STATE TENNIS TOURNAMENT

Maine Team Weak

The preliminary rounds and semi-finals of the Maine Intercollegiate Tennis Tournament, at Lewiston, Tuesday and Wednesday of this week, showed Maine to be very weak. The preliminaries and semi-finals were full of surprises. Goodspeed won his match in the preliminary singles, this was the only match that Maine won. Much of Maine's poor showing is due to lack of condition occasioned by the late season at which our courts were in shape. Foster, Colby, played fine tennis in the singles. Woodman and Tomblen, Bates, who were the double winners last year, played fine this year also. Tomblen was also single winner last year, but he was defeated by Savage, Bowdoin, in the first round.

The results of the preliminaries and semi-finals:

SINGLES

Preliminary round: Savage, Bowdoin, defeated Tomblen, Bates. Score 2-6, 6-3, 6-2.

Goodspeed, Maine, defeated Slocum, Bowdoin, 6-3, 6-3.

Nickerson, Bates, defeated Morse, Colby, 6-4, 3-6, 7-5.

Foster, Colby, defeated Bird, Maine, 6-3, 6-2.

Semi-finals: Savage, defeated Goodspeed 7-5, 6-2.

Foster defeated Nickerson 6-3, 6-4.

DOUBLES

Preliminary round: Gardner and Larabee, Bowdoin, defeated King and Goodspeed, Maine, Score 7-5, 6-4.

Savage and Slocum, Bowdoin, defeated Nickerson and Arley, Bates, 9-7, 6-4. Cushman and Morse, defeated Bird and Toole, Maine, 6-3, 7-5. Tomblen and Woodman, Bates, defeated Foster and Gillingham, Colby, 6-2, 6-3.

Semi-finals: Cushman and Morse defeated Slocum and Savage, 5-7, 5-7, 6-4. Tomblen and Woodman defeated Gardner and Larabee, 6-1, 6-1.

BLANKET TAX TICKETS NOT GOOD FOR STATE MEET

Meet Under the Management of Maine Intercollegiate Athletic Association

The Blanket Tax tickets do not admit holders to the State Meet on Saturday or to Bleacher seats. The reason for this is that the Blanket Tax tickets are issued by the University of Maine Athletic Association while the meet is held under the management of the Maine Intercollegiate Athletic Association an entirely separate organization except that the University of Maine is a member.

The Blanket Tax tickets have never admitted holders to the State Meet when held in Orono and the same is true of the other colleges in regard to their ticket arrangements.

Grandstand, bleacher, and admission tickets are on sale at the College Store, at Nichols, in Orono, and Dillinghams' in Bangor. The Maine cheering section will be at the left hand and of the Grand Stand next the entrance.

OUR OLD MAINE MEN

Hold Rousing Banquet and Reunion in Pittsburg

Although over 800 miles from the University campus, twenty-one Maine Men gathered at Hotel Henry, Pittsburg, for their semi-annual meeting of the Pittsburg Alumni Association on Saturday evening, May tenth. After a bountiful luncheon the business meeting was called to order by President Hosmer. Matters in regard to the association scholarship were discussed. A report was also given by the committee representing the University Employment Bureau, showing that several attempts had been made to place Maine men in or about Pittsburg, but that it was too early in the life of the local bureau to estimate the success of the undertaking. A letter was also read from President Alely acknowledging a set of resolutions occasioned by the death of Mrs. E. A. Balentine. The attitude of the MAINE CAMPUS in regard to its lack of alumni news was discussed, and the general sentiment seemed to be that the alumni themselves, to a great extent, are at fault in this particular. As a result of this discussion Warren McDonald '12, was elected as the CAMPUS correspondent for the Pittsburg Association.

The election of officers for the coming year was then taken up. The retiring officers were as follows: Pres. F. P. Hosmer '07; Vice-Pres. C. D. Smith '05; Sec. and Treas. R. W. Crocker '10. They have served the Association well and due appreciation was shown by the fitting remarks of B. F. Faunce, '01. The election resulted as follows: President, C. D. Smith, '05; Vice-Pres., Warren McDonald, '12; Sec., and Treas., R. W. Crocker, '10; Chairman of Executive Committee; J. W. Brown, '99. Mr. Brown appointed F. P. Hosmer, '07, and F. E. Wiley, '10, as members of the executive committee.

The remainder of the evening was spent in a general interchange of experiences and recollections. The reunion broke up at a late hour with the old Maine ties a whole lot stronger for having spent another evening together.

Several alumni became members of the association for the first time on Saturday evening. Among them were B. H. Chatto, '05, and H. L. Fisher, '12.

Those in attendance were: A. G. Mitchell '75; G. W. Hutchinson '93; W. T. Brastow, '97; J. W. Brown, '99; H. B. Cushman, '00; G. F. Murphy, '00; B. F. Faunce, '01; H. E. Cole, '02; C. D. Smith, '05; B. H. Chatto, '05; F. P. Hosmer, '07; R. L. Jackson, '09; F. W. Conlogue, '10; E. G. Russell, '10; R. W. Crocker, '10; W. E. Condon, '10; F. E. Wiley, '10; C. L. Lycette, '11; H. L. Fisher, '12; W. E. Parker '12; and Warren McDonald, '12.

ARRANGEMENTS FOR CARING FOR THE TRACK TEAMS

The manager of the track team has made the following arrangements for the different teams at the State Meet on Saturday. The visiting teams will probably arrive in Bangor Friday, stay in Bangor Friday night, and reach Orono Saturday morning. Saturday noon the Bates, Colby, and Bowdoin teams are to eat at Hannibal Hamlin Hall, the Maine team at one of the fraternity houses. During the meet the visiting teams will use as dressing and rubbing rooms several of the lower-floor rooms in Oak Hall; the Maine team will use the Sigma Nu house.

B. C. Martin, '01, has been promoted from the position of resident engineer of the New York Central Railroad to assistant district engineer on the Hudson division. Mr. Martin has been forging to the front in his chosen line of work and during the next few years he will have an opportunity to show his ability in supervising the four tracking of the Hudson Division from Albany to New York and many other improvements under contract in this branch of the Railroad.

INTERSCHOLASTIC PRIZE SPEAKING

Freshmen Co-Eds to Entertain with Play but
no Man Except Prof. Daggett will be Allowed
to Attend

The program for the Interscholastic Prize Speaking and Debating contests which are to be held at the University of Maine on Thursday and Friday of next week is practically completed. The most striking feature of the novel entertainment to be provided for the delegates is the one-act play "THE RECTOR," which will be staged in the WINSLOW PAVILION at eleven A. M. on Saturday under the personal supervision of Prof. Windsor P. Daggett.

This play is a successful production by Rachel Crothers and is not only charmingly written but makes a strong appeal. It is produced by seven young women of the freshman class who have studied the play in one of the classes of expression. As it is to be given by young ladies, only the women delegates; the young ladies of the University, and their female friends may attend. There is only one male character (THE RECTOR) in the play and he is ably impersonated by Miss Marie Foster of Bar Harbor. The scene is laid in the rector's study and depicts the trials of an unmarried rector in a rural community and how the narrow mindedness of the people heaps these trials and tribulations on the rector. Interwoven with this is a pretty love-story which shows the sacrifice of the noble-hearted Margaret in behalf of the less deserving Victoria Knox.

The program is opened on Thursday evening with the final contest of the Interscholastic Debating League which is between Bangor and Bar Harbor. On Friday evening, the Interscholastic Prize-speaking will take place in the Chapel and already twelve schools have signified their intention of sending a delegate. It is expected that about twenty-five contestants may appear. The speakers in both events will be met at Bangor station as they arrive by representatives of the University. They are to be entertained at the various fraternities and dormitories. A reception is to be given them Friday afternoon in the library by the Sophomore Owls assisted by the young women from the Department of Home Economics. It is hoped that this affair will be very successful and will be repeated in the future. The two prizes in the prize-speaking are \$20, and \$15, respectively.

The schools represented and delegates already prepared to come are:

Brewer High	Jeannette Croxford
Bristol High	Hazel M. Tukey
Fort Fairfield	Fred Alawn Fisher
Kent's Hill	Albion Earle Hayes
Lewiston High	Albert Leland Shaw
Mexico High	Harley Forrest Roberts
New Gloucester	Everett Gordon Tufts
Norway High	Miss Sara Prue
Pennell Institute	Eva M. Bishop, Gray, Maine
Skowhegan High	Horatio Tobey Mooers
Strong High	Marion Anona Presson

The cast of characters in the play "THE RECTOR" to be given for the amusement of the women delegates by seven freshmen co-eds is:

Mr. Harrisford, the rector	Miss Marie Foster, Bar Harbor
Mrs. Labbingworth, chairman of the carpet committee	Miss Emma Gerharts, Westbrook
Miss Trimbull, things love is the greatest thing in the world	Miss Gladys Thompson, Orono
Mrs. Munsey, just come from the dressmakers	Miss Mildred Dow, South Portland
Margaret Norton, a friend of the rector	Miss Muriel DeBeck, Franklin
Victoria Knox, a butterfly	Miss Dorothy Thompson, Orono
Janie, the Rector's maid	Miss Evelyn Winship, Auburn

Saturday, Maine meets the sister colleges of the state in what promises to be one of the most spirited and hard fought contests ever witnessed on Alumni Field. In **That** words of Coach Smith, "our chances **Cheering** look dubious." But whatever the result may be, the fact remains that the team which will represent our Alma Mater has worked, trained, and sacrificed for weeks and months for the purpose of creditably and efficiently representing us in the great race for the coveted track championship. But the team cannot do everything. In order to do its very best work it must have the united support of the student body. We must make the team feel that we stand behind it heart and soul. One of the best ways of making this evident is by real, organized cheering. At the last inter-class meet and particularly in the recent base-ball games it was woefully evident that the oft-discussed Maine Spirit was dormant, even now at the eleventh hour it is not too late to remedy these conditions.

There are three things which every loyal Maine student should do Saturday: go to the track meet and encourage the team by your presence; learn and practice the college cheers, get imbued with some of last fall's foot-ball enthusiasm and by the very force of that enthusiasm give our team the added momentum which will speed it to the goal; last but not least, let us, the hosts, show our visitors that we possess the true college spirit in that, win or lose, we can ever be true sportsman.

The Colby Musical Clubs will give a concert in Bangor to-night followed by a dance for which the Colby College Orchestra will play.

Colby Musical Clubs As the members of the Clubs will be the guests of the University, a large attendance of Maine students is expected. The joint concert originally planned for this date was cancelled by our faculty after all arrangements had been made. As the City Hall had been hired, a concert had to be given and it was only fair to Colby we felt, to sublet the privilege to them for their concert. In taking over the responsibility of the hall, Colby saves us the expense of its hire. In return we owe Colby our support as the expenses of the trip are necessarily heavy.

The program promises to be a good one. In general the same program used so successfully on the season's trips through Aroostook County and Western Maine is to be presented in Bangor. The feature number is the violin solo by Mr. Pratt, who is considered one of the finest soloists in Maine. The Glee Club appears four times on the program, while the Mandolin Club will render two selections. Mr. Loane, the reader, has a choice assortment of humorous selections and is capable of entertaining in a most artistic manner. The Glee Club will use for one of its numbers the song entitled, "Fill Your Steins" by Mittel, which was originally planned as a join number. The beauty of this piece is in its rollicking melody so well adapted to male voices.

The dance to follow will be well attended by those who are in Bangor and Orono to attend the Track Meet on Saturday. It is hoped that a large representation from the campus will "trip the fantastic" to the tune of Colby's full orchestra. Plenty of special cars will be provided to handle the crowd and we predict a jolly good time from the tuning of the orchestra to the final toot of the car whistle on the return trip.

GEORGE C. CLARKE.

Elsewhere in this issue will be found a report of the recent meeting of the Pittsburg Alumni Association. In it will be found one **To Our** thing in particular which ought to **Alumni** prove of especial interest to all our alumni. It will be noted that the Alumni about Pittsburg have noticed the lack of alumni news in the CAMPUS, and it might be added that our Alumni Editor has noticed the same thing. The sources from which we draw our alumni notes are few and the news which can be obtained from them is very meagre. The Pittsburg Alumni have taken a step in the right direction and have appointed a CAMPUS correspondent. It is the earnest desire of the CAMPUS staff that the other associations follow their example and thus make the CAMPUS a newspaper of interest to the alumni. If the paper is to be published twice a week throughout next year the alumni must back the move with more subscriptions than we have at present. One letter has already been received from a former editor of the CAMPUS, expressing the hope that it will be published next year in its present form and that we shall be successful in getting the necessary subscriptions to do so. Therefore it is up to the staff to produce a paper that the alumni will read with interest and we can only do so with the aid of the alumni themselves. Let us hear from you then either by personal letter or by an appointed correspondent from each alumni association. A representative

of the paper will attempt to be at the next meeting of the Boston Alumni and explain to them the new aims and policies of the CAMPUS. Very soon a sample copy will be sent to all non-subscribing alumni in the hope that will take a new interest in the paper and pledge themselves to its support. A little life and the old Maine Spirit and by our combined efforts we hope that all the alumni will be subscribers to the CAMPUS next year!

TO THE EDITOR:

May I, in a few words, make a direct appeal to all true "Maine" men?

Next Thursday evening, May 22, in the University Chapel, the final debate in the inter-scholastic league will be held. The **A Letter** contestants will be Bangor High and Bar Harbor High, and the question will be "Resolved that the United States should gradually reduce her navy."

In past years the attendance at such preparatory school debates has not been very good. This year the Speakers Club of the University desires to do away with this undesirable state of affairs. In behalf of the Speakers Club, the preparatory schools who will be represented, and for the good of the University of Maine, the attendance of the students at the debate next Thursday is earnestly requested. Why should you go? Think it over "Maine" men and answer truthfully.

FORREST B. AMES.

NEW PRESIDENT AT JAMES MILLIKEN UNIVERSITY

Ex-President Fellows Elected to the Office

A recent notice has come to the CAMPUS of the election of Ex-President George Emory Fellows, to the office of President of James Milliken University, located at Decatur, Ill. President Fellows will assume office at the beginning of the next college year.

James Milliken University is a comparatively new University, it being founded in 1901, but has shown an enormous growth and advancement. At present the number of students exceeds 1100, and the faculty numbers 64. It is a privately endowed institution although the endowment fund is quite large, the income exceeding \$100,000 per annum.

Ex-President Fellows came to the University of Maine as President, in January, 1902, and his administration lasted nine years. While here the University enjoyed the most prosperous years of its life up until 1910, the old departments having been enlarged and new ones established. Due chiefly to the efforts of Dr. Fellows the college of agriculture was developed until now it is one of the strongest departments of the University. Perhaps his most conspicuous achievement is connected with the noteworthy triumph of the University in 1907 over those who sought to deprive it of the power to grant the Bachelor of Arts degree and to restrict its liberal work to such courses as are obviously required for technical students.

Doctor Fellows is the holder of several degrees, taking his A. B. degree at the Lawrence University in 1879. Since then the following degrees have been conferred upon him: Ph. D., by Berne University, in 1889, LL. D., by Bowdoin College in 1902, and L. H. D. by Lawrence University in 1902.

Among those entertained at the Kappa Sigma House last week were the Misses Amsden and Griffith of Boston, Miss Ferguson of Houlton, Mrs. J. S. Ferguson of New York City, and the Misses Pooler and Martin of Oldtown.

"CLOTHING THAT'S FIT"

must be made to fit—and that means made for YOUR individual measurement from the very beginning. Discerning men have found that decent ready-made clothing costs about the same as decent custom-made—a fact which puts the made-to-measure clothing decidedly at the head. I have a particularly fine showing of the choicest Spring goods, and am prepared to produce faultless clothing at moderate cost. Every particular dresser—yes, YOU—should be interested. Step in!

MILITARY DRILL

Battalion Preparing for Inspection

There were over one hundred spectators on the athletic field to witness the military drill Saturday. This was a large number considering the cold weather. The drill was carried out much better than it was a week ago Saturday. The double quick time especially was a great improvement over the preceding Saturday. The chief purpose of these Saturday drills is to whip the battalion into shape for the annual inspection which comes on the eighteenth of May.

A. W. Sprague, '05, of Bangor, leader of the 2nd Regiment Band of Maine, was present. He was greatly interested in the University Band and gave Mr. Sheridan many instructions about leading it. During the last part of the drill Mr. Sprague, himself, took charge of the band and led them up and down the field in true military style.

LUNCH COUNTER FOR STATE MEET

Proceeds to go to Track Club

A lunch counter for the accommodation of visitors is to be open Saturday in the gymnasium. This new venture is under the direction of A. F. McAlary, '13, and A. F. Sawyer, '14. The idea was originated by the Track Club and all proceeds from the counter will be used in the interests of track. Ample accommodations will be made for every visitor who desires to get dinner here. Sandwiches, soft drinks, etc., will be on sale after the trials in the morning until about two o'clock in the afternoon. The idea is being extensively advertised in the other colleges and every Maine man should take it upon himself to help the Track Team by getting his friends to patronize it.

THOSE "LITTLE" THINGS IN BASEBALL

Batting and Fielding Averages of Team In First Three Championship Games

The following averages show the work of the Maine players in the three first championship games. Baker by securing two hits in the last Bowdoin game heads the list with an average of 500. Lawry and Gilman, who are at the head of the batting order, have rather low marks but these two men very seldom strike out and in the remaining games will probably raise their averages. Cobb, by his all round work in the last two games, heads the regulars closely followed by York. In fielding, Lawry, Abbott, and Driscoll have done the most dependable work. In team fielding and batting Maine leads her opponents.

SNYDER-CURE HAMS AND BACON

are the product of four years of experimentation to determine if meats could be cured with such a minimum of salt and other curing ingredients that the highest degree of flavor could be obtained, and the toughening properties of the ordinary curing method eliminated. The delicious flavor of the cure is the answer — this supplemented by the

FRAGRANT SMOKE OF CORNCOBS.

The result is the most delicious ham and bacon now offered to discriminating people.

Only salt enough to flavor.

TALK OF THE COLLEGES

Colby is to issue a college song book.

Columbia is discussing the advisability of not awarding any more "C's" to managers.

The four classes at Columbia are rehearsing for a class sing for a cup.

Harvey Cohn of Brooklyn, N. Y. has been engaged to finish the track season as coach at Colby. He is an old Olympic ruler.

Wesleyan is known throughout the East as the "singing college" and it seems to be rightly named. They have fraternity sings, and Sunday night sings that are the envy of other colleges.

That legislation barring Greek letter fraternities is contrary to the Fourteenth Amendment to the Federal constitution was a decision handed down from a test case in the Mississippi courts. The case will be appealed and the Greek letter world will await the result with interest.
