## STATE MEET

### Maine Takes Second Place

For the first time in its history, Bates College won the Maine State Intercollegiate Track Meet at Brunswick, last Saturday. Maine was a close second while Colby and Bowdoin followed in the order named. Since the Maine Intercollegiate Athletic Association was organized the championship honors have been divided between Bowdoin and Maine, Saturday being the first time that any other Maine College has walked away with the championship. The meet was very successful and interesting, four records being broken and two equalled.

Although it rained hard Friday the track and grounds were in fine condition for the meet, and the weather was all that could be desired. Trials for the dashes, hurdles and field events were held in the morning, Maine qualifying very satisfactorily.

The crowd began to gather very early in the afternoon and by one thirty the bleachers were filled to their full capacity. At two o'clock three trial heats for the hundred yard dash were run, Deering qualifying for Maine.

In the mile run Houghton and Towner of Maine set the pace, Houghton leading and Towner following close. Hall of Bowdoin tried to pass them but they quickened the pace and he was forced to drop back into third position. At the beginning of the last lap Towner took the lead and they crossed the finish line in that order.

The finals for the 440 yard dash was the next event and was a splendid race. At the start, Haskell of Bowdoin took the lead with Thompson of Bates, Skolfield of Maine and Bowen of Colby following. At the last turn they were running in the order in which they finished; Haskell first, Thompson second and Skolfield third.

As was expected Nardini of Colby won the final heat of the hundred yard dash. Deering of Maine ran a pretty race and took second from Nevers of Bates who finished third.

In the half mile run Cates of Colby held the lead for the first lap and a half then he was passed by Deering of Bates while Morris of Maine was a close third. After the last turn was passed Morris came up even with Cates and then passed him.

A new record was made in the 120 yard hurdles

by Blanchard of Bates. In this event Bates won eight points, Woodman taking second place while Farnsworth of Colby took third.

The 220 yard dash was similar to the hundred, the same men winning in the same order, Nardini of Colby equalling the state record in this event.

In the two mile run Powers of Maine took the lead and opened a wide gap between him and the nearest man and set such a pace that the gap lengthened through the whole race. Hosmer of Maine was running in last place until the end of the first mile, then he began to gain. In the last lap he took third position and held it until the finish. Hall of Bowdoin captured second place.

In the field events Herrick of Colby equalled the record in the high jump while Worden of Maine sprang a surprise by taking second place in that event. A new record was made in the discus throw by Gove of Bates. Gove held the old record at 120 ft. 3½ in. The new record that he made Saturday was 125 ft. 6½ in. In the hammer throw Lewis of Bowdoin won first place. It was expected that Bailey of Maine would win this event as he made a distance of 136 ft. in the dual meet with Colby. Rogers of Maine smashed the record in the pole vault which he made last year. Herrick of Colby was a good second while Thomas of Maine was third.

A new record in the shot put was made by Shepard of Bates.

The results of the meet are as follows:

880 yard run—Won by Deering, Bates; 2nd Morris, Maine, 3rd, Cates, Colby. Time, 2 min. 4 2-5 sec.

#### FINAL CONCERT

##### Appreciative Audience Listened to Fine Program

The concert given in the Chapellast Tuesday evening by the Maine Musical Clubs, brought to a triumphant close a season successful in every way. The clubs have given music of the best

quality throughout the year. The reception of the clubs on their Easter trip speaks well for a repetition of this trip another year. Enthusiastic crowds of alumni and friends greeted them at every appearance and in Boston they played before an audience of nearly eight hundred.

The Freshman class should be commended for the showing they have made for, besides a good representation in the Clubs, all of the solos have been by the entering class. R. M. Moore on the cello, H. C. White, on the banjo, R. T. Pierce, at the piano, and R. F. Thurrell as reader have contributed much to the success of the season. W. G. Brewer, '13, as leader and P. Garland, '12, have both done very efficient work.

The following program was rendered Thursday evening:

1. Hail Alma Mater . . . . . *Genung*

11. Rag Tag . . . . . *Weidt*  
BANJO ORCHESTRA
12. Maine Stein Song . . . . . *Opie*  
Combined Clubs

Owing to the poor condition of the piano the audience was unfortunately deprived of the cello and piano solos. A reading by Mr. Thurrell was substituted for the piano solo and for the other an improvised quartet rendered a parody on "The Old Oaken Bucket." The concert as a whole was well received and the numbers were repeatedly encored.

Fred E. Fish, '12, is teaching physics and chemistry in Deering High School during the absence of the principal, Mr. Allen who regularly teaches these branches. Mr. Fish will return to the University in time to take his degree.

## MAINE TRIMS BATES

## Exciting Game Marked by Home Runs and Many Errors

What looked like a decided victory during the early part of the game, came near being a disaster in the eighth inning in last Wednesday's game with Bates. The rumor of Bates strong team which won against Harvard made things look dark for the prospects of the home team, but in spite of all Bates was an easy victim for Maine until the eighth inning.

For the first two innings neither side scored. In the third, with one out Cleaves got his base on balls. Gilman, the next man, knocked a two bagger sending Cleaves to third. Cobb next bunted, scoring Cleaves but was thrown at first. Abbott then knocked a fly to center field which was muffed. Gilman came in for another run. With Abbott at first, Stobie knocked a clean home run between the left and center fielders. Witham, the next up, struck out. The inning ended with a score 4-0 in favor of Maine.

Nothing more sensational happened until the seventh inning. Gilman got on first with a hit. Cobb got another hit, sending Gilman to second. Abbott tried to send the men around by bunting but was unsuccessful. Stobie the next man up struck out. Then Witham knocked a home run, letting in three more scores. Leonard struck out. Score 7-0.

In the eighth inning the team went all to pieces. Bates started the ball going and through seven errors by the Maine team, scored seven runs.

Through the rest of the game there was intense excitement. Several times, it looked as though Bates would score, but the cool headed and consistent game played by Stobie prevented further runs for Bates. In the first of the tenth, the first Bates man got to second by a wild throw to first. The next man got his base on balls. In this pinch, Stobie settled down and struck out three men, thereby saving the game for Maine.

In the last of the tenth Stobie got a three bagger and Witham knocked a sacrifice fly to left field, letting Stobie in for the winning run.

## EDITORIAL.

With the relative position of the two leaders almost a reversal of last year's score, Maine left Whittier Field, Brunswick, last Saturday not with another championship, as she had hoped, but with second place as her share of the day's events. The time came, passed—and we did not win; and there is left to many only the interesting but after all useless, pastime of comparing the actual results with what had been expected in the different events. But the meet itself, and its result, are of more value to us than this. As the Maine men left the field they took with them something more than second place and a sense of defeat—they took a *Maine Spirit* just as enthusiastic, and a hope for the future just as un-

diminished as they had possessed when they first went on to the field. This feeling was due to the fact that all believed they had supported a team that had done its best work for Maine. From the record-breaker down to the man who did not place in his event there was evidence only of hard work and conscientious effort to win; and such a team as that was surely one of which we did not need to feel ashamed. To Captain Houghton, who has worked ceaselessly for the team, and to those seniors who represented Maine for the last time in a Maine Meet we give, not only congratulations for their successful work during the past four years; but we give also our sincere admiration and regard for the clean and truly sportsmanlike manner in which they have always represented the University of Maine. Such athletes as these have been can but help the advancement of college sports.

As the end of the college year approaches we reach also the end of the season for the various college organizations. Last Thursday evening the Musical Clubs gave their final concert before an audience that surely seemed to appreciate the program presented. That final concert marked the end of a successful season for the Musical Clubs, in which a long trip had been undertaken and with good results.

Tomorrow night another of our University organizations will close its season. In the Bangor Opera House the Maine Masque will present its last performance of The "Magistrate." The Maine Masque has this year been very successful on its trips throughout Maine and is presenting a play that appeals to all who appreciate good comedy. At the performance tomorrow night the management is very anxious to have a large audience, and a good part of this audience should be made up of Maine men. The price which will be charged of fifty cents in the orchestra is surely one that can be easily met by all and there should be no lack of support at this performance. If we win the baseball game tomorrow afternoon let us take this opportunity to celebrate; and if we should lose the ball game let us not fail

to support an organization that is part of our University life and should therefore receive our hearty cooperation.

As the year has gone on we have realized more and more that there is a class in the University that is working, and working all the time. Of the good work of the freshmen in athletics, which has been very noticeable, little need be said for it is already well known. But there are other activities connected with our University beside athletics, and these, altho of a perhaps obscure nature, have been well supported by the class of 1915.

Last Wednesday afternoon at the Bates game when we looked for our band, we saw a group of the little blue and white caps which are so conspicuous. Under those caps were some real musicians and they made us realize that before the game was over. The men of the band now receive no credit for their work as they did formerly and thus have no incentive to turn out for it except their desire to support such an organization. This fact and the support given by the Freshmen is but another indication of the work of the men of their class. Keep it up 1915, we stand behind you!

Next Saturday the University of Maine will be the host of a large number of preparatory school athletes who will take part in the track meet. Many of these men are prospective Maine students and we should not forget to make them feel so at home here that they will go back to their schools with a strengthened desire to make this their college when they have completed their preparatory course. One way to do this is to go to Alumni Field and encourage the contestants as they compete for points. All the seats should be filled by Maine men when the meet starts next Saturday. If it is true that you can get a man interested in you in proportion to the interest you show in him and in his work, then here is our chance to do a good deed for Maine and for the man whom we influence to come here.

One pleasant thing about the meet last Saturday was the good feeling shown between the different Maine colleges. It is a feeling that we ought to cultivate carefully for no sport can be carried on in a true sportsmanlike way if there is bitter feeling between the contestants.

### BANGOR PERFORMANCE

#### Magistrate to be Presented Wednesday Evening

On Wednesday evening, May 15th, the Maine Masque will give The Magistrate at the Bangor City Opera House. Since the Junior Week performance at Orono the cast has undergone rigorous training and rehearsing, and shows marked improvement throughout. A new member has been added to the cast in the person of Clifford George, '12, who will take the part of Charlotte Verrinder, formerly played by Joseph Brewster, '15. The Bangor production is being made with a careful attention to details that promises well for its success. It is to be hoped that in addition to the support of the Bangor citizens a large number of the students from the University attend.

The play is to be given on the evening following the Bowdoin game, and offers opportunity for a celebration if Maine is victorious. Should such a thing as defeat come to the Maine baseball nine, all of her loyal supporters will still have an opportunity to show their loyalty by coming out in force for the Bangor show.

### RECORDS OF THE M. I. A. A.

#### The Standing of the State Colleges

The records of the past meets of the M. I. A. A. since its foundation show that of the eighteen meets held Bowdoin has won 13, Maine 4, Bates 1, while Colby has not scored a victory. Bowdoin has won once the cup awarded to the college scoring the greatest number of victories in ten years and has four legs to Maine's three on the second cup. This leaves two more years of competition and unless Maine wins again the cup will go to Bowdoin for the second time.

R. W. E. Kingsbury, '04, was present at the Bates game.

### TENNIS DATES

#### Team in Need of Practice

Because of the lateness of the season the Tennis Team has been at a decided disadvantage owing to the inability to obtain early outdoor practice but now that the courts have been put in condition practice has commenced in earnest. The Annual Intercollegiate Tournament is but a week off and this will mean the hardest kind of work from now on. The Southard Tournament will not be played off until after Intercollegiate Tournament as was first announced, due to the fact that all the time will be needed practicing for the latter tournament. The men out for practice are as follows: Capt. Bird, '13; Jackson, '12; Smiley, '12; Shepard, '13; Towner, '14; Gowen, '15; Woodbury, '15; Howland, '15; Youngs, '14; and King, '14. Prospects for a good team will depend almost entirely on the amount of practice the men can obtain in the coming week. The schedule has not been definitely arranged as yet but will probably occur in the following order: Thursday, May 23, preliminaries and semi-finals in double sets; Friday, May 24, preliminaries and semi-finals in single sets; Saturday, May 25, finals in double and single sets.

With so little material out for the teams there seems to be an excellent chance for some new men. Accordingly to the standing of the teams in the state there never will be a better opportunity for our team to make good.

## MASS MEETING

## Small but Enthusiastic Rally

A mass meeting was held in the gym to arouse enthusiasm for track and baseball, Tuesday, May 7, at 7.30 P. M., President Ballou calling the meeting to order and introducing Manager Seekins of the track team. Mr. Seekins gave a short sketch of the importance of the meet at Brunswick. He urged that every student should go to Bowdoin and help support the team. Captain Houghton of the track team was then called upon. He said that the "dope" favored Bates and that Maine's chance of winning depended upon surprises and upon the fighting spirit of the team. Mr. Houghton truly stated the spirit of the team in the following words: "We are going down there Saturday and we will give Maine all we've got."

Manager Westcott of the baseball team urged everybody to turn out for the Bates game. He was followed by Captain Abbot who described the baseball season up to date and stated that the championship depended on the Bates game.

Cheers and selections by the band were intermingled with the speeches. The gathering broke up with the Stein Song.

### EXCHANGES

Baseball at Boston College has been dropped this year at least, because of a lack of a field to play upon.

The inter-fraternity baseball teams at Brown have been organized. The games start at six in the morning and the players are sometimes seen running around the bases in their pajamas.

The board of editors of the Minnesota Minnehaha Magazine have been sued for libel by Dean Downey and Dr. Craig of that institution. The last issue of this monthly was called "The Devil's Own Number" and the above mentioned gentlemen have brought suit because of some of the jokes in that magazine.
