MAINE 8, BATES 5

Maine defeated Bates Wednesday 8 to 5. Neither team played well. Maine winning by batting Lindquist from the box in the eighth. H. Cobb was spiked in the leg in the eighth and forced to retire. Abbott's catching and the batting of Coady and Driscoll were the features of Maine's poor showing that was due to lack of condition occasioned by the late season at which our courts were in shape. Foster, Colby, played fine tennis in the singles. Tomblen and Tomblen, Bates, who were the double winners last year, played fine this year also. Tomblen was also single winner last year, but he was defeated by Savage. Bowdoin, in the first round.

The results of the preliminaries and semi-finals:

Savage, defeated Goodspeed 7-5, 6-2. Bowdoin, in the first round.

INTERSCHOLASTIC PRIZE SPEAKING

Freshmen Co-Eds to Entertain with Play but no Man Except Prof. Daggett will be Allowed to Attend

The program for the Interscholastic Prize Speaking and Debating contests which are to be held at the University of Maine on Thursday and Friday of next week is practically completed. The most striking feature of the novel entertainment to be provided for the delegates is the one-act play, "THE RECTOR," which will be staged in the Winslow Pavilion at eleven A.M. on Saturday under the personal supervision of Prof. Winslow P. Daggett.

This play is a successful production by Rachel Crothers and is not only charmingly written but makes a strong appeal. It is produced by seven members of the freshman class who have studied the play in one of the classes of expression. As it is to be given by young ladies, only the women delegates; the young ladies of the University, and their friends may attend.

There is only one male character (THE RECTOR) in the play and he is ably impersonated by Miss Marie Foster of Bar Harbor. The scene is laid in the rector's study and depicts the trials of an unmannered rector in a rural community and how the narrow mindedness of the people heaps these trials and tribulations on the rector. Interwoven with this is a pretty love-story which shows the sacrifice of the noblehearted Margaret in behalf of the less deserving Victoria Knox.

The program is opened on Thursday evening with the final contest of the Interscholastic Debating League which is between Bangor and Bar Harbor. On Friday evening, the Interscholastic Prize-speaking will take place in the Chapel and already twelve schools have signified their intention of sending a delegate. It is expected that about twenty-five contestants may appear.

The speakers in both events will be met at Bangor station as they arrive by representatives of the University. They are to be entertained at the various fraternities and dormitories. A reception is to be given them Friday afternoon in the library by the Sophomore Owls assisted by the young women from the Department of Home Economics. It is hoped that this affair will be very successful and will be repeated in the future.

The two prizes in the prize-speaking are $25, and $15, respectively.

The cast of characters in the play "THE RECTOR" to be given for the amusement of the women delegates by seven freshmen co-eds is:

Mr. Harrisford, the rector

Miss Marie Foster, Bar Harbor

Lalibingworth, chairman of the carpet committee

Miss Emma Gerhardt, Westbrook

Miss Trimble, things love is the greatest thing in the world

Miss Gladys Thompson, Orono

Mrs. Munsey, just come from the dressmakers

Miss Mildred Dow, South Portland

Margaret Norton, a friend of the rector

Miss Muriel DeBeck, Franklin

Victoria Knox, a butterfly

Miss Dorothy Thompson, Orono

Janie, the Rector's maid

Miss Evelyn Winship, Auburn

Miss Marion Foster, Bar Harbor

Miss Emma Gerhardt, Westbrook

W. E. Parsons, ex-'11, has returned to his position with the Orono Pulp and Paper company.
The Colby Musical Clubs will give a concert in Bangor to-night followed by a dance for which the Colby College Orchestra will play. The Colby Alumni have taken a step in the right direction. The feature number is the violin solo by Mr. Pratt, who is considered one of the finest soloists in Maine. The Glee Club appears four times on the program, while the Mandolin Club will render two selections. Mr. Loane, the reader, has a choice assortment of humorous selections and is capable of entertaining in the most artistic manner. The Glee Club will use for one of its numbers the song entitled, "Fill Your Seats" by Mittel, which was originally planned as a join number. The beauty of this piece is in its rollicking melody so well adapted to male voices. The dance to follow will be well attended by those who are in Bangor and Orono to attend the Track Meet on Saturday. It is hoped that a large representation from the campus will "trip the fantastic" to the tune of Colby's full orchestra. Plenty of special cars will be provided to handle the crowd and we predict a jolly good time from the tuning of the orchestra to the final toot of the car whistle on the return trip.

**George C. Clarke.**

Elsewhere in this issue will be found a report of the recent meeting of the Pittsburg Alumni Association. In it will be found one thing in particular which ought to prove of especial interest to all our alumni. It will be noted that the Alumni about Pittsburg have noticed the lack of alumni news in the CAMPUS, and it might be added that our Alumni Editor has noticed the same thing. The sources from which we draw our alumni notes are few and the news which can be obtained from them is very meagre. The Pittsburg Alumni have taken a step in the right direction and have appointed a CAMPUS correspondent. It is the earnest desire of the CAMPUS staff that the other associations follow their example and thus make the CAMPUS a newspaper of interest to the alumni. If the paper is to be published twice a week throughout next year the alumni must back the move with more subscriptions than we have at present. Our letter has already been received from a former editor of the CAMPUS expressing the hope that it will be published next year in its present form and that we shall be successful in getting the necessary subscriptions to do so. Therefore it is up to the staff to produce a paper that will appeal to all our alumni and we can only do so with the aid of the alumni themselves. Let us hear from you then either by personal letter or by an appointed correspondent from each alumni association. A representative of the paper will attempt to be at the next meeting of the Boston Alumni and explain to them the best methods and policies of the CAMPUS. The soon a sample copy will be sent to all non-subscribing alumni in the hope that will take a new interest in the paper and pledge themselves to its support. A little life and the old Maine Spirit and by our combined efforts we hope that all the alumni will be subscribers to the CAMPUS next year!

**To the Editor:**

May I, in a few words, make a direct appeal to all true "Maine" men?

Next Thursday evening, May 22, in the University Chapel, the final debate in the interscholastic league will be held. A Letter contestants will be Bangor High and Bar Harbor High, and the question will be "Resolved that the United States should gradually reduce her navy."

In past years the attendance at such preparatory school debates has not been very good. This year the Speakers Club of the University desires to do away with this undesirable state of affairs and in behalf of the members of the preparatory schools who will be represented, and for the good of the University of Maine, the attendance of the students at the debate next Thursday is earnestly requested.

Why should you go? Think it over "Maine" men and answer faithfully.

**NEW PRESIDENT AT JAMES MILLIKEN UNIVERSITY**

Ex-President Fellows Elected to that Office

A recent notice has come to the CAMPUS of the election of Ex-President George Emory Fellows, to the office of President of James Milliken University, located at Deatur, Ill. President Fellows will assume office at the beginning of the next college year.

James Milliken University is a comparatively new University, it being founded in 1901, but has shown an enormous growth and advancement. At present the number of students exceeds 1100, and the faculty numbers 64. It is a privately endowed institution although the endowment fund is quite large, the income exceeding $100,000 per annum.

Ex-President Fellows came to the University of Maine as President, in January, 1902, and his administration lasted nine years. While here the University enjoyed the most prosperous years of its life up until 1910, the old departments having been enlarged and new ones established.

Due chiefly to the efforts of Dr. Fellows the college of agriculture was developed until now it is one of the strongest departments of the University. Perhaps his most conspicuous achievement is connected with the noteworthy triumph of the University in 1907 over those who sought to deprive it of the power to grant the Bachelor of Arts degree and to restrict its liberal work to such courses as are obviously required for technical students.

Doctor Fellows is the holder of several degrees, taking his A. B. degree at the Lawrence University in 1879. Since then the following degrees have been conferred up on him, Ph. D. by Berne University, in 1884, L. L. D. by Bowdoin College, in 1902, and L. H. D. by Lawrence University in 1902.

Among those entertained at the Kappa Sigma Sigma house last week were the Misses Ansden and Griffin of Boston, Miss Ferguson of Houlton, Mrs. J. S. Ferguson of New York City, and the Misses Pooler and Martin of Oldtown.

The four classes at Columbia are rehearsing for a class sing for a cup.

Harvey Cohn of Brooklyn, N. Y., has been engaged to finish the track season as coach at Colby. He is an old Olympic ruler.

Wesleyan is known throughout the East as the "singing college and it seems to be rightly named. They have fraternity sings, and Sunday night songs that are the envy of other colleges.

That legislation barring Greek letter fraternities is contrary to the Fourteenth Amendment to the Federal constitution was a decision handed down from a test case in the Mississippi courts.

The case will be appealed and the Greek letter world will await the result with interest.
