HISTORY OF THE MAINE MARINE COLLEGE

For the season of 1899, the Dramatic Club decided to stage two plays, "The Lithuanian Girl," a comic opera, with which 50 of the students engaged; and "A Pair of Spectacles" to be given in February with a large and lively cast.

The season opened with "A Pair of Spectacles" at the Deering High School in April. The production was well received and the play was produced again at the end of the season.

In October, the Dramatic Club presented "You and Me" at the Deering High School. The performance was well attended and the students received praise for their acting.

The following year, the club continued to produce plays, including "The Man in the Moon" and "The Producers," both of which were well received by the audience.

Over the years, the Dramatic Club continued to produce a variety of plays, including "A Midsummer Night's Dream," "Hamlet," and "Macbeth," with the students receiving praise for their performances.

In the early 1900s, the club began to produce more contemporary plays, including "The Three-Cornered Hat," "The Man Who Came to Dinner," and "The Glass Menagerie," which were well received by the students and the community.

Over the years, the Dramatic Club has continued to produce a wide range of plays, including modern classics and contemporary works, with the students receiving praise for their performances and the productions being well attended by the audience.
EDITORIALS

In a few days you will be going to your homes. Another year will be covered by Maine men when vacation arrives. New tennis courts, new oil and familiar subject. You have a golden opportunity open to all of you to do work for your Alma Mater at this time. The thing is to do it.

Sidewalks of the campus are going to be in the best condition. Again as to conditions of sidewalks on the campus in your junior year, our notice, day one, summer, Maine, our Maine, don't say it on your door. In the next year it will be necessary to use more sidewalk resources, but in the meantime we want this to go to the right college. You can help in showing the way.

Last Saturday the faculty and students gathered at the Maine State Normal School to hear a commencement address by R. E. Martin, president of the Normal. Those who have heard the commencement addresses have been surprised that there is a man who could make the school a success. mud and water to the school with the success. For he is in society, and the students who will come after us, to be in the best condition. Now it is time for us to show them what we have learned. Let us make the most of it.

The local Peace Council took place last week. Here are a number of people who are interested in the peace and welfare of the world. The contest was won by E. B. F. Main and R. H. Brown. The final event was the essay contest, which was won by G. H. Garrett 8th, R. E. Gellin 8th, and C. Brown 8th. The two best men will compete at Wayne College.

The upcoming sports meeting will be held April 14. From these meetings, the majority of our athletes will be chosen to compete in the upcoming games.

The question for the junior-senior debate will be: "Is the relative value of the speeches and the work of the students in speaking events of any kind. There were three contestants who spoke and spoke with great eloquence. The two best men will compete at Wayne College and Brown. The final event was the essay contest, which was won by G. H. Garrett 8th, R. E. Gellin 8th, and C. Brown 8th. The two best men will compete at Wayne College.

Manufacturers of

Gold Medal Uniforms

Our Collegiate and Military Uniforms are unsurpassed by any other firm in the State or in New England in materials and general appearance. Our product is one of the finest and most enduring. The uniforms worn at the University of Maine are without doubt the finest in the country. The appeal for more public interest in public affairs is very timely and consistent. New Interest in Public Affairs

Our institution is pleased to occupy a far more important and prominent position in the future.

The question for the junior-senior debate will be: "Is the relative value of the speeches and the work of the students in speaking events of any kind. There were three contestants who spoke and spoke with great eloquence. The two best men will compete at Wayne College.

CIVIL ENGINEERING CLUB MEETING

Discussion on Having "Good Roads Day" at Maine.

The Civil Engineering Club held its annual meeting of the year on Tuesday evening, March 15, in the class room of the Engineering Department.

The regular business of the meeting was transacted without any interesting discussion.

The meeting was adjourned.
