and dairy farms in the vicinity of Brockton and one day visiting Fanueil Hall Market and some large cold storage plant. This trip is open to all members of the three upper classes of the College of Agriculture. Prof. Campbell and Dr. Merrill will accompany the students on the trip.

A. K. Gardner, '10, and Kent R. Fox, '10, were recent visitors on the Campus.

Perley Palmer, '96, was on the Campus last week.
