Maine's Rush Line Outplays Yale—Cobb Makes 21-Yard Gain

What few glooms there were that had the nerve to attempt to trail our football team, quickly lost courage at New Haven, Saturday and left for other climes. "The team that made Maine famous" is gradually working itself into Championship form. The wonderful showing made by the light blue against the darker blue of old Yale was of the same caliber as that made against Harvard last year.

The Maine team played a hard and ever fighting game. When on the defensive they contested every inch of ground. In times of danger the Maine line was a stone wall and in the third period held Yale for downs on the 2 yard line. The "shift plays" which Yale has been coached on for the entire week were of no avail against Reiley's men. It was Maine's first appearance on the Yale field and by playing the Elis to a standstill made it a day to be remembered.

Early in the game the Elis got down to Maine's 25-yard line. Soon after this Yale was at Maine's 15-yard line, but a 5-yard penalty set the Elis back before Ainsworth tried for the placement goal. His kick went into the rush line. This happened in the first period.

In the second period Yale could not even get within striking distance of the Maine goal. In the third period Yale made her advance to the visitors' 2-yard line, after rushing the ball for 43 yards where the Maine line held them for downs.

In the last period Yale rushed the ball 26 yards to Maine's 30-yard line, from which point Guernsey failed for a drop kick. Cobb ended the game with a 21 yard gain through the Yale line.

The game was practically a victory for Maine. The Maine rush line had more fight in it than Yale's had.

At the opening, Yale had a terrific wind at her back and if she had kicked the ball instead of trying rushing, she might have driven Maine back to her goal line. Cobb of Maine outpunted the Yale kickers in most of the exchanges and placed his kicks much more accurately than did Weiser or Guernsey.

The game opened by Yale returning Maine's kickoff to Maine's 40-yard line. Thence the visitors fumbled and by two shift plays, Yale gained 16 yards when a poor pass by Martyng resulted in a fumble and gave the ball to Maine. Maine suffered a five-yard penalty and then Cobb punted from his 25-yard line to Wilson at Maine's 40-yard line.

After a short gain, Thompson scored an 18-yard end run and then he and Ainsworth pushed the ball on to the 15-yard line. Yale was penalized five yards for offside play. Weiser's forward pass failed and Ainsworth's placement kick hit the rush line.

Wilson recovered the ball for Yale, but on the next play the Blue was penalized 15 yards. Weiser punted and his kick went out of bounds at Maine's 15-yard line just as the period ended.

In the second period Kriger got seven yards, Cobb punted to Ainsworth, who was downed at Yale's 12-yard line.

Maine tried a forward pass without success and then Cobb punted to Wilson at Yale's 30-yard line.

Yale substituted Guernsey for Weiser. Guernsey punted to Maine's 42-yard line and Cobb kicked back to Yale's 20. Yale again had to punt, and this time Guernsey kicked to Maine's 30-yard line. Maine was penalized 15 yards and Cobb punted to Wilson at Yale's 20-yard line. Wilson got away with the catch and ran the ball back to Maine's 46-yard line a distance of 26 yards.

At the opening of the second half Capt. Sawyer returned to the game and Yale substituted Cornish for Wilson. Maine kicked off to Yale's 32-yard line. There was an exchange of punts and then after a 10-yard gain by Wheeler, Thompson fumbled, but Avery recovered the ball for Yale at Maine's 45-yard line. Tipping was again substituted for Sawyer.

Gains of four and five yards by Wheeler and 16 by Thompson took the leather to the 20-yard line. A 12-yard end run by Cornish carried it to Maine's eight-yard line.

Thompson and Wheeler were only able to gain six yards and Yale had to surrender the ball on downs.

Cobb's kick out was short and fell into the arms of Cornish at Maine's 25-yard line. Yale then tried a double pass from Wheeler to Cornell and lost the ball. Maine advanced it eight yards before the period closed.

In the last period Cobb punted to Cornish at Yale's 20-yard line and Guernsey kicked back to Cobb at Maine's 33-yard line. Cornish ran Cobb's next punt back 27 yards to Maine's 42-yard line.

Wheeler again fumbled, but Avery recovered the ball for Yale with a loss of seven yards. After Cornell had gained six yards and Maine had substituted Gorham for Purrington, Yale tried a forward pass, which Maine recovered at the latter's 35-yard line. Maine was penalized 15 yards for holding.

Ainsworth was substituted for Wheeler and Cobb punted to Cornish, who ran 19 yards to Yale's 44-yard line. Yale then advanced the ball to Maine's 30-yard line, where Guernsey made a poor try for a field goal. On the next play Cobb went through the Yale line for 21 yards just as time was called. Maine was defeated by Harvard 34 to 0 Saturday, Sept. 27 in the first out of the state game. The work of the Maine team was somewhat disappointing as its play was marred by frequent fumbles. But no one expected Maine to come back a victor and every student faithfully expected the team to come back strong in the later games. It was not to be hoped that they would defeat or even hold to a low score the fast, heavy crimson team which though not composed of all veteran men was made up of the stars of last year's freshman team, accustomed to the Harvard style of play. The remarkable interference and aggressiveness of the Harvard team swept the Maine team off their feet and before they could rally they were hopelessly outdistanced.

Martins work stood out prominently above all the others. Time and time again he made good gains and played a fighting, aggressive game. The Maine line played a steady game, the work of Baker and Gulliver standing out prominently.

The game started with Gulliver kicking to Harvard. Logan received the kick and with fine interference ran through the whole Maine team for a touchdown. Bettie took the second kick off on the 10 yard line bringing it in 15 yards. On the third play Harvard fumbled Ruffner falling on the ball. After two rushes netting 5 yards, Maine fumbled and it was Harvard's ball. On the next play Mohan took the ball and ran 67 yards for the second touchdown and goal. Harvard 14, Maine 0.

On the next kick off Maine was off side and Baker's recovery of Bettie's fumble did no good. Maine had to kick off from the 35 yard line and Brickley brought the ball back to Harvard's 39 yard line. Harvard was forced to kick and Fox fumbled and Harvard recovered on the 20 yard line. Three plays netted another touchdown and goal. No more scoring was done in the first quarter although Cobb nearly got a drop kick the ball hitting the middle of the goal post.

Maine made her only first down with the opening of the second quarter but was held on its own 38 yard line on the second attempt. After several short rushes Brickler went over for another touchdown and goal.

Harvard scored again in the first quarter of the second half Mohan making the touchdown.

From then on the game was mostly an exchange of punts and the ball was kept well in the middle of the field, the game ending with the ball on Maine's 30 yard line.

CROSS COUNTRY

Class Meet October 11

The track season opens this year with the class cross-country track meet on October 11th. It is rather difficult to predict the result of this meet so far in advance, but it seems as if it will prove to be a spirited contest. Out of these contestants must the varsity cross-country team be selected and from all appearances the selection will be difficult. The Freshmen specially seem to have a very good show. From among their number it seems as if a man could be picked who would help to fill "Dick" Powers place. Those out for the senior team are:—"Pep" Towner, James S. Brooks, and "Hoss" Hall. Everett Coffin, Mountfort E. Patten, Walker M. Philbrook, William W. Redman, and Philip H. Walters are trying for the junior team. The sophomores who are out are:—Roger W. Bell, Ralph E. Bartlett, Thomas E. Fairchild, Fredzick Robie, and Harold Ashton. The freshmen are represented by Dempsey, Milton S. Jardine, James W. Kierstead, and Frank R. Pretti. It is earnestly desired that more men come out and try for the teams.

NATURE OF CHAPEL EXERCISES
CHANGED

Subjects of General Interest to be Discussed

At a recent Chapel Doctor Aley announced the intention of the Faculty to omit the devotional exercises on Fridays and give a series of talks on subjects of general interest. The next four or five lectures will be given first by Doctor Aley and then the Deans of the various colleges. The general subject will be preparation for life work and requirements for success in various branches. It is expected that several noted speakers will lecture in chapel during this semester.

IMPROVEMENTS ON CAMPUS

Work Started on New Building

The addition of several cement walks on the campus this summer has improved the looks of the grounds and increased the comfort of the students. One of these extends from the Library to Coburn Hall, and from there until it joins to old walk in front of Alumni Hall. New steps of concrete have replaced the former wooden ones in front of the Library and add much to the beauty of that building. From Alumni Hall to Esterbrook a gravel walk has been built filling a long felt want.

Holmes Hall (The Experiment Station) has been changed both without and within giving more room and making the building look more impressive. The front door has been made larger and the brick entry extended upward for two stories giving room for another office.

The contracts of the new Physical-Chemistry Building and one wing of a Girl's Dormitory have finally been awarded and the sites picked by the trustees. The former will be to the north of Lord Hall occupying the site now covered by the "Art Guild." The latter is to be constructed to the south and in line with the Library to the west of the barns. Both sites are excellently chosen and the completed buildings will add much to the looks of the campus.

In order to accommodate the large number of students in Chapel, the platform has been reduced in size and the steps leading to it changed from the sides to the front. The room is crowded to its fullest capacity.

Excavation for the new girls' dormitory was started last week on the site just south of the library.

M. D. Jones '12, was at the Phi Eta Kappa house last week.

FOOTBALL SCHEDULE

The football schedule is now complete and comprises in all eight games, two of which have already been played. The schedule is especially interesting this year as Yale is played for the first time since football became established here at the University.

The effect upon the team of the two games with Harvard and Yale respectively cannot be prophesied, but undoubtedly the team will be somewhat battered. On the backfield depends everything, and this is manifestly weaker than last year.

The complete schedule follows:—

Sept. 20. Boston College at Orono.
Sept. 27. Harvard at Cambridge.
Oct. 4. Yale at New Haven.
Oct. 11. Rhode Island at Orono.
Oct. 18. Tufts at Medford.
Oct. 25. Bates at Orono.
Nov. 1. Colby at Orono.
Nov. 8. Bowdoin at Brunswick.

SOPHOMORES HOLD ELECTION

Good Men Chosen to Manage Class Teams

Saturday morning the sophomores held an election in Alumni Hall. Managers were chosen for the class football, baseball, and track teams. The following is the result of the election: Manager of football, J. L. Whittier of Biddeford; Manager of baseball, J. A. Burke of Portland; Manager of track, I. C. MacDonald of Portland.

RECEPTION TO CHEMICAL STUDENTS

Held Friday at Home of Dr. McKee

An informal reception to all students majoring in chemistry and chemical engineering was held recently at the home of Dr. McKee, head of the chemistry department. In the receiving line were Dr. and Mrs. McKee, Dr. and Mrs. Easley, Mr. and Mrs. Whittier, Mr. and Mrs. Ashley, Mr. and Mrs. Stevenson, Mr. and Mrs. Burghart and Mr. and Mrs. Durgin. About one hundred and twenty students were present. Light refreshments were served.

BASEBALL

Owing to the inability of the committee in charge to procure the necessary grounds, the proposed Inter-Fraternity baseball series has been called off. The annual series between the sophomores and freshmen will however, be played off as usual. The first game as stated elsewhere resulted in a victory for 1916. The remaining games of the series will be played on Alumni Field, Oct. 4 and Oct. 19, the dates on which the football team will play out of town games with Yale and Tufts respectively.

FRESHMEN ELECT MANAGERS

Men Nominated for Class Officers

At a meeting of the Freshman class, September 26, the following managers for the class teams were elected: F. A. Keating, Mgr. of baseball; R. A. Wade, Mgr. of track; W. A. Blair, Mgr. of football. The challenge of the sophomores for three games of baseball was accepted.

The nominations for class officers were read as follows: for president, Moulton, Sawyer, Skelton, and White; for vice-president, Preti, Rodick, McCusker and Haskell; for secretary, Miss Reed; for treasurer, Smith, Cobb, Crockett, Kellogg, Clark.

Donald Oak '11, was at the Alpha House recently.

ATHLETIC BOARD HOLDS MEETING

New Officers Chosen

At a meeting of the M. A. A. this last week in accordance with President Aley's idea of changing committees to some extent yearly the places of Prof. Bean and Prof. R. K. Jones were filled by Prof. Grover and Prof. A. J. Jones.

The board itself was also reorganized. H. B. Buck was elected chairman and J. A. Gannett was re-elected treasurer. L. C. Southard, '75, was elected Alumni representative to the Maine Intercollegiate A. A. which meets in Boston each year. P. W. Monohon, '14, was elected student representative and the election of a faculty representative will take place later in the year.

It was voted in the same meeting that there should be seventeen men, the manager, and two coaches taken on both the Harvard and Yale trips. Also that there should be six men and coach sent to Hanover to compete against Dartmouth in a cross country meet. The question of sending a team to the N. E. Intercollegiate Meet which is to be run over the course at Hanover will depend largely on the showing that Maine makes against Dartmouth. As yet no action has been taken.

COLLEGE DIRECTORY

Something Freshmen Should Know

The following is a partial list of the heads of the different college organizations. It is hoped that this may be of especial benefit to freshmen who intend to round out their college lives by competing for the athletic teams, or by participating in other college activities.

BLANKET TAX COMMITTEE—Chairman, P. W. Monohon, '14.

FIRST STUDENT CHAPEL

Three Important Subjects Discussed

The first student chapel was held Thursday morning, September 25, Paul Monohon '14, presided. He spoke briefly of the subjects to be discussed—athletics, the blanket tax, and the need organized cheering. O. W. Higgins '14, next led the students in the practice of several cheers. Following this Mr. Monohon gave a brief explanation of the purpose of the blanket tax. It was voted that seventy-five cents from the tax should be devoted to the CAMPUS, instead of fifty cents as in previous years. Wayland Towner, '14, gave an energetic appeal for more men to come out for athletics. New men in particular were urged to try out for the track teams. The program for the track team was announced and the exercises closed with the singing of the Stein Song. Following the suggestion of a Senior, all students remained standing in their places until the song was finished.

Thursday evening! Gymnasium! Seven o'clock! Which few words will usher in the first big time of the current college year. **Something** A big time with one idea. The **To** idea being to get the student body **Think About** together for the purpose of lending some little encouragement to the football team. There will be but two rallies this fall. On Thursday evening and one just before the Bates game. Here are two chances for the student body to practice what few cheers and songs we have. Two chances to hear what the Faculty, the members of the team, and the upperclassmen, have to say about Maine Spirit. The freshmen especially want to get that spirit. When you get to the gymnasium on these two evenings you have half of that Spirit. When you come away you will have it all!

It seems hardly necessary to point out the fact that the Athletic Association needs money to finance our athletic teams, that the **Blanket** Band needs money to go to Brunswick, **Tax** and that money is needed to run this paper. At the same time many of us seem to forget the fact and fail to do our part. The Blanket Tax Committee is in Director Wingard's office from 8.15 to 11.10 every morning. All taxes are due before the first of November. Do your part. Step in the office or see some member of the committee before that date and pay your tax.

SOPHOMORES WIN FIRST BALL GAME

Beat Freshmen 4-0 in Good Game

The first of baseball series of three games between the two lower classes was played Saturday, Sept. 27, with a score 4-0 in favor of the sophomore class.

Although the day was windy and cold the majority of the two lower classes joined by many of the upperclassmen turned out to watch the game.

It was close as well as very interesting for a class game.

The battery for the sophomores was Driscoll and Smith and for the freshmen White and Merrill.

Driscoll's pitching was the main feature of the game. He allowed only three scattered hits. White pitched good but did not seem as steady as the sophomore twirler.

Hackett and Laury showed themselves to be heavy hitters for the sophomores.

The game opened with the freshmen at the bat. Pratt the first man up was put out at first. Blair flied to Webber in right field and was followed by Pendleton who flied to Matthews in center.

Mangan led the sophomores at the bat but died at first. Bonney and Laury followed in order.

In the second inning Verril tried to make second on his hit but Mangan got him. Curran followed Verril but got no farther than first. Then Gray struck out.

Hackett hit to Pendleton in the last of the second inning and made first on Curran's fumble. Then Hackett stole second and third while Bartlett was at the bat, the latter then struck out. Smith was called out on a block ball and was followed by Mathews who died on first closing the inning with Haskell on third.

In the third inning Sherman struck out, Merrill made a single and stole second and then third before White struck out. Pratt flied to Bonney leaving Merrill on third.

Webber started off for the sophomores by striking out then Driscoll walked and Mangan flied to Pendleton. Driscoll stole one base but was left there when Bonney closed the inning by a put out at first.

Blair started up the fourth inning with a single. Pendleton and Verril followed being put out at first. Then Curran fanned out leaving Blair on second. Laury hit to Verril and was put out at first. Haskell hit to Gray in left field and made two bases and then stole third before Bartlett was put out at first. Then Smith hit to Verril in center field and got first while Hackett scores. Mathews flied to Pendleton leaving Smith on second.

In the fifth inning Gray struck out and Sherman hit to Bonney and got first on Hackett's fumble. Merrill made a sacrifice hit letting Sherman go second. White struck out.

In the latter part of the fifth inning Beckler goes in left field to replace Gray.

Webber strikes out followed by Driscoll who was put out at first. Mangan closed the inning by fanning out. In the sixth Pratt hit to Laury and died at first. Blair struck out and Pendleton bunted but did not reach first.

In the second half of this inning Bonney hit to White and was put out at first. Laury then hit a three bagger over center then Hackett hit over Verril and reached first while Laury scored. Bartlett flied to Blair while Hackett stole second. Then Smith sends a two bagger over center and Hackett scores. MacAllister substituted for Matthews and reached first. Then Webber struck out.

In the seventh inning Verril hit thru Laury and Bonney recovered it but Verril made first on Hackett's fumble. Curran hit to Driscoll and was out at first. Beckler followed in the same way and Sherman flied to Hackett. Driscoll fans out followed by Mangan who was put out at first and Bonney who fanned out.

Merrill flied to Driscoll in the eighth and White got a two bagger in right field, then Pratt struck out. Blair hit to Hackett and was out.

Laury flied to Pendleton and Hackett put a

three bagger over the bleachers and then scored on a wild throw over the plate. Then Bartlett sends a two bagger over left field's head and Smith fanned followed by MacAllister who also struck out leaving Bartlett on second.

In the ninth Pendleton hits to Laury and does not reach first, Verril makes one base on his hit and then stole second while Curran struck out followed by Beckler who did the same leaving Verril on second.

MAINE BOYS WINNERS

Capture Honors in Cattle Judging Contest at Brockton—J. R. Hudson Takes Scholarship

After an exhaustive study of the papers submitted in the students' judging contest at the Brockton Fair, the judges today announced that the team from the University of Maine had won the contest, while a Maine boy, J. R. Hudson, had won the individual prize.

Each of the three students on each team judged three cattle in each of the four classes for Holsteins, Jerseys, Guernseys and Ayrshires. The management of the fair gives a \$200 scholarship at Amherst Agricultural College to the winner of the individual judging.

The contest was under the direction of Prof. H. H. Wing of Cornell University. He was assisted by Prof. Herbert Reiner of the Rhode Island State College. A Rhode Island boy, G. F. Pyper, was second to Hudson in the individual competition, with 920 points. Hudson had 950. Harold Shaw of Maine was third, with 917.5 points.

In the team competition Maine was first, with 2657.5; New Hampshire, second, with 2605; Rhode Island, third, with 2590; Vermont, fourth, with 2495; Massachusetts, fifth, with 2387.5; and Connecticut, sixth, with 2287.5.

CROSS COUNTRY SCHEDULE

The following schedule has been arranged by Manager Freese of the varsity track team for the cross-country team this fall:

- Oct. 11. Class meet (all classes).
- Oct. 18. Pumpkin Meet.
- Oct. 25. Dartmouth, dual meet.
- Nov. 1 or 5. State meet at Waterville.
- Nov. 15. New England meet.

SENIOR NOMINATIONS

At a meeting of the Senior Nominating Committee held Tuesday, September 30, the following men were nominated:

For Class President: W. D. Towner, P. W. Thomas, and P. E. Philbrook.

For Vice President: W. R. Thompson, H. P. Adams, and P. W. Murray.

For Treasurer: C. H. Tipping, R. W. Peaslee.

For Secretary: Miss C. I. Wormwood, Miss M. S. Buzzell, and Miss M. L. Cousins.

For Executive Committee: four to be elected, H. V. Cobb, R. W. Andrews, R. F. Crocker, H. L. Dinsmore, C. L. Allen, A. W. Abbott, F. J. Lewis, and W. B. Pickard.

For Cheer Leader: O. B. Higgins, T. W. Haskell and H. A. King.

For Manager of Track: H. P. Adams, R. S. Ferguson, and H. W. Hall.

For Manager of Basketball: P. W. Thomas, W. M. Morse, and W. B. Pickard.

For Student Council, four to be elected: A. A. St. Onge, R. E. Stevens, M. L. Pendleton, P. W. Monohon, E. L. Getchell, G. E. Sinkinson.

STUDENT CHAPEL

The chapel last Tuesday was devoted to the students in order that a new motion concerning the student council should be brought before the students. It was moved, seconded and carried that hereafter there should be two representatives from the Sophomore class, four from the Junior class and six from the Senior class in the student council but that the number of faculty representatives should remain the same.

Russell Ferguson spoke for the CAMPUS urging the lower classmen to get out for the board and thanked the students for the raise in the appropriation from the blanket tax.

Earl Goodwin also spoke for the baseball team and outlined the schedule for the spring season stating that if possible the team would take two trips out of the state in order to get into shape earlier.

Maine cheers were practiced during the intervals and the exercise ended with the Stein Song.

THE NEW CUT SYSTEM

The cut system has been changed this year from what it was last year. Under Rule fourteen, each student is expected to be present at every college exercise for which he is registered. A student who is obliged to be absent from any exercise, must file in the office of the University, a "necessary absence" card signed by the Dean of his college. Freshmen must obtain the signature of the Dean of the University.

A student may be dropped from a course on account of any absence not covered by such a card. A student so dropped will be marked "F" in that course, except that a student who has been dropped from a course within one week of the close of recitations in that subject and whose rank is "C" or above, will be marked "E".

Tardiness may be counted as absence at the option of the instructor.

Under Rule twenty-four, all absences occurring within twenty-four hours of the close of college work before any vacation, recess or holiday, or within twenty-four hours after college work begins, shall count as double absences.

Rule twenty-eight refers to Chapel cuts. It reads as follows: A student absent sixteen times from chapel in one semester, shall be notified by the Registrar. If after such notice, he is absent twice, except for reasons that he shows to be imperative, he shall be placed under censure.

Chester Norton '15, has returned to college.

DEAN STEPHENS ISSUES THE FOLLOWING STATEMENT

In order to raise the standard of work in the College of Arts and Sciences, it has been voted to require each student who enters that college to maintain a grade of C or better in 95 out of the required 125 hours. This rule takes effect at the beginning of the present year and applies to the upper classmen so far as their future work is concerned. Sophomores will, therefore, be required to maintain a grade of C in 71 of their required hours; juniors in 48 of their required hours and seniors in 24 of their required hours.

SOPHOMORES ELECT BASEBALL CAPTAIN

Following the Freshman-Sophomore baseball game Saturday, Otis C. Lawry, the poplar little varsity second baseman, was chosen to lead the 1916 nine in future battles. The selection of Lawry for captaincy is certainly popular and there is little question regarding the "Rabbit's" ability.

FIRST SMOKER

On Friday evening, the Freshmen of the Sigma Nu House were hosts at the first smoker of the season. About thirty men were present, two being invited from every house. Music and cards were followed by refreshments. Over their pipes, all got acquainted and the party broke up amid cheers for the hospitality of Sigma Nu.

THE FIRST LECTURE ON LIFE WORK

Given by Dr. Aley in Chapel Friday

At Chapel, Friday morning, President Aley began the series of lectures on the choice of a life-work. This lecture will be followed by more detailed talks from the Deans of the several colleges.

"It is a common criticism" said Doctor Aley "that a college training unfits one for business. Successful business men arragn severely the training that college gives, and often leave substantial bequests to the very institution criticised. In the long run, however, the man with a college training surpasses the man without. There are of course, exceptional cases; but it has never been successfully demonstrated that the worthless college graduate would have been a valuable citizen had he lacked his college training.

"On the other hand, there is sufficient evidence to convince one that college men and women are better fitted to carry out a definite purpose in life. It is well for the student to determine early what his life work is to be. For one man, this may be simple, for another difficult. One man may need to experiment first, but he must do his own experimenting and refuse to be sidetracked from his purpose, even though the goal demands some sacrifice. There are men today who are acting as insurance agens, collectors of petty accounts, etc., when they should have made good lawyers. These men, for the sake of some temporary release from discomfort, lost sight of their goal.

"There is an old church theory that to become a good preacher, a man must have a 'call.' To do anything well, a man must have a 'call.' dependent upon some innate fitness. No one but the man himself can determine the nature of this call. This is as true of the engineer and the student of agriculture as it is of the preacher or the poet. The important thing is to choose one's goal early and to choose it honestly. Once having chosen it let the college student keep it close and direct his efforts untiringly and unsewervingly in that direction."
