MAINE WINS SECOND IN NEW ENGLAND MEET

The Fine Performance of Rice and Bailey the Features of the Meet

RICE EQUALS TWO AND BAILEY BREAKS ONE RECORD

Although Dartmouth won the New England Meet it was up to Maine to furnish interest with her star men and with the close race that she had with M. I. T. for second place.

Dartmouth won because she had a balanced team that was able to score in 12 of the events. Maine, as Coach Smith says in his article surprised everybody and made the name of the University of Maine felt in the local athletic world.

COACH SMITH ON THE MEET

The boys in the N. E. Meet all came through fine and easily exceeded my expectations. Palmer in the high jump upset the dope can by sneaking away with first honors and is worthy of a great deal of credit. Last year at this time he could not jump over a porcupine.

Rice did great work and brought the old "M" into a position of prominence that has never before been accomplished by any ten athletes from Maine. Saturday in a gale of wind he equalled both the New England Intercollegiate record in the 100 and 220 and it was the opinion of Arthur Duffey and other experts that he was running much faster than ever before.

Bailey's work speaks for itself. His New England record is of high class calibre and should stand until next spring at which time it should surely be broken by Bailey.

Preti in the 2 mile was up against a hard proposition but ran in splendid style. His time was 9:41 4-5 which is some maneuvering for a boy who previous to coming to Maine was only capable of 10:10 for the two mile run. He should continue to improve and bring many points to Maine in the future.

Bell beat 1.59 in the half mile in a wind storm and finished three yards behind Granger the winner. His race was excellent in every particular.

French lost out for second place in the broad jump by a single inch. His work in the hurdles and broad jump was very satisfactory. He should do better next year and if he can ever learn the art of thinking he will some day be a good athlete.

Towner was not up to his best form in the mile and the wind bothered him very much. He ran a hard race in the State Meet and had not fully recovered from the effects of this race when he faced the starter Saturday. He ran as best he could under the circumstances and was trying hard all the way. He has made an excellent leader and we all hate to see him go.

Gulliver did well in the hammer and should be up with the leaders next year. Phil Sheridan was on the job with a good sized delegation of rooters and his "pep" as usual helped a great deal. I look upon him as a valuable asset to our athletic teams.

The Sporting Editor of the Boston Post told me after the meet that Maine through her New England Champion Cross Country team and her Track Team that performed at the Stadium Saturday had done much during the past year towards boosting our athletic standing and I am particularly pleased with our showing Saturday because it will help us a great deal in our fight for a position on the athletic map.

The work of the men as individuals is best set out by Coach Smith's article and nothing need be said about it.

The work of Palmer can be elaborated upon however. Throughout the year in practice he has never been able to go above five feet six but in the State Meet surprised himself by going over 5 ft. eight. This no doubt gave him some of the fighting quality in competition that he seems to have.

The work of Rice and Bailey though not a surprise to any Maine man, is a fact over

which all of them take a great deal of pride. Bailey's mark was far beyond that of any easterner this year and Rice's work Saturday was indeed a record breaking performance although his name will not go down on the scroll.

"Heck" Peaslee '15, "Speed" St. Onge '14, and Brooks Brown '16, spent the week-end at their homes.

Miss Carrie Carter and her brother, G. N. Carter, of Washburn were recent visitors at the Delta Tau Delta House.

C. B. Webster '14, has gone to his home in Orleans, Vermont, where he will go into business with his father.

Among those who were at the Delta Tau Delta House for the Interscholastic Meet were: "Jimmie" Spear of Deering High, C. M. Libby of Gardner, G. N. Worden '13, and Frank Morris ex-'14.

HEBRON EASILY WINS INTERSCHOLASTIC MEET

Four Records Broken—Running of Clancy of Orono High is Feature

Hebron Academy easily won the annual Schoolboy Meet by a big margin totaling 59 points. Maine Central Institute took second with 15 points, and Westbrook Seminary and Bangor High tied for third place with 12 points each.

Nearly every event was strongly contested and interest was increased by the work of several new stars.

The surprise of the meet was the splendid performance of Clancy of Orono who broke the old record in the two mile by nearly 36 seconds.

"Dutchy" Allen of Westbrook Seminary reduced the mile record to the remarkably good time of four minutes and 36 seconds.

The discus record was lengthened to 111.8 feet by Green of M. C. I. while the shot put mark was extended to 45.65 feet by Allen of Hebron. The quarter mile was perhaps the closest race "Torchy" Palmer of Hebron nosing out Hewey of Lewiston.

Thruout the whole meet the splendid work of the Hebron athletes could be felt. The wearers of the green and white scored points in every event but one, which included a total of eight firsts, four seconds, and seven thirds; and they captured every point but one in the dashes.

It is pleasing to note that these new records indicate the meet is becoming a faster one each year and approaching the higher standards set by the Interscholastic Meets of the larger colleges.

The summary:

100 Yard Dash—Won by Jordan of Hebron; Small of Hebron, second; Donegan of Hebron, third; time 10 2-5 seconds.

220 Yard Dash—Won by Jordan of Hebron; Small of Hebron, second; Miller of North Yarmouth Academy, third; time 23 1-5 seconds. (Equals record.)

440 Yard Dash—Won by Palmer of Hebron; Hewey of Lewiston, second; Lambert of Hebron, third; time, 54 1-5 seconds.

Half Mile Run—Won by Allen of Westbrook Seminary; Cleaves of Hebron, second; Pooler of Hebron, third; time, 2 minutes, 30 seconds.

Mile Run—Won by Allen of Westbrook Seminary; Wyman of Good Will High, second; LeClair of Hebron, third; time, 4 minutes, 34 seconds.

(New Record)

Two Mile Run—Won by Clancy of Orono High; Fox of Portland High, second; Wakefield of M. C. I., third; time, 10 minutes, 2 2-5 seconds. (New record).

120 Yard High Hurdles—Won by Donegan of Hebron; Head of Bangor High, second; McDonnell of Portland High, third; time, 17 2-5 seconds.

220 Yard Low Hurdles—Won by Hewey of Lewiston High; McDonnell of Portland, second; Donegan of Hebron, third; time, 27 2-5 seconds.

Broad Jump—Won by Hutton of Hebron; distance, 20.15 feet; Howes of M. C. I., second; Wyman of Westbrook Sem., third.

High Jump—Won by Head of Bangor High, height, 5 feet 2 inches; Rowell of Dexter High, second; Lambert of Hebron, third.

Pole Vault—Won by Hutton of Hebron, height, 10 ft. 1 in.; Bhompson of Bangor High, second; Hennsey of Portland High, Speirs of Deering High, and Read of Orono High, tied for third.

Discus Throw—Won by Green of M. C. I., distance, 111.9 ft. (New record).

Stanley of Hebron, second; Thompson of Bangor, third.

Hammer Throw (12 lbs.)—Won by Stanley of Hebron; distance, 140 ft., 8 inches; Green of M. C. I., second, Martin of Westbrook Sem., third.

Shot Put (12 lbs.)—Won by Allen of Hebron; distance, 45.65 feet (New record) Green of M. C. I., second; Jordan of Hebron, third.

Green of M. C. I. and Jordan of Hebron, tied for Individual Point Winner with 11 points each.

COLBY DEFEATED IN LAST GAME

Driscoll and His Team Mates Are Too Much for James and His Support

Maine won the last game of the State series from Colby on Saturday. Driscoll was in fine form and was given snappy support in the field while James was erratic and was supported poorly. Maine pulled off a lot of good baseball and was able to make six runs from six hits. Several times pretty bunts were laid down and on one occasion a bluff bunt enabled a double steal to be made possible. This with good base running and the star work of Lawry at second was too much for James and his men.

Driscoll was in fine form, striking out ten men. He kept his balls well mixed and the Colby men who had been hitting hard in the other games time and time again swung their heads off on his low ball, were fooled on one that cut a corner and then went to the bench disgusted after having made another vain attempt to connect with his low one.

Lawry's work at second was phenomenal. He ran toward second and first three or four times and stopped the ball with one hand and got his man at first. Hackett was strong with the stick; but was almost robbed of one hit by Simpson, who ran way in and had his fingers on a low liner over the infield.

TENNIS TEAM ON A TRIP

Have already Tied in a Dual Match With Colby

The University of Maine Tennis Team left Monday morning for Waterville where they will compete with Bates, Bowdoin and Colby for the tennis championship of the State. Maine and Colby have already had a dual meet in which they split even, Maine winning both singles and Colby the doubles.

The following men took the trip: A. L. King, '14, Capt.; J. W. Gowen, '14; Bartlett and Goodspeed, Law '14, and R. P. Clark, '15, ManaJer.

The tournament will take the best part of three days and longer in case of rain. For Maine, Gowen and King, Bartlett and Goodspeed, play together in doubles while Bartlett and Gowen do the honors in the singles.

The light blue and white of old Maine certainly came through fine in the New England Intercollegiate Track Meet last Saturday at the Harvard Stadium. Second place to Dartmouth is surely something to be proud of and we certainly are proud of the track team which won this honor for us.

Not only did Maine win second place in the big meet but it was University of Maine athletes who shone as the individual stars. The long and short of it all is that so much credit is due that we are so grateful to our track team and its coach both individually and collectively that it is simply beyond the power of mere words for us to express our appreciation.

Coach Smith and his men have done more than to make a most excellent showing. They have carved another niche in the Hall of Fame for the University. It is largely through athletics that a college keeps a place under the spotlight of the public eye. If the steadily improving quality of Maine teams continues it will not be long before the University will win for itself a place among the leaders for step by step, slowly but surely, to use a slang expression, "we are getting on the map."

PLEASING ENTERTAINMENT

Program Carried Out For Entertainment of Interscholastic Visitors

A very pleasing program was carried out in the gym Friday evening in honor of the men who were here to compete in the Interscholastic games and races held Saturday. A large number of men from the various high schools and academies throughout the state were present and even tho the number of Maine men in the audience was not as large as it should have been, the entertainment was thoroughly a success. If the cheers lacked quantity, the quality was there and so Maine spirit did not suffer greatly. However, all would have been much more pleased, had there been a larger representation of Maine men in attendance.

The entertainment began with a short concert by the Band and closed with the Stein Song.

LAMBDA CHI ENTERTAINS

Beta Zeta of Lambda Chi Alpha held a very successful house party at the chapter house Friday evening. The house was tastefully decorated with college and fraternity colors. Music was furnished by Larson and O'Hara of Bangor.

The guests were: Miss Marion Pooler, Miss Mable Carey, Miss Goldie Byther and Miss Cora Byther of Stillwater; Miss Margaret Travers, Miss Gladys Collins, Miss Gertrude Martin, Miss Mabel Co-hoon, and Miss Beatrice Matheson of Bangor; Miss Kathleen Eastman of Milford; Miss Edith Congdon of Portland; Miss Francis Gonyer, Miss Mildred Perry, Miss Helen Maloney, and Prof. and Mrs. Mathews of Orono, Mrs. Mathews acting as chaperone.

Goodrich Hewey of Lewiston High spent the week end at the Phi Eta Kappa House.

INTERSCHOLASTIC PRIZE SPEAKING

Prizes Won by Marion Adams of Skowhegan and Harold Taylor of Winterport

The Interscholastic Prize Speaking, which is one of the features of the visit of preparatory school delegates, and held in the Chapel, last Friday evening consisted of two parts, three orations in which first prize was awarded to Harold Douglass Taylor of Winterport, who delivered James Henry May's oration on Internationalism, and five recitations in which the first prize was awarded to Marion Adams of Skowhegan who recited a Christmas Present for a Lady by Myra Kelly. The other speakers in these final contests were Irving R. Donovan of Bangor and C. Myron Sprague of Both, who delivered orations, and Margaret Brewer of Bar Harbor, Ada Bell Kennan of Maine Central Institute, Orlando Lane of Coburn Classical Institute, and Alice Elena Thomas of Mexico who gave recitations.

The speaking itself was of a high order and the different speakers acquitted themselves extremely well. In like manner, the audience was as responsive as it was large and lent itself readily to the occasion.

In order to make the final selection easier and less tiresome there were as usual preliminary trials in the Library on Thursday afternoon. From the entire number were then selected those who took part in the final contest. This was longer somewhat than usual, because there were many more delegates than there have been to any former contest. After these trials a reception was given the visitors in the Library. This was by far the best reception ever held on similar occasions and gave the student of this University a chance to meet these preparatory school men and women as well as giving them an opportunity to meet us.

The chairman of the final contest was President Robert J. Aley. The judges for the oratory contest were: Reverend B. T. Livingston, Bangor; Mr. H. A. Farnham, Bangor; and Mr. H. J. Lockwood, Old Town. The judges for the recitation contest were: Reverend E. M. Cousins, Brewer; Miss Florence Jaynes, Bangor High School; and Mrs. Grace Jones, Orono. While awaiting the decisions of the judges, Mr. Leroy F. Bliss of the Department of English played several selections on the piano.

FRESHMAN RISING DAY

New Custom to be Instituted

The Freshman have voted to institute an entirely new custom for Commencement. It has been adopted to celebrate the time when as a class, they throw away freshman restrictions and become Sophomores. On the last evening of the College year, the class will march on the campus in a body singing college songs and cheering the class. Each man will be dressed in as grotesque a costume as possible and the torches and lanterns which are to be carried will serve to make the affair an impressive one. The freshmen will gather the last time as freshmen before a large bonfire. Here, after more cheering and some speeches, the class will dance around the fire and throw their blue and white caps into the blaze. This custom is observed in many colleges of the west and its adoption has added a touch of impressiveness to the ending of the college year, which is always remembered. Maine customs and Maine spirit will ever be dear to the hearts of all Maine men and the old traditions and the new customs should be encouraged to promote the interest of the University.

The committee that is in charge of this affair is composed of Parker N. Moulton, William E. Nash, M. Langdon Hill, Frank A. French and Edmund J. Dempsey and they are working hard to make Rising day a day to be remembered with fondness by the class of 1917 and all other classes to follow.

THE COLLEGE OF ARTS AND SCIENCES TO GIVE PLAYS

The College of Arts and Sciences will give two plays in the gymnasium, Wednesday evening, May 27, at 7.30. One of these plays will be given in English and the other in German.

The German play, entitled Eigensinn, by Roderich Benedix will be presented first with the following cast:

Lisbeth.....Miss Rosemary Brennan
Heinrich.....Mr. C. H. Goldsmith
Emma.....Miss Estelle Beaupre
Alfred.....Mr. H. W. Coffin
Katharina.....Miss Laura Hodgkins
Ausdorf.....Mr. S. C. Clement

The English play is entitled: The Cool Collegians.

Cast of Characters
Harry The two.....Higgins, 14
Fred cool collegians.....Hanson, 15
Mrs. Huntoon.....Miss C. I. Wormwood '17
Fanny.....Miss Marie Foster, '16
Molly.....Miss Dorothy Thompson, '16
Kate.....Miss Gladys Thompson, '16
Muggins.....Doyle, '15

These plays are being coached by Professor G. W. Thompson, who is trying the experiment of a mixed cast. This is the first time a mixed play has been given at the University and it is hoped to prove a big success. Should it prove successful it will not doubt be an annual substitution for the all male casts.

All students, faculty and fraternity matrons are cordially invited to be present at the trying out of the experiment. There will be no admission.

Delta Tau Delta gave a house party Saturday evening, May 23, with the following guests: Miss Hazel Scrimgeon and Miss Hazel Lane of Lewiston; Miss Catherine Loftus, Miss Frances Creamer, Miss Alice Howard, Miss Gladys Collins, Miss Agnes Curran, and Miss Margaret Gayton of Bangor; Miss Bertha Dennison of Portland; Miss Martha Hatch of So. Portland; Miss Helen Greeley and Miss Margaret Wood of Bar Harbor; Miss Doris Woodbury, Miss Marion Annis, and Miss Leontine Glidden of Brewer.

THE NEW GRAND STAND
Will Be Completed in September

The following cut is a partial reproduction of grand stand to be erected on Alumni field, University of Maine. Instead of curved effect, our stand will follow the track for 276 feet, beside straight-away. The cut is of a stand 10 tiers high; our stand will be 12 tiers; the stand will be 36 feet in width and will accommodate about 2200 people, and will be located on the south side of the athletic field, in a position similar to the old stand. In construction, it will be composed of wooden seats raised upon steel eye beams which in turn will be supported by concrete columns. The rear top of the stand is to be finished with a concrete balustrade supported by concrete piers. The front of the stand is to have a solid concrete fence about 3 feet high. The stand is to be open without roof; provision will be made to add roof if desired. The Athletic Board believe that they are offering the alumni and students the very best that they can for the money in sight. Bids will be open about June 1st and it is expected that grand stand will be completed by September 15th. The original stand was designed by E. W. Danforth, '02 and is now in use at the Somerville, Mass. Recreation Field. Our stand has been designed by Dean Boardman of the Engineering College and it is believed is a great improvement over the original plans.

It is to be regretted that our finances will not permit dressing rooms to be built under stand; it is to be hoped eventually that one of the small wooden buildings

The idea of greater value-giving has become so intimately associated with this store that the name "Finnegan & Monaghan" is now synonymous in the minds of most men with better values in better clothes.

It explains why, season after season, the same men come here for their clothes, clothes service and clothes satisfaction—why these men bring others with them—and why every patron is a steady, ever-busy advertisement for us and for our values.

Here among the new season's clothes are styles and fabrics for every man's fancy, ideas that mirror yours, woolsens in every desired weave, in every pleasing pattern and shade. Here are garments to fit the hard-to-fit as well as the perfectly proportioned—all priced in proof of greater value.

the battalion was ordered to take up the regular road march to Stillwater. Much time has been spent in practicing this road march and Captain Schindel was greatly pleased by the showing made by the battalion in executing this order. As the execution of this order took nearly the remainder of the afternoon, the battalion was dismissed upon its return to the campus.

Lieut. Glass expressed himself as being very well pleased with the inspection. He stated that the showing made by the battalion was much better than that of last year.

DRISCOLL ALLOWS BOWDOIN ONLY ONE HIT

A Cheap Homer by McElwee Only Hit

Maine won from Bowdoin Wednesday, by taking advantage of Bowdoin's error and by playing baseball. The great work of Driscoll was certainly good enough to win for any team. For the first time this season he gave Abbott some trouble in catching him and was working the corners for all that it was worth. He was practically invincible and the only hit that was made from him was a lucky one. He made the mistake of throwing a slow one to McElwee, who after deciding to let it go by, thought again and lifted it over second. The ball got away from Cobb and by the time that it had been relayed into Lawry back of second McElwee had rounded third. Lawry, who was unable

ADDRESS BY DR. SUEDDEN

Wednesday morning Doctor Suedden formerly of the Department of Education of Leland Stanford University, addressed the students on "Public Education as a Career."

Education at present is going through somewhat the same sort of transition as agriculture of late and medicine in the past. The agriculture of the past was based on custom, the agriculture of the present is based on science. In education there is an increasing demand for persons trained to serve as inspectors or teachers. This means trained along modern lines. Great changes are imminent. The ideal, if not the practice of scientific method is being developed. More than ever now is there a premium on the man who does things in a direct, practical way.

As a career from the point of ultimate satisfaction teaching is second to none. It is a significant fact that many from-

on the campus can be moved on the athletic field for a field house.

These brief statements should make clear to each mind the progress of the new grand stand which not only the student body but also the Alumni have been greatly interested in for the past year. It seems that we the student body should do everything in our power to arouse interest in the progress of this new structure. It should also be a matter of much importance to the Alumni to help all they are able for a good grand stand MEANS larger crowds at the games and meets and this MEANS more money in the Treasury of the A. A.

GOVERNMENT INSPECTION
OF BATTALIONInspecting Officer States that Drill
Was Great Improvement Over
That of Last Year

The annual government inspection of the U. of M. battalion was held Tuesday afternoon. Captain Schindel, U. S. A., who inspected the battalion last year again served in that capacity Tuesday. The drills instead of being closed order as those of last year were open order, and the purpose of the weekly Saturday drills this spring has been to give the cadets a clear understanding of the action of a military organization while on the line of march.

With this end in view Captain Schindel first had each company give individual exhibitions on the open field in front of the library. These drills were somewhat of the closed order type although several of the companies executed the line of skirmishers that is used in actual warfare.

After these individual company drills,

to see the position of the men at third held the ball for a moment and before he could throw McElwee had started safely for home.

Maine scored first in the second. Abbott hit safely and went to second when McElwee lost Gilman's grounder. Chase sacrificed, advancing both men and Abbott scored on Pendleton's grounder to the shortstop. The second score was made in the fifth after two were out. Cobb had made second when Stetson dropped his fly and then scored when Chapman slipped up on Hackett's grounder. The final score came in the sixth. Stetson miscued again on Abbott's fly. Fraser threw over first and Abbott went to second and was sacrificed to third by Gilman's bunt to McElwee. Chase came across with a fly to right and Abbott scored.

Fraser pitched a good game for Bowdoin and with decent support the game might have gone extra innings, but the combination of five sacrifice hits with good base sliding was too much when errors made them possible.

THE CADETS NOT TO MARCH

The rumor which has been prevalent on the campus to the effect that the U. of M. cadets had been invited to take part in the Memorial exercises to be held at Bangor, Saturday is to no account. Lieut. Glass stated Saturday that at that time no invitation had been received and that in all probability no invitation was forthcoming.

Beginning with this week the different companies will be placed in the hands of the company commanders. This is in order that preparation may be made for the competitive drill to be held during Commencement Week.

H. W. Coffin and C. S. Erswell have signed up to attend the United States Military Instruction camp for college students to be established this summer at the University of Vermont.

Six of the cadet officers have signified their intention of attending the instruction camp for militia officers to be held June 9 to 13 at the state campground, Augusta.

Miss Gladys Sherman, Miss Margaret Brewer, Mr. Gardner Sherman, Master William Sherman and Master Roger Sherman of Bar Harbor were at the Kappa Sigma House over the week end.

The Ladies of the Round Table are to entertain the members of the Woman's Club of the University at an informal lawn party, June sixth. A feature of the entertainment will be a may pole dance given by eighteen of the woman students.

Tee Up! Smoke Up!

AS satisfying as the sounding smack of the perfect drive, is the open-air relish of the perfect smoke—Tuxedo. Both go together, too. When you grab your bag and start for the links, grab up your tin of Tuxedo and take it along.

"Follow through" the snappy afternoon with Tuxedo. Put Tuxedo in your pipe and you will "put" the best. And at "the nineteenth hole" rest up and relax with a good, solid smoke of Tuxedo. That's the advice of good golfers everywhere.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo positively cannot bite—not even if you smoke pipeful after pipeful, as many as you can crowd into a day or a week.

Tuxedo is made of only the finest, choicest, selected leaves of perfectly aged Burley tobacco. It is made by the original "Tuxedo Process" which removes every trace of bite and sting and develops all the wonderful mildness, fragrance and flavor of the Burley Leaf in a way that no other brand of tobacco has ever successfully imitated.

Always Reliable

The element of reliability enters into the making of a cleaning material equally as much as into the manufacture of any other article that must be of a dependable quality.

The high standard of purity and cleaning excellence for which

Wyandotte
Dairyman's
Cleaner and Cleanser

is so well known and which is so carefully maintained increases to the maximum the reliability which the butter or cheese maker can give to his dairy cleaning material.

Since there are no greases, caustic properties or other harmful ingredients in Wyandotte Dairyman's Bleaner and Cleanser to bring about a loss of quality in the finished product, and since it has only the purest of cleaning ingredients that work in perfect harmony with milk, butter or cheese, the reliability of Wyandotte Dairyman's Cleaner and Cleanser is easily established as every pound is equal in all respects to every other pound.

Its original low cost together with its thoroughly reliable qualities make Wyandotte Dairyman's Cleaner and Cleanser the most ideal and serviceable cleanser for any dairy or factory.

A Man's Smoke the World Over

The iron-nerved bird-men who ride the "bucking bronchos of the air"—the brawny cowboys of the West—Uncle Sam's sturdy Jack Tars, "cowpunchers of the sea"—in every calling that appeals to men of initiative and ability—you'll find "Bull" Durham, in fresh, hand-made cigarettes, the favorite smoke.

"Bull" Durham appeals to them not only because it is a superb tobacco, but because of its wonderful flavor. Ever notice that peculiarly distinctive, rich, fragrant aroma that only "Bull" Durham possesses? It is due to a generations-old process known only to the makers of "Bull" Durham. It is a unique factor in the world-wide success of this famous tobacco.

GENUINE "BULL" DURHAM SMOKING TOBACCO
(Enough for forty hand-made cigarettes in each 5c pack)

As many cigarettes are rolled from "Bull" Durham in a year as all brands of ready-made cigarettes in this country combined—and the sales are still growing. Get "the Makings" today—"roll your own"—and obtain lasting, healthful enjoyment.

An Illustrated Booklet, showing how to "Roll Your Own," and a Book of cigarette papers, will both be mailed, free, to any address in U. S. on postal request. Address "Bull" Durham, Durham, N. C., Room 1210. THE AMERICAN TOBACCO COMPANY
