# CCAUE

Dear Colleagues,

I am pleased to announce the launch of the University of Maine System (UMS) Combined Charitable Appeal for UMS Employees (CCAUE). As we continue to navigate increasing demands on our wallets, your support remains crucial to many Mainers in need. With winter approaching and heating costs rising, our community depends on programs like this to bridge critical gaps.

The CCAUE's long-standing partnership with the United Way gives our employees access to over 450 statewide, regional, national, and international agencies and service organizations enabling us to assist those who benefit most from our collective compassion and generosity. With such a wide selection of local and global charities, finding a cause that resonates with you is easy. If your preferred charity is not on the list, you can add it, and your donation will be directed accordingly.

To see the full list of participating charities and learn more about the impact of your donation, [visit the contribution web page](#) and click on Donate Now.

I am immensely proud of UMS's dedication to these causes. Over more than two decades of participation, our combined contributions to the CCAUE have exceeded \$2 million. The UMS CCAUE launches on November 1 and runs through the end of the month. Thank you for your thoughtful consideration and continued support.

Sincerely,

Dannel P. Malloy, Chancellor  
University of Maine System
