UMS Human Resources

Open Enrollment is Coming November 1 - 25!

What is Open Enrollment?

Open Enrollment is the time of year for benefits-eligible University of Maine System (UMS) employees to review, add, change, or waive their benefits plans to make the best choices for their families. This is the only time each year that changes can be made, barring the occurrence of a significant life event.

What do I need to do now?

Be on the lookout for complete Open Enrollment information on November 1st.

A digital booklet will be emailed to every benefits-eligible employee. The booklet contains information and direct links to the resources you need, streamlining the enrollment process.

You cannot make your changes until November 1st, but starting now, you can:

- **Review your current benefits** by going to MaineStreet Employee Self-Service in your [myCampus portal](#) and selecting the Benefits tile. [The video](#) at right provides step-by-step instructions. If prompted, you can log in using your UMS email address and password.

Important note: If you wish to continue in a Flexible Spending Account (FSA) for 2025, **re-enrollment is required—Every Year!**

- **Read about additional Open Enrollment Details** in this [informational article](#).

Open Enrollment Detail Article

If you are pleased with your current plan choices *and you do not have an FSA*, you do not need to do anything. Your current plans will remain in place and will include the 2025 updates relevant to all plans.

Thank you!

Your University of Maine System Benefits Team
