MAINE WINS THE STATE MEET BY 17 POINTS

Coach Smith's Pupils Surprise the Dopesters

Three Records Broken---All by Maine Men

Rice Takes 220 in 22 Flat --- Preti Takes Two Seconds From Power's Record in the Two Mile---Bailey Throws the Hammer 161 Feet and 7-8 Inches

Maine was an easy victor in the 20th annual Maine Intercollegiate Meet. The Maine team was well balanced, scoring in all but two events, and seeming to excel in training and ability. The seventeen point lead drove away every memory of the fear that was felt here when so much optimistic "dope" came from Colby and Coach Smith gave out the statement that it was doubtful if Maine could win.

The grand total of 54 points was somewhat more than the most non-conservative dopester expected but it was made possible by the splendid way that every man gave his best for Maine. The taking of all nine points in the broad jump by Maine was one of the surprises of the meet while Palmers' performance in tying for first in the high jump was some two inches better than he has ever done before.

Three records were broken and all three were made by Maine men. Charlie Rice, the redheaded whirlwind tore down the 220 straight-away in the morning trials in 21 4-5 seconds, taking two-fifths of a second from the old record that was held before by Nevers of Bates, Nardini of Colby and Bates of Bowdoin. There was a light wind in his back, blowing in light puffs now and then but he seemed to slow

both St. Onge and McCobb qualified, both taking third without having to bother to fight for anything better.

COACH SMITH'S TRIBUTE TO TOWNER AND THE TEAM

The best part of Saturday's Meet in my opinion was embodied in the real fighting spirit that was displayed throughout the entire day by every individual on the team. I am very much pleased with the result and cannot give too much credit to the boys for it is to them that all of the credit belongs and not to me.

"Pep" Towner has made an ideal captain. He began his athletic career here as a rank novice and has developed into a really classy runner particularly insofar as State Meets are concerned. Too much cannot be said in praise of his methods and the way that he led his team throughout the season.

CAPT. TOWNER
Who Won His Last Mile in a State Meet in a Splendid Manner

up quite a little at the finish. In the afternoon he was the winner in 22 sec. and the wind had shifted so as to blow across the track and that time must stand for a record at any rate.

Perry Bailey broke his own record in the hammer in the morning with a throw of 167 feet, 7-8 inches. He got off one throw of about 169 feet but one heel just touched the ring and it was foul.

Frank Preti easily bettered Powers' record in the two mile by 1-5 seconds. He did this easily practically sprinting the last lap and finishing fresh.

Close decisions were in several cases against Maine. Bailey lost first place in the discus throw by less than an inch, while Ruffner lost second in the shot by only two-tenths of an inch. In the 120 yard hurdles French was only a foot at least behind Royals of Colby who won it.

French was the individual point winner, taking in all 11 points, first in the broad jump and two seconds in the hurdles. His work is all the more remarkable when it is considered that he was sick this last week, suffering with two large boils on his neck. Royal of Colby was the second highest point winner with two firsts in the hurdles. Bailey was third with a second and a first.

THE MORNING TRIALS
As soon as it was known that Maine had qualified all but two of her men in the trials it was realized that the meet must be hers. The trials were run, of somewhat slower than the afternoon events which were run off remarkably well. In the quarter mile trials, the first event,

THE AFTERNOON

The 100 yard trials started some few minutes before 2 P. M. Nevers won the first heat. Lord of Colby coming in second, Rice and Small of Bates were about even at the 50 yard mark but from then on Rice pulled away as though Small was tied. Both heats were in 10 1-5 seconds.

TOWNER WINS MILE

The mile run was one of the prettiest races of the days. Though Towner won it easily he ran so well that it was a treat to watch him. He ran some three seconds better than he ever has before in a state meet. He was contented to let some one else set the pace for the first two and one-half laps but from then on started and with his long easy strides, began to pull away and was some twenty yards from Golden at the finish.

In the quarter McCobb who had the pole, was drawn off from the mark and was set back three yards. There was a

BELL
Winner of Half

PRETI

big fight for the first corner and McCobb was next to the last man with St. Onge in the bunch. On the third quarter there was another mix-up and St. Onge, who was going good was jostled out of the running. On the home stretch McCobb was fourth with MacWilliams running third. McCobb tried to pass him and when the finish line was reached so little distance separated them that the spectators could not tell who had placed.

RICE BEATS NEVERS EASILY

In the hundred Rice began at the 50 yard mark to leave Nevers and at the finish was a yard or so ahead, winning in 10 seconds flat. Small of Bates was third.

The 120 yard hurdles was one of the prettiest races of the day. Up until the next to the last hurdle French and Royal were stride and stride and Royal was only able to nose out a winner by inches. Morse was third.

McLAUCHLAN LOSES 3RD PLACE IN HALF
Bell and McLauchlan, were content to let the others take the lead and at the end of the first lap were running shoulder to shoulder a stride behind the leader. On the back stretch Bell went into the lead and from then on was an easy winner. McLauchlan gave every ounce that he had and fell at the finish winning third place, Reynolds of Colby being second,

TEN MEN ENTERED FOR NEW ENGLAND

Coach Smith Thinks Maine Should Take Third Place

The ten men below have been entered in the New England Meet and at least eight of them will leave here on Thursday for Boston.

Coach Smith is quite confident that Maine will win third place at least. The best that she has ever done before is fourth but this year the other colleges will cut into Dartmouth points and either Mass. Tech. or Maine should be second.

The field is so large and so good that few of the races can be doped but Maine should clean up at least 20 points. Rice in the sprints can be expected to take eight points at least and with Bailey's sure five it is up to the others to come through with enough to make it interesting for somebody.

As the trials will come on Friday it will make it all the better for French and as he should be well over the effects of his boils by that time he should better his performances of last Saturday somewhat.

The team will stop at one of the Boston hotels and although reservations have been made at the Copley Square they may go elsewhere.

but was afterwards disqualified because it was claimed that he had fouled on the third corner.

Then came the 220 yard dash and everyone was expecting a grand race but Rice left Nevers before they had hardly left the straightaway, winning in 22 seconds and clinching a record.

Upon the 2 mile was centered the most interest of the day. Wenz of Colby touted as a wonder was picked earlier in the spring to beat Preti. The first four laps were interesting as Golden and Wenz tried to worry Preti, first one and then the other taking the lead and running at his side and behind him. But Preti went thru it all smiling, now and then lengthening his stride and taking the lead so as not to have the time too slow. At the end of the sixth lap he started out and had a comfortable lead when the gun sounded for the last lap. With the gun he was off like a shot and sprinted like a deer, opening up stronger than ever on the home stretch, clipping 2 seconds from Powers' records of last year.

With all the field events run off but the high jump and pole vault, and with a comfortable lead piled up the Maine supporter settled back to let things go as they would. Meanwhile Wood of Colby and Palmer had tied for first in the high jump. Wood wanted to toss a coil for the medal but Palmer said, "No. I am not lucky enough for that, we'll jump it off." After Wood had made three failures Palmer cleared the bar on his last try. The height was measured and was 5 feet 8 1/2 inches which would have been a new record, but it was not allowed as he had not won before he took his extra three jumps.

All the events but the pole vault were over shortly after 3 o'clock but this event, as usual, kept the meet in action until 4 o'clock and after. McKenney finally won for Bowdoin at 10 feet 10 inches, with Mayers of Colby and Samson of Bowdoin tied for second place at 10 feet, 9 inches.

Maine, in all, won seven first places, five second places, and four third places. Colby won three firsts, five thirds, five seconds and divided a second place. Bowdoin won two firsts, three thirds and two seconds, split a second and split a third. Bates won one first two seconds, and two thirds and split a third place.

The following handled the meet:

UNIVERSITY SHOCKED BY SAD ACCIDENT

Clifford P. Sherman Drowned in the Stillwater

Clifford Parker Sherman, Jr., of the class of 1916 was drowned in the Stillwater River at about 11.30 Sunday morning, May 17th. Sherman in company with Omar K. Edes, a classmate, had paddled in a canoe to a point just below the rapids at Stillwater. At that point they turned and started to drift downstream with the current which is very swift there. The canoe had scarcely gone fifty feet when it capsized. Both Edes and Sherman were good swimmers and they easily caught hold of the canoe. Sherman started almost at once to swim across the current to the shore 35 feet away while Edes swam ashore downstream further. He ran back along the bank to throw Sherman a board and just as he got abreast of him, Sherman seemed to be taken with a cramp and went down.

Sherman was born in New Bedford, Mass., June 24, 1894, and entered the College of Agriculture at the University of Maine from New Bedford High School in the fall of 1912. Within the past two months Sherman had been appointed manager of the poultry farm. During the two short years that Sherman has been at the University, he has shown exceptional ability as a student and worker, and his recent appointment was evidence of his success. He was well known at college as a quiet and cheerful fellow of excellent qualities, and was very popular among his friends and classmates. He was a member of Phi Gamma Delta Fraternity.

It is generally easy to sufficiently praise men for things that they have done. In fact praise is in most cases

The State Meet too freely given. However, in the case of our track team which won the championship of the State at Lewiston last Saturday there is little danger of misdirected approval.

Every member of the team gave his all every second and fraction of a second that he was in competition. The team certainly had the fighting spirit and lots of it. It was this "pep" plus good coaching, and months of hard and consistent training that enabled our team to make its splendid showing.

Coming in for a major portion of credit is Coach Smith. The thoroughness with which he has done his work is best personified by the track team which he turned out. This track team speaks for itself.

Individual comment is out of place here for to mention one to the exception of another would be unfair as every man did the very best of work. It is appropriate however, that we bring before the eyes of the college the enormity of the debt which they owe to those seniors on the team who have fought for the light blue and white for the last time in a State Meet.

Captain Towner, Thomas, Skolfield, St. Onge, Morse and MacLauchlan are all veterans whose loss will be keenly felt and whose places will be hard to fill.

We have been requested by a member of the faculty to suggest that the neatness of our campus would be greatly

Posters improved if people were not allowed to tack dance posters, handbills and other similar notices to the telephone poles. Bulletin boards such as the one at the waiting room will answer the purpose as well and at the same time not be an eye-sore.

All hope of Maine winning the championship in baseball this year is past. However it is to be hoped **Baseball** that Maine men are not the type of sportsmen who only stand behind their teams when they are winning.

We have a good ball team this year and although it is poor policy to plead "hard luck" a glance over the score book will show that we have been, to say the least, unfortunate.

We have three more home ball games. Two of them are in the State series. Let us keep up the spirit we found at the track meet and back our team to the finish so that we may at least make a satisfactory showing for the season.

ELECTION OF OFFICERS OF THE ROUND TABLE AND FINAL MEETING OF THE YEAR

The Round Table held the last meeting of the year Tuesday and elected the following officers for the coming year: First Vice President, Mrs. Leon H. Merrill; Second Vice President, Mrs. Charles B. Brown; Secretary, Mrs. Corbett, Treasurer, Mrs. Frank Surface. Executive Committee—Mrs. Minton A. Chrysler, Mrs. James Gannett, Miss Mildred Prentiss.

Nominating committee—Mrs. James S. Stevens, Mrs. Raymond Pearl, Miss Alice Boring.

The committee not being able to secure a president Mrs. Ella J. Mason consented to hold her position as President until October and give the committee further time. It was decided to give a Lawn Party in honor of the new organization "The Women's Club of the University" of Maine, Saturday afternoon, June 6th, on the Library Lawn, if pleasant if not in the Library Club rooms. A most interesting program is being arranged. Committees have been appointed to attend to all the details of decorations, entertainments, refreshments, invitations, etc. So much enthusiasm is being shown in every committee that it bids fair to eclipse any former event of this kind. Mrs. Mrs. Roland Gray is chairman with nearly the whole membership as assistants. It was also decided to present the new dormitory "Balentyn e Hall" with a piece of statuary after it is opened in the fall; the money for this object being already raised.

The purpose of the Round Table is to promote acquaintance and good fellowship among members of the University and provide such occasional entertainments as shall be deemed best for this purpose. Changes this year in the by-laws makes it possible to have fewer but better entertainments during the year. In October the annual Reception to the Faculty and students was held in the Library and especial effort was made to make all the newcomers acquainted and at home. In December a dancing party was given in the Gymnasium in honor of the student body, which was attended by a large number. In January, "Peahoesquit the Indian Maid," came under the auspices of the club and proved a great artistic success. In June, the lawn party given in honor of the young ladies will, it is hoped be a fitting ending of this most successful year. The organization of a girls club was presented by Mrs. Mason in her address at the opening of the club year and has been an inspiration for work throughout the year. Its achievement will it is hoped be of great helpfulness to the co-educational interests of the University bringing the young ladies into closer touch with each other and other ladies connected with the University for mutual community interest.

Mrs. Mason thanked her official staff for their faithfulness in attendance and performance of duties and the members for their loyal cooperation in her every effort to make it what it been a great success. There has been the largest average attendance and a cordial good fellowship and unanimity of purpose among the members. A vote of appreciation was extended by the club to Mrs. Mason and thanks to Mrs. Estabrooke for her hospitality during the year. A very merry company enjoyed the conversational hour. Mrs. Harrington, Mrs. Moulton, Mrs. Parcher, Mrs. Estabrooke, Mrs. Hamlin, Mrs. Tower and Mrs. Courier acted as hostesses. Ice cream, angel cake, and coffee were served, Mrs. Moulton and Mrs. Tower at the tables, the others passing the refreshments. The club then adjourned sine die.

AGGIE NOTES

R. W. Redman, Assistant Director of the Agricultural Extension Service, spoke at the annual Farmers' Meeting held by the Patten Hardware Co. of Patten. His subject was "The Growth of the Co-operative Cattle Breeders Associations."

The Extension Department has recently published two circulars, one on Boys Potato Clubs and the other on Girls' Canning Clubs.

On the 30th of last month a conference of the State Y. M. C. A. workers and the Extension Department of the University was held at the Penobscot Exchange in Bangor to discuss places for possible co-operation in Boys and Girls Agricultural Club work. There were present from the Y. M. C. A. J. C. Smith, State Secretary; A. A. Heald, chairman Laymen's Committee; Davies of Hancock County; O'Shaughnessy of Piscataquis County; and Thompson of Aroostook County. From the University Dean Merrill, R. W. Redman, F. H. Bickford and G. N. Worden. It appears that there are a good many places where the two organizations can cooperate for the advancement of Maine boys and girls.

BISHOP WALSH

Addresses Students at Chapel Thursday Morning

At Chapel Thursday morning Doctor Alely introduced Bishop Walsh of the diocese of Portland who addressed the students.

Bishop Walsh opened his address with the wish that he might bring to the students some message, some ideal, some vision that the world could not obscure. That message, that ideal, that vision might be summed up in the one word worship. It is illustrated in the hymn of the noblest woman who ever lived—the Mother of Our Lord.

"My soul doth magnify the Lord." A lack of worship is everywhere apparent, its visible causes are a false idea of Christianity, the secular method of education, the renaissance of ancient classical paganism.

The chief means of counteracting this evil are firstly a revival of true worship through the reverential reading of the Bible, and through a contemplation of man's expressions of worship.

The address closed with an earnest wish and prayer for the success and honor of each student, success in which the worship of God might stand first, last and always.

PHI MU ENTERTAINS

Mt. Vernon House Prettily Decorated

Friday evening, May 15, Phi chapter of Phi Mu held its annual summer dance at the Mt. Vernon House. The whole house was a bower of cherry blossoms, and decorated with brightly colored butterflies and Japanese parasols. All the rooms and veranda were lighted with Japanese lanterns. The veranda was attractively arranged with cozy corners, Maine and Phi Mu banners. Richmond's Orchestra of Bangor furnished the music for the evening.

Among those present were: Harold Vannah, Bowdoin '12, George Bernheisel '15, Carl Estabrooke '09, Basil Barrett '16, D. V. Atwater '16, Richard McKown '17, Harold Howe Amherst '09, Fred Lewis '14, Percy Jackman '13, Willis Petti '15, George York '12, Clyde Benson '17, Carol Jones '15, H. A. Brown '17, Ferd Phelps '16, Oliver Goldsmith '15, Jerome Stahl '17, Wm. Walk '15, John Pomeroy '17, Dick Dolan '15, F. B. Blanchard '16, Carleton Eaton, Bowdoin '10, Geo. Tupper, Yale '15.

Mrs. Huddleston and Mrs. Estabrooke were patronesses for the evening.

The guests of the chapter were: Rosalind Jewett, Colby '12, Marie Frawley and Miss Mulvaney of Bangor, Olive Betell, Blue Hill, Maine.

FACULTY NOTES

Dean J. S. Stevens of the College of Arts and Sciences is to attend a meeting at Amherst of the deans of the leading New England Colleges, representatives of Harvard, Yale, Williams, Amherst, Tufts, Bowdoin and Maine and of other institutions are to be present. The meeting is for the discussion of matters of general interest connected with college administration.

Dean Merrill has been doing extension work at Mexico and Waterville.

Dr. Alely returned to the campus May 14 from a conference on Universities and Public Service in New York, May 12.

Prof. R. K. Jones is visiting schools in York county.

On May 7 Dean Merrill was at Abbott where he addressed the Pomona Grange on Rural Credit.

Friday, May 15, Dr. Alely addressed the Androscoggin Valley alumni association.

About eighteen High School girls from Old Town are receiving practical instruction in Home economics every Friday afternoon at the University. Practical instruction in cooking together with a certain amount of theory are given them by second year students in the regular course in Home economics.

Friday, May 15, the Y. W. C. A. sent Marian Plummer '16, and Rachel Winship '15, as delegates to the Silver Bay Banquet held Friday evening at Lewiston.

Dean Merrill recently addressed the Westport Grange on "The Business of Farming."

Mrs. E. R. Wingard has returned to her home in Scitagsville, Pa., for the summer holidays.

The question of raising the athletic association dues at Penn and thus giving members a free ticket to all home games would make it possible for a Penn student to see a football game for 13 cents.

MAINE LOSES THIRD GAME TO BATES

Maine lost the third game of the state series to Bates on Wednesday. The last of the game can best be attributed to Butler the Bates centerfielder, who unnerved both Fox and Driscoll by two three-baggers and a double. The Maine team played good individual ball and out hit Bates but as luck would have it took advantage of every opportunity to lose the game and none of those to win it.

Coach Phelan fought a losing fight in starting rallies, having one fine one well under way by sending Mangan into bat for Fox only to have it lost by poor base work on the bases.

The idea of greater value-giving has become so intimately associated with this store that the name "Finnegan & Monaghan" is now synonymous in the minds of most men with better values in better clothes.

It explains why, season after season, the same men come here for their clothes, clothes service and clothes satisfaction—why these men bring others with them—and why every patron is a steady, ever-busy advertisement for us and for our values.

Here among the new season's clothes are styles and fabrics for every man's fancy, ideas that mirror yours, woollens in every desired weave, in every pleasing pattern and shade. Here are garments to fit the hard-to-fit as well as the perfectly proportioned—all priced in proof of greater value.

in Praising Tuxedo Tobacco

OUR world-famous athletes—who triumphed for America at the Olympic Games in Stockholm—are among the thousands who declare that Tuxedo is not only extremely enjoyable, but beneficial.

Famous Americans in every walk of life—doctors, lawyers, actors, singers, public speakers, statesmen, business leaders—smoke and endorse

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

Tuxedo grew rapidly in public favor, and without advertising reached the stupendous total of fifty or sixty million packages a year. Not until the past few months could Tuxedo keep up with the demand. Now increased facilities permit every man to smoke this best of tobaccos.

Tuxedo is fine, ripened Burley tobacco of the highest grade—aged until thoroughly mild and mellow. Then treated by the famous "Tuxedo Process," that removes the last trace of "bite" and develops all the delicious Burley fragrance and flavor.

STUDENT CHAPEL WEDNES- DAY MORNING

Student chapel was held Wednesday
morning with P. M. Monohon, '14, as
chairman. The first speaker was Martin
'15, the new elected president of the
Athletic Association. His speech was an
informal plea for an exhibition of real
effective Maine spirit. Captain Gilman
of the varsity baseball team was called
on. He outlined the baseball situation in
a few words. The two senior members
of the team who have played four years
were then introduced. A. A. Abbott
gave as his opinion that the team in
previous defeats had suffered from "hard
luck" but "Ty" Cobb was strongly of the
opinion that it was "rotten playing." Monohon
gave a brief and urgent plea for the
payment of the blanket tax. Phil
Sheridan led the students in cheers for
the various players and with the Stein
Song the exercises closed.

W. H. MARTIN ELECTED PRESIDENT OF THE ATHLETIC ASSOCIATION

The annual spring elections of the
Athletic Association were held in the
gymnasium last Tuesday afternoon. The
following officers were elected:

President—W. H. Martin, '15.
Vice President—M. L. Gilman, '15.
Secretary—F. H. Curtis, '16.
Senior Member—R. H. Fogler, G. H.
Bernheisel.
Junior Member—M. C. Driscoll.
Manager Baseball—J. A. Burke '16.
Manager Track—L. E. Philbrook, '16.

Fifteen teams are entered in the Frater-
nity Baseball league at Penn.

DEUTSCHER VEREIN

Last Tuesday night the "Deutscher
Verein" initiation was held in the Chapel
and the two plays "Einer Muss Heiraten"
and "Eigensinn" were presented in the
gymnasium. The initiation lasted from
7 to 8 o'clock. The plays began soon after
the initiation. "Ted" Haskell '14, and
Prof. G. W. Thompson deserve much
praise for coaching, staging, and general
aid in producing the plays. Both plays
were one act comedies and were delivered
in a manner that is very complimentary
to the German department.

Miss Doris Currier rendered the pro-
logue from "Goethes' Faust."

The cast of the plays was as follows:

EIGENSINN

Heinrich..... C. H. Goldsmith
Lisbeth..... Rosemary Brennan
Emma..... Estelle Beaupre
Alfred..... H. W. Coffin
Katrina..... Mollie Hutchins
Austorf..... S. C. Clement

Always Reliable

The element of reliability enters into the making of a cleaning material equally
as much as into the manufacture of any other article that must be of a dependable
quality.

The high standard of purity and cleaning excellence for which

is so well known and which is so carefully maintained increases to the maximum
the reliability which the butter or cheese maker can give to his dairy cleaning
material.

Since there are no greases, caustic properties or other harmful ingredients in
Wyandotte Dairyman's Bleander and Cleanser to bring about a loss of quality in
the finished product, and since it has only the purest of cleaning ingredients that
work in perfect harmony with milk, butter or cheese, the reliability of Wyandotte
Dairyman's Cleaner and Cleanser is easily established as every pound is equal in
all respects to every other pound.

Its original low cost together with its thoroughly reliable qualities make
Wyandotte Dairyman's Cleaner and Cleanser the most ideal and serviceable clean-
er for any dairy or factory.

The Brand at the "Round Up" is "Bull"

The cowboys of the West long ago discovered in
"Bull" Durham tobacco "the Makings" of the most sat-
isfying cigarettes in the world—the kind they rolled for
themselves with their own hands, to suit their own
taste, from this ripe, mellow tobacco.

That homely Western term, "the Makings" has
become the most famous smoke-phrase in the world.
Today millions of men of all classes and occupations—
but of the same clean-cut, manly type—find the same
supreme satisfaction in the fresh, hand-made cigarettes
they roll from
