COLBY SWAMPED

Maine Overwhelms Waterville Eleven

Outplaying Colby at every point, Maine won the championship game on Alumni Field, Saturday by the score of 20 to 0. Three touchdowns, goals after two of the touchdowns and a field goal by Shepard tell the story. Most of the game was old-fashioned football. Maine's line was a veritable stone wall on the defence, and opened great holes in the offence. Fraser was easily the best man for Colby, playing a hard game throughout and making nearly all of their gains. The whole Maine team played like a machine. Cleaves ran the team well at quarter and carried back punts brilliantly. The whole back field played a splendid game. Capt. Parker was always good for a gain. The line was superior to their opponents at every point. Baker, the freshman center outplayed the veteran, Hamilton all through the game. Shepard was better than Fraser in punting. During the whole game Maine rushed the ball 492 yards against Colby's 111.

THE GAME

Maine kicked off and Good was downed on his own 20 yard line. Colby punted, Cleaves running the ball back 30 yards to Colby's 50 yard line. Maine began to hit Colby's tackles hard and fast with Parker and Carleton. Colby could not hold and Parker went through left guard for a touchdown after three minutes of play. Shepard kicked the goal.

Fraser kicked off for Colby, Cleaves running the ball in 25 yards. Maine made seven yards in two downs and Shepard kicked, Cook of Maine recovering the ball on Colby's 25 yard line. Maine was penalized five yards and Shepard tried unsuccessfully for a goal from placement on the 25 yard line. Colby put the ball in scrimmage at their 25 yard line but could not gain. Fraser punted, and Maine on first down returned to Weir on Colby's 25 yard line. Colby made first down but again could not gain consistently, Fraser punting to Carleton on Maine's 45 yard line. Maine made several heavy gains into Colby's territory with Shepard, Parker and Carleton, through the line. Cleaves tried a forward pass, Bagnell of Colby getting the ball on his own 15 yard line. Fraser punted and Cleaves fumbled the kick. Soule recovering

for Colby on his 45 yard line. Colby tried an unsuccessful forward pass and the period ended with the ball in Colby's possession on their own 47 yard line.

Colby opened the second period by punting. Maine made several good gains into Colby's territory but were held for downs. Colby worked Good and Fraser for several gains, pushing the ball to Maine's 40 yard line where Parker intercepted a forward pass. An exchange of punts followed, Maine finally scrimmaging the ball on their own 50 yard line. Then Maine hit a terrific pace tearing through Colby's line almost at will, Parker scoring a touchdown through left guard. Colby kicked off. Maine worked the ball to Colby's 30 yard line where Shepard was unsuccessful in trying a field goal. Colby punted to the middle of the field and the period was over.

Both teams came back strong in the third period. Smiley replaced Parker for Maine. The whole period was taken up with punting, neither team gaining consistently. Maine excelled Colby on punts. The period ended with the ball in Maine's possession in the middle of the field. Maine came back harder in the fourth period, Cleaves, Shepard, Carleton and Parker making splendid gains. Shepard kicked a goal from placement on the 30 yard line on the third down. Colby kicked off. Shepard punted and Colby worked a beautiful forward pass, Good to Beach for 30 yards. Colby punted and Maine returned on first down, Weir recovering on his own 53 yard line. Colby worked a forward pass again for 10 yards, but Maine got the ball on

Both teams came back strong in the third period. Smiley replaced Parker for Maine. The whole period was taken up with punting, neither team gaining consistently. Maine excelled Colby on punts. The period ended with the ball in Maine's possession in the middle of the field. Maine came back harder in the fourth period, Cleaves, Shepard, Carleton and Parker making splendid gains. Shepard kicked a goal from placement on the 30 yard line on the third down. Colby kicked off. Shepard punted and Colby worked a beautiful forward pass, Good to Beach for 30 yards. Colby punted and Maine returned on first down Weir recovering on his own 53 yard line. Colby worked a forward pass again for 10 yards, but Maine got the ball on downs on their own 50 yard line. Maine again began to march down the field, featuring a forward

pass, Bernheisel to Cook for 25 yards. Carleton finally put the ball through right tackle for the third touchdown. Shepard failed to kick the goal.

Bryant replaced Cleaves at quarterback for Maine. Colby kicked off and Bryant tore off several pretty runs through a broken field. Colby fought gamely to the end. The game ended with the ball on Maine's 40 yard line. Line-up:

BOWDOIN 11; BATES 0

Another Surprise in Football Circles

Bowdoin defeated Bates at Lewiston Saturday, 11 to 0. Kern was the star for Bowdoin making both touchdowns. Dyer played a brilliant game for Bates. Bates had the ball on Bowdoin's four yard line at the end of the first half. Kern got Dennis's fumble on Bates 13 yard line in the first period and carried the ball over for the first touchdown. Kern made the second score in the third period, intercepting a forward pass and running 78 yards for a touchdown.

THE NIGHT BEFORE

Four Hundred Start Enthusiasm for Colby Game

Maine spirit was in evidence last Friday evening November 13, when the largest mass meeting of the year was held in the gymnasium. It was a rally for the Colby game. For two hours the students listened to a number of good speakers, men prominent in and out of college, and student body and players were put on edge for the Colby game by their encouraging and enthusiastic talks.

Manager Phillip R. Hussey of the football team was the first speaker and he started the rally with a rousing speech. President Aley was called upon and responded with his usual inspiring talk. To Coach E. R. Wingard was left the duty of showing the student body in just what light they stood; not a Maine man left the gymnasium but what was influenced by Coach Wingard's talk and resolved to take his place in the cheering section and fight for Maine.

Joseph L. Burns Law School, '12, the originator of the new Maine football song, was readily greeted by the student body, and under his direction and that of William Sansoucie '13, the song was tried out several times. No mass meeting would be complete without the presence of Capt. William E. Parker; his speech to the undergraduate body was delivered with his customary straightforwardness and made instant appeal. Short speeches from Prof. John H. Huddleston, Coach Reilly, William H. Dwyer, '13, Law school representative, Karl D. Woodward, '12, and H. B. Buck, '93, were delivered with their characteristic earnestness and put a finishing touch on a very successful rally. W. R. Ballou '12, president of the Athletic Association ably conducted the rally and carried along the spirit of the evening. The college band in increased numbers and skill was greatly in evidence throughout the rally and materially aided the affair.

THETA EPSILON INITIATION

Eight Men Taken

The Theta Epsilon Fraternity held their initiation last week. The following were initiated R. E. Fletcher, Madison; E. Richardson, South Portland; H. Fogg, Bar Harbor; H. S. Storman, Oldtown; J. W. Arno, Bethel; P. B. Sheriden, Salem, Mass.; L. A. Blaisdell, Lynn, Mass.; all from class of '15 and G. S. Simpson, '13 of Marlboro, Mass.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

Saturday was a great day. The eleven was a machine, the band was splendid, and the cheering was the best ever. So much for the Colby game.

The stiffest proposition of the season is ahead. One short week and Maine will grapple with Bowdoin with the championship for the stakes. We have no right to rest on the sweet assurance that Maine can defeat Bowdoin easily. Maine has proved beyond a doubt that her teams can "come back" from defeat. This year's eleven have yet to prove that they can "come back" from an overwhelming victory.

The slogan for the week must be "fight for Maine." The men who start the game on next Saturday must give their all for Maine and not worry about the outcome.

The student body must talk fight all week and support that team on the bleachers on Saturday

until the end, be it bitter or sweet. Whether we win or lose, we may show the whole state and the alumni bodies of both institutions that nothing can smother the indomitable spirit of Maine men.

The Freshman caps will soon make their appearance on the Campus and perhaps a foreword concerning them is not altogether out of place. The custom of wear; ing a cap has of this sort been observed in some of the larger colleges and universities for many years, but the custom dates back only about four years in this institution. As the entering classes grew in size the necessity of some badge of recognition was felt and this custom grew out of the need.

The Dartmouth three upper classes recently voted to see that the freshman cap rule is enforced in that institution and the sophomores at Columbia University have voted to wear a uniform class hat. So this is not a means to humiliate the freshmen or to show the authority of the sophomore class, as it sometimes appears, but is a class distinction.

There is nothing which the 1915 class as a whole will do which will cement it together man for man any more firmly than this cap. Many freshmen will find classmates whom they had previously supposed were from the upperclasses and the juniors and seniors who have few ways of meeting the lower classes will greet each man with this cap on as a Maine man. Some freshmen meet as "frat" or non-frat" men, some in musical clubs or athletic organizations, etc., but the cap is something which every first year man can have in common. It is a link to bind him to Maine. Each man should look at the matter in this light—that the cap is a recognition button for upperclassmen, a means of producing unity for his class, and a badge which any "prep" school man should be proud to wear as a freshman at Maine.

Colby is certainly to be commended on their splendid support of their team. Comment on the splendid spirit of the Colby students has been frequent on the Campus since the game.

Maine Night comes Friday. We get out of life about what we put in. We will get out of Maine Night about what we put into it. The committee may make perfect arrangements, but the celebration will be a fizzle unless every Maine man takes hold of the matter with the intention of making it a success.

An innovation will be tried this year. An attempt will be made to make this more a general University celebration instead of a purely athletic rally. Regardless of the ideas of the student body in regard to the success or failure of the plan, it should be given a good trial at least.

DEBATING CLUB SMOKER

Freshman Debaters Hold Enjoyable Affair

The Freshman Debating Club held a very successful smoker last Thursday evening in the club room of the Library. There were about fifty freshmen present, making the largest and most enthusiastic debating meeting held in years at the University.

The essentials to the good time, "t d" pipes tobacco, and apples, were tastefully arranged on a table at the center of the room, with the chairs in a semicircle enclosing them, all of which tended to make the club room most inviting.

Mr. G. C. Clark '13, who was instrumental in organizing the club, presided over the meeting and introduced the speakers of the evening. He called first on F. R. Treworgy '15, as representative of the club, who gave a short enthusiastic talk on the debating club interests. Next in order was Mr. A. G. Ketchum of the Faculty who has been coaching regularly the club.

Then followed Mr. Huff and Prof. Gray of the English Department, and lastly President Aley, all of whom spoke of the value of debating and public speaking.

After a most enjoyable evening the gathering broke up after the singing of the "Stein Song."

PHI KAPPA PHI

Six New Members Initiated

On last Wednesday evening was held the initiation of the six seniors recently elected to the honorary society of Phi Kappa Phi. The new members are as follows: Charles Brown Cleaves, Clifford Henry George, and Oscar William Mount-

fort from the College of Technology; Helen Charlotte Worster and Carrie Luella Woodman from the College of Arts and Sciences; and Everett Harlow Bowen from the Law School. Each year twelve seniors are elected to this society as a reward for scholarship. The other six members, which will also include one senior from the Law School, will be elected the spring semester.

This society is the most democratic honorary society in the country as it is open to a student in any department of learning.

ITALIAN WAR

Prof. Colvin Gives Interesting Discussion

A most instructive discussion of the present war between Italy and Turkey was given by Prof. Colvin at the regular Friday morning Chapel. Miss Colvin said that she could not tell why the war started, but would give some idea of what had been done. She said that it seemed as if this war would soon be over, and that the more recent development in China was of greater interest in America, because of our close relations with China. This rebellion, she said, is fast becoming a revolution.

While the world was watching France and Germany to see what they would do in respect to the Turkish question, Italy sprung a surprise by declaring war in less than twenty-four hours from the first notice. The way of it was thus, Italy sent a note to the Celestial Porte on September 28, demanding relief of conditions in Tripoli. The Porte answered that conditions were as they had been for years and needed no change. This reply was not satisfactory, and Italy at once seized Tripoli, as Turkey has practically no navy and Tripoli is inaccessible from any other way than the sea; there was not much difficulty in holding it. Since this event the Turkish government seems to be working in better harmony and as affairs stand, it seems as if there is a good prospect for a long war. From all appearances there has been irritation between the two countries for years, and each has probably been preparing for war. The Turks, although they have never been admitted to the rank of a European nation, have two articles of faith which will cause them to fight to the death, namely, the belief in the territorial inheritance of their lands, and the Mohammedan religion. On the other hand, Italy wants all Turkey, to make of it an Italian province, and is ready for a hard try to get it.

MAINE NIGHT**Tickets for Seats Open Thursday Noon**

Maine Night celebration comes Friday Night. Invitations have been sent out to nearly five hundred alumni and it is expected that a goodly number will be back. Seats will be given out to Alumni and students by ticket. Tickets will be sent to the Alumni upon request or may be had at the college store. Tickets will be open to students after Thursday noon, at the college store.

The celebration promises to be a most successful one. A fine list of speakers is assured. The band will be on hand with good music. There will be songs by the student body and glee club as well as plenty of cheering. The Stein Song and the new Football Song will be sung by the student body and possibly others. There will be no bonfire this year.

THE SPECIAL TRAIN**Leaves Early Saturday Morning**

The special train to Brunswick for the Bowdoin game will leave Orono station about 6.15 A. M. on Saturday. The train will make stops at Bangor, No. Maine Junction, Newport Junction, Waterville and Augusta. An effort will be made to start the special ahead of the regular seven o'clock train out of Bangor in order to save delays. The special is due to arrive in Brunswick about 11 o'clock. The train will leave Brunswick Saturday night at a time which will be announced during the game.

Tickets for the special will be on sale on the train only. The round trip fare will be \$2.00. Stop-over tickets, good until midnight on Sunday will be sold at \$3.80.

CHEERING SECTION AT BRUNSWICK**Only Maine Men Allowed**

Manager P. R. Hussey of the football team announced on Sunday night that six hundred seats would be reserved on the bleachers at Brunswick for the Maine cheering section. Together with the tickets for these 600 bleacher seats 700 admission tickets will be on sale at the college store and on the special train a day or two before the game. It is desired that only Maine men sit in the cheering section. Contrary to usual custom, ladies will positively not be allowed in the cheering section.

SOPHOMORES TO TRY**Trials for Editor Prism**

At a Sophomore Class Meeting last week was a movement for securing an efficient editor of the 1914 *Prism*. The plan adopted is to the effect that sophomores shall work out for editor of the *Prism* this year. An election will be held for editor in chief among those sophomores who work on the 1913 *Prism* this year. The artist and business manager will be elected in the same way. Those sophomores wishing to try out for these positions should report to Forrest B. Ames, '13, or G. C. Clark, '13.

ALUMNI ADVISORY COUNCIL**Elections Announced**

Early in September ballots were sent to the Alumni for the election of representatives to the Alumni Advisory Council. The polls closed on Oct. 31 and the count shows the following:

Representatives at large—Edward B. Kelley, '90, Bangor. Term expire in 1916. C. Parker Crowell, '98, Bangor. Term to expire in 1916. Dr. J. S. Ferguson, '89, New York City. Term to expire in 1914. Charles E. Oak, '76, Bangor. Term to expire in 1913.

Representative of the College of Arts and Sciences—D. H. Perkins, '00, Portland. Term to expire in 1912.

Representative of the College of Law—Frank D. Fenderson, '99, Law, Limerick. Term to expire in 1916.

Representative of the College of Technology—George F. Black, '86, Portland. Term to expire in 1913.

MAINE LEADS TWICE**Packing and Judging Teams Excell at Boston**

The apple packing and judging teams sent to the New England Fruit Show won both their contests and each received as a reward a silver cup. For some time before the show several contestants for the teams worked under the coaching of Mr. Palmer of the Horticultural Department. The packing team consisted of C. J. Dunbar, '12, C. E. Taylor, '13, and R. E. Jones, '14, and the judging team consisted of the same three and C. W. Bartlett, '13. The silver cups were awarded for the best packed boxes and barrels of apples and for the best work done scoring plates of apples.

FOOTBALL SONG

Words and Music by J. L. Burns '12

Come all you loyal Men of Maine!
We'll start a rousing song,
To let the people know we're here,
And help the team along.
Our men are best;
They've stood the test
In gambol and in fray.
We'll do it well;
The score will tell.
We're out to win; (repeat music)
We're out to win today.

Chorus

Stand now every true-blue Maine man.
Stand now every man and sing.
With colors flying,
With voices crying,
We'll make the welkin ring.
Hurrah! Hurrah! (spoken)
Fight it to the bitter end, boys.
Fight with all your brawn and brain.
For we're there with the s—sting,
That is dead sure to bring
A victory home to dear old Maine.

(The Chorus is sung through and then whistled until the third line from the end. Then the words) are taken up again, ending with a snappy "Rah"! The "Hurrah" is not spoken on the second round.

VICTORY

Music by W. N. Haines, '09

Words by C. D. Bartlett, Law '14

Maine is out for vict'ry see the team dash by,
She will surely fight, fight, fight, (shout); we're going to win or die.
How they all swing goal-ward, gain on steady gain.
O! look! a touchdown's sure to come for Maine, Maine Maine
Rah! Rah! Rah! Maine.

ALUMNI NEWS

Mr. and Mrs. J. Walter Weeks, '77, of Castine, announce the engagement of their daughter Elizabeth to Charles S. Chester of Hancock Point.

C. S. Webster, '88, well known as a successful insurance agent of Portland, was a recent visitor on the Campus. When in college, Mr. Webster was a prominent member of the athletic committee and since graduating keeps up his old interest in the University's athletics.

The marriage of Ralph W. Crocker and Miss Virginia F. Church took place in Bangor, October 17, 1911, at the residence of the bride's parents. Mr. Crocker is a graduate of the College of Technology. He is now located at Pittsburg and the happy couple will make their future home there, after a short bridal tour.

The CAMPUS announces with the deepest regret the death of James Heald, '78, of Seattle, Oregon. The cause of death was blood poison brought on by brights disease. Mr. Heald's makes the third death out of a class of eleven at graduation. He leaves a sister, Mrs. Geo. Hamilton of Bangor; and a brother, Geo. Heald of Minnesota.

Elmer J. Burnham, '06, is manager of the Lawyers Incorporation and Transfer Co. of Kittery, Me. Mr. Burnham is an able lawyer himself and by his untiring diligence won the position which he now holds.

R. C. Gellerson, '07, has bought out the clothing business of H. C. Gellerson & Co. and will hereafter run it in his own name. While in college, Mr. Gellerson was most popular and showed marked executive ability.

Hugo Clark, '90, at present City Solicitor of Bangor, is having a most strenuous term of administration but is showing his ability to handle his many problems most ably.

SOPHOMORE-FRESHMAN FOOTBALL

Both Classes Have Large Squad

In response to calls issued for candidates for the Freshman and Sophomore class football teams last week, some 30 men from each class have donned uniforms and gone into training for the Sophomore-Freshman game, which will take place Saturday afternoon, Nov. 18, the Saturday following the Bowdoin game. The lists of candidates from both classes size up favorably, although a new rule made by the Athletic Board, to the effect that men who play in any state game will be barred from class games, will seriously affect

the Freshman squad. Capt. Parker of the Varsity Eleven will coach the Sophomore squad and the Freshmen are fortunate in having secured the services of A. L. Cook, varsity left end, as coach. The lack of suits has prevented many men from appearing at practise, but this shortage will be easily remedied after the Bowdoin game.

The men out for the Sophomore team are: ends—H. A. King, H. W. Hall, Thomas, Leavitt, Clifford, Pickard and McLaughlin; tackles—Eaton, W. E. Kimball and Willard; guards—Strong and Gifford; centers—Monohon and Hettinger; quarter-back—Cobb; backs—Higgins, Field, Stobie and Abbott.

The Freshman candidates are: ends—Clark, Titcomb, Gallagher, Hall, Stewart, Crandall, Blaisdell and Worcester; tackles—Coffin, McIntyre, Pinham, Bennett, Douglas and Philbrook; guards—Noyes, Hutchinson, Pettey, Thompson, Fletcher and Graham; quarterbacks—Rowe, Richardson and Erswell; backs—Allen, Glover, Dufficy, Thompson, Cheney, Goodwin, Mace and McCloy; centers—Redman and Wilson.

MECHANICAL SOCIETY

Entertained at Home of Prof. Jewett

On last Thursday evening, Professor and Mrs. Jewett entertained the Student branch of the American Society of Mechanical Engineers at their home in Orono. After a short business meeting, at which plans for the coming season were discussed, all participated in an interesting guessing game. Various engineering articles and pictures were scattered about the room, all bearing numbers and fun reigned supreme as the boys tried to identify the numerous pieces. The winner was presented with a fine steel tape and after partaking of ice cream and cake, the party finally broke up, after an instructive as well as pleasantly spent evening.

LOCALS

G. K. Jordan, '11, is visiting on the Campus.

H. F. Ayer, '13, spent the week end at his home in Haverhill, Mass.

H. M. Heath, '15, spent last Sunday at his home in Augusta.

J. B. Poole, '12, attended the Alpha Tau Omega initiation and banquet at Colby last Tuesday.

E. A. Kimball, '14, is entertaining his mother at the Sigma Alpha Epsilon House.

AFTER THE GAME

Student Body Celebrates

Wildly enthusiastic over the unexpected victory Saturday afternoon, the student body rushed from the bleachers and formed behind the band or a snake dance to Alumni Hall. After cheering and singing for a few minutes, the crowd broke up till after supper.

In the evening every car and train to Bangor was packed to the limit. Hardly a student was left on the Campus at 7.30, when the band, followed by several hundred students doing the snake dance, left Union Station at Bangor, for the march to the Opera House. A grand rush was made for seats, and soon only standing room was left. Before the curtain rose on the first act of "The Beauty Spot", the house rang with Maine cheers again and gain. The players entered into the spirit of the occasion, nearly every one of them wearing the Maine blue in some form or other, and some of them keeping the audience in a continual roar with local hits and jokes concerning the game and also the college.

THE BAND

Large Number of Candidates Doing Excellent Work

The college band which has been doing good work for the past few weeks has now only the trip to Brunswick to make before breaking up for the season. This organization has proven its worth both in the past and during the present season, and fully deserves the financial support of the student body in its work the coming spring.

Twenty-seven men including ten Freshmen have been playing regularly. This is the largest number in several years and is still more noteworthy for the fact that military credit is no longer given to those who register for band work.

The following is a list of the players:—cornets, Stewart, '15, Graves, '13, Whitney, '15; McBride, '15, Eveleth '15, Burke, '10; Altos, Allen '13, French '14, Oak '15, Arno '15; bass, Atwood '14, Albee '14, Morris '14, Ackley '15, McIntyre '15; snare drums, Jacobs '12, Hettenger '14; bass drum, Newell '12; cymbals, Haskell '12; trombones Brewer '13, Higgins '13, Osgood '14, Easson '15, Beveridge '15; clarinets King '12, Wardwell '13, Cokb '14, Elliott '15.

New Hampshire State College and Exeter have practice football games with each other.

JUNIOR EXHIBITION SPEAKERS

Ten Chosen for Trials

The following ten members of the Junior Class have been chosen to compete for the Junior Exhibition prize of fifteen dollars: Miss Antoinette Webb, Forrest B. Ames, George G. Clark, Mark D. Cronan, Oscar H. Davis, John W. Hart, Miss Alice J. Harvey, Allan F. McAlary, Carroll R. Richardson, and Miss Mae E. Crossman. The choice was based on the work in English during the first two years of the college course and on the general standing of the students. The prize is given to that contestant who prepares and delivers the best oration at the exhibition during Junior Week in June. The decision is made both upon the excellence of the composition and the manner of delivery.

Much more detail has been added to the preparation of the essays than has been required in former years. The ten contestants are to select their subjects in the near future. The first writing of the essay, accompanied by an outline, is due March 1, 1912. From March 1 to 10, conferences will be held, and the essay in its final form must be passed in on March 25. The essays must be memorized and delivered before the judges on April 26. From the ten thus delivered, five will be chosen to take part in the final contest next June. Many of the contestants are prominent in other activities.

Y. M. C. A. NOTES

Big Convention in February

The first regular meeting of the Young Men's Christian Association was held Thursday evening, Nov. 2, in the lecture room of the Library. M. D. Jones, '12 president of the association, conducted the meeting. He welcomed those present and spoke a few words concerning the work of the Y. M. C. A. which is planned for the coming year, announcing the general program to be followed. The meetings of the Y. M. C. A. will be held regularly throughout the college year, being led by students and faculty members and from time to time speakers from other associations will be present.

The membership canvass is now being conducted and it is hoped that many students will support the work of the association. Bible study will commence after the football season, and classes will be held in the fraternities, conducted by members of the Faculty. Last year there was an enrollment of over 300 students in the Bible study classes.

On November 7, President Jones will go to Waterville where he will attend a conference of the presidents of the college associations of the state. At this conference plans will be discussed for the years' work in the colleges. Arrangements will also be planned for the state convention which will be held at the University next February.

A large attendance is expected at this convention, as delegates from both colleges and preparatory schools will attend. Last year about 200 were present at the convention held in Lewiston.

FACULTY NOTES

Dr. A'ey spoke at a meeting of the Pomona Grange in Hartland last Wednesday.

The teachers of Home Economics organized a "Home Economics Club" as a part of the Maine Teachers Association at their meeting in Augusta this fall. Professor Comstock is the representative from this University.

Professor Comstock gave a demonstration on Domestic Science at the Woman's Club in Skowhegan, last Thursday afternoon and in the evening a lecture at the Grange. Friday she gave a demonstration before the Womens Club at Augusta.

Colby's registration is over 400.

LAW NOTES

Mr. William J. Nagel, a representative of the West Publishing Company was a visitor at the Law School this week and on Wednesday gave a talk to the Freshman Class on, How to read the Law. Mr. Nagel gave a very interesting talk and explained the various uses of the encyclopedias and other repositories of the law. Mr. Nagel has always shown considerable interest in the Law School, and his many services are appreciated.

William H. Dwyer of the Junior Class has been elected to his class to act as editor from the Law School for the 1913 Prism.

The Phi Alpha Delta Fraternity held its annual banquet and reception to new men on Thursday evening, October 26, at the Bangor House. Judge F. W. Haliday of the Newport municipal court was toastmaster and called on the following men to respond to toasts: P. L. Aiken, Henry Sawyer, John B. Madore, Esq., of Augusta, Leigh I. Harvey, Robert De Wolf, Esq., of Portland, Daniel I. Gould, F. B. Littlefield, Esq., of Gardiner, Donald F. Snow, Esq., of Bangor. Very nearly fifty men were present. The occasion was a great success and enjoyed by all.

AGRICULTURAL CLUB

Interesting Talks by Members of Faculty

Last Wednesday evening the regular meeting of the Agricultural Club was held in Winslow Hall. A committee consisting of Clarence Dunlop, '12, P. F. Smith, '14, and P. H. Warren, '15, was appointed to look into the matter of the expenses of teams sent out by the Agricultural Club and to ascertain whether the club will be able to pay their expenses. Each of the members of the teams that competed in the New England Fruit Show gave a short talk on the trip. Mr. Palmer spoke on the prospects of Maine as a fruit growing state and complimented the club on sending teams to such shows as the one just held in Boston. Dean Merrill spoke about a trip he and Prof. Simmons took last week to the Madawaska Training School at Fort Kent to speak before a gathering of teachers and farmers. In connection with this school is a small farm which is carried on by Mr. Boston, a Maine graduate.

There will be a reception given by the Round Table in the Library, Tuesday afternoon from four to six o'clock. A general invitation is sent to the Faculty and students of the University of Maine and to the townspeople of Orono.

A TYPEWRITER TEST THAT MEANS SOMETHING

Blindfold yourself. Have ten typewriters, of different make, placed in a row—a Monarch somewhere among them. Try each keyboard in turn. The machine with the lightest touch will be the

Monarch Light Touch

and you can locate it every time, no matter who its position be changed.

Just as the proper tools produce the best work, so does a responsive key action increase the efficiency of a stenographer. It saves her strength. Therefore, she has a better grip on her work, is more accurate, more rapid, gets a greater quantity of work done. There is no "three-o'clock fatigue" where the Monarch is used, and a few days' trial will convince you of this fact.

Send for Monarch Literature

Learn the reasons for Monarch superiority. Then try the Monarch, to the end that you may know that Monarch merit rests in the machine itself, not merely in what we tell you about it.

MONTHLY PAYMENTS

Monarch Machines may be purchased on the Monthly Payment Plan. A post card will bring full information.
