MAINE WINS DUAL MEET WITH TRINITY

Shepherd and Bailey Break College Records.
Ashton Equals College Record in the 100

Maine won the dual track meet from Trinity College Saturday, May 3rd, by a score of 71 to 55. This is a splendid showing, considering that only eleven men were taken on the trip. The day was very hot, making ideal weather conditions for track athletes, and the track was in fair condition.

Coach Smith desired to try out as many men as possible in this meet, but on account of the expense of the trip only eleven men were taken.

T. D. SHEPHERD, 13

Who broke the College record in the shot

The following were taken: L. B. Rogers, '13, R. A. Power '13, T. D. Shepherd '13, A. A. St. Onge '14, W. D. Towner '14, W. M. Morse '14, H. P. Bailey '15, D. M. Ashton '16, C. C. Fox, '16, R. W. Bell '16, C. N. Worden '13, and Mgr. H. P. Adams.

Hudson of Trinity was the largest individual point winner of the meet, while Shepherd won the largest number of points for Maine. Hudson won the 220 yard hurdles and broad jump, took second in the shot put and 100 yard dash, and third place in the hammer throw. Shepherd took first place in the shot put and discus, and second in the hammer throw.

Two new college records were made, Shepard '13, putting the shot 40 feet and 2 inches; and Bailey '15, throwing the hammer 153 feet. Ashton, '16, equal led the college record in the 100 yards dash, going the distance in 10 1-5 seconds.

Ashton started the scoring for Maine by winning the 100 yard dash in the fast time of 10 1-5 seconds; Hudson, Trinity, second, and Young, Trinity, third.

In the mile Crehore of Trinity unexpectedly took place from Towner of Maine, in 4.32 2-5 sec., Power, Maine, third.

Morse, Maine, was second in the 120 yard hurdles, Hall and De Ronger, Trinity, took first and third respectively. Time 17 2-5 sec.

In the 440 yard dash Fox and St. Onge won the first two places for Maine, Hall, Trinity, was third. Time, 54 sec.

Bell, Mai e, finished the 880 yard dash in the fast time of 2 1/2 min. 22-5 sec. Wessels and Baridon, Trinity, taking the other two places.

Morse, Maine, was also second in the 220 yard hurdles, Hudson and Perkins, Trinity, taking the remainder of the points. Time, 26 2-5 sec.

Ashton was first in the 220 yard dash, the time 23 2-5 sec. being made on the curved track, as there was no straightaway. Young and Lyon, Trinity, were second and third.

Capt. Power, Maine, won the twomile, Spofford and Wessels, Trinity, second and third. Time, 10.10 3-5 sec.

Worden, Maine, was first in the high jump with 5 ft. 6 in. Sage and Morris, Trinity, taking the other places.

Shepherd, Maine, won the discus throw, Edsall, Trinity, second, Bailey, Maine, third. Distance 112 feet.

Shepard, Maine, won the shot put with 40 ft. 2 in. Hudson, Trinity, second and Bailey, Maine, third.

Hudson was first in the Broad Jump, Fox, Maine, was second, Sage, Trinity, third. Distance, twenty feet four inches.

Bailey of Maine surpassed all expectations by throwing the hammer 153 ft. Shepherd, Maine, second, Hudson of Trinity, third.

Rogers of Maine, won the pole vault, Chow, Trinity, second, Stevens, Trinity, third., Height, 11 ft.

MAINE LOSES FIRST CHAMPIONSHIP GAME

Driscoll and Anderson in Fine Pitchers Battle

Maine lost to Bates in one of the finest pitcher's battles that has been seen on Alumni Field in years. Driscoll and Anderson opposed each other and both pitched fine ball. In a contest that was their first championship game both worked like veterans. Driscoll had somewhat the better of the battle, and but for the two errors combined with the high bounce that turned Talbot's single into a home run would have won. He struck out six men, did not give a single base on balls, and fielded his position well. Anderson who was declared ineligible last year because of having signed up with a league team but who was reinstated this spring, was in fine form. He allowed only one base on balls and after the third inning had the Maine batters puzzled. The fielding behind him was very weak at times and in the first three innings he was hit hard with men on the bases and only Maine's failure to observe some of the rules saved him from defeat.

Lawry, the freshman second baseman who played so well Wednesday, was the star of the game. The first time up he knocked a home run to deep center but was declared out because he failed to touch second. In the third he hit again for three bases but on an attempted squeeze-play he was declared out because of Cobb's interference with the catcher. York also batted well getting a home run and a single.

The game in detail:

Joyce the first man up hit a grounder to Gilman and was retired at first. Chase and Driscoll got Ridlon. Cody's hit went through Cooper and the runner went to second but died there when Griffen fled to Gilman.

Lawry hit a home-run far into centerfield but was out for not touching second. Cobb hit a hot grounder to Talbot and was safe at first. He stole second and went to third when Cody fumbled Abbott's grounder. Gilman rolled a slow one near first and when Henderson ran over to take the throw he got in the way of Maine's big third baseman and was bowled over and Cobb scored. Abbott stole third in the mix up and when Chase sent up a high fly to the right fielder attempted to score but was declared out because he left the bag before the ball was caught.

Talbot, the first man up in the second, hit over third and was sacrificed to second by Cobb but died there as Bates struck out and Hubbard fled to Gilman.

York hit a home run to left center field. Cooper fled to second. Talbot fumbled McCarthy's grounder. Driscoll struck out and Griffen threw McCarthy out when he attempted to steal on the third strike.

After Anderson had hit safely in the third inning Driscoll fanned Joyce with three balls and caused Ridlon and Cody to pop up easy flies. In Maine's half Lawry hit for three bases and slid into home safely on an attempted squeeze-play but was declared out because of Cobb's interference. Cobb walked but Abbott hit into a double-play.

Bates went out in order in the fourth. Ridlon fumbled Gilman's grounder. After Chase had struck out, York lifted a Texas leaguer to center field but the rally was stopped when Cooper struck out and McCarthy fled to Talbot.

In the fifth Driscoll came to the bat after having struck Bates and Anderson out and having caused Hubbard to knock a little pop-fly to Chase, but the best that he could do was to knock a grounder to third. Lawry was out Ridlon to P. Cobb. Talbot fumbled Cobb's grounder. Cobb stole second but Abbott struck out.

Then came the unlucky sixth. Cobb and Chase lost Joyce. Joyce stole second. After Ridlon and Cody had fled out Cooper dropped Griffen's fly and Joyce scored. Talbot's hit took a high bound over Cooper's head and Griffen and Talbot scored. Maine went out in order. Score, Bates three, Maine two.

Bates scored in the ninth when Griffen's fly rolled to the gate in center field for a home run, Maine went to bat in the last half with the score four to two against them. Ridlon fumbled Chase's hot grounder. Chase stole second and went to third when York hit to Talbot. Baker batting for Cooper struck out, Mangan batting for McCarthy rolled an easy one to Anderson and the game was over.

The score:—

*Lawry out not touching second, Lawry out for Cobb's interference, Abbott out leading third before sacrifice fly was caught.

*Baker, batted for Cooper, **Mangan batted for McCarthy.

Home runs, York, Griffen, Talbot. Three base hit, Lawry. Struck out by Driscoll 6, by Anderson 7. Bases on balls, off Anderson 1. Stolen bases, Cobb 2, Joyce, Chase. Sacrifice hits: Cobb, P. Cobb. Sacrifice fly, Chase. Umpire, Allen of Waterville.

MAINE WINS FIRST HOME GAME

Defeats Waterville A. A. 9 to 4

On Wednesday, in weather too severe for a good football day, an eight inning game was played with a picked team from Waterville. The Waterville team was made up of old stars such as 'Baggy' Allen, Sammy Herd, and Eli Gregory, Old Trolley league players; La Brack the old Waterville High School star catcher and Mose Williams, third baseman at Coburn Classical Institute. The presence of two old Maine men, "Shag" Witham, '12, and "Tot" McCarthy, '11 added a great deal of interest to the game.

ARTHUR W. ABBOTT, 14, Captain of Baseball

As this was the first home game the work of the team was watched closely. The hit-and-run and the squeeze-play were tried and worked successfully a number of times. Three pitchers were tried out and all did very good work considering the condition of the weather. Lawry, '16 at second performed in a very sensational manner. In the fourth inning he made a stop of McCarthy's grounder over second, with his bare hand and got his man at first. In the eighth he ran far back into right field and robbed York of a put-out by capturing a fly. York, '15, who was ineligible last spring, also played a fine game, showing a great deal of speed on the bases and making a fine running catch of Witham's fly to right-center. Williams of the visitors excelled in batting, driving in three of their four runs while Witham made several marvelous stops of wild throws to first.

Waterville started things right off the reel. LaBrack, the first man, up got a single and was sacrificed to second by Allen and scored on Williams hit. Williams was out when he attempted to steal, and the side was retired by Gregory striking out. For Maine, Lawry hit the first ball pitched for a home-run, but the next three men went out in order, Cobb and Abbott struck out and Gilman hit an easy grounder to the pitcher. Score Maine one, Waterville one.

Waterville did not score again until the third. The first two men up got on by infield errors and were scored by Williams second hit. Maine went to bat in the third with the score three to one against them. Cobb reached first when Williams dropped his fly. Abbott singled, Gilman bunted and was safe when Gregory attempted to get Cobb at third. With the bases full the fielders let Chase's fly fall for a hit, and Cobb and Abbott scored. LaBrack tried to catch Gilman at third, but the runner scored when the ball hit him on the arm. Chase scored on Cooper's out and the inning ended with McCarthy hitting to Allen.

Waterville scored in the fourth. After two were out Piper tripled and scored when York dropped LaBrack's fly.

Maine bunched hits in the sixth and York and Cooper scored. Two more runs were added in the seventh when Gilman walked, went to third on Chase's hit and scored when York forced Chase at second. York stole second and scored when Allen LaBrack's throw rolled to center-field. Waterville failed to score in the eighth.

CHANGES IN THE MILITARY DEPARTMENT

Promotions Announced

Immediately after the Military Hop, Companies C, D, and E were consolidated into two large companies, which will be known as C and D. Old Company D was split up, part being added to Company C, which is now under the command of Captain Bolton, and the remainder being added to old Company E. This company is now under the command of Captain Ahrens. First Lieutenant Hayes is attached to C Company, and First Sergeant Goodwin has been promoted to second lieutenant, Second Lieutenant A. B. Ferguson has been promoted to first lieutenant and assigned to D. Company, and Second Lieutenant W. R. Pride has been transferred from E to D Company.

Lieutenant Glass has said that the work for the remainder of the year will be principally in the field. Field operations began last Thursday, when all the companies took up the formation of the advance guard. Rear guard and outpost duty will soon follow.

Instead of drilling two separate periods on Saturday as formerly, the entire cadet corps will drill together as a battalion beginning May 3. First call for battalion drill will come at 10.45.

Early in the season, it was hoped that the cadet corps would be able to go into camp at Togus for a week's instruction in field service. It has been deemed by the faculty, inadvisable to hold the encampment this year, so the field operations of the U. of M. Cadets will be confined to Orono and vicinity for this year.

SIGMA DELTA PSI

Trials for the New Athletic Fraternity to be Held Soon

Within a short time the new athletic fraternity, Sigma Delta Psi, will be a reality. Trials will be held on the week following the State Meet on Alumni Field in the presence of the charter members of the society who will act as judges. This fraternity, while only a very young one as yet, is growing rapidly, especially in the west where it is extra strong. Entries must be sent or given to Prof. Wingard at once, in order that proper arrangements may be made.

OUR idea of a satisfied customer is one who feels he could not have purchased a more becoming or better valued suit.

In order to live up to our ideas we sell a man only the clothes which reaches the highest standard of quality and which suit his personality. They make satisfied customers.

UNIVERSITY OF MAINE

**A PUBLIC INSTITUTION MAINTAINED BY THE STATE
AND GENERAL GOVERNMENT**

ORGANIZATION

College of Arts and Sciences, College of Law, College of Technology
Electrical, Mechanical, Civil and Chemical Engineering, Pharmacy,
Short Course in Pharmacy, College of Agriculture (Forestry), Do-
mestic Science, School Course in Agriculture (two years), Winter
Courses and Correspondence Courses in Agriculture; Summer Term.
Graduate Courses leading to the appropriate Master's degree are
offered by the various colleges.

EXPENSES

Tuition \$60 a year for residents of Maine, \$70 a year for non-residents
of Maine, except in the Engineering courses where the charge is \$100
per year.

COLLEGE OF LAW

at Bangor, offers a course of three years. The tuition charge is \$70.
Eight resident, and five non-resident instructors.

FACULTY

includes 106 names; students number 1000.

EQUIPMENT

includes 31 buildings large and small, 16 well-equipped laboratories
the museum, the herbarium, and library.

JOINT CONCERT WITH COLBY CANCELLED

Faculty Objects

Objection by the faculty has caused the giving up of the Glee Club concert in Bangor which was to come off the 16th of this month. This concert was to be a joint one with Colby and full plans had been made. It had been announced in Bangor and the program posted on the bulletin board but to no avail.

A concert of this kind would have been quite a novelty for Maine as the Glee Club as well as the other clubs have not tried a similar Concert for years. It was to contain numbers by the various clubs, readings by the readers of each club and a song by the two combined Glee Clubs. Judging by the attendance at the other concerts in Bangor this season, the number there would well have warranted a second concert as far as numbers go.

The faculty claims that the seniors especially have had too much time off on the trips so far and as it is drawing near to their last days at the University that they cannot well spare the time from their studies.

The trips this year have been one grand success as to the quality of the performances given but not so well financially.

There will soon be a meeting of the combined clubs for election of officers for the ensuing year, so that they can begin their plans early for the coming year. A plan that is likely to be worked is to have a trip in each semester and thus save taking out so much time all at once. This would be much more satisfactory to all concerned as it would leave a few cuts for those on the clubs and it would not be so hard to make up the work lost.

AGGIE NOTES

Prof. Edson F. Hitchings of the department of horticulture and ten of his class in Greenhouse Management went to Bar Harbor last Tuesday to inspect some of the greenhouses and nurseries in that vicinity. Tuesday morning they visited the Mount Desert Nurseries and the gardens and hothouses of Mrs. John H. Kennedy's estate. Tuesday afternoon was spent in looking over the Malvern greenhouses and the Gurnee Estate. The class returned to Orono Tuesday evening. They report a very interesting and instructive trip.

Prof. R. W. Redman and his class in Laboratory Dairying visited the creamery operated by the Maine Creamery Company in Bangor last Thursday afternoon. An idea of the operating plan of the plant was obtained quite satisfactorily.

Prof. W. L. Slate of the Department of Agronomy and Dean Merrill attended a dairy institute at North Bridgton last Wednesday.

Prof. R. W. Redman of the Department of Animal Industry lectured last Friday in Dexter on Dairy Accounts. This lecture was given before a meeting called to recognize the West Penobscot Dairy Association. Saturday evening he spoke before the grange at Clinton.

TENNIS TOURNAMENT STARTED

Much Interest Being Shown

The tennis tournament started last week with a large list of entries including many new men.

The rules of the meet are that the first round shall be finished by April 30th, if possible; the second round by May 2nd, and the finals are to be played as soon as possible. The games may be played on any court and the contestants are asked to have a man to umpire their games so there may be no disputes. The manager hopes that the meet will be finished this week.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

It is with a feeling of the utmost concern and responsibility that the new editorial board of the CAMPUS takes up its duties and starts out on its self appointed task of giving the college a creditable newspaper twice each week. We will feel greatly, the loss of the retiring members of the board, for their experience and advice is invaluable. To their labor is due the beginning of the progressive policy which the present editorial board hopes to make a success. A semi-weekly paper has been the subject of much discussion among the CAMPUS staff for the past four years. They believed that such an enterprise could not be undertaken and proved financially successful, the reason being that they lacked the confidence in the student body and the alumni, on whom they must depend for support. The new board starts out believing that the alumni, the faculty, and the students, are going to support the paper in such a form. Not unless such support is promised will the board attempt to publish the paper twice a week throughout next year.

The first editions of the paper in its new form must of necessity be rather crude;—this must appeal to all as being most reasonable. Improvements will be made as rapidly as possible and the co-operation of the alumni, faculty, and students in offering suggestions will greatly hasten the work of the board towards this end. In the meantime, be slow to criticise, be quick to offer suggestions, and then when your opinion is formed—take a decided stand, either by giving us loyal support or by compelling us to publish the CAMPUS but once a week.

Although Maine succeeded in winning the Trinity Meet with but eleven men, the result can not be called satisfactory

Shall We Win in the full sense of the term. **Dual Meets or** There is absolutely no use in **the State Meet?** trying to develop an all around team with much experience in

competition when one half of the team is in Hartford or Lewiston and the other half is in Orono.

These dual meets can be of no value to those who are not stars and need badly the experience which such competition affords when only the experienced men can be taken on the trips. It is certainly disheartening to think that the men on whom we must depend to win the State Meet are remaining in Orono, without competition, awaiting the moment when they must go on Alumni Field and meet the other colleges of the State, with little or no knowledge of what they are capable of doing. How can the students justly demand that these men shall take the second and third places in the big meet when we only send our first place winners to the dual meets? There is only a very small possibility that they will fulfill their part when they lack entirely the confidence that comes from competition.

Whom can we blame? We cannot blame the men who remain in Orono and train to the best of their ability. We cannot blame the Coach. We can and *must* blame ourselves! It is indirectly due to the poor policy of the Athletic Board in only allowing eleven men to go on the trip. The Athletic Board, however, is only the executive board of the students as a whole. Therefore the students are *directly* to blame. The student body can not expect the Athletic Board to send these inexperienced men on trips with money which they do not have. If the students would pay their Blanket Taxes when due, we could afford to send a large team away and thus enable our second and third place men to gain valuable experience, which in turn means the winning of the State Meet. The size of the team which the Athletic Board will allow to go to Lewiston next Saturday depends greatly on the amount of money which is at their disposal at the end of this week. Therefore let every man who has not paid his Tax do so this week and enable us to send the best team we can produce to meet Bates on Saturday next.

The editorial columns of the CAMPUS are open to the suggestions of students, alumni and Faculty for the improvement of the paper in its present form. We would like especially to institute several new departments which would prove of interest and enlarge the scope of the paper.

JUNIOR WEEK

An Excellent Program Arranged

Junior Week, the greatest event in the college year, is at hand. The Junior Class has spent much time and energy in preparation for this big event and it now remains for the student body to support it in a way to do credit to the University. The exercises will open with the Junior-Freshman Debate Wednesday night at 8.00 o'clock. This is the final interclass debate for the Sophomore Owl Debating Cup. On Thursday evening the Maine Masque will present Augustin Daly's farce "A Night Off" in the gymnasium. This will be the climax of one of the most successful seasons in the history of the Masque and it is expected that it will be very

well attended. Tickets may be had at the fraternities or at the college store at 75 and 50 cents. Friday morning the Juniors will hold a special forty minute Chapel service under the direction of the chaplain, W. M. Morse, P. W. Monohon will give a welcoming address and President Alely will deliver an address to the Juniors. In the afternoon the fraternities will hold open house from two to four the Junior Lunch being omitted this year. At four o'clock the varsity Baseball team will play the Law School on Alumni Field. Friday evening the Junior Promenade will be held in the gym. The gymnasium will be decorated in Japanese style in an original and attractive way. Cold tea will be served at booths in the Chapel through the evening. Dance orders, which will also be of Japanese design, will be on sale about the middle of the week. Saturday morning brings the battalion drill at 10.45 At 3.00 in the afternoon, Bowdoin will play Maine on Alumni Field in the third game for the state championship. Saturday evening the Junior Exhibition speaking will take place in the Chapel. There will be six speakers and music will be furnished throughout the evening. Sunday there will be a Vesper Chapel at three o'clock. Rev. C. A. Moore, of Bangor will be the speaker. This is the outline for the 1914 Junior Week. The programs will be on sale at the college store and fraternity houses today for fifty cents. They will be in brown mission leather, and will contain more than three times as much copy as in previous years. They will be printed in brown ink and will make a most beautiful and attractive program.

RETIRING MEMBERS OF CAMPUS BOARD

The College Owes Much to These Men

With this issue of the CAMPUS the new board assumes its duties and the issue would not be complete without a word regarding the retiring members of the board. Largely through their efforts has the paper reached its present worth. It will, indeed be hard to fill their places, for these men have not only made good on the CAMPUS but in various other college activities. The following men who retire from the CAMPUS board are in no sense one sided, men as one can easily see from their records:

Forrest Bertram Ames Phi Eta Kappa Bangor
Bangor High School English

George Stobie, ex-'14, recently became the father of a boy.

Mr. E. E. Towner visited the Sigma Chi house last Sunday.

G. W. Babb, ex-'14, was at the Sigma Chi house last week.

FACULTY NOTES

Mr. E. C. Drew, for several years instructor in the department of physics, will not return to Maine next year, as he has accepted a fellowship at the University of Pennsylvania where he will continue his studies for a doctor's degree.

At the meeting of the Oldtown and Orono District School Association Tuesday evening, April 29, Dean J. S. Stevens of the University was elected chairman, and W. H. Waterhouse, a graduate of the University of Maine Law School, class of 1900, was elected Superintendent.

ENGINEERS TRIP TO MILO

New Car Inspected

Last Friday the majority of the Junior and Senior Mechanical and Electrical Engineers took a trip to Milo to go thru the Bangor and Aroostook locomotive repair shops at that place. About twenty men made the trip. They inspected a newly-invented car—a gasoline-electric car. This car is one of the greatest inventions of late years. It is capable of attaining a speed of 80 miles per hour.

The men returned to Orono Friday night.

"CLOTHING THAT'S FIT"

must be made to fit—and that means made for YOUR individual measurement from the very beginning. Discerning men have found that decent ready-made clothing costs about the same as decent custom-made—a fact which puts the made-to-measure clothing decidedly at the head. I have a particularly fine showing of the choicest Spring goods, and am prepared to produce faultless clothing at moderate cost. Every particular dresser—yes, YOU—should be interested. Step in!

DON'T be the man to ask for a job—be the man who is asked. Students of business tell us that natty dressing has a great deal to do with success. Wear cleverly styled, perfectly fitting, tailored-to-measure clothes and you'll get farther, quicker than the man who dosen't. We tailor a suit to meet your individual desires and requirements for from \$15 to \$45.

Skilled designers and tailors will do the work.

SAWYER & WESCOTT
CAMPUS

CAMPUS BOARD OBTAINS AN OFFICE

Located in Estabrooke Hall

Thru the kindness of Prof. Gray, of the English Department, an office has been provided for the use of the CAMPUS editorial board in room No. 5 Estabrooke Hall, here all meetings will be held and all assignments written.

The office is provided with a typewriter, telephone, and all equipment necessary for the use of the editors. Tel. Number 106-13 on Monday, Wednesday, and Thursday afternoons from 1.30 to 2.20, and Saturday mornings, from 9.50 to 10.40, one of the editors will be in the office to attend to the business in general.

The first meeting of the new editorial board was held at 12.45 Wednesday.

With the New CAMPUS coming out twice a week, Tuesday and Friday, it is hoped the paper will prove of even more interest to the students and alumni than before.

EXPERIMENT STATION PUBLISHES BULLETIN ON FLEA BEETLE

The flea beetle is, next to the Colorado potato beetle, the most destructive of the annually recurrent insects on the foliage of the potato in Maine.

Circular 467 just issued by the Maine Experiment Station deals with this insect, giving an account of its habits, both as a white slender grub under the ground and the black, jumping adult feeding on the leaves.

Particular attention is called to the fact that these small insects feed on the under surface of the leaves, which emphasizes the need of a spray which will protect that part of the plant.

The insect is not only a dangerous one on account of its feeding injuries, but also because of early blight attacks injured leaves more readily than healthy ones; and the punctures made by the flea beetle serve as points of entrance for the germ tubes of the spores of the fungus.

A copy of circular 467 will be sent to any resident of Maine upon request to Directors Chas. D. Wood, Orono, Maine. To non-residents of Maine the price is ten cents which must be sent in coin or other currency. Postage stamps are not accepted.

STUDENT CHAPEL

Blanket Tax Again Under Discussion

At the Student Chapel on Tuesday morning, April 29, the student body voted that the Athletic Board should ask the Faculty to make the rule that all blanket taxes shall be placed upon the students' term bills. Before the question was voted upon, there was a short discussion, the speakers being Monohon, '14, R. S. Ferguson, '14, Chase, '13, and Bagdoyan, '15.

G. G. Tilley, '13, who presided, explained this plan which the Athletic Board has decided upon. Since the football season was unsuccessful financially, the Association found itself in debt at the close of last semester. Although the Blanket Tax Committee has put in much hard work in collecting the tax this year, the results of such efforts have not been encouraging; hence it is evident that the Association must try some plan which will win more general financial support from the students. It was with this idea in view that the Athletic Board submitted this question.

This vote in itself, will not cause the tax to be added to the term bills; but the matter must be referred to the Faculty. If it is approved then, the rule will go into effect next fall.

On account of the fact that students in the two year courses in Agriculture and Pharmacy are debarred from activities open to students in the regular four year courses, the Association is in favor of reducing the tax of such students to \$3.00. If this change is made, it is thought that many of these students, who have not been willing to pay for something for which they are ineligible, will readily pay the cheaper tax.
