SHEPARD, CAPTAIN

Will Lead Football Team in 1912

Thomas Dudley Shepard '13, of Wellesley Hills, Mass., the greatest punter and place-kicker ever seen at Maine, was chosen to lead the football team for 1912 at a meeting of this year's "M" men in football on Friday. Shepard has acted as field captain several times this season while Captain Parker was out with injuries and has demonstrated his ability to lead the team.

Shepard prepared for college at Wellesley High School playing both baseball and football there, and being captain of baseball in his senior year. He entered Wesleyan in 1908, making his

T. D. SHEPARD

Captain, 1912 Football Team.

"W" in football in his freshman year. He transferred to Maine the next fall, and was barred from athletics on account of the "one year rule." Last spring he took first place in the shot put in the Maine Intercollegiate at Waterville and broke the University record in discus, hammer, and shot. For the past two years he has been one of the mainstays in punting, and place kicking, playing the position of fullback. This fall his line-plunging and defensive work have been excellent, warranting his unanimous choice for the all-Maine team. He has kicked six field goals in the state series this fall scoring 18 of the 35 points.

Admission to all athletic contests at Brown is covered by a "blanket tax." The cost is nine dollars.

SCORELESS TIE

Freshmen Have Advantage but Fail to Score in Annual Class Struggle

The annual Freshman-Sophomore football game which was played last Saturday in a drizzling rain and on a straw covered field, resulted in a tie, 0-0. In spite of the bad weather conditions the grand stand was well filled with spectators who kept themselves warm by means of organized cheering.

The Freshmen kicked to the Sophomores who ran the ball back 10 yards. '14 rushed the ball down to the 20 yard line where a drop kick on the third down failed. The freshmen kicked from the 25 yard line, '14 receiving the ball on 40 yard line. The first quarter ended with the ball in the possession of '14 near the center of field.

The second quarter started with an onside kick which Hettinger captured netting a good gain for '14 who were penalized for off-side on the next rush and were obliged to punt from the Freshmen's 35 yard line. The ball went over the goal line for a touchback and '15 punted from the 25 yard mark. Colt received the ball and ran it back 10 yards. A pretty forward pass followed by line plays brought the ball to the 30-yard line where '15 got the ball on downs. Brilliant work by Hamel and Gilman on end runs and skin tackle plays for long gains brought the ball to 1914's 5 yard line where they held for downs. The Sophs worked the ball away from the goal about 10 yards when the period ended.

The freshman team kicked to '14 at the beginning of the second half and the Sophs carried the ball slowly down the field but were soon held for downs. '15 made a substantial gain through an exchange of punts. A forward pass by '14 on the third down failed and '15 secured the ball but was compelled to kick. '14 was held for downs. The ball worked up and down the field gradually approaching the Soph goal until '15 captured a fumble on the 25 yard line and it looked certain that '15 would score but a forward pass failed and '14 had the ball on their own 15-yard line.

The Sophs started the last quarter by booting the ball to '15 on the third down and hard playing by '15 brought the ball back to their 5 yard line where they were held for downs. A forward

pass, Cobb to Abbott, and an end run took the ball out of danger. The teams alternated holding for downs with no substantial gains by either side until '14 punted and blocked the return punt by '15. A fumble by '14 and the game ended with the ball in the possession of the freshmen in the center of the field.

Both goals were in danger at times throughout the game and though neither side scored the Freshmen had a little the better of it in everything except handling punts. The Sophomores failed to gain consistently and the ball was in their territory much of the time. It was a very interesting game to watch.

Those who excelled for '14 were Kimball, Strong, Field and Abbott, McLaueghlan's defensive playing was a feature of the game. The men who showed up best for the Freshmen were Erswell, Hamel, Gilman, Howland, Burnett, and Dorsey.

The line-up of the teams was as follows:

1914	1915
Higgins, Pickard, le.....	re, Erswell
Kimball, lt.....	rt, Burnett
Coffey, Stevens, lg.....	rg, Fish

FOOTBALL BANQUET

Eighty Rejoice With Championship Eleven

The football banquet, the annual celebration in honor of the football men, was held Monday evening, November 13, in the Penobscot Exchange, Bangor. The feasting began early in the evening and lasted until midnight when the team boarded the special car bound for Orono. It was a very suitable banquet,—heartily, plentiful, and such a banquet as one would like to break training on.

Raymond Fellows, Law '10, acted as toastmaster and was thoroughly appreciated by all. After the remains of the feast had died away, he introduced the following speakers who responded to toasts: P. R. Hussey, '12—The Games; Coach Reilly, Football; Coach Wingard, The Season; Coach Smith, Track; Mayor Mullen, '75, Cham-

pionship; Hon. Henry Lord, Rise of the College; Hosea Buck, '93, College Spirit; President R. J. Aley, Athletics; C. J. Sawyer, '95, Rise of Football; Capt. W. E. Parker, '12, The Last Game; E. T. Savage, '13, The Scrubs; L. W. Smiley, '12, C. S. Cleaves, '12, A. F. Cook, '12, T. D. Shepard, '12, J. H. Carleton, '13.

About eighty men attended. Music was furnished by the University Orchestra.

HIGH SCHOOL FRATERNITY RECEPTION

In Honor of Championship Team

The Alpha Phi Fraternity of the Bangor High School will give a reception and dance in honor of the championship football team, Thursday, Nov. 23, at the Bangor City Hall. Capt. Parker, '12, will be floor manager for the dance. He will also issue tickets to the football men desiring to attend. The admission for others will be fifty cents. E. H. Bigelow and A. F. Cook of the team will act as aids. Refreshments will be served during the evening. The music will be furnished by Pullen's Orchestra.

ANNIVERSARY PASSAGE MORRILL ACT

Celebration Will Take Place at Commencement

In the year 1862, Justin S. Morrill, then state senator from Vermont introduced a bill into Congress providing for the donation of public lands to the several states and territories which may provide colleges for the benefit of agricultural and mechanic arts. The bill passed and, as an outcome this University, as well as many others were established.

The 50th anniversary of the passing of this act occurs on July 2, 1912, and appropriate exercises are now being planned for its celebration. As July 2 is rather too late in the season for such a celebration, the 11th of June has been selected. Every effort possible will be made to have a large number of Alumni back. The exercises, although not definitely planned as yet, will probably include as a main feature an address by some distinguished person. This will occur in the morning. At noon the commencement dinner will be held and the post prandial exercises which follow will surely have reference to this distinguished occasion. The evening will be spent in the usual fraternity reunions. The committee in charge of this affair is composed of the following faculty members; Prof. C. D. Woods, Prof. W. K. Ganong, Prof. R. K. Jones, and Prof. L. H. Merrill.

FORESTRY CLUB

First Meeting and Election of Officers

The first meeting of the Forestry Club was held Wednesday evening, November 15, in the club room of the Library. A good percentage of forestry students were present and a rousing meeting was held. The following officers for the ensuing year were elected: president, Lloyd E. Houghton '12; vice president, Arthur F. Amadon '13; secretary and treasurer, Wayland D. Towner '14; executive committee, Albert L. King, '14, Harlan H. Sweetser, '12, and Harry E. Thompson '12. Prof. John M. Briscoe was present and gave an interesting talk on the purpose of the club and its entire scope of activities. He emphasized the fact that the meetings were in no sense compulsory, and would be filled with interesting talks on forestry subjects from men in college who have had practical experience, and from those outside who are actively engaged along those lines. Remarks were made by several senior members of the club, references being made to the success of the club in the past and prospects for better success in the future. Hereafter the meetings will be held twice a month and refreshments will be served.

ATHLETIC BOARD MEETING

Letters Awarded

Many important matters were taken care of at the regular meeting of the Athletic Board on last Tuesday evening. It was definitely announced that Mr. Wingard would not take an active part in coaching the football team for next fall, and he was appointed as a committee of one to look into the matter of a head coach for next fall. Mr. Wingard was also authorized to bring in a report in regard to a baseball coach for the spring at the next meeting of the board. The committee which has been working on the idea of an outdoor, board running track reported favorably, and were instructed to proceed and build the track as soon as possible this fall. The board also voted to present all of the "M" men in football this fall with watch fobs, hung with a miniature football and engraved suitably in view of the championship. The numerals for track and baseball were referred to the committee on insignia with power to act.

Football "M's" were awarded as follows:

W. E. Parker, '12, of Harrington; C. S. Cleaves '12 of Bar Harbor; A. F. Cook, '12 of Bangor;

L. W. Smiley, '12 of Skowhegan; M. C. Smith, '12 of Old Town; T. D. Shepard, '13 of Wellesley Hills, Mass.; E. H. Bigelow, '13 of Bridgton; J. H. Carleton, '13 of So. Berwick; A. F. Sawyer, '14 of Millbridge; G. A. McNeil, '14 of Pawtucket, R. I.; D. S. Baker, '15 of Caratunk; J. L. Gulliver, '15 of Auburn; R. H. Bryant, '15 of Biddeford; G. H. Bernheisel, '15 of New Bloomfield, Pa.; and Manager P. R. Hussey, '12 of Patten.

The "M" was awarded to men for work in cross-country as follows: L. E. Houghton '12, R. A. Power '13, H. M. Wardwell, '13; C. M. Kelley '14; and L. L. Patterson '14.

ON RECIPROCITY

Prof. Stevens Gives Friday Talk

The Friday chapel talk for this week was given by Prof. Stevens, of the department of Economics. Prof. Stevens said that the reciprocity bill as passed by Congress and signed by President Taft called for free trade in agricultural products such as wheat and lumber, and special light duties on manufactured farm machinery. This treaty was not accepted by Canada, for although they have been trying for years to get such an agreement, the citizens feel that the time is now past when they need reciprocity. Another hindrance to the passage of the treaty was the recent growth of imperialistic feeling in Canada which calls for a closer trade relation between the colonies of Great Britain to the exclusion of other countries. Of recent years, also, several transcontinental railways have been built in Canada, and it was feared that reciprocity would hurt these by diverting trade to the American lines. In the treaty, it was required that each country should lower the tariff rates a certain amount, but as the United States tariff rate is higher than that of Canada, the voters of the latter country felt that they would not get a fair benefit from the transaction. The Canadian farmers were the only class who advocated the change.

In the United States the lumber and pulp industries, and the farmers opposed the scheme. Prof. Stevens said that it would be of advantage to the first two because the supply in this country is fast diminishing. He said also that the cost of wheat and other food stuffs, which the farmers feared would be lessened, was caused not so much, by the tariff as by the cost of transportation. In closing, Prof. Stevens said that as Canada and the United States had the same standard of living, and were practically one people, reciprocity would seem to be a good thing for both countries.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

The day was regrettably marred by the rowdiness of a number of the Maine students in the rush upon the Bates cheering section after the game—an incident which would have been more in accord with the ethics of primary and grammar school pupils, than those of the Students of a University.—*Bates Student.*

The Bates Student also discourses at some length in an editorial upon the incident after the Bates-Maine game, condemning the action of Maine men as unsportsmanlike and advising that Maine can never hope to compete with institutions of her size in athletics until such spirit as prompted that action is wiped out.

Reverting to facts may put a somewhat new light on the matter. For years it has been a

time-honored tradition at the University that no student body or athletic team of any other institution shall be allowed to march from the Campus whether victorious or defeated. Two years ago this fall, the Bates supporters, after being defeated, attempted to march from Alumni Field and were stopped. This fall, after winning, the Bates supporters attempted the same stunt and again were stopped, whereupon some of their members used language which is unfit to print to say nothing of shouting it into the ears of several hundred people, including ladies, who were leaving the field at the time.

We believe that calling names and sarcastic comment can do no good and will surely hurt the amicable feeling between the two institutions.

The students of the University will endeavor to behave as gentlemen, respecting and observing the traditions and customs of any college upon whose Campus they chance to be. They will in turn require the same respect and observance of their traditions for the present honor of the institution and in memory of the noble body of true Maine Alumni who have gone before.

A very few months and spring athletics will be upon us. Maine has started the year right in football. It is the individual duty of every Maine man to see that he does his part to see that the good work goes on. Very shortly the call for relay men will be given. Then comes a chance for many of the men who have done the cheering this fall to get in some good hard work in active athletics.

The state track meet is a unique event. It is the only athletic event in the state where all four of the state colleges gather and decide the championship in one supreme struggle. Last spring Maine cleanly defeated the other colleges at Waterville. This year the outlook is dark, due to the loss of good material by graduation. If Maine loses this year it is a backward step and we cannot afford to give ground now that we have started on the up grade. The only way out of the difficulty is for every Maine man who is not carrying his limit in college activities to go out for track, go out, not only as long as he is

the best man on the squad, not only to win his letter, but foremost of all to boost Maine.

The baseball season starts February first with the remarkable conditions of only two "M" men in college. There is a golden opportunity for at least seven new men and for fifty men to make those seven men better players for Maine by competition.

For the most part the extent of the athletic successes of the remainder of the year lie with the student body. If they respond as Maine men should, the successes cannot be estimated. If they do not respond failure is a foregone conclusion.

SERVICE IN MEMORY OF WALTER ROLAND CHASE

Touching Tributes by Representative Men

On Wednesday morning fitting exercises were held in Chapel in memory of Walter R. Chase, who died at his home in Beverly, Mass., of typhoid fever on Nov. 11.

The exercises were held at the Chapel hour. The entire student body joined in reading the 23rd Psalm and in repeating the Lord's Prayer. After a few remarks by President Aley, Walter Harrison Lilly, '12, of the Sigma Chi Fraternity, spoke briefly and feelingly of his departed brother. He dwelt particularly upon those qualities that every student had come to admire, namely,—frankness and true gentlemanliness. After Mr. Lilly's remarks, Mr. Goodspeed from the College of Law presented the resolutions that his classmates had prepared. Mr. William Rice Ballou, representing a committee of the entire student body, then spoke briefly of the virtues of Mr. Chase, and submitted some resolutions which were unanimously adopted by the student body. The exercises of the morning were closed by the singing of Tennyson's Crossing the Bar, by Mrs. A. J. Jones.

Resolutions Adopted by the University of Maine

While submitting to the divine order of events which has so sorely bereaved us, we, his associates in the University of Maine, would honor his memory and express our pleasure that we have been permitted for so long a time to number Walter Roland Chase among our friends. We would extend to his parents the fullest sympathy we can bestow by joining with them in their

sorrow, and we would send a copy of this resolution to them and have it printed in all University publications as an outward token of our loss.

(Signed) } William Rice Ballou
 } Lynne Thomas Rand
 } James Plummer Poole

Resolutions Adopted by the College of Law

Whereas, it has pleased our Heavenly Father in His infinite wisdom to remove from our midst our beloved classmate, Walter Roland Chase, and,

Whereas, we, his classmates in the University of Maine Law School, in the few weeks that it was our privilege to associate with him, had come to an appreciation of his qualities as a student, his cheerfulness as a companion, and his sincerity as a friend.

Therefore, Be it resolved that we extend to the parents and family of Walter Chase, our sincere sympathy in their bereavement,

That to his brothers in Sigma Chi, and to his many friends in the University of Maine, we offer our consolation in this our common loss.

And be it further resolved that a copy of these resolutions be spread on the records of our class, a copy sent to the sorrowing family, and that others be printed in the University publications and local newspapers.

For the Class:

Arthur W. Patterson
 Frank M. Libby
 Ernest L. Goodspeed

Whereas, It has pleased Almighty God to remove from among us our beloved brother, Walter Roland Chase; and

Whereas, We, his brothers in Sigma Chi Fraternity, wish to express our deep grief and sorrow in the loss of our brother; be it,

Resolved, That we extend to the family, of our departed brother the sincere assurance of our profound sympathy in their bereavement; and be it further

Resolved, That our badge be draped in mourning in respect for his memory; and finally be it

Resolved, that a copy of these resolutions be sent to his family, to the "Maine Campus", and be spread upon our chapter records.

George Ferguson
 E. E. Sawyer
 Benjamin Anthony

Whereas, The Almighty Father, in His infinite wisdom, has seen fit to call to the great Beyond our beloved friend and former matron, Mrs. Carrie A. Belcher; and

Whereas, We, the members of Phi Eta Kappa Fraternity, feel deeply the loss of one who was to

us at once a guide and mother, and one in whom was realized those finer qualities of the true woman; be it therefore

Resolved, That we express to her relatives, in their deep sorrow, our most heartfelt sympathy; and be it further

Resolved, That we cause a copy of these resolutions to be placed in our fraternity records, printed in the University publications, and forwarded to her relatives.

Forrest B. Ames '13

Everett B. Harvey, '14

FRESHMEN DEBATES

Nominations Made

For the first time this year, the Freshman Debating Club devoted its regular session exclusively to a business meeting. The greater part of the evening was taken up in adopting a constitution submitted by J. H. Lewis and J. E. Doyle, the committee appointed for that purpose. The constitution, as accepted, will probably be a strong link in developing a larger and better club.

The nominating committee, appointed last week, submitted the following names to be voted on at the next regular meeting; for president. J. H. Lewis, J. H. Melincoff, and F. R. Treworgy, vice president, J. E. Doyle, Carl Magnus and A. I. Schwey; master of programs, W. J. Turmelle, P. A. Warren and C. A. Lyon, J. E. Brewster, the secretary-treasurer was elected some time ago.

The debate which was to have been at this meeting will take place next Thursday evening—subject; *Resolved*, That there should be government ownership of railroads.

ALL-MAINE

Campus Selects Composite Team by Weighting

For the past week the sporting pages of newspapers in Maine have given considerable space to the selecting of an all-Maine football eleven. Needless to say no two of the selections agree. Last year the Campus made a selection of its own, but in view of the fact that the Campus representatives have been able to judge from those games only in which Maine has participated

this fall, an independent selection does not seem warranted.

Accordingly a composite team has been selected from nine authoritative choices. The selections from which the Campus all-Maine is picked have been made by the Bangor Daily News, a composite selection in the Portland Express-Advertiser, the official sporting editor of the Express-Advertiser, the Lewiston Journal, Coach Wingard, Captain Parker, Captain Hurley of Bowdoin, Captain Cole of Bates and Coach Purington of Bates. Each man was allowed one count for every time his name appeared. The man receiving the greatest number of counts for any position receives that position on the Campus' first team. The man receiving the second largest number of counts receives the position on the second team.

This of course leaves the question in just as much of an unsettled state as before, but at least has much more authority behind it than any choice made by purely Maine sympathizers. The Campus would however make one exception to this team. Several of the selections used, name Kern as halfback. The Campus believes that a man can only fairly be named in that position which he has played all season, and would name Faulkner of Bowdoin or Dennis of Bates for that position. Danahy, Bates, Cleaves and Shepard of Maine have the unusual honor of being named in all nine of the selections.

1st team—Danahy, Bates, left end; Wood, Bowdoin, left tackle; Gulliver, Maine left guard; Baker, Maine, center; Sawyer, Maine right guard; Bigelow, Maine, right guard; Hurley, Bowdoin, right end; Cleaves, Maine, quarter back; Parker, Maine, right halfback; Kern, Bowdoin, left halfback; Shepard, Maine, fullback.

2nd team—Cook, Maine; Bolster, Bates, Soule, Colby, Cole, Bates; Burns, Bowdoin; McNeil, Maine, or Kepple, Colby; Thompson, Bates; Remmert, Bates; Good, Colby; Dennis, Bates; Frazier, Colby.

FOOTBALL COACH FOR NEXT FALL

Mr. Wingard Not to Head Staff

In spite of the fact that our football season for 1911 closed only last Saturday, plans are already being laid for next year's work, and in this planning the question of the coaches is an important factor.

Owing to the administrative duties of his office as physical director, Mr. Wingard, who was head coach this year, will not take an active part in the coaching of the team next fall. It is hoped that

Mr. Reilly, who was assistant this year will take charge of the squad. The same system, which gave Maine the championship in 1911 will be employed in 1912, and it is hoped that equal success will follow next year's work.

OUTDOOR TRACK

Will Probably be Built Soon

A short time ago an outdoor board track was a possibility, today it is a certainty. The plans are in the hands of Coach Smith, and Mr. Hosea Buck is attending to the financial end of the work by raising subscriptions among the alumni. No definite place has yet been decided upon for a location, but it is understood that the track will be situated south of the gymnasium, a door being built at the head of the flight of stairs from the rubbing room to the gymnasium which will lead to it.

The track is to be the regulation B. A. A. size, thirteen laps to the mile, and with a fifty yard straightaway. Two hurdles can be used on this straightaway giving the hurdlers a chance to work out. The material used in the building of this track will be mostly of some soft material, as spruce and will make it much easier on the feet for the men. One fault of the indoor track is that it is altogether too hard on the feet.

Coach Smith is very much in favor of this project, and says it will be a success if proper means are made for keeping the track cleared from snow. His idea is to ask each fraternity in college to send two freshmen for one week in the year to clear off the track. The season is only about fourteen weeks long and this will give each fraternity a chance to help in putting a winning track team in the field.

The advantages of this track are numerous. In the spring of the year when the weather is ideal for running the outdoor cinder track on Alumni field is in poor condition. This wooden track will allow the men to work out of doors much earlier than usual. Distance runs can be held on the track during the winter, a situation of affairs which would not be possible on the indoor track.

THE RELAY TEAM

Regular Practice Begins Soon

The indoor season for track is rapidly approaching and already Coach A. N. Smith has had candidates out under his eye getting in condition

for relay work. Only one member of last year successful B. A. A. relay team is now in college, Arthur L. Deering, '12. He has had two year's experience, running on the team in his sophomore and junior years. Among the last year's candidates who are sure to figure prominently in the coming trials are Allen F. McAlary, '13, Charles S. Benjamin, '12, Arthur A. St. Onge '14, Preston H. Martin, '14, and George L. Parker '12. Candidates from the freshman class will be few this year, but one or two good men may be developed. A large squad will be out in active work as soon as the season is further advanced. Maine's prospects are as good as in previous years, with the exception that she will have to rely mostly on new men to bring back the coveted laurels.

MILITARY APPOINTMENTS

B. C. Kent '12, Major

Order No. 5.

Subject to the approval of the President, the following appointments are hereby made in the Battalion of Cadets to date from October, 1, 1911:

Cadet Captain, B. C. Kent, to be Major.

To be captains: Phillip S. Bolton, Co. A.; Ernest F. Hanson, Co. B.; Forrest B. Ames, Co. C.; J. W. Hart, Co. D.

To be First Lieutenants: Ben. B. Anthony, Co. A; Fernando T. Norcross, Co. B; Fred J. Lewis, Co. C; John L. Ober, Co. D.

To be second lieutenants: Allen B. Hayes, Co. A; Russell S. Ferguson, Co. B.; Phillip W. Thomas, Co. C; Oswald B. Higgins, Co. D.

To be first sergeants; David W. Sturgis, Co. A; Wilfred B. Pickard, Co. C; Arthur G. Eaton, Co. D.

To be sergeants: Co. A—Theodore W. Haskell Harry R. Leavitt, George E. Sinkerson, Edward L. Getchell. Co. B—Albert B. Ferguson, Ralph T. Coffey, Harold V. Cobb, Joseph W. Strong. Co. C—Ralph H. Boothby, Mark Pendleton, Luther A. Leach, Harrison P. Crowell. Co. D—William R. Thompson, Victor H. Shields, Edward M. Loftus, Chas. M. Kelly, Jr.

To be corporals: Co. A—Hermon R. Clark, Alexander L. Haggart, William E. Kimball, Carl E. Twitchell, Arthur W. Abbott. Co. B—Fred E. Chapman, Phillip H. Bean, W. A. Johnson, Ernest M. Hall, Ernest H. Rand.. Co. C—Joseph L. Brown, Ernest H. Clifford, Charles E. Grant, William G. Hodgkins, Herbert C. G. MacBride, Harry B. Randall, Gerald A. Rounds, Robert M. Stokes. Co. D—Douglass M. Beale, Paul DecC. Bray, Edward A. Dore,

Paul W. Monohon, George A. MacNeil, Roy W. Peaslee, Philip E. Philbrook.

To be battalion quartermaster sergeants: 1st Battalion, Wm. J. Mitchell, 2nd Battalion, George Guthrie.

CHAS. A. VARNUM,
Lieut-Col. U. S. Army, Commanding.

FRATERNITY INITIATIONS

Maine Alpha Chapter of Sigma Alpha Epsilon Fraternity and Beta Eta Chapter of Beta Theta Pi held their initiations last week. The men taken in are as follows:

Sigma Alpha Epsilon: M. F. Banks of Biddeford; J. H. Burnett of Boston; L. M. Dorsey and H. M. Heath of Augusta; R. J. Wilson of Jonesport; R. T. Pierce of Bangor; H. D. Williams of Beverly, Mass.; E. A. Snow of Lawrence, Mass.; L. P. Stewart of Thorndike, all of 1915 and W. B. Emerson of Biddeford, from 1912.

Beta Theta Pi: M. L. Gilman of Madison; I. O. Stone of Augusta; E. P. Ingalls of Bridgton; E. F. O'Brien of Lawrence, Mass.; J. D. Graves of Orono; Perry Bailey of Dexter; C. Bartlett of Bangor; M. H. Oak of Caribou; and Harry York of Mars Hill all from 1915.

Psi Chapter of Kappa Sigma held their annual initiation last week and initiated the following: F. D. Freese, H. C. White, and J. A. Evans of Bangor; G. W. Murphy of Portland, W. B. Hall of Gorham; M. S. Donahue of Luthersburg, Penn.; E. G. Howland of Plymouth, Mass. all from the class of 1915; F. J. Lewis of Springfield Mass., from 1914 and H. F. Brown of Ayer, Mass., from 1913.

Alpha Delta chapter of Phi Kappa Sigma initiated the following men last week: G. H. Bernheisel of New Bloomfield, Penn.; R. H. Bryant, R. M. Moore of Biddeford; L. A. Hamel of Portland; R. B. Easson, H. A. Titcomb of So. Paris, R. H. Varnev of Haverhill, Mass.; H. P. Sleeper of Bangor; A. R. Mace of Aurora; R. G. Kimball of Norway; C. W. Brown of Northeast Harbor all from 1915; and John Littlefield of Brewer from 1913.

The annual initiation banquet of Rho Rho chapter of Sigma Chi Fraternity was held at the chapter house, Saturday evening, November 18. Dr. F. E. Whitcomb of Orono was toastmaster. Speeches were made from the following; Walter H. Lillk '12, Charles H. Lekberg, '07, A. Guy Durgin, '08, George Ferguson, '13, Amos Carle '15, Prof. J. H. Huddilston, Earl Vickery '08, and Roydon L. Hammond.

Y. W. C. A. BAZAAR

Unique Affair in Gym

Everyone admits that the Y. W. C. A. Bazaar Saturday, was one of the most successful affairs which has ever been held by the co-eds. But why shouldn't it have been! Whenever a bashful student strayed into the "gym" Saturday afternoon, and it happened quite often, he found himself in fairyland—that is in the land of Japanese lanterns, delicious eatables, and irresistible girls in "Jappy" costumes and visions of white. First there was the tea booth where sandwiches were served for a mere trifle; next, it was the fortune, teller's weird retreat that captured the curious and supersititious visitor and lessened his assets. After he had heard about the beautiful girl whom he was sure to win and the money he was to inherit, of course he had to see who the "handsomest man on the campus" was. Then the blushing and heated student had to find some way of cooling off, and the exit was way at the other end of the hall, so why not the ice-cream? Of course! By that time he was completely hypnotized, and money was no object to him. He bought candy just to get a smile from the girl at the counter, he bought banners for his sister, and then he took a "grab" and received a mitten. The last booth. Perhaps it was because it was the last and the exit close at hand, perhaps it was the excellent quality of the "shrimp-wiggle," anyway the visitor was glad to be there and he mastered two orders of the delectable delicacy. And just as he was hurrying out the door someone said in a sweet voice, "Don't forget the farce tonight" Back he was again in the evening and all the others too. The farce was thoroughly enjoyed by a large audience. After it was over, the girls commenced with new wiles to sell out their stock and by the way things and pocketbooks look now they were successful.

A NEW SOPHOMORE SOCIETY

Improvement of University Spirit ist Object

Just before going to print the Campus learns that a new fraternal, sophomore society called Alpha Nu has been organized at the University with the admirable purpose of improving true University spirit. The general idea of the society is to make Maine spirit mean something more than simply cheering the athletic teams and other easy ways of expression.

The new society will endeavor to work for the support of all University functions, to answer

calls for Maine men to assist the athletic teams, to see that Freshmen obey all established University customs and to labor toward other worthy ends for the betterment of conditions on the Campus. The efforts of the society, it is understood will be expended mostly on the two lower classes.

Although there are societies existing in the Campus for practically the same purpose the originators of the new scheme feel that none too many can be enlisted in the good work. The charter members of the society are: Oswald B. Higgins, Ralph H. Leavitt, Theodore W. Haskell, Ernest A. Rand, Arthur W. Abbott, Arthur A. St. Onge, Wilfred B. Pickard, George A. MacNeil, Mark Pendleton, Harold V. Cobb, Paul E. Murray, Joseph W. Strong, and George I. Stobie.

CALENDAR

TUESDAY, NOV. 21

- 4.30 P. M. Track Practice, Alumni Field.
- 6.30 P. M. Campus Board Meeting, No. 3 Alumni.
- 7.00 P. M. Y. M. C. A. Meeting, Library

WEDNESDAY, NOV. 22

- 2.30 P. M. Meeting of Faculty Committee on Attendance.
- 4.30 P. M. Track Practice, Alumni Field.
- 7.30 P. M. Agricultural Club meeting, Winslow Hall.

THURSDAY NOV. 23

- 4.30 P. M. Track Practice, Alumni Field.
- 7.30 P. M. Freshman Debating Club meeting, Estabrooke Hall.

FRIDAY, NOV. 24

- 4.30 P. M. Track Practice, Alumni Field.

SATURDAY, NOV. 25

- 4.30 P. M. Track Practice, Alumni Field.

MONDAY, NOV. 27

- 4.3 P. M. Track Practice, Alumni Field.
- 7.00 P. M. Fraternity meetings.

Dr. Allen Rogers, '97, and Dr. Jeremiah S. Ferguson '89, were the representatives of the University of Maine at the magnificent inauguration of Elmer Ellsworth Brown, Ph. D., LL. D., as Chancellor of N. Y. University on Nov. 6, 1911. One hundred and forty-eight institutions of learning were represented at the ceremonies, some of the most celebrated educators in the world being in attendance.

ALUMNI NOTES

Chas. S. Bickford '82, has been making negotiations for the grain business of Swan Sibley of Belfast. Mr. Bickford has been connected with this business for years and now feels that he would like to own it.

Frank Fellows, ex-'12, son of the Hon. Oscar F. Fellows of Bucksport, has gone to Portland where he has opened an office for the practice of law.

Mr. and Mrs. H. V. Starrett '91, are visiting for a short time in Boston after which Mr. Starrett will begin his winter's work for the Maine Register.

Hon. W. R. Pattangall '97, was one of the prominent speakers at the State Conference of Corrections held recently in Augusta.

The many friends of Edwin J. Haskell '73, will be pleased to learn that he has recovered rapidly from an attack of diphtheria.

The marriage of Walter J. Shaw '05, one of the best athletes the University has ever turned out, and Miss Mina Cates of Malden, Mass., took place November 15th at the bride's home. Mr. Shaw is employed by A. J. Hixon, a construction engineer of Boston, and the young couple will make their future home in Cambridge, Mass.

Mr. Otis C. Webster '78, closed his cottage on the shore of Cobbosseecontee Lake and moved into town last week. He was the last of the Augusta cottagers to leave the locality.

Miss Edith Mabel Tate of the class of '07, was married to Mr. Elwin Dresser Braun of the class of 1906, on Saturday, Nov. 11, in Boston.

H. W. Ingham, '11, is with the Massachusetts Highway Commission at Somerville, Mass.

H. N. Danforth, '10 is being congratulated upon the arrival of a little son.

MAINE ALUMNUS SUCCEEDS

Has Performed Great Work In Nova Scotia

There has just appeared in the Journal of the Mining Society of Nova Scotia one of the most important contributions ever presented regarding the origin, distribution and methods of ascertaining the "pay shoots" existing in the gold-bearing quartz veins of the Province. This paper embodies the results of five weeks field work in the Province of Nova Scotia during the summer of 1910, and many weeks of research and laboratory

work which was done by Dr. Ora Willis Knight, Maine, '95, who is at present State Assayer of Maine. In this paper of 19 pages, Dr. Knight records the first known instances of the occurrence of selenium tellurium and platinum in Nova Scotia. He also clearly indicates the best way of locating and following up the 'pay shoots' existing on the various quartz veins.

This work was done for the Caribou Gold Mines of which Hon. C. Vey Holman, Law '03, is president, and the paper was submitted at the request of the mining society and with permission of Mr. Holman without whose consent the professional knowledge obtained must have remained a secret. It is also interesting to note that a practical result of the actual carrying out of Dr. Knight's theories at the Holman mine has led to the production of several valuable gold bricks during the present year, including the one worth \$5,000 mentioned in The Campus for October 31.

Dr. Knight believes that Nova Scotia has remained too long undeveloped as a gold mining region and that with proper modern development the Province is destined to become one of the great mining camps of the world, exceeding Colorado, Nevada and the other Western States in the richness and extent of its gold deposits. As a strong proof of his faith in the future of the Province, Dr. and Mrs. Knight have acquired and hold a large mining claim in the Caribou Gold District. On their claim there exists six large veins of gold-bearing quartz, and samples of ore from these veins have repeatedly assayed from \$40 to \$60 per ton in gold content. As soon as capital can be secured to permit the conservative development of their mine Dr. Knight proposes to begin operations.

Dr. and Mrs. Knight are now building a beautiful residence at No. 81 Brighton Avenue, Portland Maine, and one story of the residence is to be given up entirely to the O. W. Knight Laboratory where the Dr. carries on his professional research and analytical work.

FACULTY NOTES

The last meeting of the Research Club met in Coburn Hall, Wednesday evening at seven o'clock. The first paper of the evening was presented by Professor Craig on the Plurality of Cause and the Plurality of Method." Professor McKee gave the second paper on the Oxygen Ethers of Cyclic Meas.

The Conversational Club will hold its next regular meeting at the home of Dean Hart on Friday evening, Nov. 24. Dr. Aley will give a talk on

James Whitcomb Riley. This will be ladies' night.

Drs. Wood and Merrill were representatives at the meeting of the State Agricultural College and Experiment Station in Columbus, Ohio, last week.

The wife of Professor Gray has been called to her home on account of the illness of her mother.

Professor Hitchings was in Augusta last, attending a meeting of the State Pomological Society.

Professor Slate recently made a visit to Durham, N. H., where he was teaching before he came here.

ABOUT THE CAMPUS

W. M. Morse, '14 attended the fruit show in Augusta last Tuesday and Wednesday.

Mrs. Lord has returned to the Phi Kappa Sigma House.

Ralph B. Pond, ex-'11 left last week for Eau Claire, Mich., and in company with Coach Reilly will attend the Penn.-Michigan game.

Mrs. Brown went to her home in Bar Harbor for a few days last week.

A. M. Goodwin, ex-'14, shot two deer on his present hunting trip.

P. D. McLoughlin '15, has been sick for a week with tonsillitis.

O. H. Davis '13, represented Psi Chapter of Kappa Sigma at the annual initiation of the New Hampshire State College Chapter at Durham, N. H., last week.

Harold McDougal ex-'13, visited the Campus for a few days last week.

A. H. Schierloh, '10 and E. H. Maxcy, '11 have returned to Harvard Law School after an extended visit on the Campus.

Ralph Hobbs, '10, was on the Campus last Sunday.

Thomas Houghton ex-'11 visited the Campus last Sunday.

There is an outbreak of diphtheria in the University of Minnesota.

Bowdoin and the University of Vermont have a two year's contract for cross-country work.

The University of California is building a running track which will cost \$20,000.

The University of Minnesota has given the football men mackinaw jackets.

Michigan and Minnesota are going to give rugby a try-out this year.

The Sophomores at Columbia have adopted a class hat.

M. I. T. has issued a call for candidates for the wrestling team.

M. I. T. has decided to establish a summer school at Gardner's Lake, Washington County, Maine.

ADDITIONS TO LIBRARY

Many Volumes Added Since July 1

Since July 1, 1911, the University has added 972 volumes, 366 of which came as a bequest from Professor Munson. Eighty-three volumes have been bought for the Department of Education. Other notable accessions are;

- Encyclopedia Britannica, 29 v.
- Berichte der Deutschen Chemischen Gesellschaft, 91y.
- Meyer's Jahrbuch der Chemie, 18 v.
- Bibliographia Zoologica, v. 1-6. (These complete the set.)
- Early English Novelists Series, 6v.
- Ashdown. British Costume during Nineteen Centuries.
- Holmes. Caesar's Conquest of Gaul.
- Solereder. Systematic Anatomy of the Dicotyledons, 2 v.
- de Vries. Mutation Theory, 2v.
- Head. Historia numorum.
- Aitken. Road Making and Maintenance.

A TYPEWRITER TEST THAT MEANS SOMETHING

Blindfold yourself. Have ten typewriters, of different make, placed in a row—a Monarch somewhere among them. Try each keyboard in turn. The machine with the lightest touch will be the

Monarch Light Touch

and you can locate it every time, no matter who its position be changed.

Just as the proper tools produce the best work, so does a responsive key action increase the efficiency of a stenographer. It saves her strength. Therefore, she has a better grip on her work, is more accurate, more rapid, gets a greater quantity of work done. There is no "three-o'clock fatigue" where the Monarch is used, and a few days' trial will convince you of this fact.

Send for Monarch Literature

Learn the reasons for Monarch superiority. Then try the Monarch, to the end that you may know that Monarch merit rests in the machine itself, not merely in what we tell you about it.

MONTHLY PAYMENTS

Monarch Machines may be purchased on the Monthly Payment Plan. A post card will bring full information.
